(f) To prescribe, revise, and collect in advance or otherwise from any consumer or any owner or occupant of any real property connected therewith or receiving service therefrom rates, fees, tolls, and charges, or any combination thereof, for the services furnished by, or the direct or indirect connection with, or the use of, or any commodity from, such water facilities or sewerage facilities, or both, including, without limiting the generality of the foregoing, minimum charges, charges for the availability of service, tap fees, disconnection fees, reconnection fees, and reasonable penalties for any delinquencies, including but not necessarily limited to interest on delinquencies from any date due at a rate of not exceeding

one percent per month, or fraction thereof, reasonable attorney fees, and other costs of collection, without any modification, supervision, or regulation of any such rates, fees, tolls, or charges by any board, agency, bureau, commission, or official other than the board of county commissioners collecting them; and, in anticipation of the collection of the revenues of such water facilities or sewerage facilities, or joint system, to issue revenue bonds to finance in whole or in part the cost of acquisition, construction, reconstruction, improvement, betterment, or extension of the water facilities or sewerage facilities, or both; and to issue temporary bonds until permanent bonds and any coupons appertaining thereto have been printed and exchanged for the temporary bonds;

(g) To pledge to the punctual payment of said bonds and interest thereon all or any part of the revenues of the water facilities or sewerage facilities, or both, including the revenues of improvements, betterments, or extensions thereto, thereafter constructed or acquired, as well as the revenues of existing water facilities or sewerage facilities, or both;

(h) To enter into and perform contracts and agreements with other counties or with municipalities for or concerning the planning, construction, lease, or other acquisition and the financing of water facilities or sewerage facilities, or both, and the maintenance and operation thereof. Any such counties or municipalities so contracting with each other may also provide in any contract or agreement for a board, commission, or such other body as their boards or governing bodies may deem proper for the supervision and general management of the water facilities or sewerage facilities, or both, and for the operation thereof, and may prescribe its powers and duties and fix the compensation of the members thereof.

(i) To make all contracts, execute all instruments, and do all things necessary or convenient in the exercise of the powers granted in this section, or in the performance of its covenants or duties, or in order to secure the payment of its bonds; except that no encumbrance, mortgage, or other pledge of property, excluding any pledged revenues, of the county is created thereby, and except that no property, other than money, of the county is liable to be forfeited or taken in payment of said bonds, and except that no debt on the credit of the county is thereby incurred in any manner for any purpose; and

(j) To issue water, or sewer, or joint water and sewer refunding revenue bonds to refund, pay, or discharge all or any part of its outstanding water, or sewer, or joint water and sewer revenue bonds issued under this part 4 or under any other law, including any interest thereon in arrears or about to become due, or for the purpose of reducing interest costs or effecting other economies or of modifying or eliminating restrictive contractual limitations appertaining to the issuance of additional bonds or to any county water facilities or sewerage facilities, or both, as provided in section 30-20-410.

Source: L. 71: p. 355, § 1. C.R.S. 1963: § 36-29-2.

ANNOTATION

Section gives counties legally protected interest and therefore standing to file suit. *Bd. of County Comm'rs v. Denver Bd. of Water Comm'rs*, 718 P.2d 235 (Colo. 1986).

Authority to serve noncounty users. Denver is also a county as well as a city, and, as such, could be said to have parallel powers to serve noncounty water users under subsection (1)(b). *Colo. Open Space Council, Inc. v. City & County of Denver*, 190 Colo. 122, 543 P.2d 1258 (1975).

Permissive grants of power that allow the county to construct, operate, improve, and extend storm water facilities and levy taxes to finance the acquisition, construction, operation, improvement, and extension thereof, do not impose a mandatory duty to remedy a particular harm and, therefore, do not establish a clear legislative intent to create a private cause of action. *Larry H. Miller Corp.-Denver v. Bd. of County Comm'rs*, 77 P.3d 870 (Colo. App. 2003).

30-20-403. Authorization of facilities and bonds. (1) The acquisition, construction, reconstruction, lease, improvement, betterment, or extension of any water facilities or sewerage facilities, or both, and the issuance in anticipation of the collection of revenues of such facilities of bonds to provide funds to pay the cost thereof may be authorized under this part 4 by action of the board of county commissioners taken at a regular or special meeting

by a vote of a majority of the members of the board.

(2) The board, in determining such cost, may include all costs and estimated costs of the issuance of said bonds; all engineering, inspection, fiscal, and legal expenses; interest which it is estimated will accrue during the construction or other acquisition period and for a period of not exceeding one year thereafter on money borrowed or which it is estimated will be borrowed pursuant to this part 4; any discount on the sale of the bonds; costs of financial, professional, and other estimates and advice; contingencies; any administrative, operating, and other expenses of the county prior to and during such acquisition period and for a period of not exceeding one year thereafter, as may be determined by the board; and all other expenses as may be necessary or incident to the financing, acquisition, improvement, equipment, and completion of any water or sewerage facilities, joint water and sewer system, or part thereof, and the placing of the same in operation; and also such provision or reserves for working capital, operation, maintenance, or replacement expenses or for payment or security of principal of or interest on any bonds during or after such an acquisition or improvement and equipment as the board may determine; and also reimbursements to the federal government, or any agency, instrumentality, or corporation thereof, of any moneys theretofore expended for or in connection with any such water or sewerage facilities, or both.

Source: L. 71: p. 357, § 1. C.R.S. 1963: § 36-29-3.

30-20-404. Bond provisions. (1) Revenue bonds issued under this part 4 shall bear interest at a rate such that the net effective interest rate of the issue of bonds does not exceed the maximum net effective interest rate authorized, payable semiannually or annually, and evidenced by one or two sets of coupons, if any, executed with the facsimile or manually executed signature of any official of the county; except that the first coupon appertaining to any bond may evidence interest not in excess of one year. The resolution authorizing the issuance of such bonds shall specify the maximum net effective interest rate. Such bonds may be issued in one or more series, may bear such date, may mature at such time not exceeding the estimated life of the water facilities or sewerage facilities, or both, to be acquired with the bonds proceeds, as determined by the board, but in no event beyond forty years from their respective dates, may be in such denomination, may be payable in such medium of payment, at such place within or without the state, including but not limited to the office of the county treasurer, may carry such registration privileges, may be subject to such terms of prior redemption in advance of maturity in such order or by lot or otherwise at such time with or without a premium, may be executed in such manner, may bear such privileges for reissuance in the same or other denomination, may be so reissued, without modification of maturities and interest rates, and may be in such form, either coupon or registered, as may be provided by the board.

(2) The board may provide for preferential security for any bonds, both principal and interest, to be issued under this part 4 to the extent deemed feasible and desirable by such board over any bonds that may be issued thereafter.

(3) Said bonds may be sold at, above, or below the principal amounts thereof, but they may not be sold at a price such that the net effective interest rate of the issue of bonds exceeds the maximum net effective interest rate authorized.

(4) Bonds may be issued with privileges for conversion or registration, or both, for payment as to principal or interest, or both; and, where interest accruing on the bonds is not represented by interest coupons, the bonds may provide for the endorsing of payments of interest thereon; and the bonds generally shall be issued in such manner, in such form, either coupon or registered, with such recitals, terms, covenants, and conditions, and with such other details as may be provided by the board, except as otherwise provided in this part 4.

(5) Subject to the payment provisions in this part 4 specifically provided, said bonds, any interest coupons thereto attached, and any temporary bonds shall be fully negotiable within the meaning of and for all the purposes of article 8 of title 4, C.R.S., except as the board may otherwise provide; and each holder of each such security, by accepting such security, shall be conclusively deemed to have agreed that such security, except as otherwise

provided, is and shall be fully negotiable within the meaning and for all purposes of article 8 of title 4, C.R.S.

(6) Notwithstanding any other provision of law, the board in any proceedings authorizing bonds under this part 4:

(a) May provide for the initial issuance of one or more bonds, in this subsection (6) called "bond", aggregating the amount of the entire issue;

(b) May make such provision for installment payments of the principal amount of any such bond as it may consider desirable;

(c) May provide for the making of any such bond, payable to bearer or otherwise, registrable as to principal or as to both principal and interest and, where interest accruing thereon is not represented by interest coupons, for the endorsing or payments of interest on such bonds; and

(d) May further make provision in any such proceedings for the manner and circumstances in and under which any such bond may in the future, at the request of the holder thereof, be converted into bonds of smaller denominations, which bonds of smaller denominations may in turn be either coupon bonds or bonds registrable as to principal, or principal and interest, or both.

(7) If lost or completely destroyed, any security in this part 4 authorized may be reissued in the form and tenor of the lost or destroyed security upon the owner furnishing, to the satisfaction of the board: Proof of ownership; proof of loss or destruction; a surety bond in twice the face amount of the security, including any unmatured coupons appertaining thereto; and payment of the cost of preparing and issuing the new security.

(8) Any officer authorized to execute any bond, after filing with the secretary of state his manual signature certified by him under oath, may execute or cause to be executed with a facsimile signature in lieu of his manual signature any bond authorized in this part 4 if such a filing is not a condition of execution with a facsimile signature of any interest coupon and if at least one signature required or permitted to be placed on each such bond, excluding any interest coupon, shall be manually subscribed. An officer's facsimile signature has the same legal effect as his manual signature.

(9) The county clerk and recorder may cause the seal of the county to be printed, engraved, stamped, or otherwise placed in facsimile on any bond. The facsimile seal has the same legal effect as the impression of the seal.

(10) The resolution authorizing any bonds or other instrument appertaining thereto may contain any agreement or provision customarily contained in instruments securing revenue bonds, including, without limiting the generality of the foregoing, covenants designated in section 30-20-407.

Source: L. 71: p. 357, § 1. C.R.S. 1963: § 36-29-4. L. 75: (5) amended, p. 219, § 61, effective July 16.

30-20-405. Signatures on bonds. (1) The bonds and any coupons bearing the signatures of officers in office on the date of the signing thereof shall be valid and binding obligations of the county, notwithstanding that before the delivery thereof and payment therefor any or all of the persons whose signatures appear thereon shall have ceased to be officers of the county issuing the same.

(2) Any officer authorized or permitted to sign any bond or interest coupon, at the time of its execution and of the execution of a signature certificate, may adopt as and for his own facsimile signature the facsimile signature of his predecessor in office in the event that such facsimile signature appears upon the bond or coupons appertaining thereto, or upon both the bond and such coupons.

Source: L. 71: p. 359, § 1. C.R.S. 1963: § 36-29-5.

30-20-406. Tax exemption. The bonds and the income therefrom shall be exempt from taxation, except inheritance, estate, and transfer taxes.

Source: L. 71: p. 359, § 1. C.R.S. 1963: § 36-29-6.

30-20-407. Covenants in bond resolution. (1) Any resolution under this part 4 authorizing the issuance of bonds, or trust indentures, or other instruments appertaining thereto to finance in whole or in part the acquisition, construction, reconstruction, improvement, betterment, or extension of water facilities or sewerage facilities, or both, may contain covenants as to:

(a) The rates, fees, tolls, or charges, or combination thereof, to be charged for the services, facilities, and commodities of said water facilities or sewerage facilities, or both, and the use and disposition thereof, including but not limited to the foreclosure of liens for, and collection of, delinquencies, the discontinuance of services, facilities, or commodities, or use of any water system or any sewer system, or joint system, prohibition against free service, the collection of penalties and collection costs, including disconnection and reconnection fees, and the use and disposition of any revenues of the county, derived or to be derived from any water facilities or sewerage facilities, or both;

(b) The creation and maintenance of reserves or sinking funds and the regulation, use, and disposition thereof to secure the payment of the principal of and interest on any bonds or of operation and maintenance expenses of any water system, sewer system, joint system, or part thereof; the determination or definition of revenues from any water system, sewer system, or joint system and of the expenses of operation and maintenance of such system; and the source, custody, security, use, and disposition of any such reserves or sinking funds, including but not limited to the powers and duties of any trustee with regard thereto;

(c) A fair and reasonable payment by the county to the account of said water facilities or sewerage facilities, or both, for the services, commodities, or facilities furnished said county by said water facilities or sewerage facilities, or both;

(d) The issuance of other or additional bonds or instruments payable from or constituting a charge against the revenue of such water facilities or sewerage facilities, or both; the payment of the principal of and interest on any bonds and the sources and methods thereof; the rank or priority of any bonds as to any lien or security for payment, or the acceleration of any maturity of any bonds, or the issuance of other or additional bonds payable from or constituting a charge against or lien upon any revenues pledged for the payment of bonds and the creation of future liens and encumbrances thereagainst and limitations thereon; and the purpose to which the proceeds of the sale of bonds may be applied and the custody, security, use, expenditure, application, and disposition thereof;

(e) Books of account, the inspection and audit thereof, and other records appertaining to a water system, sewer system, or joint system; the insurance to be carried by the county and use and disposition of insurance moneys; the acquisition of completion or surety bonds appertaining to any project, funds or personnel, and the use and disposition of any proceeds of such bonds; the assumption or payment or discharge of any indebtedness, other obligation, lien, or other claim relating to any part of a water system, sewer system, or joint system or any securities having or which may have a lien on any part of any revenues of such system; and limitations on the powers of the county to acquire or operate, or permit the acquisition or operation of, any plants, structures, facilities, or properties which may compete or tend to compete with the water system, sewer system, or joint system;

(f) The rights, liabilities, powers, and duties arising upon the breach by the county of any covenants, conditions, or obligations; defining events of default; the payment of costs or expenses incident to the enforcement of the bonds or of the provisions of the resolution authorizing the bonds or any trust indenture or other instrument appertaining thereto or of any covenant or contract with the holders of the bonds; the procedure, if any, by which the terms of any covenant or contract with, or duty to, the holders of bonds, the bond resolution, any trust indenture, or other instrument may be amended or abrogated; the amount of bonds to which the holders, or any trustee, must consent and the manner in which such consent may be given or evidenced; and the terms and conditions upon which any or all of the bonds shall become or may be declared due before maturity and the terms and conditions upon which such declaration and its consequences may be waived;

(g) The terms and conditions upon which the holders of the bonds or any portion or percentage of them may enforce any covenants or provisions made under this part 4 or duties imposed thereby; and

(h) All such acts and things as may be necessary or convenient or desirable in order to secure its bonds or, in the discretion of the board of county commissioners, tend to make the bonds more marketable, notwithstanding that such covenant, act, or thing may not be enumerated in this part 4, it being the intention of this part 4 to give a county power to do all things in the issuance of bonds and for their security consistent with continued public ownership of the sewerage facilities or water facilities.

Source: L. 71: p. 359, § 1. C.R.S. 1963: § 36-29-7.

30-20-408. No county liability on bonds. Revenue bonds issued under this part 4 shall not constitute an indebtedness of the county within the meaning of any constitutional or statutory limitations. Each bond issued under this part 4 shall recite in substance that said bond, including interest thereon, is payable solely from the revenues pledged to the payment thereof and that said bond does not constitute a debt of the county within the meaning of any constitutional or statutory limitations.

Source: L. 71: p. 361, § 1. C.R.S. 1963: § 36-29-8.

30-20-409. Remedies of bondholders. (1) Subject to any contractual limitations binding upon the holders of any issue of bonds, or trustee therefor, including but not limited to the restriction of the exercise of any remedy to a specified proportion or percentage of such holders, any holder of bonds, or trustee therefor, shall have the right and power, for the equal benefit and protection of all holders of bonds similarly situated:

(a) By mandamus or other suit, action, or proceeding at law or in equity to enforce his rights against the county and its board and any of its officers, agents, and employees and to require and compel such county or such board or any such officers, agents, or employees to perform and carry out their duties and obligations under this part 4 and their covenants and agreements with the bondholders;

(b) By action or suit in equity to require the county and the board thereof to account as if they were the trustee of an express trust;

(c) By action or suit in equity to enjoin any acts or things which may be unlawful or in violation of the rights of the bondholders; and

(d) To bring suit upon the bonds.

(2) No right or remedy conferred by this part 4 upon any holder of bonds or any trustee therefor is intended to be exclusive of any other right or remedy, but each such right or remedy is cumulative and in addition to every other right or remedy and may be exercised without exhausting and without regard to any other remedy conferred by this part 4 or by any other law.

Source: L. 71: p. 361, § 1. C.R.S. 1963: § 36-29-9.

30-20-410. Refunding bonds. (1) Any bonds issued for any refunding purpose authorized in section 30-20-402 (1) (j) may either be delivered in exchange for the outstanding bonds authorized to be refunded or may be sold as provided in this part 4.

(2) No bonds may be refunded under this part 4 unless they either mature or are callable for prior redemption under their terms within ten years from the date of issuance of the refunding bonds or unless the holders thereof voluntarily surrender them for exchange or payment. No maturity of any bond refunded may be extended over fifteen years. The rate of interest on such refunding bonds shall be determined by the board. The principal amount of the refunding bonds may exceed the principal amount of the refunded bonds if the aggregate principal and interest costs of the refunding bonds do not exceed such unaccrued costs of the bonds refunded, excluding from the computation of such limitation the amount of the principal of any refunding bonds issued to pay any interest in arrears or about to become due on the bonds refunded.

(3) The proceeds of refunding bonds shall either be immediately applied to the retirement of the bonds to be refunded or be placed in escrow to be applied to the payment

of the bonds upon their presentation therefor. Any escrowed proceeds, pending such use, may be invested or reinvested in securities meeting the investment requirements established in part 6 of article 75 of title 24, C.R.S. Such escrowed proceeds and investments, together with any interest to be derived from any such investment, shall be in an amount at all times sufficient to pay the bonds refunded as they become due at their respective maturities or due at prior redemption dates as to principal, interest, any prior redemption premium due, and any charges of the escrow agent payable therefrom.

(4) Refunding revenue bonds may be made payable from any revenues derived from the operation of any water facilities or sewerage facilities or of both water facilities and sewerage facilities comprising a joint water and sewer system, notwithstanding the pledge of any such revenues for the payment of the outstanding bonds issued by the county which are to be refunded is thereby modified.

(5) Bonds for refunding and bonds for any other purpose authorized in this part 4 may be issued separately or issued in combination in one series or more.

(6) Except as expressly provided or necessarily implied in this section and in section 30-20-402 (1) (j), the relevant provisions in this part 4 pertaining to revenue bonds not issued for refunding purposes shall be equally applicable in the authorization and issuance of refunding revenue bonds, including their terms and security, the bond resolution, rates, fees, tolls, service charges, and other aspects of the bonds.

(7) The determination of the board, that the limitations under this part 4 imposed upon the issuance of refunding bonds have been met, shall be conclusive in the absence of fraud or arbitrary and gross abuse of discretion.

Source: L. 71: p. 362, § 1. C.R.S. 1963: § 36-29-10. L. 89: (3) amended, p. 1114, § 23, effective July 1.

30-20-411. Incontestable recital in bonds. Any resolution authorizing, or any trust indenture or other instrument appertaining to, any bonds under this part 4 may provide that each bond therein authorized shall recite that it is issued under authority of this part 4. Such recital shall conclusively impart full compliance with all of the provisions of this part 4, and all bonds issued containing such recital shall be incontestable for any cause whatsoever after their delivery for value.

Source: L. 71: p. 363, § 1. C.R.S. 1963: § 36-29-11.

30-20-412. Application of bond proceeds. (1) All moneys received from the issuance of any bonds authorized in this part 4 shall be used solely for the purpose for which issued and the cost of any project thereby delineated.

(2) Any accrued interest and any premium shall be applied to the payment of the interest on or the principal of the bonds, or both interest and principal, or shall be deposited in a reserve therefor, as the board may determine.

(3) Any unexpended balance of such bond proceeds remaining after the completion of the acquisition or improvement and equipment of the project or the completion of the purpose for which such bonds were issued shall be paid immediately into the fund created for the payment of the principal of said bonds and shall be used therefor, subject to the provisions as to the times and methods for their payment as stated in the bonds and the proceedings authorizing or otherwise appertaining to their issuance, or into a reserve therefor.

(4) The validity of said bonds shall not be dependent on nor affected by the validity or regularity of any proceedings relating to the acquisition or improvement and equipment of the project or the proper completion of any project for which the bonds are issued.

(5) The purchaser of the bonds shall in no manner be responsible for the application of the proceeds of the bonds by the county or any of its officers, agents, and employees.

Source: L. 71: p. 363, § 1. C.R.S. 1963: § 36-29-12.

30-20-413. Continuing rights of bondholders. The failure of any holder of any bond or coupon issued under this part 4 to proceed, as provided in section 30-20-409, or in any proceedings appertaining to the issuance of such bond or coupon, shall not relieve the county, its board, or any of its officers, agents, and employees of any liability for failure to perform or carry out any duty, obligation, or other commitment.

Source: L. 71: p. 363, § 1. C.R.S. 1963: § 36-29-13.

30-20-414. Validation. All revenue bonds or other obligations payable solely from revenues of a water or sewer system, and any coupons appertaining thereto, appertaining to a water system, sewer system, or joint water and sewer system issued or purportedly issued prior to June 2, 1971, and all acts and proceedings had or taken or purportedly had or taken before that date, by or on behalf of any county under law or under color of law, preliminary to and in the authorization, execution, sale, and issuance of all water revenue bonds, sewer revenue bonds, and joint water and sewer revenue bonds, including any coupons appertaining thereto, the authorization and execution of all other contracts, and the exercise of other powers in this part 4, are validated, ratified, approved, and confirmed, except as provided in section 30-20-415, notwithstanding any lack of power, authority, or otherwise, other than constitutional, and notwithstanding any defects and irregularities, other than constitutional, in such securities, acts, and proceedings in such authorization, execution, sale, and issuance and in such exercise of powers; and such securities and other contracts are and shall be binding, legal, valid, and enforceable obligations of such county to which they appertain in accordance with their terms and their authorization proceedings.

Source: L. 71: p. 363, § 1. C.R.S. 1963: § 36-29-14.

30-20-415. Effect of and limitations upon validation. This part 4 shall operate to supply such legislative authority as may be necessary to validate any such securities issued prior to June 2, 1971, and other contracts of such counties executed before said date and any acts and proceedings taken before said date appertaining to the issuance of such securities or execution of other contracts by such counties or otherwise which the general assembly could have supplied or provided for in the law under which such securities were issued or such other contracts were executed and such acts or proceedings were taken; but this part 4 shall be limited to the validation of such securities, other contracts, acts, and proceedings to the extent to which the same can be effectuated under the state and federal constitutions. This part 4 shall not operate to validate, ratify, approve, confirm, or legalize any bond or coupon, other contract, act, proceedings, or other matter the legality of which is being contested or inquired into in any legal proceeding now pending and undetermined, and it shall not operate to confirm, validate, or legalize any bond or coupon, other contract, act, proceedings, or other matter which was determined in any legal proceeding prior to June 2, 1971, to be illegal, void, or ineffective.

Source: L. 71: p. 364, § 1. C.R.S. 1963: § 36-29-15.

30-20-416. Compulsory sewer connections - owner to be notified. (1) In addition to the powers already had by counties, they have the following powers as enumerated below:

(a) Whenever the board of county commissioners of a county having a public sewerage system determines that the county sewer line is within four hundred feet of the boundary line of any premises located within the county and the board deems it necessary for the protection of public health that the owners of one or more of such premises shall connect their premises with the public sewer, thirty days' notice in writing shall be given to said owners, by registered mail, notifying them to connect their premises with the sewer, the date of the notice to begin as of the date of registering the same for mailing.

(b) If the work of making the connection is not begun within thirty days, the board shall notify the county engineer to prepare plans and specifications for making the connection

with the public sewer, including water and service pipe for flushing purposes, if the owner has given notice and proof to said board of his financial inability to make the connection himself and if it is only for the necessary connection of a water closet or of a privy in an outhouse or both.

Source: L. 71: p. 364, § 1. C.R.S. 1963: § 36-29-16.

30-20-417. Resolution adopted. The plans or specifications shall be filed in the county clerk and recorder's or engineer's office, and a resolution shall be adopted by the board ordering or prescribing in general terms the contemplated sewerage connections, giving location of the premises and the name of the owner and authorizing the county clerk and recorder to advertise for bids. The advertisement for bids shall be the same as is now provided for in other cases wherein counties receive bids. The board of county commissioners shall let the contract to the lowest responsible bidder who shall furnish satisfactory security, but it shall have the right to reject all bids.

Source: L. 71: p. 364, § 1. C.R.S. 1963: § 36-29-17.

30-20-418. Cost of connection. The entire costs of all sewerage and water connections, closets, equipment pipe, sewer pipe, labor, and necessary engineering, legal, and publication expenses shall be ascertained by the board of county commissioners, including an amount of six percent additional for costs of inspection, collections, and other incidentals. The cost to each owner shall be determined according to the material used and work done under the contract in connecting such property to the public sewer and water main. The engineering, legal, and publication expenses shall be charged in proportion as each connection bears to the whole. The cost to each owner shall be billed to him and if unpaid shall be collected in the same manner as other rates, fees, tolls, and charges of the system.

Source: L. 71: p. 365, § 1. C.R.S. 1963: § 36-29-18.

30-20-419. Appropriation from system. The board of county commissioners may make adequate appropriations from the revenues of the system to defray such costs until such time as the charges are received, and, when received, the system shall be reimbursed to the amount of any such appropriation.

Source: L. 71: p. 365, § 1. C.R.S. 1963: § 36-29-19.

30-20-420. Failure to pay rates and charges - lien. In the event any user of the system neglects, fails, or refuses to pay the rates, fees, tolls, and charges fixed by the board of county commissioners for the connection with and use of the system, said user shall not be disconnected from said system or refused the use of said system unless the user is outside the boundaries of the county, but the rates, fees, tolls, and charges due therefor may be certified by the county clerk and recorder to the board of county commissioners of the county in which said delinquent user's property is located and shall become a lien upon the real property so served by said system and collected in the manner as though they were part of the taxes.

Source: L. 71: p. 365, § 1. C.R.S. 1963: § 36-29-20.

30-20-421. Prior rates and charges declared valid. Any such rates and charges for the connections with, and use of, the system of any county declared or established prior to June 2, 1971, by resolution of the board of county commissioners are, and the same are declared to be, valid and ratified.

Source: L. 71: p. 365, § 1. C.R.S. 1963: § 36-29-21.

30-20-422. Construction of this part 4. The powers conferred by this part 4 shall be in addition and supplemental to and not in substitution for, and the limitations imposed by this part 4 shall not affect, the powers conferred by any other law. Bonds may be issued under this part 4 without regard to the provisions of any other law. The water facilities or sewerage facilities, or both, may be acquired, purchased, constructed, reconstructed, improved, bettered, and extended, and bonds may be issued under this part 4 for said purposes, notwithstanding that any law may provide for the acquisition, purchase, construction, reconstruction, improvement, betterment, and extension for like purposes, and without regard to the requirements, restrictions, debt, or other limitations or other provisions contained in any other law, including, but not limited to, any requirement for any restriction or limitation on the incurring of indebtedness or the issuance of bonds. Insofar as the provisions of this part 4 are inconsistent with the provisions of any other law, the provisions of this part 4 shall be controlling.

Source: L. 71: p. 365, § 1. C.R.S. 1963: § 36-29-22.

PART 5

COUNTY PUBLIC IMPROVEMENT DISTRICT ACT

Law reviews: For article, "Improvement Districts for Colorado Counties, Cities, and Towns", see 30 Colo. Law. 53 (January 2001).

30-20-501. Short title. This part 5 shall be known and may be cited as the "County Public Improvement District Act of 1968".

Source: L. 68: p. 162, § 2. C.R.S. 1963: § 36-25-2.

30-20-502. Legislative declaration. It is hereby declared that the organization of public improvement districts, having the purposes and powers provided in this part 5, shall serve a public use and will promote the health, safety, prosperity, security, and general welfare of the inhabitants of said districts.

Source: L. 68: p. 162, § 1. C.R.S. 1963: § 36-25-1.

30-20-503. Definitions. As used in this part 5, unless the context otherwise requires:

(I) (a) (I) (A) An "elector" of a district is a person who, at the designated time or event, is registered to vote in general elections in this state; and

(B) Who has been a resident of the district or the area to be included in the district for not less than thirty days; or

(C) Who or whose spouse owns taxable real or personal property within the district or the area to be included in the district whether or not said person resides within the district.

(II) Where the owner of taxable real or personal property specified in sub-subparagraph (C) of subparagraph (I) of this paragraph (a) is not a natural person, an "elector" of the district shall include a natural person designated by such owner to vote for such person. Such designation shall be in writing and filed with the county clerk and recorder. Only one such person may be designated by an owner.

(b) A "taxpaying elector" of a district is an elector of a district who or whose spouse owns taxable real or personal property within the district or the area to be included within the district, whether or not said person resides within the district. Where the owner of taxable real or personal property specified in this paragraph (b) is not a natural person, a "taxpaying elector" of the district shall include a natural person designated by such owner to vote for such person. Such designation shall be in writing and filed with the county clerk and recorder. Only one such person may be designated by an owner.

(c) A person who is obligated to pay general taxes under a contract to purchase real property within the district shall be considered an owner within the meaning of this

subsection (1). The ownership of property on which a specific ownership tax is paid pursuant to law shall not qualify a person as an elector nor as a taxpaying elector. Taxable property means real or personal property subject to general ad valorem taxes.

(d) Registration pursuant to the general election laws or any other laws shall not be required.

(2) "Governing body" means a board of county commissioners in a county.

(3) "Improvement district", referred to in this part 5 as a "district", means a taxing unit that may be created by any county in this state for the purpose of constructing, installing, acquiring, operating, or maintaining any public improvement or for the purpose of providing any service so long as the county that forms the district is authorized to perform such service or provide such improvement under the county's home rule charter, if any, or the laws of this state, and except as otherwise provided in this subsection (3). "Public improvement" or "service" shall not include any facility identified in section 30-20-101 (8) or (9), nor shall the terms include services identified in section 30-15-401 (4) to (7.7) unless the district provides such services consistent with part 4 of article 15 of this title. No such district shall provide the same improvement or service as an existing special district within the territory of such existing special district unless the existing special district consents. A district may consist of noncontiguous tracts or parcels and may be organized wholly or partially within an existing special district if it is not providing the same service as the special district. For purposes of this part 5, a district may be created by or within a county for the purpose of constructing, installing, acquiring, operating, maintaining or providing fire protection regardless of whether or not the county is authorized to provide fire protection improvements or services. For purposes of this subsection (3), "fire protection" shall have the same meaning as "firehouses, equipment, and firefighters" as described in section 30-35-201 (22).

(4) "Publication", if no manner of publication is specified, means publication once a week for three consecutive weeks in a newspaper of general circulation in the district. It shall not be necessary that publication be made on the same day of the week in each of the three consecutive weeks, but not less than fourteen days, excluding the day of first publication, shall intervene between the day of the first publication and the day of the last publication, and publication shall be complete on the day of the last publication.

L. 85: (5) amended, p. 1069, § 1, effective April 24. L. 90: (3) amended, p. 1458, § 1, effective March 22. L. 96: (1)(a) amended, p. 1767, § 60, effective July 1. L. 99: (3) amended, p. 506, § 1, effective April 30. L. 2002: (1)(a) and (1)(b) amended, p. 267, §§ 1, 2, effective August 7. L. 2005: (3) amended, p. 265, § 1, effective August 8.

Cross references: For definitions applicable to this part 5, see § 30-26-301 (2)(d).

30-20-504. Authority of governing body. (1) Within the unincorporated territory of any county, the governing body of such county is hereby vested with jurisdiction, power, and authority to establish districts for the acquisition, construction, installation, operation, or maintenance of improvements or the provision of services authorized by this part 5. The governing body of a county may establish a district wholly or partially within the boundaries of any municipality or partially within the unincorporated territory of another county if such municipality or county consents by resolution to the establishment of such district.

(2) If a municipality annexes or incorporates any territory within an established district, such territory shall remain in the district unless the municipality notifies the district's board of the municipality's intent to exclude the territory annexed or incorporated from the district. If the municipality notifies the board of its intent to exclude such territory, such exclusion shall take effect January 1 of the year following such notice. Any property excluded from the district under this subsection (2) shall remain subject to payment of its share of any indebtedness or bonds that are outstanding on the date of such exclusion.

(3) At such time as all of the territory included within an existing district that has no outstanding indebtedness or bonds is annexed or incorporated into a municipality, the governing body of the municipality shall exercise all duties of the governing body of the district but continue to act under this section as if it were the board of county commissioners. The presiding officer of the governing body of the municipality shall be ex officio the presiding officer of the board, the clerk of the municipality shall be ex officio the secretary of the board, and the treasurer of the municipality shall be ex officio the treasurer of the board and district.

Source: L. 68: p. 163, § 4. C.R.S. 1963: § 36-25-4. L. 99: Entire section amended, p. 507, § 2, effective April 30. L. 2002: (3) added, p. 268, § 3, effective August 7.

30-20-505. Organization petition - contents. (1) The organization of a district shall be initiated by a petition filed in the office of the clerk of the board of county commissioners of the county creating the district. The petition shall be signed by not less than thirty percent or two hundred of the electors of the proposed district, whichever is less. After the filing of a petition, no signer shall be permitted to withdraw his or her name therefrom.

(2) The petition shall set forth:

(a) The name of the proposed district, which shall include the name of the county creating the district, a descriptive name or number, and the words "public improvement district";

(b) A general description of the improvements to be constructed, installed, acquired, operated, or maintained or the services to be provided by the district;

(c) The estimated cost of the proposed improvements or the estimated annual cost of providing the proposed services;

(d) A general description of the boundaries of the district or the territory to be included therein, with such certainty as to enable a property owner to determine whether or not his or her property is within the district;

(e) The names of three persons who shall represent the petitioners and who have the power to enter into agreements relating to the organization of the district, which agreements shall be binding on the district, if created;

(f) A prayer for the organization of the district; and

(g) A statement that either:

(I) The boundaries of the proposed district include at least one hundred eligible electors;

(II) The boundaries of the proposed district include at least one eligible elector for each five acres of land included within the proposed district; or

(III) The petition is signed by one hundred percent of the owners of taxable real property to be included in the proposed district.

(3) No petition with the requisite signatures shall be declared void on account of alleged defects. The governing body, at any time, may permit the petition to be amended to conform to the facts by correcting any errors in the description of the territory, or in any other particular. Similar petitions or duplicate copies of the same petition for the organization of the same district may be filed and together shall be regarded as one petition. All such petitions filed prior to the hearing on the first petition filed shall be considered by the governing body the same as though filed with the first petition.

(4) If the petition is signed by one hundred percent of the owners of the taxable real property to be included in the district and the petition contains a waiver request, the board of county commissioners may, at its discretion, waive all or any of the requirements for notice, publication, and a hearing set forth in sections 30-20-507 and 30-20-508.

Source: L. 68: p. 163, § 5. C.R.S. 1963: § 36-25-5. L. 69: p. 234, § 2. L. 70: p. 141, § 11. L. 81: (1) amended, p. 1458, § 1, effective July 1. L. 85: (3) amended, p. 1069, § 2, effective April 24. L. 99: (1) and (2) amended and (4) added, p. 507, § 3, effective April 30. L. 2002: (2)(e) amended, p. 268, § 4, effective August 7.

30-20-506. Bond of petitioners. At the time of filing the petition or at any time prior to the time of hearing on said petition a bond shall be filed, with security approved by the governing body, or cash deposit made sufficient to pay all expenses connected with the proceedings in case the organization of the district is not effected. If at any time during the organization proceedings the governing body is satisfied that the bond first executed or the amount of cash deposited is insufficient in amount, it may require the execution of an additional bond or the deposit of additional cash within a time to be fixed, not less than ten days distant, and upon failure of the petitioners to file or deposit the same, the petition shall be dismissed.

Source: L. 68: p. 164, § 6. **C.R.S. 1963:** § 36-25-6.

30-20-507. Notice of hearing. As soon as possible after the filing of such petition, the governing body shall fix, by order, a place and time, not less than twenty days nor more than forty days after the petition is filed, for a hearing thereon. Thereupon the clerk of the governing body shall cause notice by publication to be made of the pendency of the petition, of the purposes and boundaries of the proposed district, and of the time and place of hearing thereon. The clerk shall also forthwith cause a copy of said notice to be mailed to each elector of the district at the elector's last-known address, as disclosed by the tax records of the counties and the last official voter registration lists. The clerk shall also cause a copy of said notice to be mailed to each municipality located within three miles of the boundaries of the proposed district at the same time notice is mailed to the electors of the district.

Source: L. 68: p. 164, § 7. **C.R.S. 1963:** § 36-25-7. **L. 70:** p. 142, § 12. **L. 99:** Entire section amended, p. 509, § 4, effective April 30.

30-20-508. Hearing - dismissal - findings - declaration - when action barred.

(1) On the day fixed for such hearing or at any adjournment thereof or, if the hearing is waived under section 30-20-505 (4), at any meeting at which a resolution creating a district is considered, the governing body shall ascertain from the tax rolls of the counties in which the district is located, from the last official registration list, and from such other evidence which may be adduced, the total number of electors of the district.

(2) If it appears that said petition is not signed by at least the number of electors required under section 30-20-505 (1) or if it is shown that the proposed improvement or service will not confer a general benefit on the district or that the cost of the improvement or service would be excessive as compared with the value of the property in the district, the governing body shall thereupon dismiss the petition and adjudge the cost against those executing the bond filed to pay such costs. No appeal or other remedy shall lie from an order dismissing said proceeding. Nothing in this section shall be construed to prevent the filing of subsequent petitions for similar improvements or services or for a similar district. The right so to renew such proceeding is hereby expressly granted and authorized.

(3) The finding of the governing body upon the question of the genuineness of the signatures and all matters of fact incident to such determination shall be final and conclusive on all parties in interest, whether appearing or not.

(4) (a) Upon the hearing, if required, or without a hearing pursuant to section 30-20-505 (4), if it appears that a petition for the organization of a district has been duly signed and presented in conformity with this part 5 and that the allegations of the petition are true, the governing body, by resolution duly adopted and made effective, shall adjudicate all questions of jurisdiction and may order that the question of the organization of the district and such other matters as the governing body deems appropriate including, but not limited to, the issuance of bonds or other matters for which voter approval is required under section 20 of article X of the Colorado constitution, be submitted to the electors at an election to be held for that purpose in accordance with the provisions of articles 1 to 13 of title 1, C.R.S. Unless provided otherwise in section 20 of article X of the Colorado constitution, such election may be held either at a special election within not less than sixty days but not

more than one hundred eighty days after the date the governing body adopted the resolution or in conjunction with a general election, ballot issue election, or ballot question election.

(b) At an election held under paragraph (a) of this subsection (4), the electors of the district shall vote for or against the organization of the district and such other matters as the governing body deems appropriate, including, but not limited to, the issuance of bonds or matters for which voter approval is required under section 20 of article X of the Colorado constitution. If a majority of the votes cast at the election are in favor of the organization, the governing body shall adopt a resolution declaring the district organized.

(c) If a petition filed with the governing body complies with section 30-20-505 (4), the governing body may adopt a resolution declaring the district organized without any notice, hearing, election, or the filing of a bond.

(d) If the governing body adopts a resolution in accordance with paragraph (b) or (c) of this subsection (4), the governing body shall give the district the corporate name specified in the petition by which, in all proceedings, it shall thereafter be known. Thereupon the district shall be a public or quasi-municipal subdivision of the state of Colorado and a body corporate with the limited proprietary powers set forth in this part 5.

(e) Nothing in this subsection (4) authorizes a governing body to waive an election otherwise required under section 20 of article X and section 6 of article XI of the Colorado constitution or to hold an election inconsistent with the election requirements in said section 20.

(5) If a resolution is adopted establishing the district, such resolution shall finally and conclusively establish the regular organization of the district against all persons, unless an action attacking the validity of the organization is commenced in a court of competent jurisdiction within thirty days after the adoption of such resolution.

Source: L. 68: p. 164, § 8. C.R.S. 1963: § 36-25-8. L. 70: p. 142, § 13. L. 81: (1) and (2) amended, p. 1458, § 2, effective July 1. L. 99: (1), (2), and (4) amended, p. 509, § 5, effective April 30.

30-20-508.1. Exclusion proviso. (Repealed)

Source: L. 81: Entire section added, p. 1459, § 3, effective July 1. L. 99: Entire section repealed, p. 526, § 28, effective April 30.

30-20-509. Recording of resolution. Within thirty days after a district is organized, the clerk of the governing body shall transmit for recording a copy of the resolution establishing the district to the county clerk and recorder of each of the counties in which the district or a part thereof is located.

Source: L. 68: p. 165, § 9. C.R.S. 1963: § 36-25-9. L. 83: Entire section amended, p. 1227, § 8, effective July 1. L. 99: Entire section amended, p. 510, § 6, effective April 30.

30-20-510. Governing body constitutes board - duties. The governing body of the county in which the district is located shall constitute ex officio the board of directors of the district. The presiding officer of the governing body shall be ex officio the presiding officer of the board, the clerk of the governing body shall be ex officio the secretary of the board, and the treasurer of the county shall be ex officio the treasurer of the board and district. Such board shall adopt a seal. The secretary shall keep in a visual text format that may be transmitted electronically a record of all its proceedings, minutes of all meetings, certificates, contracts, and all corporate acts, which shall be open to inspection by the owners of property in the district, as well as by all other interested parties. The treasurer shall keep permanent records containing accurate accounts of all money received by and disbursed for and on behalf of the district.

Source: L. 68: p. 165, § 10. C.R.S. 1963: § 36-25-10. L. 2009: Entire section amended, (HB 09-1118), ch. 130, p. 561, § 6, effective August 5.

30-20-511. Meetings. The board shall hold meetings, which shall be open to the public, in a place to be designated by the board as often as the needs of the district require, on notice to each member of the board. A quorum of the governing body shall constitute a quorum at any meeting. Notice of time and place of all regular and special meetings shall be posted in three public places within the limits of the district and in the county courthouse at least three days previous to such meetings.

Source: L. 68: p. 165, § 11. C.R.S. 1963: § 36-25-11.

Cross references: For quorum of the governing body of a county, see § 1-4-205.

30-20-512. General powers of district. (1) The district has the following limited powers:

- (a) To have perpetual existence;
- (b) To have and use a corporate seal;
- (c) To sue and be sued, and be a party to suits, actions, and proceedings;
- (d) Except as otherwise provided in this part 5, to enter into contracts and agreements affecting the affairs of the district, including contracts with the United States and any of its agencies or instrumentalities. A notice shall be published for bids on all construction contracts for work or material, or both, involving an expense of one thousand dollars or more. The district may reject any and all bids, and if it appears that the district can perform the work or secure material for less than the lowest bid, it may proceed so to do.

- (e) To borrow money and incur general obligation indebtedness and evidence the same by bonds, certificates, warrants, notes, and debentures in accordance with the provisions of this part 5 and to issue revenue bonds or special assessment bonds in accordance with the provisions of this part 5;

- (f) To acquire, construct, install, operate, and maintain the improvements or provide the services contemplated by this part 5, including improvements located outside the boundaries of the district, and all property, rights, or interest incidental or appurtenant thereto, and to dispose of real and personal property and any interest therein, including leases and easements in connection therewith; but any improvement or service, other than described in the organization petition, shall be first approved by either a petition signed by not less than fifty percent of the taxpaying electors in the district or by election;

- (g) To refund any general obligation indebtedness, revenue bonds, or special assessment bonds of the district without an election; otherwise, the terms and conditions of refunding bonds shall be substantially the same as those of an original issue of bonds of the district;

- (h) To have the management, control, and supervision of all the business and affairs of the district and of the acquisition, construction, installation, operation, and maintenance of district improvements or the provision of services;

- (i) To have and exercise the power of eminent domain in the same manner provided by law for the condemnation of private property for public use, to take any property necessary to the exercise of the powers granted in this part 5;

- (j) To construct and install improvements across or along any public street, alley, or highway, and to construct works across any stream of water or watercourses. However, the district shall promptly restore any such street or highway to its former state of usefulness as nearly as may be, and shall not use the same in such manner as completely or unnecessarily to impair the usefulness thereof. The use and occupation of streets, alleys, and highways, and the construction or installation of improvements by any district, shall be in accordance with the provisions of all applicable county resolutions and with such reasonable rules and regulations as may be prescribed by the governing body of the county.

- (k) To fix, and from time to time to increase or decrease, rates, tolls, or charges for any revenue-producing services or facilities furnished by the district, and to pledge such revenue for the payment of any indebtedness of the district. Until paid, all rates, tolls, or charges shall constitute a perpetual lien on and against the property served, and any such lien may be foreclosed in the same manner as provided by the laws of the state of Colorado for the foreclosure of mechanics' liens. With respect to revenue-producing services or facilities, the

board shall shut off or discontinue service for delinquencies in the payment of such rates, tolls, or charges, or for delinquencies in the payment of taxes levied pursuant to this part 5, and shall prescribe and enforce rules and regulations for connecting with and disconnecting from such services and facilities.

(l) To adopt and amend bylaws, not in conflict with the constitution and laws of the state or with the resolution of the county affected, for carrying on the business, objects, and affairs of the board and of the district;

(m) To have and exercise all rights and powers necessary or incidental to or implied from the specific powers granted in this part 5. Such specific powers shall not be considered as a limitation upon any power necessary or appropriate to carry out the purposes and intent of this part 5.

(n) In a district providing fire protection services:

(I) To create and maintain a firefighters' pension fund, under the provisions of parts 2 and 4 of article 30.5 of title 31, C.R.S., subject to the provisions of article 31 of said title, and a volunteer firefighter pension fund under part 11 of article 30 of title 31, C.R.S.; and

(II) To adopt and enforce fire codes, as the board deems necessary, but no such code shall apply within any municipality or the unincorporated portion of any county unless the governing body of the municipality or county, as the case may be, adopts a resolution stating that such code or specific portions thereof shall be applicable within the portion of the municipality or the county which is within the district's boundaries; except that nothing in this paragraph (n) shall be construed to affect any existing fire codes which have been adopted by the governing body of a municipality or county. Notwithstanding any other provision of this section, no district providing fire protection service shall prohibit the sale of permissible fireworks, as defined in section 12-28-101 (8), C.R.S., within its jurisdiction.

(o) To conduct an election in accordance with articles 1 to 13 of title 1, C.R.S., for any purpose the board deems necessary or required.

(2) A district has the power to construct, maintain, and operate safety measures that are necessary to allow the county to restrict the sounding of locomotive horns at highway-rail grade crossings in compliance with 49 U.S.C. sec. 20153, as amended, and the applicable rules of the federal railroad administration. The district shall construct, maintain, and operate the safety measures in accordance with the provisions of section 40-4-106, C.R.S., and the standards of safety prescribed by the public utilities commission pursuant to section 40-29-110, C.R.S.

(2) For the legislative declaration contained in the 1995 act amending this section, see section 1 of chapter 254, Session Laws of Colorado 1995.

30-20-512.5. Local improvement districts - authority to establish. In order to defray all or any portion of the costs of the improvements or services provided by the district, the board may establish local improvement districts within the boundaries of the district. Such local improvement districts may be established whenever the board determines that property in the district will be especially benefitted by such improvements or services. The method of creating local improvement districts, making the improvements or providing the services, and assessing the costs thereof shall be as provided in part 6 of this article. However, the electors eligible to vote on any question under this section shall either be electors of the district or electors within the proposed local improvement district, as determined by the board. In addition, the board shall perform the duties of the governing body as set forth in part 6 of this article, and the secretary of the district shall perform the

duties of the county clerk and recorder as set forth in part 6 of this article. The improvements that the local improvement district may construct and the services that the local improvement district may provide shall be the improvements and the services that the district may provide under this part 5.

Source: L. 99: Entire section added, p. 513, § 10, effective April 30.

30-20-513. Determination of special benefits - factors considered. (1) The term "benefit", for the purposes of assessing a particular property within a public improvement district, particularly with respect to storm sewer drainage and to drainage improvements to carry off surface waters, includes, but is not limited to, the following:

- (a) Any increase in the market value of the property;
- (b) The provision for accepting the burden from specific dominant property for discharging surface water onto servient property in a manner or quantity greater than would naturally flow because the dominant owner made some of his property impermeable;
- (c) Any adaptability of property to a superior or more profitable use;
- (d) Any alleviation of health and sanitation hazards accruing to particular property or accruing to public property in the improvement district if the provision of health and sanitation is paid for wholly or partially out of funds derived from taxation of property owners of the improvement district;
- (e) Any reduction in the maintenance costs of particular property or accruing to public property in the improvement district if the maintenance of the public property is paid for wholly or partially out of funds derived from taxation of property owners of the improvement district;
- (f) Any increase in convenience or reduction in inconvenience accruing to particular property owners, including the facilitation of access to and travel over streets, roads, and highways;
- (g) Recreational improvements accruing to particular property owners as a direct result of drainage improvement.

Editor's note: This section was originally numbered as § 30-20-512.5 in C.R.S. 1973 but was renumbered on revision in the 1977 replacement volume for ease of location.

30-20-514. Power to levy taxes. In addition to the other means of providing revenue for such districts, the board has the power to levy and collect ad valorem taxes on and against all taxable property within the district. Such power shall not prevent the issuance of obligations payable solely from the income of revenue-producing facilities.

Source: L. 68: p. 167, § 13. **C.R.S. 1963:** § 36-25-13.

Editor's note: This section was originally numbered as § 30-20-513 in C.R.S. 1973 but was renumbered on revision in the 1977 replacement volume for ease of location.

30-20-515. Determining and fixing rate of levy. The board shall determine annually the amount of money necessary to be raised by a levy on the taxable property in the district, taking into consideration other sources of revenue of the district, and shall fix a rate of levy which, when levied upon every dollar of valuation for assessment of taxable property within the district, together with other revenues, shall raise the amount required by the district during the ensuing fiscal year for paying expenses of organization and the costs of acquiring, constructing, installing, operating, and maintaining the improvements or works of the district or providing the services of the district and promptly to pay in full when due all interest on and principal of general obligation bonds or indebtedness and other obligations of the district. In the event of accruing defaults or deficiencies, additional levies may be made as provided in section 30-20-516. At the time of certifying other tax levies,

the board shall certify to the board of county commissioners of each county in which the district or a portion thereof lies the rate of levy so determined with directions that, at the time and in the manner required by law for levying of taxes for county purposes, such board of county commissioners shall levy such tax upon the valuation for assessment of all taxable property within the district at the rate so fixed and determined, in addition to such other taxes as may be levied by such board of county commissioners.

Source: L. 68: p. 167, § 14. C.R.S. 1963: § 36-25-14. L. 99: Entire section amended, p. 511, § 8, effective April 30.

Editor's note: This section was originally numbered as § 30-20-514 in C.R.S. 1973 but was renumbered on revision in the 1977 replacement volume for ease of location.

30-20-516. Levies to cover deficiencies. The board, in fixing and determining the rate of levy, shall take into account the maturing indebtedness for the current and ensuing year on the contracts, bonds, interest on bonds, deficiencies, and defaults of prior years of the district, and shall make provision for the payment thereof. In case the money produced from such levy, together with other revenues of the district, is not sufficient to punctually meet the payments on the contracts, bonds, and interest on bonds of the district, and to pay defaults and deficiencies of the district, then the board, from year to year, shall make such additional levies of taxes as may be necessary for meeting such payments, and notwithstanding any limitations, such levies shall be made and continued until the indebtedness of the district is fully paid.

Editor's note: This section was originally numbered as § 30-20-515 in C.R.S. 1973 but was renumbered on revision in the 1977 replacement volume for ease of location.

30-20-517. County officers to levy and collect taxes - liens. It is the duty of the governing body to levy the taxes certified to it, as provided in this part 5. It is the duty of all officials charged with the duty of collecting taxes to collect and enforce such taxes at the time, in the form and manner, and with like interest and penalties as other taxes are collected and, when collected, to pay the same to the district ordering its levy and collection. The payment of such collections shall be made monthly to the treasurer of the district and paid into the depository thereof to the credit of the district. All taxes levied under this part 5, together with the penalties for default in payment thereof, and all costs of collecting same, shall constitute a lien, until paid, on and against the property taxed, as in the case of other general taxes.

Source: L. 68: p. 167, § 16. C.R.S. 1963: § 36-25-16.

30-20-518. Property sold for taxes. The taxes provided for in this part 5 shall be a part of the general taxes and shall be paid accordingly. Sales of properties for delinquencies shall be in the same manner as is provided in the statutes of the state of Colorado for the sale of property for nonpayment of taxes.

Source: L. 68: p. 167, § 17. C.R.S. 1963: § 36-25-17.

Editor's note: This section was originally numbered as § 30-20-517 in C.R.S. 1973 but was renumbered on revision in the 1977 replacement volume for ease of location.

Cross references: For procedures on sale of property for nonpayment of taxes, see part 11 of article 25 of title 31 and article 11 of title 39.

30-20-519. Reserve fund. Whenever any indebtedness has been incurred by a district, it is lawful for the board to levy taxes and collect revenue for the purpose of creating a

reserve fund in such amount as the board may determine, which may be used to meet the obligations of the district, for operating charges and depreciation, and to provide extensions and betterments of the authorized improvements of the district.

Editor's note: This section was originally numbered as § 30-20-518 in C.R.S. 1973 but was renumbered on revision in the 1977 replacement volume for ease of location.

30-20-520. Inclusion or exclusion - petition - notice - hearing - order. (1) The boundaries of any district organized under the provisions of this part 5 may be changed in the manner prescribed in this section, but the change of boundaries of the district shall not impair or affect its organization or its rights in or to property, or any of its rights or privileges whatsoever; nor shall it affect, impair, or discharge any contract, obligation, lien, or charge for or upon which it might be liable or chargeable had any such change of boundaries not been made. The owners of property proposed to be included or excluded may file with the board a petition, in writing, praying that such property be included in or excluded from the district. The petition shall describe the property owned by the petitioners and shall be verified. The petition shall be accompanied by a deposit of money sufficient to pay all costs of the inclusion or exclusion proceedings. The secretary of the board shall cause notice of filing of such petition to be given and published, which notice shall state the filing of such petition, names of petitioners, and descriptions of property sought to be included or excluded, and the prayer of said petitioners.

(2) Such notice shall state that all persons having objections to the petition may appear in the office of the board at the time set in said notice, and show cause why the petition should not be granted. The board, at the time and place set in the notice, or at such times to which the hearing may be adjourned, shall proceed to hear the petition and all objections thereto. The failure of any person interested to show cause shall be deemed an assent on his part to the inclusion or exclusion of such property as prayed for in the petition. If the petition is granted, the board shall adopt a resolution to that effect and file a certified copy of same with the county clerk and recorder of the county in which the property is located. Thereupon said property shall be included or excluded from the district.

Editor's note: This section was originally numbered as § 30-20-519 in C.R.S. 1973 but was renumbered on revision in the 1977 replacement volume for ease of location.

30-20-521. Liability of property. All property included within or excluded from a district shall thereafter be subject to the levy of taxes for the payment of its proportionate share of any indebtedness of the district outstanding at the time of inclusion or exclusion.

Source: L. 68: p. 168, § 20. C.R.S. 1963: § 36-25-20.

Editor's note: This section was originally numbered as § 30-20-520 in C.R.S. 1973 but was renumbered on revision in the 1977 replacement volume for ease of location.

30-20-522. Board can issue bonds - form - legislative declaration. (1) To carry out the purposes of this part 5, the board is hereby authorized to issue bonds of the district. Such bonds shall bear interest at a rate such that the net effective interest rate of the issue of bonds does not exceed the maximum net effective interest rate authorized, payable at such times as determined by the board, and shall be due and payable in installments at such times as determined by the board and extending not more than twenty years from date of issuance. The form and terms of said bonds, including provisions for their sale, payment, and redemption, shall be determined by the board. To the extent required by section 20 of article X of the Colorado constitution, such bonds shall not be issued unless first approved at an

election held for that purpose in accordance with articles 1 to 13 of title 1, C.R.S. If the board so determines, such bonds may be redeemable prior to maturity, with or without payment of a premium, but no premium shall exceed three percent of the principal thereof. The bonds shall be executed in the name of and on behalf of the district and signed by the presiding officer of the board with the seal of the district affixed thereto and attested by the secretary of the board. Such bonds shall be in such denominations as the board shall determine. Interest coupons, if any, shall bear the original or facsimile signature of the presiding officer of the board. Under no circumstances shall any of said bonds be considered or held to be an indebtedness, obligation, or liability of the counties or municipalities in which the district or any portion thereof is located, and bonds issued pursuant to the provisions of this part 5 shall contain a statement to that effect.

(2) The general assembly finds and declares that:

(a) In performing its duties under section 20 of article X and section 6 of article XI of the Colorado constitution, the general assembly must balance the interests of controlling public debt, preserving local control, and reasonably restraining most of the growth of government;

(b) In balancing these constitutional interests through the exercise of its legislative authority, the general assembly has enacted limitations on the ability of county public improvement districts to incur indebtedness;

(c) A statutory restriction has been imposed on the amount of bonded indebtedness that county public improvement districts can incur with voter approval;

(d) From time to time, changes to such limitations imposed on county public improvement districts are necessary in order to keep these constitutional interests properly balanced in light of changing circumstances;

(e) Section 20 (1) of article X of the Colorado constitution prohibits the weakening of "other limits on district revenue, spending, and debt" without future voter approval;

(f) No change in county public improvement district debt occurs by virtue of statutory changes that increase a limit when the debt would not actually increase without such district voter approval;

(g) Any actual weakening of county public improvement district debt limitation occurs only when such district voter approval is obtained under an increased limit; and

(h) By requiring voters to give approval at the county public improvement district level for any weakening of a county public improvement district limit on debt, the voter approval requirement of section 20 (1) of article X of the Colorado constitution is satisfied in a manner achieving a reasonable result through legislative harmonization of constitutional provisions.

30-20-527. Procedure. Any district organized pursuant to this part 5 may be dissolved after notice given and a hearing held in the manner prescribed by sections 30-20-507 and 30-20-508. After hearing any protests against, or objections to, dissolution, if the board determines that it is in the best interests of all concerned to dissolve the district, it shall so provide by resolution, a certified copy of which shall be filed in the office of the county clerk and recorder in the county in which the district is located. Upon such filing, the dissolution shall be complete. However, no district shall be dissolved until it has satisfied or paid in full all of its outstanding indebtedness, obligations, and liabilities, or until funds are on deposit and available therefor.

30-20-528. Correction of faulty notices. In any case where a notice is provided for in this part 5, if the governing body finds for any reason that due notice was not given, the governing body shall not thereby lose jurisdiction, and the proceeding in question shall not thereby be void or be abated, but the governing body in that case shall order due notice given, and shall continue the proceeding until such time as notice shall be properly given, and thereupon shall proceed as though notice had been properly given in the first instance.

30-20-529. Early hearings. All actions in which there may arise a question of the validity of the organization of a district, or a question of the validity of any proceeding under this part 5, shall be advanced as a matter of immediate public interest and concern, and shall be heard at the earliest practicable moment.

Source: L. 68: p. 170, § 28. C.R.S. 1963: § 36-25-28.

Editor's note: This section was originally numbered as § 30-20-528 in C.R.S. 1973 but was renumbered on revision in the 1977 replacement volume for ease of location.

30-20-530. County jurisdiction unimpaired. Nothing in this part 5 shall affect or impair the control and jurisdiction which a county has over all property within its boundaries. All powers granted by this part 5 shall be subject to such control and jurisdiction.

Source: L. 68: p. 170, § 29. C.R.S. 1963: § 36-25-29.

Editor's note: This section was originally numbered as § 30-20-529 in C.R.S. 1973 but was renumbered on revision in the 1977 replacement volume for ease of location.

30-20-531. Method not exclusive. No part of this part 5 shall repeal or affect any other law or any part thereof, it being intended that this part 5 shall provide a separate method of accomplishing its objects, and not an exclusive one.

Source: L. 68: p. 170, § 30. C.R.S. 1963: § 36-25-30.

Editor's note: This section was originally numbered as § 30-20-530 in C.R.S. 1973 but was renumbered on revision in the 1977 replacement volume for ease of location.

30-20-532. Confirmation of board actions and powers. (1) In its discretion, the board may file a petition at any time in the district court in any county in which the district or a portion thereof is located for a judicial examination and determination of any power conferred, any securities issued by the district or authorized to be issued by the district, any taxes, assessments, or service charges levied or otherwise made by the district or contracted to be levied by the district or otherwise made by the district, or of any other act, proceeding, or contract of the district whether or not such act, proceeding, or contract has been taken or executed, including proposed contracts for any improvement, proposed securities of the district to defray in whole or in part the cost of the project, the proposed acquisition, improvement, equipment, maintenance, operation, or disposal of any property pertaining thereto, or any combination thereof.

(2) A petition filed under subsection (1) of this section shall set forth the facts upon which the validity of such power, securities, taxes, assessments, charges, act, proceeding, or contract is founded. The presiding officer of the district shall verify the petition before it is filed with the district court by signing said petition.

(3) Any action filed under this section shall be in the nature of a proceeding in rem. The district court shall have jurisdiction over all parties interested in the proceeding upon the publication and posting of a notice in accordance with this part 5.

(4) The clerk of the district court in which a petition is filed shall provide notice of such filing. The notice shall include: A brief outline of the contents of the petition; the time, date, and location of the hearing; and the location where a complete copy of any documents at issue in the petition may be examined. The clerk shall serve the notice by:

(a) Publishing the notice at least once a week for five consecutive weeks by five weekly insertions in a newspaper of general circulation in the counties and municipalities in which the district is located; and

(b) Posting the notice in the office of the district at least thirty days prior to the date of the hearing on the petition.

(5) Any owner of property within the boundaries of the district or any other person interested in the petition filed by the board may appear at the hearing by either filing a motion to dismiss or an answer to the petition at least five days prior to the hearing date or within such time as the court may allow. The petition shall be taken as confessed by all persons who fail to appear.

(6) The petition and notice shall be sufficient to give the district court jurisdiction, and, upon hearing, the district court shall examine and determine all matters affecting the question submitted, shall make such findings with reference thereto, and shall render such judgment and decree thereon as the case warrants.

(7) Unless otherwise specified in this part 5, the Colorado rules of civil procedure shall govern any actions filed under this section in matters of pleading and practice.

(8) Costs may be divided or apportioned among any contesting parties in the discretion of the district court.

(9) Review of the judgment of the district court may be had as in other similar cases; except that such review shall be applied for within thirty days after the time of the rendition of such judgment or within such additional time as may be allowed by the court within thirty days.

(10) The district court shall disregard any error, irregularity, or omission that does not affect the substantial rights of the parties.

(11) All cases in which there may arise a question of validity of any matter provided for under this section shall be advanced as a matter of immediate public interest and concern and shall be heard at the earliest practicable moment.

Source: L. 99: Entire section added, p. 513, §10, effective April 30.

30-20-533. Exemption from taxation. The income or other revenues of the district, any property owned by the district, any bonds issued by the district, and the transfer of and any income from any bonds issued by the district shall be exempt from all taxation and assessments by the state. In the resolution authorizing the bonds, the district may waive the exemption from federal income taxation for any interest on the bonds.

Source: L. 99: Entire section added, p. 513, § 10, effective April 30.

30-20-534. Limitation of actions. Any legal or equitable action brought with respect to any acts or proceedings of the district, the creation of a district, the authorization of any bonds, or any other action taken under this part 5 shall commence within thirty days after the performance of such action or else shall be thereafter perpetually barred.

PART 6

LOCAL IMPROVEMENT DISTRICTS - COUNTIES

Law reviews: For article, "Improvement Districts for Colorado Counties, Cities, and Towns", see 30 Colo. Law. 53 (January 2001).

30-20-601. Power to make local improvements. Except as otherwise provided in this part 6, any county in this state may construct any of the local improvements mentioned in this part 6 and fund such improvements by assessing the cost thereof, wholly or in part, upon the property especially benefited by such improvements or, for the funding of improvements authorized by section 30-20-603 (1) (a), (1) (a.5), and (1) (c), by imposing a sales tax throughout the district or by utilizing a combination of such assessments and tax. The improvements shall be authorized by resolution duly adopted and shall be constructed under the direction of the county engineer or other officer having similar duties or under the direction of the board in accordance with plans and specifications adopted by the board.

Source: L. 73: p. 483, § 1. **C.R.S. 1963:** § 36-30-1. **L. 87:** Entire section amended, p. 1210, § 1, effective May 7. **L. 99:** Entire section amended, p. 515, § 11, effective April 30. **L. 2000:** Entire section amended, p. 1989, § 1, effective August 2.

ANNOTATION

Applied in *Wheeler v. Baker*, 636 P.2d 1326 (Colo. App. 1981).

30-20-601.5. Legislative declaration - inclusion of energy efficiency and renewable energy production projects in local improvement districts. (1) The general assembly finds, determines, and declares that:

(a) The production and efficient use of energy will continue to play a central role in the future of this state and the nation as a whole; and

(b) The development, production, and efficient use of renewable energy will advance the security, economic well-being, and public and environmental health of this state, as well as contributing to the energy independence of our nation.

(2) The general assembly further finds, determines, and declares that the inclusion of energy efficiency and renewable energy production projects for residential and commercial use in local improvement districts, and powers conferred under this part 6, as well as the expenditures of public moneys made pursuant to this article, will serve a valid public purpose and that the enactment of this part 6 is expressly declared to be in the public interest.

Source: L. 2008: Entire section added, p. 1294, § 8, effective May 27.

30-20-602. Definitions. As used in this part 6, unless the context otherwise requires:

(1) “Assessment unit” means an area within a district which is separately defined for determining assessments payable pursuant to this part 6.

(1.5) “Board” means:

(a) The board of county commissioners of a county or city and county; or

(b) Repealed.

(1.7) and (1.8) Repealed.

(2) “District” means the geographical division of the county or counties within which any local improvements are made or proposed, when so declared by resolution of the board. Except for a district in the unincorporated area of a county in which a sales tax is levied pursuant to section 30-20-604.5, there may be noncontiguous parts or sections of a county included in one district, but no district shall include territory that is included in an undissolved district that was formed for the same type of improvement. Notwithstanding any other provision of this part 6 and except in the case of a district formed prior to December 31, 2002, by a city that has been authorized to become a city and county pursuant to an amendment to the state constitution that has been approved by the registered electors of the state of Colorado, no district in which a sales tax is levied pursuant to section 30-20-604.5 shall be formed that includes territory within a municipality, and any such district shall be as compact as possible. Except as provided in section 30-20-603 (11.5) (b) (I), no district that crosses county boundaries may be formed by intergovernmental agreement or otherwise.

(2.5) “Drainage facility” means any land and improvements thereon, if any, used for the conveyance of water runoff.

(2.7) (a) “Elector of the district” means a person who, at the designated time or event, is registered to vote in the general election in this state and:

(I) Who has been a resident of the district or the area to be included in the district for not less than thirty days; or

(II) Who or whose spouse owns taxable real or personal property within the district or the area to be included in the district whether or not said person resides within the district.

(b) Where the owner of taxable real or personal property specified in subparagraph (II) of paragraph (a) of this subsection (2.7) is not a natural person, an “elector of the district” shall include a natural person designated by such owner to vote for such person. Such designation shall be in writing and filed with the county clerk and recorder. Only one such person may be designated by an owner.

(2.8) "Energy efficiency improvement" means an installation or modification that is designed to reduce energy consumption in residential or commercial buildings and includes, but is not limited to, the following:

(a) Insulation in walls, roofs, floors, and foundations and in heating and cooling distribution systems;

(b) Storm windows and doors, multiglazed windows and doors, heat-absorbing or heat-reflective glazed and coated window and door systems, additional glazing, reductions in glass area, and other window and door system modifications that reduce energy consumption;

(c) Automatic energy control systems;

(d) Heating, ventilating, or air conditioning and distribution system modifications or replacements in buildings or central plants;

(e) Caulking and weatherstripping;

(f) Replacement or modification of lighting fixtures to increase the energy efficiency of the system without increasing the overall illumination of a residential or commercial building unless such increase in illumination is necessary to conform to the applicable building code for the proposed lighting system;

(g) Energy recovery systems;

(h) Daylighting systems; and

(i) Any other modification, installation, or remodeling approved as a utility cost-savings measure by the board.

(2.9) "Informational products and materials" means any marketing or advertising device used to promote the general development of business within a district, but does not include any marketing or advertising device used to promote a single store or company.

(3) "Owner" means the person holding record fee title to real property; except that a person obligated to pay general taxes under a contract to purchase real property shall be considered the owner thereof for the purposes of this part 6, and in such case any other person holding record fee title to such property shall not be considered the owner thereof.

(4) "Property" means all land, whether platted or unplatted, regardless of improvements thereon and regardless of lot or land lines. Lots may be designated in accordance with any recorded map or plat thereof and unplatted lands by any definite description.

(4.3) "Qualified community location" means:

(a) If the affected local electric utility is not an investor-owned utility, an off-site location of a renewable energy improvement that:

(I) Is wholly owned, through either an undivided or a fractional interest, by the owner or owners of the residential or commercial building or buildings that are directly benefited by the renewable energy improvement;

(II) Provides energy as a direct credit on the owner's utility bill; and

(III) Is an encumbrance on the property specifically benefited.

(b) If the affected local electric utility is an investor-owned utility, a community solar garden, as that term is defined in section 40-2-127 (2), C.R.S. If House Bill 10-1342 does not take effect, there shall be no qualified community locations in the service territories of investor-owned utilities.

(4.5) "Registered elector" means an elector, as defined in section 1-1-104 (12), C.R.S., who has complied with the registration provisions of the "Uniform Election Code of 1992", articles 1 to 13 of title 1, C.R.S., and who resides within or is eligible to vote in the county.

(4.7) (a) "Renewable energy improvement" means a fixture, product, system, device, or interacting group of devices that produces energy from renewable resources, including photovoltaic systems, solar thermal systems, small wind systems, biomass systems, hydro-electric systems, or geothermal systems, as may be included in the approval of the district by the board, and that either:

(I) Is installed behind the meter of a residential or commercial building; or

(II) Directly benefits a residential or commercial building through a qualified community location.

(b) No renewable energy improvement shall be authorized that interferes with a right held by a public utility under a certificate issued by the public utilities commission under article 5 of title 40, C.R.S. Nothing in this part 6 limits the right of a public utility, subject

to article 3 or 3.5 of title 40, C.R.S., or section 40-9.5-106, C.R.S., to assess fees for the use of its facilities, or modifies or expands the net metering limitations established in sections 40-2-124 (7) and 40-9.5-118, C.R.S. Primary jurisdiction to hear any disputes concerning whether a renewable energy improvement interferes with such a right shall lie:

(I) In the case of a regulated utility, with the public utilities commission; and

(II) In the case of a municipally owned utility, with the governing body of such municipality.

(c) "Renewable energy improvement" includes an improvement to the efficiency of a traditional energy fixture.

(5) "Street" means any road or other public thoroughfare.

(6) "Unincorporated area" means any territory within a county which is not within the boundaries of any municipality.

Editor's note: (1) Subsection (1.5)(b)(II) provided for the repeal of subsection (1.5)(b), effective December 31, 2002. (See L. 2000, p. 1989.) Subsection (1.7)(b) provided for the repeal of subsection (1.7), effective December 31, 2002. (See L. 2000, p. 1989.) Subsection (1.8)(b) provided for the repeal of subsection (1.8), effective December 31, 2002. (See L. 2000, p. 1989.)

(2) House Bill 10-1342, referenced in subsection (4.3)(b), was signed by the Governor and took effect June 5, 2010.

Cross references: For definitions applicable to this part 6, see § 30-26-301 (2)(d).

30-20-603. Improvements and funding authorized - how instituted - conditions.

(1) (a) A district may be formed in accordance with the requirements of this part 6 for the purpose of constructing, installing, acquiring, or funding, in whole or in part, any public improvement, so long as the county that forms the district is authorized to provide such improvement or provide for such funding under the county's home rule charter, if any, or the laws of this state. Public improvements or the funding thereof shall not include any facility identified in section 30-20-101 (8) or (9). No such district shall provide the same improvement as an existing special district within the territory of such existing special district unless the existing special district consents. The improvements authorized by this part 6 may consist, without limitation, of constructing, grading, paving, pouring, curbing, guttering, lining, or otherwise improving the whole or any part of any street or providing street lighting, drainage facilities, or service improvements, in the unincorporated area of a county or wholly or partly within the boundaries of any municipality within the county if such municipality consents by ordinance to such improvements. If improvements within a municipality are so included in a county improvement district by municipal consent, the county shall have full authority to construct or acquire such improvements, to assess property within such municipality benefited by such improvements, and to enforce and collect such assessments, in the manner provided in this part 6. The improvements authorized by this part 6 may include, without limitation, the construction of sidewalks adjacent to any such streets or maintenance roads adjacent to any such drainage facilities. Prior to the establishment of any improvement district for the purpose of providing street lighting, arrangements, by contract or otherwise, must be established under which the owners of property included within such district shall be responsible for the maintenance and operation of such street lighting improvement. The costs of maintenance and operation of such street lighting improvements shall not be paid from the county general fund. Drainage facilities shall not be provided in any area which is within an existing drainage

district organized or created pursuant to law without the approval of such district. The term "service" as used in this paragraph (a) includes the services provided by a public utility as defined in section 40-1-103, C.R.S., as well as advanced service as defined in section 29-27-102 (1), C.R.S., cable television service as defined in section 29-27-102 (2), C.R.S., telecommunications service as defined in section 40-15-102 (29), C.R.S., geothermal heat suppliers as defined in section 40-40-103, C.R.S., and information service as defined in 47 U.S.C. sec. 153 (20), or any successor section.

(a.5) In a district formed prior to December 31, 2002, by a city that has been authorized to become a city and county pursuant to an amendment to the state constitution that has been approved by the registered electors of the state of Colorado and in which a sales tax is levied pursuant to section 30-20-604.5, the improvements may also consist of the provision of transportation services, vehicles, equipment, parking, and improvements in the district. Transportation services may be provided by the district in an area within the regional transportation district as described in section 32-9-106.1, C.R.S., if the regional transportation district consents to the provision of such services.

(b) Additionally, the improvements authorized by this part 6 may consist of constructing, installing, or otherwise improving the whole or any part of any system for the transmission or distribution of water or for the collection or transmission of sewage, or both such systems.

(c) If any improvement or transportation services authorized by this subsection (1) are funded by sales tax, the tax may also be used for the operation and maintenance of such improvement or services and for the production and distribution of informational products and materials.

(d) The improvements authorized by this part 6 may include the construction, maintenance, and operation of safety measures that are necessary to allow the county to restrict the sounding of locomotive horns at highway-rail grade crossings in compliance with 49 U.S.C. sec. 20153, as amended, and the applicable rules of the federal railroad administration. The district shall construct, maintain, and operate the safety measures in accordance with the provisions of section 40-4-106, C.R.S., and the standards of safety prescribed by the public utilities commission pursuant to section 40-29-110, C.R.S.

(e) The improvements authorized by this part 6 may include, where specified or generally provided for in the resolution of the board approving the district, any renewable energy improvement or energy efficiency improvement to any residential or commercial property within the district.

(f) Any district formed pursuant to this part 6 and the county that forms the district shall implement the funding authorized by this part 6 for service improvements as defined in paragraph (a) of this subsection (1) in a nondiscriminatory and technologically and competitively neutral manner.

(g) Any public utility or telecommunications service improvement funded by a district established pursuant to this part 6 shall be constructed only by or in agreement with a public utility or telecommunications service provider duly authorized by the public utilities commission, as applicable, to provide service, facilities, plants, or systems in the area in which the public utility or telecommunications service improvement is to be constructed and shall be owned, operated, and maintained by such public utility or telecommunications service provider. All other service improvements as defined in paragraph (a) of this subsection (1) funded pursuant to this part 6 shall be constructed by or in agreement with the service provider and owned and operated by the service provider. No district formed pursuant to this part 6, nor the county that forms the district, shall use the authority set forth herein to provide, directly or indirectly, any services as defined in paragraph (a) of this subsection (1). No district formed pursuant to this part 6, nor the county that forms the district, shall have any right, title, or interest in any service improvement as defined in paragraph (a) of this subsection (1) funded by a district established pursuant to this part 6.

(h) Nothing in this part 6 shall extend, diminish, or otherwise alter the jurisdiction of the public utilities commission created in section 40-2-101, C.R.S.

(2) (a) The board may declare by resolution any local improvement district authorized by this part 6 and may by resolution order the improvements authorized by subsection (3) of this section; except that, if written protests are submitted prior to the hearing referred to

in subsection (6) of this section by the owners of property within the proposed district or assessment unit, which property, based upon the proposed method of assessment, would bear more than one-half of the total proposed assessments within the district or the assessment unit, the board shall not proceed with such local improvement district or assessment unit based on the preliminary order so protested. Such protests shall not prevent the board from adopting a subsequent preliminary order for such improvements, subject to notice, hearing, and protest as provided in this part 6.

(b) If the district is initiated by resolution of the board of county commissioners, the commissioners shall, in addition to the notice provided for in subsection (6) of this section, make reasonable attempts to deliver or mail to each address within the district a brief written synopsis of the proposed improvements no less than ten days before the hearing. This shall not be interpreted to mean that insufficient notice has been given if any property owner claims not to have received the notice, provided that the commissioners have made a bona fide effort to comply.

(3) (a) Except as to improvements initiated by the board as authorized by subsection (2) of this section, no improvement shall be ordered under this part 6 unless a petition for the same is first presented, subscribed by the owners of property to be assessed for more than one-half of the entire costs estimated by the board to be assessed, and, except as specified in this section, nothing in this part 6 shall restrict the right of such owners from securing any particular kind or variety of improvements petitioned for. In any case where a proposed improvement district includes two or more assessment units, the owners of property to be assessed for more than one-half of the entire costs estimated by the board to be assessed in each assessment unit shall petition as specified in this part 6. In any case where a proposed improvement district formed prior to December 31, 2002, plans to provide transportation services and improvements pursuant to paragraph (a.5) of subsection (1) of this section and to levy a sales tax pursuant to section 30-20-604.5 to fund such services and improvements, the owners of the taxable real and personal property within the proposed improvement district having a valuation for assessment of not less than fifty percent of the valuation for assessment of all real or personal property within the district shall sign the petition presented to the board.

(b) If the owners of property to be assessed for more than one-half of the entire costs estimated by the board to be assessed shall petition for any particular kind of improvement and for any particular materials to be used in the same, the improvement must be ordered in accordance with the petition, and the materials so designated shall be used, except as otherwise provided in this section.

(c) If the material petitioned for by the owners of property to be assessed for more than one-half of the entire costs estimated by the board to be assessed is one that does not encourage competition, it shall be the right of the petitioners to state in the petition the maximum price per square yard, or linear foot, or per unit at which the improvement is desired, and no contract shall be let for any such improvement at a price exceeding the maximum price fixed in said petition, excluding the cost of engineering, collection, inspection, incidentals, and interest.

(4) The board shall encourage competition, by advertising for and receiving bids for such construction, and, so far as possible within the limits of the petition, shall describe all materials by standard or quality in the specifications.

(5) Before contracting for or ordering any work to be constructed whether initiated by the board or by petition, a preliminary order shall be made by the board, adopting preliminary plans and specifications for the same, definitely describing the materials to be used, or stating that one of several specified materials shall be chosen, determining the number of installments and time in which the cost of the improvement shall be payable, if any, and the property, if any, to be assessed for the same, as provided in this part 6, and requiring an estimate of the cost to be made by the county engineer or any similar officer or employee, together with a map of the district in which the improvement is to be made, and a schedule showing the approximate amounts, if any, to be assessed upon the several lots or parcels of property within the district. The cost estimates and approximate amounts to be assessed shall be formulated in good faith on the basis of the best information available to the board but shall not be binding.

(6) The county clerk and recorder shall give notice, by advertisement once in a newspaper of general circulation in such county, to the owners of any property to be assessed of:

- (a) The kind of improvements proposed;
- (b) The number of installments;
- (c) The time in which the cost will be payable;
- (d) Repealed.
- (e) The extent of the district to be improved;
- (f) The probable cost per front foot or other unit basis which, in the judgment of the board, reflects the benefits which accrue to the properties to be assessed, as shown by the estimates of the engineer;

(g) The time, not less than thirty days after the publication, when a resolution authorizing the improvements will be considered;

(h) That said map and estimate and schedule showing the approximate amounts to be assessed and all resolutions and proceedings are on file and may be seen and examined by any person interested at the office of the county clerk and recorder or other designated place at any time within said period of thirty days; and

(i) That all complaints and objections that may be made in writing concerning the proposed improvement by the owners of any real estate to be assessed will be heard and determined by the board before final action thereon.

(7) The finding by resolution of the board that said improvements were duly ordered after notice duly given and after hearing duly held and that such proposal was properly initiated by the said board or that a petition was presented and that the petition was subscribed by the required number of owners shall be conclusive of the facts so stated in every court or other tribunal.

(8) Any resolution or order in the premises may be modified, confirmed, or rescinded at any time prior to the passage of the resolution authorizing the improvements.

(9) The specifications for paving may include sidewalks, curbs, gutters, and grading, and sufficient culverts, sewers, or drains necessary to carry off the surface waters across or along the line of the street improved, and such other incidentals to paving as, in the judgment of the board, may be required. The specifications may also provide that bidders shall agree to enter into contract to do the work and maintain the same in good repair for a period of five years; and the contract may be entered into in accordance therewith.

(10) If, before any such improvements are made, any piece of real estate to be assessed already has an improvement conforming to the general plan or satisfactory to the board, an allowance therefor may be made to the owner, and such allowance may be deducted from the owner's assessment and from the contract price.

(11) Any other provision of this part 6 notwithstanding, the board may initiate an improvement district for the purpose of acquiring existing improvements of a character authorized by this part 6, in which case the provisions of section 30-20-601 concerning construction under the direction of county officers and the provisions of subsections (4) and (5) of this section concerning competitive bidding and preliminary plans and specifications shall not apply.

(11.5) (a) Any other provision of this part 6 notwithstanding, the board may initiate an improvement district for the purpose of encouraging, accommodating, and financing improvements of a character authorized by paragraph (e) of subsection (1) of this section. Any such district shall include only property for which the owner has executed a contract or agreement consenting to the inclusion of such property within the district, and such consent may occur subsequent to the adoption of the resolution of the board forming the district. The contract or agreement shall note the existence of any first priority mortgage or deed of trust on the property, the identity of the record holder thereof, and the penalty for default provided in section 30-20-615 clearly stating that default, like the penalties that exist for default on any mortgage or any other special assessment, may result in the loss of the applicant's home. Within thirty days of a person's submission of an application to the district, the board shall provide written notice to the record holder of any first priority mortgage or deed of trust on the real property that the person is participating in the district. The inclusion of such property within the district subsequent to the adoption of the

resolution of the board forming the district may be made by the adoption of a supplemental or amending resolution of the board. For districts formed for the purpose of encouraging, accommodating, and financing renewable energy improvements or energy efficiency improvements, subsections (4), (5), and (6) of this section concerning competitive bidding, preliminary plans and specifications, and notice, section 30-20-601 concerning construction under the direction of county officers, section 30-20-622 concerning contracts for construction, and section 30-20-623 concerning contract provisions do not apply. For such districts, the owner of property within a district may arrange improvements that qualify pursuant to the resolution of the board authorizing improvements for the district and may obtain financing for said improvements from the district through the process set forth in the resolution forming the district.

(b) (I) Districts formed for the purposes authorized in paragraph (e) of subsection (1) of this section may cross county boundaries and include properties in multiple counties, whether such counties are contiguous or noncontiguous, if the boards of county commissioners of the affected counties have entered into an intergovernmental agreement or memorandum of understanding regarding the sharing of incremental costs attributable to the district's crossing of county boundaries, with such costs becoming part of the total assessment allocated to each participating landowner.

(II) For any district that may include properties in other counties, the board shall notify the boards of county commissioners and the county treasurers of such counties, at least ten days in advance of the public meeting at which it will be discussed, of the potential inclusion of such properties. The originating board shall consider comments sent by such boards of county commissioners or county treasurers concerning the potential addition of properties from their counties if the comments have been received by the date of the public meeting.

(III) If a municipality that has territory in multiple counties, one of which has created a district for the purposes authorized in paragraph (e) of subsection (1) of this section, desires to consent to the inclusion within such district of any of the properties within its entire incorporated boundary, the municipality shall expressly state in its ordinance granting consent that any property located in the municipality, irrespective of the county in which such property is located, may be included in the district.

(12) The board is authorized to enter into contracts and agreements with any owner of property within the district or any other person concerning the construction or acquisition of improvements, the assessment of the cost thereof, the waiver or limitation of legal rights, or any other matter concerning the district.

(13) At or about the time of the adoption by the board of any resolution creating a district, a copy of such resolution shall be provided to the county assessor, the county treasurer, and the division of local government in the department of local affairs. The board shall make a good faith attempt to comply with this subsection (13), but failure to comply shall not affect or impair the organization of any district, the construction or acquisition of improvements therein, the levying and collection of assessments, or any other matter pursuant to the provisions of this part 6.

Editor's note: Amendments to subsection (1) by House Bill 83-1163 and House Bill 83-1033 were harmonized.

30-20-604. Cost assessed in accordance with benefits. (1) Except for those improvements fully funded by the sales tax pursuant to section 30-20-604.5, the cost of improvements constructed or acquired pursuant to this part 6, or such part thereof as may be assessed against the property specially benefited, including the intersections of streets, may be assessed on property, without regard to lot or land lines, on a frontage, zone, or other equitable basis, in accordance with benefits, as the same may be determined by the board.

(2) When the board determines that the improvement of any street or alley, including the intersections of streets and alleys, or any other improvement authorized by this part 6 results in special benefits to the county and the owners of property within the district, that portion of the cost of the improvement which results in a special benefit to the county may be assessed against the county and be payable in installments, as provided in this part 6. The determination by the board as to the property to be assessed and the amount of special benefits shall be conclusive of the facts stated therein.

(3) No cost of improvements to streets or alleys shall be assessed to any property where reasonable access to the street or alley is denied the owner of the property.

(4) Any district formed for the purpose of encouraging, accommodating, and financing improvements as authorized in section 30-20-603 (11.5) shall assess the costs of the improvements to each property whose owner has entered into a contract or agreement for the improvements. The contracts and agreements entered into with the owner of property, as authorized by the board, shall be conclusive regarding the special benefit to the property and the amount that may be assessed against the property.

Source: L. 73: p. 486, § 1. C.R.S. 1963: § 36-30-4. L. 86: Entire section amended, p. 1055, § 18, effective July 1. L. 87: (1) amended, p. 1211, § 4, effective May 7. L. 2008: (4) added, p. 1296, § 12, effective May 27.

30-20-604.5. District sales tax. (1) The board of any county or of any city that has been authorized to become a city and county pursuant to an amendment to the state constitution that has been approved by the registered electors of the state of Colorado and that subsequently becomes a city and county for the purpose of funding all or a portion of the cost of any improvements constructed or transportation services provided pursuant to section 30-20-603 (1) (a), (1) (a.5), and (1) (c), may levy a sales tax throughout the district upon every transaction or other incident with respect to which a sales tax is authorized pursuant to section 29-2-105, C.R.S.; except that such tax may be levied only upon those transactions specified in section 39-26-104 (1) (a), (1) (b), (1) (e), and (1) (f), C.R.S. The board may, in its discretion, levy or continue to levy a sales tax on the sales of low-emitting motor vehicles, power sources, or parts used for converting such power sources as specified in section 39-26-719 (1), C.R.S.

(2) (a) The tax shall be collected, administered, and enforced, to the extent feasible, pursuant to section 29-2-106, C.R.S. The department of revenue shall retain an amount not to exceed the net incremental cost of such collection, administration, and enforcement and shall transmit such amount to the state treasurer, who shall credit the same to the districtwide sales tax fund, which fund is hereby created; except that in no event shall:

(I) Any district formed prior to or on July 1, 1993, pay in any given fiscal year commencing on or after July 1, 1994, more than an amount equal to the amount paid by the district in the 1993-94 fiscal year, as adjusted in accordance with changes in the consumer price index for the Denver-Boulder consolidated metropolitan statistical area;

(II) Any district formed after July 1, 1993, pay in any given fiscal year commencing after the first full fiscal year of operation more than an amount equal to the amount paid by the district in the first full fiscal year of operation, as adjusted in accordance with changes in the consumer price index for the Denver-Boulder consolidated metropolitan statistical area.

(a.5) (I) A qualified purchaser may provide a direct payment permit number issued pursuant to section 39-26-103.5, C.R.S., to any vendor or retailer that is liable and

responsible for collecting and remitting any district sales tax imposed on any sale made to the qualified purchaser pursuant to the provisions of this section. A vendor or retailer who has received in good faith from a qualified purchaser a direct payment permit number shall not be liable or responsible for collection and remittance of any sales tax imposed on such sale that is paid for directly from such qualified purchaser's funds and not the personal funds of any individual.

(II) A qualified purchaser that provides a direct payment permit number to a vendor or retailer shall be liable and responsible for the amount of sales tax imposed on any sale made to the qualified purchaser pursuant to this section in the same manner as liability would be imposed on a qualified purchaser for state sales tax pursuant to section 39-26-105 (3), C.R.S.

(b) The general assembly shall appropriate annually from the districtwide sales tax fund to the department of revenue the amount necessary for the department's collection, administration, and enforcement of the districtwide sales tax. Any moneys remaining in said fund attributable to districtwide sales taxes collected in the prior fiscal year shall be transmitted to the county which established the district for which a districtwide sales tax has been levied; except that, prior to the transmission to the county of such moneys, any moneys appropriated from the general fund to the department of revenue for collection, administration, and enforcement of a districtwide sales tax shall be repaid.

(3) The tax authorized by this section shall not exceed one percent.

(4) (a) (I) Except as provided in subparagraph (II) of this paragraph (a), a proposal for a districtwide sales tax shall be referred to the registered electors of the county who reside within the boundaries of the district, either by resolution of the board or by petition initiated and signed by five percent of the registered electors who reside within the boundaries of the district.

(II) In a district formed prior to December 31, 2002, by a city that has been authorized to become a city and county pursuant to an amendment to the state constitution that has been approved by the registered electors of the state of Colorado, a proposal for a districtwide sales tax shall be referred to the electors of the district, either by resolution of the board or by petition initiated and signed by five percent of the electors of the district.

(b) Such proposal shall contain a description of the proposed tax, including its purposes, and shall state the amount of tax to be imposed.

(c) (I) Any election held under this section shall conform to the requirements of section 20 of article X of the Colorado constitution.

(II) (A) Except as provided in sub-subparagraph (B) of this subparagraph (II), upon its being presented with a petition requesting a proposal for such sales tax, the board, upon certification of the signatures on the petition, shall submit such proposal to the registered electors residing within the district.

(B) In a district formed prior to December 31, 2002, by a city that has been authorized to become a city and county pursuant to an amendment to the state constitution that has been approved by the registered electors of the state of Colorado, the board, after being presented with a petition requesting a proposal for such sales tax and upon certification of the signatures on the petition, shall submit such proposal to the electors of the district.

(d) (Deleted by amendment, L. 99, p. 516, § 14, effective April 30, 1999.)

(e) (I) (A) Except as provided in sub-subparagraph (B) of this subparagraph (I), if approved by a majority of the registered electors voting thereon, the sales tax shall become effective as provided in section 29-2-106 (2), C.R.S.

(B) In a district formed prior to December 31, 2002, by a city that has been authorized to become a city and county pursuant to an amendment to the state constitution that has been approved by the registered electors of the state of Colorado, if the proposal is approved by a majority of the electors of the district voting thereon, the sales tax shall become effective as provided in section 29-2-106 (2), C.R.S.

(II) (Deleted by amendment, L. 99, p. 516, § 14, effective April 30, 1999.)

(5) (a) Except as provided in paragraph (b) of this subsection (5), all revenue collected from such sales tax, except the amounts retained under subsection (2) of this section, shall be credited to a special fund designated as the sales tax street improvement fund, such designation to include the name or description of the district. The fund shall be used only

to pay the costs of the district improvements authorized by section 30-20-603 (1) (a) and (1) (c), the costs of debt service on bonds issued pursuant to section 30-20-619 (4), if any, or both of such costs.

(b) In a district formed prior to December 31, 2002, by a city that has been authorized to become a city and county pursuant to an amendment to the state constitution that has been approved by the registered electors of the state of Colorado, all revenue collected from such sales tax, except the amounts retained under subsection (2) of this section, shall be credited to a special fund designated as the sales tax street improvement fund, such designation to include the name or description of the district. The fund shall be used only to pay the costs of the district improvements and transportation services authorized by section 30-20-603 (1) (a.5) and (1) (c), the costs of debt service on bonds issued pursuant to section 30-20-619 (4), if any, the costs of operations, maintenance, and replacement, and the costs of organization of the district.

(6) (a) When the total cost of the improvements constructed pursuant to section 30-20-603 (1) (a), including the cost of all debt service thereon, if any, has been paid, the board shall cease to levy and collect the sales tax originally imposed pursuant to this section and shall repeal the ordinance authorizing such tax.

(b) Notwithstanding paragraph (a) of this subsection (6), if an improvement includes the use of sales tax for the improvement's operation or maintenance, the board shall continue to levy and collect the sales tax as specified in the resolution authorizing such tax.

(7) (a) Notwithstanding the provisions of section 30-20-602 (2), if any territory within a district is annexed by or incorporated into a municipality and revenue bonds have been issued pursuant to section 30-20-619 (4) prior to the date of such annexation or incorporation, the levy of the sales tax authorized by this section shall continue in such annexed or incorporated territory until the later of:

(I) The date upon which no bonds remain outstanding, whether issued before, on, or after the date of annexation or incorporation, so long as such bonds are refunding bonds or such bonds are issued for improvements which were authorized as of the date of annexation or incorporation; or

(II) The date of completion of all improvements which were authorized for such district as of the date of annexation or incorporation.

(b) The provisions of this subsection (7), as amended, shall apply to any territory within a district which has been annexed by or incorporated into a municipality, regardless of the date of annexation or incorporation.

(8) Notwithstanding subsection (7) of this section, that portion of the sales tax authorized by this section that is used for the operation or maintenance of improvements constructed pursuant to section 30-20-603 (1) shall not apply to any territory within a district that has been annexed by or incorporated into a municipality.

(9) The board may appoint an independent board of directors to perform the functions of the board under this part 6 in a district providing transportation services and improvements in accordance with the terms of the resolution or ordinance establishing the district.

(10) Notwithstanding any other provision of law, the provisions of this part 6 relating to the assessment of local improvement costs upon the property in a district that benefits from such improvements shall not apply to any district formed prior to December 31, 2002, by a city that has been authorized to become a city and county pursuant to an amendment to the state constitution that has been approved by the registered electors of the state of Colorado and that levies a sales tax pursuant to this section to fund local improvements authorized by section 30-20-603 (1) (a.5) and (1) (c).

Editor's note: Amendments to subsection (1) by House Bill 99-1159 and House Bill 99-1271 were harmonized.

ANNOTATION

Law reviews. For article, "Recent Developments in Colorado Sales and Use Taxes", see 18 Colo. Law. 2101 (1989).

30-20-605. Property of irregular form - assessment. Whenever any lot or parcel of land is V-shaped or of any irregular form, such allowance may be made by resolution in any assessment as may be equitable and just, or any allowance may be refused, and, in case of any unusual area or proportion of intersections, the county may pay not exceeding one-half of the cost of any such intersection, and in such case the remainder only shall be assessed against the property improved.

Source: L. 73: p. 486, § 1. C.R.S. 1963: § 36-30-5.

30-20-606. Determination of special benefits - factors considered. (1) The term "benefit", for the purposes of assessing a particular property within an improvement district, particularly with respect to drainage improvements to carry off surface waters, includes, but is not limited to, the following:

- (a) Any increase in the market value of the property;
- (b) The provision for accepting the burden from specific dominant property for discharging surface water onto servient property in a manner or quantity greater than would naturally flow because the dominant owner made some of his property impermeable;
- (c) Any adaptability of property to a superior or more profitable use;
- (d) Any alleviation of health and sanitation hazards accruing to particular property or accruing to public property in the improvement district if the provision of health and sanitation is paid for wholly or partially out of funds derived from taxation of property owners of the improvement district;
- (e) Any reduction in the maintenance costs of particular property or accruing to public property in the improvement district if the maintenance of the public property is paid for wholly or partially out of funds derived from taxation of property owners of the improvement district;
- (f) Any increase in convenience or reduction in inconvenience accruing to particular property owners, including the facilitation of access to and travel over streets, roads, and highways;
- (g) Recreational improvements accruing to particular property owners as a direct result of drainage improvement.

(2) As used in connection with any district formed for the purpose of encouraging, accommodating, and financing improvements as authorized in section 30-20-603 (11.5), the term "benefit" shall include, but not be limited to, any acknowledged value set forth in the contracts and agreements entered into by the owner of the assessed property.

Source: L. 75: Entire section added, p. 997, § 2, effective July 1. L. 2008: (2) added, p. 1297, § 13, effective May 27.

Editor's note: This section was originally numbered as § 30-20-605.5 in C.R.S. 1973 but was renumbered on revision in the 1977 replacement volume for ease of location.

30-20-607. Statement of expenses - apportionment. Upon completion of any local improvement or upon completion from time to time of any part thereof and upon acceptance thereof by the board or whenever the total cost of any improvement or of any such part thereof can be reasonably ascertained either prior to, during, or subsequent to the construction of the improvements, the board shall cause to be prepared a statement showing the

whole cost of the improvement, including costs of inspection and collection, capitalized interest on any bonds issued for such period as the board may deem necessary, capitalized bond reserves, and all other incidental costs, the portion thereof, if any, to be paid by assessments, the portion thereof, if any, to be paid through the sales tax imposed pursuant to section 30-20-604.5, the portion thereof, if any, to be paid by the county, and the portion thereof to be assessed upon each lot or tract of land to be assessed for the same, which statement shall be filed in the office of the county clerk and recorder. If the board should deem the basis of assessment to be inequitable in any case, a just and equitable assessment shall be made upon the basis of benefits accruing to any property assessed by reason of the improvements made.

Source: L. 73: p. 486, § 1. C.R.S. 1963: § 36-30-6. L. 85: Entire section amended, p. 1073, § 2, effective May 24. L. 86: Entire section amended, p. 1058, § 27, effective July 1. L. 87: Entire section amended, p. 1213, § 6, effective May 7.

Editor's note: This section was originally numbered as § 30-20-606 in C.R.S. 1973 but was renumbered on revision in the 1977 replacement volume for ease of location.

30-20-608. Notice of apportionment. (1) Upon receipt of the statement filed pursuant to section 30-20-607, the county clerk and recorder shall notify, by advertisement once in some newspaper of general circulation in said county, the owners of any property to be assessed that said improvements have been, or are about to be, completed and accepted, therein specifying:

- (a) The whole cost of the improvement;
 - (b) The portion, if any, to be paid by such county and the portion, if any, to be paid from a districtwide sales tax;
 - (c) The share, if any, apportioned to each lot or tract of land;
 - (d) That any complaints or objections which may be made in writing by the owners to the board of county commissioners, and filed in the office of the clerk within twenty days from the publication of such notice, will be heard and determined by the said board before the passage of any resolution assessing the cost of said improvements; and
 - (e) The date when and place where such complaints or objections will be heard.
- (2) Any district formed for the purpose of encouraging, accommodating, and financing improvements as authorized in section 30-20-603 (11.5) shall not be required to provide a notice of apportionment by publication; rather, such notice, if any, may be provided in the time and manner set forth in the contract or agreement entered into for each property included in the district.

Source: L. 73: p. 486, § 1. C.R.S. 1963: § 36-30-7. L. 87: IP(1), (1)(b), and (1)(c) amended, p. 1213, § 7, effective May 7. L. 2008: (2) added, p. 1297, § 14, effective May 27.

Editor's note: This section was originally numbered as § 30-20-607 in C.R.S. 1973 but was renumbered on revision in the 1977 replacement volume for ease of location.

30-20-609. Hearing on objections. Except for a district formed for the purposes authorized in section 30-20-603 (11.5), at the time specified in the notice required pursuant to section 30-20-508 (1) or at some adjourned time, the board shall hear and determine all such complaints and objections and may make such modifications and changes as may seem equitable and just or may confirm the first apportionment. The board shall, by resolution, assess the cost of the improvements, and the passage of the resolution shall be prima facie evidence of the fact that the property assessed is benefited in the amount of the assessments and that the assessments have been lawfully levied.

Source: L. 73: p. 487, § 1. C.R.S. 1963: § 36-30-8. L. 86: Entire section amended, p. 1058, § 28, effective July 1. L. 2010: Entire section amended, (SB 10-100), ch. 207, p. 902, § 3, effective May 5.

Editor's note: This section was originally numbered as § 30-20-608 in C.R.S. 1973 but was renumbered on revision in the 1977 replacement volume for ease of location.

30-20-610. Assessment constitutes a lien - filing with county clerk and recorder - corrections. (1) All assessments made in pursuance of this part 6, together with all interest thereon and penalties for default in payment thereof, and all costs in collecting the same shall constitute, from the effective date of the assessing resolution, a perpetual lien in the several amounts assessed against each lot or tract of land and shall have priority over all other liens excepting general tax liens. As to any subdivisions of any land assessed in pursuance of this part 6, the assessment lien may be apportioned by the board in such manner, if any, as may be provided in the assessing resolution.

(2) The county clerk and recorder shall file with his office copies of the assessing resolution after its final adoption by the board for recording on the land records of each lot or tract of land assessed within the county, as provided in article 30, article 35, or article 36 of title 38, C.R.S. In addition, the county clerk and recorder shall file copies of such assessing resolution after its final adoption by the board with the county assessor and the county treasurer. The county assessor is authorized to create separate schedules for each lot or tract of land assessed within the county pursuant to such resolution.

(3) No delays, mistakes, errors, or irregularities in any act or proceeding authorized or required by this part 6 shall prejudice or invalidate any final assessment; but the same may be remedied by subsequent filings, amending acts, or proceedings, as the case may require. When so remedied, the same shall take effect as of the date of the original filing, act, or proceeding. If in any court of competent jurisdiction any final assessment made in pursuance of this part 6 is set aside or if for any other reason the board determines it to be necessary to alter any final assessment made pursuant to this part 6, the board, upon notice as required in the making of an original assessment, may make a new assessment in accordance with the provisions of this part 6.

(4) To provide for unanticipated increases in the costs of improvements, the amount of any assessment imposed before the completion of the related improvements may be increased to a total amount not in excess of the special benefit conferred upon the affected property if, not more than ninety days following the completion of such improvements, the board gives notice of its intent to consider the amendment of such assessment, stating the time and place that a public hearing shall be held thereon, and holds such public hearing, in the same manner as provided for hearings held pursuant to sections 30-20-608 and 30-20-609. At the conclusion of such public hearing, the board may determine whether to amend one or more assessments within a district. Any such amendment shall take effect as of the date of the original assessment.

(5) If, as the result of any subdivision, resubdivision, vacation of right-of-way, or other action taken subsequent to the adoption of the assessment resolution, any new lot or parcel is created within a district, the board may, without a public hearing and with the consent of the owner of the new lot or parcel, modify the assessment resolution to reapportion all or any part of the total amount assessed in the district to such new lot or parcel.

L. 88: (2) amended, p. 1432, § 17, effective June 11. L. 90: (2) and (3) amended, p. 1471, § 2, effective October 1. L. 2008: (4) and (5) added, p. 1297, § 15, effective May 27.

Editor's note: This section was originally numbered as § 30-20-609 in C.R.S. 1973 but was renumbered on revision in the 1977 replacement volume for ease of location.

ANNOTATION

Law reviews. For article, "Survey of Colorado Tax Liens", see 14 Colo. Law. 1765 (1985).

30-20-611. Assessment roll. The county clerk and recorder, or such other officer or agent of the county as may be directed by the board in the preliminary order, shall prepare a local assessment roll in book form showing, in suitable columns, each piece of land assessed, the total amount of assessment, the amount of each installment of principal and interest if, in pursuance of this part 6, the same is payable in installments, and the date when each installment will become due, with suitable columns for use, in case of payment of the whole amount or of any installment or penalty, and he shall deliver the same, duly certified, under the county seal, to the county treasurer for collection.

Source: L. 73: p. 487, § 1. C.R.S. 1963: § 36-30-10. L. 85: Entire section amended, p. 1073, § 4, effective May 24. L. 86: Entire section amended, p. 1059, § 29, effective July 1.

Editor's note: This section was originally numbered as § 30-20-610 in C.R.S. 1973 but was renumbered on revision in the 1977 replacement volume for ease of location.

30-20-612. When assessments payable - installments. All special assessments for local improvements shall be due and payable within thirty days after the effective date of the assessing resolution without demand, but all such assessments may be paid, at the election of the owner, in installments with interest as provided in section 30-20-614. All special assessments for local improvements authorized in section 30-20-603 (11.5) may be due and payable at such alternate time or times as set forth in the assessing resolution.

Source: L. 73: p. 487, § 1. C.R.S. 1963: § 36-30-11. L. 75: (2) repealed, p. 1000, § 1, effective June 16. L. 2008: Entire section amended, p. 1298, § 16, effective May 27.

Editor's note: This section was originally numbered as § 30-20-611 in C.R.S. 1973 but was renumbered on revision in the 1977 replacement volume for ease of location.

30-20-613. Effect of payment in installments. Failure to pay the whole assessment within said period of thirty days shall be conclusively considered and held to be an election on the part of all persons interested, whether under disability or otherwise, to pay in such installments. All persons so electing to pay in installments shall be conclusively held and considered as consenting to said improvements. Such election shall be conclusively held and considered as a waiver of any right to question the power or jurisdiction of the county to construct the improvements, the quality of the work, the regularity or sufficiency of the proceedings, the validity or the correctness of the assessments, or the validity of the lien thereof; except that, with respect to local improvements authorized in section 30-20-603 (11.5), the owner for each property included in the district shall retain all rights otherwise existing by contract or by law against parties other than the county with respect to the financed energy efficiency improvement or renewable energy improvement.

Source: L. 73: p. 488, § 1. C.R.S. 1963: § 36-30-12. L. 2008: Entire section amended, p. 1298, § 17, effective May 27.

Editor's note: This section was originally numbered as § 30-20-612 in C.R.S. 1973 but was renumbered on revision in the 1977 replacement volume for ease of location.

30-20-614. How installments paid - interest. In case of such election to pay in installments, the assessments shall be payable in two or more installments of principal, the first of which installments shall be payable as prescribed by the board in not more than five years and the last in not more than twenty years, with interest in all cases on the unpaid principal. The number and amounts of payment of installments, the period of payment, and the rate and times of payment of interest shall be determined by the board and set forth in the assessing resolution. The times of payment of installments shall be the same as the times of payment for installments of property taxes as specified in section 39-10-104.5 (2),

C.R.S.; except that all special assessments for local improvements authorized in section 30-20-603 (11.5) may be payable at such alternate times as provided by the board in the assessing resolution and the board may enter into agreements with third parties to assist the treasurer with the administration and collection of such installments.

L. 90: Entire section amended, p. 1472, § 3, effective October 1. L. 92: Entire section amended, p. 2184, § 63, effective June 2. L. 2008: Entire section amended, p. 1298, § 18, effective May 27.

Editor's note: This section was originally numbered as § 30-20-613 in C.R.S. 1973 but was renumbered on revision in the 1977 replacement volume for ease of location.

30-20-615. Penalty for default - payment of balance. Failure to pay any installment, whether of principal or interest, when due shall cause the whole of the unpaid principal to become due and collectible immediately, and the whole amount of the unpaid principal and accrued interest shall thereafter draw interest at the rate established pursuant to section 5-12-106 (2) and (3), C.R.S., until the day of sale; but, at any time prior to the day of sale, the owner may pay the amount of all unpaid installments, with interest at the penalty rate set by the assessing resolution, and all costs of collection accrued and shall thereupon be restored to the right thereafter to pay in installments in the same manner as if default had not been suffered. The owner of any property not in default as to any installment or payment may, at any time, pay the whole of the unpaid principal with the interest accruing to the maturity of the next installment of interest or principal; except that any owner who pays the whole of the unpaid balance pursuant to this section may be assessed a prepayment premium not to exceed three percent of the unpaid principal, the amount of which premium shall be specified in the resolution imposing the assessment.

Editor's note: This section was originally numbered as § 30-20-614 in C.R.S. 1973 but was renumbered on revision in the 1977 replacement volume for ease of location.

ANNOTATION

Law reviews. For article, "Survey of Colorado Tax Liens", see 14 Colo. Law. 1765 (1985).

Applied in Resolution Trust Corp. v. Shipley, 809 P.2d 1073 (Colo. App. 1990).

30-20-616. Payment in full - assessment roll returned - payment of share. (1) Except for a district formed for the purposes authorized in section 30-20-603 (11.5), as to which the assessments shall be paid pursuant to the contracts and agreements entered into by the owner of the assessed property, payment may be made to the county treasurer at any time within thirty days after the effective date of the assessing resolution. At the expiration of said thirty-day period, the county treasurer shall return the local assessment roll to the county clerk and recorder, therein showing all payments made thereon, with the date of each payment. The county clerk and recorder shall certify the roll under the seal of the county and deliver it to the county treasurer, with the clerk's warrant for the collection of the same. The county treasurer shall provide a receipt for the roll, and all such rolls shall be numbered for convenient reference.

(2) The owner of any divided or undivided interest in the property assessed may pay his

share of any assessment, upon producing evidence of the extent of his interest, satisfactory to the treasurer having the roll in charge; but the assessment lien shall remain on the entire property assessed until the entire assessment is paid, except as otherwise provided pursuant to section 30-20-610.

Source: **L. 73:** p. 488, § 1. **C.R.S. 1963:** § 36-30-15. **L. 77:** (1) amended, p. 1450, § 1, effective July 1. **L. 85:** (2) amended, p. 1074, § 7, effective May 24. **L. 2010:** (1) amended, (SB 10-100), ch. 207, p. 902, § 4, effective May 5.

Editor's note: This section was originally numbered as § 30-20-615 in C.R.S. 1973 but was renumbered on revision in the 1977 replacement volume for ease of location.

30-20-617. Sale of property for nonpayment - county may purchase property on default. (1) In case of default in the payment of any installment of principal or interest when due, the county treasurer shall advertise and sell all property concerning which such default is suffered for the payment of the whole of the unpaid assessments thereon. Said advertisements and sales shall be made at the same times, in the same manner, under all the same conditions and penalties, and with the same effect as provided by general law for sales of real estate in default of payment of the general property tax.

(2) At any sale by the county treasurer of any property for the purpose of paying any special assessment for local improvements made under the provisions of this part 6 in the district, the county treasurer, having written authority from the board, may purchase any such property without paying for the same in cash and shall receive certificates of purchase therefor in the name of the county. The certificates shall be received and credited at their face value, with all interest and penalties accrued, on account of the assessments in pursuance of which the sale was made. The certificates may thereafter be sold by the county treasurer at their face value, with all interest and penalties accrued, and assigned by him to the purchaser in the name of the county. The proceeds of such sale shall be credited to the fund created by resolution for the payment of such assessments respectively. In the event that all bonded indebtedness incurred in payment for said local improvements has been discharged in full, said certificates may be sold by the board for the best price obtainable at public sale, at auction, or by sealed bids in the same manner and under the same conditions as is provided in subsection (4) of this section. The proceeds shall be credited to the general fund of said county. Such assignments shall be without recourse, and the sale and assignments shall operate as a lien in favor of the purchaser and assignee as is provided by law in the case of sale of real estate in default of payment of the general property tax.

(3) Any county as such purchaser has the right to apply for tax deeds on such certificates of purchase at any time after three years from the date of issuance of said certificates, and such deeds shall be issued as provided by law for issuance of tax deeds for the nonpayment of the general property tax.

(4) Cumulatively with all other remedies, any county which is the owner of property by virtue of a tax deed, or is the owner of property otherwise acquired, in satisfaction or discharge of the liens represented by such certificates of sale, may sell such property for the best price obtainable at public sale, at auction, or by sealed bids. Such sales shall be after public notice by the county treasurer or the county clerk and recorder to all persons having or claiming any interest in the property to be sold or in the proceeds of such sale by publication of such notice three times, a week apart, in a weekly or daily newspaper of general circulation within the county in which the property is located. Such notice shall describe the property and state the time, place, and manner of receiving bids; except that the time fixed for the sale shall not be less than ten days after the last publication. The county may reject any and all bids. Any interested party, at any time within ten days after the receipt of bids for the sale of property, may file with the county a written protest as to the sufficiency of the amount of any bid made or the validity of the proceedings for the sale. If the protest is denied, such person, within ten days thereafter, shall commence an action in a court of competent jurisdiction to enjoin or restrain the county from completing the sale. If no such action is commenced, all protests or objections to the sale shall be waived, and the county shall then convey the property to the successful bidder by quitclaim deed.

(5) In addition to all other remedies, any county which is a holder of certificates of purchase may bring a civil action for foreclosure thereof in accordance with article 38 of title 38, C.R.S., joining as defendants all persons holding record title, persons occupying or in possession of the property, persons having or claiming any interest in the property or in the proceeds of foreclosure sale, all governmental taxing units having taxes or other claims against said property, and all unknown persons having or claiming any interest in said property. Any number of certificates may be foreclosed in the same proceeding. In such proceeding the county, as plaintiff, is entitled to all relief provided by law in actions for an adjudication of rights with respect to real property, including actions to quiet title.

(6) The proceeds of any such sale of property shall be credited to the appropriate special assessment fund. The county shall deduct therefrom the necessary expenses in securing deeds and taking proceedings for the sale or foreclosure.

(7) When any county has sold or conveyed at a fair market value certificates of purchase or property which it has acquired in satisfaction or discharge of special assessment liens, such sales and conveyances are hereby validated and confirmed as against all parties having or claiming any interest in such property or the proceeds of such sale.

(8) It is hereby declared that the purpose of this section is to restore delinquent property to the tax rolls and to realize the greatest possible amount from such property for the benefit of all persons and taxing bodies having liens thereon.

Editor's note: This section was originally numbered as § 30-20-616 in C.R.S. 1973 but was renumbered on revision in the 1977 replacement volume for ease of location.

Cross references: For foreclosure proceedings by municipal corporations or taxing districts, see part 11 of article 25 of title 31; for sale of real estate in default of payment of the general property tax, see article 11 of title 39.

30-20-618. Power of board to contract debt - question submitted to voters. The board shall have power to contract an indebtedness on behalf of the county, and upon the credit thereof, by borrowing money or issuing the negotiable interest-bearing bonds of the county for the purpose of providing a fund to pay such part of the cost of improvements authorized by this part 6 as may be determined by the board, subject, however, to constitutional limitations. No such debt shall be created for such purposes unless the question of incurring the same, including the question of the maximum net effective interest rate, shall be submitted at a special election, which election shall be called and conducted, the votes canvassed, and the result declared in the same manner as other county elections on questions of incurring bonded indebtedness.

Source: L. 73: p. 489, § 1. C.R.S. 1963: § 36-30-17. L. 86: Entire section amended, p. 1060, § 32, effective July 1.

Editor's note: This section was originally numbered as § 30-20-617 in C.R.S. 1973 but was renumbered on revision in the 1977 replacement volume for ease of location.

30-20-619. Issuing bonds - property specially benefited. (1) For the purpose of paying all or such portion of the cost of any improvement constructed or acquired under the provisions of this part 6 as may be assessed against the property specially benefited and not paid by the sales tax authorized by section 30-20-604.5 or by the county, special assessment bonds of the county may be issued, of such date, in such form, and on such terms, including, without limitation, provisions for their sale, payment, and redemption, as may be prescribed by the board, bearing the name of the street or district improved and payable in a sufficient period of years after such date to cover the period of payment provided, and in convenient

denominations. All such bonds shall be issued upon estimates approved by the board, and the county treasurer shall preserve a record of the same in a suitable book kept for that purpose. All such bonds shall be subscribed by the chair of the board, countersigned by the county treasurer, with the county seal affixed, and attested by the county clerk and recorder; except that the county treasurer need not countersign a bond issued by a district formed for the purposes authorized in section 30-20-603 (11.5). Such bonds shall be payable out of the moneys collected on account of the assessments made for said improvements, from reserve accounts, if any, established to secure the payment of such bonds, and from any other legally available moneys. All moneys collected from such assessments for any improvement shall be applied to the payment of the bonds issued, until payment in full is made of all the bonds, both principal and interest, or to fund or replenish reserve accounts, if any, established to secure the payment of such bonds. The bonds may be sold, under such terms and conditions as are established by the board, in such amounts as will be sufficient to pay for the cost of the improvements.

(2) Whenever three-fourths of the bonds issued pursuant to subsection (1) of this section for an improvement constructed under this part 6 have been paid and cancelled and for any reason any remaining assessments are not paid in time to pay the remaining bonds for the district and the interest due thereon, the county may pay, from legally available moneys, the bonds when due and the interest due thereon and may reimburse itself by collecting the unpaid assessments due the district.

(3) When all bonds of an improvement district have been paid, any moneys remaining to the credit of such district may be transferred to a special surplus and deficiency fund, and whenever there is a deficiency in any improvement district bond fund to meet the payment of outstanding bonds for other improvement districts and interest due thereon, or to redeem such outstanding bonds in accordance with any estimated redemption schedule used in connection with the sale of such bonds, the deficiency may be paid from the moneys available therefor in the surplus and deficiency fund.

(4) For the purpose of paying all or such portion of the costs of any improvement constructed pursuant to section 30-20-603 (1) (a) and (1) (c) to which the revenues from any sales tax imposed pursuant to section 30-20-604.5 have been pledged, revenue bonds may be issued, which shall be payable solely from such sales tax. Such bonds shall be issued on the terms set forth in section 29-2-112, C.R.S.

(5) In connection with the issuance of bonds payable solely from special assessments as provided in subsection (1) of this section, the board may provide by resolution for the submission of the question of issuing such bonds to the electors eligible to vote on the question. In that case, the board may provide by resolution that all registered electors of the county shall be eligible to vote on the question or that only electors of the district shall be eligible to vote on the question.

(6) In connection with the issuance of bonds payable from special assessments which are additionally secured as provided in subsection (2), (3), or (4) of this section, the board may provide by resolution for the submission of the question of issuing the bonds to all registered electors of the county.

(7) Notwithstanding any other provision of this part 6, bonds issued in accordance with the requirements of this section may be payable from the assessments levied in one or more improvement districts.

(8) Notwithstanding any other provision of this part 6, any district formed for the purpose of encouraging, accommodating, and financing improvements as authorized in section 30-20-603 (11.5) may be authorized to:

(a) Issue one or more series of bonds, and bonds of any such district may be payable from the assessments levied pursuant to one or more assessment resolutions; and

(b) Jointly finance the improvements of multiple such districts located in one or more counties by intergovernmental agreement of the organizing counties or through other legally available means. Such intergovernmental agreement may include provisions for, among other things, the transfer of revenues collected pursuant to this part 6, including assessment payments, penalty payments pursuant to section 30-20-615, and property sale proceeds pursuant to section 30-20-617, from the county treasurer of the county in which a property is located to the county treasurer for the county issuing bonds pursuant to this section.

Editor's note: This section was originally numbered as § 30-20-618 in C.R.S. 1973 but was renumbered on revision in the 1977 replacement volume for ease of location.

30-20-619.5. Issuing refunding bonds. (1) The board may issue one or more series of bonds to refund all or any portion of the outstanding bonds issued by one or more improvement districts pursuant to section 30-20-619. Any such bonds shall be issued in accordance with the provisions of article 56 of title 11, C.R.S. In such case, for purposes of complying with the requirements of article 56 of title 11, C.R.S., any bonds issued to refund all or any portion of the outstanding bonds of one or more improvement districts shall be deemed to be revenue bonds, the refunded bonds shall be deemed to be revenue obligations, and the assessments shall be deemed to be revenue.

(2) Any bonds issued pursuant to this section may refund all or any portion of the outstanding bonds of one or more improvement districts and may be secured by a combination of assessments levied on all or a specifically identified portion of the assessed property located within such districts.

(3) Two or more series of bonds may be issued to refund the outstanding bonds of one or more districts, and each series may be secured by assessments levied on different portions of the assessed property located within the districts that have outstanding bonds.

(4) Except as otherwise provided in subsection (5) or (6) of this section, in connection with the issuance of refunding bonds pursuant to this section, the board may amend the resolution imposing the assessment to modify all or any portion of the following terms describing the assessment as specified in the resolution:

- (a) The rate of interest the board charges on unpaid installments;
- (b) Any penalty for prepayment of an assessment;
- (c) The principal balance due and owing on the assessment;
- (d) The dates upon which unpaid assessments are due;
- (e) The number of years over which unpaid assessments are due; or
- (f) Any other term specified in the resolution as necessary to make the resolution conform to the requirements of this section.

(5) Before the board may amend the resolution imposing the assessment to increase the amount of principal and interest due and owing under the assessment, the number of years over which unpaid assessments are due, or the amount of any unpaid assessments, the board shall:

(a) Obtain consent in writing to the amendment to the resolution from the owner of each tract of land that would be affected by the amendment; or

(b) (I) Set a place and time, not less than twenty days nor more than forty days after the date of such setting, for a hearing on the proposed amendment.

(II) Thereupon, the clerk of the board shall cause notice by publication to be made of the pendency of the proposed amendment, a summary of the terms of such amendment as described in subsection (4) of this section, and of the time and place of the hearing on the proposed amendment.

(III) All complaints and objections made in writing concerning the proposed amendment by the owners of any property in the district shall be heard and determined by the board before final action is taken. If the owners of the tracts upon which more than one-half of the affected assessments, measured by the unpaid assessment balance, submit written protests to the amendment to the board on or before the date specified in the notice, the board shall not adopt the proposed amendment. Any proposed amendment may be modified,

confirmed, or rescinded prior to passage of the resolution authorized under subsection (4) of this section.

(6) Notwithstanding any other provision of law, in order either to issue refunding bonds or to amend a resolution of the board imposing an assessment pursuant to this section, the board shall make written findings that:

(a) The obligation of the county shall not be materially or adversely impaired with respect to any outstanding bond secured by the assessments; and

(b) The principal balance of any assessment shall not increase to an amount such that the aggregate amount that is assessed against any one particular tract of land exceeds the maximum benefit to the tract that is estimated to result from the project that is financed by the assessment and refunding of the outstanding bonds.

30-20-620. Bonds negotiable - interest. All bonds issued pursuant to section 30-20-619 (1) and (2) shall be negotiable in form and shall bear such interest as may be fixed by the board, not exceeding a maximum net effective interest rate specified by the board, prior to the use of said bonds in payment for improvements or the sale thereof.

30-20-621. Manner of redemption. (Repealed)

Source: L. 73: p. 489, § 1. C.R.S. 1963: § 36-30-20. L. 85: Entire section amended, p. 1075, § 10, effective July 1. L. 86: Entire section amended, p. 1057, § 23, effective May 24. L. 2002: Entire section repealed, p. 278, § 22, effective August 7.

Editor's note: This section was originally numbered as § 30-20-620 in C.R.S. 1973 but was renumbered on revision in the 1977 replacement volume for ease of location.

30-20-622. Contracts for construction - bond - default. (1) Except as provided in this section, all local improvements made under the provisions of this part 6 shall be constructed by independent contract, and all contracts shall be let by the board. All such contracts shall be let to the lowest reliable and responsible bidder, after public advertisement once in a newspaper of general circulation in such county; except that after such advertisement, if it be determined by the board that the bids are too high or that the proposed improvement can be made by the county for less than the bid of the lowest reliable and responsible bidder, such county is empowered to provide for doing the work by hiring labor by the day or otherwise and to arrange for purchasing necessary material, all under the supervision of the board.

(2) Except when the county does the work, no contract shall be made without a surety bond for its faithful performance, with sufficient sureties, to be approved by the board. No surety shall be accepted or approved by the board other than a corporate surety company, unless he is the owner of real estate in this state, free and clear of all encumbrances, in double the amount of his liability on all bonds upon which he may then be surety. Upon default in the performance of any contract, the board may advertise and relet the remainder of the work in like manner, without further resolution, and deduct the cost from the original contract price or, with the approval of the board, advance any excess out of the funds of the county and recover the same by suit on the original bond. In all advertisements the right shall be reserved to reject any or all bids, and, upon rejecting all bids, if deemed advisable by the board, other bids may be advertised for.

(3) Notwithstanding the provisions of subsection (1) of this section and the provisions of section 24-92-104 (3), C.R.S., all construction contracts for any improvements funded in whole or in part by the district sales tax authorized by section 30-20-604.5 or by revenue bonds issued pursuant to section 30-20-619 (4) shall be awarded by competitive sealed bidding pursuant to the procedures set forth in article 92 of title 24, C.R.S.

Source: L. 73: p. 490, § 1. C.R.S. 1963: § 36-30-21. L. 85: (1) amended, p. 1076, § 11, effective May 24. L. 86: Entire section amended, p. 1061, § 35, effective July 1. L. 87: (3) added, p. 1215, § 10, effective May 7.

Editor's note: This section was originally numbered as § 30-20-621 in C.R.S. 1973 but was renumbered on revision in the 1977 replacement volume for ease of location.

30-20-623. Provisions to be inserted. Every contract shall provide that it is subject to the provisions of the laws under which the county exists and of the resolution authorizing the improvement; that the aggregate payment thereon shall not exceed the amount appropriated; that, upon ten days' written notice to the contractor, the work under such contract, without cost or claim against the county, may be suspended for substantial cause; and that, upon complaint of any owner of land to be assessed for the improvement that the improvement is not being constructed in accordance with the contract, the board may consider the complaint and make such order in the premises as shall be just, and such order shall be final.

Source: L. 73: p. 490, § 1. C.R.S. 1963: § 36-30-22. L. 85: Entire section amended, p. 1076, § 12, effective May 24. L. 86: Entire section amended, p. 1061, § 36, effective July 1.

Editor's note: This section was originally numbered as § 30-20-622 in C.R.S. 1973 but was renumbered on revision in the 1977 replacement volume for ease of location.

30-20-624. Utility connections may be ordered before paving - costs - default. Before paving in any district in pursuance of this part 6, the board may order the owners of property therein to connect their several premises with the gas, water, or sewer mains or with any other utility in the street in front of their several premises. Upon default of any owner for thirty days after such order to make such connections, the city or town may contract for and make the connections at such distance, under such regulations, and in accordance with such specifications as may be prescribed by the board. The whole cost of each connection shall be assessed against the property with which the connection is made, and the cost shall be paid upon the completion of the work and in one sum. The cost shall be assessed, shall become a lien, and shall be collected in the same manner as is provided in this part 6 for the assessment and collection of the cost of other special improvements. Upon default in the payment of any such assessment, the property shall be sold in like manner and with like effect.

Source: L. 73: p. 490, § 1. C.R.S. 1963: § 36-30-23. L. 86: Entire section amended, p. 1061, § 37, effective July 1.

Editor's note: This section was originally numbered as § 30-20-623 in C.R.S. 1973 but was renumbered on revision in the 1977 replacement volume for ease of location.

30-20-625. No action maintainable - exception - grounds - limitations. (1) No legal or equitable action shall be brought or maintained to enjoin the collection of assessments levied under this part 6 except upon the grounds:

(a) That notice of a hearing upon the amount of the assessment was not given as required in this part 6, and any person presenting objections to the board at or before the hearing on assessment shall be deemed to have waived this ground;

(b) That the hearing upon the amount of the assessment as provided in this part 6 was not held;

(c) That the improvement ordered was not one authorized by this part 6.

(2) No action shall be brought under paragraph (c) of subsection (1) of this section unless the objections on which such action is based have been presented to the board in writing prior to the hearing on the proposed improvements as provided in section 30-20-603 (6) (i). Any action brought with respect to the ordering of any improvements, the creation of any district, the authorization or issuance of any bonds, the levying of any assessments, or any other action taken under this part 6 shall be commenced within thirty days after the effective date of the resolution ordering the improvements, creating the district, authorizing or issuing bonds, or levying assessments or the performance of any other action complained of or else shall be thereafter perpetually barred.

Editor's note: This section was originally numbered as § 30-20-625 in C.R.S. 1973 but was renumbered on revision in the 1977 replacement volume for ease of location.

30-20-627. Local improvements completed - dissolution. When the local improvements specified in the preliminary order referred to in section 30-20-603 (5) and specified in the resolution authorizing the improvements have been completed and any debt incurred or bonds issued have been paid, the board shall take all steps necessary to dissolve the district and, upon completion of such steps, shall declare, by resolution, that the district is dissolved; except that this requirement does not apply to a district formed for the purposes authorized in section 30-20-603 (11.5). Upon dissolution, any moneys remaining to the credit of such district that have not been transferred to a special surplus and deficiency fund as permitted in section 30-20-619 (3) may be used for any county purpose as determined by the board, including, without limitation, the reimbursement to the county of any county moneys spent to provide any portion of the costs of the local improvements completed within the dissolved district.

Source: L. 87: Entire section added, p. 1215, § 11, effective May 7. L. 2002: Entire section amended, p. 272, § 11, effective August 7. L. 2010: Entire section amended, (SB 10-100), ch. 207, p. 903, § 6, effective May 5.

30-20-628. County treasurer - policies and procedures. The county treasurer may adopt policies and procedures which the county treasurer deems necessary and reasonable for the administration and collection of assessments imposed and payable pursuant to the provisions of this part 6 and which are consistent with the provisions of said part 6.

Source: L. 90: Entire section added, p. 1472, § 4, effective October 1.

PART 7

RECREATION DISTRICTS - COUNTY

30-20-701. Legislative declaration. It is declared that the creation of recreation districts, having the purposes and powers provided in this part 7, will serve a public use and will promote the health, safety, prosperity, security, and general welfare of the inhabitants of said districts.

Source: L. 47: p. 698, § 1. CSA: C. 136, § 5. CRS 53: § 114-2-1. C.R.S. 1963: § 114-2-1.

ANNOTATION

Law reviews. For article, "Legal Classification of Special Districts Corporate Forms in Colorado", see 45 Den. L.J. 347 (1968).

30-20-702. County may establish districts. (1) Whenever a county has acquired property for recreational purposes, as authorized in sections 29-7-101 to 29-7-104, C.R.S., such county may establish a recreation district. This district shall be composed of the unincorporated area benefited by the establishment of the proposed recreational facility, the boundaries to be designated by the board of county commissioners. If a county planning commission has been created in the county under the authority of part 1 of article 28 of this title, it is the duty of such planning commission, upon request from the board of county commissioners, to formulate a tentative plan for the formation of such recreation district. The plan shall include recommendations as to the area to be benefited and boundaries and powers of the district. Upon completion of the plan, the county planning commission shall certify such plan to the board of county commissioners.

(2) Before the creation of a recreation district, a hearing thereon shall be held by the board of county commissioners to ascertain the sentiment of residents of the area toward the establishment of such a district. Notice of the hearing, stating the time, place, date, and purpose of the hearing, and including a description of the proposed boundaries, shall be published once weekly for three consecutive weeks in a newspaper published and of general circulation in the county.

(3) After the hearing, the board of county commissioners, at any regularly scheduled meeting, may change, amend, reject, or adopt the plan formulated and certified by the county planning commission and by resolution create a recreation district.

Source: L. 47: p. 698, § 2. CSA: C. 136, § 6. CRS 53: § 114-2-2. C.R.S. 1963: § 114-2-2.

30-20-702.5. Acquisition of land by Larimer county authorized. (1) The general assembly finds and declares that it is in the best interests of the state for Larimer county to acquire certain properties in the floodplain areas of the Big Thompson canyon and the north fork thereof. In making such acquisitions, Larimer county shall be subject to the findings of the Colorado water conservation board with respect to the location of said floodplain areas. The county shall establish a recreation district pursuant to the provisions of this article for the purpose of making the acquisitions authorized and for the further purposes of the future management, control, and financing of all park and recreational areas developed following such acquisitions. In acquiring lands as authorized, the county and the recreation district shall seek primarily lands near inhabited areas which are unlikely to be the subject of direct acquisition by the federal forest service or other federal agency.

(2) The division of parks and wildlife, as a part of its duties under section 33-10-108, C.R.S., shall undertake the duties of coordinating federal, state, and local efforts and

contributions, in the development of the land acquired pursuant to this section, in order that the people of the state shall receive benefits from the park and recreational facilities thus acquired.

Source: L. 77: Entire section added, p. 1451, § 1, effective June 19. L. 85: (2) amended, p. 1363, § 29, effective June 28.

30-20-703. Powers of county commissioners. (1) Acting on behalf of such district, the board of county commissioners may:

(a) Levy a tax on all real and personal property situated within the district not to exceed one mill, the proceeds of which shall be used within the district for operation, maintenance, capital improvements, acquisition of additional property, and employment of a staff to supervise a program of activities, and receive gifts of money or property for construction and operation of recreational facilities and programs; but if the recreational district comprises the entire county, the board of county commissioners is authorized to appropriate from the general fund for this purpose and no special levy is authorized;

(b) Establish a board of five residents of the district who own real estate within the district and who have paid a tax thereon for at least one year preceding their selection, to administer the facility, and to supervise the conduct of the recreational programs. Each member of the board, upon approval by a majority of the taxpaying electors residing in the district voting on the question at a general election, may receive as compensation for his services a sum not in excess of six hundred dollars per annum, payable not to exceed twenty-five dollars per meeting attended. Terms of such board members shall be so arranged that the term of one member expires each year. The manner of selection and the powers shall be determined by the board of county commissioners in its order creating the recreation district.

(c) Provide for the employment of personnel to operate and manage the facilities and recreation programs, and cooperate with other public and private agencies in the operation and management of the facilities and program;

(d) Provide for the creation of a reserve fund adequate to meet the obligations of the district, for maintenance and operating charges and depreciation, and to provide replacements of and betterments to the improvements of the district.

Source: L. 47: p. 699, § 3. CSA: C. 136, § 7. L. 53: p. 220, § 2. CRS 53: § 114-2-3. C.R.S. 1963: § 114-2-3. L. 67: p. 714, § 4.

Cross references: For procedure to increase tax levy beyond statutory limits, see § 29-1-302.

30-20-704. Budget. The operations of the recreation district shall be conducted in accordance with the provisions of the local government budget law. The proposed budget shall be submitted to the board of county commissioners by the district board on or before the same date that is set for other departments of county government. In no event shall the provisions of this section be construed to prevent the creation of a reserve fund as provided in section 30-20-703.

Source: L. 47: p. 699, § 4. CSA: C. 136, § 8. CRS 53: § 114-2-4. C.R.S. 1963: § 114-2-4.

30-20-705. Purpose. No part of this part 7 shall repeal or affect any other act or any part thereof, it being intended that this part 7 shall provide a separate method of accomplishing its objects, and not an exclusive one.

Source: L. 47: p. 700, § 5. CSA: C. 136, § 9. CRS 53: § 114-2-5. C.R.S. 1963: § 114-2-5.

PART 8

CEMETERY DISTRICTS

Editor's note: Prior to the enactment of this part 8 in 1981, the substantive provisions of this part 8 were located in part 1 of article 5 of title 32. For a detailed comparison of this part 8, see the comparative tables located in the back of the index.

Cross references: For definitions applicable to this part 8, see § 30-26-301 (2)(d).

30-20-801. Creation of cemetery districts. The board of county commissioners of any county shall create cemetery districts within its county upon petition of the property owners within said districts, in accordance with the provisions of this part 8.

Source: L. 81: Entire part added, p. 1613, § 12, effective June 19.

30-20-802. Petition for creation of district. Upon presentation to the board of county commissioners of a petition setting forth the name of the proposed cemetery district, a description of the boundaries of said district, the names of three taxpaying electors resident within such district to be appointed as the first board of directors of said proposed district, and a request for the organization thereof, signed by a majority of the taxpaying electors resident therein, it is the duty of the board of county commissioners of such county to examine the petition and, if it finds that the petition is regular and in due form as provided, and if the board of county commissioners finds that said petition has been signed by a majority of the taxpaying electors, to enter a resolution in its proceedings establishing said cemetery district and to file a certified copy of such resolution with the county clerk and recorder.

Source: L. 81: Entire part added, p. 1613, § 12, effective June 19.

30-20-803. Board of directors. Immediately after the creation of such cemetery district, the board of county commissioners shall appoint a board of directors for said cemetery district, consisting of the three members recommended in the petition filed with the board of county commissioners. One of such members shall hold his office for two years, one for four years, and one for six years. Thereafter the term of office shall be six years. Vacancies in the board of directors shall be filled by the board of county commissioners. All special and regular meetings of the board of directors shall be held at locations which are within the boundaries of the cemetery district or which are within the boundaries of any county in which the cemetery district is located, in whole or in part, or in any county so long as the meeting location does not exceed twenty miles from the district boundaries. The provisions of this section governing the location of meetings may be waived only if the proposed change of location of a meeting of the board appears on the agenda of a regular or special meeting of the board and if a resolution is adopted by the board stating the reason for which a meeting of the board is to be held in a location other than under the provisions of this section and further stating the date, time, and place of such meeting.

Source: L. 81: Entire part added, p. 1613, § 12, effective June 19. **L. 90:** Entire section amended, p. 1496, § 3, effective July 1.

30-20-804. District officers. The officers of such cemetery district shall be the president and a secretary who shall be elected annually by the board of directors from its own members.

Source: L. 81: Entire part added, p. 1613, § 12, effective June 19.

30-20-805. Powers of district. (1) From and after the filing of the resolution establishing such district with the county clerk and recorder, the cemetery district shall be a body corporate and shall have the following powers:

- (a) To acquire, hold, and convey real and personal property for cemetery purposes within said district;
- (b) To sue and be sued in its corporate name;
- (c) To receive, acquire, and hold donations or bequests of real or personal property;
- (d) To sell burial plots in the cemetery property acquired by said district;
- (e) To draw warrants upon the county treasurer for cemetery purposes;
- (f) To determine annually the amount of tax not to exceed four mills, to be levied upon the taxable property of said district, to acquire, care for, and maintain such cemetery for the ensuing year, and to certify the same to the board of county commissioners. Any amount of tax levy not previously established by resolution nor previously approved by the electors must be authorized by a vote of the electors of that cemetery district.

Source: **L. 81:** Entire part added, p. 1614, § 12, effective June 19. **L. 95:** (1)(f) amended, p. 61, § 1, effective March 23.

30-20-806. Taxation. The board of county commissioners is authorized to levy a tax not to exceed four mills so certified to it by said cemetery district against all taxable property within said cemetery district which tax shall be collected by the county treasurer. If the district embraces the entire county, the board of county commissioners is authorized to appropriate from the general fund money for this purpose and no special tax shall be made.

Source: **L. 81:** Entire part added, p. 1614, § 12, effective June 19. **L. 95:** Entire section amended, p. 61, § 2, effective March 23.

30-20-807. Cemetery district fund. All moneys belonging to or collected on behalf of said cemetery district may be deposited with the county treasurer of the county in which said district is located in a fund known as cemetery district fund. Expenditures therefrom shall be made by the county treasurer upon warrants drawn thereon by the president and secretary of said cemetery district.

Source: **L. 81:** Entire part added, p. 1614, § 12, effective June 19. **L. 2008:** Entire section amended, p. 107, § 1, effective August 5.

30-20-808. Abandoned graves - right to reclaim. (1) If there is a lot, grave space, niche, or crypt in a cemetery in which no remains have been interred, no burial memorial has been placed, and no other improvement has been made for a continuous period of no less than seventy-five years, a cemetery district may initiate the process of reclaiming title to the lot, grave space, niche, or crypt in accordance with this section.

(2) A cemetery district seeking to reclaim a lot, grave space, niche, or crypt shall:

(a) Send written notice of the cemetery district's intent to reclaim title to the lot, grave space, niche, or crypt to the owner's last-known address by first-class mail; and

(b) Publish a notice of the cemetery district's intent to reclaim title to the lot, grave space, niche, or crypt in a newspaper of general circulation in the area in which the cemetery is located once per week for four weeks.

(3) The notice required by subsection (2) of this section shall clearly indicate that the cemetery district intends to terminate the owner's rights and title to the lot, grave space, niche, or crypt and include a recitation of the owner's right to notify the cemetery district of the owner's intent to retain ownership of the lot, grave space, niche, or crypt.

(4) If the cemetery district does not receive from the owner of the lot, grave space, niche, or crypt a letter of intent to retain ownership of the lot, grave space, niche, or crypt within sixty days after the last publication of the notice required by paragraph (b) of subsection (2) of this section, all rights and title to the lot, grave space, niche, or crypt shall transfer to the cemetery district. The cemetery district may then sell, transfer, or otherwise dispose of the lot, grave space, niche, or crypt without risk of liability to the prior owner of the lot, grave space, niche, or crypt.

(5) A cemetery district that reclaims title to a lot, grave space, niche, or crypt in accordance with this section shall retain in its records for no less than one year a copy of the notice sent pursuant to paragraph (a) of subsection (2) of this section and a copy of the notice published pursuant to paragraph (b) of subsection (2) of this section.

(6) If a person submits to a cemetery district a legitimate claim to a lot, grave space, niche, or crypt that the cemetery district has reclaimed pursuant to this section, the cemetery district shall transfer to the person at no charge a lot, grave space, niche, or crypt that, to the extent possible, is equivalent to the reclaimed lot, grave space, niche, or crypt.

(7) Notwithstanding any provision of law to the contrary, on and after August 7, 2006, a cemetery district shall not convey title to the real property surveyed as a lot in a cemetery for use as a burial space. A cemetery district may grant interment rights to a lot, grave space, niche, or crypt in a cemetery.

Source: L. 2006: Entire section added, p. 443, § 3, effective August 7.

Editor's note: Section 5 of chapter 128, Session Laws of Colorado 2006, provides that the act enacting this section applies to cemetery lots, grave spaces, niches, and crypts purchased before, on, or after August 7, 2006.

PART 9

SOLID WASTE-TO-ENERGY INCINERATION SYSTEMS

Cross references: For the calculation by the public utilities commission of avoided cost information prior to construction of a solid waste-to-energy incineration system, see § 40-3-112; for authorization for municipalities to develop solid waste-to-energy systems, see part 10 of article 15 of title 31.

Law reviews: For article, "The Legal Structure and Financing of Waste-to-Energy Projects - Part 1", see 14 Colo. Law. 574 (1985).

30-20-901. Legislative declaration. The general assembly hereby finds and declares that methods for the efficient and economical production of usable energy should be achieved whenever possible and that the use of flammable waste material for the conversion of heat into steam, electrical power, or any other form of energy could provide energy in an efficient and economical manner. For such purposes, the provisions of this part 9 are enacted to authorize counties to develop this type of energy for their own use and the use of the public.

Source: L. 83: Entire part added, p. 1241, § 2, effective May 31.

30-20-902. Definitions. As used in this part 9, unless the context otherwise requires:

(1) "Solid waste-to-energy incineration system" means the use of flammable waste material as a primary or supplemental fuel for the conversion of heat into steam, electrical power, or any other form of energy.

Source: L. 83: Entire part added, p. 1242, § 2, effective May 31.

30-20-903. County authority relating to solid waste-to-energy incineration systems. (1) The board of county commissioners of any county has the power to:

(a) Acquire, hold, use, transfer, and convey any real or personal property for the purpose of developing and operating a solid waste-to-energy incineration system;

(b) Engage in any activities relating to the siting, development, and operation of a solid waste-to-energy incineration system and to the production and sale of energy from such system;

(c) Issue revenue bonds authorized by action of the board of county commissioners, without the approval of the qualified electors of the county, for purposes of financing the siting and development of a solid waste-to-energy incineration system and the production

and marketing of energy from such system. Such revenue bonds shall be issued in the manner provided in part 4 of article 35 of title 31, C.R.S., for the issuance of revenue bonds by municipalities; except that such revenue bonds may be sold in one or more series at par, or below or above par, at public or private sale, in such manner and for such price as the county, in its discretion, shall determine. Such revenue bonds and interest coupons, if any, appurtenant thereto shall never constitute the debt or indebtedness of the county within the meaning of any provision or limitation of the state constitution or statutes, and shall not constitute nor give rise to a pecuniary liability of the county or a charge against its general credit or taxing powers. Such revenue bonds and the income therefrom are exempt from taxation, except inheritance, estate, and transfer taxes.

(d) Enter into contracts, including intergovernmental contracts pursuant to section 29-1-203, relating to the acts authorized by this part 9;

(e) Establish such terms and conditions by contract, resolution, or any other method for the siting, development, and operation of a solid waste-to-energy incineration system and the production and sale of energy from such system;

(f) Set, maintain, and revise charges for the disposal of solid waste at a solid waste-to-energy incineration system facility and for the sale of energy from such system for the purpose of financing the property, facilities, and operation of the system;

(g) Exercise any other powers which are essential in performing the acts authorized by this part 9;

(h) Perform any nonlegislative acts authorized by this part 9 by means of an agent or by contract with any person, firm, or corporation.

Source: L. 83: Entire part added, p. 1242, § 2, effective May 31.

30-20-904. Department of public health and environment rules. The department of public health and environment may promulgate rules for the engineering design and operation of solid waste-to-energy incineration systems, and any such system shall comply with such rules before beginning operations.

Source: L. 83: Entire part added, p. 1243, § 2, effective May 31. **L. 94:** Entire section amended, p. 2800, § 560, effective July 1.

PART 10

SOLID WASTES DISPOSAL LIMITATIONS

Cross references: For the legislative declaration contained in the 2005 act enacting this part 10, see section 1 of chapter 285, Session Laws of Colorado 2005.

30-20-1001. Definitions. As used in this part 10, unless the context otherwise requires:

(1) “Consumer product” means any device that is primarily intended for personal or household use and is typically sold, distributed, or made available to the general population through retail or mail-order distribution. Such term does not include vehicles, motorcycles, wheelchairs, boats, or other forms of motive power. The term does include, but is not limited to, computers, games, telephones, radios, and similar electronic devices.

(2) “De minimis quantities of used oil” means small spills, leaks, or drippings from pumps, machinery, pipes, and other similar equipment during normal operations; except that the term shall not include used oil discarded as a result of abnormal operations resulting in substantial leaks, spills, or other releases.

(3) “Land disposal” means placing, discarding, or otherwise disposing of residentially generated solid wastes:

(a) In any solid wastes disposal site and facility, transfer station, or treatment, storage, or disposal facility operated by the state, a local government, or a private entity;

(b) In sewers, drainage systems, septic tanks, surface or groundwaters, watercourses, or any body of water; or

(c) On the ground.

- (4) "Lead-acid battery" means a battery that:
 - (a) Consists of lead and sulfuric acid;
 - (b) Is used as a power source; and
 - (c) Is not intended as a power source for consumer products.
- (5) "Lubricating oil" means the fraction of crude oil or synthetic oil used to reduce friction in motorized equipment. "Lubricating oil" includes rerefined oil.
- (6) (a) "Person" means an individual.
- (b) "Person" shall not include waste haulers as defined in subsection (16) of this section.
- (7) "Residentially generated" means used lead-acid batteries, used oil, and waste tires generated by a person.
- (8) "Retailer" means any corporation, limited liability company, partnership, individual, sole proprietorship, joint-stock company, joint venture, or other private legal entity that engages in the sale of new lead-acid batteries, lubricating oil, or new tires directly to the end user.
- (9) "Solid waste" shall have the same meaning as set forth in section 30-20-101 (6).
- (10) "Solid wastes disposal" shall have the same meaning as set forth in section 30-20-101 (7).
- (11) "Solid wastes disposal site and facility" shall have the same meaning as set forth in section 30-20-101 (8).
- (12) "Tire" means a pneumatic rubber covering designed to encircle the wheel of a vehicle in which a person or property is or may be transported or drawn upon a highway.
- (13) "Transfer station" shall have the same meaning as set forth in section 30-20-101 (9).
- (14) "Used lead-acid battery" means any lead-acid battery that is no longer functional or no longer used for its primary purpose.
- (15) "Used oil" means any residentially generated motor oil, refined from crude oil or a synthetic oil, that has been used and as a result of that use is contaminated by physical or chemical impurities.
- (16) "Waste hauler" means any individual or any employee or agent of a partnership, private, county, or municipal corporation, firm, board of a metropolitan district, or other association of persons that haul waste under contract, agreement, or as otherwise provided by law, to solid wastes disposal sites and facilities.
- (17) "Waste tire" has the meaning established in section 25-17-202 (1), C.R.S.
- (18) "Waste tire monofill" means any duly licensed and permitted solid wastes disposal site and facility or section of solid wastes disposal site and facility at which only waste tires are accepted.
- (19) "Wholesaler" means any corporation, limited liability company, partnership, individual, sole proprietorship, joint-stock company, joint venture, or other private legal entity that sells new lead-acid batteries, lubricating oil, or new tires for resale.

Source: L. 2005: Entire part added, p. 1251, § 2, effective August 8. L. 2010: (17) amended, (HB 10-1018), ch. 421, p. 2180, § 13, effective June 10.

30-20-1002. Lead-acid batteries - disposal limitations. (1) On and after July 1, 2007, land disposal of residentially generated used lead-acid batteries shall be prohibited.

- (2) A person shall dispose of used lead-acid batteries by delivering the batteries to:
 - (a) A retailer or wholesaler engaged in lead-acid battery collection or recycling;
 - (b) A secondary lead smelter; or
 - (c) A collection or recycling facility operating under the laws of this state or under rules promulgated by the United States environmental protection agency.
- (3) A retailer shall dispose of used lead-acid batteries by delivering the batteries to:
 - (a) The agent of a wholesaler or a secondary lead smelter;
 - (b) A battery manufacturer for delivery to a secondary lead smelter; or
 - (c) A collection or recycling facility operating under the laws of this state or under rules promulgated by the United States environmental protection agency.

(4) (a) Waste haulers shall notify customers that the land disposal of lead-acid batteries is prohibited.

(b) The notice required by paragraph (a) of this subsection (4) shall explain that lead-acid batteries shall be disposed of by delivery to a retailer or wholesaler engaged in lead-acid battery collection or recycling, a secondary lead smelter, or a collection or recycling facility operating under the laws of this state or under rules promulgated by the United States environmental protection agency.

Source: L. 2005: Entire part added, p. 1253, § 2, effective August 8.

30-20-1003. Lead-acid batteries - collection for recycling. (1) A retailer selling replacement lead-acid batteries in the state may:

(a) Accept from customers, at the point of transfer, used lead-acid batteries of the same general type and in a quantity at least equal to the number of new batteries purchased, if offered by customers; and

(b) Collect a deposit of at least ten dollars on the sale of an automotive-type replacement lead-acid battery that is not accompanied by the return of a used lead-acid battery of the same general type. All deposits shall inure to the benefit of the retailer unless the person paying the deposit pursuant to this subsection (1) returns a used automotive lead-acid battery to the retailer within thirty days of the date of sale, in which case the deposit shall be returned to the customer.

Source: L. 2005: Entire part added, p. 1254, § 2, effective August 8.

30-20-1004. Lead-acid battery wholesalers. Any wholesaler selling replacement lead-acid batteries may accept from customers at the point of transfer used lead-acid batteries of the same general type and in a quantity at least equal to the number of new batteries purchased, if offered by customers.

Source: L. 2005: Entire part added, p. 1254, § 2, effective August 8.

30-20-1005. Used oil disposal limitations. (1) On and after July 1, 2007, land disposal of residentially generated used oil shall be prohibited.

(2) Notwithstanding subsection (1) of this section, a person may dispose of an item or substance that contains de minimis quantities of used oil in a solid wastes disposal site and facility under subsection (1) of this section if:

(a) To the extent reasonably possible, all oil has been removed from the item or substance; and

(b) No free-flowing oil remains in the item or substance.

(3) A person shall dispose of used oil by delivery to:

(a) A retailer or wholesaler engaged in used oil collection or recycling; or

(b) A collection or recycling facility operating under the laws of this state or under rules promulgated by the United States environmental protection agency.

(4) A retailer shall dispose of used oil by delivery to the agent of a wholesaler or to a collection or recycling facility operating under the laws of this state or under rules promulgated by the United States environmental protection agency.

(5) Every quart of improperly disposed oil shall constitute a separate violation.

(6) (a) Waste haulers shall notify customers that the land disposal of used oil is prohibited.

(b) The notice required in paragraph (a) of this subsection (6) shall explain that used oil shall be disposed of by delivery to a retailer or wholesaler engaged in used oil collection or recycling or a collection or recycling facility operating under the laws of this state or under rules promulgated by the United States environmental protection agency.

Source: L. 2005: Entire part added, p. 1254, § 2, effective August 8.

30-20-1006. Limitations on the disposal of tires. (1) On and after July 1, 2007, land disposal of residentially generated waste tires shall be prohibited.

(2) (a) A person shall dispose of waste tires by delivery to a retailer or wholesaler engaging in waste tire collection or recycling, to a waste tire monofill, or to a collection or recycling facility operating under the laws of this state or under rules promulgated by the United States environmental protection agency.

(b) A person, including a retailer, wholesaler, and a collection or recycling facility, shall arrange for the commercial hauling of waste tires only with a hauler who is currently registered pursuant to section 25-17-204, C.R.S.

(3) A retailer shall dispose of waste tires by delivery to the agent of a wholesaler, to a waste tire monofill, or to a collection or recycling facility operating under the laws of this state or under rules promulgated by the United States environmental protection agency.

(4) A wholesaler shall dispose of waste tires by delivery to a waste tire monofill or to a collection or recycling facility operating under the laws of this state or under rules promulgated by the United States environmental protection agency.

(5) A collection facility shall dispose of waste tires by delivery to a waste tire monofill or to a recycling facility operating under the laws of this state or under rules promulgated by the United States environmental protection agency.

(6) Each waste tire improperly disposed of shall constitute a separate violation.

(7) (a) Waste haulers shall notify customers that the land disposal of waste tires is prohibited.

(b) The notice required by paragraph (a) of this subsection (7) shall explain that waste tires shall be disposed of by delivery to a retailer or wholesaler engaged in waste tire collection or recycling, to a waste tire monofill, or to a collection or recycling facility operating under the laws of this state or under rules promulgated by the United States environmental protection agency.

Source: L. 2005: Entire part added, p. 1255, § 2, effective August 8. **L. 2009:** (2) amended, (SB 09-289), ch. 314, p. 1700, § 4, effective August 5.

30-20-1007. Waste tires - collection for recycling. A retailer selling replacement tires in the state may not refuse to accept from customers, at the point of transfer, waste tires of the same general type and in a quantity at least equal to the number of new tires purchased.

Source: L. 2005: Entire part added, p. 1256, § 2, effective August 8. **L. 2009:** Entire section amended, (SB 09-289), ch. 314, p. 1700, § 5, effective August 5.

30-20-1008. Tire wholesalers. Any wholesaler selling tires may accept from customers at the point of transfer waste tires of the same general type and in a quantity at least equal to the number of new tires purchased, if offered by customers.

Source: L. 2005: Entire part added, p. 1256, § 2, effective August 8.

30-20-1009. Inspection - enforcement - nuisances - violations - civil penalty. (1) The inspection, enforcement, nuisance, violation, and civil penalty provisions in section 30-20-113 shall apply to this part 10.

(2) Notwithstanding subsection (1) of this section and section 30-20-1010, if a person is able to establish that due diligence has been conducted and no reasonable options for recycling the solid wastes are available, then the person may dispose of the solid wastes in a solid wastes disposal site and facility or transfer station.

(3) Notwithstanding subsection (1) of this section and sections 30-20-1010 and 30-20-113 (1) (c), any solid wastes disposal site and facility in substantial compliance with its waste characterization plan developed pursuant to section 30-20-110 (1) (g), and rules promulgated thereunder, shall be deemed to be in compliance with this part 10 so long as such waste characterization plan contains waste acceptance procedures to minimize the disposal of lead-acid batteries, used oil, and waste tires consistent with the requirements of

this part 10. Solid wastes disposal sites and facilities existing on August 8, 2005, shall submit an amended waste characterization plan incorporating such waste acceptance procedures to the department of public health and environment no later than January 1, 2006.

Source: L. 2005: Entire part added, p. 1256, § 2, effective August 8.

30-20-1010. Violation - penalty. Any person who violates any provision of this part 10 is guilty of a petty offense and, upon conviction thereof, shall be punished by a fine of not more than one hundred dollars. Nothing in this part 10 shall preclude or preempt a municipality from enforcement of its local ordinances. Each day of violation shall be deemed a separate offense under this section.

Source: L. 2005: Entire part added, p. 1256, § 2, effective August 8.

PART 11

PUBLIC IMPROVEMENTS - COUNTY CONTRACTS

30-20-1101. Short title. This part 11 shall be known and may be cited as the “Integrated Delivery Method for County Public Improvements Act”.

Source: L. 2007: Entire part added, p. 1810, § 2, effective August 3.

30-20-1102. Legislative declaration. (1) The general assembly hereby finds and declares that:

(a) It is the policy of the state of Colorado to encourage public contracting procedures that encourage competition, openness, and impartiality to the maximum extent possible.

(b) Competition exists not only in the costs of goods and services, but in the technical competence of the providers and suppliers in their ability to make timely completion and delivery and in the quality and performance of their products and services.

(c) Timely and effective completion of public projects can be achieved through a variety of methods when procuring goods and services for public projects.

(d) In enacting this part 11, the general assembly intends to establish for county governments and certain districts formed by county governments an optional alternative public project delivery method.

Source: L. 2007: Entire part added, p. 1810, § 2, effective August 3.

30-20-1103. Definitions. As used in this part 11, unless the context otherwise requires:

(1) “Agency” means any county, city and county, home rule county formed in accordance with the provisions of article 35 of this title, any county public improvement district formed in accordance with the provisions of part 5 of article 20 of this title, any other district that a county or a city and county may create pursuant to the authority provided in article 20 of this title that is a budgetary unit exercising construction contracting authority or discretion, and any special taxing district formed by a home rule county in accordance with the provisions of part 9 of article 35 of this title.

(2) “Contract” means any agreement for designing, building, altering, repairing, improving, demolishing, operating, maintaining, or financing a public project.

(3) “Cost-reimbursement contract” means a contract under which a participating entity is reimbursed for costs that are allowable and allocable in accordance with the contract terms and provisions of this part 11.

(4) “Integrated project delivery” or “IPD” means a project delivery method in which there is a contractual agreement between an agency and a single participating entity for the design, construction, alteration, operation, repair, improvement, demolition, maintenance, or financing, or any combination of these services, for a public project.

(5) "IPD contract" means a contract using an integrated project delivery method.

(6) "Participating entity" means a partnership, corporation, joint venture, unincorporated association, or other legal entity that provides appropriately licensed planning, architectural, engineering, development, construction, operating, or maintenance services as needed in connection with an IPD contract.

(7) "Public project" means any lands, buildings, structures, works, machinery, equipment, or facilities suitable for and intended for use as public property for public purposes or suitable for and intended for use in the promotion of the public health, public welfare, or public education, to the extent the boundaries of an agency and a school district are coterminous, or for the conservation of natural resources, including the planning of any such lands, buildings, improvements, structures, works, machinery, equipment, or facilities. "Public project" shall also include existing lands, buildings, improvements, structures, works, and facilities, as well as improvements, renovations, or additions to any such lands, buildings, improvements, structures, works, or facilities, including without limitation any sewerage facility as defined in section 30-20-401 (4), any water facility as defined in section 30-20-401 (6), any joint system as defined in section 30-20-401 (3), and any operation or maintenance programs for the operation and upkeep of such projects.

(8) "Public purposes" includes, but is not limited to, the supplying of public water services and facilities, public sewerage services and facilities, and lands, buildings, improvements, equipment, and facilities for public education, to the extent the boundaries of the agency and school district are coterminous.

Source: L. 2007: Entire part added, p. 1810, § 2, effective August 3.

30-20-1104. Integrated project delivery contracts - authorization - effect of other laws. (1) Notwithstanding any other provision of law, any agency may award an IPD contract for a public project under the provisions of this part 11 upon the determination by such agency that integrated project delivery represents a timely or cost-effective alternative for a public project.

(2) Nothing in this part 11 shall be construed as exempting any agency or participating entity from applicable federal, state, or local laws, rules, resolutions, or ordinances governing labor relations, professional licensing, public contracting, or other related laws, except to the extent that an exemption is granted under such legal authority or is created by necessary implication from such legal authority.

Source: L. 2007: Entire part added, p. 1812, § 2, effective August 3.

30-20-1105. Integrated project delivery contracting process - prequalification of participating entities - apprentice training. (1) An agency may prequalify participating entities for IPD contracts by public notice of its request for qualifications prior to the date set forth in the notice. A request for qualifications may contain the following elements and such additional information as may be requested by the agency:

(a) A general description of the proposed public project;

(b) Relevant budget considerations;

(c) Requirements of the participating entity, including:

(I) If the participating entity is a partnership, limited partnership, limited liability company, joint venture, or other association, a listing of all of the partners, general partners, members, joint venturers, or association members known at the time of the submission of qualifications;

(II) Evidence that the participating entity, or the constituent entities or members thereof, has completed or has demonstrated the experience, competency, capability, and capacity, financial and otherwise, to complete projects of similar size, scope, or complexity;

(III) Evidence that the proposed personnel of the participating entity have sufficient experience and training to completely manage and complete the proposed public project; and

(IV) Evidence of all applicable licenses, registrations, and credentials required to provide the proposed services for the public project, including but not limited to information on any revocation or suspension of any such license, registration, or credential.

(d) The criteria for prequalification.

(2) From the participating entities responding to the request for qualifications, the agency shall prepare and announce a short list of participating entities that it determines to be most qualified to receive a request for proposal.

(3) Where an apprentice training program certified by the office of apprenticeship located in the employment and training administration in the United States department of labor exists in the county, or a comparable program for the training of apprentices is available in the county:

(a) Each participating entity shall demonstrate to the agency that it has access to either the certified program or a comparable alternative; and

(b) Each participating entity shall demonstrate that each of its subcontractors, at any tier, selected to perform work under a contract with a value of two hundred fifty thousand dollars or more has access to either the certified program or a comparable alternative.

Source: L. 2007: Entire part added, p. 1812, § 2, effective August 3.

30-20-1106. Requests for proposals - evaluation and award of integrated project delivery contracts. (1) An agency shall prepare and publish a request for proposals for each IPD contract that may contain the following elements and such other elements as may be requested by the agency:

(a) The procedures to be followed for submitting proposals;

(b) The criteria for evaluation of a proposal, which criteria may provide for selection of a proposal on a basis other than solely the lowest costs estimates submitted;

(c) The procedures for making awards;

(d) Required performance standards as defined by the participating entity;

(e) A description of the drawings, specifications, or other submittals to be provided with the proposal, with guidance as to the form and the acceptable level of completion of the drawings, specifications, or submittals;

(f) Relevant budget considerations or, for an IPD contract that includes operation or maintenance services, the life-cycle cost analysis for the contract;

(g) The proposed scheduling for the project; and

(h) The stipend, if any, to be paid to participating entities responding to the request for proposals who appear on the agency's short list pursuant to section 30-20-1105 (2) but whose proposals are not selected for award of the IPD contract.

(2) After obtaining and evaluating proposals according to the criteria and procedures set forth in the request for proposals in accordance with the requirements specified in subsection (1) of this section, an agency may accept the proposal that, in its estimation, represents the best value to the agency. Acceptance of a proposal shall be by written notice to the participating entity that submitted the accepted proposal.

(3) With respect to performance under each IPD contract, the agency and participating entity shall comply with all laws applicable to public projects.

(4) Notwithstanding any other provision of law, a participating entity selected for award of an IPD contract is not required to be licensed or registered to provide professional services as defined in section 24-30-1402 (6), C.R.S., if the person or firm actually performing any such professional services on behalf of the participating entity is appropriately licensed or registered and if the participating entity otherwise complies with applicable state licensing laws and requirements related to such professional services.

Source: L. 2007: Entire part added, p. 1813, § 2, effective August 3.

30-20-1107. Supplemental provisions. The governing body of an agency may establish supplemental provisions that are designed to implement the provisions of this part 11.

Source: L. 2007: Entire part added, p. 1814, § 2, effective August 3.

30-20-1108. Types of contracts. Subject to the requirements of this section, an agency making use of the provisions of this part 11 may award any type of contract that will promote the best interests of the agency; except that the use of a cost-plus-a-percentage-of-cost contract under this part 11 is prohibited. An agency may award a cost-reimbursement contract only when a determination is made in writing that such contract is either likely to be less costly to the agency than any other type of contract or that it is impracticable to obtain the required construction or other services authorized under this part 11 unless the cost-reimbursement contract is used. Operation and maintenance elements may be procured on a cost-reimbursement basis under or in connection with an IPD contract.

PART 12

RURAL CLEAN ENERGY PROJECT FINANCE PROGRAM

30-20-1201. Short title. This part 12 shall be known and may be cited as the "Rural Clean Energy Project Finance Program Act".

Source: L. 2008: Entire part added, p. 1315, § 3, effective May 27.

30-20-1202. Definitions. As used in this part 12, unless the context otherwise requires:

(1) "Board" means the board of county commissioners of a county or a city and county.
(2) "Clean energy" means energy derived from biomass, as defined in section 40-2-124 (1) (a) (I), C.R.S., geothermal energy, solar energy, small hydroelectricity, and wind energy, as well as any hydrogen derived from any of the foregoing.

(3) "Cooperative electric association" shall have the same meaning as set forth in section 40-9.5-102, C.R.S.

(4) "Eligible applicant" means an individual property owner or a group of property owners that do not own the entirety of a cooperative electric association and that seek to construct, expand, or upgrade an eligible clean energy project located or to be located on the applicant's property.

(5) "Eligible clean energy project" means a project owned by an eligible applicant that produces or transmits clean energy for public benefit only, has a nameplate rating of no more than fifty megawatts and is not a part of a larger project with a nameplate rating of more than fifty megawatts, and is located within the certificated service area of a cooperative electric association. "Eligible clean energy project" includes transmission lines to the point of entry to the power grid of a cooperative electric association, a generation and transmission electric corporation or association, or any federal agency and any other equipment or facility, including, but not limited to, substation upgrades needed to deliver the clean energy produced by an eligible clean energy project to a market.

Source: L. 2008: Entire part added, p. 1315, § 3, effective May 27.

30-20-1203. Eligible clean energy project financing - county approval - private activity bond financing. (1) An eligible applicant may apply to the board of the county or city and county in which it proposes to construct, expand, or upgrade an eligible clean energy project for assistance in the financing of the project. Subject to the requirements and limitations specified in federal law, the "Colorado Private Activity Bond Ceiling Allocation Act", part 17 of article 32 of title 24, C.R.S., and subsection (2) of this section, if the board approves the application, it may provide financing assistance by issuing tax-exempt private activity bonds in a minimum amount of one million dollars on behalf of the eligible applicant.

(2) A board shall issue tax-exempt private activity bonds on behalf of an eligible applicant to finance an eligible clean energy project subject to the following requirements and limitations:

(a) The board shall enter into agreements with the eligible applicant under which:

(I) The board agrees to loan to the eligible applicant the net proceeds of the bonds issued so that the eligible applicant can finance all or a portion of the eligible clean energy project; and

(II) The eligible applicant agrees that it has the sole responsibility to pay, either directly or indirectly through the board or a bond trustee, all financial obligations owed to bondholders and that it shall provide and maintain any reserve deemed necessary by the board to ensure that the financial obligations are paid;

(b) The bonds issued shall specify that bondholders may not look to any county or city and county revenues for repayment of the bonds. The bonds shall further specify that the only sources of repayment for the bonds are revenues provided by the eligible applicant, property of the eligible applicant, or credit enhancement obtained by the eligible applicant that may be pledged to the payment of the bonds; and

(c) The repayment term for the bonds issued shall not exceed ten years.

(3) Because private activity bonds are payable only from the sources specified in paragraph (b) of subsection (2) of this section, such bonds shall not be deemed to create county or city and county indebtedness or a multiple-fiscal year obligation within the meaning of any provision of the state constitution or the laws of this state, and a board may issue such bonds without voter approval.

(4) The rates charged by an eligible applicant for the delivery of clean energy produced by an eligible clean energy project shall be set to allow recovery of all costs necessarily incurred to deliver the clean energy to a market, including, but not limited to, the costs of substation upgrades, transmission lines to the point of entry to the power grid of a cooperative electric association, and any wheeling charges imposed by a cooperative electric association.

PART 13

FEDERAL MINERAL LEASE DISTRICTS

30-20-1301. Short title. This part 13 shall be known and may be cited as the “Federal Mineral Lease District Act”.

Source: L. 2011: Entire part added, (HB 11-1218), ch. 169, p. 580, § 1, effective May 9.

30-20-1302. Legislative declaration. (1) The general assembly hereby finds, determines, and declares that it is committed to making sure that all available funding received from federal mineral leasing and distributed as specified in section 34-63-102 (5.4) (c), C.R.S., is used to alleviate social, economic, and public finance impacts resulting from the development of natural resources in this state, subject to the limitations provided for in the federal act.

(2) The general assembly further finds and declares that the purpose of this legislation is to maximize the long-term benefit of funding derived from federal mineral leasing by authorizing the creation of federal mineral lease districts as funding and service delivery mechanisms, which will, consistent with sound financial practices, result in the greatest use of financial resources for the greatest number of citizens of this state, with priority given to those communities designated as impacted by the development of natural resources covered in the federal act.

(3) The general assembly further finds and declares that federal mineral lease districts provide an effective mechanism to expedite the distribution of funding, without the use or

increase of ad valorem and other taxes, to those communities designated as impacted by the development of natural resources covered by the federal act.

Source: L. 2011: Entire part added, (HB 11-1218), ch. 169, p. 580, § 1, effective May 9. **L. 2012:** Entire section amended, (SB 12-031), ch. 84, p. 275, § 1; effective April 6.

30-20-1303. Definitions. As used in this part 13, unless the context otherwise requires:

(1) “County” means a home rule or statutory county in this state and includes a city and county.

(1.5) “Distribute” means to grant, loan, commit, or otherwise expend available funding to achieve the purposes of the district consistent with this part 13.

(2) “District” means a federal mineral lease district created pursuant to this part 13.

(2.5) “Federal act” means section 35 of the federal “Mineral Lands Leasing Act” of February 25, 1920, as amended.

(3) “Funding” means the direct distribution of moneys from the local government mineral impact fund to counties as described in section 34-63-102 (5.4) (c), C.R.S.

(4) “Resolution” means a resolution initiated and adopted by a board of county commissioners of a county to create a federal mineral lease district as described in section 30-20-1304 (2).

Source: L. 2011: Entire part added, (HB 11-1218), ch. 169 p. 581, § 1, effective May 9. **L. 2012:** (1.5) and (2.5) added, (SB 12-031), ch. 84, p. 276, § 2, effective April 6.

30-20-1304. Power to create federal mineral lease districts. (1) Except as otherwise provided in this part 13, any county may create a district, so long as the district is created through a resolution adopted as specified in subsection (2) of this section no later than June 30, 2011, and each June 1 of every year thereafter.

(2) A board of county commissioners shall create a district by duly adopting, by majority vote, a resolution to that effect, and the resolution shall set forth:

(a) The name of the county creating the district;

(b) The names of any municipalities to be included in the proposed district if such municipalities have enacted ordinances as specified in subsection (3) of this section;

(c) A description of the boundaries of the district, which may include any municipality within the county creating the district;

(d) The name of the district; and

(e) The number of directors of the district. There shall be no fewer than three directors for a district, and the total number of directors shall be an odd number.

(3) Repealed.

(4) No later than the first business day after the adoption of a resolution, the county clerk and recorder shall transmit a certified copy of the resolution to the executive director of the department of local affairs, who shall, upon receipt of the certified copy of the resolution, allocate all future funding directly to the district.

(5) A district organized pursuant to this part 13 may be dissolved by the district board after not less than fifteen days’ notice to the public is given and a hearing is held. The notice shall be published in at least one newspaper of general circulation in the county in which the district is located. After hearing any protests against or objections to dissolution, if a majority of the district board determines that it is in the best interests of all concerned to dissolve the district, the district board shall so provide by resolution, and verified copies of the resolution shall be filed within three business days with the office of the county clerk and recorder in the county in which the district is located and with the executive director of the department of local affairs. Upon such filings, the dissolution shall be complete, except that no district shall be dissolved until all funding is distributed consistent with this part 13 and has satisfied or paid in full all of its outstanding indebtedness, obligations, and liabilities.

(6) Notwithstanding any other provision in subsection (5) of this section, any board of county commissioners of a county that initiated and passed a resolution to create a district

as described in section 30-20-1304 (2) as such section existed before April 6, 2012, may, within ninety days of April 6, 2012, initiate and pass a resolution to dissolve the district. For any district dissolved pursuant to this subsection (6), all undistributed funding shall be paid over to the county.

Source: L. 2011: Entire part added, (HB 11-1218), ch. 169, p. 581, § 1, effective May 9. **L. 2012:** (2)(c), (4), and (5) amended, (3) repealed, and (6) added, (SB 12-031), ch. 84, p. 276, § 3, effective April 6.

30-20-1305. Approval of service plan. (Repealed)

Source: L. 2011: Entire part added, (HB 11-1218), ch. 169, p. 582, § 1, effective May 9. **L. 2012:** Entire section repealed, (SB 12-031), ch. 84, p. 277, § 4, effective April 6.

30-20-1305.5. Powers of a district. (1) Each district formed pursuant to this part 13 is an independent public body politic and corporate. Each district is a public instrumentality, and its exercise of the powers specified in this part 13 are deemed and held to be the performance of an essential public function. A district is not an agency of county or state government and is not subject to administrative direction by any department, commission, board, or agency of a county or the state.

(2) In addition to any other powers granted to a district by this part 13, a district has the following powers:

- (a) To sue and be sued;
 - (b) To enter into contracts and agreements including those described in section 29-1-201, C.R.S.;
 - (c) To acquire real or personal property or an interest in real or personal property;
 - (d) To sell, convey, lease, exchange, transfer, or otherwise dispose of all or any part of the district's property or assets;
 - (e) To enter into grant or loan agreements;
 - (f) In order to carry out the purposes of this part 13, to borrow money as evidenced by revenue bonds, certificates, warrants, notes, and debentures in accordance with the provisions of this part 13;
 - (g) To adopt an official seal;
 - (h) To distribute funding to an area outside the district boundaries consistent with this part 13;
 - (i) To provide services consistent with the federal act and this part 13.
- (3) A district does not have the power to levy and collect taxes or to use the power of eminent domain.

(4) Each district formed under this part 13 is subject to the "Local Government Budget Law of Colorado", part 1 of article 1 of title 29, C.R.S., and the "Colorado Local Government Audit Law", part 6 of article 1 of title 29, C.R.S.

Source: L. 2012: Entire section added, (SB 12-031), ch. 84, p. 278, § 5, effective April 6.

30-20-1306. Board of directors - appointment or election - removal.

(1) (a) (I) Except as provided in subparagraph (II) of this paragraph (a), immediately after the creation of a district, the board of county commissioners of the county shall, by majority vote, appoint a board of directors for the district. The number of directors on the board shall be as set forth in the resolution creating the district.

(II) If the board of county commissioners finds that the board of directors for the district should be elected rather than appointed, the board of county commissioners shall outline the method of such an election by duly adopting by majority vote a resolution to that effect. The election procedures shall comply with the election requirements set forth in articles 1 to 13 of title 1, C.R.S.

(b) Members of the board of directors may be county commissioners from the county that created the district, representatives of the governing body of municipalities included in the district, or other officials representing the interests of areas impacted by mineral lease activities.

(c) County commissioners serving on the board of directors, if any, shall not constitute a majority on the board of directors.

(d) The officers of the board of directors shall be the president and a secretary who shall be elected annually by the board of directors from its own members.

(e) (I) Members of the board of directors shall serve staggered terms so that not more than one director's term expires in any one year, and thereafter terms shall be for three years each, and each term shall commence on January 15.

(II) Notwithstanding subparagraph (I) of this paragraph (e), every board of county commissioners of a county that initiated and passed a resolution to create a district as described in section 30-20-1304 (2) as such section existed before April 6, 2012, shall, within ninety days of April 6, 2012, pass a resolution fixing the initial terms of all existing directors. The resolution shall designate at least one director whose initial term shall expire on January 15, 2013, at least one director whose initial term shall expire on January 15, 2014, and at least one director whose initial term shall expire on January 15, 2015. Successor directors shall serve three year terms.

(2) (a) Each director shall hold office until the expiration of the term to which such director is appointed or elected or until a successor has been duly appointed or elected.

(b) Vacancies on the board of directors shall be filled by a majority vote of the board of county commissioners.

(c) The board of county commissioners of the county may remove any director for official misconduct, incompetence, neglect of duty, or other good cause shown, so long as the removal occurs after the director in question is given notice and an opportunity to be heard before the board of county commissioners at a public hearing.

(3) All special and regular meetings of the board of directors for a district shall be held pursuant to part 4 of article 6 of title 24, C.R.S.

Source: L. 2011: Entire part added, (HB 11-1218), ch. 169, p. 582, § 1, effective May 9. **L. 2012:** Entire section amended, (SB 12-031), ch. 84, p. 279, § 6, effective April 6.

30-20-1307. Board of directors - powers and duties. (1) (a) Except as otherwise provided in paragraph (b) of this subsection (1), the board of directors of a district shall distribute all of the funding the district receives from the department of local affairs to areas that are socially or economically impacted, either directly or indirectly, by the development, processing, or energy conversion of fuels and minerals leased under the federal act.

(b) The board of directors may use up to ten percent of the annual funding for any administrative costs of the district.

(c) Notwithstanding any other provision of this part 13, the board of directors of a district may reserve all or a portion of the funding for use in subsequent years.

(2) The board of directors may review any reports or studies made and may seek any additional reports or studies it deems necessary regarding the distribution of funding in the district.

(3) The board of directors may cooperate or contract with any other district to provide any function or service lawfully authorized to each of the cooperating or contracting districts, including the sharing of costs, only if the cooperation or contracts are authorized by each district with the approval of each district's board of directors. Any contract providing for the sharing of costs may be entered into for any period, not to exceed the existence of the district and notwithstanding any provision of law limiting the length of any financial contracts or obligations of governments. Any such contract shall set forth fully the purposes, powers, rights, obligations, and responsibilities, financial and otherwise, of the contracting parties. Where other provisions of law provide requirements for special types of intergovernmental contracting or cooperation, those special provisions shall control.

(4) The board of directors may exercise any of the powers set forth in section 30-20-1305.5.

Source: L. 2011: Entire part added, (HB 11-1218), ch. 169, p. 583, § 1, effective May 9. **L. 2012:** Entire section amended, (SB 12-031), ch. 84, p. 280, § 7, effective April 6.

ARTICLE 24

County Agricultural Research

30-24-101.	Legislative declaration.	30-24-103.	Appropriation.
30-24-102.	Authority of county commissioners.	30-24-104.	County agricultural fund.

30-24-101. Legislative declaration. Agricultural crop and livestock producers are constantly faced with the problem of new insects, diseases, depletion of soil fertility, lack of information as to market demands and preferences, and of other distributive practices. Some counties have need for more research work than others. Such counties, if placed in a position to provide for agricultural research work with laboratory facilities, management, and some labor, would be able to cooperate with the technical personnel of the state and federal research agencies and better meet these local demands for research work.

Source: L. 41: p. 88, § 1. **CSA:** C. 5, § 105. **CRS 53:** § 6-6-1. **C.R.S. 1963:** § 6-6-1.

30-24-102. Authority of county commissioners. (1) For the purposes set forth in this article, the boards of county commissioners of the several counties of the state are authorized to:

- (a) Purchase or rent land for use in county agricultural research work;
- (b) Purchase or rent laboratory facilities for use in county agricultural research work;
- (c) Purchase or rent laboratory equipment and supplies for use in county agricultural research work;
- (d) Employ such management and common labor as they consider necessary to provide for the proper efficiency of the county agricultural research work;
- (e) Make provision for a county agricultural research advisory committee, to serve without compensation, composed of members representing the different agricultural groups in the county and elected by such agricultural groups under such procedure and policy as the board of county commissioners may determine;
- (f) Enter into cooperative agreements with the boards of county commissioners of other counties to economically carry out the purposes of this article;
- (g) Enter into cooperative agreements with the board of governors of the Colorado state university system for the assistance of Colorado state university, including all of its agencies, in the developing and financing of the projects to be included in the operations of the county agricultural research work each year;
- (h) Enter into cooperative agreements through Colorado state university with the proper federal research agencies.

PART 1

FISCAL PROCEDURES

30-25-101. Budgeting - appropriations - fiscal procedures. The provisions of part 1 of article 1 of title 29, C.R.S., shall govern budgeting, appropriations, and fiscal procedures of each county in this state.

Source: L. 1891: p. 111, § 1. R.S. 08: § 1215. C.L. § 8692. CSA: C. 45, § 39. CRS 53: § 36-2-1. C.R.S. 1963: § 36-2-1. L. 77: Entire section R&RE, p. 1441, § 2, effective June 9.

ANNOTATION

The intent of the former section was concisely stated in the title, as "An act to require the affairs of the counties of this state to be conducted from the revenues derived from taxation, and to prevent the expenses of any county from exceeding its revenues", and it must be accepted and enforced as it read, as the courts have no right to add to or take from its plain and positive provisions. *Bd. of Comm'rs v. Hampson*, 24 Colo. 127, 48 P. 1101 (1897).

And the evident purpose of that section was to compel the board in the last quarter of the fiscal year to consider and decide with great care the levy which should be made and the objects to which the moneys which might be realized from it should be put, in other words, the general assembly intended to compel the board of county commissioners to particularize the purposes to which the moneys should be applied, and by this means all subsequent diversion of the public funds to illegal uses because of personal, political, or other considerations, was substantially prevented. *Beshoar v. Bd. of Comm'rs*, 7 Colo. App. 444, 43 P. 912 (1896).

A record is not always required to render the proceedings of the board of county commissioners binding. *Mugrage v. People*, 26 Colo. App. 27, 141 P. 522 (1914).

And where question arises as to a board's action a liberal discretion should be exercised in receiving evidence of the attending circumstances, to aid in ascertaining the real purpose of what is set down. *Mugrage v. People*, 26 Colo. App. 27, 141 P. 522 (1914).

Duty directory. Under the former section, it was the duty of the board to make the levy so that the assessor could certify the tax list and

warrant to the treasurer on or before the first of January, but a failure of the commissioners, or the assessor, to do either within the time specified, in no manner affected the taxpayer and was directory. *Tallon v. Vindicator Consol. Gold Mining Co.*, 59 Colo. 316, 149 P. 108 (1915).

Treasurer not responsible for omissions of board. Where the only resolution of the board which could be termed an appropriation, directed levies upon the taxable property, as follows: "For State Purposes, 4 mills; for County Redemption Fund, 5 mills; for County General Revenue, 10 mills; for Road Fund, 4 mills; for General School Fund, 4 mills — the same to be extended on the tax roll by the county assessor, and by him certified to the county treasurer for collection.", it was held that warrants regularly issued for unquestioned obligations of the county, and paid by the treasurer were to be credited to him in his account, in spite of the absence of any formal appropriation resolution, such as required by the former section, and that the treasurer shall not be penalized for the omissions of the governing body of the county. *Mugrage v. People*, 26 Colo. App. 27, 141 P. 522 (1914).

The holder of a valid warrant issued by a city for current expenses of a fiscal year is entitled to be paid out of the revenues of that year, appropriated for that purpose, because this is a part of the contract by virtue of the former section, and to hold that his rights thus fixed would be subject to the payment of warrants issued in previous years would impair the obligation of his contract. *Ostling v. People ex rel. Bantley*, 57 Colo. 22, 140 P. 173 (1914).

Applied in *Beacom v. Bd. of County Comm'rs*, 657 P.2d 440 (Colo. 1983).

30-25-102. County expenditures limited. (Repealed)

Source: L. 1891: p. 111, § 2. R.S. 08: § 1216. C.L. § 8693. CSA: C. 45, § 40. CRS 53: § 36-2-2. C.R.S. 1963: § 36-2-2. L. 77: Entire section repealed, p. 1441, § 3, effective June 9.

30-25-103. No liability against county beyond appropriation. No contract shall be made by the board of county commissioners of any county, and no liability against the county shall be created by any officer of the county, whether the object of the expenditure has been ordered by the board of county commissioners or not, unless an appropriation shall have been previously made concerning such expense. Each member of the board of county commissioners and other officers of the county who undertake to create any liability against the county, except such as they are by statute required to do, shall be personally liable and, together with the sureties upon their official bonds, shall be held for such indebtedness.

Source: L. 1891: p. 112, § 3. R.S. 08: § 1217. C.L. § 8694. CSA: C. 45, § 41. CRS 53: § 36-2-3. C.R.S. 1963: § 36-2-3.

ANNOTATION

Rental payments. Where there was no appropriation providing for the rental of a building for county use for 25 years (the full term of the lease), and it was contended that for the reason the lease is void, this contention cannot be upheld, because the rent is to be paid monthly, and it is a current expense and is to be provided for, the same as the other current expenses, by annual levy and appropriation. *Leadville Illuminating Gas Co. v. City of Leadville*, 9 Colo. App.

400, 49 P. 268 (1897); *City of Denver v. Hubbard*, 17 Colo. App. 346, 68 P. 993 (1902); *Heberer v. Bd. of Comm'rs*, 88 Colo. 159, 293 P. 349 (1930).

Representations sheriff made to his deputies and clerks regarding cash compensation for overtime were made without approval of the board and, thus, are not binding on the county or the board. *Johnson v. Bd. of County Comm'rs*, 676 P.2d 1263 (Colo. App. 1984).

30-25-104. Judgment against a county, how paid - tax levy. (1) When a judgment is given and rendered against a county of this state in the name of its board of county commissioners or against any county officer in an action prosecuted by or against him in his official capacity or name of office, when the judgment is for money and is a lawful county charge, no execution shall issue thereon, but the same may be paid by the levy of a tax upon the taxable property of said county. When the tax is collected by the county treasurer, it shall be paid over, as fast as collected by him, to the judgment creditor, or his assigns, upon the execution and delivery of proper vouchers therefor; but nothing in this section shall operate to prevent the board of county commissioners from paying any such judgment by a warrant drawn by them upon the ordinary county fund in the county treasury. The power conferred to pay such judgment by a special levy of such tax shall be held to be in addition to the taxing power given and granted to such board to levy taxes for other county purposes. The board of county commissioners shall levy under this law such taxes as shall be sufficient to discharge such judgment in the next fiscal year; but in no event shall such annual levy exceed a total of ten mills for one or more judgments exclusive of mill levies for other county purposes. The board of county commissioners shall continue to levy such taxes, not to exceed a total of ten mills annually, exclusive of mill levies for other county purposes, but in no event less than ten mills if such judgment will not be discharged by a lesser levy until such judgment is discharged.

(2) Any and all taxes levied to pay the last payment upon or to pay any such judgment shall be valid, whether the sum sought to be raised thereby exceeds the sum due on such judgment, principal and interest or not; but such excess of the sum required shall not exceed a sum equal to ten percent of such required sum, and no sale of real estate made to make such taxes shall be invalid by reason of such excess, if the same is within the above specified limit. All levies to pay judgments shall be made as near as possible to raise a sum equal to that due on the judgment, for which payment the tax is levied; but, nevertheless, any excess levied, if such does not exceed the said ten percent of the sum due and desired to be paid, shall not invalidate any tax levy upon or tax sale of real or personal estate made to raise, make, or collect the said sum due and excess.

Source: G.L. § 435. G.S. § 527. L. 1887: p. 240, § 1. R.S. 08: § 1183. C.L. § 8664. CSA: C. 45, § 7. CRS 53: § 36-2-4. C.R.S. 1963: § 36-2-4. L. 71: p. 1212, § 5.

ANNOTATION

I. General Consideration.

II. Mandamus to Compel Payment.

I. GENERAL CONSIDERATION.

Board obligated to act. Before a county treasurer is authorized to pay a judgment against the county in either of the ways mentioned in this section the board of county commissioners shall take some action in the matter. *Stoddard v. Benton*, 6 Colo. 508 (1883).

It is for the board to determine how far the county will defend against the claim which has been prosecuted to judgment against it. *Stoddard v. Benton*, 6 Colo. 508 (1883).

And the county commissioners can not be deprived of their option to pay the judgment against the county by a warrant drawn on the county fund or of their discretion as to levying a special tax, by a mandamus compelling them to levy a tax to pay the judgment. *Bd. of Comm'rs v. King*, 67 F. 202 (8th Cir. 1895); *Stryker v. Bd.*

of Comm'rs, 77 F. 567 (8th Cir. 1896); King v. Bd. of Comm'rs, 77 F. 583 (8th Cir. 1896).

The effect of this section is not to leave it discretionary with the board of commissioners to say whether or not a judgment against a county should ever be paid, but should be construed as leaving it to the discretion of the board to pay a judgment either by levying the tax or by warrant drawn on the ordinary county fund, when the judgment can be paid by warrant, but if it cannot be paid by warrant on the ordinary fund the special tax must be levied. *People ex rel. Reynolds v. Bd. of Comm'rs*, 11 Colo. App. 124, 52 P. 748 (1898).

Thus discretion as to the levy of the tax is vested in the board of county commissioners, because they are charged with the administration of the affairs of the county, and familiar with its financial resources and its needs and the condition of its taxpayers. *Bd. of Comm'rs v. King*, 67 F. 202 (8th Cir. 1895).

The authority to issue a warrant at once instead of levying a tax contemplated the presence in the treasury of money applicable to the payment of the judgment, and unless there was money in the treasury to meet the warrant its issuance was unauthorized and the board of commissioners had no alternative except to levy the tax, and the warrants thus issued and received by plaintiff constituted no payment of the judgment. *People ex rel. Reynolds v. Bd. of Comm'rs*, 11 Colo. App. 124, 52 P. 748 (1898).

In all statutes of this description, the word "may" is interpreted to mean "must", and the permission is regarded equivalent to a mandate wherever the public interests or the rights of third persons are concerned, the discretion only exists where there are no third parties, either the public or persons, to be injuriously affected by its exercise. *People ex rel. Rollins v. Bd. of Comm'rs*, 7 Colo. App. 229, 42 P. 1032 (1895).

II. MANDAMUS TO COMPEL PAYMENT.

Unless forbidden by statute, mandamus lies to compel the levy of taxes to pay judgments against a county. *Bd. of Comm'rs v. Schradsky*, 43 Colo. 84, 95 P. 312 (1908).

And when there is no fund in the treasury applicable to the payment of a judgment against a county, the judgment creditor is, upon the refusal of the board of county commissioners to levy a tax for the payment of the judgment, entitled to peremptory mandamus to compel them to levy one for that purpose. *People ex rel. Rollins v. Bd. of Comm'rs*, 7 Colo. App. 229, 42 P. 1032 (1895).

So also in case the commissioners delay, or refuse to make provision for payment of a judgment against a county, a writ of mandamus

will lie to compel them to act. *Stoddard v. Benton*, 6 Colo. 508 (1883).

It is also the proper proceeding to compel an officer to pay warrants drawn on a special fund who refuses to pay, but to make the remedy available, proof must be made that the officer has funds in his hands available for the purpose. *Hockaday v. Bd. of County Comm'rs*, 1 Colo. App. 362, 29 P. 287 (1892).

And a petition for a mandamus is to be construed in the same way and subject to the general rules applied in the construction of an ordinary complaint, but the certainty to a certain intent in every particular is no longer a prerequisite. Substantial accuracy is all that is necessary. *People ex rel. Rollins v. Bd. of Comm'rs*, 7 Colo. App. 229, 42 P. 1032 (1895).

Also since the merger of a debt into a judgment changes its form, but not its identity when the judgment is presented to a court for affirmative action, and is sought to be collected by a process not contained within itself, the court will look behind the judgment in order to ascertain from the nature of the original claim what method may be adopted for its enforcement. *Bd. of Comm'rs v. People ex rel. New Hampshire Sav. Bank*, 16 Colo. App. 215, 64 P. 675 (1901).

Conclusiveness of judgment. In an action for mandamus to compel the board of county commissioners to levy a tax to pay a judgment against a county the judgment is conclusive of all questions which were or might have been litigated in the suit. *People ex rel. Reynolds v. Bd. of Comm'rs*, 11 Colo. App. 124, 52 P. 748 (1898).

No collateral attack. In mandamus proceeding against a board of county commissioners, the judgment must be accepted as a verity, it cannot be collaterally attacked, and it must be assumed to represent an honest debt, regularly contracted, fairly and honestly put into collectible form. *People ex rel. Rollins v. Bd. of Comm'rs*, 7 Colo. App. 229, 42 P. 1032 (1895).

Insufficient cause of action stated. In an action of mandamus to compel a board of county commissioners to levy a tax to pay a judgment against the county where the petition shows that the judgment was rendered upon county warrants, the relator must make the same showing that he would have to make if the action had been brought upon the warrants, and unless the petition shows that the board has failed to levy the tax it was required by law to levy to pay such warrants, it fails to state a cause of action, and it is not sufficient to allege that the board has failed and refused to levy a tax to pay the judgment. *Bd. of Comm'rs v. People ex rel. New Hampshire Sav. Bank*, 16 Colo. App. 215, 64 P. 675 (1901).

When no issue has been made as to the capacity of the county to contract the indebtedness, it seems to be doubtful whether a judg-

ment against a county on a void obligation can be enforced in any form. *Wilder v. Bd. of County Comm'rs*, 41 F. 512 (D. Colo. 1890).

30-25-105. County general fund. A fund to be known as the county general fund is hereby created and established in each of the counties of the state of Colorado. The county general fund shall consist of all county revenue except that specifically allocated by law for other purposes.

Source: L. 51: p. 294, § 1. CSA: C. 45, § 7(1). CRS 53: § 36-2-5. C.R.S. 1963: § 36-2-5.

30-25-106. Fund - purposes. (1) The board of county commissioners is authorized to appropriate money from the county general fund for all ordinary county expenses, including the administrative expenditures of elective and appointive offices, library, agricultural extension service, fire protection, fairs, advertising, airports, health, rodent control, water conservation, weed control, pest control, predatory animal control, and all other general county purposes authorized by law, except expenditures for public welfare, roads and bridges, debt service, public hospitals, public works, contingencies, and purposes voted by the electors.

(2) The board of county commissioners is authorized to appropriate money from the general fund derived from federal payment in lieu of taxes to public school districts containing lands from which the payment is derived.

Source: L. 51: p. 294, § 2. CSA: C. 45, § 7(2). CRS 53: § 36-2-6. C.R.S. 1963: § 36-2-6. L. 79: Entire section amended, p. 1152, § 1, effective June 7.

ANNOTATION

Funding for roads and bridges shall be from a special levy for roads and bridges, together with moneys from state or federal governments for expenditures on roads and bridges, and other moneys which may become available for roads and bridges, except money from the general fund. *City of Greeley v. Bd. of County Comm'rs*, 644 P.2d 76 (Colo. App. 1981).

The conflict between this section and § 29-1-111.5, if any, must be resolved in favor of the specific prohibition on roads and bridges found in this section. *City of Greeley v. Bd. of County Comm'rs*, 644 P.2d 76 (Colo. App. 1981).

Subsection (1) specifically prohibits the transfer of county general fund money for expenditures for roads and bridges. *City of Colo. Springs v. Bd. of County Comm'rs*, 648 P.2d 671 (Colo. App. 1982).

This section makes any money contained in the county general fund unavailable for road and bridge use. *City of Aurora v. Bd. of County Comm'rs*, 902 P.2d 375 (Colo. App. 1994), aff'd, 919 P.2d 198 (Colo. 1996).

30-25-107. Contingent fund. The board of county commissioners is authorized to establish a contingent fund to provide for expenditures caused by an act of God, or the public enemy, or some contingency that could not have been reasonably foreseen at the time of adoption of the budget, to redeem outstanding warrants lawfully issued, and shall fix rates of levy annually for such fund.

Source: L. 51: p. 295, § 4. CSA: C. 45, § 7(3). CRS 53: § 36-2-7. C.R.S. 1963: § 36-2-7.

30-25-108. Board to examine county orders. The board of county commissioners, at its January and July sessions of each year, or oftener if necessary, shall carefully examine the county orders returned by the county treasurer by comparing each order with the record of orders in the clerk's office. It shall cause to be entered on said record, opposite to the entry of each order issued, the date when the same was canceled.

Source: G.L. § 467. G.S. § 550. R.S. 08: § 1237. C.L. § 8714. CSA: C. 45, § 61. CRS 53: § 36-2-8. C.R.S. 1963: § 36-2-8.

30-25-109. Allowance of accounts. No account shall be allowed by the board of county commissioners unless the same is made out in separate items, and the nature of each item stated, and where no specified fees are allowed by law the time actually and necessarily devoted to the performance of any service charged in such account shall be specified. Nothing in this section shall be construed to prevent any such board from disallowing any account, in whole or in part, when so rendered nor from requiring any other or further evidence of the truth and propriety thereof as it may think proper.

Source: G.L. § 462. G.S. § 545. R.S. 08: § 1219. C.L. § 8696. CSA: C. 45, § 43. CRS 53: § 36-2-9. C.R.S. 1963: § 36-2-9. L. 71: p. 333, § 1.

ANNOTATION

This section and section 30-25-110 have no application to actions to recover money paid for taxes illegally assessed. Bd. of Comm'rs v. Kipp Sheep Co., 87 Colo. 288, 288 P.413 (1930); Boyer Bros. v. Bd. of Comm'rs, 87 Colo. 275, 288 P. 408 (1930).

Bill in compliance. A bill which stated an indebtedness claimed as "To transcribing that part of the records of the former county of Arapahoe affecting the present county of Adams as follows, General Real Estate Records,

311,419 folios at 10 cents \$31,141.90" was not held in compliance with this section. Uzzell v. Lunney, 46 Colo. 403, 104 P. 945 (1909).

Oath to required affidavit may be administered by a deputy county clerk. Roberts v. People, 9 Colo. 458, 13 P. 630 (1886).

This section did not allow compensation to a coroner who held no inquest. McGovern v. Bd. of Comm'rs, 54 Colo. 411, 131 P. 273 (1913).

30-25-110. Claims presented to board - when - how paid. (1) Any claim or demand held by any person against a county shall be presented for audit and allowance to the board of county commissioners of the proper county, in due form of law, before an action in any court shall be maintainable thereon, and all claims, when allowed, shall be paid by a county warrant or order, drawn by said board on the county treasury, upon the proper fund in the treasury, for the amount of such claim. It is the duty of the board of county commissioners to ensure that all warrants and orders issued on or after April 2, 1998, are drawn upon the proper fund in the treasury and that there are sufficient moneys in said fund. Such warrant or order shall be signed by the chairperson of the board, permanent or temporary, and attested by the county clerk and recorder, and said warrant or order shall specify the amount and value of the claim or service for which it is issued and be numbered and dated in the order in which it is issued.

(2) The general county fund shall be known and designated on the books of the county treasury as the "county general fund", and the general road fund shall be known and carried on the books of said county treasury as the "county road and bridge fund". Such warrants and orders, payable on demand, shall be drawn and issued upon the county treasurer, or against any funds in his hands, only when at the time of drawing and issuing the same there shall be sufficient moneys in the appropriate fund in the treasury to pay such warrants and orders. Whenever there are no moneys in the county treasury of a county to the credit of the proper fund to meet and defray the necessary expenses of the county, it is lawful for the board of county commissioners of such county to provide that county warrants and orders of such county may be drawn and issued against and in anticipation of the collection of taxes already levied for the payment of such expenses to the extent of eighty percent of the total amount of the taxes levied. Warrants and orders so drawn and issued under the provisions of this section shall show upon their faces that they are payable solely from the fund upon which the same are drawn and the taxes levied to form the same when collected and not otherwise.

(3) County warrants and orders may be in such form as the board of county commissioners may provide and may be made payable to the order of the payee or to the bearer.

The board of county commissioners may direct the treasurer to pay by electronic transfer any written authorization issued by the board for electronic payment of claims against the county. For purposes of this section, "order" means all orders and authorizations issued by the board of county commissioners for the payment of claims against the county. "Order" includes any check issued by the board of county commissioners and any written authorization issued by the board of county commissioners directing the treasurer to make payment of claims against the county by electronic transfer.

(4) The person to whom such last-named warrants and orders are allowed and delivered shall be held to have accepted the same in full payment and satisfaction of the claim for which the same were issued; and the obligations of said warrants are limited as stated; and said warrants shall be paid only from the fund drawn upon and the taxes levied, appropriated, collected, or paid into the county treasury to create, constitute, and form said fund. The taxes provided by law therefor shall be credited to said fund until all warrants drawn shall be fully paid, satisfied, and discharged, both principal and interest. Said limited and last-named warrants and orders shall not operate as a debt of said county and shall not be held to add to or increase the debt or indebtedness of said county.

Source: G.L. § 463. G.S. § 546. L. 1887: p. 241, § 2. R.S. 08: § 1220. C.L. § 8697. CSA: C. 45, § 44. CRS 53: § 36-2-10. C.R.S. 1963: § 36-2-10. L. 71: p. 1213, § 5. L. 98: (1) and (3) amended, p. 151, § 5, effective April 2.

Cross references: For creation of the "county road and bridge fund", see § 43-2-202.

ANNOTATION

This section is constitutional. People ex rel. v. Austin, 11 Colo. 134, 17 P. 485 (1887).

Purpose of section is to give the county an opportunity to pay a claim before being required to defend against it in court. Tisdell v. Bd. of County Comm'rs, 621 P.2d 1357 (Colo. 1980).

The procedures set forth in this section are mandatory. When one county seeks financial relief from another county for housing the second county's prisoner during criminal proceedings, legal action for civil relief may not be initiated until the procedures set forth in this section have been followed. Intervention in a criminal case to seek civil relief is not permitted absent truly exceptional circumstances. People v. Hood, 867 P.2d 203 (Colo. App. 1993).

Claim to audit prerequisite to suit to enforce. If the claim here sued upon is a legal liability of the county, plaintiff is not entitled to maintain an action in court to enforce it, unless he previously presented the demand to its board of commissioners for audit and allowance and the same had been disallowed. Bd. of Comm'rs v. Locke, 2 Colo. App. 508, 31 P. 351 (1892); Bd. of Comm'rs v. Bloom, 14 Colo. App. 187, 59 P. 417 (1899); Gregg v. Bd. of Comm'rs, 32 Colo. 357, 76 P. 376 (1904); City & County of Denver v. Bottom, 44 Colo. 308, 98 P. 13 (1908); Mitchell v. Bd. of Comm'rs, 112 Colo. 582, 152 P.2d 601 (1944); Calahan v. County of Jefferson, 163 Colo. 212, 429 P.2d 301 (1967).

This presentment statute does not apply to a court's order designating the source of payment for services to be rendered by a facility pursuant to a court's custodial orders, but the facility

must still comply with the presentment statute prior to seeking enforcement of liability for an actual claim. Heim v. District Court, 195 Colo. 107, 575 P.2d 850 (1978).

And in an action begun before a court of record this fact must be alleged in the complaint, and in an action begun before a justice of the peace and appealed from the county court to the supreme court upon an agreed statement of facts, the statement had to show that the claim was presented to the board before action was begun in order to sustain a judgment against the county. Beenev v. Irwin, 6 Colo. App. 66, 39 P. 900 (1895); Parks v. Hays, 11 Colo. App. 415, 53 P. 893 (1898); Bd. of Comm'rs v. Phye, 27 Colo. 107, 59 P. 55 (1899); City & County of Denver v. Bottom, 44 Colo. 308, 98 P. 13 (1908).

The statute of limitations is tolled between the time a claim is presented and the time it is acted upon by the county where there is no suggestion that contractor failed to prosecute its claims in good faith and with diligence. CAMAS Colo., Inc. v. Bd. of County Comm'rs, 36 P.3d 135 (Colo. App. 2001).

Objection in supreme court. An objection that a claim against a county was not presented to the board of county commissioners for audit and allowance before suit was brought thereon may be raised for the first time in the supreme court. Bd. of Comm'rs v. Phye, 27 Colo. 107, 59 P. 55 (1899).

It does not lie with plaintiff, after he sues the county, to say that his claim is not a charge upon the general county fund, and

therefore not one that the county board can provide for because if he thought the claim was a specific charge upon a special fund created by law and placed in the hands of the county treasurer for liquidating the same, he should not have sued the county, but proceeded directly, in an appropriate action, against the county treasurer. *Gregg v. Bd. of Comm'rs*, 32 Colo. 357, 76 P. 376 (1904).

An injury to land caused by the county unlawfully entering thereon and constructing a road, is a "claim or demand" within the meaning of this section, and must be presented to the board for audit and allowance before an action can be maintained thereon. *Henry v. Bd. of Comm'rs*, 41 Colo. 267, 92 P. 697 (1907).

This section does not apply to tort actions brought against a county government. *Forrest v.*

County Comm'rs, 629 P.2d 1105 (Colo. App. 1981).

No enforceable contract. In an action by a nurse against the board of county commissioners for compensation for his services, it was held that there was no implied contract by the board to pay plaintiff for his services and the county is not liable. *Bd. of Comm'rs v. Phye*, 27 Colo. 107, 59 P. 55 (1899).

This section has no application to actions to recover money paid for taxes illegally assessed. *Boyer Bros. v. Bd. of Comm'rs*, 87 Colo. 275, 288 P. 408 (1930); *Bd. of Comm'rs v. Kipp Sheep Co.*, 87 Colo. 288, 288 P. 413 (1930).

30-25-111. Proceedings published - failure - penalty. (1) It is the duty of the board of county commissioners of each county to publish in at least one legal newspaper in the county a report of each claim, except salary warrants, and expenditure by it allowed and paid and taxes rebated, disclosing the name of and the amount paid to each individual or firm, a description of the services or material furnished to the county, and, as to other items, the nature of the claim and disclosing the fund charged with each expenditure. Such report shall contain a statement of any contracts for the expenditure of money not paid immediately made by the board of county commissioners, disclosing the nature and purpose of the contract, the parties thereto, and the amounts involved therein. Such reports shall be published at least monthly within thirty days following the end of the period for which made. If no legal newspaper is located in the county, either such reports shall be published in a newspaper of an adjacent county which has general circulation in the county for which the report is made, or the board shall cause such statements to be posted in three conspicuous places in said county, one of which shall be the courthouse door. The county accounting office, if there is one, and otherwise the county clerk and recorder, if he is acting as the accounting agency for the county, shall provide to the board of county commissioners all information necessary for the publication. The published report shall state that it is published under the direction of the board of county commissioners. Nothing in this section shall be construed as requiring the board of county commissioners to publish or make public the names of or individual public welfare payments to, or in behalf of, indigent persons receiving assistance from public welfare programs financed, in whole or in part, by federal or state funds, or any combination thereof, when such publication is specifically forbidden by law.

(1.5) Salary information for all county employees and officials shall be published twice annually in the manner provided in subsection (1) of this section. The first publication shall be in August and shall include each employee's title and gross monthly salary for the prior June. The second publication shall be in February and shall list each employee by title, along with the total amount of gross salary paid to such employee during the prior calendar year. Each publication of salary information shall be accompanied by the countywide average percentage of salary that is paid in addition to regular wages as fringe benefits, including, but not limited to, insurance, medical care, retirement plans, housing, transportation, or other subsidized employee expenses.

(2) It is the duty of the board of county commissioners of each county to publish in some legal newspaper published in the county the semiannual financial statement furnished to the board of county commissioners by the county treasurer which shall include in separate columns the balance at the beginning of the period in each fund kept by the treasurer, the collections to each fund from current taxes, delinquent taxes, miscellaneous collection and transfers, withdrawals from each fund showing cash disbursements, transfers and treasurer's fees, and the balance at the end of the period in each fund. The statement shall be published within sixty days following June thirtieth and December thirty-first each

year. If no legal newspaper is located in the county, either such reports shall be published in a newspaper of an adjacent county which has general circulation in the county for which the report is made or the board of county commissioners shall cause such statements to be posted in three conspicuous places in said county, one of which shall be the courthouse door. The county clerk and recorder shall furnish a copy of such proceedings for such publication.

(3) Any willful violation of any provision of this section by any county commissioner or by any person acting as clerk or otherwise for the board of county commissioners in connection with such published reports and the statements contained therein is a misdemeanor, and any person convicted of any violation shall be punished by a fine not exceeding one hundred dollars.

(4) Failure to publish salary information as provided in subsection (1.5) of this section shall be punishable by a civil penalty of not less than five hundred nor more than one thousand five hundred dollars.

Source: L. 01: p. 147, §§ 1-4. R.S. 08: §§ 1221-1224. C.L. §§ 8698-8701. CSA: C. 45, §§ 45-48. CRS 53: § 36-2-11. L. 55: p. 251, § 1. C.R.S. 1963: § 36-2-11. L. 71: p. 334, § 1. L. 89: (1) amended and (1.5) and (4) added, p. 1285, § 1, effective April 12. L. 2007: (1.5) amended, p. 256, § 1, effective March 26.

Cross references: For the requisites of legal newspapers, see § 24-70-103.

30-25-112. Appeal on disallowance of claim. When any claim of any person against a county is disallowed, in whole or in part, by the board of county commissioners, such person may appeal from the decision of such board to the district court for the same county by causing a written notice of such appeal to be served on the clerk of such board within thirty days after the making of such decision and executing a bond to such county, with sufficient security, to be approved by the clerk of said board, conditioned for the faithful prosecution of such appeal and the payment of all costs that are adjudged against the appellant.

Source: G.L. § 464. G.S. § 547. R.S. 08: § 1225. C.L. § 8702. CSA: C. 45, § 49. CRS 53: § 36-2-12. C.R.S. 1963: § 36-2-12.

ANNOTATION

Appeal only from final board action. This section gives a right of appeal to the district court from the action of the board of commissioners disallowing a claim but only when its action is final, and without the right of further consideration reserved, and the defeat of a motion to allow a bill, followed by its reference to the county attorney for investigation and report, is not such final action as this section contemplates in the provision granting the right of appeal. *Bd. of County Comm'rs v. McCormick*, 1 Colo. App. 319, 29 P. 25 (1892); *Bd. of County Comm'rs v. Madan*, 90 Colo. 10, 5 P.2d 866 (1931).

Board retains right of subsequent action on claim even absent reconsideration vote. Where a motion for the allowance of a claim against the county is rejected, it is not necessary that the board of commissioners formerly reconsider the vote in order to retain the right of subsequent action on the claim, being a governing body as well as a deliberative one, so long as its acts are within the scope of its powers, and

the intentions of its members can be fairly and plainly ascertained from their proceedings, they will be enforced. *Bd. of County Comm'rs v. McCormick*, 1 Colo. App. 319, 29 P. 25 (1892).

There is no provision for an appeal from the district court, and the court determined that neither appeal nor writ of error would lie from the judgment of the district court. *Pilgrim Consol. Mining Co. v. Bd. of Comm'rs*, 20 Colo. App. 311, 78 617 (1904); *Bd. of Comm'rs v. Pinnacle Gold Mining Co.*, 36 Colo. 492, 85 P. 1005 (1906).

This section and section 30-25-113 are confined to appeals from orders disallowing claims against a county. *Golden Canal Co. v. Bright*, 8 Colo. 144, 6 P. 142 (1884).

Hence under this section there was no appeal from the decision of the county commissioners fixing the rate to be charged for water by ditch owners. *Golden Canal Co. v. Bright*, 8 Colo. 144, 6 P. 142 (1884).

One whose claim against a county has been presented to and disallowed by the board of

county commissioners has the right to elect to appeal from the decision of the board, or bring an independent action. *Bd. of Comm'rs v. Brown*, 2 Colo. App. 473, 31 P. 525 (1892); *Bd. of Comm'rs v. Locke*, 2 Colo. App. 508, 31 P. 351 (1892).

Waiver of objection to overruling of motion to dismiss appeal. Where an appeal was taken to the district court from the board of county commissioners in a matter that might have been brought directly in the district court, and a motion was made to dismiss the appeal on

the ground that the appeal bond was not filed within the time prescribed and that no notice had been served upon the clerk, the objection to the overruling of the motion was waived by the county attorney afterwards appearing and participating in the trial. *Smith v. District Court*, 4 Colo. 235 (1878); *Todd v. De La Mott*, 9 Colo. 222, 11 P. 90 (1886); *Mackey v. Briggs*, 16 Colo. 143, 26 P. 131 (1891); *Coe v. Britton*, 5 Colo. App. 85, 37 P. 37 (1894); *Bd. of Comm'rs v. Stone*, 11 Colo. App. 476, 53 P. 616 (1898).

30-25-113. Proceedings upon appeal - pleadings. The clerk of the board, upon such appeal being taken, shall immediately give notice thereof to the chairman of the board of county commissioners, and shall make out a brief return of the proceedings in the case before the board with its decision thereon, and shall file the same, together with the bond and all papers in the case in his possession, with the clerk of the district court. The appeal shall be docketed and tried in a summary manner, and costs shall be awarded as in appeals from county courts to district courts. If the amount involved exceeds the sum of three hundred dollars, the applicant, within ten days after taking such appeal, shall file a complaint as in other cases in the district court, a copy of which shall also be served upon the clerk of the board, and answer shall be made thereto as in other cases. If the county clerk and recorder is an interested party in such claim, the giving of notice shall be made on the chairman of the board of county commissioners, and the bond provided for in section 30-25-112 shall be approved by the chairman of the board of county commissioners.

Source: G.L. § 465. G.S. § 548. L. 1891: p. 110, § 1. R.S. 08: § 1226. C.L. § 8703. CSA: C. 45, § 50. CRS 53: § 36-2-13. C.R.S. 1963: § 36-2-13. L. 64: p. 223, § 53.

ANNOTATION

Under this section, an appeal can be taken only from a definite and certain order disallowing a claim and an order upon a claim for \$300 allowing \$50 "in full payment of the claim" was not of this character. *Washington County v. Murray*, 45 Colo. 115, 100 P. 588 (1909).

An appeal to the district court from the order of the county commissioners disallowing a claim against the county is an ordinary action. *Washington County v. Murray*, 45 Colo. 115, 100 P. 588 (1909).

It also lies from the judgment of the district court to the supreme court under this section, in an appeal from the order of the county commissioners, disallowing a claim. *Washington County v. Murray*, 45 Colo. 115, 100 P. 588 (1909).

Appeal perfected. The appeal to the district court should be considered as properly perfected whether the notices be served on the clerk or the assessor, whether the bond be approved or the

record be sent up by the one or the other. *Phillips v. Bd. of Comm'rs*, 78 Colo. 387, 242 P. 70 (1925).

On appeal from the decision of an assessor to the district court, if the amount involved is over \$300, a complaint must be filed in court. *E. J. Longyear Co. v. Lake County*, 84 Colo. 441, 271 P. 183 (1928).

Jurisdiction. The court did not think that the filing in the district court of a complaint by the aggrieved taxpayer is a jurisdictional requirement in the sense contended for by the county, although it is necessary before the final hearing. *E. J. Longyear Co. v. Lake County*, 84 Colo. 441, 271 P. 183 (1928).

Where defendant contended that the amount involved in an appeal from the decision of a tax assessor exceeds \$300 and that as no complaint was filed in the district court within 10 days after taking the appeal, the district court was without jurisdiction, the contention was without merit. *Grand Junction Sugar Co. v. Fellows*, 74 Colo. 242, 220 P. 992 (1923).

30-25-114. Special taxes not levied - when. In all cases where a special district tax is levied against all property in the county, the board of county commissioners is authorized to make an appropriation from the general fund as provided in section 30-25-106, and no special tax shall be levied for such purpose.

PART 2

LIMITATION OF LEVY

30-25-201. Tax levy for county fund purposes. (Repealed)

Source: L. 13: p. 557, § 1. C.L. § 7204. CSA: C. 142, § 29. L. 51: p. 295, § 3. CRS 53: § 36-3-1. L. 61: p. 302, § 1. C.R.S. 1963: § 36-3-1. L. 69: p. 229, § 1. L. 70: p. 117, § 4. L. 72: p. 589, § 52. L. 81: Entire section repealed, p. 1400, § 15, effective June 19.

30-25-202. Capital expenditures fund - tax levy - purposes. (1) For the purpose of providing and accumulating moneys for capital expenditures, the board of county commissioners of each county is authorized to create, by resolution, a capital expenditures fund which shall be used solely for capital expenditures. Moneys from any source may be credited to such fund unless otherwise provided by law; except that no moneys dedicated to the payment of general obligation bonds shall be credited to such fund and except that no moneys restricted to county road and bridge funds pursuant to sections 43-2-202 and 43-2-203, C.R.S., and no moneys required to be expended from such funds pursuant to such sections shall be credited to or expended from a capital expenditures fund. Moneys credited to a capital expenditures fund shall not revert to or be transferred to any other fund.

(2) For the purposes of this section, "capital expenditure" means an expenditure made by a county for long-term additions or betterments, which expenditure, under generally accepted accounting principles, is not properly chargeable as an expense of operation and maintenance. The term includes, but is not limited to, expenditures for the acquisition, development, construction, and renovation of capital facilities, capital projects, and capital equipment.

(3) In any year, in the course of the preparation and adoption of the county budget pursuant to part 1 of article 1 of title 29, C.R.S., the board of county commissioners may levy a property tax on all taxable real and personal property in the county for the purpose of raising revenue for capital expenditures. Moneys raised from such tax shall be credited to the capital expenditures fund. Nothing in this section shall be construed as preventing the use of any other moneys which are not contained in the capital expenditures fund from being used for capital expenditures. Nothing in this section shall be construed to violate or to exceed the revenue limitation of part 3 of article 1 of title 29, C.R.S.

(4) Any county which has any moneys in a public works fund on April 3, 1984, shall establish a capital expenditures fund, shall transfer all moneys in its public works fund to its capital expenditures fund, and shall make appropriations out of such capital expenditures fund to fund projects which otherwise would have been funded from such public works fund.

Cross references: For the issuance of bonds to secure the cost for public buildings, roads, bridges, etc., see part 3 of article 26 of this title.

ANNOTATION

Funds can be spent on vacant land as a necessary and implied incident of that general power as conferred in this section. Peroulis v.

Bd. of County Comm'rs, 665 P.2d 134 (Colo. App. 1982).

30-25-203. Validation of bonds. Any and all negotiable coupon bonds authorized by any county, city, town, or school district in the state of Colorado prior to March 29, 1917, which might be invalid by reason of the debt-limiting or tax-limiting provisions of section 29-1-301, C.R.S., are validated as fully and completely as if said section and the amendments thereof had never been made a part thereof.

Source: L. 17: p. 431, § 1. C.L. § 7215. CSA: C. 142, § 40. CRS 53: § 36-3-4. C.R.S. 1963: § 36-3-3.

30-25-204. Levy in excess unlawful. Any levy which may be certified to the county assessor in excess of the limitations placed by this part 2 shall be unlawful, and, in any such case, it shall be unlawful for the county assessor of any county within this state to enter upon the tax roll of the county any such excessive levy, and, in case of any such excess in any levy it is the duty of the county assessor to reduce such levy and extend upon the tax roll only such part thereof as will comply with the provisions of this part 2.

Source: L. 13: p. 561, § 13. C.L. § 7217. CSA: C. 142, § 42. CRS 53: § 36-3-6. C.R.S. 1963: § 36-3-4.

30-25-205. Levy not limited - when. This part 2 shall in no way limit the amount of any levy necessary to be made for the purpose of paying any bonded indebtedness and interest thereon lawfully incurred, or any judgment against any county, city, town, or school district, or the interest on such judgment, or for special assessments for local improvements, in any county, town, city, or city and county.

Source: L. 13: p. 561, § 14. L. 17: p. 430, § 2. C.L. § 7218. CSA: C. 142, § 43. CRS 53: § 36-3-7. C.R.S. 1963: § 36-3-5. L. 73: p. 491, § 2.

30-25-206. Violation - penalty. Any officer of any taxing district or any county assessor who violates any provision of this part 2 is guilty of a misdemeanor and, upon conviction thereof, shall be punished by a fine of not more than one thousand dollars and shall also be liable to removal from office as provided by law.

Source: L. 13: p. 561, § 15. C.L. § 7219. CSA: C. 142, § 44. CRS 53: § 36-3-8. C.R.S. 1963: § 36-3-6.

PART 3

IMPACT ASSISTANCE GRANTS

30-25-301. Legislative declaration. The general assembly hereby recognizes that withdrawal of lands from county tax rolls for the purpose of wildlife conservation and public recreation may create financial impacts on counties in which such lands are located. The general assembly further recognizes that such withdrawal may necessitate financial support and assistance by the state. It is the intent of the general assembly in enacting this part 3 to provide the means by which the state may provide such necessary assistance through impact assistance grants.

Source: L. 79: Entire part added, p. 1153, § 1, effective June 22.

30-25-302. Eligibility - determination of impact - procedures - legislative declaration. (1) (a) Except as provided in section 33-60-104.5, C.R.S., for real property interests acquired with funds made available from the great outdoors Colorado trust fund, in any county in which the division of parks and wildlife owns property, the board of county commissioners of the county shall certify once a year during the regular tax assessment period, to the parks and wildlife commission, the current dollar amount representing the

negative financial impact that the ownership has on the county's finances and the finances of any political subdivision that lies within the county. In calculating the dollar amount, the board of county commissioners shall take into consideration the following factors:

(I) The estimated assessment of ad valorem taxes on such land if such land was zoned for agriculture and was privately owned;

(II) The cost incurred by the county for services required or provided on such land which would not be required or provided if the land was not owned by said divisions; and

(III) The costs incurred by other political subdivisions which provide services on or to such land.

(b) (Deleted by amendment, L. 2011, (SB 11-208), ch. 293, p. 1389, § 15, effective July 1, 2011.)

(2) The board of county commissioners of any county certifying the current dollar amount pursuant to subsection (1) of this section shall include with such certification an itemized statement of its reasons for determining the amount.

(3) The parks and wildlife commission shall review the dollar amounts certified pursuant to subsection (1) of this section and shall certify to the general assembly these dollar amounts. In making its determinations, the parks and wildlife commission shall consider the factors set forth in subsection (1) of this section and may consider any additional relevant factors. All certifications to the general assembly must include an explanation of the grounds upon which the determinations of the certified amounts are based. The parks and wildlife commission shall include an estimate of the amount to be certified for impact assistance grants in their budget requests for each fiscal year.

(4) (a) The general assembly may make an appropriation in the form of an impact assistance grant to any county qualifying for such grant upon certification by the parks and wildlife commission of the amount for the grant. Appropriations concerning lands purchased with wildlife cash or other wildlife moneys must be made from the wildlife cash fund. Appropriations concerning lands purchased with general fund or parks and outdoor recreation cash or other parks and outdoor recreation moneys must be made from the general fund or the parks and outdoor recreation cash fund.

(b) As soon as possible after receiving an impact assistance grant, the board of county commissioners shall pay to each school district, special district, or other political subdivision located within the county that portion of the impact assistance grant attributable to the amount certified by the county on behalf of the school district, special district, or political subdivision. Prior to making such payment, the total amount of the impact assistance grant shall be reduced by an amount equal to the costs incurred by the treasurer in administering the grants.

(c) Nothing in this section shall be construed to alter the requirement set forth in section 10 of article XXVII of the state constitution that, for property acquired by a state agency pursuant to article XXVII of the state constitution, payments in lieu of taxes shall be made with moneys made available from the great outdoors Colorado trust fund as provided in section 33-60-104.5, C.R.S.

(5) Repealed.

(6) The general assembly hereby finds and declares that the acquisition of large amounts of property by the division of parks and wildlife, through the great outdoors Colorado program or otherwise, can have serious financial consequences for the counties and political subdivisions in which the property is located. It is therefore the intent of the general assembly that any plans for acquisition of property by the division of parks and wildlife include provisions for the payment of impact assistance grants pursuant to this section or payments in lieu of taxes pursuant to section 33-60-104.5, C.R.S., whichever is applicable.

ARTICLE 26

Bonds

Cross references: (1) For the constitutional provision that establishes limitations on spending, the imposition of taxes, and the incurring of debt, see § 20 of art. X, Colo. Const.

(2) For definitions applicable to this article, see § 30-26-301 (2)(d).

PART 1

BONDS - FUNDING - FLOATING INDEBTEDNESS

30-26-101.	Exchange of warrants for bonds - notice.
30-26-102.	Election on bond issue - duties of judges.
30-26-103.	Officers to proceed as authorized after election.
30-26-104.	Bonds - how executed.
30-26-105.	Form of bonds - redemption fund.
30-26-106.	Redemption - order of payment - notice.

PART 2

BONDS - FUNDING AND REFUNDING BY NEW COUNTY

30-26-201.	Fund or refund liabilities.
30-26-202.	County shall assume payment of bonds.

PART 3

BONDS - BUILDINGS, ROADS, OTHER

30-26-301.	Creation of debt for buildings, roads - election - definitions.
30-26-302.	Bond issue - limitation - interest - redemption.
30-26-303.	Redemption - notice - interest - order of payment.
30-26-304.	Bonds - signed - attested - sealed - denomination - amount.

30-26-305.

Sale of bonds - rate - redemption - cancellation.

PART 4

BONDS - REFUNDING

30-26-401.	Refunding bonds authorized.
30-26-402.	Issuance - no election.
30-26-403.	Resolution for issue - form of bonds - coupons - term.
30-26-404.	Disposition of bonds - outstanding canceled.
30-26-405.	Interest - how paid - redemption fund.
30-26-406.	No repeal or alteration of resolution.

PART 5

COUNTY CAPITAL IMPROVEMENT TRUST FUNDS

30-26-501.	Short title.
30-26-502.	Legislative declaration.
30-26-503.	Definitions.
30-26-504.	Authority for establishment of county capital improvement trust funds.
30-26-505.	Bonds - issuance - terms.
30-26-506.	Pledge of revenues, funds, or other property lien.
30-26-507.	Personal liability.
30-26-508.	Bonds - exempt from taxation.
30-26-509.	Annual audit.
30-26-510.	Bonds - eligible for investment.
30-26-511.	Agreement of counties.
30-26-512.	Effect on inconsistent acts and rules and regulations.
30-26-513.	Construction of this part 5.

PART 1

BONDS - FUNDING - FLOATING INDEBTEDNESS

30-26-101. Exchange of warrants for bonds - notice. (1) It is the duty of the board of county commissioners of any county having a floating indebtedness exceeding five thousand dollars, upon the petition of fifty registered qualified electors of said county, to publish for the period of thirty days, in a newspaper published within said county, a notice requesting the holders of the warrants of such county to submit, in writing, to the board of county commissioners of said county, within sixty days from the date of the first publication of such notice, a statement of the amount of warrants of such county which they will exchange for the bonds of such county, to be issued under the provisions of this part 1, and the rate at which they will exchange such warrants for such bonds, taking such bonds at par. In case no newspaper is published within such county, such notice may be published in such newspaper published in the city of Denver as the board of county commissioners may select.

(2) It is the duty of such board of county commissioners, upon the petition of fifty of the registered qualified electors of such county, to publish, for the period of at least thirty days immediately preceding a general election, in some newspaper published within such county a notice that at said general election there will be submitted the question whether the board of county commissioners shall issue bonds of such county under the provisions of this part 1 in exchange, at a certain rate, for the warrants of such county issued prior to the date of the first publication of the notice, which rate shall be determined by the board of county commissioners, and it shall be stated in said notice. The question of whether such county indebtedness shall be funded under the provisions of this part 1 and the maximum net effective interest rate such funding bonds shall bear shall be submitted at the next ensuing general election or may be submitted at a special election which said board is empowered to call for that purpose, at any time after the expiration of sixty days from the date of the first publication of the notice, on the petition of fifty registered qualified electors. Said board shall publish, for the period of at least thirty days immediately preceding such special election, in some newspaper published within such county a notice that such question will be submitted at such election. In case no newspaper is published within such county, the board of county commissioners shall cause such notice to be posted in at least two conspicuous places in each of the election precincts of such county, at least thirty days prior to the said election, general or special. Such election shall be held and the results thereof determined in the same manner as provided for authorization of other bonded indebtedness in accordance with part 3 of this article.

(3) The county clerk and recorder of such county shall make out and cause to be delivered to the judges of election in each election precinct in the county, prior to the election, a certified list of the registered qualified electors in such county; and no person shall vote upon the question of the funding of the county indebtedness unless he has the necessary qualifications as provided by law.

(4) If the issuance of said bonds is approved at such election, the board of county commissioners may issue to any person or corporation holding any county warrant issued prior to the date of the first publication of the notice coupon bonds of such county in exchange therefor at a rate not exceeding that named in the notice published by the board of county commissioners. Should any of the bonds so voted be not exchanged for county warrants, as provided in this part 1, the board of county commissioners may sell the bonds so voted at, above, or below their par values and with the proceeds of such sale redeem or buy the warrants not so exchanged, subject to the provisions of this part 1, but the proceeds of such sale of bonds shall be applied to the purchase or redemption of such warrants and for no other purpose whatever.

(5) No bond shall be issued of less denomination than fifty dollars and, if issued for a greater amount, for some multiple of that sum. Such bonds shall bear interest at a rate such that the net effective interest rate of the issue of bonds does not exceed the maximum net effective interest rate authorized, the interest to be paid semiannually at the office of the county treasurer or at the city of New York, at the option of the holders thereof, upon the

production of the proper coupons for the same, such bonds to be payable at the pleasure of the county after ten years from the date of their issuance, but absolutely due and payable twenty years after the date of issue. The whole amount of bonds issued under this part 1 shall not exceed the sum of the county indebtedness at the date of the first publication of the notice submitting the question of funding the county indebtedness; and the amount shall be determined by the board of county commissioners, and a certificate made of the same, and made a part of the records of the county; and any bond issued in excess of such sum shall be void. All bonds issued under the provisions of this part 1 shall be registered in the office of the state auditor, to whom a fee of ten cents shall be paid for recording each bond; except that the state auditor by rule or as otherwise provided by law may reduce the amount of the fee if necessary pursuant to section 24-75-402 (3), C.R.S., to reduce the uncommitted reserves of the fund to which all or any portion of the fee is credited. After the uncommitted reserves of the fund are sufficiently reduced, the state auditor by rule or as otherwise provided by law may increase the amount of the fee as provided in section 24-75-402 (4), C.R.S.

Source: L. 1881: p. 85, § 1. G.S. § 676. L. 1885: p. 232, § 1. R.S. 08: § 1369. C.L. § 8847. CSA: C. 45, § 199. CRS 53: § 36-4-1. C.R.S. 1963: § 36-4-1. L. 70: p. 136, § 2. L. 98: (5) amended, p. 1338, § 56, effective June 1.

Cross references: For clarification of terms and requirements for notice by publication, see part 1 of article 70 of title 24; for how county indebtedness is created, the limits on such indebtedness and refunding, see § 6 of art. XI, Colo. Const.

ANNOTATION

The issuance of funding bonds, in exchange for valid warrants, is in no sense the creation of a debt; it is but the substitution of new evidence for a preexisting debt, it changes the form, but does not increase the indebtedness. *Bd. of Comm'rs v. Standley*, 24 Colo. 1, 49 P. 23 (1897).

Each bond constitutes a separate and independent cause of action against the county, and the presumption of its validity goes with it to the end, and must prevail unless it is overcome by a fair preponderance of competent evidence that the warrants for which that particular bond was exchanged evidence unauthorized obligations. *Bd. of Comm'rs v. Keene Five-Cents Sav. Bank*, 108 F. 505 (8th Cir. 1901); *Bd. of Comm'rs v. Standley*, 24 Colo. 1, 49 P. 23 (1897); *Bd. of Comm'rs v. Sutliff*, 97 F. 270 (8th Cir. 1899).

Validity of each bond tested by validity of each debt. When, in compliance with this section, the county issued a bond in exchange for outstanding valid warrants, its validity could in no way be affected by the fact that other bonds in the same series, issued in exchange for invalid warrants, were unauthorized and void, the validity of each bond, therefore, must be tested by the character of the indebtedness for which it is exchanged, because it is an independent contract, and when issued for preexisting indebtedness, it becomes a valid enforceable obligation against the county. *Bd. of Comm'rs v. Standley*, 24 Colo. 1, 49 P. 23 (1897).

Merely because some illegal consideration for some one or more of the bonds of a series

may have been given, is not sufficient to invalidate the entire series, and though some illegal consideration may have entered into all, or some, of the other bonds of the series than those involved, still unless that taint can be traced into the bonds in question, the county may not escape liability thereon. *Bd. of Comm'rs v. Linn*, 29 Colo. 446, 68 P. 839 (1902).

But bonds issued upon a contract creating indebtedness in excess of the constitutional limitation render the whole series void. *Bd. of Comm'rs v. Standley*, 24 Colo. 1, 49 P. 23 (1897).

Presumed validity. In an action upon coupons the county funding bonds issued under this section, where the defense set up in the answer was that the bonds were invalid because the county warrants for which the bonds were exchanged were issued in excess of the limit of indebtedness allowed by the constitution, when plaintiff produced in evidence his coupons and the bonds to which they were attached, regularly and in due form executed by the authorized officers of the county and with the county seal attached, the presumption was that they were valid, and the same presumption attached to the warrants similarly executed and tested which became merged in the bonds, introduced in evidence by the defendant. *Bd. of Comm'rs v. Linn*, 29 Colo. 446, 68 P. 839 (1902).

Mandamus. An action for a money judgment will not lie upon coupons from county refunding bonds, but mandamus is the exclusive remedy,

except in certain cases, such as a diversion of the fund, and if the tax has been levied and collected and is in the hands of the treasurer sufficient to pay the coupons the remedy is mandamus against the treasurer to compel payment, also, if the board of county commissioners fails to levy a tax to pay the coupons the remedy is mandamus against the board to compel the levy. Bd. of Comm'rs v. Sims, 31 Colo. 483, 74 P. 457 (1903).

Purchasers are charged with notice of the prescribed mode of payment, and this method of payment and enforcement of the same is exclusive except, as in case of county warrants, where for some exceptional reason, such as a diversion of the fund, a different procedure may be resorted to. Bd. of Comm'rs v. Sims, 31 Colo. 483, 74 P. 457 (1903).

Burden of proof. The burden was on defendant to show by a fair preponderance of the

evidence that the alleged indebtedness which was merged in the bonds was invalid because contracted at a time when the county could not lawfully incur further indebtedness. Bd. of Comm'rs v. Linn, 29 Colo. 446, 68 P. 839 (1902).

In an action upon county bonds, the fact that the county officers failed to preserve in the public records evidence that the indebtedness on which the bonds were founded was contracted after the constitutional limit had been reached does not absolve the county from the ordinary rules relating to the sufficiency of proof or cast upon plaintiff the burden of showing that the bonds were issued for a valid indebtedness. Bd. of Comm'rs v. Linn, 29 Colo. 446, 68 P. 839 (1902).

30-26-102. Election on bond issue - duties of judges. (1) All persons voting on the question of funding indebtedness shall vote by separate ballot, which shall be deposited in a box to be used for that purpose only and on which ballot shall be printed the words "for funding county debt" or "against funding county debt"; and if, upon canvassing the vote, which shall be canvassed in the same manner as the vote for county officers, it appears that a majority of all the votes cast upon the question so submitted is for funding the county debt, the board of county commissioners shall be authorized to carry out the provisions of this part 1, and the canvassing board shall certify the vote, and it shall be made a part of the county records.

(2) The judges of election shall make and certify to the county clerk and recorder a separate list of the names of the electors voting upon the question of the funding of the county indebtedness in the order in which the ballot of the elector so voting is received, and each ballot shall be numbered in the order in which it is received and the number recorded on the said list of voters opposite the name of the voter who presents the ballot.

Cross references: For manner of canvassing votes for county officers, see part 1 of article 10 of title 1.

ANNOTATION

Mandamus. Where a county, by an election conducted in substantial conformity to this section, voted to issue bonds as a means of funding its indebtedness, it was held, that the plaintiff, a holder of county warrants constituting a part of such floating debt, was entitled, upon tendering

his warrants, and refusal on the part of the county commissioners to issue to him bonds to the amount of such warrants, to a mandamus to compel them to do so. Bd. of County Comm'rs v. People ex rel. Hurlbut, 10 Colo. 14, 14 P. 47 (1887).

30-26-103. Officers to proceed as authorized after election. As soon as possible after such election if the bonds shall be voted, the officers mentioned and authorized shall proceed to execute the provisions of this part 1.

Source: L. 1881: p. 89, § 6. G.S. § 681. R.S. 08: § 1391. C.L. § 8852. CSA: C. 45, § 204. CRS 53: § 36-4-6. C.R.S. 1963: § 36-4-6.

30-26-104. Bonds - how executed. All bonds which may be issued under the provisions of this part 1 shall be signed by the chairman of the board of county commissioners, countersigned by the county treasurer of the county, and attested by the clerk and recorder of said county, and shall bear the seal of the county upon each bond, and shall be numbered and registered in a book kept for that purpose by the county treasurer in the order in which they are issued; each bond shall state upon its face the amount for which the same is issued, to whom issued, and the date of its issuance.

Source: L. 1881: p. 87, § 2. G.S. § 677. R.S. 08: § 1387. C.L. § 8848. CSA: C. 45, § 200. CRS 53: § 36-4-2. C.R.S. 1963: § 36-4-2.

30-26-105. Form of bonds - redemption fund. The board of county commissioners is authorized to prescribe the form of such bonds, and the coupons thereto, and to provide for the half-yearly interest accruing on such bonds actually issued and delivered; they shall levy annually a sufficient tax to fully discharge such interest; and, for the ultimate redemption of such bonds, they shall levy annually, after nine years from the date of such issuance, such tax upon all the taxable property in their county as shall create a yearly fund equal to ten percent of the whole amount of such bonds issued, which fund shall be called the redemption fund. All taxes for interest on and for the redemption of such bonds shall be paid in cash only and shall be kept by the county treasurer as a special fund to be used in payment of interest on and for the redemption of such bonds only; and such taxes shall be levied and collected as other taxes.

Source: L. 1881: p. 87, § 3. G.S. § 678. R.S. 08: § 1388. C.L. § 8849. CSA: C. 45, § 201. CRS 53: § 36-4-3. C.R.S. 1963: § 36-4-3.

30-26-106. Redemption - order of payment - notice. It is the duty of the county treasurer, when there are sufficient funds in his hands to the credit of the redemption fund to pay in full the principal and interest of any such bonds, immediately to call in and pay as many of such bonds and accrued interest thereon as the funds on hand will liquidate. Such bonds shall be paid in the order of their number; and, when any bonds or coupons issued under this part 1 are taken up, it is the duty of such treasurer to certify his action to the board of county commissioners, who shall cancel the same, so that they can be plainly identified, and cause a record to be made of the same. When it is desired to redeem any of such bonds, the county treasurer shall cause to be published for thirty days, in some newspaper at or nearest the county seat of the county and in a newspaper published in the city of Denver, a notice that certain county bonds, by numbers and amounts, will be paid upon presentation, and at the expiration of thirty days such bonds shall cease to bear interest.

Source: L. 1881: p. 88, § 4. G.S. § 679. R.S. 08: § 1389. C.L. § 8850. CSA: C. 45, § 202. CRS 53: § 36-4-4. C.R.S. 1963: § 36-4-4.

PART 2

BONDS - FUNDING AND REFUNDING BY NEW COUNTY

Cross references: For the "Public Securities Refunding Act", see article 56 of title 11.

30-26-201. Fund or refund liabilities. Any county in this state, formed and established from the territory of another county, or other counties, may fund, or refund, any of the liabilities imposed on such new county by section 4 of article XIV of the state constitution and the law forming and establishing such county, in the same manner, and with the like force and effect, as if such liabilities were originally contracted, in the form in which they may exist, by such new county.

Source: L. 01: p. 148, § 1. **R.S. 08:** § 1384. **C.L.** § 8862. **CSA:** C. 45, § 214. **CRS 53:** § 36-5-1. **C.R.S. 1963:** § 36-5-1.

30-26-202. County shall assume payment of bonds. To render the amount, kind, and character of such liabilities definite and certain and fix their status under the funding and refunding laws of this state, the county imposed with the payment thereof, by the proper action of its board of county commissioners entered of record in the proceedings of the board, shall undertake and assume the payment thereof, designate and describe the same, and state their character and amount and the form in which they exist.

Source: L. 01: p. 149, § 2. **R.S. 08:** § 1385. **C.L.** § 8863. **CSA:** C. 45, § 215. **CRS 53:** § 36-5-2. **C.R.S. 1963:** § 36-5-2.

PART 3

BONDS - BUILDINGS, ROADS, OTHER

30-26-301. Creation of debt for buildings, roads - election - definitions. (1) When the board of county commissioners of any county deems it necessary to create an indebtedness for the purpose of erecting necessary public buildings, making or repairing public roads or bridges, developing, maintaining, and operating mass transportation systems, acquiring or building or acquiring and building airports and landing strips including the necessary land therefor and approaches thereto, by an order entered of record specifying the amount required and the object for which such debt is created, they shall submit the question to a vote at a general or special election. The general or special election provided for under this part 3 may be combined with the election on a proposal for a countywide sales tax, use tax, or both, provided for in article 2 of title 29, C.R.S. The board shall cause to be posted a notice of such order, which states, among other things, the maximum net effective interest rate at which such bonds may be issued, in some conspicuous place in each voting precinct in the county, for at least thirty days preceding the election, and all persons voting on that question shall vote by separate ballot whereon are placed the words "for county indebtedness" or "against county indebtedness", such ballots to be deposited in a box provided by the board of county commissioners for that purpose.

(2) (a) No county shall contract any debt by loan in any form unless the proposition to create such debt shall first be submitted to and approved by the registered qualified electors of the county.

(b) If a majority of those electors of the county voting at such election vote in favor of the proposition to contract said debt, the board of county commissioners is authorized to contract said debt.

(c) The board of county commissioners of any county shall submit to the registered qualified electors of the county the question of contracting a bonded indebtedness for any one or more of the purposes authorized by law. As used in this part 3, unless the context otherwise requires, "registered qualified elector" means a person who is legally qualified to register to vote in this state and in the county wherein his vote is offered and who has complied with the registration provisions of the "Uniform Election Code of 1992".

(d) The order submitting the question of contracting an indebtedness shall contain a statement of the maximum net effective interest rate at which said indebtedness may be incurred. As used in articles 11, 15, and 17, parts 1, 3 to 6, and 8 of article 20, articles 25 and 26, and part 2 of article 28 of this title and article 18 of title 12, part 2 of article 6 of title 25, article 3 of title 29, and article 5 of title 41, C.R.S., unless the context otherwise requires:

(I) "Net effective interest rate" of a proposed issue of bonds means the net interest cost of said issue divided by the sum of the products derived by multiplying the principal amount of such issue maturing on each maturity date by the number of years from the date of said proposed bonds to their respective maturities.

(II) "Net interest cost" of a proposed issue of bonds means the total amount of interest to accrue on said bonds from their date of issuance to their respective maturities, plus the

amount of any discount below par or less the amount of any premium above par at which said bonds are being or have been sold. In all cases the net effective interest rate and net interest cost shall be computed without regard to any option of redemption prior to the designated maturity dates of the bonds.

(e) (I) The board of county commissioners of any county, having received approval at an election to issue bonds and having determined that the limitations of the original election question are too restrictive to permit the advantageous sale of the bonds so authorized, may submit at another general or special election either the question of issuing the bonds, or any portion thereof, at a higher maximum net effective interest rate than the maximum interest rate or maximum net effective interest rate approved at the original election, or the question of issuing the bonds, or any portion thereof, to mature over a longer period of time than the maximum period of maturity approved at the original election, or both such questions.

(II) An election held pursuant to this paragraph (e) shall be held in substantially the same manner as an election to authorize bonds initially, except as may be required for the submission of the limited question or questions permitted under this paragraph (e).

(III) If the changes submitted are not approved at an election held pursuant to this paragraph (e), such result shall not impair the authority of the board at a later time to issue the bonds originally approved within the limitations established at the first election.

(3) If, upon canvassing the vote, which shall be canvassed in the same manner as the vote for county officers, it appears that a majority of all the votes cast are for county indebtedness, the board of county commissioners shall be authorized to contract the debt in the name of the county. The aggregate amount of indebtedness of any county shall not be in excess of three percent of the actual value, as determined by the assessor, of the taxable property in the county.

L. 81: IP(2)(d) amended, p. 1614, § 13, effective June 19. L. 92: (2)(c) amended, p. 874, § 102, effective January 1, 1993. L. 2003: (3) amended, p. 655, § 1, effective March 20.

Cross references: For the manner of canvassing votes for county officers, see part 1 of article 10 of title 1; for the "Uniform Election Code of 1992", see articles 1 to 13 of title 1.

ANNOTATION

Constitutionality. Section 6 of art. XI, Colo. Const., providing that any county may contract a debt by loan by the issuance of bonds for the purpose of liquidating the indebtedness incurred prior to December 31, 1886, does not repeal by implication this section, or prevent counties from funding, under it, valid obligations incurred subsequent to said date, viz., December 31, 1886. Opinion of the Justices, 15 Colo. 421, 24 P. 877 (1890).

Duty to evaluate vote and amount of indebtedness. This section entrusted the power and imposed the duty upon the commissioners to examine, to see and to decide whether or not a favorable vote had been taken, and whether or not the amount of the indebtedness exceeded the limitation, whenever they considered the question of issuing the bonds, and they could not discharge their duty in the issuance of these bonds without a consideration and determina-

tion of these questions. Bd. of Comm'rs v. Sutliff, 97 F. 270 (8th Cir. 1899).

"Roads" defined. To restrict the term "roads" to the definition of that term under the conditions of the time, and which had acceptance in the year 1876, when the constitution was adopted, would be most unreasonable, the word has a much broader meaning and may be said to include "overland ways of every character" even though not then envisioned by the framers of the constitution, and the airports of this nation are links in the transportation system, hence runways and landing strips, being a necessary unit of that system, need no longer be regarded as unique or peculiar, hence, they are as logically within the term "roads" as are automobile highways, and the statute authorizing such a bond issue is not unconstitutional. Hale v. Sullivan, 146 Colo. 512, 362 P.2d 402 (1961).

30-26-302. Bond issue - limitation - interest - redemption. The board of county commissioners, when authorized as provided in section 30-26-301, may make and issue coupon bonds of the county not exceeding the amounts authorized by the electors, payable at the pleasure of the county but absolutely due and payable twenty years after such date, bearing interest at a rate such that the net effective interest rate of the issue of bonds does not exceed the maximum net effective interest rate authorized, payable annually or semiannually; such interest and principal, when due, shall be payable at the office of the county treasurer of the county or at such other location as the board of county commissioners may designate. The board of county commissioners shall prescribe the form of said bonds and the coupons thereto; and, to provide for the principal and interest and redemption premiums accruing on the bonds, it shall provide for the levying of a tax which, together with such other revenue, assets, or funds as may be pledged, will be sufficient to pay the principal, interest and redemption premiums, if any, accruing on the bonds.

Source: G.L. § 449. G.S. § 672. L. 1889: p. 103, § 1. R.S. 08: § 1365. C.L. § 8843. CSA: C. 45, § 195. CRS 53: § 36-6-2. C.R.S. 1963: § 36-6-2. L. 70: p. 139, § 5. L. 79: Entire section amended, p. 1158, § 2, effective May 4.

30-26-303. Redemption - notice - interest - order of payment. When it appears to the board of county commissioners upon examination of the books and accounts of the county treasurer that there are sufficient funds in his hands to the credit of the redemption fund to pay in full the principal and accrued interest of any of such bonds, it is the duty of such board immediately to call in and pay as many of such bonds and accrued interest thereon as the funds ascertained to be on hand will liquidate, and said board shall thereupon cancel such redeemed bonds and all uncanceled interest coupons issued therewith. The bonds shall be called in and paid in the order of their issuance, as nearly as may be practicable, and when it is desired to redeem any of such bonds by said board it shall cause to be published for thirty days in some newspaper at or nearest the county seat of the county a notice that certain county bonds, specifying the number and amounts, will be paid upon presentation, and at the expiration of such thirty days such bonds shall cease to bear interest.

Source: G.L. § 450. G.S. § 673. R.S. 08: § 1366. C.L. § 8844. CSA: C. 45, § 196. CRS 53: § 36-6-3. C.R.S. 1963: § 36-6-3.

Cross references: For clarification of terms and requirements for notice by publication, see part 1 of article 70 of title 24.

30-26-304. Bonds - signed - attested - sealed - denomination - amount. The bonds shall be signed by the chairman of the board of county commissioners and attested by the county clerk and recorder and bear the seal of the county upon each bond and shall be numbered and registered in a book kept for that purpose in the order in which they are issued. Each bond shall state upon its face the amount for which the same is issued, to whom issued, and the date of its issuance; but no bond shall be of a lesser denomination than fifty dollars, and, if issued for a greater amount, for some multiple of that sum; and the aggregate amount of such bonds issued shall not exceed the sum entered of record by the board of county commissioners, and any bond issued in excess of said sum shall be null and void.

Source: G.L. § 451. G.S. § 674. R.S. 08: § 1367. C.L. § 8845. CSA: C. 45, § 197. CRS 53: § 36-6-4. C.R.S. 1963: § 36-6-4.

30-26-305. Sale of bonds - rate - redemption - cancellation. The board of county commissioners has the right to sell any of such bonds, but no bond shall be sold unless for cash, and not then at a discount of more than fifteen percent of its par value. The money arising from the sale of such bonds shall be forthwith used for the objects for which the debt was created, and for no other purpose whatever. When any such bonds or any coupons are

redeemed, the board of county commissioners, in the presence of the clerk of said board or his deputy, shall cancel such bonds or coupons by writing the word "canceled" on the face of such bonds or coupons, and such board shall make a record of the proceedings, stating what bonds or coupons were canceled.

Source: G.L. § 452. G.S. § 675. R.S. 08: § 1368. C.L. § 8846. CSA: C. 45, § 198. CRS 53: § 36-6-5. C.R.S. 1963: § 36-6-5.

PART 4

BONDS - REFUNDING

Cross references: For the "Public Securities Refunding Act", see article 56 of title 11.

30-26-401. Refunding bonds authorized. The board of county commissioners of any county in this state may issue negotiable coupon bonds, to be denominated refunding bonds, for the purpose of refunding any of the bonded indebtedness of such county, whether due or not due, or which may become payable at the option of such county, or by consent of the bondholders, or by any lawful means, whether such bonded indebtedness existed on March 30, 1917, or was thereafter created, and there are not funds in the treasury of such county available for the payment or redemption of such bonds; but the amount of such refunding bonds to be issued under the provisions of this part 4 shall first be determined by such board of county commissioners, and a certificate of such determination shall be made and entered in the records of the county prior to the issuance of said refunding bonds.

Source: L. 17: p. 154, § 1. C.L. § 8865. CSA: C. 45, § 217. CRS 53: § 36-7-1. C.R.S. 1963: § 36-7-1.

30-26-402. Issuance - no election. Whenever such board of county commissioners deems it expedient to issue refunding bonds under the provisions of this part 4, such refunding bonds may be issued without the submission of the question of issuing such refunding bonds to a vote of the registered qualified electors of such county.

Source: L. 17: p. 154, § 2. C.L. § 8866. CSA: C. 45, § 218. CRS 53: § 36-7-2. C.R.S. 1963: § 36-7-2. L. 70: p. 139, § 6.

30-26-403. Resolution for issue - form of bonds - coupons - term. (1) If the board of county commissioners determines to issue refunding bonds, such board shall thereupon adopt a resolution which shall not be subject to the referendum provisions of any statute providing for the issue of said refunding bonds in accordance with the provisions of this part 4. Such resolution shall fix the date of said refunding bonds, shall designate the denomination thereof, the rate of interest, the maturity date, which shall not be more than twenty-five years from the date of said refunding bonds, and the place of payment, within or without the state of Colorado, of both principal and interest, and shall prescribe the form of said refunding bonds.

(2) Such refunding bonds shall be negotiable in form, shall recite the title of the act under which they are issued, shall be executed in the name of the county and signed by the chairman of the board of county commissioners and countersigned by the county treasurer, with the seal of the county affixed thereto and attested by the county clerk and recorder. The interest accruing on such refunding bonds shall be evidenced by semiannual interest coupons thereto attached, bearing the engraved facsimile signature of the county treasurer, and when so executed such coupons shall be the binding obligations of the county, according to their import.

(3) In the adoption of said resolution providing for the issue of such refunding bonds, the board of county commissioners shall make the principal of the debt payable in equal annual installments during the currency of the period, not exceeding twenty-five years,

within which the debt is to be discharged; but the date of maturity of the first installment of the debt shall be not more than five years from the date of said refunding bonds.

Source: L. 17: p. 155, § 3. C.L. § 8867. CSA: C. 45, § 219. CRS 53: § 36-7-3. C.R.S. 1963: § 36-7-3.

30-26-404. Disposition of bonds - outstanding canceled. All such refunding bonds may be exchanged, dollar for dollar, for the bonds to be refunded, or they may be sold at not less than their par value, as directed by the board of county commissioners, and the proceeds thereof shall be applied only to the purpose for which such refunding bonds were issued. Such refunding bonds shall not be issued until the outstanding bonds to be refunded have been called in and canceled in an amount equal to or in excess of the bonds so issued, and all accrued interest on any such bonds to be refunded shall be paid before such refunding bonds are issued.

Source: L. 17: p. 156, § 4. C.L. § 8868. CSA: C. 45, § 220. CRS 53: § 36-7-4. C.R.S. 1963: § 36-7-4.

30-26-405. Interest - how paid - redemption fund. The interest accruing on such refunding bonds issued pursuant to the provisions of this part 4 prior to the time when tax levies are available therefor shall be paid out of the general revenues of the county, and, for the purpose of reimbursing such general revenues and for the payment of subsequently accruing interest, the board of county commissioners issuing such refunding bonds or the proper tax-assessing and tax-collecting officers upon whom shall devolve the duty of levying and collecting county taxes shall levy annually a sufficient tax upon all the taxable property in the county fully to discharge such interest, and, for the ultimate redemption of such refunding bonds, they shall levy annually such a tax upon all the taxable property in such county as will create a fund sufficient to discharge each annual installment of such refunding bonds at the maturity thereof, which fund shall be called the redemption fund. All taxes for interest on and for the redemption of such bonds shall be paid in cash only and shall be kept by the county treasurer as a special fund to be used only in payment of the interest upon and for the redemption of such bonds, and such tax shall be levied and collected as other county taxes are levied and collected. The tax provisions for the ultimate redemption of such bonds shall be set forth in the resolution authorizing their issue and shall set forth the years in which such taxes shall be levied for the creation of said redemption fund.

Source: L. 17: p. 156, § 5. C.L. § 8869. CSA: C. 45, § 221. CRS 53: § 36-7-5. C.R.S. 1963: § 36-7-5.

30-26-406. No repeal or alteration of resolution. Any resolution authorizing an issue of refunding bonds under the provisions of this part 4 and providing for the levy of taxes for the payment of the interest upon and the principal of such refunding bonds shall not be altered or repealed until the indebtedness thereby authorized has been fully paid.

Source: L. 17: p. 157, § 6. C.L. § 8870. CSA: C. 45, § 222. CRS 53: § 36-7-6. C.R.S. 1963: § 36-7-6.

PART 5

COUNTY CAPITAL IMPROVEMENT TRUST FUNDS

30-26-501. Short title. This part 5 shall be known and may be cited as the "County Capital Improvement Trust Fund Financing Act".

Source: L. 82: Entire part added, p. 484, § 1, effective July 1.

30-26-502. Legislative declaration. (1) It is hereby declared to be the public policy of the state to facilitate, assist, and promote the efforts of counties within this state in the planning, construction, acquisition, improvement, equipping, maintenance, and operation of public projects.

(2) It is further the intent of the general assembly:

(a) To authorize counties in this state to finance the acquisition, construction, and improvement of public improvements, buildings, and facilities which such counties are authorized to acquire, construct, and improve;

(b) That this part 5 shall operate only as a grant of additional financing authority and shall not be construed to authorize counties to finance the acquisition, construction, or improvement of any public improvements, buildings, or facilities which such counties are not otherwise authorized to acquire, construct, or improve pursuant to applicable provisions of law;

(c) To vest such counties with all powers that may be necessary to enable them to accomplish such financing purposes, including the power to issue negotiable revenue bonds, notes, and other obligations payable as set forth in this part 5, which powers in all respects shall be exercised for the benefit of the inhabitants of this state and for the promotion of their health, safety, and welfare.

Source: L. 82: Entire part added, p. 484, § 1, effective July 1.

30-26-503. Definitions. As used in this part 5, unless the context otherwise requires:

(1) "Board" means the board of county commissioners or other governing body of any county.

(2) "Bonds" means any revenue bonds or other obligations issued by a county pursuant to this part 5 but does not include general obligation bonds.

(3) "County" means any county within this state.

(4) "County capital improvement trust fund" means any one or more of the county capital improvement trust funds established pursuant to this part 5.

(5) "Obligations" means notes, contracts, leases, and refunding obligations issued by a county pursuant to this part 5.

(6) "Person" means any individual, firm, partnership, association, or corporation or two or more or any combination of such entities.

(7) "Political subdivision" means counties, special districts, water conservation districts, irrigation districts, municipal corporations, school districts, and all other political subdivisions of the state.

(8) "Project" means any land, building, facility, or other improvement and all real or personal property, and any undivided or other interest in any of the foregoing, which is acquired, constructed, or improved or which is to be acquired, constructed, or improved by any county with the proceeds of any bonds issued by such county pursuant to this part 5 or with the principal of any county capital improvement trust fund expended by such county pursuant to this part 5, to the extent and only to the extent that such county is authorized to undertake any acquisition, construction, or improvement of such project under the laws of this state.

Source: L. 82: Entire part added, p. 485, § 1, effective July 1.

Cross references: For definitions applicable to this article, see § 30-26-301 (2)(d).

30-26-504. Authority for establishment of county capital improvement trust funds.

(1) Each county is hereby authorized to create a county capital improvement trust fund to be used for the purposes set forth in this part 5.

(2) Moneys on deposit in any county capital improvement trust fund, and the proceeds from the investment of such funds, shall be used solely and exclusively for the purposes authorized by this part 5 and shall be inviolate for any other purpose.

(3) Moneys on deposit in any county capital improvement trust fund shall be under the exclusive control of the board of the county for which such fund shall be established and shall be invested by the county treasurer of such county in accordance with the applicable provisions of laws concerning the investment of county funds. Earnings from the investment of moneys in any county capital improvement trust fund shall remain in such fund until applied in accordance with the provisions of this part 5. Any county may, to the extent otherwise authorized by law, appropriate funds of such county for deposit in such county capital improvement trust fund from any revenues, funds, or moneys of such county which are legally available for such purposes. Any moneys so appropriated by the board for deposit in any county capital improvement trust fund may be invested and reinvested as set forth in this part 5, and all such moneys on deposit in any county capital improvement trust fund shall be applied by the board only in accordance with the provisions of this part 5.

(4) The board of each county for which a county capital improvement trust fund is created may:

(a) Appropriate moneys on deposit in the county capital improvement trust fund of such county for any lawful county project, to the extent that such funds are not otherwise encumbered;

(b) Allocate and distribute among any political subdivision within such county all or any portion of the county capital improvement trust fund of such county for the purpose of assisting any capital improvement to be undertaken by any such political subdivision, to the extent that such funds are not otherwise encumbered;

(c) Pledge to the payment of the principal of, any premium on, and the interest on any bonds issued by such county pursuant to provisions of this part 5 all or any portion of the county capital improvement trust fund of such county; and

(d) Do any and all things necessary to effect the purposes and exercise the powers authorized under the provisions of this part 5.

(5) The board of each county for which a county capital improvement trust fund is established shall prepare guidelines consistent with the provisions of this part 5 for the allocation, distribution, pledging, investment, and expenditure of any moneys from time to time on deposit in the county capital improvement trust fund established for such county.

(6) If any portion of this part 5 is held unconstitutional by a decision of the Colorado court of appeals, the Colorado supreme court, or any federal court, moneys on deposit in each county capital improvement trust fund shall be transferred to the county general fund; such transfer shall take effect on the day after such decision becomes final.

(7) No moneys deposited in a capital improvement trust fund shall be appropriated, allocated, pledged, or distributed for a project if any statute, ordinance, resolution, or contract otherwise limits or restricts the use of such money for the particular type of project.

Source: L. 82: Entire part added, p. 485, § 1, effective July 1.

30-26-505. Bonds - issuance - terms. (1) Any county, in addition to all other powers authorized by law, may, from time to time:

(a) Issue revenue bonds, in such principal amounts as the county may deem necessary or appropriate, for the purpose of financing any project, including the payment, funding, or refunding of the principal of, any premium on, and the interest on any bonds issued by such county, whether the bonds or interest to be funded or refunded have or have not become due;

(b) Establish or increase any reserve funds deemed necessary to secure payment of such bonds or interest thereon; and

(c) Appropriate moneys necessary to pay for all other costs or expenses of the county incident to and necessary to carry out its authorized corporate and public purposes powers under this part 5.

(2) Bonds issued pursuant to the authority of this part 5 shall constitute special obligations of the county issuing such bonds and shall be payable solely out of any county capital improvement trust fund moneys or the income from the investment thereof, to the extent that all or a portion of the same are made available for such purpose by the board of the county issuing such bonds. Bonds issued by any county pursuant to the authority of this

part 5 may also be payable, in whole or in part, from any funds, revenues, income, or other moneys which are otherwise lawfully available for such purpose and which may be pledged by such county for the purpose of paying the principal of, any premium on, and the interest on its bonds.

(3) Any such bonds may also be payable, in whole or in part, from the revenues and receipts derived from the project financed with such issue of bonds and may be additionally secured by a pledge of any grant, subsidy, or contribution from the United States or any agency or instrumentality thereof, from the state or any governmental agency thereof, or from any person unless otherwise prohibited by applicable state or federal law.

(4) Whether or not such bonds are of such form and character as to be negotiable instruments under the terms of the "Uniform Commercial Code", title 4, C.R.S., all such bonds are hereby made negotiable instruments within the meaning of and for all the purposes of said title, subject only to the provisions contained in such bonds for registration.

(5) Any such bonds shall be authorized by the board, may be issued in one or more series, and shall bear such date or dates, mature at such time or times, bear interest at such rate or rates of interest, be in such denomination or denominations, be in such form, either coupon or registered, carry such conversion or registration privileges, have such rank or priority, be executed in such manner, be payable from such sources in such medium of payment at such place or places within or without the state, and be subject for such terms of redemption, with or without premium, as the board may provide.

(6) Any such bonds may be sold at public or private sale at such price or prices and in such manner as the board shall determine.

(7) Any such bonds may be issued under the provisions of this part 5 without obtaining the consent of any department, division, commission, board, bureau, or agency of the state and without any other proceeding or happening of any other conditions for other things than those proceedings, conditions, or things which are specifically required by this part 5, including, in particular, all such bonds, so long as and to the extent that such bonds are payable exclusively from all or any portion of any county capital improvement trust fund created pursuant to this part 5, and such bonds may be issued without the requirement of any approval by the electorate of the county issuing such bonds.

(8) Any such bonds shall not be in any way construed to be a debt or liability of the state or any political subdivision thereof and shall not create or constitute any indebtedness, liability, or obligation to the state or to any such political subdivision or be or constitute a pledge of the faith and credit of the state or of any such political subdivision; but all such bonds, unless funded or refunded by bonds of such county, shall be payable solely from revenues or funds pledged or available for the payment as authorized in this part 5. Each bond issued by a county pursuant to this part 5 shall contain on its face a statement to the effect that the county issuing such bonds is obligated to pay the principal of, any premium on, and the interest on such bonds only from revenues or funds of such county pledged for such payment, that neither the state nor any other political subdivision thereof is obligated to pay such principal of, any premium on, and the interest on such bonds, and that neither the faith and credit of the taxing power of the state nor any political subdivision thereof is pledged for the payment of the principal of, any premium on, and the interest on any such bonds.

(9) All expenses incurred in carrying out the provisions of this part 5 shall be payable solely from the revenues or funds provided or to be provided under the provisions of this part 5, and nothing in this part 5 shall be construed to authorize any county to incur any indebtedness on behalf of or payable by the state or any political subdivision thereof other than such county.

(10) The board of a county may, in any resolution relating to the issuance of any such bonds and in order to secure the payment of such bonds, make such covenants as otherwise authorized by law to do or refrain from doing such acts and things as may be necessary, convenient, and desirable in order to better secure bonds, which covenants will, in the opinion of the board, tend to make such bonds more marketable.

30-26-506. Pledge of revenues, funds, or other property lien. Any pledge of revenues, moneys, funds, or other property made by a county pursuant to the provisions of this part 5 shall be valid and binding from the time when the pledge is made; the revenues, moneys, funds, or other property so pledged and thereafter received by such county shall immediately be subject to the lien of such pledge without any physical delivery thereof or further act. The lien of any such pledge shall be valid and binding as against all parties having claims of any kind in tort, contract, or otherwise against the county, irrespective of whether such parties have notice thereof. Any resolution or any other instrument by which a pledge of revenues, moneys, or funds is created shall be filed or recorded with the county.

Source: L. 82: Entire part added, p. 488, § 1, effective July 1.

30-26-507. Personal liability. Neither the members of the board of a county nor any person executing bonds or notes issued pursuant to this part 5 shall be personally liable on any bonds of such county by reason of the issuance of such bonds.

Source: L. 82: Entire part added, p. 488, § 1, effective July 1.

30-26-508. Bonds - exempt from taxation. Any bonds issued under the provisions of this part 5, the transfer of any such bonds, and the income from such bonds shall be free from taxation by the state or any political subdivision or other instrumentality of the state.

Source: L. 82: Entire part added, p. 488, § 1, effective July 1.

30-26-509. Annual audit. Each county for which a county capital improvement trust fund has been established shall prepare and submit, in accordance with the provisions of article 1 of title 29, C.R.S., an annual audit report of its activities with respect to such fund for the preceding fiscal year.

Source: L. 82: Entire part added, p. 488, § 1, effective July 1.

30-26-510. Bonds - eligible for investment. Bonds issued under the provisions of this part 5 are hereby made securities in which all insurance companies, trust companies, banking associations, savings and loan associations, investment companies, executors, administrators, trustees, and other fiduciaries may properly and legally invest moneys, including capital, under the control of or belonging to such entities. Public entities, as defined in section 24-75-601 (1), C.R.S., may invest public funds in such bonds only if said bonds satisfy the investment requirements established in part 6 of article 75 of title 24, C.R.S. Such bonds are hereby made securities which may properly and legally be deposited with and received by any state or municipal officer or any agency or political subdivision of the state for any purpose for which the deposit of bonds is authorized by law.

Source: L. 82: Entire part added, p. 489, § 1, effective July 1. **L. 89:** Entire section amended, p. 1130, § 70, effective July 1.

30-26-511. Agreement of counties. (1) Any county is authorized to enter into agreements with the state or any of its agencies or departments, any of its political subdivisions, any agency or department of the United States, or any person with respect to any project in order to facilitate the financing, acquisition, and construction of such project and to promote the purposes of this part 5. Such agreements may be for a term covering the life of a project, for any other term, or for any indefinite period. Pursuant to any such agreement, counties or persons may obligate themselves to make payments in amounts which shall be sufficient to enable such counties or persons to pay their expenses and the interest and principal payments (whether at maturity or upon sinking fund redemption) for any bonds issued pursuant to this part 5, to maintain reasonable reserves for debt service,

operation and maintenance, and renewals and replacements, and to meet the requirements of any rate covenant with respect to debt service coverage contained in any resolution, trust indenture, or other security instrument.

(2) The obligations of a governmental agency or persons under an agreement with the county or arising out of the default by any other purchaser with respect to such an agreement shall not be construed to constitute debt of the governmental agency or persons. To the extent provided in agreements with the county, such obligations shall constitute special obligations of the governmental agency or persons and shall be payable solely from the revenues and other moneys derived by the governmental agency or persons.

Source: L. 82: Entire part added, p. 489, § 1, effective July 1.

30-26-512. Effect on inconsistent acts and rules and regulations. It is the intent of the general assembly that, in the event of any conflict or inconsistency between the provisions of this part 5 and any other statute pertaining to matters established or provided for in this part 5 or in any rules and regulations adopted under this part 5 or under any other statutes, to the extent of such conflict or inconsistency, the provisions of this part 5 and the rules and regulations adopted under this part 5 shall be enforced, and the provisions of any other statute or rules and regulations adopted under such statute shall have no force and effect.

Source: L. 82: Entire part added, p. 489, § 1, effective July 1.

30-26-513. Construction of this part 5. This part 5 shall be liberally construed to effectuate the legislative intent and the purposes of this part 5 as the complete and independent authority for the performance of each and every act and thing authorized in this part 5. All the powers granted in this part 5 shall be broadly interpreted to effectuate such intent and purposes and shall not be interpreted as a limitation of such powers.

PART 1

COUNTY PLANNING

30-28-101. Definitions. As used in this part 1, unless the context otherwise requires:
(1) "Disposition" means a contract of sale resulting in the transfer of equitable title to

an interest in subdivided land; an option to purchase an interest in subdivided land; a lease or an assignment of an interest in subdivided land; or any other conveyance of an interest in subdivided land which is not made pursuant to one of the foregoing.

(2) "Evidence" means any map, table, chart, contract, or other document or testimony, prepared or certified by a qualified person to attest to a specific claim or condition, which evidence shall be relevant and competent and shall support the position maintained by the subdivider.

(3) "Municipal planning commission" means any planning commission or other body charged with the functions of such commission of any city, city and county, or incorporated town, whether created pursuant to the authority of state statute or of home rule charter.

(4) "Planning commission" means either a planning commission or, in a county where there is no planning commission, the board of county commissioners.

(5) "Plat" means a map and supporting materials of certain described land prepared in accordance with subdivision regulations as an instrument for recording of real estate interests with the county clerk and recorder.

(6) "Preliminary plan" means the map of a proposed subdivision and specified supporting materials, drawn and submitted in accordance with the requirements of adopted regulations, to permit the evaluation of the proposal prior to detailed engineering and design.

(7) "Region" means the area encompassed by a regional planning commission, being the combined land areas subject to the jurisdiction of the participating governmental units.

(8) "Sketch plan" means a map of a proposed subdivision, drawn and submitted in accordance with the requirements of adopted regulations, to evaluate feasibility and design characteristics at an early state in the planning.

(9) "Subdivider" or "developer" means any person, firm, partnership, joint venture, association, or corporation participating as owner, promoter, developer, or sales agent in the planning, platting, development, promotion, sale, or lease of a subdivision.

(10) (a) "Subdivision" or "subdivided land" means any parcel of land in the state which is to be used for condominiums, apartments, or any other multiple-dwelling units, unless such land when previously subdivided was accompanied by a filing which complied with the provisions of this part 1 with substantially the same density, or which is divided into two or more parcels, separate interests, or interests in common, unless exempted under paragraph (b), (c), or (d) of this subsection (10). As used in this section, "interests" includes any and all interests in the surface of land but excludes any and all subsurface interests.

(b) The terms "subdivision" and "subdivided land", as defined in paragraph (a) of this subsection (10), shall not apply to any division of land which creates parcels of land each of which comprises thirty-five or more acres of land and none of which is intended for use by multiple owners.

(c) Unless the method of disposition is adopted for the purpose of evading this part 1, the terms "subdivision" and "subdivided land", as defined in paragraph (a) of this subsection (10), shall not apply to any division of land:

(I) Which creates parcels of land, such that the land area of each of the parcels, when divided by the number of interests in any such parcel, results in thirty-five or more acres per interest;

(II) Which could be created by any court in this state pursuant to the law of eminent domain, or by operation of law, or by order of any court in this state if the board of county commissioners of the county in which the property is situated is given timely notice of any such pending action by the court and given opportunity to join as a party in interest in such proceeding for the purpose of raising the issue of evasion of this part 1 prior to entry of the court order; and, if the board does not file an appropriate pleading within twenty days after receipt of such notice by the court, then such action may proceed before the court;

(III) Which is created by a lien, mortgage, deed of trust, or any other security instrument;

(IV) Which is created by a security or unit of interest in any investment trust regulated under the laws of this state or any other interest in an investment entity;

(V) Which creates cemetery lots;

(VI) Which creates an interest in oil, gas, minerals, or water which is severed from the surface ownership of real property;

(VII) Which is created by the acquisition of an interest in land in the name of a husband and wife or other persons in joint tenancy or as tenants in common, and any such interest shall be deemed for purposes of this subsection (10) as only one interest;

(VIII) Which is created by the combination of contiguous parcels of land into one larger parcel. If the resulting parcel is less than thirty-five acres in land area, only one interest in said land shall be allowed. If the resulting parcel is greater than thirty-five acres in land area, such land area, divided by the number of interests in the resulting parcel, must result in thirty-five or more acres per interest. Easements and rights-of-way shall not be considered interests for purposes of this subparagraph (VIII).

(IX) Which is created by a contract concerning the sale of land which is contingent upon the purchaser's obtaining approval to subdivide, pursuant to this article and any applicable county regulations, the land which he is to acquire pursuant to the contract;

(X) Which creates a cluster development pursuant to part 4 of this article.

(d) The board of county commissioners may, pursuant to rules and regulations or resolution, exempt from this definition of the terms "subdivision" and "subdivided land" any division of land if the board of county commissioners determines that such division is not within the purposes of this part 1.

(11) "Subdivision improvements agreement" means one or more security arrangements which a county shall accept to secure the actual cost of construction of such public improvements as are required by county subdivision regulations within the subdivision. The "subdivision improvements agreement" may include any one or a combination of the types of security or collateral listed in this subsection (11), and the subdivider may substitute security in order to release portions of the subdivision for sale. The types of collateral which may be used as security under the "subdivision improvements agreement" are as follows: Restrictions on the conveyance, sale, or transfer of any lot, lots, tract, or tracts of land within the subdivision as set forth on the plat or as recorded by separate instrument; performance or property bonds; private or public escrow agreements; loan commitments; assignments of receivables; liens on property; letters of credit; deposits of certified funds; or other similar surety agreements. Security, other than plat restrictions, required under the "subdivision improvements agreement" shall equal in value the cost of improvements to be completed but shall not be required on the portion of the subdivision subject to plat restriction. The county shall not require security arrangements with collateral arrangements in excess of the actual cost of construction of the public improvements. The amount of security may be incrementally reduced as subdivision improvements are completed.

(12) "Unincorporated" means situated outside of cities and towns, so that, when used in connection with "territory", "areas", or the like, it covers, includes, and relates to territory or areas which are not within the boundaries of any city or town.

No authority to impose subdivision regulations on larger tracts. By the exemption of subsection (10)(b), the general assembly gave the counties no authority to impose subdivision regulations on the larger tracts. Pennobscot, Inc. v. Bd. of County Comm'rs, 642 P.2d 915 (Colo. 1982).

Or to adopt contrary definition of subdivision. Sections 29-20-101 to 29-20-107 do not confer the authority upon a county to adopt a definition of "subdivision" in its regulations which is contrary to the express statutory definition found in subsection (10). Pennobscot, Inc. v. Bd. of County Comm'rs, 642 P.2d 915 (Colo. 1982).

30-28-102. Unincorporated territory. The boards of county commissioners of the respective counties within this state are authorized to provide for the physical development of the unincorporated territory within the county and for the zoning of all or any part of such unincorporated territory in the manner provided in this part 1.

Source: L. 39: p. 294, § 1. CSA: C. 45A, § 1. CRS 53: § 106-2-1. C.R.S. 1963: § 106-2-1.

ANNOTATION

Law reviews. For article, "Effect on Title of Violations of Building Covenants and Zoning Ordinances", see 27 Rocky Mt. L. Rev. 255 (1955). For note, "Colorado Cases on Zoning — Validity of Zoning Undeveloped Areas", see 29 Rocky Mt. L. Rev. 202 (1957). For article, "Colorado Needs a Constitutional and Effective Roadside Sign Law", see 36 Dicta 475 (1959).

Section delegates authority to county commissioners to zone unincorporated areas. This section is a delegation of authority by the state to the boards of county commissioners of the respective counties to zone unincorporated areas of the state. City of Greeley v. Ells, 186 Colo. 352, 527 P.2d 538 (1974).

Authority to zone and appoint planning commission. By this and § 30-28-103 the commissioners of the respective counties are authorized to provide for the zoning of all or any part of the unincorporated territory in their county, and they are authorized to appoint a planning commission. Gordon v. Bd. of County Comm'rs, 152 Colo. 376, 382 P.2d 545 (1963).

Power to adopt means to defray costs of considering exemption requests. Flowing from the grant of express power to grant exemptions from the provisions of title 30, article 8, is the implied power to adopt means to defray the costs of considering requests for exemptions. Hopkins v. Bd. of County Comm'rs, 193 Colo. 230, 564 P.2d 415 (1977).

The requirement of a metes and bounds description of a tract for purposes of qualifying the tract for exemption from the limitations of § 30-28-110(4)(a) was not unreasonable or arbitrary, and the denial of the exemption was not an abuse of discretion. Hopkins v. Bd. of County Comm'rs, 193 Colo. 230, 564 P.2d 415 (1977).

The exemption described in subsection (10)(b) is inapplicable where property owner seeks to construct multiple residences on the parcel which is more than 35 acres. Wilkinson v. Bd. of County Comm'rs, 872 P.2d 1269 (Colo. App. 1993).

Applied in VanHuysen v. Adams County Bd. of Adjustments, 41 Colo. App. 570, 588 P.2d 392 (1978); Theobald v. Bd. of County Comm'rs, 644 P.2d 942 (Colo. 1982); Beaver Meadows v. Bd. of County Comm'rs, 709 P.2d 928 (Colo. 1985).

The Land Use Act (§ 29-20-101, C.R.S., et seq.) and the County Planning Code (§ 30-28-101, C.R.S., et seq.) authorize county regulation of land use in the unincorporated areas of the county. Wilkinson v. Bd. of County Comm'rs, 872 P.2d 1269 (Colo. App. 1993).

Courts should not interfere with decisions of zoning authorities unless the record shows a clear abuse of discretion. Bd. of County Comm'rs v. Simmons, 177 Colo. 347, 494 P.2d 85 (1972).

No clear abuse of discretion shown. Where the question of whether the character of the neighborhood had changed sufficiently to justify a change in zoning was fairly debatable and the zoning decision of a board of county commissioners was supported by some competent evidence, the certiorari record did not show a clear abuse of discretion. Bd. of County Comm'rs v. Simmons, 177 Colo. 347, 494 P.2d 85 (1972).

Standing to challenge of property owner outside territory of zoning authority. An owner of property adjacent to property being

rezoned but not within the territory of the zoning authority has standing to challenge the rezoning. *Bd. of County Comm'rs. v. City of Thornton*, 629 P.2d 605 (Colo. 1981).

Applied in *Theobald v. Bd. of County Comm'rs*, 644 P.2d 942 (Colo. 1982).

30-28-103. County planning commission. (1) Except as otherwise provided in this subsection (1), the board of county commissioners of any county within the state is authorized to appoint a commission of not less than three and not more than nine members, to be known as the county planning commission; except that, in counties of the state having a population of fifteen thousand or less desiring to establish a commission, the board of county commissioners may constitute the commission, or the board of county commissioners may appoint a separate body to serve as the commission. In counties of the state having a population of one hundred thousand or more, the board of county commissioners is authorized to appoint a commission of not less than three and not more than fifteen members.

(2) Each of such members of the commission shall be a resident of the county. The term of appointed members of the commission shall be three years and until their respective successors have been appointed, but the terms of office shall be staggered by making the appointments so that approximately one-third of the members' terms expire each year. Members of the commission on July 1, 1977, shall serve the remainder of the terms for which they were appointed. Thereafter, members shall be appointed pursuant to this subsection (2).

(3) The members of the commission shall receive such compensation as may be fixed by the board of county commissioners, and the board of county commissioners shall provide for reimbursement of the members of the commission for actual expenses incurred. The board of county commissioners shall provide for the filling of vacancies in the membership of the commission and for the removal of a member for nonperformance of duty or misconduct. The board of county commissioners may appoint associate members of such commission, each of whom shall be a resident of the county, and, in the event any regular member is temporarily unable to act owing to absence from the county, illness, interest in any matter before the commission, or any other cause, his place may be taken during such temporary disability by an associate member designated for that purpose.

Source: L. 39: p. 295, § 3. CSA: C. 45A, § 3. CRS 53: § 106-2-3. L. 56: p. 179, § 1. C.R.S. 1963: § 106-2-3. L. 77: Entire section amended, p. 1456, § 1, effective July 1. L. 2007: (1) amended, p. 32, § 1, effective August 3.

ANNOTATION

Commission authority. By this and § 30-28-102 the commissioners of the respective counties are authorized to provide for the zoning of all or any part of the unincorporated territory in their county, and they are authorized to appoint a planning commission. *Gordon v. Bd. of County Comm'rs*, 152 Colo. 376, 382 P.2d 545 (1963).

Adoption of master plan not mandated. The statutory scheme in Colorado does not mandate the adoption of a master plan by a county, but rather it authorizes the board of county commissioners to appoint a planning commission whose duty it is to make and adopt a master plan. *Concerned Citizens v. Bd. of County Comm'rs*, 636 P.2d 1338 (Colo. App. 1981).

And is not prerequisite to zoning resolution. Absent a statutory requirement that a

county adopt a master plan, a zoning resolution need not be preceded by the adoption of a formal written plan. *Concerned Citizens v. Bd. of County Comm'rs*, 636 P.2d 1338 (Colo. App. 1981).

County cannot enforce provisions of master plan adopted solely by county planning commission when the county planning commission is not a legislative body that affords landowners due process. *Bd. of County Comm'rs v. Conder*, 927 P.2d 1339 (Colo. 1996).

Although master plans are generally advisory only, a county has the authority to require compliance with a master plan when the county includes compliance with the master plan in its legislatively adopted subdivision regulations so long as the master plan is drafted with sufficient exactitude that proponents of a subdivision are

afforded due process, the county does not retain unfettered discretion, and the basis for a county's decision is clear for purposes of a reasoned judicial review. Bd. of County Comm'rs v. Conder, 927 P.2d 1339 (Colo. 1996).

Applied in Bd. of County Comm'rs v. City of Thornton, 629 P.2d 605 (Colo. 1981); Theobald v. Bd. of County Comm'rs, 644 P.2d 942 (Colo. 1982).

30-28-104. Chairman - rules - staff - information - grants and gifts. (1) The county planning commission shall elect a chairman from its members, whose term shall be for one year, and the commission may create and fill such other offices as it may determine. The commission shall adopt such rules and regulations governing its procedure as it may consider necessary or advisable and shall keep a record of its proceedings, which record shall be open to inspection by the public at all reasonable times. The board of county commissioners has the authority to employ experts and a staff and shall pay such expenses as may be deemed necessary for carrying out the powers conferred and the duties prescribed in this article. The county planning commission is directed to make use of the expert advice and information which may be furnished by appropriate federal, state, county, and municipal officials, departments, and agencies and in particular by the director of the division of planning in the department of local affairs of the state of Colorado. All state officials, departments, and agencies having information, maps, and data pertinent to county planning or zoning are authorized and directed to make the same available for the use of the county planning commission as well as to furnish such other technical assistance and advice as they may have available for such purpose.

(2) The county planning commission is specifically empowered to receive and expend all grants, gifts, and bequests, specifically including state and federal funds and other funds available for the purposes for which the commission exists, and to contract with the state of Colorado, the United States, and all other legal entities with respect thereto. The county planning commission may provide, within the limitations of its budget, matching funds wherever grants, gifts, bequests, and contractual assistance are available on such basis.

Source: L. 39: p. 294, § 2. CSA: C. 45A, § 2. L. 53: p. 225, § 1. CRS 53: § 106-2-2. L. 59: p. 616, § 1. C.R.S. 1963: § 106-2-2. L. 67: p. 72, § 1. L. 77: (1) amended, p. 1457, § 2, effective July 1.

ANNOTATION

Function and duty of planning commission initially is to make and adopt a master plan for the physical development of the unincorporated territory of a county. To that end, the commission is empowered to employ experts and to make detailed surveys and studies to accomplish the harmonious development of the

county in terms of the general welfare of the inhabitants and the efficient and economic use of its land. Johnson v. Bd. of County Comm'rs, 34 Colo. App. 14, 523 P.2d 159 (1974), aff'd sub nom. Colo. Leisure Prods., Inc. v. Johnson, 187 Colo. 443, 532 P.2d 742 (1975).

30-28-105. Regional planning commission. (1) The governing body or, in charter cities, the officials having charge of public improvements of any municipality or group of municipalities, together with the boards of county commissioners of any counties in which such municipality or group of municipalities is located or of any adjoining counties; or the governing bodies or, in charter cities, the officials having charge of public improvements of any municipality or group of municipalities, acting independently of the boards of county commissioners in which such municipality or group of municipalities is located; or the boards of county commissioners of any two or more counties may cooperate in the creation of a regional planning commission for any region defined as may be agreed upon by said cooperating governing bodies or officials or boards limited to a region within the jurisdiction of said cooperating governing bodies.

(2) The number and qualifications of members of any such regional planning commission, their terms, and the method of their appointment or removal shall be such as may be determined and agreed upon by said cooperating governing bodies or officials and boards; but each participating county or municipality shall be entitled to at least one voting

representative. The regional planning commission shall elect its chairman, whose term shall be one year, with eligibility for reelection. The commission may create and fill such other offices as it may determine.

(3) Any board of county commissioners or other county officials or the chief executive officer of any municipality, from time to time, upon the request of the commission and for the purpose of special surveys, may assign or detail to the commission any members of staffs of county or municipal administrative departments or may direct any such department to make for the commission special surveys or studies requested by the commission.

(4) The proportion of the expenses of the regional planning commission to be borne respectively by any governing body cooperating in the establishment and maintenance of the commission shall be such as may be determined and agreed upon by the cooperating bodies or officials or boards, and they are authorized to appropriate or cause to be appropriated their respective shares of such expense.

(5) Within the amounts duly appropriated or otherwise received, the regional planning commission has the power to appoint such clerical and stenographic employees and such technically qualified staff as are necessary to do the work of the commission. The regional planning commission has the further power to contract for such other services, facilities, and personnel as it may require within its means, including the services of professional planners and other consultants.

(6) The regional planning commission is specifically empowered to receive and expend all grants, gifts, and bequests, specifically including state and federal funds and other funds available for the purposes for which the commission exists, and to contract with the state of Colorado, the United States, and all other legal entities with respect thereto. The regional planning commission may provide, within the limitations of its budget, matching funds wherever grants, gifts, bequests, and contractual assistance are available on such basis.

(7) A regional planning commission shall be a body politic and corporate, with power to sue and be sued. It shall be liable on its undertakings, contractual or otherwise. The individual members thereof and the cooperating governing bodies or officials and boards shall not be liable on the undertakings of the commission, contractual or otherwise, regardless of the procedure by which such undertakings, or any of them, may be entered into.

(8) The regional planning commission has the power to adopt articles to regulate and govern its affairs, whether as an incorporated association or otherwise, in the performance of the regional planning functions as defined by statute; such articles shall contain rules pertaining to the transaction of the commission's business. The regional planning commission shall keep records of its resolutions, transactions, contractual undertakings, findings, and determinations, which records shall be public records. The regional planning commission has and shall exercise all powers necessary or incidental to exercise fully the powers and authority conferred in this section.

(9) A regional planning commission may, to the extent provided for in a resolution adopted by a board of county commissioners, perform the functions of a county planning commission as provided for in this part 1.

(10) Nothing in this part 1 shall preclude participation by any county or municipality in more than one regional planning commission.

30-28-106. Adoption of master plan - contents. (1) It is the duty of a county planning commission to make and adopt a master plan for the physical development of the unincorporated territory of the county. When a county planning commission decides to adopt a master plan, the commission shall conduct public hearings, after notice of such public hearings has been published in a newspaper of general circulation in the county in a manner sufficient to notify the public of the time, place, and nature of the public hearing, prior to final adoption of a master plan in order to encourage public participation in and awareness of the development of such plan and shall accept and consider oral and written public comments throughout the process of developing the plan.

(2) (a) It is the duty of a regional planning commission to make and adopt a regional plan for the physical development of the territory within the boundaries of the region, but no such plan shall be effective within the boundaries of any incorporated municipality within the region unless such plan is adopted by the governing body of the municipality for the development of its territorial limits and under the terms of paragraph (b) of this subsection (2). When a regional planning commission decides to adopt a master plan, the commission shall conduct public hearings, after notice of such public hearings has been published in a newspaper of general circulation in the region in a manner sufficient to notify the public of the time, place, and nature of the public hearing, prior to final adoption of a master plan in order to encourage public participation in and awareness of the development of such plan and shall accept and consider oral and written public comments throughout the process of developing the plan.

(b) Any plan adopted by a regional planning commission shall not be deemed an official advisory plan of any municipality or county unless adopted by the planning commission of such municipality or county.

(3) (a) The master plan of a county or region, with the accompanying maps, plats, charts, and descriptive and explanatory matter, shall show the county or regional planning commission's recommendations for the development of the territory covered by the plan. The master plan of a county or region shall be an advisory document to guide land development decisions; however, the plan or any part thereof may be made binding by inclusion in the county's or region's adopted subdivision, zoning, platting, planned unit development, or other similar land development regulations after satisfying notice, due process, and hearing requirements for legislative or quasi-judicial processes as appropriate. After consideration of each of the following, where applicable or appropriate, the master plan may include:

(I) The general location, character, and extent of existing, proposed, or projected streets or roads, rights-of-way, viaducts, bridges, waterways, waterfronts, parkways, highways, mass transit routes and corridors, and any transportation plan prepared by any metropolitan planning organization that covers all or a portion of the county or region and that the county or region has received notification of or, if the county or region is not located in an area covered by a metropolitan planning organization, any transportation plan prepared by the department of transportation that the county or region has received notification of and that applies to the county or region;

(II) The general location of public places or facilities, including public schools, culturally, historically, or archaeologically significant buildings, sites, and objects, playgrounds, forests, reservations, squares, parks, airports, aviation fields, military installations, and other public ways, grounds, open spaces, trails, and designated federal, state, and local wildlife areas. For purposes of this section, "military installation" shall have the same meaning as specified in section 29-20-105.6 (2) (b), C.R.S.

(III) The general location and extent of public utilities, terminals, capital facilities, and transfer facilities, whether publicly or privately owned, for water, light, power, sanitation, transportation, communication, heat, and other purposes, and any proposed or projected

needs for capital facilities and utilities, including the priorities, anticipated costs, and funding proposals for such facilities and utilities;

(IV) The general location and extent of an adequate and suitable supply of water. If the master plan includes a water supply element, the planning commission shall consult with the entities that supply water for use within the county or region to ensure coordination on water supply and facility planning, and the water supply element shall identify water supplies and facilities sufficient to meet the needs of the public and private infrastructure reasonably anticipated or identified in the planning process. Nothing in this subparagraph (IV) shall be construed to supersede, abrogate, or otherwise impair the allocation of water pursuant to the state constitution or laws, the right to beneficially use water pursuant to decrees, contracts, or other water use agreements, or the operation, maintenance, repair, replacement, or use of any water facility.

(V) The acceptance, widening, removal, extension, relocation, narrowing, vacation, abandonment, modification, or change of use of any of the public ways, rights-of-way, including the coordination of such rights-of-way with the rights-of-way of other counties, regions, or municipalities, grounds, open spaces, buildings, properties, utilities, or terminals, referred to in subparagraphs (I) to (IV) of this paragraph (a);

(VI) Methods for assuring access to appropriate conditions for solar, wind, or other alternative energy sources;

(VII) The general character, location, and extent of community centers, townsites, housing developments, whether public or private, the existing, proposed, or projected location of residential neighborhoods and sufficient land for future housing development for the existing and projected economic and other needs of all current and anticipated residents of the county or region, and urban conservation or redevelopment areas. If a county or region has entered into a regional planning agreement, such agreement may be incorporated by reference into the master plan.

(VIII) The general location and extent of forests, agricultural areas, flood control areas, and open development areas for purposes of conservation, food and water supply, sanitary and drainage facilities, flood control, or the protection of urban development;

(IX) A land classification and utilization program;

(X) Projections of population growth and housing needs to accommodate the projected population for specified increments of time. The county or region may base these projections upon data from the department of local affairs and upon the county's or region's local objectives.

(XI) The location of areas containing steep slopes, geological hazards, endangered or threatened species, wetlands, floodplains, floodways, and flood risk zones, highly erodible land or unstable soils, and wildfire hazards. For purposes of determining the location of such areas, the planning commission should consider the following sources for guidance:

(A) The Colorado geological survey for defining and mapping geological hazards;

(B) The United States fish and wildlife service of the United States department of the interior and the parks and wildlife commission created in section 33-9-101, C.R.S., for locating areas inhabited by endangered or threatened species;

(C) The United States Army corps of engineers and the United States fish and wildlife service national wetlands inventory for defining and mapping wetlands;

(D) The federal emergency management agency for defining and mapping floodplains, floodways, and flood risk zones;

(E) The natural resources conservation service of the United States department of agriculture for defining and mapping unstable soils and highly erodible land; and

(F) The Colorado state forest service for locating wildfire hazard areas.

(b) Any master plan of a county or region which includes mass transportation shall be coordinated with that of any adjacent county, region, or other political subdivision, as the case may be, to eliminate conflicts or inconsistencies and to assure the compatibility of such plans and their implementation pursuant to this section and sections 30-11-101, 30-25-202, and 30-26-301.

(c) The master plan of a county or region shall also include a master plan for the extraction of commercial mineral deposits pursuant to section 34-1-304, C.R.S.

(d) The master plan of a county or region may also include plans for the development of drainage basins in all or portions of the county or region. When county subdivision regulations require the payment of drainage fees, as provided in section 30-28-133 (11), the master plan shall include the plan for the development of drainage basins.

(e) In creating the master plan of a county or region, the county or regional planning commission may take into consideration the availability of affordable housing within the county or region. Counties are encouraged to examine any regulatory impediments to the development of affordable housing.

(f) (Deleted by amendment, L. 2007, p. 612, § 1, effective August 3, 2007.)

(g) The master plan of a county or region may include designated utility corridors to facilitate the provision of utilities to all developments in the county or region.

(4) (a) Each county that has not already adopted a master plan and that meets one of the following descriptions shall adopt a master plan within two years after January 8, 2002:

(I) Each county or city and county that has a population equal to or greater than ten thousand and the population of which has demonstrated an increase of either:

(A) Ten percent or more during the calendar years 1994 to 1999; or

(B) Ten percent or more during any five-year period ending in 2000 or any subsequent year;

(II) Each county or city and county that has a population of one hundred thousand or more.

(b) To the extent the county does not meet a description specified in subparagraph (I) or (II) of paragraph (a) of this subsection (4), the counties of Clear Creek, Gilpin, Morgan, and Pitkin shall adopt a master plan within two years after January 8, 2002.

(c) The department of local affairs shall annually determine, based on the population statistics maintained by said department, whether a county is subject to the requirements of this subsection (4), and shall notify any county that is newly identified as being subject to said requirements. Any such county shall have two years following receipt of notification from the department to adopt a master plan.

(d) Once a county is identified as being subject to the requirements of this subsection (4), the county shall at all times thereafter remain subject to the requirements of this subsection (4), regardless of whether it continues to meet any of the descriptions in paragraph (a) of this subsection (4).

(5) A master plan adopted in accordance with the requirements of subsection (4) of this section shall contain a recreational and tourism uses element pursuant to which the county shall indicate how it intends to provide for the recreational and tourism needs of residents of the county and visitors to the county through delineated areas dedicated to, without limitation, hiking, mountain biking, rock climbing, skiing, cross country skiing, rafting, fishing, boating, hunting, shooting, or any other form of sports or other recreational activity, as applicable, and commercial facilities supporting such uses.

(6) The master plan of any county adopted or amended in accordance with the requirements of this section on and after August 8, 2005, shall satisfy the requirements of section 29-20-105.6, C.R.S., as applicable.

(7) Notwithstanding any other provision of this section, no master plan originally adopted or amended in accordance with the requirements of this section shall conflict with a master plan for the extraction of commercial mineral deposits adopted by the county pursuant to section 34-1-304, C.R.S.

Function and duty of planning commission initially is to make and adopt a master plan for the physical development of the unincorporated territory of a county. To that end, the commission is empowered to employ experts and to make detailed surveys and studies to accomplish the harmonious development of the county in terms of the general welfare of the inhabitants and the efficient and economic use of its land. *Johnson v. Bd. of County Comm'rs*, 34 Colo. App. 14, 523 P.2d 159 (1974), *aff'd sub nom. Colo. Leisure Prods., Inc. v. Johnson*, 187 Colo. 443, 532 P.2d 742 (1975).

It is the duty of zoning officials to have proper information available in a public office so that those affected can determine their rights and privileges, as well as the duties and restrictions applicable to them. *Holly Dev., Inc. v. Bd. of County Comm'rs*, 140 Colo. 95, 342 P.2d 1032 (1959).

Master plan is advisory only. The master plan is only one source of comprehensive planning, and is generally held to be advisory only, and not the equivalent of zoning, nor binding upon the zoning discretion of the legislative body. *Theobald v. Bd. of County Comm'rs*, 644 P.2d 942 (Colo. 1982).

Conceptually, a master plan is a guide to development rather than an instrument to control land use. *Theobald v. Bd. of County Comm'rs*, 644 P.2d 942 (Colo. 1982).

Planning commission's decisions regarding an amendment to the land use plan are advisory only and legislative in nature. *Stuart v. Bd. of County Comm'rs*, 699 P.2d 978 (Colo. App. 1985).

And does not confer standing to challenge the plan. Considered alone, a master plan is merely advisory and does not affect legally protected interests of property owners so as to confer standing to challenge the plan. *Theobald v. Bd. of County Comm'rs*, 644 P.2d 942 (Colo. 1982).

And is implemented through zoning ordinances. In order to have a direct effect on property rights, the master plan must be further implemented through zoning, with proper notice

and hearing. *Theobald v. Bd. of County Comm'rs*, 644 P.2d 942 (Colo. 1982).

The master plan embodies policy determination and guiding principles; the zoning ordinances provide the detailed means of giving effect to those principles. *Theobald v. Bd. of County Comm'rs*, 644 P.2d 942 (Colo. 1982).

Master plan was not used as a guide to future zoning but was used, in effect, to rezone property into a classification in which residences are not permitted. *Vick v. Bd. of County Comm'rs*, 689 P.2d 699 (Colo. App. 1984).

Although master plans are generally advisory only, a county has the authority to require compliance with a master plan when the county includes compliance with the master plan in its legislatively adopted subdivision regulations so long as the master plan is drafted with sufficient exactitude that proponents of a subdivision are afforded due process, the county does not retain unfettered discretion, and the basis for a county's decision is clear for purposes of a reasoned judicial review. *Bd. of County Comm'rs v. Conder*, 927 P.2d 1339 (Colo. 1996).

Adoption authorized but not mandated. That statutory scheme in Colorado does not mandate the adoption of a master plan by a county, but rather it authorizes the board of county commissioners to appoint a planning commission whose duty it is to make and adopt a master plan. *Concerned Citizens v. Bd. of County Comm'rs*, 636 P.2d 1338 (Colo. App. 1981).

Adoption not prerequisite to zoning resolution. Absent a statutory requirement that a county adopt a master plan, a zoning resolution need not be preceded by the adoption of a formal written plan. *Concerned Citizens v. Bd. of County Comm'rs*, 636 P.2d 1338 (Colo. App. 1981).

County had authority under the Local Government Land Use Control Enabling Act, article 20 of title 29 (enabling act), to impose temporary moratorium on developmental approvals concerning certain land within county. The enabling act is designed to give local governments additional or supplemental powers for the purposes set forth in the act, including development in hazardous areas, protecting wildlife habitats, protecting areas of historical or archeological significance, controlling population density, and providing for the phasing in of infrastructure. These special considerations, in many instances, supplement those normally involved in creating a zoning master plan or administering a zoning regimen. Accordingly, the enabling act and this article (county planning statute) have different, though complementary, purposes, and the limitation on temporary zoning in § 30-28-121 does not prohibit or limit a moratorium on development for the purpose of

studies under the enabling act. *Droste v. Bd. of County Comm'rs of Pitkin*, 141 P.3d 852 (Colo. App. 2005), *aff'd*, 159 P.3d 601 (Colo. 2007).

Applied in *City & County of Denver v. Bergland*, 517 F. Supp. 155 (D. Colo. 1981); *Bd.*

of *County Comm'rs v. City of Thornton*, 629 P.2d 605 (Colo. 1981); *Beaver Meadows v. Bd. of County Comm'rs*, 709 P.2d 928 (Colo. 1985).

30-28-107. Surveys and studies. In the preparation of a county or regional master plan, a county or regional planning commission shall make careful and comprehensive surveys and studies of the existing conditions and probable future growth of the territory within its jurisdiction. The county or regional master plan shall be made with the general purpose of guiding and accomplishing a coordinated, adjusted, and harmonious development of the county or region which, in accordance with present and future needs and resources, will best promote the health, safety, morals, order, convenience, prosperity, or general welfare of the inhabitants, as well as efficiency and economy in the process of development, including such distribution of population and of the uses of land for urbanization, trade, industry, habitation, recreation, agriculture, forestry, and other purposes as will tend to create conditions favorable to health, safety, energy conservation, transportation, prosperity, civic activities, and recreational, educational, and cultural opportunities; will tend to reduce the wastes of physical, financial, or human resources which result from either excessive congestion or excessive scattering of population; and will tend toward an efficient and economic utilization, conservation, and production of the supply of food and water and of drainage, sanitary, and other facilities and resources.

Source: L. 39: p. 297, § 6. CSA: C. 45A, § 6. CRS 53: § 106-2-6. C.R.S. 1963: § 106-2-6. L. 79: Entire section amended, p. 1159, § 2, effective May 25.

ANNOTATION

Statute does not support conclusion that consideration of demand-side alternatives is a prerequisite to a finding of reasonableness under statutory section requiring conformity to a county land use plan unless a variance is found reasonable. *Douglas County Bd. of Comm'rs v. Pub. Utils. Comm'n*, 866 P.2d 919 (Colo. 1994).

Assuming energy conservation is a prerequisite to a finding of reasonableness, this assumption does not lead invariably to the conclu-

sion that demand-side alternatives must be taken into account. To the contrary, demand-side alternatives are only one of many possible conservation measures that could be considered. *Douglas County Bd. of Comm'rs v. Pub. Utils. Comm'n*, 866 P.2d 919 (Colo. 1994).

Applied in *Bd. of County Comm'rs v. City of Thornton*, 629 P.2d 605 (Colo. 1981); *Theobald v. Bd. of County Comm'rs*, 644 P.2d 942 (Colo. 1982).

30-28-108. Adoption of plan by resolution. A county or regional planning commission may adopt the county or regional master plan as a whole by a single resolution or, as the work of making the whole master plan progresses, may adopt parts thereof, any such part to correspond generally with one or more of the functional subdivisions of the subject matter which may be included in the plan. The commission may amend, extend, or add to the plan or carry any part of it into greater detail from time to time. The adoption of the plan or any part, amendment, extension, or addition shall be by resolution carried by the affirmative votes of not less than a majority of the entire membership of the commission. The resolution shall refer expressly to the maps and descriptive matter intended by the commission to form the whole or part of the plan. The action taken shall be recorded on the map and descriptive matter by the identifying signature of the secretary of the commission.

Source: L. 39: p. 297, § 7. CSA: C. 45A, § 7. CRS 53: § 106-2-7. C.R.S. 1963: § 106-2-7.

ANNOTATION

This section deals with the powers and duties of the planning commission. *Gorden v. Bd. of County Comm'rs*, 152 Colo. 376, 382 P.2d 545 (1963).

Commission may amend, add, or extend plan once adopted and approved. Once the master plan is adopted by the commission and approved by the board, the commission then may amend, extend, or add to the plan as time and circumstances dictate. *Johnson v. Bd. of County Comm'rs*, 34 Colo. App. 14, 523 P.2d 159 (1974), *aff'd sub nom. Colo. Leisure Prods., Inc. v. Johnson*, 187 Colo. 443, 532 P.2d 742 (1975).

Also, this section is applicable to the resolutions of county commissioners on the subject of zoning property. *Gorden v. Bd. of County Comm'rs*, 152 Colo. 376, 382 P.2d 545 (1963).

Where a request for change in zoning originates before the planning commission this article contemplates that the question before the county commissioners shall be whether the recommendations of the planning commission shall be approved. *Gorden v. Bd. of County Comm'rs*, 152 Colo. 376, 382 P.2d 545 (1963).

A recommendation of the planning commission must be in the form of a resolution which itself identifies the property to be affected. *Gorden v. Bd. of County Comm'rs*, 152 Colo. 376, 382 P.2d 545 (1963).

Therefore, in the absence of a resolution which identifies the property to be affected,

there is nothing properly before the county commissioners to be approved or disapproved. *Gorden v. Bd. of County Comm'rs*, 152 Colo. 376, 382 P.2d 545 (1963).

In amending the zoning law, the official or body making the amendment is enacting law, binding on the public, and is not merely dealing with the rights of the owners of the particular property affected, and the act is legislative and based on present facts, rather than judicial and dependent on past facts. *Gorden v. Bd. of County Comm'rs*, 152 Colo. 376, 382 P.2d 545 (1963).

Municipal ordinance precluded. Where a statute, such as this section, authorizes the adoption of zoning regulations by means of resolution, the municipality may not act by way of ordinance; but where the statute requires an ordinance for the attainment of the zoning restriction, a resolution is ineffective to accomplish the desired result. *Gorden v. Bd. of County Comm'rs*, 152 Colo. 376, 382 P.2d 545 (1963).

The pronouncements of the supreme court in cases dealing with zoning ordinances adopted by cities are applicable to the actions of county commissioners in connection with zoning "resolutions" which they are now authorized to adopt, unless some specific statutory provision authorizes a different procedure. *Gorden v. Bd. of County Comm'rs*, 152 Colo. 376, 382 P.2d 545 (1963).

Applied in *Theobald v. Bd. of County Comm'rs*, 644 P.2d 942 (Colo. 1982).

30-28-109. Certification of plan. The county planning commission shall certify a copy of its master plan, or any adopted part or amendment thereof or addition thereto, to the board of county commissioners of the county. The regional planning commission shall certify such copies to the boards of county commissioners of the counties lying wholly or partly within the region. The county or regional planning commission shall certify such copies to the planning commission of all municipalities within the county or region. Any municipal planning commission which receives any such certification may adopt so much of the plan, part, amendment, or addition as falls within the territory of the municipality as a part or amendment of or addition to the master plan of the municipality, and, when so adopted, it shall have the same force and effect as though made and prepared, as well as adopted, by such municipal planning commission.

Source: L. 39: p. 298, § 8. CSA: C. 45A, § 8. CRS 53: § 106-2-8. C.R.S. 1963: § 106-2-8.

ANNOTATION

Law reviews. For comment, "Regionalism or Parochialism: The Land Use Planner's Dilemma", see 48 U. Colo. L. Rev. 575 (1977).

Applied in *Bd. of County Comm'rs v. City of*

Thornton, 629 P.2d 605 (Colo. 1981); *Theobald v. Bd. of County Comm'rs*, 644 P.2d 942 (Colo. 1982).

30-28-110. Regional planning commission approval - required when - recording.
(1) (a) Whenever any county planning commission or, if there is none, any regional

planning commission has adopted a master plan of the county or any part thereof, no road, park, or other public way, ground, or space, no public building or structure, or no public utility, whether publicly or privately owned, shall be constructed or authorized in the unincorporated territory of the county until and unless the proposed location and extent thereof has been submitted to and approved by such county or regional planning commission.

(b) In case of disapproval, the commission shall communicate its reasons to the board of county commissioners of the county in which the public way, ground, space, building, structure, or utility is proposed to be located. Such board has the power to overrule such disapproval by a vote of not less than a majority of its entire membership. Upon such overruling, said board or other official in charge of the proposed construction or authorization may proceed therewith.

(c) If the public way, ground, space, building, structure, or utility is one the authorization or financing of which does not, under the law governing the same, fall within the province of the board of county commissioners or other county officials or board, the submission to the commission shall be by the body or official having such jurisdiction, and the commission's disapproval may be overruled by said body by a vote of not less than a majority of its entire membership or by said official. In the case of a utility owned by an entity other than a political subdivision, the submission to the commission shall be by the utility and shall not be by the public utilities commission; however, the commission's disapproval may be overruled by the public utilities commission by a vote of not less than a majority of its entire membership.

(d) The acceptance, widening, removal, extension, relocation, narrowing, vacation, abandonment, change of use, or sale or lease of or acquisition of land for any road, park, or other public way, ground, place, property, or structure shall be subject to similar submission and approval, and the failure to approve may be similarly overruled.

(e) The failure of the commission to act within thirty days after the date of official submission to it shall be deemed approval, unless a longer period is granted by the submitting board, body, or official.

(2) (a) In any geographic area of common planning jurisdiction, which area consists of part or all of several counties for which a regional plan has been duly adopted, the district, county, or municipal planning commission shall refer to the regional planning commission for review any proposed new or changed land use plan, zoning amendments, subdivision proposals, housing codes, sign codes, urban renewal projects, proposed public facilities, or other planning functions which clearly affect another local governmental unit, or which affect the region as a whole, or which are the subject of primary responsibility of the regional planning commission.

(b) In any geographic area of common planning jurisdiction which involves part or all of only one county for which a regional plan has been duly adopted, the district, county, or municipal planning commission shall refer to the regional planning commission for review any proposed new or changed land use plan, zoning amendments, subdivision proposals, housing codes, sign codes, urban renewal projects, proposed public facilities, or other planning functions which clearly affect another local governmental unit, or which affect the region as a whole, or which are the subject of primary responsibility of the regional planning commission.

(c) The regional planning commission shall, within thirty days after the receipt of such referral, report to the district, county, or municipal planning commission on the effect of the referred matter on the regional plan. This time may be extended by mutual agreement. If, during the review time, a satisfactory adjustment in the referred matter cannot be worked out, the regional planning commission may report to the district, county, or municipal planning commission that this referred matter is inconsistent with the regional plan. In that case, if the district, county, or municipality has theretofore adopted the regional plan for the development of its area, the concurrent vote of two-thirds of the total membership of the district, county, or municipal planning commission shall be required to issue a different independent report on such matters. In all instances, the regional planning commission may also forward its report on the referred matter to the governing body of the governmental unit having authority to decide the matter.

(d) The failure of the regional planning commission to reply within thirty days after the receipt of the referral, or within the agreed extension of time, shall be deemed approval of the matter referred.

(e) A failure on the part of any district, county, or municipal planning commission to refer to the regional planning commission any plan or authorization provided for in paragraphs (a) and (b) of this subsection (2) shall be deemed a determination by such district, county, or municipal planning commission that the matter is local in nature.

(f) The regional planning commission, on its own initiative, may initiate a review of any matter involving its regional planning functions, whether such matter has been referred to it or not, if the subject of the review affects two or more local jurisdictions and may make a report of the result of such review to the governing bodies of the jurisdictions involved.

(g) The provisions of this subsection (2) shall not apply to any proposed business or industrial zoning change of less than twenty acres nor to any proposed residential zoning change or subdivision of less than forty acres.

(3) (a) All plans of streets or highways for public use, and all plans, plats, plots, and replots of land laid out in subdivision or building lots and the streets, highways, alleys, or other portions of the same intended to be dedicated to a public use or the use of purchasers or owners of lots fronting thereon or adjacent thereto, shall be submitted to the board of county commissioners for review and subsequent approval, conditional approval, or disapproval. It is not lawful to record any such plan or plat in any public office unless the same bears thereon, by endorsement or otherwise, the approval of the board of county commissioners and after review by the appropriate planning commission.

(b) The approval of said plan or plat by such commission shall not be deemed an acceptance of the proposed dedication by the public. Such acceptance, if any, shall be given by action of the governing body of the municipality or by the board of county commissioners. The owners and purchasers of such lots shall be presumed to have notice of public plans, maps, and reports of such commission affecting such property within its jurisdiction.

(4) (a) Any subdivider, or agent of a subdivider, who transfers legal or equitable title or sells any subdivided land before a final plat for such subdivided land has been approved by the board of county commissioners and recorded or filed in the office of the county clerk and recorder is guilty of a misdemeanor and, upon conviction thereof, shall be punished by a fine of not more than one thousand dollars nor less than five hundred dollars for each parcel of or interest in subdivided land which is sold. All fines collected under this paragraph (a) shall be credited to the general fund of the county. No person shall be prosecuted, tried, or punished under this paragraph (a) unless the indictment, information, complaint, or action for the same is instituted prior to the expiration of eighteen months after the recordation or filing in the office of the county clerk and recorder of the instrument transferring or selling such subdivided land. The board of county commissioners may provide for the enforcement of subdivision regulations by means of withholding building permits. No plat for subdivided land shall be approved by the board of county commissioners unless at the time of the approval of platting the subdivider provides the certification of the county treasurer's office that all ad valorem taxes applicable to such subdivided land, for years prior to that year in which approval is granted, have been paid.

(b) The board of county commissioners of the county in which the subdivided land is located has the power to bring an action to enjoin any subdivider from selling subdivided land before a final plat for such subdivided land has been approved by the board of county commissioners.

(c) The board of county commissioners shall distribute, or cause to be distributed, the sets of plans or plats submitted to the agencies as referred to in section 30-28-136 (1).

(d) Any violation of paragraph (a) of this subsection (4) is prima facie evidence of a fraudulent land transaction and shall be grounds for the purchaser to void the transfer or sale.

(e) This subsection (4) applies only with respect to parcels of land less than thirty-five acres in area.

(5) (a) Notice of the filing of preliminary plans of any type required by this section to be submitted to a district, regional, or county planning commission or to the board of county commissioners, if the situs of these plans lies wholly or partially within two miles of the

corporate limits of a municipality but not within the corporate limits of another municipality, shall be referred to the town or city clerk of such municipality by the county planning commission or, if there be none, by the board of county commissioners. Within fourteen days of the receipt of such plans, the municipality, by action of its city council or town board, or, if one exists, by action of its planning commission, may make its recommendations to the board of county commissioners, which shall forward the same to the district, regional, or county planning commission, if any. Failure of the town board, city council, or agents designated by them to make any recommendation within fourteen days of the receipt of such plans shall constitute waiver of its right to make such recommendation.

(b) If such recommendation is made by the municipality, it shall be taken into consideration by the board of county commissioners and district, regional, or county planning commission, if any, before action is taken upon the plans. The board of county commissioners and district, regional, or county planning commission, if any, shall take no action on such plans until the recommendation of the municipality is received or until fifteen days after receipt of the preliminary plans, whichever is sooner.

ANNOTATION

Law reviews. For article, "Recent Developments in Zoning Law in Colorado", see 39 Dicta 211 (1962). For article, "1974 Land Use Legislation in Colorado", see 51 Den. L.J. 467 (1974). For article, "Inverse Condemnation — A Viable Alternative", see 51 Den. L.J. 529 (1974).

The powers of the board of county commissioners must be construed strictly. Bd. of County Comm'rs v. Pfeifer, 190 Colo. 275, 546 P.2d 946 (1976).

Express and implied county powers. As a political subdivision of the state, a county possesses only those powers which are expressly granted to it and those implied powers which are reasonably necessary to execute the express powers. Bd. of County Comm'rs v. Pfeifer, 190 Colo. 275, 546 P.2d 946 (1976).

One of the purposes of this section is to provide a method by which the county through its planning commission can inform and advise other governmental units of the effects of their proposed actions upon the county and its residents. Blue River Defense Comm. v. Town of Silverthorne, 33 Colo. App. 10, 516 P.2d 452 (1973).

This section does not provide that county approval of a plat is sufficient in itself to permit construction of any improvement. The effect of the approval and recording of a plat is to permit the owner to transfer or sell land by reference to the plat without penalty. Beyond that, the approval has no specific effect by stat-

ute. SK Fin. SA v. La Plata County, Bd. of Comm'rs, 126 F.3d 1272 (10th Cir. 1997).

It is incumbent upon entity having jurisdiction over project to submit proposal to county planning commission, even though such entity has authority to later override the planning commission's disapproval. Blue River Defense Comm. v. Town of Silverthorne, 33 Colo. App. 10, 516 P.2d 452 (1973).

In order that county residents may present objections and views. Even though a town may affirmatively overrule a county's decision regarding the town's proposed construction of a sewage plant, the residents of the county are entitled to an opportunity to present their objections and views and to have these considered as part of the planning commission's approval or disapproval and to require that if construction is to proceed, the town must determine to proceed in the face of county's objection. Blue River Defense Comm. v. Town of Silverthorne, 33 Colo. App. 10, 516 P.2d 452 (1973).

Subsection (1)(a) of this section is limited by the public utilities commission's exercise of its police power to regulate transmission lines in the interest of public safety pursuant to § 40-4-106. Mountain View Elec. Ass'n v. Pub. Utils. Comm'n, 686 P.2d 1336 (Colo. 1984).

Subsection (4) is in derogation of the common law and must be construed strictly. Bd. of County Comm'rs v. Pfeifer, 190 Colo. 275, 546 P.2d 946 (1976).

Although subsection (4) does not address who bears the burden of obtaining a survey

and exemption, the trial court possesses broad discretion in fashioning equitable remedies and did not abuse its discretion in ordering that the defendants shall bear the cost of the survey and the responsibility for obtaining the exemption required prior to the sale of a subdivided parcel of land. *Schreck v. T&C Sanderson Farms, Inc.*, 37 P.3d 510 (Colo. App. 2001).

Subsection (4)(a) of this section is constitutional. *Hopkins v. Bd. of County Comm'rs*, 193 Colo. 230, 564 P.2d 415 (1977).

General assembly intended the permitting process under § 24-65.1-501 to apply to utility projects that involve designated activities of state interest and this section to apply to any other utility project. *Colo. Springs v. Eagle Cty. Bd. of County Comm'rs*, 895 P.2d 1105 (Colo. App. 1994).

Restriction on free alienation of property. The statutory provision requiring approval of the plat by a board prior to the conveyance places a restriction on the free alienation of property, which is one of the essential attributes of common-law property ownership. *Bd. of County Comm'rs v. Pfeifer*, 190 Colo. 275, 546 P.2d 946 (1976).

Board remedies limited. The general assembly has clearly and expressly established the remedies available to the board in order to enforce its subdivision requirements, and they are so limited. *Bd. of County Comm'rs v. Pfeifer*, 190 Colo. 275, 546 P.2d 946 (1976).

Subsection (4) specifies the relief a county would be entitled to where land is transferred in violation of the terms of this section; namely, injunction prior to sale or initiation of prosecution for a misdemeanor following sale. *Bd. of County Comm'rs v. Pfeifer*, 35 Colo. App. 89, 532 P.2d 51 (1974), modified, 190 Colo. 275, 546 P.2d 946 (1976).

Subsection (4)(a) confers no power on court to set aside conveyance at request of board. *Hinton v. Lake Fork Dev. Co.*, 35 Colo. App. 94, 531 P.2d 974 (1974), aff'd, 190 Colo. 394, 548 P.2d 122 (1976).

Word "enjoin" as used in subsection (4)(b) does not authorize the setting aside of a conveyance which occurred without the filing of a plat. *Bd. of County Comm'rs v. Pfeifer*, 35 Colo. App. 89, 532 P.2d 51 (1974), modified, 190 Colo. 275, 546 P.2d 946 (1976).

Although C.R.C.P. 65(f), provides for the issuance of a mandatory injunction, the strict construction of subsection (4) precludes the availability of such relief to a county. *Bd. of County Comm'rs v. Pfeifer*, 190 Colo. 275, 546 P.2d 946 (1976).

Misdemeanor and fine adequate. A person who violates subsection (4)(a) may be fined and found guilty of a misdemeanor, but a county has no authority under subsection (4)(b) to seek the setting aside of a conveyance. *Bd. of County*

Comm'rs v. Pfeifer, 190 Colo. 275, 546 P.2d 946 (1976).

This section creates a problem for the counties in preventing the sales of land where the sale is completed and the deed recorded before the county has had the opportunity to secure an injunction. However, the general assembly has sought to deter violations by making such conduct a misdemeanor. The general assembly apparently determined that this would be an adequate remedy. *Bd. of County Comm'rs v. Pfeifer*, 190 Colo. 275, 546 P.2d 946 (1976).

Continuing violation. Ordinarily, actual or proposed use itself would constitute "violation" under this section. However, where alleged violation is the failure to secure the approval of the plat by the board, this violation will continue until the board actually approves the plat and, therefore, the board's claim for relief adequately pleaded the necessary facts upon which relief may be granted. *Bd. of County Comm'rs v. Pfeifer*, 190 Colo. 275, 546 P.2d 946 (1976).

Town exercising eminent domain beyond corporate limits must comply with section. A town must comply with county zoning procedures enunciated in this section when the town exercises its power of eminent domain for construction of sewage facilities beyond its corporate limits pursuant to § 38-6-122. *Blue River Defense Comm. v. Town of Silverthorne*, 33 Colo. App. 10, 516 P.2d 452 (1973).

Disregard of zoning regulations. Even without definite statutory direction, as found in this section, courts of last resort have recognized that districts, authorities, and other state authorized governmental subdivisions have the power to overrule or disregard the restrictions of county or municipal zoning regulations. *Reber v. South Lakewood San. Dist.*, 147 Colo. 70, 362 P.2d 877 (1961); *Hygiene Fire Prot. Dist. v. Bd. of County Comm'rs*, 205 P.3d 487 (Colo. App. 2008), aff'd, 221 P.3d 1063 (Colo. 2009).

Statutory county may not refuse to process an otherwise complete application for location and extent review of a public project under subsection (1)(a) on the basis that the applicant political subdivision must first seek modification of a planned unit development (PUD). The override authority of political subdivisions with special statutory purposes, codified in subsection (1), is applicable to the PUD act. *Bd. of County Comm'rs v. Hygiene Fire Prot. Dist.*, 221 P.3d 1063 (Colo. 2009).

The extent and exact location as referred to in this section could not be determined in eminent domain proceedings until the question of necessity had been decided. *Miller v. Pub. Serv. Co.*, 129 Colo. 513, 272 P.2d 283 (1954), appeal dismissed, 348 U.S. 923, 75 S. Ct. 338, 99 L. Ed. 724 (1955).

Application by town to the state water pollution control commission for approval of location for sewage treatment facilities did not

constitute submission to the county planning commission as contemplated by this section where one page of the application contained a signature of approval on behalf of the planning commission. *Blue River Defense Comm. v. Town of Silverthorne*, 33 Colo. App. 10, 516 P.2d 452 (1973).

Denver did not need to first obtain the consent of Arapahoe county to the acquisition, for an airport, of lands already zoned for airport purposes by the Arapahoe county officials. *City and County of Denver v. Bd. of Comm'rs*, 113 Colo. 150, 156 P.2d 101 (1945).

The master plan is only one source of comprehensive planning, and is generally held to be advisory only, and not the equivalent of zoning, nor binding upon the zoning discretion

of the legislative body. *Theobald v. Bd. of County Comm'rs*, 644 P.2d 942 (Colo. 1982).

The requirement of a metes and bounds description of a tract for purposes of qualifying the tract for exemption from the limitations of subsection (4)(a) was not unreasonable or arbitrary, and the denial of the exemption was not an abuse of discretion. *Hopkins v. Bd. of County Comm'rs*, 193 Colo. 230, 564 P.2d 415 (1977).

Statute as basis for jurisdiction. See *Bd. of County Comm'rs v. Hinton*, 190 Colo. 394, 548 P.2d 122 (1976).

Applied in *McArthur v. Zabka*, 177 Colo. 337, 494 P.2d 89 (1972); *Bd. of County Comm'rs v. City of Thornton*, 629 P.2d 605 (Colo. 1981).

30-28-111. Zoning plan. (1) The county planning commission of any county may, and upon order by the board of county commissioners in any county having a county planning commission shall, make a zoning plan for zoning all or any part of the unincorporated territory within such county, including both the full text of the zoning resolution and the maps, and representing the recommendations of the commission for the regulation by districts or zones of the location, height, bulk, and size of buildings and other structures, percentage of lot which may be occupied, the size of lots, courts, and other open spaces, the density and distribution of population, the location and use of buildings and structures for trade, industry, residence, recreation, public activities, or other purposes, access to sunlight for solar energy devices, and the uses of land for trade, industry, recreation, or other purposes. To the end that adequate safety may be secured, the county planning commission may include in said zoning plan provisions establishing, regulating, and limiting such uses on or along any storm or floodwater runoff channel or basin as such storm or floodwater runoff channel or basin has been designated and approved by the Colorado water conservation board in order to lessen or avoid the hazards to persons and damage to property resulting from the accumulation of storm or floodwaters.

(2) The county planning commission or the board of adjustment of any county, in the exercise of powers pursuant to this article, may condition any portion of a zoning resolution, any amendment thereto, or any exception to the terms thereof upon the preservation, improvement, or construction of any storm or floodwater runoff channel designated and approved by the Colorado water conservation board.

Source: L. 39: p. 299, § 10. CSA: C. 45A § 10. CRS 53: § 106-2-10. C.R.S. 1963: § 106-2-10. L. 66: p. 42, § 5. L. 79: (1) amended, p. 1160, § 3, effective May 25.

ANNOTATION

Law reviews. For article, "Winning the Rezoning", see 11 Colo. Law. 634 (1982). For article, "Judicial Review, Referral and Initiation of Zoning Decisions", see 13 Colo. Law. 387 (1984). For article, "Substantive Due Process and Zoning Decisions", see 25 Colo. Law. 71 (March 1996).

In Colorado zoning resolutions by counties are authorized by statute which have been held constitutional. *Di Salle v. Giggall*, 128 Colo. 208, 261 P.2d 499 (1953).

And the principal constitutional limitation is that zoning provisions must be reasonable and for the promotion of the public welfare, this must be determined by the court from the

facts, circumstances, and locality in the particular case. *Di Salle v. Giggall*, 128 Colo. 208, 261 P.2d 499 (1953).

Zoning regulations must bear a real and substantial relationship to the public health, safety, morals, or welfare. *Bd. of County Comm'rs v. Echternacht*, 194 Colo. 311, 572 P.2d 143 (1977).

The purpose of this section is to regulate the density of population and use of lands, and where not so designated, the act clearly implies such intended purposes. *Di Salle v. Giggall*, 128 Colo. 208, 261 P.2d 499 (1953).

Courts will indulge every intent and in favor of a zoning resolution and that the

presumption of constitutionality casts the heavy burden upon one who seeks a declaration of invalidity of proving beyond a reasonable doubt that the resolution is unconstitutional. *Bd. of County Comm'rs v. Thompson*, 177 Colo. 277, 493 P.2d 1358 (1972); *Famularo v. Bd. of County Comm'rs*, 180 Colo. 333, 505 P.2d 958 (1973).

A zoning plan is presumed to be constitutional, and one challenging such a plan has the burden of demonstrating its unconstitutionality. *Bd. of County Comm'rs v. Echternacht*, 194 Colo. 311, 572 P.2d 143 (1977).

To sustain an attack upon the validity of a zoning limitation, the aggrieved property owner must show that the enforced restriction upon his property will preclude its use for any purpose to which it is reasonably adapted, so where the reasonableness of a zoning ordinance is fairly debatable, it must be upheld. *Famularo v. Bd. of County Comm'rs*, 180 Colo. 333, 505 P.2d 958 (1973).

And a board of county commissioners, as the legislative body, has a wide prerogative in classifying and regulating uses of land for trade, industry, recreation, and other purposes, and it is not the function of the courts to determine how uses shall be defined or what uses shall be permitted in various districts under comprehensive zoning resolutions. *Bd. of County Comm'rs v. Thompson*, 177 Colo. 277, 493 P.2d 1358 (1972).

Thus, whether one use of land is more or less objectionable than another is for legislative determination in classifying land uses in respective zoning districts. *Bd. of County Comm'rs v. Thompson*, 177 Colo. 277, 493 P.2d 1358 (1972).

And a zoning ordinance is not to be held unconstitutional because it prohibits the most desirable and convenient use of the land. *Bd. of County Comm'rs v. Thompson*, 177 Colo. 277, 493 P.2d 1358 (1972).

Nor is a zoning ordinance required to permit most profitable use of land. The due process and just compensation clauses of the state and federal constitutions do not require that zoning ordinances permit a landowner to make the most profitable use of his property. For there to be a taking, the landowner must show he has been deprived of all reasonable uses of his land. *C.F. Lytle Co. v. Clark*, 491 F.2d 834 (10th Cir. 1974).

No denial of due process or equal protection. Where land users make no showing that other land users within the same zoning district

are permitted to do what they have been denied the right to do, a court finds no denial of due process or equal protection. *Bd. of County Comm'rs v. Thompson*, 177 Colo. 277, 493 P.2d 1358 (1972).

And where zoning regulations relating to mineral conservation districts provide for sufficient uses, such uses of land are limited, but limitation upon land use is one of the fundamental purposes of zoning necessary to achieve the purposes of the mineral conservation district, and such regulations, on their face, do not amount to a taking of property without due process of law. *Famularo v. Bd. of County Comm'rs*, 180 Colo. 333, 505 P.2d 958 (1973).

Submission to county board required. This section does require the county planning commission, when it formulates a zoning plan or plans, to submit both the full text of the zoning resolution and the maps representing its recommendations to the board of county commissioners. *Holly Dev., Inc. v. Bd. of County Comm'rs*, 140 Colo. 95, 342 P.2d 1032 (1959).

The fact that the planning department and not the planning commission itself prepared zoning plan does not violate the provision of this section requiring the planning commission to make a zoning plan. *Raygor v. Bd. of County Comm'rs*, 21 P.3d 432 (Colo. App. 2000).

Minimizing adverse traffic conditions is a legitimate zoning objective. *Western Paving Constr. Co. v. Bd. of County Comm'rs*, 689 P.2d 703 (Colo. App. 1984).

The regulation of the number of families to a given lot area is of vital importance to the orderly development of a rapidly growing territory adjoining a city, particularly for reasons of sanitation therein. *Di Salle v. Giggall*, 128 Colo. 208, 261 P.2d 499 (1953).

Landowner cannot create his own hardship and then require that zoning regulations be changed to meet that hardship. *C.F. Lytle Co. v. Clark*, 491 F.2d 834 (10th Cir. 1974).

Master plan not binding on zoning discretion. The master plan in only one source of comprehensive planning, and is generally held to be advisory only, and not the equivalent of zoning, nor binding upon the zoning discretion of the legislative body. *Theobald v. Bd. of County Comm'rs*, 644 P.2d 942 (Colo. 1982).

Applied in *Western Paving Constr. Co. v. Bd. of County Comm'rs*, 181 Colo. 77, 506 P.2d 1230 (1973); *Bd. of County Comm'rs v. City of Thornton*, 629 P.2d 605 (Colo. 1981); *C & M Sand & Gravel v. Bd. of County Comm'rs*, 673 P.2d 1013 (Colo. App. 1983).

30-28-112. Certification of plan - hearings. The county planning commission shall certify a copy of the plans for zoning all or any part of the unincorporated territory within the county, or any adopted part or amendment thereof or addition thereto, to the board of county commissioners of the county. After receiving the certification of said zoning plans from the commission and before the adoption of any zoning resolutions, the board of county

commissioners shall hold a public hearing thereon, the time and place of which at least fourteen days' notice shall be given by one publication in a newspaper of general circulation in the county. Such notice shall state the place at which the text and maps so certified by the county planning commission may be examined. No substantial change in or departure from the text or map so certified by the county planning commission shall be made unless such change or departure is first submitted to the certifying county planning commission for its approval, disapproval, or suggestions and, if disapproved, shall receive the favorable vote of not less than a majority of the entire membership of the board of county commissioners. The county planning commission shall have thirty days after such submission within which to send its report to the board of county commissioners.

Source: L. 39: p. 299, § 11. CSA: C. 45A, § 11. CRS 53: § 106-2-11. C.R.S. 1963: § 106-2-11. L. 92: Entire section amended, p. 965, § 4, effective June 1.

ANNOTATION

Legislative intent was to provide the board with expertise of the commission in the form of recommendations on each specific amendment to that plan. *Johnson v. Bd. of County Comm'rs*, 34 Colo. App. 14, 523 P.2d 159 (1974), aff'd sub nom. *Colo. Leisure Prods., Inc. v. Johnson*, 187 Colo. 443, 532 P.2d 742 (1975).

If an amendment is proposed by the planning commission, this section applies. *Johnson v. Bd. of County Comm'rs*, 34 Colo. App. 14, 523 P.2d 159 (1974), aff'd sub nom. *Colo. Leisure Prods., Inc. v. Johnson*, 187 Colo. 443, 532 P.2d 742 (1975).

Section applies if amendment intended to alter all zoned areas. This section is applicable where the proposed amendment is intended to alter the original zoning plan in comprehensive fashion and in a manner which would affect all zoned areas. *Colo. Leisure Prods., Inc. v. Johnson*, 187 Colo. 443, 532 P.2d 742 (1975).

Substantially altered amendment resubmitted to commission. If the board of county commissioners concludes that an amendment should be substantially altered, then it must be resubmitted to the planning commission in order that the county commissioners receive the recommendations of the planning commission on the revised amendment which the board proposes to adopt. *Johnson v. Bd. of County Comm'rs*, 34 Colo. App. 14, 523 P.2d 159 (1974), aff'd sub nom. *Colo. Leisure Prods., Inc. v. Johnson*, 187 Colo. 443, 532 P.2d 742 (1975).

Resubmission not required for nonfundamental changes. Where the resolution proposed by the county planning commission was most comprehensive, but it proposed numerous classifications for zoning districts, including five classes of each district, and the board of county commissioners eased the restrictions relating to the location of fur farms, kennels, portable sawmills, and veterinary buildings in an agricultural and forestry district, the change was not so fundamental in nature as to in any wise materially alter the basic overall zoning policy contained in the resolution of the

board, and did not necessitate a resubmission of the matter to the commission. *Grant v. Bd. of County Comm'rs*, 164 Colo. 69, 432 P.2d 762 (1967).

Public hearing. This section provides that before the adoption of any part of a zoning plan there shall be a public hearing thereon the time and place of which at least 30 days notice shall be given by one publication in a newspaper of general circulation in the county, and such notice shall state the place at which the text and maps so certified by the county planning commission may be examined. *Holly Dev., Inc. v. Bd. of County Comm'rs*, 140 Colo. 95, 342 P.2d 1032 (1959).

Legislative intent as to publicity. The legislative intent very properly was and is that overall plans or changes should be given such publicity as will reasonably inform those owners affected, as well as the public, of what is proposed. *Holly Dev., Inc. v. Bd. of County Comm'rs*, 140 Colo. 95, 342 P.2d 1032 (1959).

Notice must be clear, definite, explicit, and not ambiguous; and unless its meaning can be apprehended without explanation or argument, it cannot be said to be clear. *Holly Dev., Inc. v. Bd. of County Comm'rs*, 140 Colo. 95, 342 P.2d 1032 (1959).

The plain language of this section does not require a board of county commissioners to give notice after the date the plan is certified by the planning commission. Rather, the plain language requires only that the public receive 14 days' advance notice of the hearing. *Raygor v. Bd. of County Comm'rs*, 21 P.3d 432 (Colo. App. 2000).

Notice adequate. Where all who appeared for the "first" meeting necessarily learned that the earlier date was incorrect, and presumably, if they made any inquiry, also ascertained that the actual hearing would be held two days later, and the public hearing was exceedingly well attended with about one-half of those persons present opposing with the remaining one-half testifying in support of the resolution, the notice

in the instant case was not defective and incorrectly dated notice did not neutralize the "valid" first notice. *Grant v. Bd. of County Comm'rs*, 164 Colo. 69, 432 P.2d 762 (1967).

Applied in *Bd. of County Comm'rs v. City of Thornton*, 629 P.2d 605 (Colo. 1981); *Theobald v. Bd. of County Comm'rs*, 644 P.2d 942 (Colo. 1982).

30-28-113. Regulation of size and use - districts - repeal. (1) (a) Except as otherwise provided in section 34-1-305, C.R.S., when the county planning commission of any county makes, adopts, and certifies to the board of county commissioners plans for zoning the unincorporated territory within any county, or any part thereof, including both the full text of a zoning resolution and the maps, after public hearing thereon, the board of county commissioners, by resolution, may regulate, in any portions of such county that lie outside of cities and towns:

- (I) The location, height, bulk, and size of buildings and other structures;
- (II) The percentage of lots that may be occupied;
- (III) The size of yards, courts, and other open spaces;
- (IV) The uses of buildings and structures for trade, industry, residence, recreation, public activities, or other purposes;
- (V) Access to sunlight for solar energy devices; and
- (VI) The uses of land for trade, industry, residence, recreation, or other purposes and for flood control.

(b) (I) In order to accomplish such regulation, the board of county commissioners:

(A) May divide the territory of the county that lies outside of cities and towns into districts or zones of such number, shape, or area as it may determine, and, within such districts or any of them, may regulate the erection, construction, reconstruction, alteration, and uses of buildings and structures and the uses of land; and

(B) May require and provide for the issuance of building permits as a condition precedent to the right to erect, construct, reconstruct, or alter any building or structure within any district covered by such zoning resolution.

(II) A county shall not charge permit, plan review, or other fees to install an active solar electric or solar thermal device or system that, in aggregate, exceed the lesser of the county's actual costs in issuing the permit or five hundred dollars for a residential application or one thousand dollars for a nonresidential application if the device or system produces fewer than two megawatts of direct current electricity or an equivalent-sized thermal energy system, or that exceed the county's actual costs in issuing the permit if the device or system produces at least two megawatts of direct current electricity or an equivalent-sized thermal energy system. The county shall clearly and individually identify all fees and taxes assessed on an application subject to this subparagraph (II) on the invoice. The general assembly hereby finds that there is a statewide need for certainty regarding the fees that can be assessed for permitting such devices or systems, and therefore declares that this subparagraph (II) is a matter of statewide concern. This subparagraph (II) is repealed, effective July 1, 2018.

(2) The county planning commission may make and certify a single plan for the entire unincorporated portion of the county or separate and successive plans for those parts which it deems to be urbanized or suitable for urban development and those parts which, by reason of distance from existing urban communities or for other causes, it deems suitable for nonurban development. Any resolution adopted by the board of county commissioners may cover and include the unincorporated territory covered and included in any such single plan or in any of such separate and successive plans. No resolution covering more or less than the territory covered by any such certified plan shall be adopted or put into effect until and unless it is first submitted to the county planning commission which certified the plan to the board of county commissioners and is approved by said commission or, if disapproved, receives the favorable vote of not less than a majority of the entire membership of such board. All such regulations shall be uniform for each class or kind of building or structure throughout any district, but the regulations in any one district may differ from those in other districts.

L. 2008: (1) amended, p. 892, § 1, effective May 20. L. 2011: (1)(b)(II) amended, (HB 11-1199), ch. 311, p. 1518, § 2, effective June 10.

Cross references: In 2011, subsection (1)(b)(II) was amended by the "Fair Permit Act". For the short title, see section 1 of chapter 311, Session Laws of Colorado 2011.

ANNOTATION

Law reviews. For article, "1974 Land Use Legislation in Colorado", see 51 Den. L.J. 467 (1974).

The limitations set forth in this section necessary regulate the density and distribution of population. Di Salle v. Giggall, 128 Colo. 208, 261 P.2d 499 (1953).

State has specifically granted county commissioners the authority to regulate, by resolution, the uses of land in unincorporated areas for trade, industry, residence, recreation, or other purposes, and for flood control, authorizing the establishment of districts or zones in order to accomplish such regulation. Famularo v. Bd. of County Comm'rs, 180 Colo. 333, 505 P.2d 958 (1973); Di Salle v. Giggall, 128 Colo. 208, 261 P.2d 499 (1953); Crittenden v. Hasser, 41 Colo. App. 235, 585 P.2d 928 (1978).

Parcel by parcel delineation and regulation of land use does not invalidate zoning regulations; nor does it constitute prohibited "spot zoning." Carron v. Bd. of County Comm'rs, 976 P.2d 359 (Colo. App. 1998).

And establishment of flood control district and mineral conservation district was within

powers granted County commissioners to regulate uses of land in unincorporated areas. Famularo v. Bd. of County Comm'rs, 180 Colo. 333, 505 P.2d 958 (1973).

Regulations relating to mineral conservation districts do not so limit uses of land included in such districts as to be unconstitutional on their face or as applied. Famularo v. Bd. of County Comm'rs, 180 Colo. 333, 505 P.2d 958 (1973).

Highest and best use not test of validity of regulation. Although other uses of plaintiff's land would not be as profitable as mobile home use, validity of zoning regulations is not determined by the highest and best use concept or in terms of dollars and cents profitability. Famularo v. Bd. of County Comm'rs, 180 Colo. 333, 505 P.2d 958 (1973).

Applied in Pennobscot, Inc. v. Bd. of County Comm'rs, 642 P.2d 915 (Colo. 1982); Theobald v. Bd. of County Comm'rs, 644 P.2d 942 (Colo. 1982).

30-28-114. Enforcement - inspector - permits. The board of county commissioners may provide for the enforcement of the zoning regulations by means of the withholding of building permits, and, for such purpose, may establish and fill a position of county building inspector and may fix the compensation attached to said position, or may authorize one or more administrative officials of the county to assume some or all functions of such position in addition to their customary functions. Such board may also fix a reasonable schedule of fees for the issuance of such permits. After the establishment of such position and the filling of the same, it shall be unlawful to erect, construct, reconstruct, alter, or change the use of any building or other structure within the unincorporated territory covered by such zoning regulations without obtaining a building permit from such county building inspector. Such building inspector shall not issue any permit unless the plans for the proposed erection, construction, reconstruction, alteration, or use fully conform to all zoning regulations then in effect.

Source: L. 39: p. 300, § 13. CSA: C. 45A, § 13. CRS 53: § 106-2-13. C.R.S. 1963: § 106-2-13. L. 77: Entire section amended, p. 1458, § 1, effective June 9.

ANNOTATION

General assembly did not intend in this section and § 30-28-205 (1) to limit schedule of fees for county building permits to direct costs of operating building department. Indi-

rect costs, including, for example, services furnished by county manager, county attorney's office, the assessor's office, and various other divisions of county government may be calcu-

lated in determining overall costs required to operate that department for purposes of imposing fees for building department services. Fees generated must generally approximate the overall costs of operating the building department to prevent the fees from constituting an unlawful tax in violation of the state constitutional provision mandating uniform property taxation. *Bainbridge, Inc. v. Bd. of County Comm'rs*, 964 P.2d 575 (Colo. App. 1998).

On remand, trial court correctly concluded that general governmental expenses relating to growth management are recoverable from builders under this section and § 30-28-205 (1) through permit fees charged as indirect costs. Evidence demonstrated that growth has driven the costs of the county's building department. The evidence also supports the finding

that the fees charged by the building department were approximately required to offset the direct and indirect costs of operating the department. Mathematical exactitude is not required. Thus, it was permissible for part of the growth costs to be allocated to the building department as indirect costs. *Bainbridge, Inc. v. Bd. of County Comm'rs*, 53 P.3d 646 (Colo. App. 2001).

A building permit is required from the county building inspector before the construction of any building or other structure within an unincorporated territory covered by a zoning regulation and such a permit may only be issued if the plans for the proposed building or structure conform to all zoning regulations then in effect. *Bd. of County Comm'rs of La Plata County v. Moga*, 947 P.2d 1385 (Colo. 1997).

30-28-115. Public welfare to be promoted - legislative declaration - construction.

(1) Such regulations shall be designed and enacted for the purpose of promoting the health, safety, morals, convenience, order, prosperity, or welfare of the present and future inhabitants of the state, including lessening the congestion in the streets or roads or reducing the waste of excessive amounts of roads, promoting energy conservation, securing safety from fire, floodwaters, and other dangers, providing adequate light and air, classifying land uses and distributing land development and utilization, protecting the tax base, securing economy in governmental expenditures, fostering the state's agricultural and other industries, and protecting both urban and nonurban development.

(2) (a) The general assembly hereby finds and declares that it is the policy of the state to assist developmentally disabled persons to live in normal residential surroundings. Further, the general assembly declares that the establishment of state-licensed group homes for the exclusive use of developmentally disabled persons, which are known as community residential homes as defined in section 27-10.5-102 (4), C.R.S., is a matter of statewide concern and that a state-licensed group home for eight developmentally disabled persons is a residential use of property for zoning purposes. The phrase "residential use of property for zoning purposes", as used in this subsection (2), includes all forms of residential zoning and specifically, although not exclusively, single-family residential zoning. "Developmentally disabled" in this section means a person with a developmental disability as defined in section 27-10.5-102, C.R.S.

(b) (I) (Deleted by amendment, L. 2001, p. 103, § 1, effective March 21, 2001.)

(II) The general assembly declares that the establishment of group homes for the aged for the exclusive use of not more than eight persons sixty years of age or older per home is a matter of statewide concern. The general assembly further finds and declares that it is the policy of this state to enable and assist persons sixty years of age or older who do not need nursing facilities and who so elect to live in normal residential surroundings, including single-family residential units. Group homes for the aged shall be distinguished from nursing facilities, as defined in section 25.5-4-103 (14), C.R.S., and institutions providing life care, as defined in section 12-13-101 (5), C.R.S. Every county having adopted or which shall adopt a zoning ordinance shall provide for the location of group homes for the aged. A group home for the aged established under this paragraph (b) shall not be located within seven hundred fifty feet of another such group home, unless otherwise provided for by the county.

(b.5) The general assembly declares that the establishment of state-licensed group homes for the exclusive use of persons with mental illness as that term is defined in section 27-65-102, C.R.S., is a matter of statewide concern and that a state-licensed group home for eight persons with mental illness is a residential use of property for zoning purposes, as defined in section 31-23-301 (4), C.R.S. A group home for persons with mental illness established under this paragraph (b.5) shall not be located within seven hundred fifty feet of another such group home or of another group home as defined in paragraphs (a) and (b)

of this subsection (2), unless otherwise provided for by the county. A person shall not be placed in a group home without being screened by either a professional person, as defined in section 27-65-102 (17), C.R.S., or any other such mental health professional designated by the director of a facility, which facility is approved by the executive director of the department of human services pursuant to section 27-90-102, C.R.S. Persons determined to be not guilty by reason of insanity to a violent offense shall not be placed in such group homes, and any person who has been convicted of a felony involving a violent offense shall not be eligible for placement in such group homes. The provisions of this paragraph (b.5) shall be implemented, where appropriate, by the rules of the department of public health and environment concerning residential treatment facilities for persons with mental illness. Nothing in this paragraph (b.5) shall be construed to exempt such group homes from compliance with any state, county, or municipal health, safety, and fire codes.

(c) Nothing in this subsection (2) shall be construed to supersede the authority of municipalities and counties to regulate such homes appropriately through local zoning ordinances or resolutions, except insofar as such regulation would be tantamount to prohibition of such homes from any residential district. This section is specifically not to be construed to permit violation of the provisions of any zoning ordinance or resolution with respect to height, setbacks, area, lot coverage, or external signage or to permit architectural designs substantially inconsistent with the character of the surrounding neighborhood. This section is also not to be construed to permit conducting of the ministerial activities of any private or public organization or agency or to permit types of treatment activities or the rendering of services in a manner substantially inconsistent with the activities otherwise permitted in the particular zoning district. If reasonably related to the requirements of a particular home, a local zoning or other development regulation may, without violating the provisions of this section, also attach specific location requirements to the approval of the group home, including the availability of such services and facilities as convenience stores, commercial services, transportation, and public recreation facilities.

(2.5) In connection with an application for development approval of the siting of a new facility to be used exclusively as a group home for the aged or for at-risk adults under the county's subdivision, zoning, platting, planned unit development, or other similar land development regulations, in addition to any other information required to be submitted, the county may request the applicant to submit a transportation plan showing how the operators of the facility intend to meet the transportation needs of the residents of the facility. The sufficiency of the transportation plan submitted pursuant to this subsection (2.5) may be considered by the county in reviewing the application but may not, by itself, constitute grounds for denying the application.

(3) (a) As used in this subsection (3), unless the context otherwise requires:

(I) "Manufactured home" means a single family dwelling which:

(A) Is partially or entirely manufactured in a factory;

(B) Is not less than twenty-four feet in width and thirty-six feet in length;

(C) Is installed on an engineered permanent foundation;

(D) Has brick, wood, or cosmetically equivalent exterior siding and a pitched roof; and

(E) Is certified pursuant to the "National Manufactured Housing Construction and Safety Standards Act of 1974", 42 U.S.C. 5401 et seq., as amended.

(II) "Equivalent performance engineering basis" means that by using engineering calculations or testing, following commonly accepted engineering practices, all components and subsystems will perform to meet health, safety, and functional requirements to the same extent as required for other single family housing units.

(b) (I) No county shall have or enact zoning regulations, subdivision regulations, or any other regulation affecting development which exclude or have the effect of excluding manufactured homes from the county if such homes meet or exceed, on an equivalent performance engineering basis, standards established by the county building code.

(II) Nothing in this subsection (3) shall prevent a county from enacting any zoning, developmental, use, aesthetic, or historical standard, including, but not limited to, requirements relating to permanent foundations, minimum floor space, unit size or sectional requirements, and improvement location, side yard, and setback standards to the extent that

such standards or requirements are applicable to existing or new housing within the specific use district of the county.

(III) Nothing in this subsection (3) shall preclude any county from enacting county building code provisions for unique public safety requirements such as snow load roof, wind shear, and energy conservation factors.

(IV) Nothing in this subsection (3) shall be deemed to supersede any valid covenants running with the land.

ANNOTATION

Law reviews. For article, "Local Government Exactions from Developers after Beaver Meadows", see 16 Colo. Law. 42 (1987). For article, "Group Homes: Mandated by Statute but Locally Regulated", see 21 Colo. Law. 1643 (1992). For article, "Group Home Regulations Under State and Federal Law", see 35 Colo. Law. 37 (Feb. 2006).

Purposes set forth. This section sets forth the many purposes for which zoning regulations may be designed and enacted, including not only the health, safety, morals, convenience, order, prosperity, or welfare of the present and future inhabitants of the state but also, among other purposes, the classification of land uses and distribution of land development and utilization, protection of the tax base, fostering of the state's agricultural and other industries, and the protection of urban and non-urban development. Bd. of County Comm'rs v. Thompson, 177 Colo. 277, 493 P.2d 1358 (1972).

Judicial presumption of adequate consideration. In the absence of evidence to the contrary, the court will presume that the board of county commissioners did give ample consideration to the multiple purposes of zoning when it adopted the zoning resolution. Bd. of County Comm'rs v. Thompson, 177 Colo. 277, 493 P.2d 1358 (1972).

Adoption of section permitting developmentally disabled persons to live in group homes reflects legislative intent to assist such

persons to live in normal residential surroundings. Double D Manor v. Evergreen Meadows, 773 P.2d 1046 (Colo. 1989).

Delegation of zoning authority to county. A delegation of authority is not invalid simply because its terms are broad and general, although there must be sufficient standards and procedural safeguards involved in the delegation and subsequent implementation to ensure that any action taken by a county in response to a land use proposal will be rational and consistent and that judicial review of that action will be available and effective. Beaver Meadows v. Bd. of County Comm'rs, 709 P.2d 928 (Colo. 1985).

Zoning regulations precluding construction of church building in agricultural zone did not arise from an unconstitutional delegation of authority, nor did such regulations deny due process to the church or regulate religious beliefs of the church. Messiah Baptist Church v. County of Jefferson, Colo., 697 F. Supp. 396 (D. Colo. 1987), aff'd, 859 F.2d 820 (10th Cir. 1988), cert. denied, 490 U.S. 1005, 109 S. Ct. 1638, 104 L. Ed.2d 154 (1989).

App. 392, 600 P.2d 86 (1979); Bd. of County Comm'rs v. City of Thornton, 629 P.2d 605 (Colo. 1981); Glennon Heights, Inc. v. Central Bank & Trust, 658 P.2d 872 (Colo. 1983); Beaver Meadows v. Bd. of County Comm'rs, 709 P.2d 928 (Colo. 1985).

30-28-116. Regulations may be amended. From time to time the board of county commissioners may amend the number, shape, boundaries, or area of any district, or any regulation of or within such district, or any other provisions of the zoning resolution. Any such amendment shall not be made or become effective unless the same has been proposed by or is first submitted for the approval, disapproval, or suggestions of the county planning commission. If disapproved by such commission within thirty days after such submission, such amendment, to become effective, shall receive the favorable vote of not less than a majority of the entire membership of the board of county commissioners. Before finally adopting any such amendment, the board of county commissioners shall hold a public hearing thereon, and at least fourteen days' notice of the time and place of such hearing shall be given by at least one publication in a newspaper of general circulation in the county.

Source: L. 39: p. 301, § 15. CSA: C. 45A, § 15. CRS 53: § 106-2-15. C.R.S. 1963: § 106-2-15. L. 92: Entire section amended, p. 965, § 5, effective June 1.

ANNOTATION

Legislative intent was to provide board with expertise of commission in the form of recommendations on each specific amendment to that plan. Section 30-28-112 and this section were enacted to accomplish that purpose. *Johnson v. Bd. of County Comm'rs*, 34 Colo. App. 14, 523 P.2d 159 (1974), aff'd sub nom. *Colo. Leisure Prods., Inc. v. Johnson*, 187 Colo. 443, 532 P.2d 742 (1975).

Substantial compliance with statutory provisions is required for lawful enactment of a zoning change and failure to comply with essential mandates of the statutes invalidates the proceeding. *Wainwright v. City of Wheat Ridge*, 38 Colo. App. 485, 558 P.2d 1005 (1976).

This section pertains to those instances in which an amendment to an existing zone is proposed. *Colo. Leisure Prods., Inc. v. Johnson*, 187 Colo. 443, 532 P.2d 742 (1975).

Also section applies if amendment proposed by board or private citizen. When an amendment is proposed by the board or by private citizens directly to the board, then this section applies and the proposed amendment must be submitted first to the planning commission for its approval, disapproval, or recommendation. In this manner, the board receives the recommendations of the planning commission on the specific amendment that has been proposed. *Johnson v. Bd. of County Comm'rs*, 34 Colo. App. 14, 523 P.2d 159 (1974), aff'd sub nom. *Colo. Leisure Prods., Inc. v. Johnson*, 187 Colo. 443, 532 P.2d 742 (1975).

Amendment cannot become effective until commission studies problem. If the board of county commissioners is considering a possible amendment to a previously zoned area, the amendment cannot become effective until the planning commission has had the opportunity to study the problem and the proposal and to convey its responses regarding the suggested change to the board. *Colo. Leisure Prods., Inc. v. Johnson*, 187 Colo. 443, 532 P.2d 742 (1975).

The power to amend is not arbitrary, it cannot be exercised merely because certain in-

dividuals want it done or think it ought to be done, the change must be necessary for the public good. *Holly Dev., Inc. v. Bd. of County Comm'rs*, 140 Colo. 95, 342 P.2d 1032 (1959).

Therefore, amendments of zoning ordinances should be made with caution and only when changing conditions clearly require amendment. *Holly Dev., Inc. v. Bd. of County Comm'rs*, 140 Colo. 95, 342 P.2d 1032 (1959).

Changes not estopped. Estoppel does not operate to prevent a legislative body or commission from carrying out its public functions, and if conditions warranted later changes it is the duty of such public bodies to act accordingly. *Holly Dev., Inc. v. Bd. of County Comm'rs*, 140 Colo. 95, 342 P.2d 1032 (1959).

Readopted or comprehensive amendment not contemplated. This section permitting amendment to a zoning plan without first having maps prepared, does not sanction in that category a readopted or comprehensive amendment of the original zoning plan which affects all zoned areas, the legislative intent being that overall plans or changes should be given such publicity as will reasonably inform the owners affected, and is governed by § 30-28-112 dealing with the adoption of a zoning plan. *Holly Dev., Inc. v. Bd. of County Comm'rs*, 140 Colo. 95, 342 P.2d 1032 (1959).

Notice by publication is the law's substitute for personal notice, but to be effective as against any one whose rights are involved in compliance with, an allegation of, or a showing of strict compliance with the proper statute is essential to a good complaint. *Holly Dev., Inc. v. Bd. of County Comm'rs*, 140 Colo. 95, 342 P.2d 1032 (1959).

Strict compliance with notice provisions. A notice of hearing as the basis of a local ordinance should unambiguously set forth reasonable information concerning the subject matter of the hearing to the end that adequate warning be given to all persons whose rights may be affected by action of the local board, because

changes in zoning ordinances affect property rights, and the provisions as to a notice of hearing must be strictly complied with, and a notice which does not warn of the nature of the proposed amendments is no notice. *Holly Dev., Inc. v. Bd. of County Comm'rs*, 140 Colo. 95, 342 P.2d 1032 (1959).

Strict compliance with statutory provisions for notice and public hearing required for amendatory zoning resolution. *Webster Props. v. Bd. of County Comm'rs*, 682 P.2d 506 (Colo. App. 1984).

There is no statutory provision for notice of planning commission hearings. *Center Land Co. v. Bd. of County Comm'rs*, 44 Colo. App. 523, 619 P.2d 782 (1980).

Hearing requirement does not give landowner a right to an unlimited hearing with regard to zoning changes. Landowner's procedural due process rights not infringed when he sought permission to present 4 to 5 hours of evidence, but the board limited his presentation to 15 minutes, and landowner introduced 4 affidavits and 16 exhibits into the hearing record. *Jafay v. Bd. of County Comm'rs of Boulder County*, 848 P.2d 892 (Colo. 1993).

Condition precedent. If legislative authority is delegated by the state to some inferior body with a restriction by which it is to be used only on notice to persons whose interests are thereby affected, compliance therewith is a condition precedent to its lawful exercise. *Holly Dev., Inc. v. Bd. of County Comm'rs*, 140 Colo. 95, 342 P.2d 1032 (1959).

Ambiguity resolved against notice. Any ambiguity in a notice to the public of an important zoning change, which is the only notice that the public has, should be resolved against the notice. *Holly Dev., Inc. v. Bd. of County Comm'rs*, 140 Colo. 95, 342 P.2d 1032 (1959).

Lay meaning applied to notice. When a statute requires a notice to be given to the public, such a notice should fairly be given the meaning it would reflect upon the mind of the ordinary layman, and not as it would be construed by one familiar with the technicalities solely applicable to the laws and rules of the zoning commission. otherwise, such a notice, instead of informing, would actually mislead the public, including the persons immediately interested. *Holly Dev., Inc. v. Bd. of County Comm'rs*, 140 Colo. 95, 342 P.2d 1032 (1959).

Factors to be considered in construing ordinance. Because zoning laws should be given a fair and reasonable construction in light of the setting in which employed, the factors surrounding adoption of an ordinance should be considered. *Wainwright v. City of Wheat Ridge*, 38 Colo. App. 485, 558 P.2d 1005 (1976).

As soon as reasonably possible after their adoption, actual changes should be placed upon an authorized copy of an original county zoning map or maps with the date of the action shown along with the type of change, because this enables the public readily to discover the relative location of the legal description contained in both the public notice and the commissioners' minutes. *Holly Dev., Inc. v. Bd. of County Comm'rs*, 140 Colo. 95, 342 P.2d 1032 (1959).

As soon as reasonably possible after adoption by the board of county commissioners of changes in zoning, they should be placed upon an authorized copy of an original map or maps with the date of the action shown along with the type of change. *Wainwright v. City of Wheat Ridge*, 38 Colo. App. 485, 558 P.2d 1005 (1976).

Effect of inadvertent change in zoning map. Where there was no resolution by the board of county commissioners amending a zoning map, the inadvertent or erroneous change in the zoning map was without effect. *Wainwright v. City of Wheat Ridge*, 38 Colo. App. 485, 558 P.2d 1005 (1976).

Failure to comply with section renders board's proceeding and resolution void. Where the amendment which the board enacted was neither proposed by the planning commission nor submitted for commission consideration, although the planning commission provided a recommendation, it was never given an opportunity to pass upon the amendment which the board of county commissioners adopted, the proceedings before the board, as well as the resultant zoning resolution, were null and void. *Colo. Leisure Prods., Inc. v. Johnson*, 187 Colo. 443, 532 P.2d 742 (1975).

Arbitrary or capricious action. Where the board of county commissioners in amending a county zoning resolution, fails to give consideration to the need for reasonable stability in zoning regulations and the requirement of certainty of description as well as proper notice of the proposed change, it acts arbitrarily and capriciously, abuses its discretion and exceeds its jurisdiction. *Holly Dev., Inc. v. Bd. of County Comm'rs*, 140 Colo. 95, 342 P.2d 1032 (1959).

When a general zoning ordinance is passed, those who by property in zoned districts have the right to rely upon the rule of law that the classification made in the ordinance will not be changed unless the change will be required for the public good. *Holly Dev., Inc. v. Bd. of County Comm'rs*, 140 Colo. 95, 342 P.2d 1032 (1959).

Applied in *Bd. of County Comm'rs v. City of Thornton*, 629 P.2d 605 (Colo. 1981); *Beaver Meadows v. Bd. of County Comm'rs*, 709 P.2d 928 (Colo. 1985).

30-28-117. Board of adjustment. (1) The board of county commissioners of any county which enacts zoning regulations under the authority of this part 1 shall provide for

a board of adjustment of three to five members and for the manner of the appointment of such members. Not more than half of the members of such board may at any time be members of the planning commission. The board of county commissioners shall fix per diem compensation and terms for the members of such board of adjustment, which terms shall be of such length and so arranged that the term of at least one member will expire each year. Any member of the board of adjustment may be removed for cause by the board of county commissioners upon written charges and after a public hearing. Vacancies shall be filled for the unexpired term in the same manner as in the case of original appointments. The board of county commissioners may appoint associate members of such board, and, in the event that any regular member is temporarily unable to act owing to absence from the county, illness, interest in a case before the board, or any other cause, his place may be taken during such temporary disability by an associate member designated for that purpose.

(2) The board of county commissioners shall provide and specify in its zoning or other resolutions general rules to govern the organization, procedure, and jurisdiction of said board of adjustment, which rules shall not be inconsistent with the provisions of this part 1. The board of adjustment may adopt supplemental rules of procedure not inconsistent with this part 1 or such general rules.

(3) Any zoning resolution of the board of county commissioners may provide that the board of adjustment, in appropriate cases and subject to appropriate principles, standards, rules, conditions, and safeguards set forth in the zoning resolution, may make special exceptions to the terms of the zoning regulations in harmony with their general purpose and intent. Where feasible, special exception may be made for the purpose of providing access to sunlight for solar energy devices. The board of county commissioners may also authorize the board of adjustment to interpret the zoning maps and pass upon disputed questions of lot lines or district boundary lines or similar questions, as they may arise in the administration of the zoning regulations.

(4) Meetings of the board of adjustment shall be held at the call of the chairman and at such other times as the board in its rules of procedure may specify. The chairman, or in his absence the acting chairman, may administer oaths and compel the attendance of witnesses by application to the district court. The court, upon proper showing, may issue subpoenas and enforce obedience by contempt proceedings. All meetings of the board of adjustment shall be open to the public. The board shall keep minutes of its proceedings showing the vote of each member upon each question, or, if absent or failing to vote, indicating such fact, and shall keep records of its examinations and other official actions, all of which shall be immediately filed in the office of the board and shall be a public record.

(5) The governing body of a county that has entered into an intergovernmental agreement with a municipality located or partially located within that county for the purposes of joint participation in land use planning, subdivision procedures, and zoning pursuant to the authority granted in section 31-23-227 (2), C.R.S., may enter into an intergovernmental agreement with that municipality for the purpose of establishing a joint zoning board of adjustment for a specific area designated in the intergovernmental agreement.

Source: L. 39: p. 301, § 16. CSA: C. 45A, § 16. CRS 53: § 106-2-16. C.R.S. 1963: § 106-2-16. L. 79: (3) amended, p. 1161, § 6, effective May 25. L. 98: (5) added, p. 689, § 1, effective May 18.

ANNOTATION

Law reviews. For article, "Recent Developments in Zoning Law in Colorado", see 39 Dicta 211 (1962).

Rules of procedure and evidence not strictly followed. A hearing before a board of adjustment should be conducted in an orderly manner but need not strictly conform to the rules of procedure and evidence necessary in a judicial proceeding. *Monte Vista Prof'l Bldg., Inc. v.*

City of Monte Vista, 35 Colo. App. 235, 531 P.2d 400 (1975).

County commissioners had authority to appoint themselves to a board of adjustment; such offices are not incompatible and statutory limitation applies only to the number of members of planning commission on such board. *Fedder v. McCurdy*, 768 P.2d 711 (Colo. App. 1989).

30-28-118. Appeals to board of adjustment. (1) (a) Appeals to the board of adjustment may be taken by any person aggrieved by his inability to obtain a building permit or by the decision of any administrative officer or agency based upon or made in the course of the administration or enforcement of the provisions of the zoning resolution. Appeals to the board of adjustment may be taken by any officer, department, board, or bureau of the county affected by the grant or refusal of a building permit or by other decision of an administrative officer or agency based on or made in the course of the administration or enforcement of the provisions of the zoning resolution. The time within which such appeal shall be made, and the form or other procedure relating thereto, shall be as specified in the general rules provided by the board of county commissioners to govern the procedure of such board of adjustment or in the supplemental rules of procedure adopted by such board.

(b) No such appeal to the board of adjustment shall be allowed for building use violations that may be prosecuted pursuant to section 30-28-124 (1) (b).

(2) Upon appeals the board of adjustment has the following powers:

(a) To hear and decide appeals where it is alleged by the appellant that there is error in any order, requirement, decision, or refusal made by an administrative official or agency based on or made in the enforcement of the zoning resolution;

(b) To hear and decide, in accordance with the provisions of any such resolution, requests for special exceptions or for interpretation of the map or for decisions upon other special questions upon which such board is authorized by any such resolution to pass;

(c) Where, by reason of exceptional narrowness, shallowness, or shape of a specific piece of property at the time of the enactment of the regulation or by reason of exceptional topographic conditions or other extraordinary and exceptional situation or condition of such piece of property, the strict application of any regulation enacted under this part 1 would result in peculiar and exceptional practical difficulties to, or exceptional and undue hardship upon, the owner of such property, to authorize, upon an appeal relating to said property, a variance from such strict application so as to relieve such difficulties or hardship if such relief may be granted without substantial detriment to the public good and without substantially impairing the intent and purpose of the zone plan and zoning resolutions. In determining whether difficulties to, or hardship upon, the owner of such property exist, as used in this paragraph (c), the adequacy of access to sunlight for solar energy devices installed on or after January 1, 1980, may properly be considered. Regulations and restrictions of the height, number of stories, size of buildings and other structures, and the height and location of trees and other vegetation shall not apply to existing buildings, structures, trees, or vegetation except for new growth on such vegetation.

(3) The concurring vote of four members of the board in the case of a five-member board and of three members in the case of a three-member board shall be necessary to reverse any order, requirement, decision, or determination of any such administrative official or agency or to decide in favor of the appellant.

Source: L. 39: p. 303, § 17. CSA: C. 45A, § 17. CRS 53: § 106-2-17. C.R.S. 1963: § 106-2-17. L. 77: (1) amended, p. 1458, § 2, effective June 9. L. 79: (2)(c) amended, p. 1161, § 7, effective May 25.

ANNOTATION

The board of adjustment has the powers enumerated in this section. Bd. of County Comm'rs of La Plata County v. Moga, 947 P.2d 1385 (Colo. 1997).

Requirement of hardship relates to variances, not to special exceptions or special use permits. Guildner, Way Inc. v. Bd. of Adjustment, 35 Colo. App. 70, 529 P.2d 332 (1974).

Proof required. In order to obtain rezoning to permit a use which an applicant seeks, he must prove that it is not possible to use and develop the property for any other use enumer-

ated in the existing zoning; similarly, if one seeks a lower classification of zoning than the zone presently existing, he must prove that it is not possible to use and develop the land for any uses permitted in zones which are in between the zone sought and the presently existing zone. Garrett v. City of Littleton, 177 Colo. 167, 493 P.2d 370 (1972).

Applicant had the burden of proving that variance would avoid unnecessary hardship or was reasonably necessary for the convenience or welfare of the public. Monte Vista Prof'l

Bldg., Inc. v. City of Monte Vista, 35 Colo. App. 235, 531 P.2d 400 (1975).

Courts may not substitute their judgment for that of the board or disturb an exercise of the board's discretion in zoning matters unless such discretion is clearly abused. Monte Vista Prof'l Bldg., Inc. v. City of Monte Vista, 35 Colo. App. 235, 531 P.2d 400 (1975).

A stop work order issued by a county building inspector for lack of compliance with a zoning variance is an administrative order made in enforcement of a zoning regulation and the board of adjustment has original jurisdiction to hear any challenge to such order. Bd. of County Comm'rs of La Plata County v. Moga, 947 P.2d 1385 (Colo. 1997).

A person challenging a stop work order must exhaust administrative remedies by seeking re-

lief from the board of adjustment before requesting judicial intervention. Bd. of County Comm'rs of La Plata County v. Moga, 947 P.2d 1385 (Colo. 1997).

An injunction could not be obtained to prevent construction of buildings approved by board of adjustment, although lot was slightly smaller than zoning requirement, since remedy is review by court only to see if board has abused its discretion. Bacon v. Steigman, 123 Colo. 62, 225 P.2d 1046 (1950).

Applied in Johnson v. Bd. of County Comm'rs, 158 Colo. 311, 406 P.2d 338 (1965); Murray v. Bd. of Adjustments, 42 Colo. App. 113, 594 P.2d 596 (1979); Gramiger v. Crowley, 638 P.2d 797 (Colo. 1981); Gramiger v. Crowley, 660 P.2d 1279 (Colo. 1983).

30-28-119. District planning commissions. (1) Whether or not a county planning commission has been created, the board of county commissioners of any county which is unzoned, on petition, from time to time, may appoint district planning commissions for the purpose of preparing plans for zoning certain portions of the unincorporated territory within such county. Such petition shall:

(a) Be signed by more than fifty percent of the qualified electors who are residents in the proposed district and more than fifty percent of the residents and nonresidents who own more than fifty percent of the area of real property situated within the boundaries of the district described in the petition;

(b) Request the appointment of a planning commission for such district;

(c) Contain all of the following:

(I) A list of the parcels of land as shown in the records of the county assessor to be included within the proposed district;

(II) A list of proposed planning commissioners; and

(III) A map that shows the boundaries of the proposed district and the total number of acres within the proposed district and that meets the minimum standards for land surveys and plats provided in article 51 of title 38, C.R.S.;

(d) Be submitted to the county clerk and recorder.

(1.3) The county clerk and recorder shall review the petition and prepare a report for the board of county commissioners. The board of county commissioners may adopt rules on processing the petition and establish a reasonable fee for the cost of reviewing the petition.

(1.6) At the next regular meeting following the receipt of the report, the board of county commissioners shall determine the sufficiency of the petition and, if found to be sufficient, shall order a public hearing to be held on the question of whether a planning commission for the proposed district should be appointed. The board of county commissioners shall hold the public hearing not more than sixty days after the date the petition is determined sufficient. The petitioner has the burden of proof that a planning commission for the proposed district should be appointed.

(2) Notice of the time, place, and purpose of such hearing, containing a description of the boundaries of the proposed district, shall be given by publication in a newspaper of general circulation within the county by one publication at least fourteen days prior to the date of such hearing and shall be mailed by the petitioner for the appointment of a planning commission at least fourteen days before the hearing by certified mail to each person who owns property within the proposed district as shown in the records of the county assessor.

(2.3) Any owner of property included within the boundaries of the proposed district shall be entitled to protest the appointment of a planning commission by filing with the board of county commissioners a written statement setting forth in brief the grounds of the protest or by presenting evidence of the grounds of the protest at the hearing. At the time and place specified in said notice, the board of county commissioners shall sit for the purpose of determining whether the public interest requires that a planning commission for

the proposed district should be appointed. A person protesting the appointment of the planning commission for the proposed district has the burden of proof that a planning commission should not be appointed.

(2.7) At the next regular meeting after termination of the hearing, the board of county commissioners, if satisfied that the public interest requires such action, may enter an order appointing a district planning commission and may exclude parcels of land from the proposed district. The district planning commission shall consist of three or five members, each of whom shall be a resident of the district and the owner of real property situated therein.

(3) (a) The members of such commission shall serve for terms of not more than three years as determined by the board of county commissioners. They shall serve without compensation. The board of county commissioners shall provide for the filling of vacancies in the membership of the commission and for the removal of a member for nonperformance of duty or misconduct.

(b) The district planning commission:

(I) Has all the powers and is subject to all the duties by this part 1 conferred and imposed upon county planning commissions insofar as such powers and duties relate to zoning and in respect to the territory included within the boundaries of such proposed district;

(II) Shall develop proposed plans and regulations for the zoning of the proposed district; and

(III) Shall hold public hearings and certify a copy of the proposed zoning plans, including the full text of the zoning resolution and the maps, to the board of county commissioners of the county, and, if a county planning commission has been created in the county wherein the said district is situated, such plans must first be reviewed by the commission.

(c) (I) After receiving the certification of said zoning plans from the commission and before the creation of the planning district and adoption of any zoning resolutions, the board of county commissioners shall hold a public hearing in the manner prescribed in section 30-28-112 on the question of establishing the planning district. Notice of the time, place, and purpose of the hearing shall be made in the same manner as provided in subsection (2) of this section.

(II) Any property owner within the proposed district may protest inclusion of the owner's property within the district by filing with the board of county commissioners a written statement setting forth briefly the grounds of the protest or by presenting evidence of the grounds of the protest at the hearing. The owner has the burden of proof that the public interest requires exclusion of the owner's property from the district. The board of county commissioners may exclude any parcel of land from the proposed district if the board determines it is within the public interest.

(III) If the board of county commissioners determines it is in the public interest, the board may:

(A) Enter an order after the hearing that establishes the planning district, describes the boundaries of the district, and gives the district an appropriate and distinctive name;

(B) By resolution, adopt all or any part of the proposed zoning plan and regulations; and

(C) By resolution, exercise, as to the territory included within the boundaries of such district, all the powers conferred upon it by law.

(IV) The zoning regulations established for the district may be administered in the same manner as all other land use regulations of the county or as otherwise provided in the district zoning regulations.

(4) Wherever the regulations for a district made pursuant to this section require a greater width or size of yards, courts, or other open spaces, require a lower height of buildings or smaller number of stories, require a greater setback from a road or street, require a greater percentage of lot to be left unoccupied, or impose other higher standards than are required in or under any other regulations made under the authority of this part 1 and effective within the same territory, the provisions of the regulations for such district made pursuant to this section shall govern. Wherever the provisions of other regulations

made under the authority of this part 1 and effective within the territory of a district established pursuant to this section impose higher standards than are imposed by the regulations for such district made pursuant to this section, the provisions of such other regulations shall govern.

(5) The boundaries of a planning district may be increased or decreased from time to time through the addition or deletion of contiguous property by order of the board of county commissioners pursuant to petition signed by the owners of more than fifty percent of the area of the real property to be added or deleted or on motion of the board of county commissioners after published notice, opportunity for protest, and hearing, as provided in the case of original establishment of a district.

(6) Planning districts may be dissolved by action of the board of county commissioners if the affected county adopts a zoning resolution which covers the district in question. Action for dissolution may also be initiated by a petition calling for dissolution of the district signed by more than fifty percent of the qualified electors who are residents in the district and more than fifty percent of the residents and nonresidents who own more than fifty percent of the area of real property situated within the boundaries of the district or by the board of county commissioners. The board shall hold a public hearing at the county seat within the county on the question of the dissolution of the district. A notice of the time, place, and purpose of such hearing, containing a description of the boundaries of the district, shall be given by publication in a newspaper of general circulation within the county by one publication at least fourteen days prior to the date of such hearing. Prior to the hearing, the county planning commission shall review the proposed dissolution at a public meeting and shall transmit its findings to the board of county commissioners. Any owner of property included within the boundaries of the proposed district shall be entitled to protest the dissolution by filing with the board of county commissioners a written statement setting forth in brief the grounds of the protest or by providing evidence on the grounds of the protest at the hearing. At the time and place specified in said notice, the board of county commissioners shall sit for the purpose of determining whether or not such district should be dissolved, and, at such time and place, it shall consider and pass upon any protests filed. The board of county commissioners, if satisfied that the public interest would be served by such action, shall enter an order dissolving the planning district, or, if satisfied that the public interest would be served by retaining such district, the board shall enter an order dismissing such petition.

Source: L. 39: p. 304, § 18. CSA: C. 45A, § 18. CRS 53: § 106-2-18. C.R.S. 1963: § 106-2-18. L. 65: p. 916, § 1. L. 74: (1), (5), and (6) amended, p. 332, § 1, effective April 5. L. 94: Entire section amended, p. 583, § 1, effective April 7.

30-28-120. Existing structures - county property. (1) The lawful use of a building or structure or the lawful use of any land, as existing and lawful at the time of the adoption of a zoning resolution or, in the case of an amendment of a resolution, at the time of such amendment, may be continued, although such use does not conform with the provisions of such resolution or amendment, and such use may be extended throughout the same building if no structural alteration of such building is proposed or made for the purpose of such extension. The addition of a solar energy device to such building shall not necessarily be considered a structural alteration. The board of county commissioners may provide in any zoning resolution for the restoration, reconstruction, extension, or substitution of nonconforming uses upon such terms and conditions as may be set forth in the zoning resolution.

(2) If any county acquires title to any property by reason of tax delinquency and such property is not redeemed as provided by law, the future use of such property shall be in conformity with the then provisions of the zoning resolution of the county, or with any amendment of such resolution, equally applicable to other like properties within the district in which the property acquired by the county is located.

Source: L. 39: p. 306, § 19. CSA: C. 45A, § 19. CRS 53: § 106-2-19. C.R.S. 1963: § 106-2-19. L. 79: (1) amended, p. 1162, § 8, effective May 25. L. 2003: (1) amended, p. 2667, § 3, effective June 6.

Cross references: For the legislative declaration contained in the 2003 act amending subsection (1), see section 1 of chapter 420, Session Laws of Colorado 2003.

ANNOTATION

A county zoning resolution was not arbitrary, unreasonable, or unconstitutional in that it provided that, if a non-conforming use of land, preserved under this section, was discontinued for one year, any further use of the premises must conform to the provisions of the resolution. *Beszedes v. Bd. of Comm'rs*, 116 Colo. 123, 178 P.2d 950 (1947).

Declaration as to public nuisance. Where the legislative arm of the government has declared by statute and zoning resolution what activities may or may not be conducted in a prescribed zone, it has in effect declared what is or is not a public nuisance. *Robinson Brick Co. v. Luthi*, 115 Colo. 106, 169 P.2d 171 (1946).

Landowner cannot create his own hardship and then require that zoning regulations be changed to meet that hardship. *C.F. Lytle Co. v. Clark*, 491 F.2d 834 (10th Cir. 1974).

This section only applies to valid nonconforming uses. *Bd. of County Comm'rs v. Mountain Air Ranch*, 192 Colo. 364, 563 P.2d 341 (1977).

Conditional use is a use which is permitted within the zone, but which because of the possibility that the permitted use could become incompatible in certain respects with other uses within the zone, special permission is required before the land may be put to that use. *Elam v. Albers*, 44 Colo. App. 281, 616 P.2d 168 (1980).

Uses permitted by particular zoning classification are not vested rights, and subsequent zoning changes are binding on the owners of the property affected. *Elam v. Albers*, 44 Colo. App. 281, 616 P.2d 168 (1980).

And issuance of conditional use permit creates no greater right in property owners than they would have possessed had they desired to develop in conformance with any other use permitted within the zone. *Elam v. Albers*, 44 Colo. App. 281, 616 P.2d 168 (1980).

Conditional use permit only represents determination that, as to the land, a use additional to those generally permitted will be allowed. *Elam v. Albers*, 44 Colo. App. 281, 616 P.2d 168 (1980).

A restriction on the right to expand or extend a nonconforming use is valid. *Bd. of County Comm'rs v. Mountain Air Ranch*, 192 Colo. 364, 563 P.2d 341 (1977).

For purposes of this section, preparation for use is not equal to actual use. There are no grounds for the operation of this section to protect a residential use where there was no residential use at the time the zoning resolution affecting the property was adopted. This is so even where prior law authorized the construction of a residence on the property affected. *Wilkinson v. Bd. of County Comm'rs*, 872 P.2d 1269 (Colo. App. 1993).

30-28-121. Temporary regulations. The board of county commissioners of any county, after appointment of a county or district planning commission and pending the adoption by such commission of a zoning plan, where in the opinion of the board conditions require such action, may promulgate, by resolution without a public hearing, regulations of a temporary nature, to be effective for a limited period only and in any event not to exceed six months, prohibiting or regulating in any part or all of the unincorporated territory of the county or district the erection, construction, reconstruction, or alteration of any building or structure used or to be used for any business, residential, industrial, or commercial purpose.

Source: L. 39: p. 306, § 20. CSA: C. 45A, § 20. CRS 53: § 106-2-20. C.R.S. 1963: § 106-2-20. L. 74: Entire section amended, p. 354, § 2, effective May 17.

ANNOTATION

Section does not conflict with, preempt, or control necessarily implied authority of a local government under the Local Government Land Use Control Enabling Act (enabling act) to adopt a reasonable moratorium of sufficient duration to prepare a master plan. Section pertains to temporary moratoria adopted without a public hearing in connection with the adoption of a zoning plan. This section constitutes an additional grant of authority to local governments in the context of zoning plan adop-

tion: The local government is permitted to adopt a moratorium for a six-month period without a public hearing. *Droste v. Bd. of County Comm'rs of Pitkin*, 159 P.3d 601 (Colo. 2007).

County had authority under the Local Government Land Use Control Enabling Act (enabling act) to impose temporary moratorium on developmental approvals concerning certain land within county. The enabling act is designed to give the local governments additional or supplemental powers for the purposes

set forth in the act, including development in hazardous areas, protecting wildlife habitats, protecting areas of historical or archeological significance, controlling population density, and providing for the phasing in of infrastructure. These special considerations, in many instances, supplement those normally involved in creating a zoning master plan or administering a zoning regimen. Accordingly, the enabling act and this article (county planning statute) have different,

though complementary, purposes, and the limitation on temporary zoning authorized by this section does not prohibit or limit a moratorium on development for the purpose of conducting studies under the enabling act. *Droste v. Bd. of County Comm'rs of Pitkin*, 141 P.3d 852 (Colo. App. 2005), *aff'd*, 159 P.3d 601 (Colo. 2007).

Applied in *Dollaghan v. Boulder County*, 749 P.2d 444 (Colo. App. 1987).

30-28-122. Submission to division of planning. Before finally adopting and certifying any plan, either master or zoning, the planning commission, regional, county, or district, making such plan shall submit such plan to the division of planning of the department of local affairs for advice and recommendations. The director of the division of planning, within thirty days after such submission, shall present his advice and criticism in respect to such plan. Such advice and criticism shall be advisory only, and the commission submitting such plan shall not be bound thereby. If such advice and criticism have not been presented within such period of thirty days, the approval of such plan by the director of the division of planning shall be presumed.

Source: L. 39: p. 307, § 21. CSA: C. 45A, § 21. CRS 53: § 106-2-21. L. 63: p. 145, § 7. C.R.S. 1963: § 106-2-21. L. 67: p. 468, § 13. L. 71: p. 1061, § 3.

30-28-123. Higher standards govern. Wherever the regulations made under authority of this part 1 require a greater width or size of yards, courts, or other open spaces, or require a lower height of buildings or smaller number of stories, or require a greater percentage of lot to be left unoccupied, or impose other higher standards than are required in or under any other statute, the provisions of the regulations made under authority of this part 1 shall govern. Wherever the provisions of any other statute require a greater width or size of yards, courts, or other open spaces, or require a greater percentage of lot to be left unoccupied, or impose other higher standards than are required by the regulations made under authority of this part 1, the provisions of such statute shall govern.

Source: L. 39: p. 308, § 23. CSA: C. 45A, § 23. CRS 53: § 106-2-23. C.R.S. 1963: § 106-2-22.

ANNOTATION

Law reviews. For article, "The Lawyer's Role in Developing an Area", see 28 Rocky Mt. L. Rev. 453 (1956).

30-28-124. Penalties. (1) (a) It is unlawful to erect, construct, reconstruct, or alter any building or structure in violation of any regulation in, or of any provisions of, any zoning resolution, or any amendment thereof, enacted or adopted by the board of county commissioners under the authority of this part 1. Any person, firm, or corporation violating any such regulation, provision, or amendment thereof, or any provision of this part 1 is guilty of a misdemeanor and, upon conviction thereof, shall be punished by a fine of not more than one hundred dollars, or by imprisonment in the county jail for not more than ten days, or by both such fine and imprisonment. Each day during which such illegal erection, construction, reconstruction, or alteration continues shall be deemed a separate offense.

(b) (I) It is unlawful to use any building, structure, or land in violation of any regulation in, or of any provision of, any zoning resolution, or any amendment thereto, enacted or adopted by any board of county commissioners under the authority of this part 1. Any person, firm, or corporation violating any such regulation, provision, or amendment thereof is guilty of a misdemeanor and, upon conviction thereof, shall be punished by a fine

of not more than one hundred dollars, or by imprisonment in the county jail for not more than ten days, or by both such fine and imprisonment. Each day during which such illegal use of any building, structure, or land continues shall be deemed a separate offense.

(II) Whenever a county zoning official authorized pursuant to section 30-28-114 has personal knowledge of any violation of this paragraph (b), he or she shall give written notice to the violator to correct the violation within ten days after the date of the notice. Should the violator fail to correct the violation within the ten-day period, the zoning official may request that the sheriff of the county issue a summons and complaint to the violator, stating the nature of the violation with sufficient particularity to give notice of the charge to the violator. The summons and complaint shall require that the violator appear in county court at a definite time and place stated therein to answer and defend the charge.

(III) One copy of said summons and complaint shall be served upon the violator by the sheriff of the county in the manner provided by law for the service of a criminal summons. One copy each shall be retained by the sheriff and the county zoning official, and one copy shall be transmitted by the sheriff to the clerk of the county court.

(c) It is the responsibility of the county attorney to enforce the provisions of this subsection (1). In the event that there is no county attorney or in the event that the board of county commissioners deems it appropriate, the board of county commissioners may appoint the district attorney of the judicial district to perform such enforcement duties in lieu of the county attorney.

(2) In case any building or structure is or is proposed to be erected, constructed, reconstructed, altered, or used, or any land is or is proposed to be used, in violation of any regulation or provision of any zoning resolution, or amendment thereto, enacted or adopted by any board of county commissioners under the authority granted by this part 1, the county attorney of the county in which such building, structure, or land is situated, in addition to other remedies provided by law, may institute an injunction, mandamus, abatement, or other appropriate action or proceeding to prevent, enjoin, abate, or remove such unlawful erection, construction, reconstruction, alteration, or use. In the event that there is no county attorney or in the event that the board of county commissioners deems it appropriate, the board of county commissioners may appoint the district attorney of the judicial district to perform such enforcement duties in lieu of the county attorney.

Source: L. 39: p. 308, § 24. CSA: C. 45A, § 24. CRS 53: § 106-2-24. C.R.S. 1963: § 106-2-23. L. 77: Entire section R&RE, p. 1459, § 3, effective June 9. L. 2006: (1)(b)(II) amended, p. 233, § 1, effective July 1.

ANNOTATION

A zoning resolution may legally restrict the right to extend or enlarge a nonconforming use, and the stopping of an expansion of a nonconforming use is not an arbitrary or unreasonable exercise of governmental power. *Wasinger v. Miller*, 154 Colo. 61, 388 P.2d 250 (1964).

“Use” defined. “Use” means “to employ” or “to be the subject of customary practice, employment, or occupation”. *Bd. of County Comm’rs v. Pfeifer*, 35 Colo. App. 89, 532 P.2d 51 (1974), modified, 190 Colo. 275, 546 P.2d 946 (1976).

Sale or buying of land is not a “use” prohibited by this section. *Bd. of County Comm’rs v. Pfeifer*, 35 Colo. App. 89, 532 P.2d 51 (1974), modified, 190 Colo. 275, 546 P.2d 946, (1976).

Court’s duties upon considering request for injunction. When considering a request for an injunction and the affirmative defenses to that request, the district court sits as a trial court, not a reviewing court, and therefore has the responsibility for determining the legal merit of those affirmative defenses. *Garland v. Bd. of County Comm’rs*, 660 P.2d 20 (Colo. App. 1982).

Nothing in this section precludes an investigation by the board of county commissioners of alleged zoning violations. *Sundheim v. Bd. of County Comm’rs of Douglas County*, 904 P.2d 1337 (Colo. App. 1995), *aff’d*, 926 P.2d 545 (Colo. 1996).

30-28-124.5. County court actions for civil penalties for zoning violations. (1) It is unlawful to erect, construct, reconstruct, alter, or use any building, structure, or land in

violation of any regulation in, or of any provisions of, any zoning resolution or any amendment thereof, enacted or adopted by the board of county commissioners under the authority of this part 1. In addition to any penalties imposed pursuant to section 30-28-124, any person, firm, or corporation violating any such regulation, provision, or amendment thereof or any provision of this part 1 may be subject to the imposition, by order of the county court, of a civil penalty in an amount of not less than five hundred dollars nor more than one thousand dollars. It is within the discretion of the county attorney to determine whether to pursue the civil penalties set forth in this section, the remedies set forth in section 30-28-124, or both. Each day after the issuance of the order of the county court during which such unlawful activity continues shall be deemed a separate violation and shall, in accordance with the subsequent provisions of this section, be the subject of a continuing penalty in an amount not to exceed one hundred dollars for each such day. Until paid, any civil penalty ordered by the county court and assessed under this subsection (1) shall, as of recording, be a lien against the property on which the violation has been found to exist. In case the assessment is not paid within thirty days, it may be certified by the county attorney to the county treasurer, who shall collect the assessment, together with a ten percent penalty for the cost of collection, in the same manner as other taxes are collected. The laws of this state for assessment and collection of general taxes, including the laws for the sale and redemption of property for taxes, shall apply to the collection of assessments pursuant to this subsection (1). Any lien placed against the property pursuant to this subsection (1) shall be recorded with the clerk and recorder of the county in which the property is located.

(2) (a) In the event any building or structure is erected, constructed, reconstructed, altered, or used or any land is used in violation of any regulation or provision of any zoning resolution, or amendment thereto, enacted or adopted by any board of county commissioners under the authority granted by this part 1, the county attorney of the county in which such building, structure, or land is situated, in addition to other remedies provided by law, may commence a civil action in county court for the county in which such building, structure, or land is situated, seeking the imposition of a civil penalty in accordance with the provisions of this section.

(b) A county zoning official designated by resolution of the board of county commissioners shall, upon personal information and belief that a violation of any regulation or provision of any zoning resolution enacted under the authority of this part 1 has occurred, give written notice to the violator to correct the violation within ten days after the date of the notice. If the violator fails to correct the violation within the ten-day period or within any extension period granted by the zoning official, the zoning official, the sheriff of the county, or the county attorney may issue a summons and complaint to the violator, stating the nature of the violation with sufficient particularity to give notice of the charge to the violator.

(c) One copy of the summons and complaint issued pursuant to paragraph (b) of this subsection (2) shall be served upon the violator in the manner provided by law for the service of a county court civil summons and complaint in accordance with the Colorado rules of county court civil procedure. The summons and complaint shall also be filed with the clerk of the county court and thereafter the action shall proceed in accordance with the Colorado rules of county court civil procedure.

(d) If the county court finds, by a preponderance of the evidence, that a violation of any regulation or provision of a zoning resolution, or amendment thereto, as enacted and adopted by the board of county commissioners, has occurred, the court shall order the violator to pay a civil penalty in an amount allowed pursuant to subsection (1) of this section. The penalty shall be payable immediately by the violator to the county treasurer. In the event that the alleged violation has been cured or otherwise removed and the violator has notified the county zoning official of the cure or removal at least five business days prior to the appearance date in the summons, then the county attorney shall so inform the court and request that the action be dismissed without fine or appearance of the defendant.

(3) Upon the filing with the court of a receipt issued by the county treasurer showing payment in full of a civil penalty assessed pursuant to this section and upon the filing of an affidavit of the county zoning official that the violation has been cured, removed, or corrected, the court shall dismiss the action and issue a satisfaction in full of the judgment

so entered. The court may also dismiss the action upon a motion of the county attorney indicating that the matter has been otherwise resolved.

(4) If a receipt showing full payment of the civil penalty or the affidavit or the motion by the county attorney required by subsection (3) of this section is not filed, the action shall continue and the court shall retain jurisdiction to impose an additional penalty against the violator in the amount specified in subsection (1) of this section. The additional penalty shall be imposed by the court upon motion filed by the county and proof that the violation has not been cured, removed, or corrected. Thereafter, the action shall continue until the filing with the court of a receipt issued by the county treasurer showing payment in full of the civil penalty and any additional penalties so assessed and the filing of an affidavit of the county zoning official that the violation has been cured, removed, or corrected, or until a motion by the county attorney to dismiss the action is granted by the court.

Source: L. 98: Entire section added, p. 338, § 1, effective July 1. L. 2006: (1), (2)(b), (2)(d), (3), and (4) amended, p. 233, § 2, effective July 1.

30-28-125. Filing with county clerk and recorder. Upon the adoption of any zoning ordinance or regulation, or map, the board of county commissioners shall file a certified copy of each in the office of the county clerk and recorder, which copies shall be accessible to the public. The county clerk and recorder shall index such ordinances and regulations as nearly as possible in the same manner as he indexes instruments pertaining to the title of land.

Source: L. 39: p. 309, § 25. CSA: C. 45A, § 25. CRS 53: § 106-2-25. C.R.S. 1963: § 106-2-24.

ANNOTATION

Law reviews. For article, "1974 Land Use Legislation in Colorado", see 51 Den. L.J. 467 (1974).

30-28-126. Appropriation authorized. The board of county commissioners is empowered to appropriate out of the general county fund such moneys, otherwise unappropriated, as it may deem fit to finance the work of the county and district planning commissions and of the boards of adjustment, and to enforce the zoning regulations and restrictions which are adopted, and to accept grants of money and service for these purposes and other purposes, in accordance with this part 1, from either private or public sources, state or federal.

Source: L. 39: p. 309, § 26. CSA: C. 45A, § 26. CRS 53: § 106-2-26. C.R.S. 1963: § 106-2-25.

30-28-127. Public utilities exceptions. None of the provisions of this part 1 shall apply to any existing building, structure, or plant or other equipment owned or used by any public utility. After the adoption of a plan, all extensions, betterments, or additions to buildings, structures, or plant or other equipment of any public utility shall only be made in conformity with such plan, unless, after public hearing first had, the public utilities commission orders that such extensions, betterments, or additions to buildings, structures, or plant or other equipment are reasonable and that such extensions, betterments, or additions may be made even though they conflict with the adopted plan.

Source: L. 39: p. 309, § 27. CSA: C. 45A, § 27. CRS 53: § 106-2-27. C.R.S. 1963: § 106-2-26.

ANNOTATION

Administrative agency proceeding by Public Utilities Commission was quasi-judicial where it rendered its decision by applying the reasonableness standard set forth in this section, the parties adversely affected by the decision were identifiable, no new rule of general application resulted, and notice and a public hearing were required. Douglas County Bd. of Comm'rs v. Pub. Utils. Comm'n, 829 P.2d 1303 (Colo. 1992).

The requirement that the Public Utilities Commission find a proposed improvement to be "reasonable" before ordering an upgrade to equipment contrary to a county land use plan, read in the context of the statutory scheme covering county planning along with the rules that the Public Utilities Commission has adopted, provides an adequate standard. Douglas County Bd. of Comm'rs v. Pub. Utils. Comm'n, 829 P.2d 1303 (Colo. 1992).

In determining whether any improvement or upgrade in accordance with this section is reasonable statutory considerations for county or regional planning commissions are also factors for the Public Utilities Commission to consider. Douglas County Bd. of Comm'rs v. Pub. Utils. Comm'n, 829 P.2d 1303 (Colo. 1992).

It is within the discretion of the Public Utilities Commission to determine what factors are germane to assessing the reasonableness of an utility upgrade, because the Public Utilities Commission has the knowledge and expertise to determine when, and under what circumstances, an upgrade is reasonable and it is constitutionally authorized to make such determinations. Douglas County Bd. of Comm'rs v. Pub. Utils. Comm'n, 866 P.2d 919 (Colo. 1994).

30-28-128. Term of membership. In order to ensure adequate time for the preparation of those plans which are specified as the primary responsibility of a regional planning commission, the term of membership of any governing body in a regional planning commission shall be not less than three years.

Source: L. 59: p. 622, § 6. CRS 53: § 106-2-29. C.R.S. 1963: § 106-2-28.

30-28-129. Inclusion of land in regional planning commission. Any county or municipality adjacent to an area under the jurisdiction of a regional planning commission may be included in such regional planning commission by agreement between its board of county commissioners, or governing body, or in charter cities the officials having charge of public improvements and the governing bodies which are members of the regional planning commission. Any such county or municipality, upon being included in the regional planning commission, shall be subject to all provisions of this part 1 relating to regional planning commissions.

Source: L. 59: p. 623, § 6. CRS 53: § 106-2-30. C.R.S. 1963: § 106-2-29.

30-28-130. Notice of intent to withdraw. Written notice of intent to withdraw shall be given to the regional planning commission at least ninety days prior to the date of intended withdrawal, and no withdrawal shall be effective until such notice has been given. In the event of withdrawal of a county or municipality, no refund shall be made of any moneys paid to the regional planning commission.

Source: L. 59: p. 623, § 6. CRS 53: § 106-2-31. C.R.S. 1963: § 106-2-30.

30-28-131. Planning commission responsibilities in a common geographic area. The regional planning commission shall have primary responsibility for those broad plans described in section 30-28-106 (3) and surveys and studies described in section 30-28-107 which clearly affect the physical development of two or more governmental units. The district, county, or municipal planning commission shall have primary responsibility for all other plans, surveys, and studies and implementation thereof in zoning, subdivision, housing, recreation, transportation, public works, health and safety, and other similar subjects.

Source: L. 59: p. 623, § 6. CRS 53: § 106-2-32. C.R.S. 1963: § 106-2-31.

30-28-132. Concurrent planning jurisdiction - authorized agreements and contracts. (1) In any instance where a regional planning commission is unable to perform on time and in sufficient detail a plan or survey or study which is its primary responsibility and where such plan or survey or study has been requested and is urgent for the development of a district, county, or municipality, then, upon formal notice to the regional planning commission, the local commission may proceed to make such plan or survey or study for its own area. In such instances, the regional planning commission may adopt such plan or survey or study as part of its regional plan and may take primary responsibility for the expansion of the study or plan into other jurisdictions.

(2) A regional planning commission may agree or contract with any governmental or quasi-governmental body within the region to make any plan or survey or study for such governmental or quasi-governmental body, irrespective of whether such plan or survey or study is the primary responsibility of such regional planning commission.

(3) A regional planning commission may agree or contract with any constituent government to have it make any plan or survey or study which is the primary responsibility of the regional planning commission.

30-28-133. Subdivision regulations. (1) Every county in the state that does not have a county planning commission on July 1, 1971, shall create a county planning commission in accordance with the provisions of section 30-28-103. Every county planning commission in the state shall develop, propose, and recommend subdivision regulations, and the board of county commissioners shall adopt and enforce subdivision regulations for all land within the unincorporated areas of the county in accordance with this section not later than September 1, 1972. Before finally adopting any subdivision regulations, the board of county commissioners shall hold a public hearing thereon, and at least fourteen days' notice of the time and place of such hearing shall be given by at least one publication in a newspaper of general circulation in the county. Before adopting any such subdivision regulations, the board of county commissioners may revise, alter, or amend any such subdivision regulations developed, proposed, or recommended by the county planning commission. Such subdivision regulations shall be in full force and effect and enforced by the board of county commissioners.

(2) Prior to the adoption of the regulations referred to in this section, a public hearing shall be held thereupon in the county in which said territory or any part thereof is situated. A copy of such regulations shall be filed with the county clerk and recorder of the county in which said territory is situated.

(3) Subdivision regulations adopted by a board of county commissioners pursuant to this section shall require subdividers to submit to the board of county commissioners data, surveys, analyses, studies, plans, and designs, in the form prescribed by the board of county commissioners, of the following items:

(a) Property survey and ownership of the surface and mineral estates including mineral lessees, if any;

(b) Relevant site characteristics and analyses applicable to the proposed subdivision including the following, which shall be submitted by the subdivider with the sketch plan:

(I) Reports concerning streams, lakes, topography, and vegetation;

(II) Reports concerning geologic characteristics of the area significantly affecting the land use and determining the impact of such characteristics on the proposed subdivision;

(III) In areas of potential radiation hazard to the proposed future land use, evaluations of these potential radiation hazards;

(IV) Maps and tables concerning suitability of types of soil in the proposed subdivision, in accordance with any standard soil classifications and procedures therefor, for the proposed use;

(c) A plat and other documentation showing the layout or plan of development, including, where applicable, the following information:

- (I) Total development area;
- (II) Total number of proposed dwelling units;
- (III) Total number of square feet of proposed nonresidential floor space;
- (IV) Total number of proposed off-street parking spaces, excluding those associated with single-family residential development;
- (V) Estimated total number of gallons per day of water system requirements where a distribution system is proposed;

(VI) Estimated total number of gallons per day of sewage to be treated where a central sewage treatment facility is proposed or sewage disposal means and suitability where no central sewage treatment facility is proposed;

(VII) Estimated construction cost and proposed method of financing of the streets and related facilities, water distribution system, sewage collection system, storm drainage facilities, and such other utilities as may be required of the developer by the county;

(VIII) Maps and plans for facilities to prevent storm waters in excess of historic runoff, caused by the proposed subdivision, from entering, damaging, or being carried by conduits, water supply ditches and appurtenant structures, and other storm drainage facilities;

(d) Adequate evidence that a water supply that is sufficient in terms of quality, quantity, and dependability will be available to ensure an adequate supply of water for the type of subdivision proposed. Such evidence may include, but shall not be limited to:

(I) Evidence of ownership or right of acquisition of or use of existing and proposed water rights;

(II) Historic use and estimated yield of claimed water rights;

(III) Amenability of existing rights to a change in use;

(IV) Evidence that public or private water owners can and will supply water to the proposed subdivision stating the amount of water available for use within the subdivision and the feasibility of extending service to that area;

(V) Evidence concerning the potability of the proposed water supply for the subdivision.

(e) Evidence that provision has been made for facility sites, easements, and rights of access for electrical and natural gas utility service sufficient to ensure reliable and adequate electric or, if applicable, natural gas service for the proposed subdivision. Submission of a letter of agreement between the subdivider and utility serving the site shall be deemed sufficient to establish that adequate provision for electric or, if applicable, natural gas service to a proposed subdivision has been made.

(4) Subdivision regulations adopted by the board of county commissioners pursuant to this section shall also include, as a minimum, provisions governing the following matters:

(a) Sites and land areas for schools and parks when such are reasonably necessary to serve the proposed subdivision and the future residents thereof. Such provisions may include:

(I) Reservation of such sites and land areas, for acquisition by the county;

(II) Dedication of the sites and land areas to the county, to a school district, or to the public or, in lieu thereof, payment of a sum of money not exceeding the fair market value of the sites and land areas or a combination of such dedication and such payment; except that the value of the combination shall not exceed the fair market value of the sites and land areas. Any sums, when required, or moneys to be paid to the board of county commissioners pursuant to this paragraph (a) may, if approved by the board of county commissioners, be paid directly to a school district. If the sites and land areas are dedicated to the county, to a school district, or the public, the board of county commissioners may, at the request of the affected entity, sell the land. The subdivider shall have a right of first refusal to purchase all or a portion of any land dedicated by the subdivider to a county, school district, or other public entity pursuant to this subparagraph (II) before the land is sold, transferred, or conveyed to any party other than a school district. Prior to selling or otherwise transferring ownership of the land, the county, school district, or other public entity selling the land shall provide written notice to the subdivider of its intention to sell or transfer ownership of all or any portion of the land. The subdivider shall then have sixty days to provide written

notice to the county, school district, or other public entity of the subdivider's interest in purchasing all or a portion of the land to be sold. The purchase of the land by the subdivider shall be upon such terms and conditions and for such consideration as the parties may mutually agree; however, in no event shall the purchase price exceed the fair market value of the land at the time the subdivider dedicated the land to the county, school district, or other public entity. Any right of first refusal created pursuant to this subparagraph (II) shall expire twenty years from the date the land was dedicated by the subdivider to a county, school district, or other public entity. Except as provided in subsection (4.3) of this section, any such sums, when required, or moneys paid to the board of county commissioners from the sale of the dedicated sites and land areas shall be held by the board of county commissioners:

(A) For the acquisition of reasonably necessary sites and land areas or for other capital outlay purposes for schools or parks;

(B) For the development of the sites and land areas for park purposes; or

(C) For growth-related planning functions by school districts for educational purposes;

(III) Dedication of such sites and land areas for the use and benefit of the owners and future owners in the proposed subdivision;

(b) Standards and technical procedures applicable to storm drainage plans and related designs, in order to ensure proper drainage ways, which may require, in the opinion of the board of county commissioners, detention facilities which may be dedicated to the county or the public, as are deemed necessary to control, as nearly as possible, storm waters generated exclusively within a subdivision from a one hundred year storm which are in excess of the historic runoff volume of storm water from the same land area in its undeveloped and unimproved condition;

(c) Standards and technical procedures applicable to sanitary sewer plans and designs, including soil percolation testing and required percolation rates and site design standards for on-lot sewage disposal systems when applicable;

(d) Standards and technical procedures applicable to water systems.

(4.3) After final approval of a subdivision plan or plat and receipt of dedications of sites and land areas or payments in lieu thereof required pursuant to subparagraph (II) of paragraph (a) of subsection (4) of this section, the board of county commissioners shall give written notification to the appropriate school districts and local government entities. Following such notice, a school district or local government entity may request periodic transfer on no longer than an annual basis of such land or moneys to the district or entity. When a board of county commissioners determines that the school district or local government entity has demonstrated a need for the land or moneys based on a long-range capital plan or evidence of the impact of the subdivision on the district or entity, or both, it shall periodically transfer on no longer than an annual basis the land or moneys to the appropriate school district or local government entity. The district or entity shall use the transferred land or moneys only for a purpose authorized by sub-subparagraphs (A) to (C) of subparagraph (II) of paragraph (a) of subsection (4) of this section. Any moneys received by the board of county commissioners that are transferred pursuant to this subsection (4.3) are not county revenues for purposes of paragraph (d) of subsection (7) of section 20 of article X of the state constitution.

(4.5) Subdivision regulations adopted by a board of county commissioners may provide for the protection and assurance of access to sunlight for solar energy devices by considering the use of restrictive covenants or solar easements, height restrictions, side yard and setback requirements, street orientation and width requirements, or other permissible forms of land use controls.

(5) No subdivision shall be approved under section 30-28-110 (3) and (4) until such data, surveys, analyses, studies, plans, and designs as may be required by this section and by the county planning commission or the board of county commissioners have been submitted, reviewed, and found to meet all sound planning and engineering requirements of the county contained in its subdivision regulations.

(6) No board of county commissioners shall approve any preliminary plan or final plat for any subdivision located within the county unless the subdivider has provided the following materials as part of the preliminary plan or final plat subdivision submission:

(a) Evidence to establish that definite provision has been made for a water supply that is sufficient in terms of quantity, dependability, and quality to provide an appropriate supply of water for the type of subdivision proposed;

(b) Evidence to establish that, if a public sewage disposal system is proposed, provision has been made for such system and, if other methods of sewage disposal are proposed, evidence that such systems will comply with state and local laws and regulations which are in effect at the time of submission of the preliminary plan or final plat;

(c) Evidence to show that all areas of the proposed subdivision which may involve soil or topographical conditions presenting hazards or requiring special precautions have been identified by the subdivider and that the proposed uses of these areas are compatible with such conditions.

(7) and (8) (Deleted by amendment, L. 2005, p. 668, § 6, effective June 1, 2005.)

(9) The subdivision regulations adopted under this section may provide that, without a hearing or compliance with any of the submission, referral, or review requirements in this section and section 30-28-136, the board of county commissioners may approve a correction plat if the sole purpose of such correction plat is to correct one or more technical errors in an approved plat and where such correction plat is consistent with an approved preliminary plan. However, if the technical error or errors of an approved plat meet the description of any errors under section 38-51-111 (2), C.R.S., a surveyor's affidavit of correction, as defined in section 38-51-102, C.R.S., shall be prepared in lieu of a correction plat.

(10) It is recognized that surface and mineral estates are separate and distinct interests in land and that one may be severed from the other and that the owners of subsurface mineral interests and their lessees, if any, are entitled to the notice specified in section 24-65.5-103, C.R.S., and shall be recognized by the commission as having the same rights and privileges as surface owners.

(11) The subdivision regulations adopted under this section may provide for the payment of a sum of money or proof of a line of credit or other fees in connection with a subdivision on a per-acre basis, to represent an equitable contribution to the total costs of the drainage facilities in the drainage basin in which the subdivision is located. The subdivision regulations shall provide for the repayment to a subdivider, from any surplus basin funds available, of any costs he incurs because of compliance with the plans for the development of drainage basins in excess of the sum of the drainage fees assessed against his acreage. When the subdivision regulations require such payment, a plan for the development of drainage basins shall be adopted pursuant to section 30-28-106 (3) (d). The provisions of this section shall not apply to any area which is within an existing drainage district organized or created pursuant to law without the approval of such district.

(12) The subdivision regulations adopted under this section may provide that a subdivider is entitled to fair-share reimbursement of the cost of any streets and related facilities, water distribution systems, sewage collection systems, storm drainage facilities, and other improvements the county requires the subdivider to construct adjacent to or outside the subdivision. Any such reimbursable costs shall be paid to the subdivider, less any reimbursement by the county, by the owner or owners of property that is adjacent to or has presumed use of the improvements when that property is developed. Subdivision regulations providing for such reimbursement shall prescribe the period, not to exceed fifteen years from the date of completion of an improvement, during which a subdivider may seek reimbursement. Subdivision regulations providing for such reimbursement may entitle subdividers to interest on the amount to be reimbursed.

Editor's note: Amendments to subsection (4)(a)(II) by House Bill 84-1087 and House Bill 84-1189 were harmonized.

ANNOTATION

Law reviews. For article, "1974 Land Use Legislation in Colorado", see 51 Den. L.J. 467 (1974). For comment, "Pre-Enforcement Judicial Review: CF & I Steel Corp. v. Colorado Air Pollution Control Commission", see 58 Den. L.J. 693 (1981). For article, "Property Tax Incentives for Implementing Soil Conservation Programs Under Constitutional Taxing Limitations", see 59 Den. L.J. 485 (1982). For note, "The Permissible Scope of Compulsory Requirements for Land Development in Colorado", see 54 U. Colo. L. Rev. 447 (1983). For article, "Subdivision Improvement Requirements and Guarantees in Colorado", see 14 Colo. Law. 554 (1985). For article, "Local Government Exactions from Developers after Beaver Meadows", see 16 Colo. Law. 42 (1987). For comment, "School Impact Fees in Colorado: Gone, but Hopefully Not Forgotten", see 70 U. Colo. L. Rev. 257 (1998).

A landowner must comply with all county as well as state subdivision requirements. Shoptaugh v. Bd. of County Comm'rs, 37 Colo. App. 39, 543 P.2d 524 (1975).

But county subdivision regulations are of primary importance. Shoptaugh v. Bd. of County Comm'rs, 37 Colo. App. 39, 543 P.2d 524 (1975).

Land use regulations generally may be applied prospectively only. Bd. of County Comm'rs v. Goldenrod Corp., 43 Colo. App. 221, 601 P.2d 360 (1979).

Not necessary to pursue administrative remedies where county initiates court action to enforce regulations. Although usually a landowner must first present his objections to land use regulations to the appropriate administrative agency before challenging those regulations in the courts, where a board of county commissioners initiates an action to enforce its subdivision regulations, a landowner is under no obligation to first exhaust available administrative remedies prior to asserting a defense predicated upon allegations of unconstitutionality. Bd. of County Comm'rs v. Goldenrod Corp., 43 Colo. App. 221, 601 P.2d 360 (1979).

Subsection (3) neither mandates the submission of a sketch plan nor qualifies the language allowing the board of commissioners

to decide what form submissions should take. Save Park County v. Bd. of County Comm'rs, 969 P.2d 711 (Colo. App. 1998), aff'd on other grounds, 990 P.2d 35 (Colo. 1999).

It is within the board of commissioners' discretion to find that the addition of two lots to a 34-lot subdivision proposal is not a significant change requiring resubmission of a preliminary plan, that a drainage plan and a radiation hazard study were not required, and that water quality issues were adequately addressed. Save Park County v. Bd. of County Comm'rs, 969 P.2d 711 (Colo. App. 1998), aff'd on other grounds, 990 P.2d 35 (Colo. 1999).

This section contains no deadline for submission of a final plat to a board of commissioners. Save Park County v. Bd. of County Comm'rs, 969 P.2d 711 (Colo. App. 1998), aff'd on other grounds, 990 P.2d 35 (Colo. 1999).

County commissioners have no implied power to require monetary exactions at the time of issuance of a building permit or certificate of occupancy above the cap set forth in subsection (4)(a)(II). County Comm'rs of Douglas County v. Bainbridge, 929 P.2d 691 (Colo. 1996).

Exaction payments can be utilized for a project on or off the site of a subdivision. County Comm'rs of Douglas County v. Bainbridge, 929 P.2d 691 (Colo. 1996).

The language of subsection (4) providing that subdivision regulations adopted by local governments shall also include "at a minimum" the land dedication or in lieu fees does not imply that a county has the authority to impose fees upon the issuance of the building permit or the certificate of occupancy. The use of the phrase "at a minimum" addresses the overall content of subdivision regulations. County Comm'rs of Douglas County v. Bainbridge, 929 P.2d 691 (Colo. 1996).

Applied in Stagecoach Prop. Owners Ass'n v. Young's Ranch, 658 P.2d 1378 (Colo. App. 1982); Winslow v. Morgan County Comm'rs, 697 P.2d 1141 (Colo. App. 1985); Beaver Meadows v. Bd. of County Comm'rs, 709 P.2d 928 (Colo. 1985); Delta County Bd. of County Comm'rs v. Sherrill, 757 P.2d 1085 (Colo. App. 1987).

30-28-133.1. Subdivision plan or plat - access to public highways. No person may submit an application for subdivision approval to a local authority unless the subdivision plan or plat provides, pursuant to section 43-2-147, C.R.S., that all lots and parcels created by the subdivision will have access to the state highway system in conformance with the state highway access code.

Source: L. 80: Entire section added, p. 796, § 57, effective June 5. L. 82: Entire section amended, p. 626, § 32, effective April 2.

ANNOTATION

Law reviews. For article, "Local Government Exactions from Developers after Beaver Meadows", see 16 Colo. Law. 42 (1987).

Board of county commissioners abused its discretion in approving planned unit development because record contains no evidence of year-around access to the state highway system at the time of final approval. Plain language of this section does not allow postponing access beyond the application for final subdivision approval. Final approval of a subdivision application predicated on obtaining access to the state highway system by an as yet undetermined

route would constitute an abuse of discretion because the subdivision might never have the required statutory access. This section requires at a minimum year-round wheeled vehicle access between state highway and village. Because subject road is not usable by wheeled vehicles during winter, purpose of this section not satisfied. *Wolf Creek Ski Corp. v. Bd. of County Comm'rs*, 170 P.3d 821 (Colo. App. 2007).

Applied in *Beaver Meadows v. Bd. of County Comm'rs*, 709 P.2d 928 (Colo. 1985).

30-28-133.5. Review of plats and other plans. (1) The process for review and approval of any plat or other plan required by section 30-28-133 or 30-28-133.1, for any agreement required by section 30-28-137, or for plans for extensions, betterments, or additions to buildings, structures or plant or other equipment of a public utility under section 30-28-127 shall be conducted pursuant to duly adopted county resolutions, ordinances, or regulations that are available to the applicant prior to commencement of such process. The denial of a plat, plan, or agreement shall be supported by written findings specifying the provisions that the plat, plan, or agreement failed to address or satisfy. The denial of any plat, plan, or agreement shall be based on a failure to conform to the requirements of the adopted resolution, ordinance, or regulation.

(2) Nothing in this section shall be construed to preclude a county from taking any action permitted by law with respect to the plat, plan, or agreement based on the consideration of the rights and privileges of the owners of subsurface mineral interests and their lessees pursuant to section 30-28-133 (10).

(3) During the administrative review of any plat, plan, or agreement, the county shall make every effort to apprise the applicant of any deficiency or nonconformity in the plat, plan, or agreement prior to any required public hearing. A technical dispute between a licensed or registered professional of the applicant and the county may be referred, at the applicant's request, to a qualified employee in the appropriate state department for a recommendation to facilitate a resolution of the dispute.

(4) The county planning commission or board of county commissioners may request redesign of all or any portion of a plat or plan submitted for approval, but any such request shall be based on specific, objective criteria. If the applicant redesigns the plat or plan in accordance with the request, no further redesign shall be required unless necessary to comply with a duly adopted county resolution, ordinance, or regulation.

(5) Any required public hearing on any plat, plan, or agreement shall be conducted expeditiously and concluded when all those present and wishing to testify have done so. No public hearing shall continue for more than forty days from the date of commencement without the written consent of the applicant. Any continuation of a public hearing shall be to a date certain.

(6) Unless withdrawn by the applicant, any plat, plan, or agreement that has been neither approved, conditionally approved, nor denied within a time certain mutually agreed to by the county and the applicant at the time of filing shall be deemed approved under

sections 30-28-127, 30-28-133, 30-28-133.1, or 30-28-137. Such time period may be extended by the county to receive a recommendation from any agency to which a plat or plan was referred pursuant to section 30-28-136, but such extension shall not exceed thirty days unless the agency has notified the county that it will require additional time to complete its recommendation.

(7) Any requirement set forth in this section may be waived in writing by the applicant.

Source: L. 96: Entire section added, p. 1837, § 1, effective June 5.

ANNOTATION

A county may deny an application based upon failure to comply with requirements of an adopted resolution, ordinance, or regulation. Such decision will be upheld if competent evi-

dence in the record supports the denial. County Comm'rs of Douglas County v. Bainbridge, 929 P.2d 691 (Colo. 1996).

30-28-134. Telecommunications research facilities of the United States - inclusions in planning and zoning. Any zoning plan, modification thereof, or variance therefrom adopted or granted under this part 1 on or after April 23, 1969, shall comply with the requirements of part 6 of article 11 of this title.

Source: L. 69: p. 238, § 2. **C.R.S. 1963:** § 106-2-35.

30-28-135. Safety glazing materials. The board of county commissioners of each county in this state shall adopt standards governing the use of safety glazing materials for hazardous locations in the unincorporated areas of the county. No building permit shall be issued for the construction, reconstruction, or alteration of any structure in the unincorporated area of such county unless such construction, reconstruction, or alteration conforms to the standards adopted pursuant to this section. The county building inspector shall inspect all places to determine whether such places are in compliance with the standards for the use of safety glazing materials.

Source: L. 71: p. 885, § 2. **C.R.S. 1963:** § 106-2-36. **L. 86:** Entire section amended, p. 501, § 122, effective July 1.

30-28-136. Referral and review requirements. (1) Upon receipt of a complete preliminary plan submission, the board of county commissioners or its authorized representative shall distribute copies of prints of the plan as follows:

- (a) To the appropriate school districts;
- (b) To each county or municipality within a two-mile radius of any portion of the proposed subdivision;
- (c) To any utility, local improvement and service district, or ditch company, when applicable;
- (d) To the Colorado state forest service, when applicable;
- (e) To the appropriate planning commission;
- (f) To the local conservation district board within the county for explicit review and recommendations regarding soil suitability, floodwater problems, and watershed protection. Such referral shall be made even though all or part of a proposed subdivision is not located within the boundaries of a conservation district.
- (g) When applicable, to the county or district public health agency or the state department of public health and environment for its review of the on-lot sewage disposal reports, for review of the adequacy of existing or proposed sewage treatment works to handle the estimated effluent, and for a report on the water quality of the proposed water supply to serve the subdivision. The department of public health and environment or county or district public health agency to which the plan is referred may require the subdivider to submit additional engineering or geological reports or data and to conduct a study of the

economic feasibility of a sewage treatment works prior to making its recommendations. No plan shall receive the approval of the board of county commissioners unless the department of public health and environment or county or district public health agency to which the plan is referred has made a favorable recommendation regarding the proposed method of sewage disposal.

(h) (I) To the state engineer for an opinion regarding material injury likely to occur to decreed water rights by virtue of diversion of water necessary or proposed to be used to supply the proposed subdivision and adequacy of proposed water supply to meet requirements of the proposed subdivision. If the state engineer finds such injury or finds inadequacy, he shall express such finding in an opinion in writing to the board of county commissioners, stating the reason for his finding, including, but not limited to, the amount of additional or exchange water that may be required to prevent such injury. In the event the subdivision is approved notwithstanding the state engineer's opinion, the subdivider shall furnish to all potential purchasers a copy of the state engineer's opinion prior to the sale or a synopsis of the opinion; except that the subdivider need not supply the potential purchaser with a copy of such opinion or synopsis if, in the opinion of the board of county commissioners, the subdivider has corrected the injury or inadequacy set forth in the state engineer's finding.

(II) A municipality or quasi-municipality, upon receiving the preliminary plan designating said municipality or quasi-municipality as the source of water for a proposed subdivision, shall file, with the board of county commissioners and the state engineer, a statement documenting the amount of water which can be supplied by said municipality or quasi-municipality to proposed subdivisions without causing injury to existing water rights. The state engineer shall file, with said board of county commissioners, written comments on the report. If, in the judgment of the state engineer, the report is insufficient to issue an opinion, the state engineer shall notify the board of county commissioners to this effect, indicating the deficiencies.

(i) To the Colorado geological survey for an evaluation of those geologic factors that would have a significant impact on the proposed use of the land; except that, upon written request from the board of county commissioners or the board's authorized representative, the Colorado geological survey may exempt any preliminary plan from this referral and review requirement.

(2) The agencies named in this section shall make recommendations within twenty-one days after the mailing by the county or its authorized representative of such plans unless a necessary extension of not more than thirty days has been consented to by the subdivider and the board of county commissioners of the county in which the subdivision area is located. The failure of any agency to respond within twenty-one days or within the period of an extension shall, for the purpose of the hearing on the plan, be deemed an approval of such plan; except that, where such plan involves twenty or more dwelling units, a school district shall be required to submit within said time limit specific recommendations with respect to the adequacy of school sites and the adequacy of school structures.

(3) The provisions of this part 1 shall not modify the duties or enlarge the authority of the state engineer or the division engineers nor divest the water courts of jurisdiction over actions concerning water right determinations and administration; neither shall any opinion of the state engineer submitted under subsection (1) (h) of this section nor any finding by a board of county commissioners concerning subdivision water supply matters create any presumption concerning injury or noninjury to water rights; and neither the state engineer's opinion nor the finding of the board of county commissioners may be used as evidence in any administrative proceeding or in any judicial proceeding concerning water right determinations or administration.

(4) Repealed.

ANNOTATION

Law reviews. For article, "1974 Land Use Legislation in Colorado", see 51 Den. L.J. 467 (1974). For article, "Property Tax Incentives for Implementing Soil Conservation Programs Under Constitutional Taxing Limitations", see 59 Den. L.J. 485 (1982).

Zoning and subdivision regulations are separate and distinct legislation and serve different purposes. *Shoptaugh v. Bd. of County Comm'rs*, 37 Colo. App. 39, 543 P.2d 524 (1975).

A subdivider must first meet zoning regulations and then additionally must comply with state and county subdivision regulations. *Shoptaugh v. Bd. of County Comm'rs*, 37 Colo. App. 39, 543 P.2d 524 (1975).

This section is designed to allow a planning commission to make a decision on a preliminary plat without waiting indefinitely for agencies' reports. *Shoptaugh v. Bd. of County Comm'rs*, 37 Colo. App. 39, 543 P.2d 524 (1975).

Authority to act on reports implicit. If a planning department or a board of county commissioners has no authority to consider and act on reports required by this section, particularly where they indicate a hazard to the public, then the general purpose to be served by enacting the regulations would be vitiated. *Shoptaugh v. Bd. of County Comm'rs*, 37 Colo. App. 39, 543 P.2d 524 (1975).

There was no error or violation of petitioner's due process right in a board's consideration of late agency reports. *Shoptaugh v. Bd. of County Comm'rs*, 37 Colo. App. 39, 543 P.2d 524 (1975).

A subdivision proposal may be denied based upon a finding of a lack of available schools to serve the residents of the proposed new development. *County Comm'rs of Douglas County v. Bainbridge*, 929 P.2d 691 (Colo. 1996).

Board of county commissioners did not abuse its discretion when it did not resubmit plans for a subdivision to certain agencies for additional comment and review before granting final approval. Once the board has satisfied the requirements of the statute by submitting the proposed plans for comment, a decision whether or not to require additional comments is within the sound discretion of that board. *Save Park County v. Bd. of County Comm'rs*, 990 P.2d 35 (Colo. 1999).

Board of county commissioners acted within its discretion when, 11 years after a subdivision plan was proposed, it did not seek supplemental information from all agencies, but instead sought any supplemental information it found necessary to reach an informed decision. *Save Park County v. Bd. of County Comm'rs*, 990 P.2d 35 (Colo. 1999).

30-28-137. Guarantee of public improvements. (1) No final plat shall be recorded until the subdivider has submitted and the board of county commissioners has approved one or a combination of the following:

(a) A subdivision improvements agreement agreeing to construct any required public improvements shown in the final plat documents, together with collateral which is sufficient, in the judgment of said board, to make reasonable provision for the completion of said improvements in accordance with design and time specifications; or

(b) Other agreements or contracts setting forth the plan, method, and parties responsible for the construction of any required public improvements shown in the final plat documents which, in the judgment of said board, will make reasonable provision for completion of said improvements in accordance with design and time specifications.

(2) As improvements are completed, the subdivider may apply to the board of county commissioners for a release of part or all of the collateral deposited with said board. Upon inspection and approval, the board shall release said collateral. If the board determines that any of such improvements are not constructed in substantial compliance with specifications, it shall furnish the subdivider a list of specific deficiencies and shall be entitled to withhold collateral sufficient to ensure such substantial compliance. If the board of county commissioners determines that the subdivider will not construct any or all of the improvements in accordance with all of the specifications, the board of county commissioners may withdraw

and employ from the deposit of collateral such funds as may be necessary to construct the improvement in accordance with the specifications.

(3) The board of county commissioners or any purchaser of any lot, lots, tract, or tracts of land subject to a plat restriction which is the security portion of a subdivision improvements agreement shall have the authority to bring an action in any district court to compel the enforcement of any subdivision improvements agreement on the sale, conveyance, or transfer of any such lot, lots, tract, or tracts of land or of any other provision of this part 1. Such authority shall include the right to compel rescission of any sale, conveyance, or transfer of title of any lot, lots, tract, or tracts of land contrary to the provisions of any such restriction set forth on the plat or in any separate recorded instrument, but any such action shall be commenced prior to the issuance of a building permit by any county where so required or otherwise prior to commencement of construction on any such lot, lots, tract, or tracts of land.

(4) In addition to any other remedy set forth in this part 1, the board of county commissioners, or any purchaser of any lot, lots, tract, or tracts of land in a recorded plat, shall have the authority to bring an action for injunctive relief to enforce any plat restriction, plat note, plat map, or provision of a subdivision improvements agreement and for damages arising out of failure to adhere to any such plat restriction, plat note, plat map, or provision of a subdivision improvements agreement. Nothing in this part 1 shall require the board of county commissioners to bring any action referred to in this subsection (4).

ANNOTATION

Law reviews. For article, "1974 Land Use Legislation in Colorado", see 51 Den. L.J. 467 (1974).

Standing to assert a claim against a board of county commissioners. Under subsection (4), a purchaser of a lot has standing to assert a

claim against a board for the alleged breach of a subdivision improvements agreement. *Langlois v. Bd. of County Comm'rs*, 78 P.3d 1154 (Colo. App. 2003).

Applied in *Colo. Nat'l Bank v. Bd. of County Comm'rs*, 634 P.2d 32 (Colo. 1981).

30-28-138. Referral to municipality. Notwithstanding any provision of law to the contrary, the board of county commissioners shall refer any proposed land use decision that involves a business or agricultural activity identified in section 31-15-501 (1) (a) and (1) (d), C.R.S., to the governing body of a municipality for review and comment if such business or agricultural activity lies wholly or partially within one mile of the corporate limits of the municipality.

Source: L. 99: Entire section added, p. 63, § 2, effective July 1.

30-28-139. Merger of lots - notice - hearing - assessment of merged parcels. (1) Notwithstanding any other provision of law, where a county ordinance, regulation, or resolution provides for the merger of two or more parcels of land for the purpose of eliminating interior lot lines, obsolete subdivisions, or otherwise, the ordinance, regulation, or resolution shall provide that:

(a) Prior to the completion of the merger, the county shall send notice of the county's intent to complete the merger to each owner of the affected parcels by certified mail. The notice shall also specify that each such owner may request a hearing on the proposed merger pursuant to paragraph (b) of this subsection (1), and shall specify action to be taken by such owner to request such hearing, including, without limitation, the requirement that said owner shall request the hearing within one hundred twenty days of the date the notice required by this paragraph (a) is received by said owner.

(b) (I) Prior to the completion of the merger, where each owner of an affected parcel has timely requested a hearing on the proposed merger satisfying the requirements of paragraph (a) of this subsection (1), a public hearing on said merger shall be held before the

board of county commissioners of said county. The hearing shall be conducted for the purpose of allowing the board to discuss with the owner of each affected parcel its reasons for proceeding with the merger and to give each owner the opportunity to submit any basis provided under law for challenging the merger. In such case, notice of the time, place, and manner of the hearing shall be provided to each owner of the affected parcels and also published in a newspaper of general circulation in the county in a manner sufficient to notify the public of the time, place, and nature of said hearing.

(II) Where the owner of each affected parcel fails to timely request a hearing on the proposed merger satisfying the requirements of paragraph (a) of this subsection (1), no such hearing is required, and the affected parcels shall be merged in accordance with the requirements of this subsection (1).

(c) In order to give the owner of the parcels the opportunity to take whatever remedial action is allowed under law, the hearing authorized by paragraph (b) of this subsection (1) shall take place no sooner than ninety days following the date of the notice required by paragraph (a) of this subsection (1).

(2) No merger of parcels that is the subject of a hearing pursuant to subsection (1) of this section shall be effective unless:

(a) The owner of the parcels has given his, her, or its consent to the merger of said parcels; and

(b) The merger has been approved by a majority of the board of county commissioners.

(3) Upon completion of any merger of parcels in accordance with the requirements of this section, the county shall:

(a) For purposes of the levying and collection of the tax on real and personal property, assess the merged parcels as one parcel of real property; and

(b) File of record a notice of merger in the office of the clerk and recorder of deeds for the county in which the merged parcels of real property are located, and such notice shall constitute prima facie evidence that all of the requirements of subsection (1) of this section have been satisfied.

(4) Notwithstanding any other provision of this section, the requirements of subsections (1) and (2) of this section shall not apply to any merger of parcels of land that is requested in writing by each owner of an affected parcel.

(5) Nothing in this section shall be construed to abrogate or otherwise diminish or expand any rights a landowner may have under article 68 of title 24, C.R.S., pertaining to vested property rights.

Source: L. 2003: Entire section added, p. 967, § 1, effective October 1.

Editor's note: Section 2 of chapter 132, Session Laws of Colorado 2003, provides that provisions of this section addressing the requirements of notice and hearing only apply to mergers that take effect on or after October 1, 2003, and that provisions of this section addressing the assessment of merged parcels as one parcel of real property for purposes of the levying and collection of the tax on real and personal property apply to mergers that take effect prior to, on, and after October 1, 2003, but shall not be construed to require a reassessment of property for property tax years commencing prior to January 1, 2003.

PART 2

BUILDING CODES

30-28-201. Commissioners may adopt - emission performance standards required.

(1) A board of county commissioners is authorized to adopt ordinances and a building code consistent with the uniform building code, 1988 edition, as promulgated by the international conference of building officials and as revised from time to time, in all or part of the county, and not embraced within the limits of any incorporated city or town. Buildings or structures used for the sole purpose of providing shelter for agricultural implements, farm products, livestock, or poultry may be excepted. The requirements shall be uniform for each class of dwelling, building, or structure. The board of county

commissioners may employ qualified technical experts to assist in the preparation of the text of such ordinances and the area building code.

(2) By the date established in section 25-7-407, C.R.S., every board of county commissioners of a county which has enacted a building code, and thereafter every board of county commissioners of a county which enacts a building code, shall enact a building code provision to regulate the construction and installation of fireplaces in order to minimize emission levels. Such building code provision shall contain standards which shall be the same as or stricter than the approved emission performance standards for fireplaces established by the air quality control commission in the department of public health and environment pursuant to section 25-7-407, C.R.S.

(3) By the date established in section 30-28-211, every board of county commissioners of a county that has enacted a building code, and thereafter every board that enacts a building code, shall adopt and enforce a building energy code that meets or exceeds the standards in the 2003 version of the international energy conservation code pursuant to section 30-28-211.

Source: L. 45: p. 242, § 1. L. 47: p. 364, § 1. CSA: C. 45B, § 1. CRS 53: § 36-15-1. C.R.S. 1963: § 36-15-1. L. 73: p. 472, § 1. L. 84: Entire section amended, p. 782, § 2, effective April 12. L. 87: (2) amended, p. 1144, § 8, effective June 16. L. 90: (1) amended, p. 1450, § 5, effective July 1. L. 94: (2) amended, p. 2801, § 562, effective July 1. L. 2005: (2) amended, p. 773, § 56, effective June 1. L. 2007: (3) added, p. 695, § 1, effective July 1.

ANNOTATION

Law reviews. For article, "Synthetic Fuels — Policy and Regulation", see 51 U. Colo. L. Rev. 465 (1980).

Code inapplicable to water project. A county's building code, adopted pursuant to this article, does not pertain to the construction of diversion boxes, conduits, check dams, by-

passes, flumes, or similar appurtenances of a water project which merely passes through the county's land. *City & County of Denver v. Bergland*, 517 F. Supp. 155 (D. Colo. 1981), *aff'd in part, rev'd in part on other grounds*, 695 F.2d 465 (10th Cir. 1982).

30-28-202. Designation of zoned area - hearing. (1) The county planning commission of any county, upon request from the board of county commissioners of the county, may designate part or all of the county for the adoption of a building code. The county planning commission shall certify a copy of the building code to the board of county commissioners of the county. After receiving the certification of said building code from the county planning commission and before the adoption of any building code, the board of county commissioners shall hold a public hearing on the proposed text. The time and place of the hearing shall be designated in a notice to be given by publication once weekly for four consecutive weeks in a newspaper of general circulation in the county. Such notice shall state the place at which the text of the proposed building code may be inspected and the description of the areas to be covered by the code. No substantial change in or departure from the proposed text so certified by the county planning commission shall be made unless such change or departure is first submitted to the certifying county planning commission for its approval, disapproval, or suggestions.

(2) The county planning commission shall have thirty days from such submission within which to send its report to the board of county commissioners. The opinion of the county planning commission shall be advisory only, and, upon receipt thereof, the board of county commissioners may accept, reject, or amend the proposed change or departure. After a public hearing has been held thereon, the board of county commissioners, by resolution, may adopt a building code for all or part of the county.

Source: L. 47: p. 365, § 1. CSA: C. 45B, § 2. CRS 53: § 36-15-2. C.R.S. 1963: § 36-15-2. L. 73: p. 472, § 2.

Cross references: For clarification of terms and requirements for notice by publication, see part 1 of article 70 of title 24.

30-28-203. Purpose of codes. The provisions of any building code shall be made with a reasonable consideration of, and in accordance with, the public health, safety, morals, and general welfare and the safety, protection, and sanitation of such dwellings, buildings, and structures.

Source: L. 45: p. 244, § 3. L. 47: p. 365, § 1. CSA: C. 45B, § 3. CRS 53: § 36-15-3. C.R.S. 1963: § 36-15-3. L. 73: p. 473, § 3.

ANNOTATION

Applied in *City & County of Denver v. Bergland*, 517 F. Supp. 155 (D. Colo. 1981).

30-28-204. Amendment of building code. The board of county commissioners from time to time by resolution may alter and amend any county building code after public hearing, notice of which hearing shall be given by at least one publication in a newspaper of general circulation in the county at least fourteen days prior to said hearing. In no case shall the area covered by the building code be extended or changed unless the same has been proposed by or is first submitted for the approval, disapproval, or suggestions of the county planning commission. Unless the county planning commission acts within thirty days, approval shall be assumed. The opinion of the county planning commission shall be advisory only and not binding upon the board of county commissioners.

Source: L. 45: p. 244, § 4. L. 47: p. 366, § 1. CSA: C. 45B, § 4. CRS 53: § 36-15-4. C.R.S. 1963: § 36-15-4. L. 92: Entire section amended. p. 966, § 8, effective June 1.

30-28-205. County building inspector - permit required - appeal. (1) The county building inspector, as authorized in section 30-28-114, may be authorized by the board of county commissioners to administer and enforce the building code adopted pursuant to this part 2; and the board of county commissioners shall fix a reasonable schedule of fees for the issuance of building permits by the county building inspector. After the adoption of the building code, it shall be unlawful to erect, construct, reconstruct, alter, or remodel any structure, dwelling, or building in the designated area, except buildings or structures used for the sole purpose of providing shelter for agricultural implements, farm products, livestock, or poultry without first obtaining a building permit from the county building inspector. The county building inspector shall not issue any permit unless the plans for the proposed erection, construction, reconstruction, alteration, or remodeling fully conform to the regulations and restrictions in the building code.

(2) No permit fee provided for pursuant to the provisions of subsection (1) of this section shall be charged unless an inspection is actually made by such inspector who is fully qualified to perform the required type of inspection.

(3) The county building inspector shall not issue any permit unless the plans and specifications for such proposed erection, construction, reconstruction, alteration, or remodeling conform to the regulations and restrictions in said building code. All such proposed erection, construction, reconstruction, alteration, or remodeling shall bear the seal of an architect or engineer licensed by the state of Colorado, unless the preparation of plans and specification is exempted by section 12-25-303, C.R.S. Such plans and specifications prepared by architectural or engineering subdisciplines shall be so designated and shall bear the seal and signature of the architect or engineer for that subdiscipline.

Source: L. 45: p. 244, § 5. L. 47: p. 366, § 1. CSA: C. 45B, § 5. CRS 53: § 36-15-5. C.R.S. 1963: § 36-15-5. L. 73: p. 473, § 4. L. 86: (3) added, p. 610, § 11, effective July 1. L. 2006: (1) amended, p. 235, § 3, effective July 1; (3) amended, p. 762, § 23, effective July 1.

ANNOTATION

General assembly did not intend in § 30-28-114 and subsection (1) of this section to limit schedule of fees for county building permits to direct costs of operating building department. Indirect costs, including, for example, services furnished by county manager, county attorney's office, the assessor's office, and various other divisions of county government may be calculated in determining overall costs required to operate that department for purposes of imposing fees for building department services. Fees generated must generally approximate the overall costs of operating the building department to prevent the fees from constituting an unlawful tax in violation of the state constitutional provision mandating uniform property taxation. *Bainbridge, Inc. v. Bd. of County Comm'rs*, 964 P.2d 575 (Colo. App. 1998).

On remand, trial court correctly concluded that general governmental expenses relating to growth management are recoverable from builders under subsection (1) of this section and § 30-28-114 through permit fees charged as indirect costs. Evidence demonstrated that growth has driven the costs of the county's building department. The evidence also supports the finding that the fees charged by the building department were approximately required to offset the direct and indirect costs of operating the department. Mathematical exactitude is not required. Thus, it was permissible for part of the growth costs to be allocated to the building department as indirect costs. *Bainbridge, Inc. v. Bd. of County Comm'rs*, 53 P.3d 646 (Colo. App. 2001).

30-28-206. Board of review - qualifications - powers. (1) The board of county commissioners of any county which enacts a building code under the authority of this part 2 may provide for a board of review of three or five members and for the manner of appointment of such members. Members of the board shall be experienced in building construction. The board of county commissioners may fix per diem compensation and terms for the members of such boards of review, which terms shall be of such length and so arranged that the terms of at least one member will expire each year. Any member of the board of review may be removed for cause by the board of county commissioners upon written charges and after a public hearing. Vacancies shall be filled for the unexpired term in the same manner as in the case of original appointments. The board of county commissioners shall provide and specify in its building code or other resolution general rules to govern the organization, procedure, and jurisdiction of said board of review, which rules shall not be inconsistent with the provisions of this part 2, and the board of review may adopt supplemental rules of procedure not inconsistent with this part 2 or such general rules.

(2) Any building code adopted by the board of county commissioners may provide that the board of review, in appropriate cases and subject to appropriate principles, standards, rules, conditions, and safeguards set forth in the building code, may make special exceptions to the terms of the building code in harmony with their general purpose and intent. The board of county commissioners also may authorize the board of review to formulate suggested amendments to the building code for the consideration of the board of county commissioners. In addition, the board of review may adopt substantive rules and regulations based on the provisions of the building code adopted by the board of county commissioners. In no case, however, shall these rules become effective unless a public hearing thereon has been conducted by the board of review. Notice of the hearing, stating its time and place and where the text of the proposed substantive rules and regulations may be inspected, shall be given in the same manner as provided in the initial adoption of the code.

Source: L. 45: p. 244, § 6. L. 47: p. 366, § 1. CSA: C. 45B, § 6. CRS 53: § 36-15-6. C.R.S. 1963: § 36-15-6.

30-28-207. Board of review - meetings - appeals. (1) Meetings of the board of review shall be held at the call of the chairman and at such other times as the board in its rules of procedure may specify. The chairman or, in his absence, the acting chairman may administer oaths and compel the attendance of witnesses. All meetings of the board of review shall be open to the public. The board shall keep minutes of its proceedings showing the vote of each member upon each question or, if absent or failing to vote, indicating such

fact, and it shall keep records of its examinations and other official actions, all of which shall be immediately filed in the office of the board and shall be a public record.

(2) Appeals to the board of review may be taken by any person aggrieved by his inability to obtain a building permit or by any officer, department, board, or bureau of the county affected by the grant or refusal of a building permit. Any person, officer, department, board, or bureau may appeal to the board of review from the decision of any administrative officer or agency based upon or made in the course of the administration or enforcement of the provisions of the building code. The time within which such appeal shall be made, and the form or other procedure relating thereto, shall be as specified in the general rules provided by the board of county commissioners to govern the procedure of such board of review or in the supplemental rules of procedure adopted by such board.

Source: L. 45: p. 244, § 6. L. 47: p. 366, § 1. CSA: C. 45B, § 6. CRS 53: § 36-15-7. C.R.S. 1963: § 36-15-7.

30-28-208. Copies of code available - evidence. Upon the adoption of such area building code, the board of county commissioners shall file certified copies thereof in its office, which copies shall be accessible to the public at a cost not to exceed that of printing the same. The board of county commissioners shall also file a notice with the county clerk and recorder setting forth a description of the area subject to the building code. Copies of the code printed by authority of the board of county commissioners shall be prima facie evidence of the original text in all courts and tribunals of this state.

Source: L. 45: p. 244, § 6. L. 47: p. 368, § 1. CSA: C. 45B, § 7. CRS 53: § 36-15-8. C.R.S. 1963: § 36-15-8.

30-28-209. Violation - injunction and other remedies. (1) (a) It is unlawful to erect, construct, reconstruct, or alter any building or structure in a manner that results in a violation of any regulation in, or of any provisions of, the area building code, or any amendment thereof, enacted or adopted by the board of county commissioners under the authority of this part 2. Any person, firm, or corporation violating any such regulation, provision, or amendment thereof, or any provision of this part 2, is guilty of a misdemeanor and, upon conviction thereof, shall be punished by a fine of not more than one hundred dollars, or by imprisonment in the county jail for not more than ten days, or by both such fine and imprisonment. Each day during which such illegal erection, construction, reconstruction, or alteration continues shall be deemed a separate offense.

(b) (I) It is unlawful to use any building or structure in violation of any regulation in, or of any provision of, the area building code, or any amendment thereto, enacted or adopted by any board of county commissioners under the authority of this part 2. Any person, firm, or corporation violating any such regulation, provision, or amendment thereof is guilty of a misdemeanor and, upon conviction thereof, shall be punished by a fine of not more than one hundred dollars, or by imprisonment in the county jail for not more than ten days, or by both such fine and imprisonment. Each day during which such illegal use of any building or structure continues shall be deemed a separate offense. Nothing in this subparagraph (I) shall be construed to prohibit the use of any building or structure in violation of an otherwise applicable building code where the use complies with any building code that was in effect at the time the building or structure was erected, constructed, reconstructed, or altered.

(II) Whenever a county building inspector authorized pursuant to sections 30-28-114 and 30-28-205, or any inspector employed by an intergovernmental entity created in accordance with the requirements of part 2 of article 1 of title 29, C.R.S., who exercises the functions of a county building inspector, has personal knowledge of any violation of the requirements of subparagraph (I) of this paragraph (b), he or she shall give written notice to the violator to correct the violation within ten days after the date of the notice. Where the violator fails to correct the violation within the ten-day period, the county building inspector may request that the sheriff of the county issue a summons and complaint to the violator,

stating the nature of the violation with sufficient particularity to give notice of the charge to the violator. The summons and complaint shall require that the violator appear in county court at a definite time and place stated therein to answer and defend the charge.

(III) One copy of the summons and complaint shall be served upon the violator by the sheriff of the county in the manner provided by law for the service of a criminal summons. One copy each shall be retained by the sheriff and the county building inspector, and one copy shall be transmitted by the sheriff to the clerk of the county court.

(c) It is the responsibility of the county attorney to enforce the provisions of this subsection (1). Where there is no county attorney or in the event that the board of county commissioners deems it appropriate, the board may appoint the district attorney of the judicial district in which the building or structure is located to perform such enforcement duties in lieu of the county attorney.

(2) In case any building or structure is, or is proposed to be, erected, constructed, reconstructed, altered, or used in violation of any regulation or provision of the area building code, or amendment thereto, enacted or adopted by any board of county commissioners under the authority granted by this part 2, the county attorney of the county in which such building, structure, or land is situated, in addition to other remedies provided by law, may institute an injunction, mandamus, abatement, or other appropriate action or proceeding to prevent, enjoin, abate, or remove such unlawful erection, construction, reconstruction, alteration, or use. Where there is no county attorney or in the event that the board deems it appropriate, the board may appoint the district attorney of the judicial district in which the building or structure is located to perform such enforcement duties in lieu of the county attorney.

ANNOTATION

No additional civil remedies exist under this section absent a clear legislative intent to allow such a remedy for breach of the obligations imposed on a county by the area building

code. *Bd. of County Comm'rs v. Moreland*, 764 P.2d 812 (Colo. 1988) (decided prior to 2003 repeal and reenactment).

30-28-210. County court actions for civil penalties for building violations. (1) It is unlawful to erect, construct, reconstruct, alter, maintain, or use any building, structure, or land in violation of this part 2 or any provisions of the area building code. In addition to any penalties imposed pursuant to section 30-28-209, any person, firm, or corporation violating any provision of this part 2 or any provision of the area building code may be subject to the imposition, by order of the county court, of a civil penalty in an amount of not less than five hundred dollars nor more than one thousand dollars. It is within the discretion of the county attorney to determine whether to pursue the civil penalties set forth in this section, the remedies set forth in section 30-28-209, or both. Each day after the issuance of the order of the county court during which such unlawful activity continues shall be deemed a separate violation and shall in accordance with the subsequent provisions of this section, be the subject of a continuing penalty in an amount not to exceed one hundred dollars for each such day. Until paid, any civil penalty ordered by the county court and assessed under this subsection (1) shall, as of recording, be a lien against the property on which the violation has been found to exist. In case the assessment is not paid within thirty days, it may be certified by the county attorney to the county treasurer, who shall collect the assessment, together with a ten percent penalty for the cost of collection, in the same manner as other taxes are collected. The laws of this state for assessment and collection of general taxes, including the laws for the sale and redemption of property for taxes, shall apply to the collection of assessments pursuant to this subsection (1). Any lien placed against the property pursuant to this subsection (1) shall be recorded with the clerk and recorder of the county in which the property is located.

(2) (a) In the event any building or structure is erected, constructed, reconstructed, altered, maintained, or used in violation of this part 2 or of any provision of the area building code, the county attorney of the county in which such building or structure is situated, in addition to other remedies provided by law, may commence a civil action in county court for the county in which such building or structure is situated seeking the imposition of a civil penalty in accordance with the provisions of this section.

(b) A building inspector designated by resolution of the board of county commissioners shall, upon personal information and belief that a violation of this part 2 or of any provision of the area building code has occurred, give written notice to the violator to correct the violation within ten days after the date of the notice. If the violator fails to correct the violation within the ten-day period or within any extension period granted by the building inspector, the building inspector, the sheriff of the county, or the county attorney may issue a summons and complaint to the violator stating the nature of the violation with sufficient particularity to give notice of the charge to the violator.

(c) One copy of the summons and complaint issued pursuant to paragraph (b) of this subsection (2) shall be served upon the violator in the manner provided by law for the service of a county court civil summons and complaint in accordance with the Colorado rules of county court civil procedure. The summons and complaint shall also be filed with the clerk of the county court and thereafter the action shall proceed in accordance with the Colorado rules of county court civil procedure.

(d) If the county court finds, by a preponderance of the evidence, that a violation of this part 2 or of any provision of the area building code has occurred, the court shall order the violator to pay a civil penalty in an amount allowed pursuant to subsection (1) of this section. The penalty shall be payable immediately by the violator to the county treasurer. In the event that the alleged violation has been cured or otherwise removed and the violator has notified the building inspector of the cure or removal at least five business days prior to the appearance date in the summons, then the county attorney shall so inform the court and request that the action be dismissed without fine or appearance of the defendant.

(3) Upon the filing with the court of a receipt issued by the county treasurer showing payment in full of a civil penalty assessed pursuant to this section and upon the filing of an affidavit of the county building inspector that the violation has been cured, removed, or corrected, the court shall dismiss the action and issue a satisfaction in full of the judgment so entered. The court may also dismiss the action upon a motion of the county attorney indicating that the matter has been otherwise resolved.

(4) If a receipt showing full payment of the civil penalty or the affidavit or the motion by the county attorney required by subsection (3) of this section is not filed, the action shall continue and the court shall retain jurisdiction to impose an additional penalty against the violator in the amount specified in subsection (1) of this section. The additional penalty shall be imposed by the court upon motion filed by the county and proof that the violation has not been cured, removed, or corrected. Thereafter, the action shall continue until the filing with the court of a receipt issued by the county treasurer showing payment in full of the civil penalty and any additional penalties so assessed and the filing of an affidavit of the county building inspector that the violation has been cured, removed, or corrected, or until a motion by the county attorney to dismiss the action is granted by the court.

Source: L. 98: Entire section added, p. 340, § 2, effective July 1. **L. 2006:** (1), (2)(b), (2)(d), (3), and (4) amended, p. 235, § 5, effective July 1.

30-28-211. Energy efficient building codes - legislative declaration - definitions.

(1) The general assembly hereby finds and declares that there is statewide interest in requiring an effective energy efficient building code for the following reasons:

(a) Excessive energy consumption creates effects beyond the boundaries of the local government within which the energy is consumed because the production of power occurs in centralized locations.

(b) Air pollutant emissions from energy consumption affect the health of the citizens throughout Colorado.

- (c) The strain on the grid from peak electric power demands is not confined to jurisdictional boundaries.
- (d) There is statewide interest in the reliability of the electrical grid and an adequate supply of heating oil and natural gas.
- (e) Controlling energy costs for residents and businesses furthers a statewide interest in a strong economy and reducing the cost of housing in Colorado.
- (2) As used in this section, unless the context otherwise requires:
- (a) "Building code" means regulations related to energy performance, electrical systems, mechanical systems, plumbing systems, or other elements of residential or commercial buildings.
- (b) "Energy code" means, at a minimum, the 2003 international energy conservation code, or any successor edition, published by the international code council or any other code determined by the Colorado energy office created in section 24-38.5-101, C.R.S., to be more appropriate for local conditions.
- (c) "Office" means the Colorado energy office created in section 24-38.5-101, C.R.S.
- (3) Within one year of July 1, 2007, every board of county commissioners that has enacted a building code pursuant to section 30-28-201 shall adopt an energy code that shall apply to the construction of, and renovations and additions to, all commercial and residential buildings in the county to which the building code applies.
- (4) The energy code shall apply to any commercial or residential building in the county for which a building permit application is received subsequent to the adoption of the energy code.
- (5) The following buildings are exempt from the provisions of subsection (4) of this section:
- (a) Any building that is otherwise exempt from the provisions of the building code adopted by the board of county commissioners of the county in which the building is located and buildings that do not contain a conditioned space;
- (b) Any building that does not use either electricity or fossil fuels for comfort heating. A building will be presumed to be heated by electricity even in the absence of equipment used for electric comfort heating if the building is provided with electrical service in excess of one hundred amps, unless the code enforcement official of the county determines that the electrical service is necessary for a purpose other than for providing electric comfort heating.
- (c) Historic buildings that are listed on the national register of historic places or Colorado state register of historic properties and buildings that have been designated as historically significant or that have been deemed eligible for designation by a local governing body that is authorized to make such designations; and
- (d) Any building that is exempt pursuant to the energy code.
- (6) Notwithstanding any other provision of this section, the board of county commissioners of a county that is required to adopt an energy code may make any amendments to the energy code that the board deems appropriate for local conditions, so long as the amendments do not decrease the effectiveness of the energy code.
- (7) (a) The office shall ensure that information explaining the requirements of the energy code and describing acceptable methods of compliance is available to builders, designers, engineers, and architects.
- (b) The office shall provide boards of county commissioners with technical assistance concerning the implementation and enforcement of the energy code.

PART 3

ESTABLISHMENT OF SUBDIVISION
EXEMPTION PLATS FOR THE PURPOSE
OF CORRECTING LEGAL DESCRIPTIONS

30-28-301. Legislative declaration. (1) The general assembly hereby finds and declares that, in certain areas of the state, property has been conveyed as irregular parcels or as parcels platted prior to establishment of current subdivision regulations. Situations exist where the physical layout of lots conveyed in this manner are not in dispute, but the legal descriptions of these lots contain inaccuracies such that conflicts exist in the written record locating property boundaries. These conflicts in the legal descriptions jeopardize the ability of property owners to utilize and to convey their property. These conflicts often affect a number of properties such that the most efficient means of correcting them is to create a subdivision exemption plat for the area which can be used as a uniform basis for legal descriptions. The inability of property owners to resolve conflicts in legal descriptions is contrary to the public welfare and interferes with efficient and economic development and utilization of land.

(2) It is the purpose of this part 3 to provide for the preparation of subdivision exemption plats for unplatted areas or for areas platted prior to current subdivision regulations which can be used as a uniform basis for legal descriptions of such areas.

Source: L. 88: Entire part added, p. 1117, § 1, effective April 20.

30-28-302. Definitions. As used in this part 3, unless the context otherwise requires:

(1) "Irregular, divided area" means an area containing parcels of less than thirty-five acres which are either irregular parcels or parcels which were platted prior to June 1, 1972.

(2) "Irregular parcel" means a parcel of land which is not uniquely defined on a subdivision plat but which is described by any of the following methods:

- (a) An aliquot part of a section;
- (b) A metes and bounds description;
- (c) A book and page or reception number reference;
- (d) Any so-called "assessor's tract";
- (e) A description which calls only for the owner's or adjoiner's name.

(3) "Land division study area" means an area of land which qualifies as an irregular, divided area as defined in subsection (1) of this section, and which has been designated by the board of county commissioners for the purpose of preparing a plan for platting in accordance with the provisions of section 30-28-304.

(4) "Land surveyor" means a person registered or licensed pursuant to part 2 of article 25 of title 12, C.R.S.

(5) "Parcel" means a contiguous area of land, except for intervening easements and rights-of-way with a continuous boundary defined either by the methods specified in subsection (2) of this section, when the description of the parcel has been recorded in the office of the county clerk and recorder or by reference to a recorded subdivision plat.

(6) "Property owner" or "owner" means the person or persons who hold title to a parcel of land as shown on the property tax assessment roll in the office of the county assessor.

(7) "Subdivision exemption plat" or "exemption plat" means a subdivision plat which depicts a division of land or the creation of an interest in property for which the board of county commissioners has granted an exemption from subdivision regulations pursuant to section 30-28-101 (10) (d) and which is suitable for recording pursuant to section 38-51-105, C.R.S.

(8) "Subdivision plat" means a map of a platted subdivision recorded for the purpose of creating land parcels which can be identified uniquely by reference to such map.

Source: L. 88: Entire part added, p. 1118, § 1, effective April 20. **L. 94:** (7) amended, p. 1509, § 43, effective July 1.

30-28-303. Creation of land division study area. (1) Upon petition of the property owners who represent not less than ten percent of the land in an irregular, divided area, the board of county commissioners may create a land division study area.

(2) At any regular meeting of the board of county commissioners, the board may designate an area of land as a land division study area if:

(a) The notice and comment provisions of subsection (3) of this section have been complied with; and

(b) The board finds that the area proposed for inclusion in the study qualifies as an irregular, divided area.

(3) Prior to designating an area of land as a land division study area, the board of county commissioners shall publish its intent to consider such designation thirty days prior to the meeting in a newspaper of general circulation in the county. Such notice shall include the time and place of the hearing and an invitation to the public to comment on the proposed designation.

Source: L. 88: Entire part added, p. 1118, § 1, effective April 20.

30-28-304. Preparation and adoption of plan for platting notice - withdraw from plan - requirements for adoption. (1) (a) The board of county commissioners shall have prepared a plan for platting the land division study area.

(b) The plan shall include the estimated cost for preparing a subdivision exemption plat and the estimated amount which must be assessed against each property included in the plan in order to repay the cost of the exemption plat. Costs associated with the following activities shall be eligible for inclusion in the cost estimate:

(I) Surveying and engineering;

(II) Drafting;

(III) Computerized mapping;

(IV) Aerial photography;

(V) Monumentation;

(VI) Title research and documentation;

(VII) Preparation of deeds;

(VIII) Court costs; and

(IX) Project administration.

(c) In addition to the costs set forth in subparagraphs (I) to (IX) of paragraph (b) of this subsection (1), the estimated cost may include a contingency amount of up to fifteen percent of the total costs set forth in such subparagraphs.

(2) (a) The board of county commissioners shall conduct a public hearing to consider adoption of the plan for platting described in subsection (1) of this section and to allow owners of property in the land division study area an opportunity to register either their agreement or objection to having their property included in any subdivision exemption plat for the land division study area.

(b) Notice of the time and place of the hearing shall be given at least thirty days prior to the hearing by publication in a newspaper of general circulation in the county and by certified mail to owners of property included in the land division study area. In addition to the time and place of the hearing, the notice shall include at a minimum the following information:

(I) A map showing the properties included in the land division study area, including the approximate location of parcel boundaries;

(II) The purpose for which the study area was created;

(III) The process by which a subdivision exemption plat for the land division study area can be prepared;

(IV) The cost estimates for preparation of a subdivision exemption plat, with conspicuous notification that such costs would be assessed against the properties included in the exemption plat;

(V) The opportunity for the property owner to object to this property being included in any subdivision exemption plat for the land division study area; and

(VI) A copy of the plan for platting prepared pursuant to subsection (1) of this section.

(3) (a) Any property owner may elect to withdraw from the plan for platting described in subsection (1) of this section by submitting a written request by certified mail to the county clerk and recorder prior to the date of the hearing or by appearing at the hearing and informing the board of county commissioners of his decision to withdraw from the plan.

(b) The board of county commissioners shall exclude properties of owners who request withdrawal pursuant to paragraph (a) of this subsection (3) from any plan adopted for platting the land division study area.

(c) The board of county commissioners shall not adopt a plan for platting if the withdrawal of property owners from participation would result in an increase in the amount of the assessment against the remaining properties from that amount which was stated in the plan, unless written consent is obtained from all owners who elect to participate in the plan for platting.

(4) Prior to adoption of any plan for platting a land division study area:

(a) The board of county commissioners shall obtain written consent from each property owner who elects to participate in the plan. Consent on the part of a property owner to participate in the plan shall constitute consent to the following:

(I) Preparation of a subdivision exemption plat for his property;

(II) Temporary conveyance of title to his property to the district court as provided in section 30-28-307;

(III) Payment of the assessment against his property for the cost of preparing the subdivision exemption plat;

(b) Each property owner participating in the plan shall provide evidence of title insurance or other evidence of title which is acceptable to the board of county commissioners for the property which shall be included in the plan for platting. The board of county commissioners shall have the authority to evaluate evidence of title and to exclude properties where title has not been proven to the board's satisfaction.

(5) The board of county commissioners shall adopt the plan for platting by resolution by a majority vote of the full membership of the board.

Source: L. 88: Entire part added, p. 1119, § 1, effective April 20.

30-28-305. Preparation of subdivision exemption plat. (1) The board of county commissioners shall have a subdivision exemption plat prepared for those properties in the land division study area for which the owners have:

(a) Not elected to withdraw from the plan as provided in section 30-28-304 (3);

(b) Given written consent to participate in the plan for platting and have supplied adequate evidence of title as required by section 30-28-304 (4).

(2) The exemption plat shall be prepared by a professional land surveyor, and shall assign a lot number to each of the properties included in the exemption plat.

Source: L. 88: Entire part added, p. 1121, § 1, effective April 20.

30-28-306. Preparation of deeds. The board of county commissioners shall have deeds prepared for each of the properties included in the subdivision exemption plat, using the exemption plat as the basis for the legal description of such properties. Deeds prepared under the provisions of this section shall constitute a legal means for the conveyance of property only upon recordation of the subdivision exemption plat in the office of the county clerk and recorder.

Source: L. 88: Entire part added, p. 1121, § 1, effective April 20.

30-28-307. Conveyance of title to district court. (1) Upon completion of the preparation of the subdivision exemption plat and of the deeds for the parcels included in the exemption plat, each property owner participating in the subdivision exemption plat shall convey the existing title to his property to the district court having jurisdiction over the property which is to be platted.

(2) The district court shall hold each title in escrow and shall act as the property owner for all properties conveyed in this manner for purposes of executing the owner's certificate for consent to the subdivision of the properties as indicated in the subdivision exemption plat.

Source: L. 88: Entire part added, p. 1121, § 1, effective April 20.

30-28-308. Recordation of subdivision exemption plat. Upon execution of the owner's certificate by the district court, the board of county commissioners shall have the subdivision exemption plat recorded in the office of the county clerk and recorder.

Source: L. 88: Entire part added, p. 1121, § 1, effective April 20.

30-28-309. Reconveyance of title to property owners. (1) Upon recordation of the subdivision exemption plat by the county clerk and recorder, the district court shall reconvey the titles held by the court pursuant to section 30-28-307 to the property owners who conveyed title to their properties to the district court. The district court shall convey title by means of the deeds which were prepared in accordance with section 30-28-306.

(2) (a) A failure to record the subdivision exemption plat and to reconvey title from the district court to the participating property owners within five working days from the date title is conveyed to the district court shall void the original conveyance to the district court.

(b) Voiding of the original conveyance shall not preclude subsequent attempts to convey property to the district court for the purposes stated in this part 3, and the limitation on the length of time the district court may hold title to properties so conveyed shall apply to any subsequent conveyance attempts.

Source: L. 88: Entire part added, p. 1121, § 1, effective April 20.

30-28-310. Assessment of costs. (1) (a) The board of county commissioners shall have the authority to assess all eligible costs incurred in preparing the subdivision exemption plat against the properties included in the exemption plat. The maximum amount of such assessment shall be the maximum cost estimate which was included in the plan for platting. The board of county commissioners may establish a schedule of not more than ten years for repayment of the assessment.

(b) The assessment shall become part of the property taxes owed for the affected properties, and the board of county commissioners shall have power to collect delinquent assessments in the same manner that delinquent property taxes are collected. The amount assessed against each of the affected properties shall be proportionate to the benefit received.

(2) The district court shall have the authority to charge for the costs incurred in administering sections 30-28-307 and 30-28-309. Such costs shall be paid by the county at the time these duties are performed, and the county shall be reimbursed for such costs by adding a proportionate amount of such costs to the property owners' assessments which are levied in accordance with subsection (1) of this section.

Source: L. 88: Entire part added, p. 1122, § 1, effective April 20.

30-28-311. Cancellation of process. (1) After adoption of the plan for platting as set forth in section 30-28-304, the board of county commissioners shall cancel the procedures set forth in this part 3 for the creation of a subdivision exemption plat upon:

(a) Written request from at least seventy-five percent of the participating property owners; or

(b) Refusal on the part of one or more property owners to convey title as required by section 30-28-307.

(2) The board of county commissioners shall have the authority to assess costs as provided in section 30-28-310 against the properties included in the adopted plan for work completed prior to cancellation of the process.

Source: L. 88: Entire part added, p. 1122, § 1, effective April 20.

30-28-312. Limitation on liability. Property owners and any persons representing themselves as property owners who convey property to the district court under the provisions of this part 3 shall bear full responsibility for the condition of the title they hold to the property and for any subsequent litigation regarding defective title. Administration by the board of county commissioners and the district court of the procedures set forth in this part 3 shall not confer liability upon them or anyone in their employ for any litigation regarding defective title of any property which is included in a subdivision exemption plat prepared pursuant to this part 3.

Source: L. 88: Entire part added, p. 1122, § 1, effective April 20.

30-28-313. Severability. If any section, clause, provision, or portion of this part 3 shall be found unconstitutional or otherwise invalid by a court of competent jurisdiction, the remainder of this part 3 shall not be affected.

Source: L. 88: Entire part added, p. 1122, § 1, effective April 20.

PART 4

CLUSTER DEVELOPMENT

30-28-401. Legislative declaration. (1) The general assembly hereby finds and declares that:

(a) It is in the public interest to encourage clustering of residential dwellings on tracts of land that are exempt from subdivision regulation by county government pursuant to section 30-28-101 (10) (c) (X), thereby providing a means of preserving common open space, of reducing the extension of roads and utilities to serve the residential development, and of allowing landowners to implement smart growth on land that is exempt from subdivision regulations.

(b) Landowners should have the option to consider cluster development when subdividing land into parcels in a manner that constitutes an alternative to the traditional thirty-five acre interests described in section 30-28-101 (10) (c) (I).

(c) A process should be available for the development of parcels of land for residential purposes that will authorize the use of clustering, water augmentation, density bonuses, not to exceed two units for each thirty-five acre increment, or other incentives, and the transfer of development rights and fulfill the goals of the county to preserve open space, protect wildlife habitat and critical areas, and enhance and maintain the rural character of lands with contiguity to agricultural lands suitable for long-range farming and ranching operations.

Source: L. 96: Entire part added, p. 1880, § 2, effective June 6.

30-28-402. Definitions. As used in this part 4, unless the context otherwise requires:

(1) "Rural land use process" means a planning process duly enacted and adopted by a county which is designed to offer a land use option for single family residential purposes that differs from traditional thirty-five acre divisions of land, as described in section 30-28-101 (10) (c) (I).

Source: L. 96: Entire part added, p. 1881, § 2, effective June 6.

30-28-403. Cluster development. (1) A cluster development is any division of land that creates parcels containing less than thirty-five acres each, for single-family residential purposes only, where one or more tracts are being divided pursuant to a rural land use process and where at least two-thirds of the total area of the tract or tracts is reserved for the preservation of open space. No rural land use process as authorized by this section shall approve a cluster development that would exceed one residential unit for each seventeen and one-half acre increment.

(2) As a condition of approving a cluster development, a rural land use process shall require that the cluster development plan to set aside land to preserve open space or to protect wildlife habitat or critical areas not permit development of such land for at least forty years from the date the plan is approved.

Source: L. 96: Entire part added, p. 1881, § 2, effective June 6. L. 2001: (1) amended, p. 157, § 1, effective August 8.

30-28-404. Water - sewage - roadways - notification to state engineer. (1) In an effort to preserve open space and water resources, a cluster development may obtain only one well permit for each single-family residential lot pursuant to sections 37-90-105 and 37-92-602, C.R.S., subject to the provisions of subsection (2) of this section.

(2) Except in areas of the state where unappropriated water is available for withdrawal and the vested water rights of others will not be materially injured and except inside designated groundwater basins, a water court-approved plan for augmentation shall be required and shall accompany any county-approved rural land use plan when the water usage in the cluster development would exceed an annual withdrawal rate of one acre-foot for each thirty-five acres within the cluster development. Nothing in this section shall be construed to preclude the use of treated domestic water provided by any public or private entity.

(3) No later than ten days after approval of a cluster development pursuant to a county's rural land use process, the board of county commissioners shall notify the state engineer of such approval and shall provide the state engineer a copy of the approved rural land use plan that includes the cluster development.

Source: L. 96: Entire part added, p. 1881, § 2, effective June 6.

APPORTIONMENT OF FEDERAL MONEYS

ARTICLE 29

Apportionment of Federal Moneys from Public Lands

Editor's note: This article was numbered as article 9 of chapter 112, C.R.S. 1963. The substantive provisions of this article were repealed and reenacted in 1973, resulting in the addition, relocation, and elimination of sections as well as subject matter. For amendments to this article prior to 1973, consult the Colorado statutory research explanatory note beginning on page vii in the front of this volume. For a detailed comparison of this article, see the comparative tables located in the back of the index.

30-29-101.

Receipts from national forests
- legislative intent.

30-29-102.

Receipts from flood control
projects.

30-29-101. Receipts from national forests - legislative intent. (1) All moneys received by the state treasurer from the federal government under provisions of the act of congress of May 23, 1908, as amended, 16 U.S.C. sec. 500, relating to receipts from national forests, referred to in this section as "national forest payments", shall be credited

to a clearing account.

(2) The state treasurer shall pay over the national forest payments within thirty days after receipt of the payments to the treasurers of the several counties of the state in which national forests are located, on the basis of the acreage of national forest land located in each county and in accordance with information provided by the appropriate agency of the federal government as to source and amount.

(3) (a) The boards of county commissioners of the counties receiving the payments specified in subsection (2) of this section shall allocate a minimum of twenty-five percent to the county road and bridge fund and a minimum of twenty-five percent to the public schools in the county; except that the county may allocate less than twenty-five percent of the national forest payments to the county road and bridge fund in order to maximize the receipt by the county of federal payments in lieu of taxes pursuant to 31 U.S.C. sec. 6901 et seq., referred to in this section as "PILT". The allocation of the remaining fifty percent of the national forest payments shall be determined pursuant to the provisions of paragraph (b) of this subsection (3).

(b) (I) A total of three representatives from the school districts in the county and three members of the board of county commissioners, or their designees, shall meet and shall negotiate the remaining percentage allocation of the national forest payments to either the public schools in the county or the county road and bridge fund. In determining the allocation of the national forest payments, the parties shall seek to maximize the total amount of federal funds that may be received by the county and the public schools in the county.

(II) Unallocated national forest payments shall remain unspent until such time as the parties agree upon the allocation of the national forest payments between the county road and bridge fund and the public schools in the county.

(c) If there is more than one school district in the county, the amount allocated to each district shall be in the proportion that its pupil enrollment during the preceding school year bears to the aggregate pupil enrollment in all districts in the county during said preceding school year.

(4) Notwithstanding the minimum percentage allocations to the public schools in the county and the county road and bridge fund set forth in paragraph (a) of subsection (3) of this section, in any federal fiscal year in which the national forest payments received by the state from the federal government are less than six million dollars, the parties specified in paragraph (b) of subsection (3) of this section shall allocate one hundred percent of the national forest payments to either the public schools in the county or the county road and bridge fund pursuant to the provisions of paragraph (b) of subsection (3) of this section.

(5) Repealed.

Editor's note: Subsection (5)(c) provided for the repeal of subsection (5), effective July 1, 2011. (See L. 2010, p. 2029.)

30-29-102. Receipts from flood control projects. (1) All moneys received by the state treasurer from the federal government under provisions of Public Law 526, 79th Congress, Second Session, approved July 24, 1946, relating to flood control projects, shall be credited to a clearing account.

(2) As soon as practicable after receipt of the moneys specified in subsection (1) of this section, the state treasurer shall pay over said moneys to the treasurers of the several counties of the state in which flood control projects are located, in accordance with information provided by the appropriate federal agency as to location and amount.

(3) The boards of county commissioners of the counties receiving the payments specified in subsection (2) of this section shall allocate twenty-five percent thereof to the county road and bridge fund and seventy-five percent thereof to the public schools of the

county. If there is more than one school district in the county, the amount allocated to each district shall be in the proportion which its pupil enrollment during the preceding school year bears to the aggregate pupil enrollment in all districts in the county during said preceding school year.

FLOOD CONTROL

ARTICLE 30

Control of Stream Flow

30-30-101.	Definitions.	30-30-104.	Adoption of plan.
30-30-102.	Authority to remove obstructions in streams.	30-30-105.	Colorado water conservation board - grants to counties.
30-30-103.	Contracts and agreements.		

30-30-101. Definitions. As used in this article, unless the context otherwise requires:

(1) "Channel" means that area of a stream where water normally flows between banks and not that area beyond where vegetation exists.

(2) "Obstruction" means sandbars formed by the natural flow of a stream, temporary structures, planks, snags, and debris in and along the existing channel which cause a flood hazard.

Source: L. 74: Entire article added, p. 230, § 1, effective May 14.

30-30-102. Authority to remove obstructions in streams. (1) The board of county commissioners of each county shall have authority within its respective county, for flood control purposes only, to remove or cause to be removed any obstruction to the channel of any natural stream which causes a flood hazard, and for such purpose only the board of county commissioners shall have a right of access to any such natural stream, which access shall be accomplished through existing gates and lanes, if possible. Such authority includes the right to modify existing diversion or storage facilities at no expense to the diverter of a water right, but it shall in no way alter or diminish the quality or quantity of water entitled to be received under any vested water right.

(2) Except in case of imminent flood danger, such right of access shall be exercised only as follows:

(a) Upon five days' notice to the landowner and to the owner of any other property or leasehold interest in the area to be inspected, including public utilities, the board of county commissioners shall have a right of access to any natural stream for the purpose of inspecting it and determining if there are obstructions to its channel which create a flood hazard.

(b) If the board of county commissioners determines that there are obstructions on the property owner's property which in its opinion create a flood hazard, it shall give him written notice of those conditions. Thereafter the board of county commissioners shall negotiate with the owner to reach agreement as to the existence of such conditions and as to the procedures necessary for the elimination thereof. If such agreement is reached, the owner, if he requests, shall be given a reasonable time within which to eliminate such conditions himself, and such agreement may provide for compensation to the owner for such work.

(c) If the board of county commissioners and the owner cannot reach such agreement, then, unless the owner consents to access by the board of county commissioners, the board of county commissioners shall have access only through the institution of proceedings in the district court for a mandatory order compelling the owner to permit access for the purposes

specified in subsection (1) of this section. In such court proceedings, it shall be appropriate for the court to consider the necessity for and the reasonableness of the request of the board of county commissioners for access and to award to the owner such payment, if any, as may be proper to compensate him for damages to his property resulting from the flood control work on his property as authorized by the board of county commissioners.

(d) Whenever such action occurs within the boundaries of a municipality, the board of county commissioners shall consult with the governing body of that municipality.

(3) Prior to the initiation of any flood control work under this article, the board of county commissioners shall give the division of parks and wildlife written notice, specifying the conditions which in its opinion create a flood hazard and the location of such. This subsection (3) shall not apply in the case of imminent flood danger.

Source: L. 74: Entire article added, p. 230, § 1, effective May 14.

30-30-103. Contracts and agreements. The board of county commissioners of a county may enter into contracts and agreements with adjoining counties, the state of Colorado or any agency or political subdivision thereof, or the United States or any agency or political subdivision thereof for the purpose of implementing or carrying out the purposes of this article.

Source: L. 74: Entire article added, p. 231, § 1, effective May 14.

30-30-104. Adoption of plan. A board of county commissioners may by resolution adopt a plan to carry out the purposes of this article.

Source: L. 74: Entire article added, p. 231, § 1, effective May 14.

30-30-105. Colorado water conservation board - grants to counties. The Colorado water conservation board may make grants to counties, out of moneys appropriated by the general assembly or other funds available for such purpose, to assist them in removing stream flow obstructions in accordance with section 30-30-102, C.R.S. Grants under this section shall be made upon application by the county therefor and on the basis of the urgency of the flood control problem in the county and the county's financial need.

PART 1

GENERAL PROVISIONS

30-35-101. Short title. This article shall be known and may be cited as the "Colorado County Home Rule Powers Act".

Source: L. 81: Entire article added, p. 1461, § 1, effective June 8.

30-35-102. Legislative declaration. The general assembly declares that, in order to better meet and resolve problems of growth and urbanization and to promote the health, safety, security, and general welfare of the people, county government should be strengthened and provided more flexibility in its powers; therefore, this article is enacted with the intent to implement the provisions of section 16 of article XIV of the state constitution to provide home rule powers for the counties of this state and shall be liberally construed to effect such intent.

Source: L. 81: Entire article added, p. 1461, § 1, effective June 8.

30-35-103. Home rule counties - general powers. (1) Any county which adopts, has adopted, or proposes to adopt a county home rule charter to establish the organization and structure of county government, pursuant to the provisions of part 5 of article 11 of this title, may provide in such charter, or amendment thereto for the adoption of all or certain of the home rule powers authorized pursuant to the provisions of this article. In addition to powers authorized in this article, a home rule county, and its officers and employees, shall have all the powers of any county not adopting a home rule charter, except as otherwise provided in this article or in the charter or in the state constitution.

(2) None of the home rule powers granted in this article shall be exercised by a home rule county within the corporate limits of any municipality or territory annexed thereto, nor shall any fee, tax, assessment, or levy of any kind be imposed within such municipality for the exercise of any of the county home rule powers which are not authorized for nonhome rule counties, unless consent thereto is first given by the governing body of such municipality. Nothing contained in this article shall affect the power, otherwise granted by law, of a home rule county to own, operate, and maintain real and personal property within the corporate limits of any municipality.

(3) Notwithstanding any other provision in this part 1, none of the powers authorized in this article shall be applied to any municipal property, functions, services, or facilities, whether provided or located within or outside municipal boundaries, as the boundaries may from time to time exist, unless consent thereto is first given by the governing body of the municipality. This part 1 shall not be construed as limiting the authority of any municipality nor as expanding the authority of any county with respect to any municipality or any municipal property, functions, services, or facilities.

(4) A home rule county shall provide all mandatory county functions, services, and facilities and shall exercise all mandatory powers as are required by law for counties not having home rule powers. A home rule county may provide all permissive functions, services, and facilities and may exercise all permissive powers granted in this article and by other law applicable to counties not having home rule powers, except as otherwise provided in this article or in the charter or in the state constitution.

(5) A home rule county shall be a body politic and corporate, under such name and style as prescribed by law, and may sue and be sued, contract or be contracted with, acquire and hold real and personal property, have a common seal which it may change and alter at pleasure, and have such other privileges as are incident to corporations of like character or degree, not inconsistent with its charter or the laws of this state.

Source: L. 81: Entire article added, p. 1461, § 1, effective June 8.

PART 2

GENERAL POWERS

30-35-201. Powers of governing bodies. The governing body of a home rule county shall exercise such duties and authority and shall have all the powers and responsibilities as provided by law for governing bodies of counties not adopting a home rule charter and shall also have all of the following powers that have been included in the county's home rule charter or in any amendment thereto, pursuant to the provisions of section 30-35-103 (1):

(Administrative Powers)

- (1) **Finances.** To control the finances and property of the corporation;
- (2) **Appropriations.** To appropriate moneys for corporate purposes only, and provide for payment of debts and expenses of the corporation;
- (3) **Public entertainment.** To appropriate moneys in an amount not exceeding six-tenths of one mill on the valuation for assessment for the purpose of giving public concerts and entertainments by such corporation;

(4) **Advertising.** To appropriate moneys for the purpose of advertising the business, social, and educational advantages, the natural resources, and the scenic attractions of the corporation;

(5) **Taxes.** To levy and collect taxes for general and special purposes on real and personal property, as provided by statute;

(6) **Indebtedness.** (a) To contract an indebtedness on behalf of the county and upon the credit thereof, by borrowing money or issuing the bonds of the county, for any public purpose of the county, including, but not limited to, the supplying of water and sewer facilities service, the purchase of land, and the purchase, construction, extension, and improvement of public roads, streets, buildings, facilities, and equipment, and for the purpose of supplying a temporary deficiency in the revenue for defraying the current expenses of the county;

(b) The total amount of indebtedness for all purposes shall not at any time exceed three percent of the valuation for assessment of the county as determined by the county assessor, except such debt as may be incurred in supplying water, and no loan for any purpose shall be made unless it is by ordinance, which shall be irrevocable until the indebtedness therein provided for is fully paid or discharged, specifying the purposes to which the funds to be raised shall be applied, and providing for the levying of a tax which, together with such other revenues, assets, or funds as may be pledged, shall be sufficient to pay the annual interest on, and extinguish the principal of, said debt within the time limited for the debt to run, which, excepting such debt as may be incurred in supplying water, shall not be more than thirty years; except that said tax when collected shall only be applied for the purposes in said ordinance specified, until the indebtedness is paid and discharged; but no debt shall be created unless the question of incurring the same is submitted, at a regular or special election of the county, to the registered electors thereof and a majority of the registered electors voting upon the question vote in favor of creating such debt.

(c) No statutory provisions of any other law limiting or fixing tax rates shall limit the provisions of this subsection (6).

(d) Bonds issued under this subsection (6) may mature serially during a period of not more than thirty years from the date thereof, in which event the amounts of such annual maturities shall be fixed by the governing body; except that bonds issued to supply water may mature over a longer period. If the governing body so determines, said bonds may be redeemable prior to maturity with or without payment of a premium, not exceeding three percent of the principal thereof. In any event said bonds shall be subject to call commencing not later than fifteen years from the date thereof. The right to redeem all or part of said bonds prior to their maturity, and the order of any such redemption, shall be reserved in the ordinance authorizing the issuance of bonds and shall be set forth on the face of said bonds.

(e) The ordinance or resolution submitting the question of contracting an indebtedness shall contain a statement of the maximum net effective interest rate at which said indebtedness may be incurred. For the purposes of this article:

(I) "Net effective interest rate" of a proposed issue of bonds shall be defined as the net interest cost of said issue divided by the sum of the products derived by multiplying the principal amount of such issue maturing on each maturity date by the number of years from the date of said proposed bonds to their respective maturities.

(II) "Net interest cost" of a proposed issue of bonds shall be defined as the total amount of interest to accrue on said bonds from their date to their respective maturities, plus the amount of any discount below par or less the amount of any premium above par at which said bonds are being or have been sold. In all cases the net effective interest rate and net interest cost shall be computed without regard to any option of redemption prior to the designated maturity dates of the bonds.

(f) (I) The governing body, having received approval at an election to issue bonds and having determined that the limitations of the original election question are too restrictive to permit the advantageous sale of the bonds so authorized, may submit, at another regular or special election, either the question of issuing the bonds, or any portion thereof, at a higher maximum net effective interest rate than the maximum interest rate or maximum net effective interest rate approved at the original election or the question of issuing the bonds, or any portion thereof, to mature over a longer period of time than the maximum period of

maturity approved at the original election, or the governing body may submit both such questions.

(II) An election held pursuant to this paragraph (f) shall be held in substantially the same manner as an election to authorize bonds initially, except as may be required for the submission of the limited question or questions permitted under this paragraph (f).

(III) At an election held pursuant to this paragraph (f), if the changes submitted are not approved, such result shall not impair the authority of the governing body at a later time to issue the bonds originally approved within the limitations established at the first election.

(7) **Officers and employees.** To provide by ordinance for the powers, duties, appointment, term of office, removal, and compensation of all officers and employees of the county not otherwise provided for by the state constitution or by statute or by charter and to provide for a retirement plan for such officers and employees;

(8) **Supplies.** To provide by ordinance that all the paper, printing, stationery, fuel, and other supplies needed for the use of the county shall be furnished by contract let to the lowest responsible bidder;

(9) **Charges on land.** To prescribe, by general ordinance, the mode in which the charges on the respective owners of lots or lands, and on the lots or lands, shall be assessed and determined for the purposes so authorized by law. Any such charge, when assessed, shall be payable by the owners at the time of the assessment, personally, and also be a lien upon lots or parcels of land from the time of the assessment. Such charge may be collected and such lien enforced by a proceeding in law or in equity, either in the name of such corporation or of any person to whom it shall have directed payment to be made. In any such proceedings where pleadings are required, it shall be sufficient to declare generally for work and labor done and materials furnished on the particular street, alley, or highway, for sewerage, or for water used. Proceedings may be instituted against all the owners, or any of them, to enforce the lien against all the lots or parcels of land, or each lot or parcel, or any number of them embraced in any one assessment; but the judgment or decree shall be for each separately for the amount properly chargeable to each. Any proceedings may be severed in the discretion of the court for the purpose of trial, review, or appeal.

(10) **Vacancies.** To fill any vacancy occurring by death, removal, or resignation of any member of the governing body or other elective county officer by the appointment of a successor, and such appointee shall hold his office only until the next election, when the vacancy shall be filled by election as in other cases;

(11) **Grants of rights-of-way.** To grant, by ordinance and upon such terms and conditions as may be prescribed therein, rights-of-way through, over, across, and under roads, streets, and alleys;

(Public Works and Services)

(12) **Buildings.** To construct and maintain public buildings;

(12.5) **Energy conservation measures.** To enter into installment purchase contracts or shared-savings contracts or otherwise incur indebtedness under section 29-12.5-103, C.R.S., to finance energy conservation and energy saving measures and enter into contracts for an analysis and recommendations pertaining to such measures under section 29-12.5-102, C.R.S.

(13) **Streets and public grounds.** (a) To plan, establish, open, alter, widen, extend, grade, pave, or otherwise improve roads, streets, alleys, avenues, sidewalks, parks, and public grounds, and vacate the same, and to direct and regulate the landscaping within the rights-of-way of such roads, streets, and, avenues and on public grounds; to regulate the use of the same; to prevent and remove encroachments or obstructions upon the same; to provide for the lighting of the same; and to provide for the maintenance of the same;

(b) To regulate the openings therein for the laying-out of gas or water mains and pipes and the building and repairing of sewers, tunnels, and drains or for any other purpose;

(c) To regulate the use of sidewalks along the streets and alleys, and all structures thereunder, and to require the owner or occupant of any premises to keep the sidewalks free from snow and other obstructions;

(d) To regulate and prevent the throwing or depositing of ashes, garbage, or any offensive matter in, and to prevent any injury to, any road, street, avenue, alley, or public ground;

(e) To provide for and regulate crosswalks, curbs, and gutters;

(f) To regulate and prevent the use of roads, streets, sidewalks, and public grounds for the erection of signs, signposts, awnings, awning posts, and utility poles and for the posting of handbills and advertisements; to regulate and prohibit the exhibition or carrying of banners, placards, advertisements, or handbills upon the streets or public grounds or upon the sidewalks; and to regulate and prevent the flying of flags, banners, or signs across the streets or from houses or other structures;

(g) To regulate the numbering of houses and lots and to name and change the name of any road, street, avenue, alley, or other public place;

(14) **Bridges and tunnels.** To construct and maintain bridges, viaducts, and tunnels and to regulate the use thereof;

(15) **Sewers and water mains.** To construct and maintain culverts, drains, sewers, water mains, septic tanks, and cesspools and to regulate their use and to assess, either in whole or in part, the cost of the construction of sewers, water mains, and drains upon the lots or lands adjacent to and opposite the improvements in proportion to the frontage of such lots or lands abutting upon the road, street, or alley wherein such sewer, water main, or drain is to be laid. The benefit to the public generally, if any, shall be determined by ordinance and shall be assessed against the county, and the balance may be assessed against the lots or lands and the owners thereof, according to the frontage.

(16) **Lease or purchase of canals.** To purchase or lease any canal or ditch already constructed, or which may hereafter be constructed, and all the rights, privileges, and franchises of any person or corporation owning the same or having any interest or right therein, and to hold and operate the same in the same manner as the persons or corporations from whom the same may be purchased or leased might otherwise do, if such purchase or lease is made for the purpose of supplying, by said ditch or canal, water for the use of the people of the county and if a majority of the registered electors of the county voting at any regular election held for the election of county officers vote in favor of said purchase;

(17) **Obligations - repair - management.** In making a purchase or lease pursuant to subsection (16) of this section, to assume all obligations and other duties which by law devolve upon the owner of such ditch or canal from whom the same may be purchased or leased by virtue of subsection (16) of this section and to repair, improve or enlarge said canal or ditch or any flume, dam, or gate connected therewith and, for such objects, to levy and collect taxes in the same manner as other taxes are levied and collected by law. The management of such ditch or canal shall be under the control of the governing body of a home rule county.

(18) **Counties may purchase water rights.** To purchase water and water rights for the purpose of supplying counties and the inhabitants thereof with water. When deemed necessary and proper, the governing body of a county may purchase and hold the lands with which said water right is connected, whether the same is within or beyond the corporate limits thereof.

(19) **May divert waters - sell lands.** To divert the waters acquired by purchase, to the amount and extent theretofore lawfully appropriated, for the use of the county and the inhabitants thereof and to sell such lands whenever the governing body of a county may deem such course advisable;

(20) **Ratification of prior rights purchased.** To exercise the right to hold and retain water rights, or such lands and water rights as may have been purchased prior to June 8, 1981, by any county in this state for the purpose of providing water for the use thereof or for the use of its inhabitants, such right hereby being given and ratified and confirmed to the county; and also to exercise the right to divert the water belonging to such rights for the use of the county and the inhabitants thereof; and to sell and dispose of such lands so purchased separate and apart from the water rights as provided in subsection (19) of this section;

(21) **Water pollution control.** (a) To cooperate with and report to the water quality control commission and the department of public health and environment concerning any instances of water pollution, but this paragraph (a) shall not be construed to affect any

activity conducted in compliance with any valid permit, license, or other authority granted or issued by any agency of the state or federal government;

(b) To apply for and to accept grants or loans or any other aid from the federal or state government or any agent or instrumentality thereof or any private agency;

(c) To construct, reconstruct, lease, improve, better, and extend sewerage facilities and sewage treatment works wholly within or wholly without the county or partially within and partially without the county;

(d) To issue its general obligation bonds or other general obligations for the purpose set forth in, and within the limitations prescribed by, subsection (6) of this section and to issue its revenue bonds or obligations for such purpose in accordance with law;

(e) To provide that such bonds or obligations or any part thereof may be sold to the state of Colorado or the United States of America or any agency or instrumentality of either at private sale and without advertisement;

(f) To cooperate with other local public bodies and with state and federal agencies by contract for the joint construction and financing of sewerage facilities and sewage treatment works and the maintenance and operation thereof;

(g) To enter into joint operating agreements with industrial enterprises and accept gifts or contributions from such industrial enterprises for the construction, reconstruction, improvement, and extension of sewerage facilities and sewage treatment works. When determined by its governing body to be in the public interest and necessary for the protection of the public health, the county is authorized to enter into and perform contracts, whether long-term or short-term, with any industrial establishment for the provision and operation by the county of sewerage facilities to abate or reduce the pollution of waters caused by discharges of industrial wastes by the industrial establishment and the payment periodically by the industrial establishment to the county of amounts at least sufficient, in the determination of such governing body, to compensate the county for the cost of providing, including the payment of the principal and any interest charges, and of operating and maintaining the sewerage facilities serving such industrial establishment.

(22) Firehouses, equipment, and firefighters. To erect firehouses, and provide fire equipment for the extinguishment of fires and to provide for the use and management of the same; to determine the powers and duties of the members of the fire department in taking charge of property to the extent necessary to bring under control and extinguish any fire and to preserve and protect property not destroyed by fire; and to restrain persons from interfering with the discharge of the duties of the members of the fire department in connection with the fighting of any fire;

(23) Hospitals and places of relief. (a) To erect, establish, and maintain public hospitals, medical dispensaries, and other health facilities;

(b) The limitations on borrowing and incurring indebtedness set forth in section 25-3-304 (2), C.R.S., shall not apply to county hospitals established in home rule counties, as that term is defined in part 5 of article 11 of this title. The board of public hospital trustees in such home rule counties shall have the power to borrow money and enter into long term leases even where such indebtedness may not be repaid for more than one year and such indebtedness shall not require the approval of the board of county commissioners of such county unless such power to approve such indebtedness is specifically reserved to the board of county commissioners in the county home rule charter. The home rule county shall incur no liability as a result of the actions to incur indebtedness by such board of public hospital trustees.

(24) Cemeteries. To establish and regulate cemeteries within or without the corporation and acquire lands therefor, by purchase or otherwise, and to cause cemeteries to be removed;

(25) Franchise and charges for utilities. When the right to build and operate such water or cable television systems is granted to private individuals or incorporated companies by the county, to make such grant to inure for a term of not more than twenty-five years and to authorize such individuals or company to charge and collect from each person supplied by them with water or such water or cable television charges as may be agreed upon between said person or corporation so building said works and the county; and to enter into a contract with the individual or company constructing said works to supply the county

with water for fire purposes and for such other purposes as may be necessary for the health and safety thereof and to pay therefor such sums as may be agreed upon between said contracting parties;

(26) **Assessments for utility charges.** To assess from time to time, when constructing such water or cable television systems, in such manner as they shall deem equitable upon each tenement or other place supplied with such service, such charges as may be agreed upon by the governing body. At the regular time for levying taxes in each year, said county is hereby empowered to levy and cause to be collected, in addition to the other taxes authorized to be levied, a special tax on taxable property in the county. Such tax, with charges hereby authorized, shall be sufficient to pay the expenses of operating and maintaining such systems. If the right to build, maintain, and operate such systems is granted to private individuals or incorporated companies by the county, and the county shall contract with said individuals or companies for the supplying of such services for any purpose, the county shall levy each year and cause to be collected a special tax as provided for above, sufficient to pay off such charges so agreed to be paid to said individuals or company constructing said systems, but the said special tax shall not exceed the sum of three mills on the dollar for any one year.

(27) **Water facilities and taxes.** To construct public wells, cisterns, and reservoirs in the roads, streets, and other public and private places within the county, or beyond the limits thereof, and to provide proper pumps and conduits or ditches, for the purpose of supplying such county with water; and to levy an equitable and just tax or charge upon all consumers of water for the purpose of defraying the expense of such improvements;

(28) **Supply water to outside consumers.** To supply water from their water systems to consumers outside of the county and to collect therefor such charges, upon such conditions and upon such limitations as the county may impose by ordinance;

(29) **Parks - recreational facilities - conservation easements.** (a) To acquire, establish, and maintain such lands, or interests in land, within the county as in the judgment of the governing body may be necessary, suitable, or proper for boulevards, parkways, avenues, driveways, and roadways or for park or recreational purposes for the preservation or conservation of sites, scenes, open space, and vistas of scientific, historic, aesthetic, or other public interest.

(b) "Interests in land", as used in subsections (29) to (39) of this section, means and includes any and all rights and interests in land less than the full fee interest, including, but not limited to, future interests, easements, covenants, and contractual rights. Every such interest in land held pursuant to this subsection (29), when recorded, shall be deemed to run with the land to which it pertains for the benefit of the county holding such interest and may be protected and enforced by a county in any court of general jurisdiction by any proceeding known at law or in equity.

(c) Any county may unite with any other similarly authorized political subdivision of this state in acquiring, establishing, and maintaining any property which a county is authorized to acquire, establish, or maintain pursuant to this subsection (29).

(30) **Lands or interests in land acquired.** With respect to lands, or interests in land, for any of the purposes mentioned in subsection (29) of this section, to acquire, either by gift, devise, or purchase, but no land shall be purchased for such purpose until the governing body shall adopt an ordinance authorizing such acquisition and stating the location and legal description of the lands to be acquired and, in case of purchase, the price to be paid and the manner of payment or unless the proposal to acquire such lands shall be submitted upon petition pursuant to subsection (33) of this section and approved by the electors of the county. Lands or interests in land given or devised to a county for the purposes mentioned shall be accepted or refused by ordinance passed by the governing body of the county.

(31) **Management - licenses - franchises.** Exclusively, to manage and control all parks, pleasure grounds, boulevards, parkways, avenues, driveways, and roads as mentioned in subsection (29) of this section and, exclusively, to lay out, regulate, and improve the same, to prohibit certain or heavy traffic therein and thereon, to grant or refuse licenses to vend goods on the roads, streets, or sidewalks within three hundred feet of any park entrance and on the streets and sidewalks adjoining parks, and to establish and maintain necessary rules and regulations for the proper supervision and government thereof. The

county shall have such additional powers relating thereto as may be prescribed by ordinance, and the governing body shall provide, by ordinance, for the enforcement of such rules and orders.

(32) **Bequests for park purposes.** Upon such trusts or conditions as may be approved by the county real or personal property may be granted, bequeathed, devised, or conveyed to the county for the purpose of the improvement or ornamentation of any park, pleasure ground, boulevard, parkway, avenue, driveway, or road or for the establishment or maintenance in parks or pleasure grounds of museums, zoological or other gardens, collections of natural history, observatories, libraries, monuments, or works of art. All such property or the rents, issues, and profits thereof shall be subject to the exclusive management and control of the county.

(33) **Acquisition and bonds submitted to electors.** (a) For any of the purposes named in subsection (29) of this section within the county limits, to acquire, by purchase, gift, devise, or exchange, lands, or interests in land, which may be necessary, suitable, or proper. No lands or interests in land shall be so acquired by purchase unless the governing body has adopted an ordinance in accordance with the provisions of subsection (30) of this section. No indebtedness shall be created nor shall any bonds be issued for acquiring such lands or interests in land, unless the question of incurring such debt and issuing such bonds shall have been submitted at a regular election to a vote of those persons qualified to vote on authorization of other bonded indebtedness and approved as required by subsection (6) of this section.

(b) The governing body, upon petition of the registered electors of the county, equal in number to ten percent of the total number of such electors voting at the last regular election of the county, shall submit at the next regular election either or both of the questions of acquisition or of incurring bonded indebtedness by separate ordinance. In the ordinance submitting the question of the acquisition of such lands or interests in land, the governing body shall state the location of the land or interests in land proposed to be acquired, describing the same by legal subdivisions, wherever practicable, and the consideration to be given for the purchase and the manner of payment; and, in the ordinance submitting the question of incurring indebtedness, the governing body shall state the maximum net effective interest rate at which the bonds may be issued. If the only question to be submitted is the acquisition of such properties, the question may be submitted at a regular or special election. If the acquisition or incurring of indebtedness or both have been approved as required by subsection (6) of this section, the governing body shall acquire such lands or interests in land, incur said indebtedness, or both, pursuant to said authorization.

(34) **Park fund - certified vouchers.** To provide for a park fund which shall consist of moneys levied, collected, and appropriated therefor and coming into the fund by donation or otherwise. All moneys collected and credited to the park fund shall be used for the maintenance and improvement of parks, parkways, boulevards, avenues, driveways, and roads and shall be expended by the county as in their judgment the needs of such property shall require. The same shall be drawn upon the proper officers of the county, upon vouchers properly authenticated.

(35) **Maximum tax levy - moneys credited.** (a) As a part of the annual levies authorized by law, to annually levy, assess, and collect upon each dollar of taxable property within the county not more than one and one-half mills for the purposes of said park fund, the proceeds of which shall be collected in the same manner as other county taxes and shall be appropriated to the park fund.

(b) All moneys collected or received or levied or appropriated by the county for park purposes shall be deposited in the county treasury to the credit of the park fund. Any portion thereof remaining unexpended at the end of any fiscal year or at any other time shall not in any event revert into the general fund nor be subject to appropriation for general purposes.

(36) **Acquisition of park land by assessment and bond sale.** In addition to the powers conferred to acquire lands for parks and parkways by the sale of the general bonds of the county, to acquire boulevards, parkways, avenues, driveways, and roads, in the manner provided in subsection (37) of this section, the same to be paid for by special assessments upon all the other real estate, except avenues, boulevards, streets, and roads, in

the county or partly out of the proceeds of the sale of the general bonds of the county and partly by such assessments as the same may be determined by ordinance.

(37) **Acquisition by condemnation.** For the purpose of acquiring lands for boulevards, parkways, avenues, driveways, and roads, to select and, by a suitable proceeding in the name of the county and without the passage of any ordinance, to condemn real property, to purchase any real property so selected for one or more boulevards, parkways, avenues, driveways, or roads, and to select routes and streets for the purpose of establishing and maintaining a system of connecting boulevards and pleasure ways or parkways therein. All such condemnation proceedings shall be in accordance with the general laws of the state, so far as the same are applicable, but the benefit to other lands shall be ascertained and assessed.

(38) **Park bonds.** To pay for the parks and pleasure grounds, boulevards, parkways, avenues, driveways, and roads established by any county, or such part thereof, as may be determined by the county, in park bonds of the county of a date and form prescribed by the county, bearing the name of the county, and payable to bearer at such times and in a sufficient period of years to cover the period of payments provided for, with interest annually at a rate or rates such that the net effective interest rate of the issue of bonds does not exceed the maximum net effective interest rate authorized, as may be determined by the governing body. The bonds shall be signed by the executive officer, countersigned by the county clerk and recorder, and bearing the seal of the county endorsed thereon, the interest to be evidenced by suitable coupons attested by a facsimile of the signature of the county clerk and recorder.

(39) **Control of park grounds.** In all cases where any home rule county has acquired lands for parks, parkways, boulevards, or roads, to have full police power and jurisdiction and full power and authority in the management, control, improvement, and maintenance of and over any and all such lands so acquired; to have power and authority to provide by ordinance for the regulation and control of its lands so acquired and to prevent the commission of any and all acts which are or may be declared unlawful and to prosecute and punish the violation of any ordinances in its county courts. A county shall have like power and jurisdiction to regulate and prevent the erection, construction, and maintenance, within three hundred feet of any such park, parkway, boulevard, or road, of any advertisement or of any billboard or other structure for advertisements, and the county shall also have like power and jurisdiction over the use of any public roads, boulevards, or parkways within such parks and running over or through or between such lands and any public roads, boulevards, or parkways between any such parks or pleasure ground and its county boundaries.

(Building and Zoning Regulations)

(40) **Planning and zoning.** To exercise the powers of planning and zoning pursuant to the provisions of article 28 of this title;

(Condemnation Powers)

(41) **Streets and sewers.** To extend, by condemnation or otherwise, any road, street, alley, or highway, over or across, or to construct any sewer under or through any railroad track, right-of-way, or land of any railroad company, within the county jurisdiction, but, where no compensation is made to such railroad company, the county shall restore such railroad track, right-of-way, or land to its former condition or in a sufficient manner not to have impaired its usefulness;

(42) **Public transportation - rights-of-way.** To grant the use of, or right to lay down, any railroad track in any road or street of the county to any public transportation company;

(43) **Utilities.** To condemn and appropriate so much private property as shall be necessary for the construction and operation of sewers in such manner as may be prescribed by law;

(Ordinance Power)

(44) **Power and penalties.** To pass all ordinances and rules and make all regulations proper or necessary to carry into effect the powers granted to home rule counties, with such fines and penalties as the governing body shall deem proper, but no fine or penalty shall exceed three hundred dollars, and no imprisonment shall exceed ninety days for one offense;

(45) **Enforcement.** To enact and provide for the enforcement of all county ordinances necessary to protect life, health, and property; to prevent and remove nuisances defined by statute and upon complaint to the district attorney; to preserve the general welfare, order, and security of the county and its inhabitants;

(46) **Parking - facilities.** To provide, by ordinance, for the construction, maintenance, and operation of public parking facilities, buildings, stations, or lots by the county and to pay for the cost thereof by general tax levy or otherwise or by the issuance of bonds of the county, which bonds may be retired by revenues assessed and collected as rentals, fees, or charges from the operation of such facilities or from parking meter rentals or charges.

Source: L. 81: Entire article added, p. 1462, § 1, effective June 8. **L. 91:** (12.5) added, p. 733, § 5, effective May 1. **L. 94:** (21)(a) amended, p. 2801, § 563, effective July 1.

30-35-202. Power to sell public works - sell or lease property. (1) The governing body shall have the following additional powers:

(a) To sell and dispose of public utilities, public buildings, real property used or held for park purposes, or by other real property used or held for any governmental purposes. Before any such sale of a park or recreation facility shall be made, the question of said sale and the terms and consideration thereof shall be submitted at a regular election and approved in the manner provided for authorization of bonded indebtedness by section 30-35-201 (6);

(b) By ordinance, to sell and dispose of any other real property owned by the county upon such terms and conditions as such governing body may determine at a regular or special meeting;

(c) To lease any real property, together with any facilities thereon, owned by the county when deemed by the governing body to be in the best interest of the county. Any lease for a period of more than one year shall be by ordinance. Any lease for one year or less than one year shall be by resolution or ordinance.

(2) All leases and deeds of conveyance executed and acknowledged by the proper officers of the county and purporting to have been made pursuant to the provisions of this section shall be deemed prima facie evidence of due compliance with all the requirements hereof.

PART 3

ORDINANCES - PENALTIES

30-35-301. Duty to make and publish ordinances. A county adopting any of the home rule powers under this article shall make and publish, from time to time, ordinances, not inconsistent with the laws of the state, for carrying into effect or discharging the powers and duties conferred by this article and as seems necessary and proper to provide for the safety, preserve the health, promote the prosperity, and improve the morals, order, comfort, and convenience of such county and the inhabitants thereof. Such ordinances may be in addition to those authorized by section 30-15-401, and the provisions of sections 30-15-402 to 30-15-411 shall also apply to such ordinances.

Source: L. 81: Entire article added, p. 1473, § 1, effective June 8.

PART 4

ORDINANCE CODES ADOPTED BY REFERENCE

30-35-401. Definitions. As used in this part 4, unless the context otherwise requires:

(1) "Adopting county" means any home rule county adopting an ordinance pursuant to the provisions of this part 4.

(2) "Code" means any published compilation of statutes, ordinances, rules, regulations, or standards adopted by the federal government or the state of Colorado, or by an agency of either of them, or by any municipality or county within the state of Colorado. It includes any codification or compilation of existing ordinances of the adopting county. The operation of this article as to published compilations of any organization or institution shall be limited to building codes, which may embrace any of the following subjects: The construction, alteration, repair, removal, demolition, equipment, use and occupancy, location, and maintenance of buildings or other structures, whether erected before, on, or after June 8, 1981.

(3) "County clerk" means the county clerk and recorder or equivalent officer.

(4) "Governing body" means the governing body of a home rule county.

(5) "Primary code" means any code which is directly adopted by reference in whole or in part by any ordinance passed pursuant to this part 4.

(6) "Published" means issued in printed, lithographed, multigraphed, mimeographed, or similar form.

(7) "Secondary code" means any code which is incorporated by reference, directly or indirectly, in whole or in part, in any primary code or in any secondary code.

Source: L. 81: Entire article added, p. 1473, § 1, effective June 8.

30-35-402. Adoption by reference - title. If all the procedures and requirements of this part 4 are complied with, any home rule county is authorized to enact any ordinance which adopts any code by reference, in whole or in part; and such primary code, thus adopted, may in turn adopt by reference, in whole or in part, any secondary codes duly described therein. However, every primary code and every secondary code which is incorporated in any such adopting ordinance shall be specified in the title of the ordinance.

Source: L. 81: Entire article added, p. 1474, § 1, effective June 8.

30-35-403. Notice - hearing. After the first reading of the adopting ordinance and of the code to be adopted thereby, and of any secondary codes therein adopted by reference, the governing body shall schedule a public hearing thereon. Notice of the hearing shall be published twice in a newspaper of general circulation in the adopting county, once at least fifteen days preceding the hearing and once at least eight days preceding it. If there is no such newspaper, the notice shall be posted in the same manner as provided for the posting of a proposed ordinance. The notice shall state the time and place of the hearing. It shall also state that copies of the primary code and also copies of the secondary codes, if any, being considered for adoption are on file with the county clerk and recorder and are open to public inspection. The notice shall also contain a description which the governing body deems sufficient to give notice to interested persons of the purpose of the code and of any secondary code incorporated therein by reference, the subject matter of each such code, the name and address of the agency by which each has been promulgated, or, if a municipality or county, the corporate name of such municipality or county which has enacted such code, and the date of publication of such code or codes, and in the case of a code of any municipality or county the notice shall contain specific reference to code or codes of a given municipality or county as they existed and were effective at a given date.

Source: L. 81: Entire article added, p. 1474, § 1, effective June 8.

30-35-404. Adopting ordinance - adoption of penalty clauses by reference prohibited. After the hearing, the governing body may amend, adopt, or reject the adopting

ordinance in the same manner in which it is empowered to act in the case of other ordinances; but nothing in this article shall be deemed to permit the adoption by reference of any penalty clauses which may appear in any code which is adopted by reference. Any such penalty clauses may be enacted only if set forth in full in the adopting ordinance. All changes or additions to any code made by the governing body shall be published in the manner which is required for ordinances.

Source: L. 81: Entire article added, p. 1474, § 1, effective June 8.

30-35-405. Publication of ordinance. Nothing contained in this part 4 shall be deemed to relieve any home rule county from the requirement of publishing in full the ordinance which adopts any such code, and all provisions applicable to such publication shall be fully carried out. The adopting ordinance shall contain the same description of the primary adopted code and of each secondary code incorporated therein by reference, as required in the notice of hearing in section 30-35-403.

Source: L. 81: Entire article added, p. 1474, § 1, effective June 8.

30-35-406. Filing of public record - sale of copies. Not less than three copies of each primary code adopted by reference, and of each secondary code pertaining thereto, all certified to be true copies by the county executive officer and the county clerk, shall be filed in the office of the county clerk at least fifteen days preceding the hearing and shall be kept there for public inspection while the ordinance is in force. After the adoption of the code by reference, one of the copies of the primary code and of each secondary code may be kept in the office of the chief enforcement officer instead of in the office of the county clerk. Following the adoption of any code, the county clerk shall at all times maintain a reasonable supply of copies of the primary code and of any secondary codes incorporated in it by reference, available for purchase by the public at a moderate price.

Source: L. 81: Entire article added, p. 1474, § 1, effective June 8.

30-35-407. Amendments. If at any time any code which any home rule county has previously adopted by reference is amended by the agency or municipality or county which originally promulgated, adopted, or enacted it, then the governing body may adopt such amendment by reference through the same procedure as required for the adoption of the original code; or an ordinance may be enacted in the regular manner, setting forth the entire text of such amendment.

Source: L. 81: Entire article added, p. 1475, § 1, effective June 8.

30-35-408. Use as evidence. Copies of such codes in published form, duly certified by the county clerk and executive officer of the home rule county, shall be received without further proof as prima facie evidence of the provisions of such codes or public records in all courts and administrative tribunals of this state.

Source: L. 81: Entire article added, p. 1475, § 1, effective June 8.

PART 5

ACTIONS BY OR AGAINST HOME RULE COUNTIES

30-35-501. Review without bond. In all actions, suits, and proceedings in any court in this state in which a county of this state shall be a party, such county may take an appeal or writ of certiorari, as provided by law or rule of court, without giving bond.

Source: L. 81: Entire article added, p. 1475, § 1, effective June 8.

PART 6

BONDS - FUNDING - FLOATING DEBT

30-35-601. Funding bonds - determination of indebtedness. The governing body of a home rule county may issue negotiable coupon bonds, to be denominated funding bonds, for the purpose of funding any of the legal floating indebtedness of the county, whether such indebtedness is existing on or is created on or after June 8, 1981. The specific indebtedness to be funded and the amount of such funding bonds to be issued under the provisions of this part 6 shall first be determined by the governing body and a certificate of such determination shall be made and entered in and upon the records of the county prior to the issuance of said funding bonds. Nothing in this part 6 shall be construed to repeal or amend any law limiting the indebtedness of the county.

Source: L. 81: Entire article added, p. 1475, § 1, effective June 8.

30-35-602. Floating indebtedness defined. The term "floating indebtedness", as used in this article, includes all obligations of the county to pay money, of whatever kind or character, except indebtedness evidenced by the outstanding, negotiable interest-bearing bonds of the county.

Source: L. 81: Entire article added, p. 1475, § 1, effective June 8.

30-35-603. Bond election - judgments. (1) Whenever the governing body deems it expedient to issue funding bonds under the provisions of this article, it shall direct, by ordinance, that the question be submitted, at a regular election, in the manner provided for authorization of other bonded indebtedness in section 30-35-201 (6). At any election held under the provisions of this part 6, the question of authorizing the funding of all or any part of the floating indebtedness of the county may be submitted as one question of determination, irrespective of the form or date of such indebtedness. The election shall be conducted as nearly as may be in conformity with the provisions of the general election laws. The election notice shall specify, in addition to the time and places for holding said election, the qualifications for persons to vote on such question, the amount of the indebtedness to be funded, and the amount of funding bonds proposed to be issued at the rate of interest they shall bear. At such election, the ballots or voting machine tabs shall contain the words "For the Funding Bonds" and "Against the Funding Bonds".

(2) No election shall be necessary to authorize the governing body of a home rule county to issue bonds for the purpose of funding indebtedness in the form of a valid subsisting judgment against the county.

Source: L. 81: Entire article added, p. 1475, § 1, effective June 8.

30-35-604. Ordinance - form and maturity of bonds. (1) If the governing body determines to issue funding bonds for the purpose of paying and discharging any valid and subsisting judgment against the county or if, upon canvassing the vote cast at any election held under the provisions of this part 6, it is determined by the governing body that a majority of the legal votes cast upon the question submitted are in favor of funding, the governing body shall make such determination a part of the official records of the county, and the governing body shall immediately thereafter adopt an ordinance, which shall not be subject to the referendum provisions of any law, providing for the issue of said funding bonds in accordance with the provisions of this article. Such ordinance shall fix the date of said funding bonds; shall designate the denominations thereof, the rate of interest, the maturity date which shall not be more than twenty-five years from the date of said funding

bonds, and the place of payment, within or without the state of Colorado, of both principal and interest; and shall prescribe the form of said funding bonds.

(2) Such funding bonds shall be negotiable in form, shall recite the title of the act under which they are issued, shall be executed in the name of the county and signed by the executive officer, countersigned by the treasurer, and attested by the county clerk and recorder and shall have the seal of the county affixed thereto. The interest accruing on such funding bonds shall be evidenced by interest coupons thereto attached, bearing the engraved facsimile signature of the treasurer of the county. When so executed such coupons shall be the binding obligations of the county, according to their import. In the adoption of said ordinance providing for the issue of such funding bonds, the governing body shall make the principal of the debt payable in substantially equal annual installments during the period, not exceeding twenty-five years, within which the debt is to be discharged. The date of the maturity of the first installment of the debt shall be not more than five years from the date of said funding bonds.

Source: L. 81: Entire article added, p. 1476, § 1, effective June 8.

30-35-605. Disposition of bonds. All such funding bonds may be exchanged, dollar for dollar, in satisfaction of the indebtedness to be funded, or they may be sold at not less than their par value, as directed by the governing body, and the proceeds thereof shall be applied only to the purpose for which such funding bonds were issued.

Source: L. 81: Entire article added, p. 1476, § 1, effective June 8.

30-35-606. Taxes for interest and redemption. The interest accruing on such funding bonds issued pursuant to the provisions of this part 6 prior to the time when tax levies are available therefor shall be paid out of the general revenues of the county. For the purpose of reimbursing such general revenues and for the payment of subsequently accruing interest, the governing body issuing such funding bonds, or the proper tax assessing and collecting officers upon whom shall devolve the duty of levying and collecting county taxes, shall levy annually a sufficient tax upon all of the taxable property in the county fully to discharge such interest. For the ultimate redemption of such funding bonds, they shall levy annually such a tax upon all the taxable property in the county as will create a fund sufficient to discharge each annual installment of such funding bonds at the maturity thereof, which fund shall be called the redemption fund. All taxes for interest on and for the redemption of such bonds shall be paid in cash only and shall be kept by the county treasurer as a special fund to be used only in payment of the interest upon and for the redemption of such bonds. Such tax shall be levied and collected as other county taxes are levied and collected. The tax provisions for the ultimate redemption of such bonds shall be set forth in the ordinance authorizing their issue and shall set forth the years in which such taxes shall be levied for the creation of said redemption fund.

Source: L. 81: Entire article added, p. 1477, § 1, effective June 8.

30-35-607. Ordinance irrepealable. Any ordinance authorizing an issue of funding bonds under the provisions of this part 6 and providing for the levy of taxes for the payment of the interest upon the principal of such funding bonds shall not be altered or repealed until the indebtedness thereby authorized has been fully paid.

Source: L. 81: Entire article added, p. 1477, § 1, effective June 8.

PART 7

BONDS - REFUNDING BONDED DEBT

30-35-701. Refunding bonds - amount. The governing body of a home rule county may issue negotiable coupon bonds, to be denominated refunding bonds, for the purpose of

refunding any of the bonded indebtedness of the county whether due or not, or which has or may become payable at the option of the county or by consent of the bondholders, or by any lawful means, whether such bonded indebtedness is existing on or is created on or after June 8, 1981. The amount of such refunding bonds to be issued under the provisions of this part 7 shall first be determined by the governing body, and a certificate of such determination shall be made and entered in and upon the records of the county prior to the issuance of said refunding bonds.

Source: L. 81: Entire article added, p. 1477, § 1, effective June 8.

30-35-702. Vote of electors - when not required. Whenever such governing body deems it expedient to issue refunding bonds under the provisions of this part 7 and the net interest cost and the net effective interest rate of the proposed issue of refunding bonds does not exceed the net interest cost and net effective interest rate of the issue of bonds to be refunded, such refunding bonds may be issued without the submission of the question of issuing such refunding bonds to a vote of the qualified electors of the county. The issuance of bonds under this part 7 for the purpose of refunding bonds which were originally issued to supply water to the county shall not require approval of such electors.

Source: L. 81: Entire article added, p. 1477, § 1, effective June 8.

30-35-703. Vote of electors - when required - procedures. (1) Whenever such governing body deems it expedient to issue refunding bonds under the provisions of this part 7 and either the net interest cost or the net effective interest rate of the proposed issue of refunding bonds exceeds the net interest cost or the net effective interest rate, respectively, of the issue of bonds to be refunded, the governing body, by ordinance or resolution, shall submit the question of issuing said refunding bonds at a special election called and held for that purpose or at a regular election of county officers; but bonds issued under this part 7 for the purpose of refunding bonds which were originally issued to supply water to the county shall not require such approval of the electors. An election held under this section shall be held in the manner provided for the authorization of an original bonded indebtedness in section 30-35-201 (6).

(2) At any election held under the provisions of this part 7, the question of authorizing the refunding of all or any part of the then outstanding bonded indebtedness of the county may be submitted as one question for determination, whether such bonds are of the same or of different issues.

(3) The election shall be conducted as nearly as may be in conformity with the provisions of the general election laws.

(4) The election notice shall specify, in addition to the time and places for holding said election, the qualifications for persons to vote on such question, the amount and date of the bonds to be refunded, the amount of refunding bonds proposed to be issued, and the maximum net effective rate of interest at which they may be issued.

(5) At such election the ballots or voting machine tabs shall contain the words "For the Refunding Bonds" and "Against the Refunding Bonds".

Source: L. 81: Entire article added, p. 1478, § 1, effective June 8.

30-35-704. Ordinance for bond issue - bonds. (1) If the governing body determines to issue refunding bonds without an election by meeting the requirements set forth in sections 30-35-701 to 30-35-703, or if, upon canvassing the vote cast at any election held under the provisions of this part 7, it is determined by the governing body that a majority of the legal votes cast upon the question submitted are in favor of refunding, the governing body shall make such determination a part of the official records of the county and shall immediately thereafter adopt an ordinance providing for the issuance of said refunding bonds in accordance with the provisions of this part 7.

(2) Such ordinance shall fix the date of said refunding bonds, shall designate the denominations thereof, shall designate the maximum net effective interest rate, the rate or rates of interest of individual bonds, the maturity dates, and the place or alternate places of payment within or without the state of Colorado, of both principal and interest, and shall prescribe the form of said refunding bonds.

(3) Such refunding bonds shall be negotiable in form, shall recite the title of the ordinance under which they are issued, and shall be executed in the name of the county and signed by the executive officer, countersigned by the treasurer, with the seal of the county affixed thereto, and attested by the county clerk and recorder. The interest accruing on such refunding bonds shall be evidenced by interest coupons thereto attached, bearing the engraved facsimile signature of the treasurer of the county. When so executed, such coupons shall be the binding obligations of the county, according to their import.

(4) In the adoption of said ordinance providing for the issuance of said refunding bonds, the governing body shall make the principal of the debt payable in annual or semiannual installments commencing not later than five years after the date of such bonds and maturing during a period not exceeding thirty-five years from the date thereof. The amounts of such maturities shall be fixed by the governing body. The right to redeem all or any part of said issue of bonds prior to the respective maturities thereof and the order of any such redemption may be reserved in said ordinance, and, if so reserved, shall be set forth on the face of said bonds.

(5) Outstanding bonds, which are secured by a pledge of specific special funds or revenues of the county in addition to the general ad valorem tax revenues of said county, may be refunded under the provisions of this part 7, and substantial compliance with the provisions of this article shall be deemed and taken to be sufficient to legally authorize such refunding and the issuance of refunding bonds for such purpose, without further actions being taken by the county. Such a pledge of specific special funds or revenues need not be made to additionally secure the refunding bonds so issued, but such funds or revenues may be so pledged if it is deemed advisable by the governing body of the county.

Source: L. 81: Entire article added, p. 1478, § 1, effective June 8.

30-35-705. Exchange - sale - proceeds - amounts. Such refunding bonds may be exchanged dollar for dollar for the bonds to be refunded, or they may be sold at, above, or below their par value at a price or prices such that the net effective interest rate of the issue of refunding bonds does not exceed the maximum net effective interest rate authorized. Such refunding bonds shall be in a principal amount not exceeding the principal amount of the bonds to be refunded, as directed by the governing body, and the proceeds thereof shall be applied only to the purpose for which such refunding bonds were issued. The principal amount of said refunding bonds may be the same as or less than the principal amount of the bonds to be refunded, if due, adequate, and sufficient provision has been made for the payment, or redemption, and retirement of said bonds to be refunded and the payment of the interest accruing and having accrued thereon in accordance with this article.

Source: L. 81: Entire article added, p. 1479, § 1, effective June 8.

30-35-706. Tax for payment of refunding bonds. The interest accruing on such refunding bonds issued pursuant to the provisions of this part 7 prior to the time when the proceeds of tax levies are available therefor shall be paid out of the general revenues or any other revenues of the county available therefor. For the purpose of reimbursing such general revenues or other revenues and for the payment of subsequently accruing interest, the governing body shall levy annually a sufficient tax upon all the taxable property in the county fully to discharge such interest. For the ultimate payment or redemption of such refunding bonds there shall be certified and levied annually such a tax upon all the taxable property in such county as will create a fund sufficient to pay or redeem and discharge such refunding bonds at or prior to their respective maturities; but in the event the bonds to be redeemed and the interest thereon accruing would have been paid from taxes levied upon

only part of the taxable property in the county, the taxes levied for payment or redemption of the refunding bonds, and the interest accruing thereon, shall be levied in the same manner and upon only the same taxable property as would have been levied for payment of the bonds to be refunded if no refunding of said bonds had been made and accomplished. As collected, all taxes levied for payment of interest on and for the payment or redemption of the principal of such bonds shall be kept by the treasurer of the county in a special fund, to be used only in the payment of the interest upon and for the payment or redemption of the principal of such bonds. Such tax shall be levied and collected in the same manner as other county taxes are levied and collected. The ordinance authorizing the issuance of said bonds shall set forth the years in which such taxes shall be levied for the creation of said fund.

Source: L. 81: Entire article added, p. 1479, § 1, effective June 8.

30-35-707. Ordinance not to be altered. Any ordinance authorizing an issue of refunding bonds under the provisions of this part 7 and providing for the levy of taxes for the payment of the interest upon and the principal of such refunding bonds shall not be altered or repealed until the indebtedness thereby authorized shall have been fully paid.

Source: L. 81: Entire article added, p. 1480, § 1, effective June 8.

30-35-708. Combined issues - procedures. Any such refunding bonds may be issued to refund one or more issues of outstanding bonds of a county; but no two or more issues of outstanding bonds may be refunded by a single issue of refunding bonds unless the taxable property upon which tax levies are being made for payment of each such outstanding issue of bonds is identical to the taxable property on which such levies are being made for the payment of all other outstanding bonds proposed to be refunded by such single issue of refunding bonds. In the event that two or more issues of outstanding bonds of a county are to be refunded by the issuance of a single issue of refunding bonds, as provided in this section, the net interest cost and net effective interest rate on the bonds to be refunded shall be computed as if all of said bonds had originally been combined as a single issue aggregating the total of the smaller issues, and the results of this computation shall be compared with the net interest cost and net effective interest rate on the whole of the single refunding issue for purposes of determining the necessity of submitting the question of issuing such refunding bonds to a vote of the registered electors of the county.

Source: L. 81: Entire article added, p. 1480, § 1, effective June 8.

30-35-709. Application of refunding bond proceeds - procedures - limitations.

- (1) The proceeds derived from the issuance of any refunding bonds under the provisions of this part 7 shall either be immediately applied to the payment, or redemption, and retirement of the bonds to be refunded and the cost and expense incident to such procedures, or shall immediately be placed in escrow to be applied to the payment of said bonds upon their presentation therefor and the costs and expenses incident to such proceedings and for no other purpose or purposes whatsoever until the bonds being refunded have been paid in full and discharged, and all accrued interest thereon has also been paid in full, upon which occurrences the escrow shall terminate, and any funds remaining therein shall be returned to the county and may be used to pay other bonds of the county.
- (2) The costs and expenses incident to the refunding of outstanding bonded indebtedness, the issuance of refunding bonds, and the establishment and maintenance of escrow accounts, pursuant to the provisions of this part 7, may be paid from any moneys or funds of the county which are legally available therefor. Any moneys or funds of the county legally available therefor may be placed in any escrow account established under the provisions of this article and may be used and expended for the purposes specified in the escrow agreement if such procedure is deemed by the governing body to be in the best interests of the county.

(3) Any escrowed funds, pending such use, may be invested or, if necessary, reinvested only in securities meeting the investment requirements established in part 6 of article 75 of title 24, C.R.S., maturing at such times as to insure the prompt payment of the bonds refunded under the provisions of this article and the interest accruing thereon.

(4) Escrowed funds and investments, together with any interest to be derived from such investments, shall be in an amount which at all times shall be sufficient to pay the bonds refunded as they become due at their respective maturities or as they are called for redemption and payment on prior redemption dates, as to principal, interest, any prior redemption premium due, and any charges of the escrow agent payable therefrom. The computations made in determining such sufficiency shall be verified by a certified public accountant.

(5) For the purpose of implementing the provisions of this part 7, the governing body of any county shall have the power to enter into escrow agreements and to establish escrow accounts with any commercial bank having full trust powers located within this state which is a member of the federal deposit insurance corporation under protective covenants and agreements whereby such accounts shall be fully secured by direct obligations of the United States, or shall be invested in such direct obligations only, in such amounts as will be sufficient and maturing at such times so as to insure the prompt payment of the bonds refunded, and the interest accruing thereon, under the provisions of this part 7.

(6) In no event shall the aggregate amount of bonded indebtedness of any county exceed the maximum allowable amount as determined pursuant to the provisions of the state constitution, statutes, and charter applicable to such county. In determining and computing such aggregate amount of bonded indebtedness of any home rule county, bonds which have been refunded, as provided in this part 7, either by immediate payment, or redemption and retirement, or by the placement of the proceeds of refunding bonds in escrow shall not be deemed outstanding indebtedness from and after the date on which sufficient moneys are placed with the paying agent of such outstanding bonds for the purpose of immediately paying, or redeeming, and retiring such bonds, or from and after the date on which the proceeds of said refunding bonds are placed in such an escrow.

(7) The issuance of refunding bonds by any home rule county for the purposes and in the manner authorized by this article, or under the provisions of any other enabling law, shall never be interpreted or taken to be the creation of an indebtedness which would require the approval of the qualified electors of the county, and no such approval shall be required for the issuance of such refunding bonds except as is specifically required by this part 7 or such other law under which said refunding bonds are sought to be issued or have been issued.

(8) No bonds may be refunded under the provisions of this part 7 unless the holders thereof voluntarily surrender said bonds for immediate exchange or immediate payment or unless said bonds either mature or are callable for redemption prior to their maturity under their terms within ten years from the date of issuance of the refunding bonds, and provisions shall be made for paying, or redeeming, and discharging all of the bonds refunded within said period of time.

Source: L. 81: Entire article added, p. 1480, § 1, effective June 8. L. 89: (3) amended, p. 1114, § 24, effective July 1.

30-35-710. Registration of refunding bonds. Whenever any home rule county issues refunding bonds under the provisions of this part 7, the governing body shall direct that the county clerk and recorder, as a part of said county clerk and recorder's duties, register said bonds in a book to be kept by him for that purpose, and when so registered, the legality thereof shall not be open to contest by the county or by any other person or corporation in behalf of the county for any reason whatever. It is the duty of the county clerk and recorder to register said bonds, noting the principal amount, the date of issuance and maturity, and rate or rates of interest of said bonds.

Source: L. 81: Entire article added, p. 1482, § 1, effective June 8.

30-35-711. Redemption of refunding bonds prior to maturity - procedures. (1) In the event that any bonds of a home rule county, either bonds issued for refunding purposes or bonds issued for other purposes as set forth in section 30-35-201 (6), have been or are made redeemable prior to their respective maturities and the governing body determines that all or any part of such bonds should be called for redemption, according to their terms, it is the duty of the county clerk and recorder, as soon as the governing body has authorized the redemption, to cause notice to be given of such action.

(2) Such notice shall be given by publication at least one time in a newspaper customarily used by said county for legal notices at least thirty days prior to the date on which said bonds are to be redeemed and paid. Such notice shall contain the place or places and date on which said bonds shall be redeemed and paid, shall describe the bonds by their legal designation, date, number, and amount, and shall state that after the date so fixed for redemption and payment the interest on said bonds shall cease.

(3) After the date so fixed for redemption and payment, the bonds so called for redemption and payment shall cease to draw interest.

Source: L. 81: Entire article added, p. 1482, § 1, effective June 8.

30-35-712. “Net interest cost” - “net effective interest rate”. For the purposes of this part 7, the terms “net interest cost” and “net effective interest rate” have the meanings set forth in section 30-35-201 (6).

Source: L. 81: Entire article added, p. 1482, § 1, effective June 8.

PART 8

BONDS - TO PAY MATURED SPECIAL ASSESSMENT

30-35-801. Power to issue bonds - purpose. Subject to the provisions of this part 8, any home rule county shall have power and authority to issue its negotiable coupon bonds for the purpose of paying any special assessment bonds or obligations which it has issued or may issue, together with interest thereon, when it appears that there is not, or will not be, sufficient money for the payment of the same at maturity in the particular fund out of which payment should be made.

Source: L. 81: Entire article added, p. 1482, § 1, effective June 8.

30-35-802. Question submitted. No bonds shall be issued under this part 8 until the question of issuing the same has been submitted, at a regular election of a home rule county, to a vote of those persons qualified to vote on authorization of other bonded indebtedness and approved as required by section 30-35-201 (6).

Source: L. 81: Entire article added, p. 1483, § 1, effective June 8.

30-35-803. Ordinance - taxes - interest - disposition. The issuance of any bonds voted on in accordance with this part 8 shall be authorized by an ordinance, which shall be irrevocable until the bonds therein provided for shall have been fully paid or discharged, specifying the purpose to which the funds to be raised shall be applied and providing for the levy of a tax sufficient to pay the annual interest and extinguish the principal of such bonds within fifteen but not less than ten years from the creation thereof. Such tax, when collected, shall be applied only to the purpose specified in such ordinance until such bonds shall be paid or discharged. Such bonds shall bear interest at a rate or rates and shall be exchanged or sold at a price or prices so that the net effective interest rate of the issue of bonds does not exceed the maximum net effective interest rate authorized. Interest shall be paid semiannually and shall be payable at such place, be in such denominations, and be executed by such officers as may be prescribed in such ordinance. Such bonds may be exchanged for

outstanding matured and overdue special assessment bonds or obligations and interest thereon or they may be sold and the proceeds thereof used for the purpose specified in this part 8.

Source: L. 81: Entire article added, p. 1483, § 1, effective June 8.

30-35-804. Construction - disposition of delinquent assessment. Nothing in this part 8 shall be construed to release or discharge any special assessment which is now, or may become, a lien on or against any property. Any home rule county issuing bonds under this part 8 shall be subrogated to the rights of the holders or owners of the outstanding special assessment bonds or obligations paid. If, after the issuance of bonds authorized by this part 8, the delinquent or defaulted special assessments, or any part thereof, are collected and the special assessment bonds or obligations payable out of the particular special assessment fund have been redeemed by means of bonds issued under this part 8, the amounts so collected shall be used to pay the principal of and the interest on the bonds authorized and the tax levies therefor shall be reduced in a like manner.

Source: L. 81: Entire article added, p. 1483, § 1, effective June 8.

PART 9

SPECIAL TAXING DISTRICTS

30-35-901. Special taxing districts authorized. In accordance with the provisions of section 18 of article XIV of the state constitution, the governing body of a home rule county may establish special taxing districts within the county to facilitate the furnishing of services and the collection of ad valorem taxes or charges for such services, or both such taxes and charges.

Source: L. 81: Entire article added, p. 1483, § 1, effective June 8.

30-35-902. Definitions. As used in this part 9, unless the context otherwise requires:

(1) "Registered elector" or "elector" means an individual who resides within a home rule county and is registered and otherwise qualified to vote in county elections in such county.

(2) "Special taxing district" or "district" means a geographic area within a home rule county designated and delineated by the governing body of a home rule county to facilitate the furnishing of services and improvements and the collection of ad valorem taxes or charges for such services, or both such taxes and charges; however, such collection of taxes or charges, or both, shall not be in addition to or in lieu of any taxes or charges, or both, specifically provided for and limited by any statute for the same purpose, including, but not limited to, taxes for law enforcement authorities, roads and bridges, and the like.

Source: L. 81: Entire article added, p. 1483, § 1, effective June 8.

30-35-903. Use of districts. (1) Such special taxing districts shall be used when a service or level of service which a county is authorized to provide is to be provided in substantially less than the entire area included within the county and where resulting ad valorem taxes or charges may vary from those imposed in other areas within the county.

(2) As long as the service is provided to the included territory, a special taxing district may include, subject to the limitations of section 30-35-103 (2), any territory within a county. The included territory need not be contiguous if the noncontiguous territory is essential to the provision of such services or improvements, and the same territory may lie within more than one special taxing district so long as there is no duplication of services or improvements.

(3) No tract or parcel of real estate used for manufacturing, mining, railroad, agricultural, or industrial purposes, together with the buildings, improvements, machinery, or equipment or other personal property thereon, for which no direct benefit is provided by the services or improvements of the special taxing district, shall be included therein without the written consent of the owner thereof. If, contrary to the provisions of this subsection (3), any such tract, parcel, or other property thereon is included in any special taxing district, the owner thereof, upon petition to the governing body of the home rule county, shall be entitled to have the same excluded from the special taxing district free and clear of any contract, obligation, lien, or charge to which it might have been liable as a part of the special taxing district.

Source: L. 81: Entire article added, p. 1484, § 1, effective June 8.

30-35-904. Formation of districts. (1) Special taxing districts may be established pursuant to the provisions of this section.

(2) (a) The governing body of a home rule county may by resolution propose the formation of such district which resolution shall designate the proposed boundaries thereof, specify the proposed service or services, and set forth the methods of financing proposed for such district.

(b) The governing body shall present the proposal at a public hearing to be held within sixty days after introduction of such resolution, with notice thereof to be published not less than fifteen days before the date set for hearing.

(c) At such hearing any registered elector of the county may be heard on the proposal, including questions of inclusion in or exclusion from the district, and all such objections shall be determined by the governing body on the basis of the public interest, taking into consideration the needs of the people and the availability of the service to the territory which is the subject of any such objection.

(d) The governing body may continue the hearing as necessary and may, after the conclusion thereof, enact the proposed resolution, with or without amendments, or may reject the proposed resolution.

(e) Decisions of the governing body concerning the formation of a special taxing district are not subject to review unless action is instituted by a registered elector to review such proceedings within forty-five days after passage of the resolution. Any such review shall extend only to the question of whether the governing body exceeded its jurisdiction or abused its discretion. If the court so finds, it shall remand the matter to the governing body for further proceedings, consistent with such findings.

(3) (a) A petition, signed by at least eight percent of the registered electors in the proposed district, shall be sufficient to require the governing body of a home rule county to pass a resolution creating the proposed special taxing district.

(b) At the top of each page of the petition shall be printed, in plain red letters no smaller than the impression of ten-point, bold-faced type, the following:

**WARNING:
IT IS AGAINST THE LAW:**

For anyone to sign this petition with any name other than his own, or to knowingly sign his name more than once for the same measure, or to sign such petition when not a registered elector.

**DO NOT SIGN THIS PETITION UNLESS
YOU ARE A REGISTERED ELECTOR**

TO BE A REGISTERED ELECTOR, YOU MUST BE:

1. At least eighteen years of age.
2. A citizen of the United States.

3. A resident of the state of Colorado for at least thirty-two days.
4. A resident of the precinct in which you live for at least thirty-two days.
5. Registered to vote in the county.

Do not sign this petition unless you have read or had read to you the proposal in its entirety and understand its meaning.

(c) The petition shall only be signed by registered electors of the proposed district with their own signatures, after which shall be written their residence addresses, including street and number, if any, city or town, and the date of signing.

(d) To each petition there shall be attached an affidavit of the person who circulated the petition, which shall state the person's address, that he or she is a resident of the state, a citizen of the United States, and at least eighteen years of age, that each signature thereon was affixed in his or her presence, that each signature thereon is the signature of the person whose name it purports to be, that to the best of his or her knowledge and belief each of the persons signing the petition was at the time of signing a registered elector of the proposed district, and that he or she has not or will not in the future pay any money or thing of value to any signer for the purpose of inducing the signer to affix his or her signature to the petition.

(e) The petition shall contain all the information required by subsection (2) (a) of this section.

(f) The petition shall be on pages eight and one-half inches wide by fourteen inches long with a margin of two inches at the top for binding. The signature sheets shall have ruled lines and be numbered consecutively.

(4) No restraining order or temporary injunction pending final judgment of the district court and enjoining the formation of, the inclusion or exclusion of territory in, or the operation of the special taxing district may be issued. Any final judgment which has the effect of enjoining the formation of, the inclusion or exclusion of territory in, or the operation of a special taxing district shall automatically be stayed upon the filing of any appeal of such decision, and no application for supersedeas shall be necessary. Such stay shall continue in full force and effect pending final disposition of the proceedings.

(5) Changes in the boundaries or major changes in the basic or essential nature of services or financing of a special taxing district may be initiated by resolution of the governing body or by petition signed by five percent of the registered electors of the district, and such proposals shall be considered in the same manner as provided in this section for proposals for the original formation of a district.

(6) Upon adoption of a resolution forming a district, the governing body of the home rule county shall function as the governing board of such district.

Source: L. 81: Entire article added, p. 1484, § 1, effective June 8. L. 82: (3)(b) amended, p. 626, § 33, effective April 2. L. 2007: (3)(d) amended, p. 1984, § 40, effective August 3.

30-35-905. Powers of board. When acting as the governing board of a special taxing district, the governing body of a home rule county shall have all the powers otherwise provided in this article.

Source: L. 81: Entire article added, p. 1486, § 1, effective June 8.

30-35-906. Exclusion. Real property excluded from a district shall thereafter be subject to the levy of taxes for the payment of its proportionate share of any indebtedness of the district outstanding at the time of such exclusion.

TITLE 31

GOVERNMENT - MUNICIPAL

Editor's note: This title was primarily numbered as articles within chapter 139, C.R.S. 1963; however, a few sections were located in article 1 of chapter 140, C.R.S. 1963. The provisions of this title were repealed and reenacted in 1975, resulting in the addition, relocation, and elimination of sections as well as subject matter. For amendments to this title prior to 1975, consult the Colorado statutory research explanatory note and the table itemizing the replacement volumes and supplements to the original volume of C.R.S. 1973 beginning on page vii in the front of this volume. Former C.R.S. section numbers are shown in editor's notes following those sections that were relocated. For a detailed comparison of this title, see the comparative tables located in the back of the index.

Cross references: For local government generally, see title 29; for special districts, see title 32; for garnishment of public servants, see article 61 of title 13; for cooperation with federal government in housing, see article 55 of title 24; for local boards of health, see part 6 of article 1 of title 25; for municipal employees' retirement system, see part 2 of article 51 of title 24; for eminent domain proceedings by a municipality, see article 6 of title 38; for municipal highways, see article 2 of title 43; for the power of a city council or the board of trustees of town to establish airports, see part 2 of article 4 of title 41; for municipal courts, see article 10 of title 13.

General Provisions and Classification

PART 1		31-1-203.	Classification of statutory cities and towns.
GENERAL PROVISIONS		31-1-204.	Change of classification - towns - notice - effect on officeholders - options prior to reorganization - terms of office - election dates.
31-1-101.	Definitions.		
31-1-102.	Application - legislative intent.		
PART 2		31-1-205.	Organization after change.
CLASSIFICATION OF MUNICIPALITIES		31-1-206.	Change in classification - cities - notice - effect on officeholders - terms of office - election dates.
31-1-201.	Classification of municipalities.		
31-1-202.	Cities or towns retaining prior status.	31-1-207.	Ordinances to reorganize - existing ordinances.

PART 1

GENERAL PROVISIONS

31-1-101. Definitions. As used in this title, except where specifically defined, unless the context otherwise requires:

(1) "Ad valorem tax" means only the general property tax levied annually on real or personal property listed with the county assessor.

(2) "City" means a municipal corporation having a population of more than two thousand incorporated pursuant to the provisions of part 1 of article 2 of this title or reorganized pursuant to the provisions of part 3 of article 2 of this title or pursuant to the provisions of any other general law on or after July 3, 1877, and a municipal corporation, regardless of population, organized as a city on December 31, 1980, and choosing not to reorganize as a town pursuant to part 2 of this article, but does not include any city incorporated prior to July 3, 1877, which has chosen not to reorganize nor any city or city and county which has chosen to adopt a home rule charter pursuant to the provisions of article XX of the state constitution.

(3) "City clerk", "clerk", or "town clerk" means the clerk of the municipality who is the custodian of the official records of the municipality or any person delegated by the clerk to exercise any of his powers, duties, or functions.

(4) "Governing body" means the city council of a city organized pursuant to part 1 of article 4 of this title, the city council of a city organized pursuant to part 2 of article 4 of this title, the board of trustees of a town, or any other body, by whatever name known, given lawful authority to adopt ordinances for a specific municipality. For purposes of determining a quorum or the required number of votes for any matter, "governing body" includes the total number of seats on the governing body but does not include the seat held by a nonvoting city manager under section 31-4-214.

(5) "Mayor" means the mayor of the municipality; except that in a municipality having a city manager form of government, "mayor" means the presiding officer of the governing body of the municipality.

(6) "Municipality" means a city or town and, in addition, means a city or town incorporated prior to July 3, 1877, whether or not reorganized, and any city, town, or city and county which has chosen to adopt a home rule charter pursuant to the provisions of article XX of the state constitution.

(7) "Qualified elector" means a person who is qualified under the provisions of the "Colorado Municipal Election Code of 1965" to register to vote in elections of the municipality or who, with respect to a proposed city or town or the creation of an

improvement district, is qualified to register to vote in the territory involved in the proposed incorporation or district.

(8) “Qualified taxpaying elector” means a qualified elector who, during the twelve months next preceding the election, has paid an ad valorem tax on property owned by him and situated within the municipality or within the territory involved in the proposed incorporation or improvement district.

(9) “Registered elector” means a qualified elector who has registered to vote in the manner required by law.

(10) “Regular election” means:

(a) Before July 1, 2004, the election held in towns on the first Tuesday of April in each even-numbered year; the election held in cities on the first Tuesday of November in each odd-numbered year; and the election held in any other municipality at which the regular election of officers takes place;

(b) On and after July 1, 2004, the election held in any municipality in accordance with paragraph (a) of this subsection (10) unless a majority of the registered electors of the municipality voting on the question have voted to hold the regular election on a date different than specified in paragraph (a) of this subsection (10) pursuant to section 31-10-109 (1), in which case “regular election” means, for any particular municipality, the date on which the regular election of officers takes place as determined by the registered electors of the municipality.

(11) “Special election” means any election called by the governing body of any municipality or initiated by petition to be held at a time other than the regular election for the purpose of submitting public questions or proposals to the registered electors of the municipality.

(12) “Street” means any street, avenue, boulevard, road, land, alley, viaduct, right-of-way, courtway, or other public thoroughfare or place of any nature open to the use of the municipality or of the public, whether the same was acquired in fee or by grant of dedication or easement or by adverse use.

(13) “Town” means a municipal corporation having a population of two thousand or less incorporated pursuant to the provisions of part 1 of article 2 of this title or reorganized pursuant to the provisions of part 3 of article 2 of this title or pursuant to the provisions of any other general law on or after July 3, 1877, and a municipal corporation, regardless of population, organized as a town on December 31, 1980, and choosing not to reorganize as a city pursuant to part 2 of this article, but does not include any town incorporated prior to July 3, 1877, which has chosen not to reorganize nor any town which has chosen to adopt a home rule charter pursuant to the provisions of article XX of the state constitution.

(14) “Ward” means a district, the boundaries of which have been established pursuant to section 31-2-104 or 31-4-104, from which a member of the governing body of the city or town is elected.

Source: **L. 75:** Entire title R&RE, p. 1004, § 1, effective July 1. **L. 79:** (10) and (11) amended, p. 1170, § 1, effective July 1. **L. 81:** (4) amended, p. 1493, § 1, effective May 28; (2) and (13) amended, p. 1488, § 1, effective June 5. **L. 85:** (10) amended, p. 273, § 6, effective April 30. **L. 89:** (4) amended, p. 1287, § 2, effective April 6. **L. 2000:** (10) amended, p. 791, § 3, effective August 2. **L. 2004:** (10) amended, p. 1522, § 2, effective May 28; (10) amended, p. 808, § 1, effective July 1. **L. 2005:** (2) and (13) amended, p. 774, § 57, effective June 1.

Editor’s note: (1) The provisions of this section are similar to provisions of several former sections as they existed prior to 1975. For a detailed comparison, see the comparative tables located in the back of the index.

(2) Amendments to subsection (10) by House Bill 04-1072 and House Bill 04-1430 were harmonized.

31-1-102. Application - legislative intent. (1) In the recodification of this title, certain provisions which previously applied or may have been interpreted to apply to limited categories of municipalities have been applied to all municipalities, whether statutory, home

rule, or special territorial charter. Except for those provisions which expressly apply only to limited categories of municipalities, it is the intent of the general assembly that the provisions of this title shall apply to home rule municipalities except insofar as superseded by charter or ordinance passed pursuant to such charter and to all statutory cities and towns and shall be available to special territorial charter cities and towns unless in conflict with the charters thereof. The general assembly further declares that in the recodification of this title and in the use of the term "municipality" in this title there is no legislative intent to affect or modify the application of the provisions of this title with respect to preemption of home rule or special territorial charter powers, which preemption may or may not have existed on the effective date of this recodification (July 1, 1975). The use of the term "municipality" in future additions or amendments to this title shall not in and of itself create a presumption for or against preemption of home rule or special territorial charter powers.

(2) Where any power is granted in this title to a specific municipal official or group of officials, that power may be exercised within any home rule municipality by the officials, to the extent and in the manner, designated in the particular home rule charter or ordinance passed pursuant to such charter.

Source: L. 75: Entire title R&RE, p. 1006, § 1, effective July 1.

ANNOTATION

The general intent expressed in this section that all of title 31 should apply to home rule municipalities cannot be construed to apply to disconnection pursuant to § 31-12-601. The general intent of this section excepts "those

provisions which expressly apply only to limited categories of municipalities", and the disconnection statute applies only to statutory cities. *Allely v. City of Evans*, 124 P.3d 911 (Colo. App. 2005).

PART 2

CLASSIFICATION OF MUNICIPALITIES

31-1-201. Classification of municipalities. (1) With respect to the exercise of corporate and municipal powers, the municipalities of this state are divided into the following classifications:

- (a) Cities or towns incorporated prior to July 3, 1877, which have retained such organization;
- (b) Cities or towns organized pursuant to the provisions of article XX of the state constitution;
- (c) Cities and towns organized pursuant to the provisions of this title or of any other general law on or after July 3, 1877, which have not chosen to adopt a home rule charter under the provisions of article XX of the state constitution.

Source: L. 75: Entire title R&RE, p. 1006, § 1, effective July 1.

31-1-202. Cities or towns retaining prior status. Every city or town incorporated prior to July 3, 1877, which chooses to retain such organization, in the enforcement of the powers or the exercise of the duties conferred by the special charter or general law under which the same is incorporated, shall proceed in all respects as provided by such special charter or general law and shall not be affected nor the powers or duties thereof in any manner changed or abridged by any provisions of this title.

Source: L. 75: Entire title R&RE, p. 1006, § 1, effective July 1.

Editor's note: This section is similar to former §§ 31-1-101 and 31-1-102 as they existed prior to 1975.

ANNOTATION

Law reviews. For note, "The Effect of Land Use Legislation on the Common Law of Nuisance in Urban Areas", see 36 Dicta 414 (1959).

Annotator's note. Since § 31-1-202 is similar to former §§ 31-1-101 and 31-1-102 prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, relevant cases construing those provisions have been included in the annotations to this section.

The object of the saving clause inserted in this section is to preserve the existence of cities and towns which had been incorporated under general laws enacted prior to, and repealed by, the act of 1877; had the saving clause not been added, such cities and towns might have gone out of existence, as legal entities. *City of Central v. Axton*, 159 Colo. 69, 410 P.2d 173 (1966).

A saving clause "should be strictly construed so as not to include anything not fairly within its terms". *City of Central v. Axton*, 159 Colo. 69, 410 P.2d 173 (1966).

However, this section does not freeze in perpetuity the powers and duties of that city as such existed in 1876. *City of Central v. Axton*, 159 Colo. 69, 410 P.2d 173 (1966).

General laws applicable to municipalities repealed. In addition to spelling out the manner in which a city or town could be organized and incorporated, the general assembly in 1877 repealed all general laws providing for the organization and government of incorporated cities and towns. *City of Central v. Axton*, 159 Colo. 69, 410 P.2d 173 (1966).

But the existence of cities and towns incorporated before 1877 which chose to retain their then existing organizations should not be affected by this title and further, the powers and duties of such a town or city are not to be changed or abridged in any manner by any provision of this act. In other words, the injunction is that the powers and duties of a town or city which chose to retain its existence under its territorial charter are not to be altered by any

provision of this act. *City of Central v. Axton*, 159 Colo. 69, 410 P.2d 173 (1966).

But not exempt from classification of municipalities. This section, while permitting towns which were incorporated prior to 1877 to retain their organization, and to proceed under the law under which they were incorporated in the enforcement of the powers or the exercise of the duties conferred by such general law, does not have the effect of exempting such towns from the operation of statutes relating to the classification of municipal corporations. *Kirkpatrick v. People*, 66 Colo. 100, 179 P. 338 (1919).

There is nothing in this section which shows an intent on the part of the general assembly to exempt such cities and towns from the operation of any statute relating to the classification of municipal corporations. *City of Central v. Axton*, 159 Colo. 69, 410 P.2d 173 (1966).

All cities and towns incorporated under general laws were subject to that part of the act of 1877 which relates to the election of municipal officers, notwithstanding this section. *City of Central v. Axton*, 159 Colo. 69, 410 P.2d 173 (1966).

General statute on removal of local officer inapplicable. Even if there were no ordinance dealing with the appointment or removal of a town clerk in a special charter town which never elected to become subject to the general laws governing municipal corporations, the general statute on the local matter of removal of municipal officers does not apply. *Glenn v. Town of Georgetown*, 36 Colo. App. 431, 543 P.2d 726 (1975).

Denver not limited by title. In the area of local legislative jurisdiction, Denver is not limited by the statutes pertaining to powers of towns and cities, § 31-1-101 et seq. *Lehman v. City & County of Denver*, 144 Colo. 109, 355 P.2d 309 (1960).

Applied in *Bernheimer v. City of Leadville*, 14 Colo. 518, 24 P. 332 (1890).

31-1-203. Classification of statutory cities and towns. (1) With respect to the exercises of certain municipal and corporate powers, granted by the provisions of this title, and to the duties of certain municipal officers, set forth in this title, all municipal corporations organized pursuant to the provisions of this title or of any other general law on or after July 3, 1877, which have not chosen to adopt a home rule charter under the provisions of article XX of the state constitution, are divided into cities and towns.

(2) Repealed.

Source: L. 75: Entire title R&RE, p. 1006, § 1, effective July 1. L. 81: (2) repealed, p. 1492, § 9, effective June 5.

Editor's note: This section is similar to former §§ 31-1-201 and 31-1-202 as they existed prior to 1975. For a detailed comparison, see the comparative tables at the back of the index.

ANNOTATION

Annotator's note. Since § 31-1-203 is similar to former §§ 31-1-201 and 31-1-202 prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, relevant cases construing those provisions have been included in the annotations to this section.

Intent of this and following sections is to prevent a multiplication of classes of municipalities, the giving to one within the same class different powers or functions, and imposing upon any one restrictions different from those in the same class or division. In short, it is to secure absolute uniformity, by general law, ap-

plicable to all the given classes, respecting the faculties with which they might be endowed and the limitations placed upon their functions by the general assembly so that any person, anywhere, desiring to ascertain what are the powers and restrictions of any one city of a given class in the state could be advised thereof by looking at the "general law" defining such powers and restrictions. *Kirkpatrick v. People*, 66 Colo. 101, 179 P. 338 (1919).

Applied in *Pub. Serv. Co. v. City of Loveland*, 79 Colo. 216, 245 P. 493 (1926).

31-1-204. Change of classification - towns - notice - effect on officeholders - options prior to reorganization - terms of office - election dates. (1) The governor and secretary of state, within six months after the returns of any United States census have been filed in the office of the secretary of state, or within thirty days after the returns of the enumeration of the inhabitants of any town taken under and by authority of any town ordinance or resolution adopted by the board of trustees of such town have been filed in the office of the secretary of state, shall ascertain which towns are entitled to become cities. The governor shall cause a statement thereof to be prepared by the secretary of state, which statement shall be published in some newspaper published at the state capital and also in some newspaper, if there is one, printed in each of the towns entitled to such change in classification. A copy of such statement shall be transmitted by the secretary of state to the mayors of said towns and to the next general assembly.

(2) Every such town may proceed at any subsequent regular town election held not sooner than ninety days after the date of the statement's receipt by the mayor, to organize according to the new classification available to it by the election of officers properly belonging thereto. No change of classification, nor the organization of the town into a city in accordance with this section, shall cause the removal from office of any member of the governing body of such town whose term of office has not expired.

(3) Notwithstanding the provisions of sections 31-4-105 and 31-4-107 (4), prior to any election to reorganize to a statutory city under part 1 of article 4 of this title, the governing body of the town may adopt an ordinance providing for the continued appointment of the clerk and treasurer by the governing body. If such an ordinance is repealed, the clerk and treasurer positions shall then be elective offices until changed pursuant to section 31-4-107 (4).

(4) Notwithstanding the provisions of part 2 of article 4 of this title, prior to any election to reorganize, the governing body may conduct an election under the provisions of part 2 of article 4 of this title to determine whether the town should reorganize directly into a city council-city manager form of government. If the voters vote to reorganize in such a manner, the town's form of government shall remain unchanged until the reorganization election at which time the town shall reorganize into a city council-city manager form of government. For the purpose of section 31-4-204 (1), laws of the state applicable to cities and not inconsistent with this part 2 or with part 2 of article 4 of this title shall apply to and govern the town after its reorganization into a city council-city manager form of government.

(5) Notwithstanding the provisions of sections 31-4-104, 31-4-105, 31-4-106, and 31-4-205, prior to any reorganization election, the governing body of the town may adopt an ordinance establishing the number of members to be on the city council after reorganization, which number shall not be less than six, and providing that all members shall be elected from the city at large. If such an ordinance is repealed, the members of the council shall be elected according to the provisions of part 1 or part 2 of article 4 of this title, whichever is applicable.

(6) Notwithstanding the provisions of sections 31-4-105 and 31-4-205 (1), if four-year overlapping terms for the mayor and trustees or any other elective officer were established

prior to the reorganization election, such terms shall continue after reorganization for the mayor and council members and any other elective city office until changed pursuant to section 31-4-107 (3) or 31-4-205 (3).

(7) In conformity with the provisions of section 31-1-101 (10), the regular election date for towns reorganizing into cities shall remain, after reorganization, the first Tuesday of April in each even-numbered year unless a majority of the registered electors of the city voting on the question have voted to hold the regular election of the city on a different date pursuant to section 31-10-109 (1), in which case the regular election date of the city shall mean, for such city, the date on which the regular election of officers takes place as determined by the registered electors of the city. Notwithstanding the provisions of section 31-10-109 (1), after reorganization, the governing body of the city may by ordinance establish its regular election date on the Tuesday succeeding the first Monday of November in each odd-numbered year, and may include in such ordinance any alteration in the term of office of officials subsequently elected which may be necessary to accomplish the change in election dates in an orderly manner. In no event shall such ordinance shorten the term of any elected official in office at the time of its adoption.

Source: **L. 75:** Entire title R&RE, p. 1007, § 1, effective July 1. **L. 81:** (2) amended and (3) to (7) added, p. 1489, § 2, June 5. **L. 86:** (7) amended, p. 1220, § 29, effective May 30. **L. 2004:** (7) amended, p. 809, § 2, effective July 1.

Editor's note: This section is similar to former § 31-1-203 as it existed prior to 1975.

ANNOTATION

Annotator's note. Since § 31-1-204 is similar to former § 31-1-203 prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, relevant cases construing those provisions have been included in the annotations to this section.

This and the following section are applicable to, and govern, all existing towns and cities which have been incorporated under general laws, whether of the territory or of the state. *Kirkpatrick v. People*, 66 Colo. 100, 179 P. 338 (1919).

Ordinary intent of language. The most reasonable construction of this section is that the language was intended to mean exactly what it says according to the ordinary meaning of the words used. *Harris v. Chambers*, 16 Colo. App. 250, 64 P. 688 (1901).

Mandatory provisions as to organization. This section is mandatory in its requirement

that, when an incorporated town becomes a city, it shall organize by the election of such officials as are necessary and provided by statute for the municipality in its new class. *Harris v. Chambers*, 16 Colo. App. 250, 64 P. 688 (1901); *Kirkpatrick v. People*, 66 Colo. 100, 179 P. 338 (1919).

As to no removal from office. This section is explicit and mandatory in its provision that the change of class shall not work the removal from office of aldermen of the incorporated town whose terms had not expired, and that they should continue to serve as aldermen of the city in its new class until the expiration of the term for which they had been originally elected. *Harris v. Chambers*, 16 Colo. App. 250, 64 P. 688 (1901).

31-1-205. Organization after change. As soon as the statement is published, as provided in section 31-1-204, showing that any town is entitled to be organized into a city, the proper authorities of such town may adopt and publish such ordinances as may be necessary to perfect such organization with respect to the election, duties, and compensation of officers and with respect to all other necessary matters. All previously adopted ordinances of any town shall remain in force after its organization as a city so far as such ordinances may be applicable.

Source: **L. 75:** Entire title R&RE, p. 1007, § 1, effective July 1. **L. 81:** Entire section amended, p. 1490, § 3, effective June 5.

Editor's note: This section is similar to former § 31-1-204 as it existed prior to 1975.

ANNOTATION

Annotator's note. Since § 31-1-205 is similar to former § 31-1-204 prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, a relevant case construing a prior provision has been included in the annotations to this section.

The language of this section makes it mandatory upon the respondents to act as therein provided. *Kirkpatrick v. People*, 66 Colo. 100, 179 P. 338 (1919).

31-1-206. Change in classification - cities - notice - effect on officeholders - terms of office - election dates. (1) The governor and the secretary of state, within six months after the returns of any United States census have been filed in the office of the secretary of state, or within thirty days after the returns of the enumeration of the inhabitants of any city taken under and by virtue of any city ordinance or resolution adopted by the city council have been filed in the office of the secretary of state, shall ascertain whether such city has a population of two thousand or less. If it appears that a city is entitled to change its classification to that of a town, the governor shall cause a statement thereof to be prepared by the secretary of state, which statement shall be published in some newspaper published at the state capital and also in some newspaper, if there is one, printed in the city involved.

(2) A copy of such statement shall be transmitted by the secretary of state to the mayor of said city and to the next general assembly; and every such city, at any subsequent city regular election held not sooner than ninety days after the date of the statement's receipt by the mayor, may proceed to organize according to the new classification available to it by the election of officers properly belonging thereto. No change of classification, nor the organization of the city into a town in accordance with this section and section 31-1-207, shall cause the removal from office of any member of the governing body of such city whose term of office has not expired; all such members shall continue to be members of the governing body of the newly classified town for their respective terms of office.

(3) Notwithstanding the provisions of section 31-4-301 (2) and (5), if four-year overlapping terms for the mayor and council members or any other elective officer were established prior to the reorganization election, such terms shall continue after reorganization for the mayor and trustees and any other elective town office until changed pursuant to section 31-4-301 (5).

(4) In conformity with the provisions of section 31-1-101 (10), the regular election date for cities reorganizing into towns shall remain, after reorganization as a town, the Tuesday succeeding the first Monday of November in each odd-numbered year unless a majority of the registered electors of the town voting on the question have voted to hold the regular election of the town on a different date pursuant to section 31-10-109 (1), in which case the regular election date of the city shall mean, for any particular municipality, the date on which the regular election of officers takes place as determined by the registered electors of the municipality.

Source: **L. 75:** Entire title R&RE, p. 1007, § 1, effective July 1. **L. 81:** (1) and (2) amended and (3) and (4) added, p. 1490, §§ 4, 5, effective June 5. **L. 86:** (4) amended, p. 1221, § 30, effective May 30. **L. 2004:** (4) amended, p. 809, § 3, effective July 1.

Editor's note: This section is similar to former § 31-1-205 as it existed prior to 1975.

31-1-207. Ordinances to reorganize - existing ordinances. As soon as the statement is published, as provided in section 31-1-206, showing that any city may change in classification to a town, the governing body of such city may adopt and publish such ordinances as may be necessary to perfect such organization in respect to the election, duties, and compensation of officers and with respect to all other necessary matters. All ordinances of any city shall remain in force after its organization as a town so far as such ordinances may be applicable to such town.

Source: L. 75: Entire title R&RE, p. 1008, § 1, effective July 1. **L. 81:** Entire section amended, p. 1491, § 6, effective June 5.

Editor's note: This section is similar to former § 31-1-206 as it existed prior to 1975.

ARTICLE 2

Formation and Reorganization

PART 1

INCORPORATION

		31-2-218.	Finality.
		31-2-219.	Additional petition requirements.
31-2-101.	Petition to district court.	31-2-220.	Warning on petition - signatures - affidavits - circulators.
31-2-102.	Incorporation election.	31-2-221.	Form of petition - representatives of signers.
31-2-103.	Approval of incorporation election.	31-2-222.	Ballot.
31-2-104.	Organization of new city or town.	31-2-223.	Affidavit - evidence - protest procedure.
31-2-105.	Incorporation complete - first ordinances - when effective.	31-2-224.	Receiving money to circulate petition - penalty. (Repealed)
31-2-106.	Legal incorporation - validation - dedication of public property.	31-2-225.	Unlawful acts - penalty.
31-2-107.	Adoption of home rule charter upon incorporation.		
31-2-108.	Continued county services.		
31-2-109.	Assessment - taxes - collection.		

PART 2

MUNICIPAL HOME RULE

		31-2-301.	Procedure.
		31-2-302.	Petition - election.
		31-2-303.	Notice of election.
		31-2-304.	Ballot.
		31-2-305.	Election of officers - terms.
		31-2-306.	No similar proposal for one year.
		31-2-307.	Property remains vested - rights - cumulative remedy.
		31-2-308.	Duty of county treasurer - sale - redemption.
		31-2-309.	Ordinances remain effective.
31-2-201.	Short title.		
31-2-202.	Legislative declaration.		
31-2-203.	Definitions.		
31-2-204.	Initiation of home rule.		
31-2-205.	Election on formation of charter commission and designation of members.		
31-2-206.	Charter commission.		
31-2-207.	Charter election - notice.		
31-2-208.	Filings - effect.		
31-2-209.	Special procedure for adopting a charter upon incorporation.		
31-2-210.	Procedure to amend or repeal charter.		
31-2-211.	Elections - general.		
31-2-212.	Initiative, referendum, and recall.	31-2-401.	Petition to change name.
31-2-213.	Determination of population.	31-2-402.	Name filed with secretary of state.
31-2-214.	Time limit on submission of similar proposals.	31-2-403.	Secretary to keep alphabetical list.
31-2-215.	Conflicting or alternative charter proposals.	31-2-404.	Notice of hearing on petition.
31-2-216.	Change in classification of municipalities.	31-2-405.	Hearing postponed.
31-2-217.	Vested rights saved.	31-2-406.	Secretary to give notice.
		31-2-407.	Change does not affect liability.

PART 3

REORGANIZATION OF CITIES AND TOWNS FORMED UNDER PRIOR LAW

PART 4

CHANGE OF NAME

PART 1

INCORPORATION

31-2-101. Petition to district court. (1) Whenever the inhabitants of any territory not embraced within the limits of any existing municipality desire to be organized into a city or town, they shall file a petition for incorporation of such city or town with the district court of the county within which such territory, or any part thereof, is situate. The petition shall be signed by not less than one hundred fifty of the registered electors who are landowners and residents within the territory or, in cases where the territory involved is wholly situate in a county having a population of twenty-five thousand or less, signed by forty such registered electors who are landowners and residents and shall:

(a) Describe the territory proposed to be embraced in such city or town, which description shall determine the boundaries thereof;

(b) Have attached thereto an accurate map or plat thereof on a scale no less than one inch to one thousand feet;

(c) State the name proposed for such city or town;

(d) Be accompanied with satisfactory proofs of the number of inhabitants within the territory embraced within the limits of the proposed city or town, which proofs shall be based upon the last preceding federal census, as adjusted according to the records of the county planning office or other county records. At the time of the filing of said petition, the petitioners shall file a bond, in an amount to be determined and approved by the court, to cover the expenses connected with the proceedings in case the incorporation is not effected. In no case shall there be incorporated in such city or town any undivided tract of land consisting of forty or more acres lying within the proposed limits of such city or town without the consent of the owners thereof.

(1.5) The petition may include a request for submission to the electors of the proposed municipality at the incorporation election of any matter permitted to be submitted at the election pursuant to section 31-2-102 (1.5).

(2) No such petition shall be filed where any portion of the boundaries of the proposed city or town is within one mile from the boundaries of any existing municipality, unless the territory proposed to be included within such city or town is composed of three hundred twenty acres or more.

(2.5) (a) In addition to any other notice that may be required under this part 1, whenever the number of registered electors within the area that is the subject of a petition filed pursuant to subsection (1) of this section is less than two thousand five hundred persons, notice of the filing of the petition shall be sent by first-class mail to each person owning real property within the area at the address shown for such owner in the records of the county assessor's office. The cost of mailing the notice required by this paragraph (a) shall be borne by the petitioners.

(b) The notice required by paragraph (a) of this subsection (2.5) shall include the name, address, and telephone number of a contact person who is able to provide information on the petition to the public, the case number of the civil action concerning the petition, and the district court in which the petition is filed. The notice shall also inform the property owner that, if he or she would like to obtain a copy of the petition, the property owner shall submit to the contact person a request for a copy of the petition along with the payment of a fee. The notice shall specify the amount of the fee and instructions as to the manner in which payment shall be made. The fee charged pursuant to this paragraph (b) shall conform to the requirements of section 24-72-205 (5) (a), C.R.S. Upon receipt of payment, the contact person shall mail a copy of the petition to the property owner.

(c) The notice required by paragraph (a) of this subsection (2.5) shall be sent prior to the date on which the district court makes its findings and determination pursuant to section 31-2-102 (1).

(3) (a) No incorporation election shall be held pursuant to section 31-2-102 unless the court finds that the proposed area of incorporation is urban in character and unless the court additionally finds that:

(I) The proposed area of incorporation has an average of at least fifty registered electors residing within the boundaries of the proposed area of incorporation for each square mile of area.

(II) Repealed.

(III) (Repeal provision deleted by revision.)

(b) (I) If the proposed area of incorporation has fewer than five hundred registered electors residing therein, a public hearing shall be held before the board of county commissioners to consider whether the petitioners may hold an incorporation election. Thirty days' notice of the time and place of such hearing shall be given by one publication thereof in a newspaper of general circulation in the county.

(II) After public hearing, the board of county commissioners may refuse to permit the incorporation election to be held if the board finds upon satisfactory evidence that:

(A) Any of the criteria set forth for special districts in section 32-1-203 (2), C.R.S., exist with respect to the area proposed for incorporation;

(B) Annexation to a nearby municipality would avoid unnecessary duplication of the services referred to in sub-subparagraph (A) of this subparagraph (II); and

(C) The proposed incorporation is inconsistent with any applicable county or regional comprehensive plan.

(III) If the proposed area of incorporation includes more than one county, the board of county commissioners of each county included may meet and devise a procedure for a joint hearing to determine whether the petitioners may hold an incorporation election.

(4) If, at any time between the filing of a petition pursuant to this section and not less than ten days prior to the date of the election thereon, there is filed with the court any subsequent petition which meets the requirements of this part 1 and which embraces any of the territory embraced in the initial petition calling for such election, the court may order that all such proposals contained in the said petitions filed with the court be submitted to the registered electors of the territories embraced by such petitions, to be voted on at one election, in the alternative. The court may order the rescission of any prior call of an election, discharge any commissioners previously appointed, and order the appointment of a new commission to call the election on all such proposals, or the court may order the inclusion of the subsequent proposals in the call of an election by the originally appointed commissioners.

Editor's note: (1) This section is similar to former § 31-1-103 as it existed prior to 1975.

(2) Subsection (3)(a)(III) provided for the repeal of subsection (3)(a)(II), effective July 1, 1983, and is therefore deleted by revision as obsolete. (See L. 81, p. 1497.)

ANNOTATION

Annotator's note. Since § 31-2-101 is similar to former § 31-1-103 prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, relevant cases construing those provisions have been included in the annotations to this section.

Constitutionality of power to determine extent and boundaries. The fact that under this and the following section the power to determine the extent and boundaries of municipal corporations is conferred upon individuals does not make the sections unconstitutional. People

ex rel. Rhodes v. Fleming, 10 Colo. 553, 16 P. 298 (1887).

Comprehensive act. The act of 1877 appears to be a comprehensive act upon the subject of municipal corporations, and appears to cover the whole subject matter, and plainly shows an unmistakable intention on the part of the general assembly to make the act of 1877 a substitute for the law of 1868. *City of Leadville v. Colo. Mining Co.*, 29 Colo. 17, 67 P. 289 (1901).

Petitioners must be landowners. *Velasquez v. Zimmerman*, 30 Colo. 355, 70 P. 419 (1902).

Or else incorporation void. A petition for the incorporation of a town, signed by the requisite number of names, a part of whom were not bona fide electors and landowners so that the number of bona fide electors and landowners signing the petition was less than the number required by this section, would not give the district court jurisdiction, and the incorporation of a town based upon such petition is void. *People ex rel. Saunier v. Stratton*, 33 Colo. 464, 81 P. 245 (1905).

“Embraced” defined. The familiar and generally accepted meaning of the word “embraced” in the first sentence is: “encircled, enclosed, encompassed”. Therefore, an area completely encircled by and enclosed and encompassed within the exterior limits of a city cannot be incorporated. In re *Incorporation of Town of Eastridge v. City of Aurora*, 41 Colo. App. 299, 590 P.2d 72 (1978), *aff’d*, 198 Colo. 440, 601 P.2d 1374 (1979).

A petition for incorporation must recite that petitioners are inhabitants of the territory proposed to be incorporated, so where petition filed merely recited that the signatories were “all inhabitants of a part of the county of Boulder, State of Colorado, which is not embraced within the limits of any city or incorporated town”, while registered, qualified electors of the territory, the district court was correct in finding that the petition was fatally defective. In re *Incorporation of North Boulder v. Sisson*, 167 Colo. 549, 448 P.2d 308 (1969).

Persons accepting deeds as gifts for signing are not landowners. Persons who accept deeds to lots from those who are interested in the incorporation of a town, as a reward for signing the petition for incorporation, are not bona fide landowners within the meaning of this section, and are not entitled to sign the petition. *People ex rel. Saunier v. Stratton*, 33 Colo. 464, 81 P. 245 (1905); *People ex rel. Taylor v. Koerner*, 92 Colo. 83, 18 P.2d 327 (1932).

Temporary residents not entitled to sign. In the incorporation of a town, persons who temporarily move into the territory proposed to be incorporated, for the sole purpose of participating in the election, are not bona fide residents within the meaning of this section, and are not entitled to sign the petition for incorporation; there must not only be a personal presence for the requisite time, but also a concurrence therewith of an intention to make the place a permanent home. *People ex rel. Saunier v. Stratton*, 33 Colo. 464, 81 P. 245 (1905).

A person who acquires land by the conveyance of a fee-simple title upon condition subsequent is a landowner within the meaning of this section. *People ex rel. Taylor v. Koerner*, 92 Colo. 83, 18 P.2d 327 (1932).

Allegations as to status of signers material. Allegations in an action in quo warranto, testing sufficiency of incorporation, that signers were

not bona fide landowners, residents, and electors are statements of ultimate fact which, if denied, tender issues that not only are material, but vital, because, if proved, the petition would be insufficient, and the incorporation based thereon would be void under this section. *Norton v. People ex rel. Rudbeck*, 102 Colo. 489, 81 P.2d 303 (1938).

Evidence of good faith admissible. Where it is contended that a petition for the organization of a town under this section is a fraudulent scheme of the signers to defeat the statute, evidence of petitioners’ conduct after signing and tending to show good faith is properly admitted. *People ex rel. Taylor v. Koerner*, 92 Colo. 83, 18 P.2d 327 (1932).

The requirement of accurate maps of the territory has been held to be jurisdictional. *Taylor v. Pile*, 154 Colo. 516, 391 P.2d 670 (1964).

The petition must contain an accurate description of the boundaries of the proposed municipal corporation, and failure of the petition for incorporation to properly set out the boundary to be incorporated has been held to make void the whole proceeding. *Taylor v. Pile*, 154 Colo. 516, 391 P.2d 670 (1964).

“Corrections” made after filing improper. Where there was an examination of the petition filed and the admitted fact was that after the petition was fully prepared and signatures affixed thereto changes were made in the description of the property and “corrections” were made in the boundary lines as shown on the map annexed to the petition, these facts lead inescapably to the conclusion that said petition was fatally defective and conferred no jurisdiction upon the court to order an election. *Taylor v. Pile*, 154 Colo. 516, 391 P.2d 670 (1964).

This statute places upon those who would incorporate territory into a municipality the burden of seeking the consent of owners of 40 acres or more. *Hiwan Ranch v. City of Lakewood*, 31 Colo. App. 471, 505 P.2d 16 (1972).

Or else tract not included in city. Absent laches, equitable estoppel, or the running of an applicable statute of limitations, city’s failure to obtain the consent of an owner of more than 40 acres of land precludes it from including this tract of land within city boundaries. *Hiwan Ranch v. City of Lakewood*, 31 Colo. App. 471, 505 P.2d 16 (1972).

Mere notice does not obviate consent requirement. Although an owner of more than 40 acres of land may have notice (actual or constructive) of proposed incorporation, notice alone is not sufficient to obviate the necessity of city’s obtaining consent from owner as required by statute. *Hiwan Ranch v. City of Lakewood*, 31 Colo. App. 471, 505 P.2d 16 (1972).

Consent provision as basis for asking a court to decree correct boundaries. Where plaintiff is not attacking incorporation proce-

dures, but is only questioning boundaries of a city, plaintiff is entitled to rely on that portion of the incorporation statute which provides that its consent must be obtained before its land is included within the city, and it may make timely application to the court to decree the correct boundaries, so the statute of limitations contained is not applicable to this action. *Hiwan Ranch v. City of Lakewood*, 31 Colo. App. 471, 505 P.2d 16 (1972).

Signatories to a petition for incorporation must be registered electors, landowners, and

residents of the territory sought to be incorporated. *Malmgren v. Copper Mountain, Inc.*, 873 P.2d 44 (Colo. App. 1994).

Petition for incorporation must contain allegations that signatories are landowners within the territory sought to be incorporated regardless of whether it is filed alone or with a petition for home rule charter. *Malmgren v. Copper Mountain, Inc.*, 873 P.2d 44 (Colo. App. 1994).

Applied in *Glennon Heights, Inc. v. Central Bank & Trust*, 658 P.2d 872 (Colo. 1983).

31-2-102. Incorporation election. (1) If the district court finds and determines that the territory described in the petition and the petition itself meet the requirements of this part 1, it shall appoint not less than five nor more than nine commissioners, who shall be registered electors residing within the territory described in the petition. Each commissioner, within ten days after his appointment, shall signify by affidavit to the court his intent to serve as commissioner. The commissioners shall hold a meeting within ten days after their acceptance and shall elect a chairman and such other officers as they may determine advisable to assist them in the performance of their duties. A majority of the commissioners appointed shall constitute a quorum at any meeting for the purpose of carrying out their legal duties. Such commissioners, within ten days following their acceptance, by resolution setting the date and time therefor, shall call an election of all the registered electors residing within the territory embraced within said territory, such election to be held not later than ninety days after the date of the call thereof, except as provided in this section. The chairman or other officer of the commissioners shall promptly report to the court, by affidavit, the provisions of the call for election.

(1.5) At any election for the incorporation of a new municipality, the commissioners shall also place upon the ballot any local government matters arising under section 20 of article X of the state constitution, as defined in section 1-41-103 (4), C.R.S., as applied to the new municipality, if the petition filed pursuant to section 31-2-101 requests that such matters be submitted at the incorporation election. Notwithstanding the provisions of subsection (5) of this section, any incorporation election at which a local government matter arising under section 20 of article X of the state constitution is submitted shall be conducted at the time and in the manner required by section 20 of article X of the state constitution.

(2) The commissioners shall establish one or more precincts within said limits and shall designate one polling place for each precinct. The precincts shall consist of one or more whole general election precincts wherever practicable. The chairman shall forthwith certify the precinct boundaries to the county clerk and recorder of the county in which such territory is located. The county clerk and recorder shall prepare a registration list for each precinct in the manner provided in the "Colorado Municipal Election Code of 1965".

(3) Registration and changes of address may be made with the county clerk and recorder up to and including the twenty-ninth day prior to the election. The county clerk and recorder, in his or her discretion, may conduct registration from time to time up to and including such twenty-ninth day prior to the election within the proposed municipal boundaries.

(4) The notice of such an election shall be given by the commissioners in the manner prescribed by the "Colorado Municipal Election Code of 1965". Such notice shall include a description of the limits of the proposed town or city and shall state that the description and plat thereof are on file in the office of the clerk of the district court.

(5) The commissioners shall conduct the election in conformity with the provisions of the "Colorado Municipal Election Code of 1965" insofar as applicable. The commissioners shall act as judges and clerks of the election, and the chairman may appoint such additional judges and clerks of election as he deems necessary. The commissioners shall report the results of the election to the court within three days following the election. The ballots or voting machine tabs used at said election shall be "For Incorporation" and "Against Incorporation".

(6) If more than one proposal is to be voted upon at the election and no proposal receives a majority of favorable votes, all the submitted proposals shall fail; and, if there is a tie in the number of favorable votes cast for any proposals, such proposals shall be voted upon in a runoff election.

Source: **L. 75:** Entire title R&RE, p. 1009, § 1, effective July 1. **L. 87:** (3) amended, p. 326, § 74, effective July 1. **L. 94:** (1.5) added, p. 1190, § 87, effective July 1; (3) amended, p. 1772, § 35, effective January 1, 1995. **L. 95:** (3) amended, p. 856, § 95, effective July 1.

Editor's note: This section is similar to former § 31-1-104 as it existed prior to 1975.

Cross references: For the "Colorado Municipal Election Code of 1965", see article 10 of this title.

ANNOTATION

Annotator's note. Since § 31-2-102 is similar to former § 31-1-104 prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, relevant cases construing those provisions have been included in the annotations to this section.

If a petition is fatally defective on its face, the district court does not have jurisdiction to order an election and should dismiss the petition. In re Incorporation of North Boulder v. Sisson, 167 Colo. 549, 448 P.2d 308 (1969).

It is within the power of the district court to issue an order staying an originally scheduled election, and the district court had the power to order a new election on a date agreeable to the commissioners. Wiltgen v. Berg, 164 Colo. 139, 435 P.2d 378 (1967).

That a petition to a district court for the appointment of commissioners to call the election is obtained secretly is immaterial, since under this section there is no requirement for publicity, in view of the fact that the question of incorporating is required to be submitted to a public vote of the citizens interested. Guebelle v. Epley, 1 Colo. App. 199, 28 P. 89 (1891).

Proceedings challenged by quo warranto. Under this section contest of validity of proceedings incorporating a town cannot be inau-

gured by filing objections thereto in the district court in which the incorporation proceedings were had, as such contest has to be made by quo warranto. Velasquez v. Zimmerman, 30 Colo. 355, 70 P. 419 (1902).

Enjoining of properly filed election improper. After the inhabitants of a part of a county sought to be incorporated into a town have complied with all the requirements of this section, and the commissioners appointed by the district court have called an election to determine the question of so incorporating by the votes of all the qualified electors residing within the territory embraced in the proposed town, a court has no jurisdiction to enjoin such election, and disobedience of such an injunction is not punishable as contempt. Guebelle v. Epley, 1 Colo. App. 199, 28 P. 89 (1891).

Proceeding first filed has priority over second proceeding. Incorporation proceedings are judicial in nature, the usual rules apply concerning the duties of a court with respect to dual actions involving the same subject matter and substantially the same parties, the action first filed has a "priority of jurisdiction", and the second action must be stayed until the first is finally determined. Wiltgen v. Berg, 164 Colo. 139, 435 P.2d 378 (1967).

31-2-103. Approval of incorporation election. (1) Within three days after the election, the commissioners shall file a report thereof with the court, which report shall be verified upon the oath or affirmation of each commissioner and which shall contain the following:

- (a) A certification that the election was held in accordance with the law;
- (b) A copy of the notice of the election, as published;
- (c) The names of the judges of the election;
- (d) The whole number of votes cast in the election; and
- (e) The result declared on the proposal submitted as reflected by the votes cast for and against such proposal.

(2) If it appears to the court that said election was substantially regular and fair and a majority of the ballots cast at such election were for incorporation, the court shall by order adjudge said petition and election to be valid. The clerk of the court shall thereupon give notice of the result by publication in a newspaper of general circulation in the county or, if no newspaper is published in the county, by posting in five public places within the limits

of the proposed city or town. In such notice he shall designate to which classification of incorporation prescribed in section 31-1-203 the city or town belongs. Three certified copies of the notice, with proper proof of its publication, together with a certified copy of all papers and record entries relating to the matter on file in the clerk of the court's office, including a legal description and a map of the area concerned, shall be filed in the office of the county clerk and recorder of each of the counties in which the territory is situate. The county clerk and recorder shall file the second certified copy of such notice with the division of local government of the department of local affairs as provided in section 24-32-109, C.R.S., and file a third certified copy of said notice in the office of the secretary of state.

Source: L. 75: Entire title R&RE, p. 1010, § 1, effective July 1. L. 84: (2) amended, p. 829, § 1, effective March 22.

Editor's note: This section is similar to former § 31-1-105 as it existed prior to 1975.

ANNOTATION

Annotator's note. Since § 31-2-103 is similar to former § 31-1-105 prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, relevant cases construing those provisions have been included in the annotations to this section.

Court's purely judicial role. Since the enactment of this section, the function of a district court in incorporation proceedings is clearly judicial. *People ex rel. Wilson v. Blake*, 128 Colo. 111, 260 P.2d 592 (1953).

Incorporation order mandatory when procedure fair and regular. When it appeared to the district judge that the petition for incorporation was substantially conformable to law and that said election was substantially regular and fair, and a majority of the ballots cast at such election was in favor of incorporation, it was mandatory upon the judge to order and adjudge that the incorporation be complete. *Fiant v. Town of Naturita*, 127 Colo. 571, 259 P.2d 278 (1953).

An order entered by a county court declaring the incorporation of a town is a final judgment. *People ex rel. Wilson v. Blake*, 128 Colo. 111, 260 P.2d 592 (1953).

The particular grounds on which the incorporation, organization, or annexation may be attacked by a quo warranto proceeding include fraud in obtaining the charter or in the incorporation, organization, or annexation proceedings, lack of jurisdiction of such proceedings and the invalidity, on its face, of an order establishing a district; but, except on these grounds, a quo warranto proceeding cannot be maintained for the purpose of attacking the judicial action or determination of a court or judge in the incorporation, organization, or annexation proceedings, and, in some jurisdictions, a like rule obtains as to the findings of a board or officer in such proceedings. *People ex rel. Wil-*

son v. Blake, 128 Colo. 111, 260 P.2d 592 (1953).

Restricted availability. Quo warranto being an extraordinary and highly prerogative writ, its issuance may be attained only on behalf of the state or, under closely restricted circumstances, upon relation of individuals possessing a special interest. *People ex rel. Wilson v. Blake*, 128 Colo. 111, 260 P.2d 592 (1953).

Fraud, to form the basis of a quo warranto proceeding, must be extrinsic or collateral fraud, and reliance may not be had upon those matters intrinsically connected with the hearing or proceeding itself, or which could be, or should have been, determined therein. *People ex rel. Wilson v. Blake*, 128 Colo. 111, 260 P.2d 592 (1953).

The sufficiency of the original petition for incorporation cannot be attacked after an election has been held thereon and the qualified electors have spoken. *Enos v. District Court*, 124 Colo. 335, 238 P.2d 861 (1951).

Objectors must participate in court proceeding. There is no reason why those who object to the incorporation of a town should not enter appearance in the proceeding in the district court and there present their protests. A hearing thereon in regular manner would make for orderly proceedings on direct issues and forestall round-about attacks in an effort to accomplish indirectly that which could much better be pursued by direct method and having entered appearance and protest, in event of adverse judgment, review by writ of error would be in order. Neither is this the only avenue available where it is contended that the county court was without or exceeded its jurisdiction, or abused its discretion, since C.R.C.P. 106 (a)(4) provides a "plain, speedy, and adequate remedy". *People ex rel. Wilson v. Blake*, 128 Colo. 111, 260 P.2d 592 (1953).

For history of section, see *Enos v. District Court*, 124 Colo. 335, 238 P.2d 861 (1951).

31-2-104. Organization of new city or town. (1) After the filing of the record in the proper offices by the clerk of the court, the commissioners mentioned in section 31-2-102, in the case of a city, by resolution, shall divide the city into wards in accordance with the provisions of section 31-4-104, and the commissioners may, in the case of a town, similarly divide such town into wards. Each ward shall contain at least one precinct, and no precinct or part thereof shall be located within more than one ward. Precinct boundaries shall be the same as those established pursuant to section 31-2-102. Said resolution shall be filed with the clerk of the district court; but the first governing body shall have authority by ordinance to change the boundaries and number of wards prior to the next regular election.

(2) The commissioners by their chairman, at least four weeks before the date of the first election of officers, shall give preliminary notice thereof by publication in newspapers selected in the manner prescribed by the "Colorado Municipal Election Code of 1965". Such notice shall contain the following information:

(a) The time when the election will be held and the precinct boundaries and location of the polling place for each precinct;

(b) A description of the boundaries of the wards, if there are wards;

(c) The officers then to be elected;

(d) The fact that candidates for office may be nominated and their names placed on the ballot in accordance with the petition requirements set out in the "Colorado Municipal Election Code of 1965";

(e) The last date on which nomination petitions may be filed;

(f) The last date registration and changes of address may be made with the county clerk and recorder; and

(g) The qualifications for persons to vote in the election.

(3) Registration and changes of address may be made in the office of the county clerk and recorder up to and including the twenty-ninth day prior to election day. The county clerk and recorder has authority in his or her sole discretion, from time to time up to and including the twenty-ninth day prior to the election of officers as provided in this section, to conduct registration within the proposed corporate limits. Each nomination petition shall be filed with the clerk of the district court. Nominating petitions shall be made and filed and vacancies in nomination shall be filled in accordance with the "Colorado Municipal Election Code of 1965".

(4) At least ten days before the election, the commissioners by their chairman shall give notice of the election in the manner prescribed by the "Colorado Municipal Election Code of 1965".

(5) At such election the registered electors of such city or town residing within the limits of such city or town shall choose officers therefor, to hold their offices until the first regular election. The commissioners shall act as judges and clerks of the election; but the chairman may appoint such additional judges and clerks as he deems necessary for the proper conduct of the election. The election shall be conducted by the commissioners in the manner prescribed by the "Colorado Municipal Election Code of 1965", insofar as applicable.

(6) Candidates for election and elected officers shall bear the same qualifications for office as required of candidates and officers of a city or town as the case may be.

(7) All costs and expenses connected with such incorporation proceedings, including all election expenses and fees for necessary legal expenses, shall be paid by the governing body of the newly incorporated city or town within one year from the date of incorporation.

Source: L. 75: Entire title R&RE, p. 1011, § 1, effective July 1. L. 87: (3) amended, p. 326, § 75, effective July 1. L. 94: (3) amended, p. 1772, § 36, effective January 1, 1995. L. 95: (3) amended, p. 856, § 26, effective July 1.

Editor's note: This section is similar to former § 31-1-106 as it existed prior to 1975.

Cross references: For the "Colorado Municipal Election Code of 1965", see article 10 of this title.

31-2-105. Incorporation complete - first ordinances - when effective. (1) When certified copies of the papers and record entries are made and filed, as required by section 31-2-103, and officers are elected and qualified for such city or town, as provided in section 31-2-104, the incorporation thereof shall be complete, and all courts thereafter shall take due notice of the fact of such corporate status in all judicial proceedings.

(2) No ordinance enacted by the governing body of such city or town at the first meeting of such body shall take effect until thirty days after passage and publication, as provided in section 31-16-105.

Source: L. 75: Entire title R&RE, p. 1012, § 1, effective July 1.

Editor's note: This section is similar to former § 31-1-107 as it existed prior to 1975.

ANNOTATION

Applied in *Norton v. People ex rel. Rudbeck*, 102 Colo. 489, 81 P.2d 393 (1938).

31-2-106. Legal incorporation - validation - dedication of public property. (1) Any city or town which is formed, organized, or incorporated and which exercises the rights and powers of a city or town and has in office a governing body exercising its duties is deemed legally incorporated. The legality of such formation or organization shall not be legally denied or questioned after six months from the date thereof; it is deemed a legally incorporated city or town; and its formation, organization, or incorporation shall not thereafter be questioned.

(2) All cities and towns organized pursuant to the general laws of this state prior to July 1, 1975, are hereby validated, and the proceedings adopted therein, and obligations incurred by such cities and towns are hereby validated and confirmed.

(3) All streets, parks, and other places designated or described as for public use on the map or plat of any city or town are public property, and the fee title thereto is vested in such city or town.

Source: L. 75: Entire title R&RE, p. 1012, § 1, effective July 1.

Editor's note: This section is similar to former §§ 31-1-108 and 31-1-109 as they existed prior to 1975.

ANNOTATION

- I. General Consideration.
- II. Public Dedication.

I. GENERAL CONSIDERATION.

Annotator's note. Since § 31-2-106 is similar to former §§ 31-1-108 and 31-1-109 prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, relevant cases construing those provisions have been included in the annotations to this section.

Legal existence conclusively presumed. The legal existence of a municipal corporation will be conclusively presumed under this section when, without question, a board of municipal officers exercising their official duties has been maintained for more than one year (now six months). *People v. Curley*, 5 Colo. 412 (1880).

Where it appears that a town, acting as such, has, for more than 12 years, exercised the powers of a municipal corporation, and for more than two years has had a full complement of officials, exercising their offices, the regularity of its organization is conclusively presumed. *Lavelle v. Town of Julesburg*, 49 Colo. 290, 112 P. 774 (1910).

Compliance with § 31-2-105 prerequisite to application of this section. Where a decree rendered under § 31-1-105 (now § 31-2-103) recited that a town was adjudged incorporated "upon the further compliance with the law in such cases made and provided", the quoted phrase had reference to § 31-3-107 (now § 31-2-105) and a compliance with the provisions thereof was necessary before the limitation prescribed by this section would begin to run. *Nor-*

ton v. People ex rel. Rudbeck, 102 Colo. 489, 81 P.2d 393 (1938).

II. PUBLIC DEDICATION.

Law reviews. For article, "Resubdividing and Replatting", see 28 Rocky Mt. L. Rev. 529 (1956). For note, "Ownership of Streets and Rights of Abutting Land — Owners in Colorado", see 40 Den. L. Ctr. J. 26 (1963).

Annotator's note. For additional annotations concerning the dedication of public property, see § 31-23-107.

The intent and purpose of subsection (3) is to clothe the city in its governmental capacity with the entire title to the streets, as such, for public use, and not for the "profit or emolument of the city". *City of Leadville v. Bohn Mining Co.*, 37 Colo. 248, 86 P. 1038 (1906).

Upon the incorporation of a town, all avenues, streets, and alleys appearing on the map annexed to the petition for incorporation became public property and the fee thereof became vested in the town. *Brell v. Ovid*, 88 Colo. 198, 293 P. 961 (1930).

Subsection (3) applies only to cities and towns and does not apply to county or state highways. *Buell v. Redding Miller, Inc.*, 163 Colo. 286, 430 P.2d 471 (1967).

Term "fee" means a "complete" title in city. Because under subsection (3) the general assembly intended, by the use of the term "street", to vest in the city such estate or interest as is reasonable necessary to enable it to utilize the surface and so much of the ground underneath as might be required for laying gas pipes, building sewers, and other municipal purposes. In other words, the general assembly used the term "fee", not according to its technical legal meaning, but as vesting in the city a com-

plete, perpetual, and continuous title to the space designated as streets, so long as it used them for the purpose intended. *City of Leadville v. Bohn Mining Co.*, 37 Colo. 248, 86 P. 1038 (1906).

The fee passes by statutory dedication, unburden of a trust. *City of Leadville v. Colo. Mining Co.*, 29 Colo. 17, 67 P. 289 (1901).

But a city has no interest in the ores that may exist under a street. *City of Leadville v. Bohn Mining Co.*, 37 Colo. 248, 86 P. 1038 (1906).

Where, in an action to recover lands formerly included in certain streets alleged to have reverted to the original grantor, it appears from the complaint that the map or plat of the town was duly recorded in the office of the recorder of the county and that the plats of the streets in controversy were also duly recorded, it will be presumed as against the pleader that all the plats mentioned were made, certified, acknowledged, and recorded as required by law; and from a further allegation that this town was later included in another town duly incorporated, it will be presumed that the limits of the latter town were extended in the manner recognized by law, and that the title to said streets dedicated by the plats became vested therein by statutory dedication, which divests the original grantor of title without acceptance by the town, in accordance with this section. *Bothwell v. Denver Union Stockyards Co.*, 39 Colo. 221, 90 P. 1127 (1907).

No statutory dedication. When a plat plan specifically excludes an avenue from the dedication of other streets and avenues to public use, no statutory dedication of the excluded avenue has taken place. *State Dept. of Highways v. Town of Silverthorne*, 707 P.2d 1017 (Colo. App. 1985), cert. dismissed, 736 P.2d 411 (1987).

31-2-107. Adoption of home rule charter upon incorporation. A city or town may be organized as a home rule city or town upon incorporation, in which event the form of the petition and the proceedings attendant upon the election of commissioners and other matters relating thereto shall be governed by the provisions of section 31-2-209.

Source: L. 75: Entire title R&RE, p. 1013, § 1, effective July 1.

Editor's note: This section is similar to former § 31-1-111 as it existed prior to 1975.

31-2-108. Continued county services. (1) The county within which any newly incorporated city or town, or any part thereof, lies and the officers thereof shall continue to perform all duties and responsibilities within such territory as required by law and shall:

(a) Continue to apply all zoning, subdivision, and other regulations within the municipal limits of such city or town for a period of ninety days after the election of officers in accordance with section 31-2-104 or until superseded by ordinance, whichever is sooner; and

(b) Continue to provide to such territory and its inhabitants, upon request by the governing body of such city or town, the same services it was providing, which services shall be continued to be rendered until the ad valorem taxes levied by such city or town for

the rendering of such services are collected and become available, but in no event for a period longer than one year subsequent to the date of the city's or town's incorporation.

Source: L. 75: Entire title R&RE, p. 1013, § 1, effective July 1.

Editor's note: This section is similar to former §§ 31-1-107 and 31-1-110 as they existed prior to 1975.

ANNOTATION

For validity of extension of county zoning regulations to newly incorporated municipal

territory, see Allred v. City of Lakewood, 40 Colo. App. 238, 576 P.2d 186 (1977).

31-2-109. Assessment - taxes - collection. When any municipality incorporates under the provisions of this title or any municipality reorganizes under the provisions of part 3 of this article after the time for making the annual assessment for taxation has passed, the governing body of each such city or town may provide, by ordinance or resolution, for the assessment of taxable property within the corporate limits of said city or town. When such assessment is made and approved by the governing body, it may proceed to levy the necessary taxes for the fiscal year, which levy shall be certified by the clerk of such city or town to the county assessor, who shall extend the same upon the tax list of the current year, as required by section 31-20-104. The county treasurer shall proceed in the collection of such taxes in all respects as provided by law for the collection of taxes in cities and towns. It is not necessary for any such city or town to pass the annual appropriation ordinance or resolution required by section 29-1-108, C.R.S. This section shall apply only to the assessment and collection of taxes for the first fiscal year after such incorporation or reorganization.

Source: L. 75: Entire title R&RE, p. 1013, § 1, effective July 1. L. 90: Entire section amended, p. 1435, § 3, effective January 1, 1991.

Editor's note: This section is similar to former § 31-4-109 as it existed prior to 1975.

PART 2

MUNICIPAL HOME RULE

Cross references: For home rule cities and towns, see article XX of the state constitution; for home rule counties, see article 35 of title 30.

31-2-201. Short title. This part 2 shall be known and may be cited as the "Municipal Home Rule Act of 1971".

Source: L. 75: Entire title R&RE, p. 1013, § 1, effective July 1.

Editor's note: This section is similar to former § 31-2-101 as it existed prior to 1975.

31-2-202. Legislative declaration. The general assembly declares that the policies and procedures contained in this part 2 are enacted to implement section 9 of article XX of the state constitution, adopted at the 1970 general election, by providing statutory procedures to facilitate adoption and amendment of municipal home rule charters, and, to this end, this part 2 shall be liberally construed. The provisions of this part 2 shall supersede the requirements of article XX of the state constitution, as they relate to procedures for the initial adoption of home rule charters and for the amendment of existing home rule charters, as provided in section 9 (3) of article XX of the state constitution.

Source: L. 75: Entire title R&RE, p. 1013, § 1, effective July 1. **L. 94:** Entire section amended, p. 1191, § 88, effective July 1.

Editor's note: This section is similar to former § 31-2-102 as it existed prior to 1975.

31-2-203. Definitions. As used in this part 2, unless the context otherwise requires:

- (1) "Ballot title" means a ballot title as defined in section 31-11-103 (1).
- (2) "Publication" means one publication in one newspaper of general circulation within the municipality. If there is no such newspaper, publication shall be by posting in at least three public places within the municipality.

Source: L. 75: Entire title R&RE, p. 1014, § 1, effective July 1. **L. 2000:** Entire section amended, p. 791, § 4, effective August 2.

Editor's note: This section is similar to former § 31-1-103 (2) as it existed prior to 1975.

31-2-204. Initiation of home rule. (1) Proceedings to adopt a home rule charter for a municipality may be initiated:

- (a) By the submission of a petition, signed by at least five percent of the registered electors of the municipality, to the governing body thereof; or
- (b) By the adoption of an ordinance by the governing body of the municipality, without the prior submission of a petition therefor.

(2) Within thirty days after the initiation of the proceedings, in accordance with either paragraph (a) or (b) of subsection (1) of this section, the governing body of the municipality shall call an election for the purpose of forming a charter commission and of electing members thereof to frame a charter for the municipality, which election shall be held within one hundred twenty days after the date of the call of the election. The governing body shall cause notice of the election to be published not less than sixty days prior to the election.

(3) Candidates for the charter commission shall be nominated by filing with the clerk, on forms supplied by the clerk, a nomination petition signed by at least twenty-five registered electors and a statement by the candidate of consent to serve if elected. Said petition and statement shall be filed within thirty days after publication of the election notice. A second notice of the election, as soon as possible after the completion of filings, shall be published by the governing body and shall include the names of candidates for the charter commission.

Source: L. 75: Entire title R&RE, p. 1014, § 1, effective July 1. **L. 84:** (1)(a) amended, p. 831, § 1, effective April 25. **L. 85:** (1)(a) amended, p. 1346, § 13, effective April 30.

Editor's note: This section is similar to former § 31-2-104 as it existed prior to 1975.

31-2-205. Election on formation of charter commission and designation of members. (1) At the election voters shall cast ballots for or against forming the charter commission. If a majority of the registered electors voting thereon vote for forming the charter commission, a commission to frame a charter shall be deemed formed.

(2) At the election voters shall also cast ballots for electing the requisite number of charter commission members. Those candidates receiving the highest number of votes shall be elected. In the event of tie votes for the last available vacancy, the clerk shall determine by lot the person who shall be elected.

Source: L. 75: Entire title R&RE, p. 1014, § 1, effective July 1.

Editor's note: This section is similar to former § 31-2-105 as it existed prior to 1975.

31-2-206. Charter commission. (1) The charter commission shall be comprised as follows:

- (a) In municipalities having a population of less than two thousand, nine members; and
- (b) In municipalities having a population of at least two thousand, nine members unless the initiating ordinance or petition establishes a higher odd-number of members not to exceed twenty-one members.

(c) (Deleted by amendment, L. 94, p. 1191, § 89, effective July 1, 1994.)

(2) If the petition or ordinance initiating home rule proceedings pursuant to section 31-2-204 (1) or initiating proceedings for forming a new charter commission pursuant to section 31-2-210 (2) specifies that the members of the charter commission shall be elected by and from single- or multi-member districts or by a combination of such districts and at-large representation, the governing body, prior to publishing the notice provided for in section 31-2-204 (2) or 31-2-210 (4), shall divide the municipality into compact districts of approximately equal population. In such event the members of said charter commission shall be elected by and from districts, or partly by and from districts and partly at large, as specified in said petition or ordinance.

(3) Eligibility to serve on the charter commission shall extend to all registered electors of the municipality. Any vacancy on the charter commission shall be filled by appointment of the governing body.

(4) The charter commission shall meet at a time and date set by the governing body, which shall be not more than twenty days subsequent to the certification of the election, for the purpose of organizing itself. At such meeting, the commission members shall elect a chairman, a secretary, and such other officers as they deem necessary, all of which officers shall be members of the commission. The commission may adopt rules of procedure for its operations and proceedings. A majority of the commission members shall constitute a quorum for transacting business. Further meetings of the commission shall be held upon call of the chairman or a majority of the members. All meetings shall be open to the public.

(5) The commission may employ a staff; consult and retain experts; and purchase, lease, or otherwise provide for such supplies, materials, and equipment as it deems necessary. Upon completion of its work, the commission shall be dissolved, and all property of the commission shall become the property of the municipality.

(6) The governing body may accept funds, grants, gifts, and services for the commission from the state of Colorado, or the United States government, or any agencies or departments thereof, or from any other public or private source.

(7) Reasonable expenses of the charter commission shall be paid out of the general funds of the municipality, upon written verification made by the commission chairman and secretary, and the governing body shall adopt such supplemental appropriation ordinances as may be necessary to support such expenditures. Members of the commission shall receive no compensation but may be reimbursed for actual and necessary expenses incurred in the performance of their duties.

(8) The charter commission may conduct interviews and make investigations in the preparation of a charter, and, to the fullest extent practicable, municipal officials and employees shall cooperate with the commission by providing information, advice, and assistance.

(9) The charter commission shall hold at least one public hearing in preparation of a proposed charter.

(10) Within one hundred eighty days after its election, the charter commission shall submit to the governing body a proposed charter.

Source: L. 75: Entire title R&RE, p. 1014, § 1, effective July 1. L. 81: (1)(b) amended and (1)(c) added, p. 1491, § 7, effective June 5. L. 94: (1) amended, p. 1191, § 89, effective July 1. L. 2009: (2) amended, (SB 09-292), ch. 369, p. 1977, § 106, effective August 5. L. 2011: (4) and (10) amended, (HB 11-1122), ch. 63, p. 164, § 1, effective September 1.

31-2-207. Charter election - notice. (1) Within thirty days after the date that the charter commission submits the proposed charter to it, the governing body shall publish and give notice of an election to determine whether the proposed charter shall be approved, which election shall be held not less than thirty nor more than one hundred eighty-five days after publication of the election thereof. Such notice of the election shall contain the full text of the proposed charter.

(1.5) The governing body shall set the ballot title for the proposed charter within sixty days after the date that the proposed charter is submitted pursuant to subsection (1) of this section.

(2) If a majority of the registered electors voting thereon vote to adopt the proposed charter, the charter shall be deemed approved and it shall become effective at such time as the charter provides.

(3) If a majority of the registered electors voting thereon vote to reject the proposed charter, the charter commission shall proceed to prepare a revised proposed charter, utilizing the procedures set forth in section 31-2-206, and the governing body shall submit the revised proposed charter to an election in the manner set forth in subsection (1) of this section. If a majority of the registered electors voting on such revised proposed charter vote to adopt the revised proposed charter, it shall be deemed approved and it shall become effective at such time as the revised charter provides. If a majority of the registered voters voting thereon vote to reject the revised proposed charter, the charter commission shall forthwith be dissolved.

Source: L. 75: Entire title R&RE, p. 1016, § 1, effective July 1. L. 2000: (1.5) added, p. 791, § 5, effective August 2. L. 2011: (1) amended, (HB 11-1122), ch. 63, p. 164, § 2, effective September 1.

Editor's note: This section is similar to former § 31-2-107 as it existed prior to 1975.

31-2-208. Filings - effect. (1) Within twenty days after its approval, a certified copy of the charter shall be filed with the secretary of state and with the clerk.

(2) Upon such filings all courts shall take judicial notice of the charter.

(3) This section shall also apply to any amendment or repeal of a charter.

Source: L. 75: Entire title R&RE, p. 1016, § 1, effective July 1.

Editor's note: This section is similar to former § 31-2-108 as it existed prior to 1975.

31-2-209. Special procedure for adopting a charter upon incorporation. (1) Proceedings to adopt a home rule charter may be initiated at the time of incorporation.

(2) In order to initiate home rule at the time of incorporation, the petition for incorporation shall be in the form and meet the requirements required by the provisions of section 31-2-101, except that:

(a) The petition shall be signed by at least five percent of the registered electors of the territory to be embraced within the boundaries of the proposed municipality, notwithstanding any provision of section 31-2-101; and

(b) The petition for incorporation shall request the initiation of proceedings for the adoption of a home rule charter pursuant to the provisions of this part 2.

(3) The election commissioners appointed by the court pursuant to section 31-2-102 shall exercise, to the extent practicable, the powers, functions, and responsibilities otherwise assigned by this part 2 to the governing body or clerk, and the procedures for incorporation and adoption of a home rule charter shall be modified as necessary to effectuate concurrent consideration.

(4) At the incorporation election, conducted under the provisions of section 31-2-102, the registered electors shall vote upon:

(a) The question of incorporation, as set forth in section 31-2-102 (5);

(b) The question of whether a charter commission should be formed, as set forth in section 31-2-205 (1); and

(c) The election of charter commission members, as set forth in section 31-2-205 (2).

(5) If a majority of the registered electors voting thereon vote for incorporation and for formation of a charter commission, the first election of officers shall be stayed pending drafting and approval of the charter pursuant to sections 31-2-206 and 31-2-207. Upon ratification of the charter or after rejection of a charter and revised charter pursuant to section 31-2-207, the election commissioners shall proceed to the first election of officers and to completion of incorporation pursuant to part 1 of this article.

(6) If a majority of the registered electors voting thereon vote for incorporation but against the formation of a charter commission, the procedures set forth in part 1 of this article shall be followed as if the petition for incorporation had not included a request for the adoption of home rule at the time of incorporation.

Source: **L. 75:** Entire title R&RE, p. 1016, § 1, effective July 1. **L. 84:** (2)(a) amended, p. 831, § 2, effective April 15. **L. 85:** (2)(a) amended, p. 1346, § 14, effective April 30.

Editor's note: This section is similar to former § 31-2-109 as it existed prior to 1975.

ANNOTATION

General Assembly's purpose in enacting subsection (2) was to ensure that request for initiation of home rule proceedings filed at same time as petition for incorporation does not ignore the independent statutory requirements for obtaining home rule status. *Malmgren v. Copper Mountain, Inc.*, 873 P.2d 44 (Colo. App. 1994).

A proceeding to obtain a home rule charter may be initiated at the same time a petition for incorporation is filed. *Malmgren v. Copper Mountain, Inc.*, 873 P.2d 44 (Colo. App. 1994).

The requirements for obtaining a home rule charter are the same regardless of whether a charter is sought after incorporation or at the same time a petition for incor-

poration is filed. *Malmgren v. Copper Mountain, Inc.*, 873 P.2d 44 (Colo. App. 1994).

Unlike the signatories to a petition for incorporation, signatories to a petition for home rule charter need not demonstrate that they are landowners. *Malmgren v. Copper Mountain, Inc.*, 873 P.2d 44 (Colo. App. 1994).

Petition for incorporation must contain allegations that signatories are landowners within the territory sought to be incorporated regardless of whether it is filed alone or with a petition for home rule charter. *Malmgren v. Copper Mountain, Inc.*, 873 P.2d 44 (Colo. App. 1994).

31-2-210. Procedure to amend or repeal charter. (1) Proceedings to amend a home rule charter may be initiated by either of the following methods:

(a) Filing of a petition meeting the following requirements, in the following manner:

(I) The petition process shall be commenced by filing with the clerk a statement of intent to circulate a petition, signed by at least five registered electors of the municipality. The petition shall be circulated for a period not to exceed ninety days from the date of filing of the statement of intent and shall be filed with the clerk before the close of business on the ninetieth day from said date of filing or on the next business day when said ninetieth day is a Saturday, Sunday, or legal holiday.

(II) The petition shall contain the text of the proposed amendment and shall state whether the proposed amendment is sought to be submitted at the next regular election or at a special election. If the amendment is sought to be submitted at a special election, the petition shall state an approximate date for such special election, subject to the provisions of subparagraph (IV) of this paragraph (a) and subsection (4) of this section.

(III) A petition to submit an amendment at the next regular election must be signed by at least five percent of the registered electors of the municipality registered on the date of filing the statement of intent and must be filed with the clerk at least ninety days prior to the date of said regular election.

(IV) A petition to submit an amendment at a special election must be signed by at least ten percent of the registered electors of the municipality registered on the date of filing the statement of intent and must be filed with the clerk at least ninety days prior to the approximate date of the special election stated in the petition.

(b) An ordinance adopted by the governing body submitting the proposed amendment to a vote of the registered electors of the municipality. Such ordinance shall also adopt a ballot title for the proposed amendment.

(2) Proceedings to repeal a home rule charter or to form a new charter commission may be initiated by either of the following methods:

(a) Filing of a petition in the manner prescribed by, and meeting the requirements of, paragraph (a) of subsection (1) of this section; except that:

(I) The petition shall state the proposal to repeal the charter or to form a new charter commission;

(II) The petition must be signed by at least fifteen percent of the registered electors of the municipality, regardless of whether the petition seeks submission of the proposal at a regular or special election; and

(III) If the proposal is for formation of a charter commission, the petition must be filed with the clerk at least ninety days prior to the date of the regular election or the approximate date stated in the petition for a special election, as the case may be.

(b) An ordinance adopted by a two-thirds vote of the governing body submitting the proposed repeal or formation of a charter commission to a vote of the registered electors of the municipality.

(3) The clerk shall, within fifteen working days after the filing of a petition pursuant to paragraph (a) of subsection (1) of this section or paragraph (a) of subsection (2) of this section, certify to the governing body as to the validity and sufficiency of such petition. If the petition is sufficient, the governing body shall set a ballot title for the proposed amendment at its next meeting. If the petition is declared insufficient, such petition may be withdrawn by a majority of the persons representing the registered electors who signed such petition, may be amended or signed by additional registered electors of the municipality in accordance with paragraph (a) of subsection (1) of this section and paragraph (a) of subsection (2) of this section within fifteen days after such insufficiency is declared, and may be refiled as an original petition.

(3.5) If the subject matter of the petition is proposed for submission at a regular or special election that will be coordinated by the county clerk pursuant to section 1-7-116, C.R.S., and the municipal clerk has certified to the governing body that the petition is valid and sufficient, the clerk shall certify the proposed ballot question to the county clerk and recorder sixty days prior to the coordinated election as provided in section 1-5-203 (3), C.R.S., unless the petition has by the sixtieth day been determined to be insufficient pursuant to section 31-2-223. Should the petition be found to be insufficient pursuant to section 31-2-223 following certification to the county clerk and recorder, the election on such question shall be deemed cancelled, and any votes cast on the question shall not be counted.

(4) The governing body shall, within thirty days of the date of adoption of the ordinance or the date of filing of the petition (if the same is certified by the clerk to be valid and sufficient), publish notice of an election upon the amendment or proposal, which notice shall contain the full text of the amendment or statement of the proposal as contained in the ordinance or petition. The election shall be held not less than thirty nor more than one hundred twenty days after publication of such notice; except that, if the proposal is for formation of a charter commission, the election shall be held not less than sixty days after publication of such notice. If the amendment or proposal is initiated by petition and is sought to be submitted at a special election, the election shall be held as near as possible to the approximate date stated in the petition but in any event shall be held within the time limits stated in this subsection (4).

(5) The procedure for the forming and functioning of a new charter commission shall comply as nearly as practicable with sections 31-2-204 to 31-2-207, relating to formation and functioning of an initial charter commission.

(6) If a majority of the registered electors voting thereon vote for a proposed amendment, the amendment shall be deemed approved. If a majority of the registered electors voting thereon vote for repeal of the charter, the charter shall be deemed repealed and the municipality shall proceed to organize and operate pursuant to the statutes applicable to a municipality of its size.

Source: **L. 75:** Entire title R&RE, p. 1017, § 1, effective July 1. **L. 79:** Entire section R&RE, p. 1170, § 2, effective July 1. **L. 85:** (1)(a)(I), (1)(a)(II), (1)(a)(IV), and (2)(a)(II) amended, p. 1346, § 15, effective July 1. **L. 96:** (1)(a)(III) and (1)(a)(IV) amended and (3.5) added, p. 1767, § 61, effective July 1. **L. 2000:** (1)(b) and (3) amended, p. 791, § 6, effective August 2. **L. 2007:** (3.5) amended, p. 2046, § 84, effective June 1.

Editor's note: This section is similar to former § 31-2-110 as it existed prior to 1975.

ANNOTATION

The governing body of a home rule city may initiate proceedings to amend the home rule charter by adopting an ordinance to submit the proposed amendment to the voters of the municipality. *Wilde v. City of Wheat Ridge*, 967 P.2d 213 (Colo. App. 1998).

"To submit" means to present and leave to the judgment of the qualified voters. *Wilde v. City of Wheat Ridge*, 967 P.2d 213 (Colo. App. 1998).

Expiration of emergency ordinance did not invalidate the results of the election since defendants had submitted the proposed charter amendment to the voters prior to the expiration of the emergency ordinance by fulfilling all of the election duties that could be performed before the day of the election. *Wilde v. City of Wheat Ridge*, 967 P.2d 213 (Colo. App. 1998).

31-2-211. Elections - general. (1) Except as otherwise specifically provided, all elections held pursuant to this part 2 shall be conducted as nearly as practicable in conformity with the provisions of the "Colorado Municipal Election Code of 1965".

(2) All necessary expenses for elections conducted pursuant to this part 2 for existing municipalities or for municipalities incorporated pursuant to part 1 of this article shall be paid out of the treasury of the municipality.

(3) A special election shall be called for any election held pursuant to this part 2 when a regular election is not scheduled within the time period provided for such election.

Source: **L. 75:** Entire title R&RE, p. 1017, § 1, effective July 1.

Editor's note: This section is similar to former § 31-2-111 as it existed prior to 1975.

Cross references: For the "Colorado Municipal Election Code of 1965", see article 10 of this title.

ANNOTATION

Charter provision granting the right to vote to nonresident property owners does not violate the municipal home rule act. *May v.*

Town of Mountain Vill., 969 P.2d 790 (Colo. App. 1998).

31-2-212. Initiative, referendum, and recall. Every charter shall contain procedures for the initiative and referendum of measures and for the recall of officers.

Source: **L. 75:** Entire title R&RE, p. 1018, § 1, effective July 1.

Editor's note: This section is similar to former § 31-2-112 as it existed prior to 1975.

31-2-213. Determination of population. When a determination of the population or number of registered electors of the municipality is required under this part 2, said determination shall be made upon the best readily available information by the governing body, clerk, election commissioners, or court, as the case may be. Such determination shall be final in the absence of fraud or gross abuse of discretion.

Source: **L. 75:** Entire title R&RE, p. 1018, § 1, effective July 1. **L. 84:** Entire section amended, p. 831, § 3, effective April 25. **L. 85:** Entire section amended, p. 1346, § 16, effective April 30.

Editor's note: This section is similar to former § 31-2-113 as it existed prior to 1975.

31-2-214. Time limit on submission of similar proposals. No proposal for a charter commission, charter amendment, or repeal of a charter shall be initiated within twelve months after rejection of a substantially similar proposal.

Source: L. 75: Entire title R&RE, p. 1018, § 1, effective July 1.

Editor's note: This section is similar to former § 31-2-114 as it existed prior to 1975.

31-2-215. Conflicting or alternative charter proposals. (1) In submitting any charter or charter amendment, any alternative provision may be submitted for the choice of the voters and may be voted on separately without prejudice to others. The alternative provision receiving the highest number of votes, if approved by a majority of the registered electors voting thereon, shall be deemed approved.

(2) In case of adoption of conflicting provisions which are not submitted as alternatives, the one which receives the greatest number of affirmative votes shall prevail in all particulars as to which there is conflict.

Editor's note: This section is similar to former § 31-2-115 as it existed prior to 1975.

31-2-216. Change in classification of municipalities. Notwithstanding the provisions of part 2 of article 1 of this title, a town having a population exceeding two thousand may reclassify itself as a city, and a city having a population of two thousand or less may reclassify itself as a town, upon adoption of a home rule charter without otherwise complying with the procedures in said part 2.

Source: L. 75: Entire title R&RE, p. 1018, § 1, effective July 1. **L. 81:** Entire section amended, p. 1491, § 8, effective June 5.

Editor's note: This section is similar to former § 31-2-116 as it existed prior to 1975.

31-2-217. Vested rights saved. The adoption of any charter, charter amendment, or repeal thereof shall not be construed to destroy any property right, contract right, or right of action of any nature or kind, civil or criminal, vested in or against the municipality under and by virtue of any provision of law theretofore existing or otherwise accruing to the municipality; but all such rights shall vest in and inure to the municipality or to any persons asserting any such claims against the municipality as fully and as completely as though the charter, amendment, or repeal thereof had not been adopted. Such adoption shall never be construed to affect any such right existing between the municipality and any person.

Source: L. 75: Entire title R&RE, p. 1018, § 1, effective July 1.

Editor's note: This section is similar to former § 31-2-117 as it existed prior to 1975.

31-2-218. Finality. No proceeding contesting the adoption of a charter, charter amendment, or repeal thereof shall be brought unless commenced within forty-five days after the election adopting the measure.

Source: L. 75: Entire title R&RE, p. 1018, § 1, effective July 1.

Editor's note: This section is similar to former § 31-2-118 as it existed prior to 1975.

ANNOTATION

The 45-day provision refers to the contest of a charter amendment which allegedly had been adopted with procedural defects. *City of Aurora v. Aurora Firefighters' Protective Ass'n*, 193 Colo. 437, 566 P.2d 1356 (1977).

constitutionality of the substance of an amendment. *City of Aurora v. Aurora Firefighters' Protective Ass'n*, 193 Colo. 437, 566 P.2d 1356 (1977).

And the courts are not thereby ousted of jurisdiction to subsequently determine the

31-2-219. Additional petition requirements. Any petition to initiate the adoption, amendment, or repeal of a municipal home rule charter, including the formation of a new charter commission, shall be subject to the provisions of sections 31-2-220 to 31-2-225, in addition to any other requirements imposed by this part 2. Any such petition which fails to conform to the requirements of this part 2 or is circulated in a manner other than that permitted in this part 2 is invalid.

Source: L. 84: Entire section added, p. 832, § 5, effective April 25.

31-2-220. Warning on petition - signatures - affidavits - circulators. (1) At the top of each page of a petition to initiate the adoption, amendment, or repeal of a municipal home rule charter, including the formation of a new charter commission, shall be printed, in plain red letters no smaller than the impression of ten-point, bold-faced type, the following:

**“WARNING:
IT IS AGAINST THE LAW:**

For anyone to sign any petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to sign such petition when not a registered elector.

**DO NOT SIGN THIS PETITION UNLESS YOU ARE A
REGISTERED ELECTOR:**

TO BE A REGISTERED ELECTOR, YOU MUST BE:

1. At least eighteen years of age.
2. A citizen of the United States.
3. A resident of the state of Colorado and have resided in the state at least thirty days.
4. A resident of the municipal election precinct in which you live for at least thirty days.
5. Registered to vote pursuant to part 2 of article 2 of title 1, Colorado Revised Statutes.

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.”

(2) Any such petition shall be signed only by registered electors by their own signatures to which shall be attached the residence addresses of such persons, including street and number, if any, city or town, and the date of signing the same. To each such petition shall be attached an affidavit of the person who circulated the petition stating the affiant's address, that the affiant is eighteen years of age or older, that the affiant circulated the said petition, that each signature thereon was affixed in the affiant's presence, that each signature thereon is the signature of the person whose name it purports to be, that to the best of the knowledge and belief of the affiant each of the persons signing said petition was at the time of signing a registered elector, and that the affiant has not paid or will not in the future pay and that the affiant believes that no other person has so paid or will pay, directly or

indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix the signer's signature to such petition. No petition shall be accepted for filing that does not have attached thereto the affidavit required by this section.

(3) (Deleted by amendment, L. 2000, p. 792, § 7, effective August 2, 2000.)

(4) The clerk shall inspect timely filed petitions and attached affidavits to ensure compliance with subsection (2) of this section. Such inspection may consist of an examination of the information on the signature lines for patent defects, a comparison of the information on the signature lines with a list of registered electors provided by the county, or any other method of inspection reasonably expected to ensure compliance with subsection (2) of this section.

Source: L. 84: Entire section added, p. 832, § 5, effective April 25. **L. 85:** (1) and (2) amended, p. 1347, § 17, effective April 30. **L. 92:** (1) amended, p. 2177, § 38, effective June 2. **L. 94:** (1) amended, p. 1772, § 37, effective January 1, 1995. **L. 96:** (2) amended, p. 1768, § 62, effective July 1. **L. 2000:** (2) and (3) amended and (4) added, p. 792, § 7, effective August 2.

31-2-221. Form of petition - representatives of signers. (1) Petitions to initiate the adoption, amendment, or repeal of a home rule charter, including the formation of a new charter commission, shall be printed on pages eight and one-half inches wide by eleven inches long, with a margin of two inches at the top for binding; the sheets for signature shall have their ruled lines numbered consecutively and shall be attached to a complete copy of what is proposed, printed in plain block letters no smaller than the impression of eight-point type. Petitions may consist of any number of sections composed of sheets arranged as provided in this section. Each petition shall designate by name and address not less than three nor more than five registered electors who shall represent the signers thereof in all matters affecting the same. No such petition shall be printed, published, or otherwise circulated in a municipality until the clerk has approved it as to form only, and the clerk shall assure that the petition contains only the matters required by this part 2 and contains no extraneous material. The clerk shall approve or disapprove such form within five working days of submission. All such petitions shall be prenumbered serially, and the circulation of any petition described by this part 2 by any medium other than personally by a circulator is prohibited.

(2) Any disassembly of the petition which has the effect of separating the affidavits from the signatures shall render the petition invalid and of no force and effect. Prior to the time of filing, the persons designated in the petition to represent the signers shall attach the sheets containing the signatures and affidavits together, which shall be bound in convenient volumes together with the sheets containing the signatures accompanying the same.

Source: L. 84: Entire section added, p. 833, § 5, effective April 25.

31-2-222. Ballot. Proposals to adopt, amend, or repeal home rule charters, including the formation of a new charter commission, shall appear upon the official ballot by ballot title only and, if more than one, shall be numbered consecutively in such order as the governing body may provide and shall be printed on the official ballot in that order, together with their respective numbers prefixed in boldface type. Each ballot title shall appear once on the official ballot and shall be separated from the other ballot titles next to it by heavy black lines and shall be followed by the words "yes" and "no" as follows:

(HERE SHALL APPEAR THE
BALLOT TITLE IN FULL)

YES
NO

Source: L. 84: Entire section added, p. 834, § 5, effective April 25.

31-2-223. Affidavit - evidence - protest procedure. (1) All petitions to initiate the adoption, amendment, or repeal of a home rule charter, including the formation of a new charter commission, shall have attached thereto an affidavit of the circulator of the petition stating that each signature on the petition is the signature of the person whose name it purports to be and that to the best of the knowledge and belief of the affiant each of the persons signing such petition was at the time of signing a registered elector. A protest in writing, under oath, may be filed in the office in which such petition has been filed by some registered elector of the municipality or territory proposed to be incorporated within thirty days after such petition is filed, setting forth with particularity the grounds of such protest and the names protested. In such event the officer with whom such petition is filed shall mail a copy of the protest to the persons named in such petition as representing the signers thereof at the addresses therein given, together with a notice fixing a time for hearing the protest not less than five nor more than twenty days after such notice is mailed. If, at such hearing, such protest is denied in whole or in part, the person filing the same, within ten days after such denial, may file an amended protest, a copy of which shall be mailed to the persons named in the petition and on which a hearing shall be held as in the case of the original protest; but no person shall be entitled to amend an amended protest.

(2) All records and hearings shall be public, and all testimony shall be under oath. The officer with whom such petition is filed shall have the power to issue subpoenas to compel the attendance of witnesses and the production of documents. Upon failure of any witness to obey the subpoena, the officer may petition the district court, and, upon proper showing, the court may enter an order compelling the witness to appear and testify or produce documentary evidence. Failure to obey the order of court shall be punishable as a contempt of court. Hearings shall be had as soon as is conveniently possible and must be concluded within thirty days after the commencement thereof, and the result of such hearings shall be certified to the persons representing the signers of such petition. In case the petition is declared insufficient in form or number of signatures of registered electors, it may be withdrawn by a majority in number of the persons representing the signers of such petition and, within fifteen days after the insufficiency is declared, may be amended or additional names signed thereto as in the first instance and refiled as an original petition. The finding as to the sufficiency of any petition may be reviewed by the district court of the county in which such petition is filed, but any such review shall be timely made, and, upon application, the decision of such court thereon shall be reviewed by the supreme court.

31-2-224. Receiving money to circulate petition - penalty. (Repealed)

Source: **L. 84:** Entire section added, p. 835, § 5, effective April 25. **L. 89:** Entire section repealed, p. 861, § 156, effective July 1.

31-2-225. Unlawful acts - penalty. (1) With respect to any petition to initiate the adoption, amendment, or repeal of a home rule charter, including the formation of a new charter commission, it is unlawful:

(a) For any person willfully and knowingly to circulate or cause to be circulated or sign or procure to be signed any petition bearing the name, device, or motto of any person, organization, association, league, or political party, or purporting in any way to be endorsed, approved, or submitted by any person, organization, association, league, or political party, without the written consent, approval, and authorization of such person, organization, association, league, or political party;

(b) For any person to sign any name other than his own to any such petition or knowingly to sign his name more than once for the same measure at one election;

(c) For any person to sign any such petition who is not a registered elector of the municipality or of the territory proposed to be incorporated at the time of signing the same;

(d) For any person to sign any affidavit as circulator without knowing or reasonably believing the statements made in such affidavit to be true;

(e) For any person to certify that an affidavit attached to such petition was subscribed or sworn to before him unless it was so subscribed and sworn to before him and unless such person so certifying is duly qualified under the laws of this state to administer an oath; or

(f) For any person to do willfully any act in reviewing the petition or setting the ballot title which shall confuse or tend to confuse the issues submitted or proposed to be submitted at any election held under this part 2 or to refuse to submit any such petition in the form presented for submission at any election held under this part 2.

(2) Any person who violates any of the provisions of this section commits a class 2 misdemeanor and shall be punished as provided in section 18-1.3-501, C.R.S.

PART 3

REORGANIZATION OF CITIES AND TOWNS FORMED UNDER PRIOR LAW

Cross references: For notices required in municipal dissolution and new incorporation, see § 24-32-109.

31-2-301. Procedure. Any city or town incorporated prior to July 3, 1877, which has not previously reorganized pursuant to this part 3 may abandon its organization and organize itself under the provisions of this title, with the same territorial limits, by pursuing the course prescribed in this part 3.

Source: **L. 75:** Entire title R&RE, p. 1019, § 1, effective July 1.

Editor's note: This section is similar to former § 31-4-101 as it existed prior to 1975.

ANNOTATION

Annotator's note. Since § 31-2-301 is similar to former § 31-4-101 prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, a relevant case construing a prior provision has been included in the annotations to this section.

Where a town has never exercised the privilege of this section or the following sections, its original charter is the sole measure of its powers, rights, and liabilities, except insofar as

that charter has been amended or is in conflict with the constitution. *Georgetown v. Bank of Idaho Springs*, 99 Colo. 519, 64 P.2d 132 (1936).

Section does not apply unless it can be demonstrated that a city or town was incorporated prior to July 3, 1877. *Residents & Registered Electors of Town of Frankstown v. Bd. of County Comm'rs*, 214 P.3d 485 (Colo. App. 2008).

31-2-302. Petition - election. Upon the petition of the registered electors of any such town or city equal in number to ten percent of the votes cast for all candidates for mayor at the last preceding regular election, the governing body thereof shall immediately, by ordinance or resolution, call a special election on the question of organizing under this title. Such question shall be submitted to the registered electors of the city or town at a special election to be held on the date set by the governing body and conducted in accordance with the provisions of the "Colorado Municipal Election Code of 1965", insofar as possible.

Source: **L. 75:** Entire title R&RE, p. 1019, § 1, effective July 1. **L. 87:** Entire section amended, p. 326, § 76, effective July 1.

Editor's note: This section is similar to former § 31-4-102 as it existed prior to 1975.

Cross references: For the "Colorado Municipal Election Code of 1965", see article 10 of this title.

31-2-303. Notice of election. The mayor or, if there is no mayor, the presiding officer of the governing body, immediately upon the effective date of the ordinance or resolution, shall cause notice to be given of the election, of the question to be submitted thereat, and of the time and place of the holding thereof, which notice shall be published once each week for four consecutive weeks in some newspaper of general circulation within the city or town. If there is no such newspaper, publication shall be by posting a copy of said notice in three public places within the municipal limits.

Source: **L. 75:** Entire title R&RE, p. 1019, § 1, effective July 1.

Editor's note: This section is similar to former § 31-4-103 as it existed prior to 1975.

31-2-304. Ballot. The form of ballot or voting machine tabs at such election shall be: "For Municipal Organization Under the General Law" and "Against Municipal Organization Under the General Law".

Source: **L. 75:** Entire title R&RE, p. 1019, § 1, effective July 1.

Editor's note: This section is similar to former § 31-4-104 as it existed prior to 1975.

31-2-305. Election of officers - terms. If a majority of the votes cast at such election are for organization under this title, the governing body shall immediately call a special election for the election of officers for such reorganized city or town. Such election shall be conducted in accordance with the provisions of the "Colorado Municipal Election Code of 1965". After the election and qualification of such officers, the former organization of such city or town shall be considered as abandoned, and such city or town shall be considered as organized under the provisions of this title. The officers so elected shall hold their offices only until the next regular election in such city or town.

Source: **L. 75:** Entire title R&RE, p. 1019, § 1, effective July 1.

Editor's note: This section is similar to former § 31-4-105 as it existed prior to 1975.

Cross references: For the "Colorado Municipal Election Code of 1965", see article 10 of this title.

31-2-306. No similar proposal for one year. If a majority of the votes cast at such election are against organization under this title, no petition for another vote upon such question shall be accepted less than one year after such vote.

Source: **L. 75:** Entire title R&RE, p. 1019, § 1, effective July 1.

Editor's note: This section is similar to former § 31-4-103 as it existed prior to 1975.

31-2-307. Property remains vested - rights - cumulative remedy. All rights and property of every description vested in any city or town under its former organization shall be deemed and held to be vested in the reorganized city or town. No right or liability, either in favor of or against such city or town, existing at the time and no suit or prosecution of any kind shall be affected by such change. Where a different remedy is given by this title

which can properly be made applicable to any right existing at the time such change is made, the same shall be deemed cumulative to any other remedies available prior to such change and may be used accordingly.

Source: L. 75: Entire title R&RE, p. 1019, § 1, effective July 1.

Editor's note: This section is similar to former § 31-4-106 as it existed prior to 1975.

31-2-308. Duty of county treasurer - sale - redemption. If any city or town abandons its old organization and incorporates under this title, it is the duty of the county treasurer to collect, in the same manner as other taxes are collected, any taxes of such city or town which, at the time of such incorporation, have become due or delinquent. If property has been sold before such reorganization for taxes due any such city or town and the same has not been redeemed nor the deed executed therefor prior to incorporation, it is the duty of the county treasurer to act in all respects regarding the redemption of such property, the collection of taxes thereon, and the execution of the deed therefor as though the same had been sold subsequent to such reorganization.

Source: L. 75: Entire title R&RE, p. 1019, § 1, effective July 1.

Editor's note: This section is similar to former § 31-4-108 as it existed prior to 1975.

31-2-309. Ordinances remain effective. When any city or town incorporated prior to July 3, 1877, reorganizes under this title, the bylaws and ordinances adopted and in force in such city or town previous to such reorganization shall remain in full force and effect for all purposes until the same are changed, amended, or repealed by the governing body elected under the new organization.

Source: L. 75: Entire title R&RE, p. 1020, § 1, effective July 1.

Editor's note: This section is similar to former § 31-4-110 as it existed prior to 1975.

PART 4

CHANGE OF NAME

31-2-401. Petition to change name. Proceedings to change the name of any city or town in this state may be initiated by filing with the governing body thereof a written petition therefor, which petition shall be signed by registered electors thereof equal in number to fifty percent of the total votes cast for all candidates for mayor in the last regular election of the city or town, requesting that the name of the city or town be changed.

Source: L. 75: Entire title R&RE, p. 1020, § 1, effective July 1. **L. 87:** Entire section amended, p. 326, § 77, effective July 1.

Editor's note: This section is similar to former § 31-1-301 as it existed prior to 1975.

31-2-402. Name filed with secretary of state. After the presentation of the petition mentioned in section 31-2-401, the name proposed to be given to such city or town shall be filed by the clerk in the office of the secretary of state, to be retained there for a period of at least thirty days, and, upon application, the secretary of state, at any time after the expiration of said thirty days from said filing, shall grant a certificate stating that such name has not been given to any other municipality in this state if such is the fact. If such name has been adopted by any other municipality, as appears from the records in his office, the secretary of state shall so notify the clerk filing such name in his office, in which event no further proceedings shall be undertaken unless another petition, setting forth a different

proposed name, is filed, which such different proposed name shall likewise be filed with the secretary of state. No further proceedings for a change of name shall be commenced until a certificate is received from the secretary of state attesting that the proposed name has not been adopted elsewhere in this state.

Source: L. 75: Entire title R&RE, p. 1020, § 1, effective July 1.

Editor's note: This section is similar to former § 31-1-302 as it existed prior to 1975.

31-2-403. Secretary to keep alphabetical list. The secretary of state shall ascertain the names of all the municipalities within this state and shall arrange such names in alphabetical order for convenient reference. Such list of names shall be kept filed in his office and shall be changed when a change of name is effected under the provisions of this part 4.

Source: L. 75: Entire title R&RE, p. 1020, § 1, effective July 1.

Editor's note: This section is similar to former § 31-1-303 as it existed prior to 1975.

31-2-404. Notice of hearing on petition. At any meeting of the governing body of any city or town after the presentation of the petition, the governing body shall fix the time when the petition shall be considered and order notice of the presentation thereof to be given by publishing such notice once each week for three successive weeks in some newspaper having a general circulation in such city or town. If there is no such newspaper, publication shall be by posting a copy of said notice in three public places within the municipal limits. Such notice shall state that a change of the name of such city or town has been petitioned for and the time when action on said petition will be had, at which time remonstrances, if any, will be heard.

Source: L. 75: Entire title R&RE, p. 1020, § 1, effective July 1.

Editor's note: This section is similar to former § 31-1-304 as it existed prior to 1975.

31-2-405. Hearing postponed. If for any reason at the time fixed in the notice provided for in section 31-2-404 action thereon is not taken, such petition for a change of name shall be heard, with all remonstrances, at any subsequent meeting of the governing body of any such city or town. If said governing body is satisfied that such change of name is necessary and proper, they shall thereupon make an order changing the name of such city or town and adopting the name petitioned for in the petition.

Source: L. 75: Entire title R&RE, p. 1021, § 1, effective July 1.

Editor's note: This section is similar to former § 31-1-305 as it existed prior to 1975.

31-2-406. Secretary to give notice. If said change of name is made or if any new city or town is incorporated, the governing body of any such city or town shall cause a copy of the order making such change or fixing the name of such new city or town to be filed in the office of the secretary of state, who shall thereupon make known such facts by publication in some newspaper of general circulation in the county in which such city or town is situated.

Source: L. 75: Entire title R&RE, p. 1021, § 1, effective July 1.

Editor's note: This section is similar to former § 31-1-306 as it existed prior to 1975.

31-2-407. Change does not affect liability. Nothing in this part 4 shall affect the rights, privileges, or liabilities of such city or town, or those of any person, as the same existed

before such change of name. All proceedings pending in any court or place in favor of or against said city or town may be continued to final consummation under the name in which the same were commenced.

Source: **L. 75:** Entire title R&RE, p. 1021, § 1, effective July 1.

Editor’s note: This section is similar to former § 31-1-307 as it existed prior to 1975.

ARTICLE 3

Discontinuance of Incorporation

PART 1		31-3-106.	County clerk and recorder to publish - posting.
DISCONTINUANCE - CITIES AND TOWNS			
		PART 2	
31-3-101.	Petition to the district court.	ABANDONMENT - TOWNS	
31-3-102.	Form of ballots.		
31-3-103.	Return - canvass - costs.		
31-3-104.	Discontinuance - when effective - legal indebtedness - tax.	31-3-201.	Procedure for determination of abandonment.
31-3-105.	Books deposited - court records.	31-3-202.	Consequences of determination.

PART 1

DISCONTINUANCE - CITIES AND TOWNS

31-3-101. Petition to the district court. Proceedings to discontinue the incorporation of any city or town may be commenced by the filing of a petition to discontinue such incorporation, signed by twenty-five percent of the registered electors of the city or town, with the district court of the county wherein such city or town, or any part thereof, is situate. Upon satisfying itself that the petition meets the requirements of this section, the court shall cause a notice to be published once each week for at least four weeks, which notice shall state that the question of discontinuing the incorporation of such city or town shall be submitted to a vote of the registered electors thereof at its next regular election.

Editor’s note: This section is similar to former § 31-9-101 as it existed prior to 1975.

31-3-102. Form of ballots. The form of ballots shall be “For the incorporation” and “Against the incorporation”.

Source: **L. 75:** Entire title R&RE, p. 1021, § 1, effective July 1.

Editor’s note: This section is similar to former § 31-9-102 as it existed prior to 1975.

31-3-103. Return - canvass - costs. The vote for this purpose shall be taken, canvassed, and returned in the same manner as in other municipal elections. All expenses of the

same shall be paid by the city or town when the result of the vote is "Against the incorporation" but by the petitioners when the result is "For incorporation".

Source: L. 75: Entire title R&RE, p. 1021, § 1, effective July 1.

Editor's note: This section is similar to former § 31-9-104 as it existed prior to 1975.

Cross references: For municipal elections, see article 10 of this title.

31-3-104. Discontinuance - when effective - legal indebtedness - tax. If two-thirds of the total votes cast upon such question are cast "Against incorporation", the incorporation of the city or town shall be discontinued; except that no such discontinuance shall be effective until such time as the governing body of the city or town has made proper provisions for the payment of all of its indebtedness and for the faithful performance of all its contractual and other obligations, levied the requisite taxes, and appropriated the requisite funds therefor and until two certified copies of notice of such action with a legal description accompanied by a map of the area concerned are filed by the city or town with the county clerk and recorder of the county in which such action has taken place. The county clerk and recorder shall file the second certified copy of such notice with the division of local government of the department of local affairs as provided by section 24-32-109, C.R.S. For the payment of its indebtedness, the city or town shall issue warrants in cases where there is no money in the treasury. The county treasurer shall collect the tax which is levied to pay such indebtedness as he collects other taxes and shall pay the warrants. Any surplus of this fund shall be transmitted to the school fund of the district where the same is levied.

Source: L. 75: Entire title R&RE, p. 1021, § 1, effective July 1.

Editor's note: This section is similar to former §§ 31-9-103 and 31-9-107 as they existed prior to 1975.

31-3-105. Books deposited - court records. The books, documents, records, papers, and corporate seal of any city or town so discontinued shall be deposited with the county clerk and recorder of the county with which the petition was filed, for safekeeping and reference in the future.

Editor's note: This section is similar to former § 31-9-105 as it existed prior to 1975.

31-3-106. County clerk and recorder to publish - posting. When the incorporation of any city or town has been discontinued in accordance with the provisions of this part 1, the county clerk and recorder of each county in which the city or town, or any part thereof, was situate shall publish notice of such discontinuance of incorporation once each week for at least four weeks in some newspaper published within the county, or, if no newspaper is published within the county, said county clerk and recorder shall post notice thereof in three public places within the county for a period of not less than thirty calendar days. Said county clerk and recorder shall also certify the fact of discontinuance of incorporation to the secretary of state.

Source: L. 75: Entire title R&RE, p. 1022, § 1, effective July 1.

Editor's note: This section is similar to former § 31-9-106 as it existed prior to 1975.

PART 2

ABANDONMENT - TOWNS

31-3-201. Procedure for determination of abandonment. (1) When any town has failed, for a period of five years or longer immediately prior to the filing of the application

under this section, to hold any regular or special election or to elect officers and to maintain any town government, such town may be determined to be abandoned as follows:

(a) The county attorney of the county in which the town is located or any owner of land in such town may make application to the secretary of state to determine that the town is abandoned.

(b) The secretary of state shall forthwith cause notice of the filing of such application to be published once in some newspaper of general circulation in the county and, where possible, to be posted in at least two conspicuous locations within the town. The notice shall specify the date, time, and place where said application will be heard, which date shall be not less than twenty days after the date of such publication.

(c) The secretary of state shall hear such application and, after receiving evidence thereon, shall determine whether or not said town has been abandoned. If he determines that the town is abandoned, a copy of such determination shall be filed with the county clerk and recorder of the county in which said town was located. Thereupon, said town shall cease to exist.

(d) The books, documents, records, papers, and corporate seal of any town so abandoned shall be deposited with the county clerk and recorder of the county within which the town or any part thereof is located, for safekeeping and reference in the future.

Source: L. 75: Entire title R&RE, p. 1022, § 1, effective July 1.

Editor's note: This section is similar to former § 31-9-201 as it existed prior to 1975.

ANNOTATION

Annotator's note. Since § 31-3-201 is similar to former § 31-9-201 prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, a relevant case construing a prior provision has been included in the annotations to this section.

No election is provided whereby the electorate, by vote, can determine whether a town and its government has ceased to exist. *Evans v. District Court*, 182 Colo. 93, 511 P.2d 471 (1973).

31-3-202. Consequences of determination. (1) After such determination, all existing streets, avenues, and alleys previously located within an abandoned town shall be vested in the board of county commissioners of the county in which said town was located. The board of county commissioners may thereafter vacate any such streets, avenues, or alleys pursuant to part 3 of article 2 of title 43, C.R.S.

(2) Notwithstanding the provisions of section 31-3-201, any debt or other obligations of such town outstanding at the time of such determination of abandonment shall not be abrogated, nor shall any requirement be abrogated or avoided that has been imposed upon such town by the environmental protection agency, by any court, or by any other instrumentality of the state or federal government. The town shall continue in existence solely for the purpose of satisfying such outstanding debt or other obligations or other requirements, and the powers and duties of the governing body of the town and its officers shall be performed by the board of county commissioners and the county officers in such levy and collection of taxes or the imposition and collection of such fees, rates, and charges as may be required to satisfy the outstanding debt or other obligations or other requirements in accordance with their terms.

(3) Except as to streets, avenues, alleys, or reversionary interests, the right, title, and interest to all real property and the improvements thereon owned by any such town shall be vested in the county in which such property is situate, subject to any easements or rights-of-way then in use.

PART 4**REQUIREMENTS AND COMPENSATION OF OFFICERS**

- 31-4-401. Oath of officers - bonds - waiver - declaring office vacant.
- 31-4-402. New bond.
- 31-4-403. Lawful pay only for governing bodies.
- 31-4-404. Not to be appointed to office.
- 31-4-405. Emoluments not to be increased.
- 31-4-406. Territorial corporations - compensation fixed by electors.
- 31-4-407. Penalty for receiving illegal compensation.

PART 5**OFFICERS' RECALL**

- 31-4-501. Officers subject to recall.

31-4-502.	Procedure - petition - signatures.	31-4-504.5.	Incumbent not recalled - reimbursement.
31-4-503.	Petition in sections - signing - affidavit - review - tampering with petition.	31-4-505.	Recall after six months - second petition.
31-4-504.	Resignation - vacancy filled - election - ballot - nomination.	31-4-506.	Disclosure of contributions, contributions in kind, and expenditures. (Repealed)
		31-4-507.	Powers of clerk and deputy.

PART 1

ORGANIZATIONAL STRUCTURE AND OFFICERS
OF STATUTORY CITIES

31-4-101. Corporate authority vested. (1) The corporate and municipal authority of cities shall be vested in a governing body, to be denominated the city council, together with such officers as may be created under the authority of this title.

(2) The city council shall possess all the legislative powers granted to cities by law and other corporate powers of the city not conferred by law or by some ordinance of city council on some officer or agency of the city. The members of the city council shall have the management and control of the finances and all the property, real and personal, belonging to the corporation, and they shall determine the times and places of holding their meetings, which shall at all times be open to the public. The mayor and any three members may call special meetings by notice to each of the members of the city council personally served or left at his usual place of residence. The city council shall provide by ordinance for the appointment or for the election of such city officers, whose election or appointment has not been provided for by law, as are necessary for the good government of the city and for the due exercise of its municipal powers. All city officers whose terms of office are not prescribed in this title and whose powers and duties are not otherwise defined by law shall perform such duties, exercise such powers, and continue in office for such period, until their successors are appointed and qualified, as shall be prescribed by ordinance. All officers to be elected shall be elected at the regular election. The officers of cities shall receive such compensation and fees for their services as the city council shall by ordinance prescribe.

Source: L. 75: Entire title R&RE, p. 1023, § 1, effective July 1. L. 81: (1) amended, p. 1493, § 2, effective May 28.

Editor's note: This section is similar to former §§ 31-5-101 and 31-5-106 as they existed prior to 1975.

ANNOTATION

Annotator's note. Since § 31-4-101 is similar to former § 31-5-106 prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, relevant cases construing those provisions have been included in the annotations to this section.

Special meeting presumed legal and regularly called. Under this section when the record of a special meeting kept by the clerk shows that the meeting was called for the purpose of transacting the very business which was transacted, and that every member of the council was present and participated in the proceedings, the presumption is, in the absence of evidence to the contrary, that the meeting was a legal meeting

duly and regularly called. *City of Greeley v. Hamman*, 17 Colo. 30, 28 P. 460 (1891).

It is not required, under this section, that notice to the members or the record of service shall be preserved in any particular manner. Hence, when the record shows that a special meeting was called and held, it is to be presumed that the call was regular and that the service of notice was duly made as required by the statute, at least, until the contrary is proved. *City of Greeley v. Hamman*, 17 Colo. 30, 28 P. 460 (1891).

Applied in *Pikes Peak Power Co. v. City of Colo. Springs*, 105 F. 1 (8th Cir. 1900).

31-4-102. Mayor - qualifications and duties. (1) The mayor shall be elected at the regular election in the city. He or she shall be a registered elector who has resided within the limits of the city for a period of at least twelve consecutive months immediately preceding the date of the election; except that, in the case of annexation, any person who has resided within the annexed territory for the time prescribed in this subsection (1) shall be deemed to have met the residence requirements for the city to which the territory was annexed. The mayor shall hold the office for the term for which he or she has been elected or qualified. The mayor shall keep an office at some convenient place in the city, to be provided by the city council, and shall sign all documents which by statute or ordinance may require his or her signature.

(2) The mayor of the city shall be its chief executive officer and conservator of the peace, and it is his special duty to cause the ordinances and the regulations of the city to be faithfully and constantly obeyed. He shall supervise the conduct of all the officers of the city, examine the grounds of all reasonable complaints made against any of them, and cause any violations or neglect of duty to be promptly corrected or reported to the proper tribunal for punishment and correction. The mayor has and shall exercise, within the city limits, the powers conferred upon the sheriffs of counties to suppress disorders and keep the peace. He shall also perform such other duties compatible with the nature of his office as the city council may from time to time require.

(3) The mayor shall be the presiding officer of the city council and shall have the same voting powers as any member of said council. The mayor shall be considered a member of the governing body and the city council. However, a city may provide by ordinance that the mayor shall not be entitled to vote on any matter before the council, except in the case of a tie vote. If such an ordinance is adopted, it shall also provide that any ordinance adopted and all resolutions authorizing the expenditure of money or the entering into of a contract shall be subject to disapproval by the mayor as provided in section 31-16-104. Such an ordinance may provide or may be amended to provide that the mayor shall not be counted for purposes of determining a quorum or the requisite majority on any matter to be voted on by the council. Any such ordinance may be adopted, amended, or repealed only within the sixty days preceding the election of any mayor, to take effect upon such mayor's assumption of office.

Source: **L. 75:** Entire title R&RE, p. 1024, § 1, effective July 1. **L. 81:** (3) amended, p. 1493, § 3, effective May 28. **L. 83:** (1) amended, p. 1253, § 1, effective July 1. **L. 89:** (3) amended, p. 1287, § 3, effective April 6. **L. 2008:** (1) amended, p. 1252, § 3, effective August 5.

Editor's note: This section is similar to former §§ 31-5-102 and 31-5-103 as they existed prior to 1975. For a detailed comparison, see the comparative tables located in the back of the index.

31-4-103. Mayor - vacancy - appointment - mayor pro tem. (1) In case of the mayor's death, disability, resignation, or other vacation of his office, the city council may order a special election as soon as practicable to fill the vacancy until the term of office of a successor elected at the next regular election has commenced, as provided in section 31-4-105, and the city council may appoint some registered elector to act as mayor until such special election. Such special election shall be conducted in accordance with the provisions of the "Colorado Municipal Election Code of 1965". If the city council does not call a special election, it shall fill the vacancy by appointment until the term of office of a successor elected at the next regular election has commenced, as provided in section 31-4-105.

(2) The city council may appoint one of their own number acting mayor or mayor pro tem who is entitled to act as mayor in case the mayor is absent from the city or is for any reason temporarily unable to perform the duties of his office.

Source: **L. 75:** Entire title R&RE, p. 1024, § 1, effective July 1. **L. 79:** (1) amended, p. 1172, § 3, effective July 1. **L. 81:** (2) amended, p. 1494, § 4, effective May 28.

Editor's note: This section is similar to former §§ 31-5-103 and 31-5-106 as they existed prior to 1975. For a detailed comparison, see the comparative tables located in the back of the index.

Cross references: For the "Colorado Municipal Election Code of 1965", see article 10 of this title.

ANNOTATION

Annotator's note. Since § 31-4-103 is similar to former § 31-5-103 prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, relevant cases construing those provisions have been included in the annotations to this section.

A tie vote between candidates for the office of mayor did not create a vacancy in such office as to permit the city council to fill the vacancy under this section. *People ex rel. Dick v. Mosco*, 114 Colo. 464, 167 P.2d 949 (1946).

Lack of funds does not preclude special election. Where a vacancy occurs in the office of mayor of a city, the fact that the last annual

appropriation for election expenses was exhausted by the general election which followed it is no valid reason for the city council refusing to order a special election to fill the vacancy. *Rizer v. People*, 18 Colo. App. 40, 69 P. 315 (1902).

Mandamus lies. Under this section it is the duty of the city council to order such special election at its first regular session after a vacancy occurs, and in case of a failure or refusal to do so mandamus will lie to compel them to order such election. *Rizer v. People*, 18 Colo. App. 40, 69 P. 315 (1902).

31-4-104. Wards. Every city shall be divided by the city council into wards, and such wards shall be numbered consecutively beginning with the number one. The boundaries of said wards shall not be changed more often than once in six years, unless change is necessary to conform to constitutional apportionment requirements. Territory added to the city shall become a part of such ward or wards as may be determined by ordinance; but this shall not prevent apportionment to conform to constitutional requirements. The boundaries and number of wards shall be changed only by majority vote of all members elected to the governing body.

Source: L. 75: Entire title R&RE, p. 1025, § 1, effective July 1.

Editor's note: This section is similar to former § 31-5-104 as it existed prior to 1975.

31-4-105. Election of officers - terms. The registered electors of each city shall elect, at the regular election, a mayor, a clerk, and a city treasurer from the city at large. At the same election, the registered electors of each ward of the city shall elect two members of the city council. The election shall be conducted in accordance with the provisions of the "Colorado Municipal Election Code of 1965". The officers shall hold their respective offices for terms of two years, commencing at the first meeting of the governing body following the survey of election returns, unless the governing body provides by ordinance or resolution that terms shall commence on the first Monday after the first Tuesday in January following their election.

Source: L. 75: Entire title R&RE, p. 1025, § 1, effective July 1. L. 94: Entire section amended, p. 1191, § 90, effective July 1.

Editor's note: This section is similar to former § 31-3-101 (1) as it existed prior to 1975.

Cross references: For the "Colorado Municipal Election Code of 1965", see article 10 of this title.

ANNOTATION

Annotator's note. Since § 31-4-105 is similar to former § 31-3-101 (1) prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, a relevant case construing a

prior provision has been included in the annotations to this section.

Previous council continues in effect till official date. When the individuals elected to

membership in the city council on November 3, assumed to act as council members on November 12, they were not qualified to act officially, their term of office did not begin until the first Monday after the first Tuesday in January, and

the only city council authorized to act prior to that date was the city council as it was constituted at the time the ordinance was introduced and passed upon first reading. *Marshall v. City of Golden*, 147 Colo. 521, 363 P.2d 650 (1961).

31-4-106. Councilman - residence - vacancies. Each councilman shall have resided in the ward in which he is a candidate for a period of at least twelve consecutive months immediately preceding the date of the election and shall be a registered elector therein; except that, in case the boundaries of the ward are changed pursuant to section 31-2-104 or 31-4-104 or as a result of annexation, any person who has resided within territory added to the ward for the time prescribed in this section shall be deemed to have met the residence requirements for the ward to which the territory was added. If any councilman, during the term of his office, removes from or becomes a nonresident of the ward in which he was elected, he shall be deemed thereby to vacate his office, effective upon the adoption by the city council of a resolution declaring such vacancy to exist. If any vacancy occurs in the office of councilman because of death, resignation, or removal or for any other reason, the same shall be filled by appointment by a majority vote of the city council or by election as provided in section 31-4-108 (2) (b). A successor to the person so appointed or elected shall be elected at the next regular election.

Source: L. 75: Entire title R&RE, p. 1025, § 1, effective July 1. L. 79: Entire section amended, p. 1172, § 4, effective July 1. L. 83: Entire section amended, p. 1253, § 2, effective July 1.

Editor's note: This section is similar to former § 31-3-104 as it existed prior to 1975.

31-4-107. Appointment of officers - terms. (1) The members of the city council elected for each city at the meeting at which their terms commence, as provided in section 31-4-105, shall organize the city council. A majority of the total number of members is necessary to constitute a quorum for the transaction of business. They shall be judges of the election returns and qualification of their own members, and they shall determine the rules of their own proceedings. The city clerk shall keep a record of the proceedings, in such form as determined by the city council, which shall be open to the inspection and examination of any citizen. The councilmen may compel the attendance of absent members in such manner and under such penalties as they think fit to prescribe and shall elect from their own body a temporary president.

(2) (a) Upon taking office, or at such other time as may be provided by ordinance or resolution, the city council shall appoint a city attorney and shall appoint or provide for the appointment of such other officers as may be required by statute or ordinance and may appoint such other officers, including a city administrator, as may be necessary or desirable. One or more municipal judges shall be appointed in accordance with section 13-10-105 (1), C.R.S.

(b) One person may hold two or more appointive offices if provided by ordinance and if compatible with the interest of the city government as determined by the council. All officers of the city are subject to the control and direction of the mayor and may be removed by a vote of a majority of all members elected to the city council if appointed to serve at the pleasure of the city council or by such a vote on charges of incompetence, unfitness, neglect of duty, or insubordination, duly made and sustained, if appointed to serve for a term prescribed by ordinance; except that a municipal judge may be removed during his term of office only for cause, as set forth in section 13-10-105 (2), C.R.S. The council may provide by ordinance for the removal or suspension of any officer or employee, except the mayor, councilmen, clerk, treasurer, city administrator, city attorney, and municipal judge, by administrative proceeding presided over by a city officer or employee.

(3) The city council may provide by ordinance for four-year overlapping terms of office for council members. The ordinance may also provide for four-year terms for the mayor and other elective officers. The city council may reinstate the two-year terms provided in this

section by ordinance. Any ordinance passed pursuant to this subsection (3) shall be enacted at least one hundred eighty days before the next regular election and shall be subject, notwithstanding an emergency declaration, to referendum if the referendum is brought pursuant to section 31-11-105 or pursuant to an applicable municipal ordinance enacted in accordance with section 1 of article V of the state constitution. No ordinance enacted pursuant to this subsection (3) shall extend or reduce the term for which any person was elected. If any vacancy occurs in an office for which a four-year term is in effect pursuant to this subsection (3), such vacancy shall be filled as provided in sections 31-4-106 and 31-4-108 (2) (b). If the office in which the vacancy occurs is not an office for which a successor would otherwise have been elected at the next regular election, the term of office of the successor elected at that regular election shall be shortened so that the following regular election for said office is held at the time at which it would have been held if no vacancy had occurred.

(4) (a) The city council may submit, by ordinance or resolution, for the approval of the registered electors at a regular or special election a proposal that the position of city clerk or city treasurer, or both such positions, be made appointive rather than elective, the appointments to be made by the city council. Such measure shall be made to take effect in such manner as to avoid shortening or extending the terms of any persons elected to such offices. If approved, appointments to either of such offices shall be in the manner provided for other appointive offices.

(b) The city council may also, by ordinance or resolution, submit for the approval of the registered electors a proposal for returning the office of clerk or treasurer, or both, from appointive to elective status. No such proposal, if approved, shall extend or reduce the term for which any person holds office.

Source: **L. 75:** Entire title R&RE, p. 1025, § 1, effective July 1. **L. 77:** (2)(b) amended, p. 794, § 5, effective May 28. **L. 79:** (3) amended, p. 1173, § 5, effective July 1. **L. 81:** (2)(b) amended, p. 1494, § 5, effective May 28. **L. 83:** (3) amended, p. 1254, § 3, effective July 1. **L. 93:** (3) amended, p. 698, § 5, effective May 4. **L. 94:** (1) and (2)(a) amended, p. 1192, § 91, effective July 1. **L. 95:** (3) amended, p. 440, § 26, effective May 8.

Editor's note: The provisions of this section are similar to provisions of several former sections as they existed prior to 1975. For a detailed comparison, see the comparative tables located at the back of the index.

ANNOTATION

Annotator's note. Since § 31-4-107 is similar to former §§ 31-3-101 and 31-5-105 prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, relevant cases construing those provisions have been included in the annotations to this section.

Council intended as election tribunal. The general assembly intended, by the language used in this section, to designate the council in cities as the tribunal to try election contests between its members. *Booth v. County Court*, 18 Colo. 561, 33 P. 581 (1893).

Number of council votes required. Since this section contains no provision concerning the number of council votes required to elect city officials, a vote of a majority of the members present, there being a quorum, is sufficient to elect, and the weight of authority is to the effect that a majority vote need not be a majority of those voting and a quorum is in fact present. *People ex rel. Sanders v. Hendrick*, 93 Colo. 512, 27 P.2d 493 (1933).

Mayor's election cognizable. Since the power to try election contests between its members is by this section plainly lodged with the common council, and since the mayor, by the express terms of § 31-4-102, is designated a member thereof, the contest of his election is expressly made cognizable by that body. *Booth v. County Court*, 18 Colo. 561, 33 P. 581 (1893).

Concurrent judicial jurisdiction. Where the statute provides that the city council shall be the judge of the qualifications, election, and returns of its own members, the power given is declared to be simply cumulative, and the concurrent jurisdiction of the courts is maintained. *Wells v. People ex rel. Dolan*, 78 Colo. 77, 239 P. 726 (1925).

Suspension of rules by unanimous consent. Such rules as the council itself may adopt, and which it is authorized to adopt to govern its own proceedings, may properly be suspended by unanimous consent. *City of Greeley v. Hamman*, 17 Colo. 30, 28 P. 460 (1891).

Additional duties may be imposed on clerk. Under this section the council may, if they see fit so to do, impose upon the clerk, as clerk, in addition to those specified by statute, such other duties as, in their judgment, may be deemed appropriate. *Orman v. City of Pueblo*, 8 Colo. 292, 6 P. 931 (1885).

Such as receipt of license moneys. There is nothing in the statute directly imposing upon the city clerk the duty of receiving moneys paid for licenses authorized to be issued, but under this section the council are clearly empowered thereby to require of him the performance of

such duty. *Orman v. City of Pueblo*, 8 Colo. 292, 6 P. 931 (1885).

For a case discussing the qualifications of members of the city council as to their right to vote for the officers elected by the city council, see *People ex rel. Ralston v. Herring*, 30 Colo. 445, 71 P. 413 (1902).

For a case, under the former law, discussing the question of voting for aldermen by voters of their own wards or by voters of the entire city, see *Dunton v. People ex rel. Akin*, 36 Colo. 128, 87 P. 540 (1906).

31-4-108. Expulsion from city council - vacancies in other offices. (1) Any member of the city council may be expelled or removed from office, for good cause shown, by a vote of two-thirds of all the members elected to the city council, but he may not be removed a second time for the same offense.

(2) (a) In case any office of an appointive officer becomes vacant before the regular expiration of the term thereof, the vacancy shall be filled by the city council by appointment.

(b) In case any office of an elective officer becomes vacant before the regular expiration of the term thereof, the vacancy may be filled by the city council by appointment or by election until the term of office of a successor elected at the next regular election has commenced as provided in section 31-4-105. If the city council does not fill the vacancy by appointment or order an election within sixty days after the vacancy occurs, it shall order an election, subject to the municipal election code, as soon as practicable to fill the vacancy until the term of office of a successor elected at the next regular election has commenced as provided in section 31-4-105.

Source: **L. 75:** Entire title R&RE, p. 1026, § 1, effective July 1. **L. 83:** Entire section amended, p. 1254, § 4, effective July 1. **L. 88:** (2)(b) amended, p. 1125, § 4, effective April 4.

Editor's note: This section is similar to former § 31-5-108 as it existed prior to 1975.

31-4-109. Compensation and fees of officers. The mayor shall receive such compensation for his services as the city council, prior to his election, may fix as provided in this section. The city council, at least as early as the last monthly meeting before such regular municipal election, shall fix by ordinance the compensation and fees of members of the city council, including the compensation of the mayor and councilmen, for the period for which they will be elected or appointed if any change in said compensation is desirable. The city council shall neither increase nor diminish the compensation of any councilman or mayor during his term of office. Each person appointed to fill a vacancy in the office of mayor or councilman shall receive the same compensation as was established for the office when the vacancy occurred. All other officers of the city, together with all other employees of the city, shall receive such compensation as the city council may fix from time to time by ordinance or as may be established in a pay plan adopted by ordinance. The city council may from time to time contract for professional services and for such services pay such fees and charges as may be agreed upon.

Source: **L. 75:** Entire title R&RE, p. 1026, § 1, effective July 1.

Editor's note: This section is similar to former § 31-3-102 as it existed prior to 1975.

31-4-110. City clerk - duties - city seal. (1) The city clerk shall have the custody of all the laws and ordinances of the city council, shall keep a regular record of the proceedings of the city council, in such form as determined by the council, and shall perform such other

duties as may be required by statute or by the ordinances of the city. The clerk shall continue in office until a successor is appointed or elected and has complied with section 31-4-401.

(2) Each city council shall provide for the clerk's office a seal, which shall be the seal of the city, in the center of which shall be the word "Seal" and such other device as may be directed by ordinance and around the margin the name of the city and the state. Said seal shall be affixed to all transcripts, orders, or certificates which may be necessary or proper to authenticate under law or any ordinance of the city. For all attested certificates and transcripts other than those ordered by the city council, the same fees shall be paid to the clerk as are allowed to county officers for similar services.

Source: L. 75: Entire title R&RE, p. 1027, § 1, effective July 1. L. 83: (1) amended, p. 1255, § 5, effective July 1.

Editor's note: This section is similar to former §§ 31-5-105 and 31-5-107 as they existed prior to 1975. For a detailed comparison, see the comparative tables in the back of the index.

31-4-111. City treasurer - powers and duties. The city treasurer has such powers and shall perform such duties as are prescribed by the statutes of this state and by the ordinances of the city council not inconsistent therewith.

Source: L. 75: Entire title R&RE, p. 1027, § 1, effective July 1.

Editor's note: This section is similar to former § 31-3-103 as it existed prior to 1975.

31-4-112. Marshal or chief of police - duties. The marshal or chief of police shall execute and return, by himself or by any member of the police force, all writs and processes directed to him by the municipal judge in any case arising under a city ordinance. In criminal cases, quasi-criminal cases, or cases in violation of city ordinances, he may serve the same in any part of the county in which such city is situate. The marshal, chief of police, or any member of the police force shall suppress all riots, disturbances, and breaches of the peace, shall apprehend all disorderly persons in the city, and shall pursue and arrest any person fleeing from justice in any part of the state. He shall apprehend any person in the act of committing any offense against the laws of the state or ordinances of the city and, forthwith and without any warrant, bring such person before a municipal judge, county judge, or other competent authority for examination and trial pursuant to law. He has, in the discharge of his proper duties, powers and responsibilities similar to those which sheriffs have in like cases.

Editor's note: This section is similar to former § 31-3-105 as it existed prior to 1975.

31-4-112.1. Chief of police - permits for concealed weapons. (Repealed)

Source: L. 81: Entire section added, p. 1437, § 2, effective June 8. L. 2003: Entire section repealed, p. 650, § 9, effective May 17.

31-4-113. Terms of officers end upon adoption of charter. If any city adopts a charter pursuant to the provisions of article XX of the state constitution, the term of office of every officer of such city who has been elected or appointed pursuant to the general laws of this state or under the ordinances of such city shall terminate immediately upon the election and qualification of the elective officers provided for by such charter.

Editor's note: This section is similar to former § 31-5-109 as it existed prior to 1975.

PART 2

ORGANIZATIONAL STRUCTURE -
CITIES - CITY MANAGER FORM

31-4-201. Authority to reorganize - rights and powers. Any city may reorganize into a city council-city manager form of municipal government in accordance with the provisions of this part 2. However, no such city shall have conferred upon it by such reorganization any rights and powers except those rights and powers conferred upon cities by the general laws of this state.

Source: L. 75: Entire title R&RE, p. 1028, § 1, effective July 1.

Editor's note: This section is similar to former § 31-3-201 as it existed prior to 1975.

31-4-202. Petition - election. (1) When a petition, signed by five percent of the registered electors of the municipality, requesting an election on the question of adopting the city council-city manager form of government is presented to the city council, the city council shall adopt an ordinance calling for an election upon such question to be held within four calendar months from the date of the presentation of such petition. The petition shall state whether the mayor under such form of government shall be elected by and from among the members of the city council or from the city at large by a plurality of the votes cast for that office at the regular election. The question of adopting such form of government shall be submitted to the registered electors of the city at a special or regular election to be conducted in accordance with the provisions of the "Colorado Municipal Election Code of 1965".

(2) The mayor or, in case of the disability of the mayor, the mayor pro tem, immediately following the effective date of such ordinance, shall cause notice to be given of such election, which notice shall be given in the manner prescribed by the "Colorado Municipal Election Code of 1965".

(3) (a) If the petition requests that the mayor be elected by and from among the members of the city council, the question to be submitted at such election shall be: "Shall the City of _____ (name of city) reorganize by adopting the City Council-City Manager form of government as provided in part 2 of article 4 of title 31, Colorado Revised Statutes, with the mayor to be elected by and from among the members of the city council?". The form of ballot or voting machine tabs shall be: "For City Council-City Manager Form - Mayor elected by Council" and "Against City Council-City Manager Form - Mayor elected by Council".

(b) If the petition requests that the mayor be elected from the city at large by a plurality of the votes cast for that office at the regular election, the question to be submitted at such election shall be: "Shall the city of _____ (name of city) reorganize by adopting the City Council-City Manager form of government, as provided in part 2 of article 4 of title 31, Colorado Revised Statutes, with the mayor to be elected by a plurality of the votes cast for that office at the regular election?". The form of ballot or voting machine tabs shall be: "For City Council-City Manager Form - Mayor elected by Popular Vote" and "Against City Council-City Manager Form - Mayor elected by Popular Vote".

(4) The registered electors of any city which has previously reorganized into the city council-city manager form of government under this part 2 may, at any time, petition in the manner set forth in subsection (1) of this section for an election on:

(a) Returning to the original mayor-council form of government;

(b) Retaining the city council-city manager form of government but with the mayor to be elected by a plurality of the votes cast for that office at the regular election rather than elected by and from among the members of the city council; or

(c) Retaining the city council-city manager form of government but with the mayor to be elected by and from among the members of the city council.

Source: **L. 75:** Entire title R&RE, p. 1028, § 1, effective July 1. **L. 87:** (1) amended, p. 327, § 79, effective July 1. **L. 89:** (1) and (3) amended and (4) added, p. 1288, § 4, effective April 6.

Editor's note: This section is similar to former § 31-3-202 as it existed prior to 1975.

Cross references: For the "Colorado Municipal Election Code of 1965", see article 10 of this title.

31-4-203. Majority vote carries - when effective. (1) If a majority of the votes cast are for the proposition, it shall be carried. The form of government existing in such city at the time of such election shall continue unchanged until the next regular election. Except as provided in subsection (2) of this section, the next regular election shall be held for the purpose of electing the officers required by that form of government. Upon the taking of office and compliance with section 31-4-401 by the new officers, the terms of office of existing officers shall terminate, the prior form of government shall cease, and the new form of government shall commence.

(2) If the proposition carried is to return to the original mayor-council form of government, the offices of mayor and other elected offices other than city council members shall be filled at a special election to be held according to the provisions of section 31-4-103; except that such offices shall be filled at the next regular election if such regular election is held less than four months following the adoption of the proposition. Upon the taking of office and compliance with section 31-4-401 by the mayor and other elected officers, the terms of office of existing officers shall terminate, the prior form of government shall cease, and the new form of government shall commence.

Source: **L. 75:** Entire title R&RE, p. 1028, § 1, effective July 1. **L. 89:** Entire section amended, p. 1289, § 5, effective April 6. **L. 93:** Entire section amended, p. 1438, § 138, effective July 1.

Editor's note: This section is similar to former § 31-3-203 as it existed prior to 1975.

31-4-204. Prior laws applicable - rights and liabilities continue. (1) All laws of the state applicable to the city before the adoption of the city council-city manager form of government and not inconsistent with the provisions of this part 2 shall apply to and govern such reorganized city.

(2) Any bylaw, ordinance, or resolution lawfully passed and in force in such city at the time of its reorganization shall remain in force and continue to be in effect until duly amended or repealed.

(3) The territorial limits of such city shall remain the same as under its former organization.

(4) All rights of whatever description which were vested in such city under its former organization shall be vested in the city after reorganization.

(5) No valid and legally subsisting right or liability either in favor of or against the city and no judicial proceedings, civil or criminal, shall be affected by such change of government unless otherwise provided in this part 2.

(6) No change in the form of government as provided in this part 2, either by adopting or abandoning the form of government as provided in this part 2, shall release or affect any debts, bonds, warrants, or other obligations, however evidenced, which shall continue as valid obligations of the city under the succeeding form of government.

Source: **L. 75:** Entire title R&RE, p. 1028, § 1, effective July 1.

Editor's note: This section is similar to former §§ 31-3-204 and 31-3-222 as they existed prior to 1975. For a detailed comparison, see the comparative tables located in the back of the index.

31-4-205. Council members - vacancies. (1) The legislative and corporate authority of cities organized under this part 2 shall be vested in the city council members nominated

and elected, two from each ward and one from the city at large, for a term of two years. Members of the city council shall be registered electors of the city who have resided in their respective wards for a period of at least twelve consecutive months immediately preceding the election; except that, in case the boundaries of the ward are changed pursuant to section 31-2-104 or 31-4-104 or as a result of annexation, any person who has resided within territory added to the ward for the time prescribed in this subsection (1) shall be deemed to have met the residence requirements for the ward to which the territory was added.

(2) Within sixty days after a vacancy occurs in the city council, the council shall:

(a) Appoint a person possessed of all statutory qualifications to fill the vacancy until the term of office of a successor elected at the next regular election has commenced as provided in section 31-4-105; or

(b) Order an election, subject to the municipal election code, to be held as soon as practicable to fill the vacancy until the term of office of a successor elected at the next regular election has commenced as provided in section 31-4-105.

(3) The city council may provide by ordinance for four-year overlapping terms of office for its members. The city council may reinstate the two-year terms provided in this section by ordinance. Any ordinance passed pursuant to this subsection (3) shall be enacted at least one hundred eighty days before the next regular election and shall be subject, notwithstanding any emergency declaration, to referendum if such is brought pursuant to section 31-11-105 or pursuant to an applicable municipal ordinance enacted in accordance with section 1 of article V of the state constitution. No ordinance enacted pursuant to this subsection (3) shall extend or reduce the term for which any person was elected. Where four-year terms have been provided for council members pursuant to section 31-4-107 (3), council members shall continue to serve four-year terms unless two-year terms are reinstated pursuant to this subsection (3). If any vacancy occurs in the office of council member for which a four-year term is in effect pursuant to this subsection (3), the vacancy shall be filled as provided in subsection (2) of this section. If the office in which the vacancy occurs is not an office for which a successor would otherwise have been elected at the next regular election, the term of office of the successor elected at that regular election shall be shortened so that the following regular election for the office is held at the time at which it would have been held if no vacancy had occurred.

Editor's note: This section is similar to former § 31-3-205 as it existed prior to 1975.

31-4-206. Council members - nomination - election - compensation. (1) The nomination and election of candidates for the city council provided for by this part 2 shall be in accordance with the "Colorado Municipal Election Code of 1965".

(2) The members of the city council shall receive such compensation as may be fixed by ordinance.

Source: **L. 75:** Entire title R&RE, p. 1029, § 1, effective July 1.

Editor's note: This section is similar to former § 31-3-206 as it existed prior to 1975.

Cross references: For the "Colorado Municipal Election Code of 1965", see article 10 of this title.

ANNOTATION

Annotator's note. Since § 31-4-206 is similar to former § 31-3-206 prior to the 1975 repeal and reenactment of this title, and laws

antecedent thereto, a relevant case construing a prior provision has been included in the annotations to this section.

This section applies exclusively to that municipal election at which the question of the adoption of a new form of city government is submitted, because it was the intention of the general assembly to provide for the reorganiza-

tion of the city government immediately following the election at which the change was authorized. *Marshall v. City of Golden*, 147 Colo. 521, 363 P.2d 650 (1961).

31-4-207. Mayor - selection. (1) Except as otherwise provided in subsection (3) of this section, if the mayor is to be elected by and from among the members of the city council, then at the meeting of the city council at which their terms commence, as provided in section 31-4-105, the city council shall choose, by a majority vote, for a term of two years, one of its members as chairperson, who shall have the title of mayor, and shall also choose, by a majority vote, for a term of two years, one of its members as vice-chairperson, who shall act as mayor pro tem. In case of a vacancy in the office of the mayor, the city council shall choose a successor for the unexpired term.

(2) If the mayor is to be elected by popular vote, he or she shall be elected by a plurality of the votes cast for that office at the regular election in the city. The mayor shall be a registered elector who has resided within the limits of the city for a period of at least twelve consecutive months immediately preceding the date of the election; except that, in the case of annexation, any person who has resided within the annexed territory for the time prescribed in this subsection (2) shall be deemed to have met the residence requirements for the city to which the territory was annexed. The mayor shall assume his or her office at the next regularly scheduled meeting of the city council following his or her election or upon such earlier date as the council may specify. Except as otherwise provided in subsection (3) of this section, the mayor shall hold his or her office for a term of two years. At the same meeting of the city council, the city council shall choose, by a majority vote, one of its members to act as mayor pro tem in the temporary absence of the mayor. The city council may appoint one of its members acting mayor in the event both the mayor and the mayor pro tem are temporarily absent from the city or unable to perform the duties of the mayor. In case of a vacancy in the office of the mayor, the city council shall choose his successor for the unexpired term.

(3) The city council may provide, by ordinance, four-year terms for the office of the mayor. The city council may reinstate two-year terms provided in this section by ordinance. Any ordinance passed pursuant to this subsection (3) shall be enacted at least one hundred eighty days before the next regular election and shall be subject, notwithstanding any emergency declaration, to referendum brought pursuant to section 31-11-105 or pursuant to an applicable ordinance enacted in accordance with section 1 of article V of the state constitution. No ordinance enacted pursuant to this subsection (3) shall extend or reduce the term for which any person was elected. If a vacancy occurs in the office of the mayor for which a four-year term is in effect pursuant to this subsection (3), the vacancy shall be filled as provided in subsections (1) and (2) of this section.

Source: **L. 75:** Entire title R&RE, p. 1030, § 1, effective July 1. **L. 83:** Entire section amended, p. 1256, § 8, effective July 1. **L. 89:** Entire section amended, p. 1289, § 6, effective April 6. **L. 91:** (2) amended, p. 745, § 12, effective April 4. **L. 94:** (1) amended, p. 1192, § 92, effective July 1. **L. 98:** Entire section amended, p. 308, § 1, effective August 5.

Editor's note: This section is similar to former § 31-3-207 as it existed prior to 1975.

31-4-207.5. Mayor - powers and duties. The mayor shall be the presiding officer of the city council and shall have the same voting powers as any member of said council. The mayor shall be considered a member of the governing body and the city council and shall be recognized as the head of the city government for all ceremonial purposes, by the courts for serving civil processes, and by the government for purposes of military law. In addition, the mayor shall exercise such other powers and perform such other duties as are conferred and imposed upon him by this part 2 or the ordinances of the city.

Source: L. 89: Entire section added, p. 1290, § 7, effective April 6.

31-4-208. City attorney - municipal judge. The city council shall appoint a city attorney, who, upon taking office, shall be an attorney-at-law licensed to practice in the state of Colorado. The city council shall also appoint a municipal judge in accordance with section 13-10-105 (1), C.R.S. The city attorney shall serve at the pleasure of the city council. A municipal judge may be removed during his term of office only for cause, as provided in section 13-10-105 (2), C.R.S.

Source: L. 75: Entire title R&RE, p. 1030, § 1, effective July 1. **L. 77:** Entire section amended, p. 794, § 6, effective June 3.

Editor's note: This section is similar to former § 31-3-208 as it existed prior to 1975.

ANNOTATION

There was no violation of due process clause in trial before nontenured judge. See People ex rel. People of City of Thornton v.

Horan, 192 Colo. 144, 556 P.2d 1217 (1976), cert. denied, 431 U.S. 966, 97 S. Ct. 2922, 53 L. Ed.2d 1061 (1977).

31-4-209. Rules - business - journal. The city council shall determine its own rules, procedure, and order of business and shall keep a journal of its proceedings. It may compel attendance of members and may punish members for misconduct.

Source: L. 75: Entire title R&RE, p. 1030, § 1, effective July 1. **L. 79:** Entire section amended, p. 1174, § 7, effective July 1.

Editor's note: This section is similar to former § 31-3-209 as it existed prior to 1975.

31-4-210. City manager - qualifications - removal. The city council shall appoint a city manager who shall be the chief administrative officer of the city. The city manager shall be chosen solely on the basis of his executive and administrative qualifications and need not, when appointed, be a resident of the city or of the state. No member of the city council shall be chosen as city manager during his term of office. The city manager shall be appointed for an indefinite term, but he may be removed at the pleasure of the city council for cause. Before the city manager may be removed, he shall be given, if he so demands, a written statement of the reasons alleged for his removal and he has the right to be heard thereon at a public meeting of the council prior to the final vote on the question of his removal. Pending and during such hearing, the city council may suspend him from office. The action of the city council in suspending or removing the city manager shall be final. It is the intent of this part 2 to vest all authority and to fix all responsibility for such suspension or removal in the city council. In case of the absence or disability of the city manager, the city council may designate some qualified person to perform the duties of the office during such absence or disability.

Source: L. 75: Entire title R&RE, p. 1030, § 1, effective July 1.

Editor's note: This section is similar to former § 31-3-210 as it existed prior to 1975.

31-4-211. City manager - powers and responsibility. (1) The city manager is responsible to the city council for the proper administration of all affairs of the city placed in his charge and, to that end and except as otherwise provided in this part 2, he shall have the power to appoint and remove all officers and employees in the administrative service of the city except the city attorney and the municipal judge. Appointments made by the city manager shall be on the basis of executive and administrative ability, training, and

experience of such appointees in the work which they are to perform. All such appointments shall be without definite term.

(2) Officers and employees appointed by the city manager may be removed by him at any time for cause. The decision of the city manager in any such case shall be final.

Source: L. 75: Entire title R&RE, p. 1030, § 1, effective July 1.

Editor's note: This section is similar to former § 31-3-211 as it existed prior to 1975.

ANNOTATION

Denial of hearing not violation of due process. This section does not give rise to the type of expectancy to continued employment that serves as a ground for the existence of a property right protected by the fourteenth amendment. Therefore, no due process violation occurs in denying an employee a hearing on the city manager's decision to suspend or dismiss him. This is true regardless of whether the employee was gratuitously afforded an administrative hearing by the city manager, the procedural aspects of which were objected to by the employee. *DeBono v. Vizas*, 427 F. Supp. 905 (D. Colo. 1977).

This section clearly indicates that an employee holds his position subject to the final decision of the city manager. The general assembly thereby specifically excluded the necessity of providing any procedure for an administrative hearing either before or after the city manager's decision. *DeBono v. Vizas*, 427 F. Supp. 905 (D. Colo. 1977).

This section does not restrict the city manager's power to remove employees for particular causes. *DeBono v. Vizas*, 427 F. Supp. 905 (D. Colo. 1977).

The addition of the words "for cause" does not automatically create a constitutionally protected property right. The entire statutory purpose must be considered in making such a determination. *DeBono v. Vizas*, 427 F. Supp. 905 (D. Colo. 1977).

And public employment is generally not such right. Except in certain situations, as where an employee has formal tenure rights,

public employment is generally not a constitutionally protected property interest. *DeBono v. Vizas*, 427 F. Supp. 905 (D. Colo. 1977).

An allegation that the city and city manager infringed a constitutionally protected liberty interest when they terminated plaintiff's employment for reasons that affected his reputation and ability to obtain other employment opportunities was *prima facie* insufficient to state a claim that defendants violated a liberty interest protected by the fourteenth amendment since every suspension or dismissal will necessarily affect one's community reputation and will make it more difficult to obtain future employment. *DeBono v. Vizas*, 427 F. Supp. 905 (D. Colo. 1977).

The "for cause" language in this section requires only that the city manager's decision not be arbitrary. *DeBono v. Vizas*, 427 F. Supp. 905 (D. Colo. 1977).

The power to remove employees included the power to suspend employees. *DeBono v. Vizas*, 427 F. Supp. 905 (D. Colo. 1977).

It is unclear whether the general assembly intended subsection (2) to confer on employees a protected property interest in continued employment. The statute's title and its language suggest that the legislature did not intend this particular statute to confer upon city employees an interest in their jobs. Rather, the legislature may have intended to clarify the powers of the city manager. *Derda v. Brighton, Colo., City of*, 53 F.3d 1162 (10th Cir. 1995).

Applied in *Clouser v. City of Thornton*, 676 F. Supp. 228 (D. Colo. 1987).

31-4-212. Council not to interfere. Except as otherwise provided in this part 2, neither the city council nor any of its committees or members shall direct or request the appointment of any person to or his removal from office by the city manager or in any other manner take part in the appointment or removal of officers and employees in the administrative service of the city. The city council and its members shall deal with that portion of the administrative service for which the city manager is responsible solely through the city manager, and neither the city council nor any member thereof shall give orders to any subordinate of the city, either publicly or privately. Any violation of the provisions of this section by a member of the city council constitutes misconduct and is punishable in such manner as may be determined by the other members of the city council.

Source: L. 75: Entire title R&RE, p. 1031, § 1, effective July 1.

Editor's note: This section is similar to former § 31-3-212 as it existed prior to 1975.

31-4-213. Duties of city manager. It is the duty of the city manager to act as chief conservator of the peace within the city; to supervise the administration of the affairs of the city; to see that the ordinances of the city and the applicable laws of the state are enforced; to make such recommendations to the city council concerning the affairs of the city as seem desirable to him; to keep the city council advised of the financial conditions and future needs of the city; to prepare and submit to the city council the annual budget estimate; to prepare and submit to the city council such reports as are required by that body; to prepare and submit each month to the city council a detailed report covering all activities of the city, including a summary statement of revenues and expenditures for the preceding month, detailed as to appropriations and funds in such a manner as to show the exact financial condition of the city and of each department and division thereof as of the last day of the previous month; and to perform such other duties as may be prescribed by this part 2 or required of him by ordinance or resolution of the city council.

Editor's note: This section is similar to former § 31-3-213 as it existed prior to 1975.

ANNOTATION

Annotator's note. Since § 31-4-213 is similar to former § 31-3-213 prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, a relevant case construing a prior provision has been included in the annotations to this section.

In a council-manager form of government, the manager was responsible to council for the administration of all affairs of the city, and his duties required him to supervise the carrying out of policies previously set by the council. *Franks v. City of Aurora*, 147 Colo. 25, 362 P.2d 561 (1961).

Detrimental reliance and estoppel applicable. Where the conduct of the city in allowing its manager and engineer to exercise authority with respect to the carrying out of the project was such as to lead the defendants as reasonable men to believe that the officials were acting within the scope of the power granted to them, and the defendants relied, to their detriment, on the appearance thus created, it would be unjust to allow the city to renege; thus, the principles of estoppel relieve the defendants. *Franks v. City of Aurora*, 147 Colo. 25, 362 P.2d 561 (1961).

31-4-214. City manager sits in council - no vote. The city manager is entitled to a seat in the city council but shall have no vote therein. The city manager has the right to take part in the discussion of all matters coming before the city council.

Source: L. 75: Entire title R&RE, p. 1031, § 1, effective July 1.

Editor's note: This section is similar to former § 31-3-214 as it existed prior to 1975.

31-4-215. Administrative plan. (1) The city council, upon the report and recommendation of the city manager, has the power to create and establish by ordinance administrative departments of city administration. It is the duty of the city manager to propose a plan of administrative organization to the city council within sixty days after his appointment which, if approved by the city council, shall be adopted by ordinance. The administrative plan shall provide for the establishment of the office of city clerk. The city clerk shall be ex officio city treasurer and clerk of the city council. Subject to the supervision and control of the city manager in all matters, the city clerk shall keep and supervise all accounts and have custody of all public moneys of the city; apportion and collect special assessments; issue licenses; collect license fees; make and keep a journal of proceedings of the city council; have custody of all public records of the city not specifically entrusted to any other office; and perform such other duties pertaining to such offices as are by ordinance required or assigned to him by the city manager. The administrative plan shall also provide for a chief of police, a fire chief, a health officer, and such other officers as are

deemed necessary for the efficient administration of the city, and such plan may or may not include, in the discretion of the city council, all of the officers named in sections 31-4-105 and 31-4-107. All such officers shall be appointed by the city manager as provided in section 31-4-211. This plan of the city manager shall be placed on file and shall be a matter of public record open to the examination and inspection of the public at all reasonable times. The city council, upon recommendation of the city manager, may change or abolish, by ordinance, any department or office established by ordinance, prescribe, distribute, or discontinue the functions and duties of departments and offices so established, or assign additional functions and duties to departments and offices.

(2) All administrative boards, departments, or offices existing in any city prior to its reorganization shall continue to exist after its reorganization under this part 2 until abolished, altered, or reorganized by ordinance of the city council.

Editor's note: This section is similar to former § 31-3-215 as it existed prior to 1975.

31-4-216. Accounts of utilities. Accounts shall be kept for each public utility owned or operated by the city, distinct from other city accounts, and in such manner as to show the true and complete financial result of such city ownership and operation including all assets, liabilities, revenues, and expenses, and in accordance with the uniform classification of accounts as may be prescribed by the public utilities commission of this state.

Editor's note: This section is similar to former § 31-3-217 as it existed prior to 1975.

31-4-218. Pay of officers and employees. The salary or compensation of officers and employees shall be established by ordinance, which shall provide uniform compensation for like services. Such schedules of compensation may fix the minimum and maximum for any grade. An increase in compensation, within the limits provided for the grade, may be granted at any time by the city manager or other appointing authority upon the basis of efficiency and seniority.

Editor's note: Before its repeal, this section was similar to former § 31-3-221 as it existed prior to 1975.

PART 3

ORGANIZATIONAL STRUCTURE AND OFFICERS OF STATUTORY TOWNS

31-4-301. Mayor - board of trustees - election - compensation. (1) The legislative and corporate authority of towns shall be vested in a board of trustees, consisting of one mayor and six trustees, who shall be registered electors who have resided within the limits of the town for a period of at least twelve consecutive months immediately preceding the date of the election; except that, in case of annexation, any person who has resided within the annexed territory for the time prescribed in this subsection (1) shall be deemed to have met the residence requirements for the town to which the territory was annexed.

(2) At the regular election, there shall be elected a mayor for a term of two years and six trustees for terms of two years. Such election shall be conducted in accordance with the provisions of the "Colorado Municipal Election Code of 1965".

(3) All officers elected under this section shall hold their offices until their successors are elected and have complied with section 31-4-401, and four members of said board of trustees shall constitute a quorum for the transaction of business.

(4) The mayor and members of the board of trustees shall receive such compensation as fixed by ordinance.

(5) The board of trustees may provide by ordinance for four-year overlapping terms of office for trustees. The ordinance may also provide for four-year terms for the mayor and any officers elected pursuant to section 31-4-304. The board of trustees may reinstate the two-year terms provided for in subsection (2) of this section by ordinance. Any ordinance passed pursuant to this subsection (5) shall be enacted at least one hundred eighty days before the next regular election and is subject, notwithstanding an emergency declaration, to referendum if the referendum is brought pursuant to section 31-11-105 or pursuant to an applicable municipal ordinance enacted in accordance with section 1 of article V of the state constitution. No ordinance enacted pursuant to this subsection (5) shall extend or reduce the

term for which any person was elected. If any vacancy occurs in an office for which a four-year term is in effect pursuant to this subsection (5), the board of trustees shall fill such vacancy, as provided in section 31-4-303. If the office in which the vacancy occurs is not an office for which a successor would otherwise have been elected at the next regular election, the term of office of the successor elected at that regular election shall be shortened so that the following regular election for the office is held at the time at which it would have been held if no vacancy had occurred.

Editor's note: This section is similar to former § 31-3-301 as it existed prior to 1975.

Cross references: For the "Colorado Municipal Election Code of 1965", see article 10 of this title.

ANNOTATION

Applied in *City of Denver v. Webber*, 15 Colo. App. 511, 63 P. 804 (1900); *Goerke v. Bd. of Trustees*, 89 Colo. 510, 4 P.2d 909 (1931).

31-4-301.5. Change in number of trustees. (1) The trustees of any statutory town may be reduced in number from six to four or again increased from four to six in the manner provided in this section.

(2) When a petition signed by five percent of the registered electors of the town requesting an election for the purpose of reducing the number of trustees from six to four is presented to the board of trustees of the town or when the board determines by majority vote of the entire board that such a reduction in the size of the board would be in the interest of the town, the board shall adopt an ordinance calling for such an election, to be held within four calendar months from the date of presentation of the petition.

(3) Such election may be held in connection with any regular or special election. In the event that the issue is approved at the election, three members of the board of trustees shall constitute a quorum for the transaction of business, and the legislative and corporate authority of the town shall be vested in the board of trustees consisting of one mayor and four trustees. The approval of a change reducing the number of trustees from six to four shall not have the effect of reducing the term for which any member of the board of trustees was previously elected.

(4) Where the number of trustees has been reduced from six to four, an election on the issue of increasing the number of trustees from four to six may be held at any time subsequent to two years following the election reducing the number of trustees from six to four. No new petition requesting an election to reduce or increase the number of trustees on the board of trustees may be filed or accepted by the board, nor may the board refer any such issue to the voters, for a period of two years following an election for the purpose of increasing or reducing the number of trustees.

Source: **L. 89:** Entire section added, p. 1290, § 9, effective April 6.

31-4-302. Mayor - powers. The mayor or, in his absence, one of the trustees, who may be elected mayor pro tem, shall preside at all meetings of the board of trustees and shall have the same voting powers as any member of said board. The mayor shall be considered a member of the governing body and the board of trustees. However, a town may provide by ordinance that the mayor shall not be entitled to vote on any matter before the board, except in the case of a tie vote. If such an ordinance is adopted, it shall also provide that any ordinance adopted and all resolutions authorizing the expenditure of money or the entering into of a contract shall be subject to disapproval by the mayor as provided in

section 31-16-104. Such an ordinance may provide or may be amended to provide that the mayor shall not be counted for purposes of determining a quorum or for the requisite majority on any matter to be voted on by the board of trustees. Any such ordinance may be adopted, amended, or repealed only within the sixty days preceding any election of a mayor, to take effect upon such mayor's assumption of office.

Editor's note: This section is similar to former § 31-3-302 as it existed prior to 1975.

ANNOTATION

Applied in *Hayden v. Town of Aurora*, 57 Colo. 389, 142 P. 183 (1914).

31-4-303. Trustees to fill vacancy - mayor pro tem - clerk pro tem. The board of trustees has the power, by appointment, to fill all vacancies in the board or any other office, and the person so appointed shall hold his office until the next regular election and until his successor is elected and has complied with section 31-4-401. The board also has the power to fill a vacancy in the board or in any other elective office of the town by ordering an election to fill the vacancy until the next regular election and until a successor has been elected and has complied with section 31-4-401. If a vacancy in the board or in such other elective office is not filled by appointment or an election is not ordered within sixty days after the vacancy occurs, the board shall order an election, subject to the municipal election code, to be held as soon as practicable to fill the vacancy until the next regular election and until a successor has been elected and has complied with section 31-4-401. At its first meeting, the board shall choose one of the trustees as mayor pro tem who, in the absence of the mayor from any meeting of said board or during the mayor's absence from the town or his inability to act, shall perform the mayor's duties. The board also has the power to elect a clerk pro tem to perform the duties of the clerk during his absence or inability to act.

Editor's note: This section is similar to former § 31-3-303 as it existed prior to 1975.

31-4-304. Appointment of officers - compensation. The board of trustees shall appoint a clerk, treasurer, and town attorney, or shall provide by ordinance for the election of such officers, and may appoint such other officers, including a town administrator, as it deems necessary for the good government of the corporation, and it shall prescribe by ordinance their duties when the same are not defined by law and the compensation or fees they are entitled to receive for their services. The board of trustees may require of them an oath of office and a bond, with surety, for the faithful discharge of their duties. The election of officers shall be at the regular election, and no appointment of any officer shall continue beyond thirty days after compliance with section 31-4-401 by the members of the succeeding board of trustees.

Source: **L. 75:** Entire title R&RE, p. 1034, § 1, effective July 1. **L. 83:** Entire section amended, p. 1258, § 12, effective July 1. **L. 91:** Entire section amended, p. 745, § 14, effective April 4.

Editor's note: This section is similar to former § 31-3-304 as it existed prior to 1975.

ANNOTATION

Law reviews. For note, "Rights of a Hold-over Trustee Under Colorado Law of 1929", see 2 Rocky Mt. L. Rev. 254 (1930).

Annotator's note. Since § 31-4-304 is similar to former § 31-3-304 prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, a relevant case construing a prior provision has been included in the annotations to this section.

Duties of town attorney left to board. There is no statute defining the duties of town attorneys of incorporated towns, but under the provisions of this section, it is left to the board of

trustees of such a municipality to fix and determine the character of services to be rendered and compensation to be paid to its attorneys. *Kinzie v. Haxtun*, 97 Colo. 456, 50 P.2d 545 (1935).

Decisions by town attorney and manager are discretionary as a matter of law and entitled to official immunity if such decisions are of a judgmental, planning, or policy nature and the officials are acting in their official capacities and not outside the scope of their offices. *Troxel v. Town of Basalt*, 682 P.2d 501 (Colo. App. 1984).

31-4-305. Clerk - duties. The clerk shall attend all meetings of the board of trustees and make a true and accurate record of all the proceedings, rules, and ordinances made and passed by the board of trustees. Records of the town shall be open to inspection at all reasonable times and under reasonable regulations established by the town as provided by article 72 of title 24, C.R.S.

Source: **L. 75:** Entire title R&RE, p. 1034, § 1, effective July 1. **L. 91:** Entire section amended, p. 746, § 15, effective April 4.

Editor's note: This section is similar to former § 31-3-302 as it existed prior to 1975.

31-4-306. Marshal or chief of police - powers and duties. The marshal or chief of police shall have the same power that sheriffs have by law, coextensive with the county in cases of violation of town ordinances, for offenses committed within the limits of the town. He shall execute all writs and processes directed to him by the municipal judge in any case arising under a town ordinance and receive the same fees for his services that sheriffs are allowed in similar cases.

Source: **L. 75:** Entire title R&RE, p. 1034, § 1, effective July 1. **L. 77:** Entire section amended, p. 795, § 7, effective June 3. **L. 91:** Entire section amended, p. 746, § 16, effective April 4.

Editor's note: This section is similar to former § 31-3-305 as it existed prior to 1975.

31-4-307. Removal of officers - causes - notice. By a majority vote of all members of the board of trustees, the mayor, the clerk, the treasurer, any member of the board, or any other officer of the town may be removed from office. No such removal shall be made without a charge in writing and an opportunity of hearing being given unless the officer against whom the charge is made has moved out of the limits of the town. When any officer ceases to reside within the limits of the town, he may be removed from office pursuant to this section. A municipal judge may be removed during his term of office only for cause, as set forth in section 13-10-105 (2), C.R.S.

Source: **L. 75:** Entire title R&RE, p. 1034, § 1, effective July 1. **L. 77:** Entire section amended, p. 795, § 8, effective June 3. **L. 81:** Entire section amended, p. 1495, § 8, effective June 8. **L. 91:** Entire section amended, p. 746, § 17, effective April 4.

Editor's note: This section is similar to former § 31-3-306 as it existed prior to 1975.

ANNOTATION

Annotator's note. Since § 31-4-307 is similar to former § 31-3-306 prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, relevant cases construing those provisions have been included in the annotations to this section.

Constitutional grounds for removal. Under this section the holder of an elective office, duly elected by the people, should not be removed except for official misconduct, such misconduct as affects the performance of his duties as an officer, and for offenses against the corporation of a character directly affecting its rights and interests, and this conclusion is clearly sustainable on constitutional grounds. *Bd. of Trustees v. People ex rel. Keith*, 13 Colo. App. 553, 59 P. 72 (1899).

The power of removal must be exercised under the same limitations, precautions, and sanctions as in other judicial proceedings, and the regularity of the proceedings and the legality of the removal must always be open to review in the courts. *Bd. of Trustees v. People ex rel. Keith*, 13 Colo. App. 553, 59 P. 72 (1899).

Mere recital in board minutes insufficient. Upon proceedings in mandamus, to contest the

right of removal, it is incumbent upon the person or persons attempting to remove respondent to show that such charges were preferred, and that they were sustained by legal evidence, and the mere recital in the minutes of the board that there was evidence offered, and that the board found the accused guilty is not sufficient. *Bd. of Trustees v. People ex rel. Keith*, 13 Colo. App. 553, 59 P. 72 (1899).

Officer not within section. When no ordinance had ever been adopted by a town creating an office of deputy marshal and a plaintiff had never been hired or appointed other than as a deputy marshal, then he is not one of those town officers who is entitled to the protection of the removal provisions of the statute, and therefore he can be summarily discharged. *Mitchell v. Town of Eaton*, 176 Colo. 473, 491 P.2d 587 (1971).

Implicit right to discharge. Unless otherwise limited or restricted by statute or ordinance, implicit in the power of a city or town to hire is the power to discharge at any time without notice and without necessity of written charges and hearing thereon. *Mitchell v. Town of Eaton*, 176 Colo. 473, 491 P.2d 587 (1971).

PART 4

REQUIREMENTS AND COMPENSATION OF OFFICERS

31-4-401. Oath of officers - bonds - waiver - declaring office vacant. (1) All officers elected or appointed in any municipality shall take an oath or affirmation, administered by the municipal judge, clerk, or other person who is designated by the governing body or who is authorized by law to administer oaths, to support the constitution of the United States and the state constitution.

(2) The governing body of any city or town may require, from the treasurer and such other officers as it determines proper, a bond, with proper penalty and surety, for the care and disposition of municipal funds in their hands and the faithful discharge of the duties of their offices. Such governing body has the power to declare vacant the office of any person appointed or elected to any office who fails to take the oath of office or give bond when required within ten days after he has been notified of his appointment or election, and it shall proceed to appoint his successor as in other cases of vacancy.

Source: **L. 75:** Entire title R&RE, p. 1035, § 1, effective July 1. **L. 89:** (2) amended, p. 1291, § 11, effective April 6. **L. 91:** (2) amended, p. 746, § 18, effective April 4.

Editor's note: This section is similar to former § 31-5-301 as it existed prior to 1975.

ANNOTATION

Annotator's note. Since § 31-4-401 is similar to § 31-5-301 prior to the 1975 repeal and reenactment of this title, and laws antecedent

thereto, a relevant case construing a prior provision has been included in the annotations to this section.

Officers subject to bond requirement. The treasurer is not the only officer who may be expected to collect or have in his hands corporation funds, because this section expressly pro-

vides for the council's requiring a bond, with sureties, from such other officers as may have the care or disposition of such funds. *Orman v. City of Pueblo*, 8 Colo. 292, 6 P. 931 (1885).

31-4-402. New bond. In the event that the official bond of any officer of a city or town, after the taking and approval thereof, becomes insufficient by reason of the death or insolvency of any of the sureties thereon, the governing body of such city or town may require such officer to procure additional sureties or to give a new bond and may designate the time when such additional sureties or new bond shall be furnished, which shall not be less than ten days, or may waive the requirement for such sureties or new bond. In the event that the additional sureties or new bond is not furnished within the time so designated and the requirement for such sureties or new bond is not waived, the office shall be declared vacant, and the vacancy shall be filled by election or appointment as provided by law.

Source: **L. 75:** Entire title R&RE, p. 1035, § 1, effective July 1. **L. 89:** Entire section amended, p. 1292, § 12, effective April 6.

Editor's note: This section is similar to former § 31-5-302 as it existed prior to 1975.

31-4-403. Lawful pay only for governing bodies. No member of the governing body of any city or town shall receive any compensation for his services as such member except as provided by law.

Source: **L. 75:** Entire title R&RE, p. 1035, § 1, effective July 1.

Editor's note: This section is similar to former § 31-5-303 as it existed prior to 1975.

31-4-404. Not to be appointed to office. (1) During the time for which he has been elected or for one year thereafter, no member of the governing body of any city or town shall be appointed to any municipal office which is created or the emoluments of which are increased during the term for which he has been elected except in the cases provided in this title.

(2) Any member of the governing body of any city or town who has a personal or private interest in any matter proposed or pending before the governing body shall disclose such interest to the governing body, shall not vote thereon, and shall refrain from attempting to influence the decisions of the other members of the governing body in voting on the matter.

(3) A member of the governing body of any city or town may vote notwithstanding subsection (2) of this section if his participation is necessary to obtain a quorum or otherwise enable the body to act and if he complies with the voluntary disclosure provisions of section 24-18-110, C.R.S.

Editor's note: This section is similar to former § 31-5-304 as it existed prior to 1975.

ANNOTATION

Law reviews. For article, "Conflicts of Interest in Government", see 18 Colo. Law. 595 (1989).

31-4-405. Emoluments not to be increased. The emoluments of any member of the governing body, including the mayor, trustees, and councilmen, shall not be increased or diminished during the term for which he has been elected or appointed except in the case of abolition of an office, in which case the emoluments of the office shall cease at the time of such abolishment. Any member of the governing body, including the mayor, trustees, and councilmen, who has resigned or vacated an office prior to the end of his elective or appointive term shall not be eligible to reelection or reappointment to the same during such term if during such term the emoluments have been increased.

Editor's note: This section is similar to former § 31-5-305 as it existed prior to 1975.

31-4-406. Territorial corporations - compensation fixed by electors. In cities and towns of not more than five thousand inhabitants incorporated prior to July 3, 1877, the mayor and members of the governing body shall not receive any compensation for services rendered by them as such mayor or members unless the question of paying such mayor or members for their services is first submitted to the registered electors of such city or town and unless a majority of those voting thereon vote in favor thereof. All ordinances, resolutions, and other acts of the governing body of any such city or town authorizing or directing the payment of any compensation to any such officer shall be and remain void. Nothing in this section shall apply to any municipal judge who acts or officiates as president of any governing body.

Source: L. 75: Entire title R&RE, p. 1036, § 1, effective July 1. L. 87: Entire section amended, p. 327, § 81, effective July 1.

Editor's note: This section is similar to former § 31-5-306 as it existed prior to 1975.

31-4-407. Penalty for receiving illegal compensation. Any mayor or member of the governing body of any city or town who takes or receives payment for any services rendered by him contrary to the provisions of section 31-4-406 commits a misdemeanor and, upon conviction thereof, shall be punished by a fine of not less than twenty-five dollars nor more than one hundred dollars. Said fines, when collected, shall be paid into the general fund of said city or town.

Source: L. 75: Entire title R&RE, p. 1036, § 1, effective July 1.

Editor's note: This section is similar to former § 31-5-307 as it existed prior to 1975.

PART 5

OFFICERS' RECALL

31-4-501. Officers subject to recall. Every elected officer of any municipality of the state of Colorado may be recalled from office at any time by the registered electors of the municipality in the manner provided in section 4 of article XXI of the state constitution. The provisions of this part 5 shall apply to all municipalities except to the extent that a municipality has adopted provisions pursuant to article XX or XXI of the state constitution inconsistent with this part 5.

Source: L. 75: Entire title R&RE, p. 1036, § 1, effective July 1. L. 85: Entire section amended, p. 1349, § 20, effective April 30.

Editor's note: This section is similar to former § 31-5-201 as it existed prior to 1975.

31-4-502. Procedure - petition - signatures. (1) The procedure to effect the recall of an elective officer of a municipality shall be as follows:

(a) (I) A petition containing the requisite number of signatures under paragraph (d) of this subsection (1) shall be filed in the office of the municipal clerk, demanding an election of a successor to the officer named in the petition. Each petition shall designate by name and address not less than three nor more than five persons, referred to in this section as the "committee", who shall represent the signers thereof in all matters affecting the same. The petition shall clearly indicate the name of the municipality and the name of the officer sought to be recalled. The petition shall include the name of only one person to be recalled. The petition shall contain a general statement, in not more than two hundred words, of the grounds on which the recall is sought, which statement shall be intended for the information of the electors of the municipality. Such electors shall be the sole and exclusive judges of the legality, reasonableness, and sufficiency of the grounds assigned for recall, and said grounds shall not be open to review.

(II) The signatures to a recall petition need not all be on one sheet of paper. At the top of each page shall be printed, in bold-faced type, the following:

**WARNING:
IT IS AGAINST THE LAW:**

For anyone to sign this petition with any name other than one's own or to knowingly sign one's name more than once for the same measure or to sign such petition when not a registered elector.

Do not sign this petition unless you are a registered elector. To be a registered elector, you must be a citizen of Colorado and registered to vote in (name of municipality).

Do not sign this petition unless you have read or have had read to you the proposed measure in its entirety and understand its meaning.

(b) Directly following the warning in paragraph (a) of this subsection (1) shall be printed in bold-faced type the following:

Petition to recall (name of person sought to be recalled) from the office of (title of office).

(c) No recall petition shall be circulated until it has been approved as meeting the requirements of this section as to form. The clerk shall approve or disapprove a petition as to form by the close of the second business day following submission of the proposed petition. The clerk shall mail written notice of such clerk's action to the officer sought to be recalled on the day that any such petition is approved.

(d) The petition shall be signed by registered electors entitled to vote for a successor of the incumbent sought to be recalled equal in number to twenty-five percent of the entire vote cast for all the candidates for that particular office at the last preceding regular election held in the municipality. If more than one person is required by law to be elected to fill the office of which the person sought to be recalled is an incumbent, then the recall petition shall be signed by registered electors entitled to vote for a successor to the incumbent sought to be recalled equal in number to twenty-five percent of the entire vote cast at the last preceding regular election held in the municipality for all candidates for the office to which the incumbent sought to be recalled was elected as one of the officers thereof, such entire vote being divided by the number of all officers elected to such office at the last preceding regular election held in the municipality.

Source: L. 75: Entire title R&RE, p. 1036, § 1, effective July 1. L. 81: (1)(a) amended, p. 1509, § 37, effective July 1. L. 85: (1)(a) to (1)(c) amended, p. 1349, § 21, effective April 30. L. 91: Entire section amended, p. 747, § 19, effective April 4.

Editor's note: This section is similar to former § 31-5-202 as it existed prior to 1975.

ANNOTATION

The plain meaning of the provision of this section requiring that a warning appear “at the top of each page” of a recall petition is that the warning language must be printed at the top of each page upon which a person might sign his or her name. *Mirandette v. Pugh*, 934 P.2d 883 (Colo. App. 1997).

Requirement of subsection (1)(a)(I) that recall petition contain a demand for the election

of a successor to the officer to be recalled applicable to recall petitions in municipality at issue under express terms of city charter incorporating this statutory provision. Accordingly, trial court erred when it concluded that this requirement not applicable to recall petition affecting municipal official. *Combs v. Nowak*, 43 P.3d 743 (Colo. App. 2002).

31-4-503. Petition in sections - signing - affidavit - review - tampering with petition. (1) Any recall petition may be circulated and signed in sections, but each section shall contain a full and accurate copy of the title and text of the petition.

(2) (a) The signatures need not all be on one sheet of paper. All such recall petitions shall be filed in the office of the municipal clerk within sixty days from the date on which the municipal clerk approves the petition as to form.

(b) Any recall petition shall be signed only by registered electors using their own signatures, after which each such elector shall print or, if such elector is unable to do so, shall cause to be printed such elector's legal name; the residence address of such person, including the street and number, if any; and the date of signing the same.

(c) To each such petition or section thereof shall be attached an affidavit of the person who circulated the petition stating the affiant's address, that the affiant is eighteen years of age or older, that the affiant circulated the said petition, that the affiant made no misrepresentation of the purpose of such petition to any signer of the petition, that each signature on the petition was affixed in the affiant's presence, that each signature on the petition is the signature of the person whose name it purports to be, that to the best of the knowledge and belief of the affiant each of the persons signing said petition was at the time of signing a registered elector, and that the affiant neither has paid nor shall pay and that the affiant believes that no other person has so paid or shall pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to sign such petition.

(d) Any disassembly of the petition which has the effect of separating the affidavits from the signatures shall render the petition invalid and of no force and effect.

(3) (a) The municipal clerk shall issue a written determination that a recall petition is sufficient or not sufficient by the close of business on the fifth business day after such petition is filed or, if such day is not a regular business day, on the first regular business day thereafter, unless a protest has been filed prior to that date. The clerk shall forthwith mail a copy of such written determination to the officer sought to be recalled and to the committee. Any such petition shall be deemed sufficient if the municipal clerk determines that it was timely filed, has attached thereto the required affidavits, and was signed by the requisite number of registered electors of the municipality within sixty days following the date upon which the clerk approved the form of the petition. The clerk shall not remove the signature of an elector from the petition after such petition is filed. If a petition is determined by the clerk to be not sufficient, the clerk shall identify those portions of the petition that are not sufficient and the reasons therefor.

(b) A protest in writing under oath may be filed in the office of the municipal clerk by some registered elector who resides in the municipality within fifteen days after such petition is filed setting forth specifically the grounds of such protest. Grounds for protest may include, but shall not be limited to, the failure of any portion of a petition or circulator affidavit or petition circulator to meet the requirements of this section. The municipal clerk shall mail a copy of such protest to the officer named in the petition, to the committee named in the petition as representing the signers of the petition, and to the county clerk and recorder, together with a notice fixing a time for hearing such protest not less than five nor more than ten days after such notice is mailed. The county clerk and recorder shall, upon receipt of such notice, prepare a registration list pursuant to section 31-10-205 to be utilized in determining whether such petition is sufficient. Every hearing shall be before the

municipal clerk with whom such protest is filed, who shall serve as hearing officer unless some other person is designated by the governing body as the hearing officer, and the testimony in every such hearing shall be under oath. The hearing officer shall have the power to issue subpoenas and compel the attendance of witnesses. Such a hearing shall be summary and not subject to delay and shall be concluded within thirty days after such petition is filed. No later than five days after the conclusion of the hearing, the hearing officer shall issue a written determination of whether the petition is sufficient or not sufficient. If the hearing officer determines that a petition is not sufficient, the hearing officer shall identify those portions of the petition that are not sufficient and the reasons for the insufficiency. The result of such a hearing shall be forthwith certified to the committee and the officer sought to be recalled.

(c) In case the recall petition is not sufficient, it may be withdrawn by a majority of the committee and, within fifteen days after the municipal clerk or hearing officer issues a written determination that the petition is not sufficient, may be amended by the addition of any required information relating to the signers thereof or the attachment of proper circulator affidavits and refiled as an original petition; except that any petition amended and refiled as provided in this paragraph (c) may not again be withdrawn and refiled. The municipal clerk shall issue a written determination that such refiled petition is sufficient or not sufficient within four business days after said petition is filed. Any protest concerning the refiled petition shall be filed within five business days of the date on which such petition was refiled, and any hearing shall be conducted as provided in paragraph (b) of this subsection (3).

(d) The finding as to the sufficiency of any petition may be reviewed by the district court for the county in which such municipality or portion thereof is located upon application of either the officer sought to be recalled or the officer's representative or a majority of the committee, but such review shall be had and determined forthwith. The sufficiency or the determination of the sufficiency of the petition referred to in this section shall not be held or construed to refer to the grounds assigned in such petition for the recall of the incumbent sought to be recalled from the office thereby.

(4) When such recall petition is determined sufficient, the municipal clerk shall submit said petition, together with a certificate of its sufficiency, to the governing body of such municipality at the first meeting of such body following expiration of the period within which a protest may be filed or at the first meeting of such body following the determination of a hearing officer that a petition is sufficient, whichever is later. The governing body shall thereupon order and fix a date for the recall election to be held not less than thirty days nor more than ninety days from the date of submission of the petition to the governing body by the municipal clerk and determine whether voting in the recall election is to take place at the polling place or by mail ballot; but, if a regular election is to be held within one hundred eighty days after the date of submission of said petition, the recall election shall be held as a part of said regular election; except that, if the officer sought to be recalled is seeking reelection at said regular election, only the question of such officer's reelection shall appear on the ballot. If a successor to the officer sought to be recalled is to be selected at such regular election and the officer sought to be recalled is not seeking reelection, the question of such officer's recall shall not appear on the ballot of such regular election.

(4.5) A recall election pursuant to this part 5 may only be conducted as part of a coordinated election if the content of the recall election ballot is finally determined by the date for certification of the ballot content for the coordinated election to the county clerk pursuant to section 1-5-203 (3), C.R.S.

(5) Any person who willfully destroys, defaces, mutilates, or suppresses any recall petition or who willfully neglects to file or delays the delivery of the recall petition or who conceals or removes any recall petition from the possession of the person authorized by law to have the custody thereof, or who aids, counsels, procures, or assists any person in doing any of said acts commits a misdemeanor and, upon conviction thereof, shall be punished as provided in section 31-10-1504.

(1) to (4) amended, p. 749, § 20, effective April 4. **L. 2000:** (2)(c), (3)(b), and (4) amended and (4.5) added, p. 793, § 9, effective August 2. **L. 2004:** (4) amended, p. 1523, § 3, effective May 28.

Editor's note: This section is similar to former § 31-5-203 as it existed prior to 1975.

31-4-504. Resignation - vacancy filled - election - ballot - nomination. (1) If any officer resigns by submitting a written letter of resignation to the clerk at any time prior to the recall election, all recall proceedings shall be terminated, and the vacancy caused by such resignation shall be filled as provided by law. If the resignation occurs after the ballots have been prepared or at a time when it would otherwise be impracticable to remove the recall question from the ballot, no votes cast on the recall question shall be counted.

(2) At least ten days before the recall election, the clerk shall give notice of the election in accordance with section 31-10-501. Except as otherwise provided in this part 5, the recall election shall be conducted and returned and the result of such election declared in all respects as in the case of regular elections.

(3) (a) On the official ballot at such elections shall be printed, in not more than two hundred words, the reasons set forth in the petition for demanding his recall, and, in not more than three hundred words, there shall also be printed, if desired by him, the officer's justification of his course in office. Any such reasons or justification shall be submitted to the municipal clerk by the date on which a nominating petition must be filed pursuant to subsection (4) of this section. If such officer resigns at any time subsequent to the calling of the recall election, the recall election shall be held, notwithstanding such resignation.

(b) There shall be printed on the official ballot, as to every officer whose recall is to be voted on, the words, "Shall (name of person against whom recall petition is filed) be recalled from the office of (title of office)?" Following such question shall be the words "yes" and "no" on separate lines with a blank space at the right of each in which the voter shall indicate, by marking a cross mark (X), his vote for or against such recall.

(c) On such ballots, under each question, there shall also be printed the names of those persons who have been nominated as candidates to succeed the person sought to be recalled, but no vote cast shall be counted for any candidate for such office unless the voter also voted for or against the recall of such person sought to be recalled from said office. The name of the person against whom the petition is filed shall not appear on the ballot as a candidate for the office. All candidates on the ballot shall be listed in alphabetical order.

(4) (a) Except as otherwise provided in paragraph (b) of this subsection (4), candidates for the office at a recall election may be nominated by petition as provided in section 31-10-302; except that nominating petitions may be circulated beginning on the first business day after the governing body sets the date for the recall election and shall be filed no later than twenty days prior to such recall election.

(b) Where the governing body of the municipality chooses to conduct the recall election by mail ballot in accordance with the requirements of section 31-4-503 (4), candidates shall have not less than ten calendar days beginning on the first calendar day after the governing body sets the date for the recall election within which to circulate nominating petitions, and such petitions shall be filed no later than forty-five days prior to such recall election.

(5) (a) Applications for absentee ballots shall be made available by the municipal clerk no later than twenty-four hours after the governing body fixes the date for the holding of the recall election through the close of business on the fifth day before the recall election.

(b) Absentee ballots shall be available no later than ten days before the recall election.

(c) The absentee polling place in the office of the municipal clerk shall be open during regular business hours between the tenth and fifth day preceding the recall election.

(6) If a majority of those voting on said question of the recall of any incumbent from office vote "no", said incumbent shall continue in said office. If a majority vote "yes", such incumbent shall be removed from such office upon compliance with section 31-4-401 by his successor.

(7) If the vote in such recall election recalls the officer, the candidate who has received the highest number of votes for the office thereby vacated shall be declared elected for the remainder of the term, and a certificate of election shall be forthwith issued to him by the

canvassing board. In case the person who received the highest number of votes fails to comply with section 31-4-401 within fifteen days after the issuance of a certificate of election, or in the event no person sought election, the office shall be deemed vacant and shall be filled according to law.

(8) Mandatory or optional recounts of ballots cast in a recall election shall be conducted in accordance with section 31-10-1207.

Editor's note: This section is similar to former § 31-5-204 as it existed prior to 1975.

31-4-504.5. Incumbent not recalled - reimbursement. (1) If at any recall election the incumbent whose recall is sought is not recalled, or in the event of a protest, the hearing officer determines that the petitions are not sufficient based upon the conduct on the part of petition circulators, the municipality may repay the incumbent for any money actually expended as expenses of such election when such expenses are authorized by this section.

(2) (a) Authorized expenses shall include, but are not limited to, moneys spent in challenging the sufficiency of the recall petition and in presenting to the voters the official position of the incumbent, to include campaign literature and advertising and the maintaining of a campaign headquarters.

(b) Unauthorized expenses shall include, but are not limited to, moneys spent on challenges and court actions not pertaining to the sufficiency of the recall petition; personal expenses for meals, lodging, and mileage for the incumbent; costs of maintaining a campaign staff; reimbursement for expenses incurred by a campaign committee which has solicited contributions; reimbursement of any kind for employees in the incumbent's office; and all expenses incurred prior to the filing of the recall petition.

(3) The incumbent shall file a complete and detailed request for reimbursement with the governing body of the municipality holding the recall election or protest hearing, which shall then review the reimbursement request for appropriateness under subsection (2) of this section, and, in the event the municipality has determined by ordinance to repay such expenses, such municipality shall repay such expenses within forty-five days of receipt of the request.

(4) (Deleted by amendment, L. 91, p. 754, § 22, effective April 4, 1991.)

Source: **L. 75:** Entire title R&RE, p. 1175, § 1, effective July 1. **L. 84:** (3) amended, p. 837, § 1, effective July 1. **L. 91:** (1), (3), and (4) amended, p. 754, § 22, effective April 4.

ANNOTATION

Financial limitation on reimbursement unconstitutional. Statute which places a ten cent per voter limitation on reimbursement of expenses to an incumbent who prevails in a recall

election violates § 4 of article XXI, Colo. Const. *Passarelli v. Schoettler*, 742 P.2d 867 (Colo. 1987) (decided prior to deletion of subsection (4) in 1991).

31-4-505. Recall after six months - second petition. (1) No recall petition shall be circulated or filed and no pending recall proceedings shall be continued against any officer until the officer has actually held the office for at least six months following the officer's election or reelection.

(2) After one recall petition and election, no further petition shall be filed against the same officer during the term for which he was elected unless the petitioners signing said petition equal fifty percent of all ballots cast for that office at the last preceding regular election.

Editor's note: This section is similar to former § 31-5-205 as it existed prior to 1975.

31-4-506. Disclosure of contributions, contributions in kind, and expenditures. (Repealed)

Source: L. 2000: Entire section added, p. 795, § 13, effective August 2. **L. 2002:** Entire section repealed, p. 199, § 3, effective April 3.

31-4-507. Powers of clerk and deputy. (1) Except as otherwise provided in this article, the clerk shall render all interpretations and shall make all initial decisions as to controversies or other matters arising in the operation of this article.

(2) All powers and authority granted to the clerk by this article may be exercised by a deputy clerk in the absence of the clerk or in the event the clerk for any reason is unable to perform the duties of the clerk's office.

Source: L. 2000: Entire section added, p. 795, § 14, effective August 2.

MUNICIPAL ELECTIONS

ARTICLE 10

Municipal Election Code

PART 1

DEFINITIONS AND GENERAL PROVISIONS

- 31-10-101. Short title.
- 31-10-102. Definitions.
- 31-10-102.5. Acts and elections conducted pursuant to provisions which refer to qualified electors.
- 31-10-102.7. Applicability of the "Uniform Election Code of 1992".
- 31-10-103. Computation of time.
- 31-10-104. Powers of clerk and deputy.
- 31-10-105. Election commission.
- 31-10-106. Copies of election laws and manual provided.
- 31-10-107. Forms prescribed. (Repealed)
- 31-10-108. Special elections.
- 31-10-109. Submission of question on regular election date for municipalities.

PART 2

QUALIFICATIONS AND REGISTRATION OF ELECTORS

- 31-10-201. Qualifications of municipal electors.
- 31-10-202. Submission of question to qualified taxpaying electors - oath.
- 31-10-203. Registration required.

- 31-10-204. Municipal clerk as deputy county clerk and recorder.
- 31-10-205. Registration lists.
- 31-10-206. Delivery and custody of registration book or list.
- 31-10-207. Questions answered by elector.
- 31-10-208. Change of address.

PART 3

NOMINATIONS

- 31-10-301. Electors eligible to hold municipal office.
- 31-10-302. Nomination of municipal officers.
- 31-10-303. Withdrawal from nominations.
- 31-10-304. Vacancies in nominations.
- 31-10-305. Objections to nominations.
- 31-10-306. Write-in candidate affidavit.

PART 4

JUDGES

- 31-10-401. Appointment of election judges.
- 31-10-402. Number of judges.
- 31-10-403. Certificates of appointment.
- 31-10-404. Acceptances.
- 31-10-405. Vacancies.
- 31-10-406. Removal of judges.
- 31-10-407. Oath of judges.
- 31-10-408. Compensation of judges.

31-10-409. Compensation for delivery of election returns and other election papers.

PART 5

NOTICE AND PREPARATION FOR ELECTIONS

31-10-501. Clerk to give notice.
31-10-501.5. Ballot issue notice.
31-10-502. Establishing precincts and polling places.
31-10-503. Judges may change polling places.
31-10-504. Number of voting booths or voting machines.
31-10-505. Arrangement of voting machines or voting booths and ballot boxes.
31-10-506. Election expenses to be paid by municipality.
31-10-507. Election may be cancelled - when.

PART 6

CONDUCT OF ELECTIONS

31-10-601. Hours of voting.
31-10-602. Watchers at municipal elections.
31-10-603. Employee entitled to vote.
31-10-604. Judges open ballot box first.
31-10-605. Judge to keep pollbook.
31-10-606. Preparing to vote.
31-10-607. Manner of voting in precincts which use paper ballots.
31-10-608. Disabled voter - assistance.
31-10-609. Spoiled ballots.

31-10-611. Tally sheets.
31-10-612. Defective ballots.
31-10-613. Judges' certificate.
31-10-614. Delivery of election returns, ballot boxes, and other election papers.
31-10-615. Judges to post returns.
31-10-616. Preservation of ballots and election records.
31-10-617. Ranked voting methods.

PART 7

VOTING MACHINES

31-10-701. Use of voting machines.
31-10-702. Judges to inspect machines.
31-10-703. Sample ballots, ballot labels, and cards of instruction.
31-10-704. Instructions to vote.
31-10-705. Length of time to vote.
31-10-706. Judge to watch voting machines.

31-10-707. Clerk to supply seals for voting machines.

31-10-708. Close of polls and count of votes.

31-10-709. Election laws apply - separate absentee ballots permitted.

PART 8

ELECTRONIC SYSTEM

31-10-801. Use of electronic system.
31-10-802. Sample ballots.
31-10-803. Ballots - electronic voting.
31-10-804. Preparation for use - electronic voting.
31-10-805. Instructions to vote.
31-10-806. Ballots.
31-10-807. Distribution of ballots.
31-10-808. Cards of instruction.
31-10-809. Close of polls - count and seals in electronic voting.
31-10-810. Electronic vote counting - test.
31-10-811. Electronic vote counting - procedure.
31-10-812. Election laws apply - separate absentee ballots permitted.

PART 9

PAPER BALLOTS

31-10-901. Ballot boxes.
31-10-902. Ballots.
31-10-903. Ballots changed if candidate dies or withdraws.
31-10-904. Printing and distribution of ballots.
31-10-905. Substitute ballots.
31-10-906. Cards of instruction.

PART 10

ABSENTEE VOTING

31-10-1001. When absent electors may vote.
31-10-1002. Application for absentee ballot - delivery - list.
31-10-1003. Self-affirmation on return envelope.
31-10-1004. Manner of absentee voting by paper ballot.
31-10-1005. Absent voters' voting machines - electronic voting systems.
31-10-1006. Delivery to judges.
31-10-1007. Casting and counting absentee ballots.
31-10-1008. Challenge of absentee ballots - rejection - record.
31-10-1009. Oaths for absentee ballots. (Repealed)
31-10-1010. Emergency absentee voting.

PART 11

CHALLENGE OF VOTERS

- 31-10-1101. No voting unless registered.
- 31-10-1102. Right to vote may be challenged.
- 31-10-1103. Challenge to be made by written oath.
- 31-10-1104. Challenge questions asked voter.
- 31-10-1105. Oath of challenged voter.
- 31-10-1106. Refusal to answer questions or take oath.

PART 12

CANVASS OF VOTES

- 31-10-1201. Returns - canvass.
- 31-10-1202. Imperfect returns.
- 31-10-1203. Corrections.
- 31-10-1204. Tie - lots - notice to candidates.
- 31-10-1205. Statement - certificates of election.
- 31-10-1206. Fees of municipal judge.
- 31-10-1207. Recount.

PART 13

CONTESTS

- 31-10-1301. Who may contest - causes.
- 31-10-1302. District judge to preside - bond.
- 31-10-1303. Filing statement - contents.
- 31-10-1304. Summons - answer.
- 31-10-1305. Trial and appeals.
- 31-10-1306. Recount.
- 31-10-1307. Judgment.
- 31-10-1308. Ballot questions and ballot issues - how contested.

PART 14

OTHER JUDICIAL PROCEEDINGS

- 31-10-1401. Controversies.
- 31-10-1402. Correction of errors.

PART 15

ELECTION OFFENSES

- 31-10-1501. District attorney or attorney general to prosecute.
- 31-10-1502. Sufficiency of complaint - judicial notice.
- 31-10-1503. Immunity of witness from prosecution.
- 31-10-1504. Penalties for election offenses.

- 31-10-1505. Payment of fines.
- 31-10-1506. Perjury.
- 31-10-1507. Forgery.
- 31-10-1508. Tampering with nomination papers.
- 31-10-1509. Bribery of petition signers.
- 31-10-1510. Statements of expenses. (Repealed)
- 31-10-1511. Custody and delivery of ballots and other election papers.
- 31-10-1512. Destroying, removing, or delaying delivery of ballots and other election papers.
- 31-10-1513. Unlawfully refusing or permitting to vote.
- 31-10-1514. Revealing how elector voted.
- 31-10-1515. Violation of duty.
- 31-10-1516. Unlawful receipt of money.
- 31-10-1517. Disclosing or identifying vote.
- 31-10-1518. Delivering and receiving ballots at polls.
- 31-10-1519. Voting twice.
- 31-10-1520. Voting in the wrong precinct.
- 31-10-1521. Electioneering near polls.
- 31-10-1521.5. Anonymous statements concerning candidates or issues - penalties. (Repealed)
- 31-10-1522. Employer's unlawful acts.
- 31-10-1523. Intimidation.
- 31-10-1524. Unlawfully giving or promising money.
- 31-10-1525. Corrupt means of influencing vote.
- 31-10-1526. Interference with voter while voting.
- 31-10-1527. Introducing liquor into polls.
- 31-10-1528. Inducing defective ballot.
- 31-10-1529. Personating elector.

- 31-10-1539. Applicability.
- 31-10-1540. Political campaign signs - restrictions. (Repealed)

PART 1

DEFINITIONS AND GENERAL PROVISIONS

31-10-101. Short title. This article shall be known and may be cited as the “Colorado Municipal Election Code of 1965”.

Source: L. 75: Entire title R&RE, p. 1039, § 1, effective July 1.

Editor’s note: This section is similar to former § 31-10-101 as it existed prior to 1975.

31-10-102. Definitions. As used in this article, unless the context otherwise requires:

(1) “Clerk” means the clerk of the municipality who is the custodian of the official records of the municipality or any person delegated by the clerk to exercise any of his powers, duties, or functions.

(2) “Election official” means any clerk, election commission, judge of election, or municipal governing body engaged in the performance of election duties as required by this article.

(3) “Electronic voting system” means any ballot card electronic voting system meeting the requirements set forth in section 1-5-615, C.R.S.

(4) “Pollbook” means the list of voters to whom ballots are delivered or who are permitted to enter a voting machine booth for the purpose of casting their votes at a municipal election. Names shall be entered in the pollbook in the order in which the ballots are delivered at the polls or in the order in which voters are permitted to enter a voting machine booth for the purpose of casting their votes.

(5) “Population” means population as determined by the latest federal census.

(6) “Registration book” means all of the registration records for each general election precinct arranged alphabetically according to surnames and bound together in book form.

(7) “Registration list” means the list of registered electors of each municipal election precinct prepared by the county clerk and recorder from the county registration books in accordance with section 31-10-205.

(8) “Registration record” means the record on which is entered the official registration and identification of an individual elector and a list of the elections at which he has voted since the date of registration.

(8.5) “Residence” means the principal or primary home or place of abode of a person as set forth in section 31-10-201 (3).

(9) “Voter” means a registered elector who has presented himself at a polling place to vote in any regular or special election.

(10) “Voting machine” means any device fulfilling the requirements for voting machines set forth in part 4 of article 7 of title 1, C.R.S., regarding its use, construction, procurement, and trial.

(11) “Watcher” means a registered elector of the municipality whose name has been submitted to the clerk and then certified by the clerk to the appropriate election judges to serve at the polling place with the right to remain inside the polling place from at least fifteen minutes prior to the opening of the polls until after the completion of the count of votes cast at the election and the certification of the count by the judges. Each watcher has the right to maintain a list of voters as the names are announced by the judges and to witness each step in the conduct of the election.

Source: L. 75: Entire title R&RE, p. 1039, § 1, effective July 1. L. 79: (8.5) amended, p. 279, § 4, effective June 7. L. 80: (3) and (10) amended, p. 414, § 21, effective January 1, 1981. L. 81: (2) amended, p. 1498, § 1, effective July 1. L. 91: (6) and (8) amended, p. 640, § 83, effective May 1. L. 95: (3) amended, p. 856, § 97, effective July 1. L. 2009: (3) amended, (SB 09-292), ch. 369, p. 1978, § 107, effective August 5.

Editor's note: The provisions of this section are similar to provisions of several former sections as they existed prior to 1975. For a detailed comparison, see the comparative tables located in the back of the index.

ANNOTATION

Voting rights preserved by expressing intent to return. Elector, who had moved outside city and into a rental home while he awaited building of new home within the city, preserved his right to vote in the city by expressing an intent to retain the city as his official place of residence. *Gordon v. Blackburn*, 618 P.2d 668 (Colo. 1980).

But mere intention alone may not fulfill legal residence requirements. The mere intention to return to a former abode at some more or less indefinite time, with no other indicia of a home or domicile, may not fulfill the usual requirements of legal "residence" for voting purposes. *Gordon v. Blackburn*, 618 P.2d 668 (Colo. 1980).

Test for legal residence. This section requires an objective or "principal-or-primary-home" test for legal residence. *Gordon v. Blackburn*, 618 P.2d 668 (Colo. 1980).

Inquiry to be undertaken where nonresident elector wishes to retain former voting rights. The following inquiry is required to be undertaken if an elector has moved outside the boundaries of his voting precinct and wishes to retain his right to vote there: (1) Had the party established his principal or primary home or place of abode within the election precinct? and (2) was the individual's departure taken or does his absence continue with a present intention of returning to the precinct in the future? *Gordon v. Blackburn*, 618 P.2d 668 (Colo. 1980).

31-10-102.5. Acts and elections conducted pursuant to provisions which refer to qualified electors. Any elections, and any acts relating thereto, carried out under this article, which were conducted prior to July 1, 1987, pursuant to provisions which refer to a qualified elector rather than registered elector and which were valid when conducted, shall be deemed and held to be legal and valid in all respects.

Source: L. 87: Entire section added, p. 328, § 82, effective July 1.

31-10-102.7. Applicability of the "Uniform Election Code of 1992". Any municipality may provide by ordinance or resolution that it will utilize the requirements and procedures of the "Uniform Election Code of 1992", articles 1 to 13 of title 1, C.R.S., in lieu of this article, with respect to any election.

Source: L. 92: Entire section added, p. 874, § 104, effective January 1, 1993. L. 93: Entire section amended, p. 1707, § 1, effective July 1.

31-10-103. Computation of time. Calendar days shall be used in all computations of time made under the provisions of this article. In computing time for any act to be done before any municipal election, the first day shall be included, and the last, or election, day shall be excluded. Saturdays, Sundays, and legal holidays shall be included, but, if the time for any act to be done or the last day of any period is a Saturday, Sunday, or a legal holiday, the period is extended to include the next day which is not a Saturday, Sunday, or legal holiday. If the time for ending the circulation of and filing nomination petitions provided by section 31-10-302, the time for withdrawing from nomination provided by section 31-10-303 (1), the time prior to which vacancies in nominations may be filled and by which certificates of nomination or petitions to fill such vacancies may be filed as provided by section 31-10-304, or the time for filing amended or new petitions to remedy objections as provided by section 31-10-305 falls on Saturday, Sunday, or a legal holiday, such act shall be done upon the preceding day which is not a Saturday, Sunday, or legal holiday.

Source: L. 75: Entire title R&RE, p. 1039, § 1, effective July 1. L. 79: Entire section amended, p. 1175, § 10, effective July 1. L. 96: Entire section amended, p. 1769, § 64, effective July 1.

Editor's note: This section is similar to former § 31-10-104 as it existed prior to 1975.

Cross references: For computation of time under the “Uniform Election Code of 1992”, see § 1-1-106; for computation of time under the statutes generally, see § 2-4-108.

31-10-104. Powers of clerk and deputy. (1) Except where otherwise provided in this article, the clerk shall render all interpretations and shall make all initial decisions as to controversies or other matters arising in the operation of this article.

(2) All powers and authority granted to the clerk by this article may be exercised by a deputy clerk in the absence of the clerk or in the event the clerk for any reason is unable to perform his duties.

Source: L. 75: Entire title R&RE, p. 1040, § 1, effective July 1.

Editor’s note: This section is similar to former § 31-10-105 as it existed prior to 1975.

31-10-105. Election commission. The election commission in municipalities having such commission has all the powers and jurisdiction and shall perform all the duties provided by this article with respect to clerks and governing bodies, but the election commission does not have the authority to call a special election.

Source: L. 75: Entire title R&RE, p. 1040, § 1, effective July 1.

Editor’s note: This section is similar to former § 31-10-106 as it existed prior to 1975.

31-10-106. Copies of election laws and manual provided. At least sixty days before any regular election, the secretary of state shall provide each municipal clerk a copy of the municipal election laws of the state.

Source: L. 75: Entire title R&RE, p. 1040, § 1, effective July 1. L. 93: Entire section amended, pp. 1707, 1438, §§ 2, 132, effective July 1. L. 95: Entire section amended, p. 856, § 98, effective July 1.

Editor’s note: This section is similar to former § 31-10-107 as it existed prior to 1975.

31-10-107. Forms prescribed. (Repealed)

Source: L. 75: Entire title R&RE, p. 1040, § 1, effective July 1. L. 96: Entire section repealed, p. 1769, § 65, effective July 1.

Editor’s note: Before its repeal, this section was similar to former § 31-10-108 as it existed prior to 1975.

31-10-108. Special elections. Special elections shall be held on any Tuesday designated by ordinance or resolution of the governing body. No special election shall be held within the ninety days preceding a regular election. No special election shall be called within thirty days before the date thereof, nor shall any special election be held within the thirty-two days before or after the date of a primary, general, or congressional vacancy election. A special election may be held at the same time and place as a primary, congressional vacancy, or general election as a coordinated election pursuant to section 1-7-116, C.R.S., or may be conducted at the same time as a mail ballot election pursuant to article 7.5 of title 1, C.R.S. Special elections shall be conducted as nearly as practicable in the same manner as regular elections.

Source: **L. 75:** Entire title R&RE, p. 1040, § 1, effective July 1. **L. 81:** Entire section amended, p. 1502, § 18, effective June 19. **L. 95:** Entire section amended, p. 856, § 99, effective July 1. **L. 2000:** Entire section amended, p. 796, § 15, effective August 2. **L. 2005:** Entire section amended, p. 774, § 58, effective June 1.

Editor's note: This section is similar to former § 31-10-109 as it existed prior to 1975.

31-10-109. Submission of question on regular election date for municipalities.

(1) (a) Pursuant to section 31-11-111 (2), the governing body of each municipality, in consultation with the clerk and recorder of the county in which the municipality is located, may submit to a vote of the registered electors of the municipality for placement on the ballot the question of whether the regular election date of such municipality shall be changed to either the Tuesday succeeding the first Monday of November in each odd-numbered year or the Tuesday succeeding the first Monday of November in each even-numbered year.

(b) Where a majority of the registered electors voting on the question submitted in accordance with the requirements of paragraph (a) of this subsection (1) approve a change in the regular election date of the municipality, the governing body of the municipality shall by ordinance establish its new regular election date in accordance with the vote of the registered electors and may include in the ordinance any alteration in the terms of office of officials that may be necessary to accomplish the change in election dates in an orderly manner. In no event shall the ordinance shorten the term of any elected official in office at the time of its adoption.

(2) Procedures for submitting the question described in paragraph (a) of subsection (1) of this section to the registered electors of the municipality shall follow the procedures set forth in article 11 of this title pertaining to municipal initiatives.

(3) Any municipality that has changed its regular election date in accordance with the requirements of this section may change its regular election date pursuant to the procedures specified in subsection (1) of this section for the sole purpose of making the regular election date of the municipality the regular election date in effect prior to the change in such date commenced under this section.

Source: **L. 2004:** Entire section added, p. 809, § 4, effective July 1.

PART 2

QUALIFICATIONS AND REGISTRATION OF ELECTORS

31-10-201. Qualifications of municipal electors. (1) Every person who has attained the age of eighteen years possessing the following qualifications is entitled to register to vote at all municipal elections:

(a) He is a citizen of the United States.

(b) The person has resided in this state for thirty days and in the municipal election precinct for thirty days immediately preceding the election at which the person offers to vote. An otherwise qualified and registered elector who moves from the municipal election precinct where registered to another precinct within the same municipality within thirty days prior to any regular or special election shall be permitted to cast a ballot for such election at the polling place in the precinct where registered.

(2) No person confined in any public prison is entitled to register or to vote at any regular or special election. Every person who was a qualified elector prior to such imprisonment and who is released by pardon or by having served his full term of imprisonment shall be vested with all the rights of citizenship except as otherwise provided in the state constitution.

(3) The judges of election, in determining the residence of a person offering to vote, shall be governed by the following rules, so far as they may be applicable:

(a) The residence of a person is the principal or primary home or place of abode of a person. Principal or primary home or place of abode is that home or place in which his

habitation is fixed and to which a person, whenever he is absent, has the present intention of returning after a departure or absence therefrom, regardless of the duration of absence. In determining what is a principal or primary place of abode of a person, the following circumstances relating to such person may be taken into account: Business pursuits, employment, income sources, residence for income or other tax purposes, age, marital status, residence of parents, spouse, and children, if any, leaseholds, situs of personal and real property, and motor vehicle registration.

(b) A person shall not be considered to have lost his residence if he leaves his home and goes into another state or territory or another county or municipality of this state merely for temporary purposes with an intention of returning.

(c) A person shall not be considered to have gained a residence in this state or in any municipality in this state while retaining his home or domicile elsewhere.

(d) If a person moves to any other state or territory with the intention of making it his permanent residence, he shall be considered to have lost his residence in the municipality from which he moved.

(e) If a person moves from one municipality in this state to any other municipality in this state with the intention of making it his permanent residence, he shall be considered and held to have lost his residence in the municipality from which he moved.

(4) (a) For the purpose of voting and eligibility to office, no person is deemed to have gained a residence by reason of his presence or lost it by reason of his absence while in the civil or military service of this state or of the United States, nor while a student at any institution of higher education, nor while kept at public expense in any public prison or state institution unless the person is an employee or a member of the household of an employee of such prison or institution.

(b) The provisions of paragraph (a) of this subsection (4) notwithstanding, no person otherwise qualified under the provisions of this article shall be denied the right to vote at any municipal election solely because he is a student at an institution of higher education if such student, at any time when registration is provided for by law, files with the county clerk and recorder a written affidavit under oath, in such form as may be prescribed, that he has established a domicile in this state, that he has abandoned his parental or former home as a domicile, and that he is not registered as an elector in any other municipality of this state or of any other state. The fact that such affidavit has been filed shall be noted in the registration book.

(c) No provisions of this subsection (4) shall apply to the determination of residence or nonresidence status of students for any college or university purpose.

Source: L. 75: Entire title R&RE, p. 1040, § 1, effective July 1. L. 79: (3)(a) R&RE, p. 279, § 5, effective June 7. L. 81: (3)(d) and (3)(e) amended, p. 1498, § 2, effective July 1. L. 92: (1)(b) amended, p. 2178, § 39, effective June 2. L. 94: (1)(b) amended, p. 1773, § 38, effective January 1, 1995.

Editor's note: This section is similar to former § 31-10-201 as it existed prior to 1975.

Cross references: For the classification of students for tuition purposes, see article 7 of title 23.

ANNOTATION

One does not lose voting rights by reason of departure or absence from primary home, once it has been established. *Gordon v. Blackburn*, 618 P.2d 668 (Colo. 1980).

Voting rights preserved by expressing intent to return. Elector, who had moved outside city and into a rental home while he awaited building of new home within the city, preserved his right to vote in the city by expressing an intent to retain the city as his "official place of

residence". *Gordon v. Blackburn*, 618 P.2d 668 (Colo. 1980).

But mere intention alone may not fulfill legal residence requirements. The mere intention to return to a former abode at some more or less indefinite time, with no other indicia of a home or domicile, may not fulfill the usual requirements of "legal residence" for voting purposes. *Gordon v. Blackburn*, 618 P.2d 668 (Colo. 1980).

Test for legal residence. This section requires an objective or “principal-or-primary-home” test for legal residence. Gordon v. Blackburn, 618 P.2d 668 (Colo. 1980).

Inquiry to be undertaken where nonresident elector wishes to retain former voting rights. The following inquiry must be undertaken if an elector has moved outside the boundaries of his voting precinct and wishes to retain his right to vote there: (1) Had the party established his principal or primary home or place of abode within the election precinct? and (2) was the individual’s departure taken or does his absence continue with a “present intention of returning” to the precinct in the future? Gordon v. Blackburn, 618 P.2d 668 (Colo. 1980).

Because they have sufficient evidentiary support, trial court’s findings that defendant

had satisfied residency requirements necessary to hold office in Telluride, Colorado, and had not abandoned her principal or primary home in Colorado will not be disturbed. Trial court found defendant became a resident of Colorado in May of 1998. Defendant’s return to New York was intended to be temporary and she did not lose her residency by her return to New York. Although defendant’s voting and tax returns suggested New York residency, those acts were not sufficient to abandon her residency in Colorado. Circumstances justified trial court’s conclusion that Telluride was defendant’s principal or primary home. Zivian v. Brooke-Hitching, 28 P.3d 970 (Colo. App. 2001).

31-10-202. Submission of question to qualified taxpaying electors - oath. (1) On any question which is required by law to be submitted to qualified taxpaying electors only, if the question is submitted on paper ballots, such ballots shall be deposited in a separate ballot box reserved for that purpose. If the question is submitted on voting machines, provision shall be made to assure that only registered taxpaying electors are permitted to vote on such question. If the question is to be submitted in precincts using an electronic voting system, provision shall be made to assure that only registered taxpaying electors are permitted to vote on such question.

(2) The governing body, in its discretion, may require each registered taxpaying elector desiring to vote on a question which is submitted to qualified taxpaying electors only to sign a written oath that he has, during the twelve months next preceding the election, paid an ad valorem tax upon property situated within the municipality and owned by said person. If said elector is unable to write, he may request assistance from one of the judges of election, and such judge shall sign and witness said elector’s mark.

Source: L. 75: Entire title R&RE, p. 1042, § 1, effective July 1.

Editor’s note: This section is similar to former § 31-10-202 as it existed prior to 1975.

31-10-203. Registration required. (1) Except where a statute specifically provides otherwise, no person shall be permitted to vote at any municipal election without first having registered within the time and in the manner required by this section and sections 31-10-204 and 31-10-205.

(2) Registration requirements for municipal elections shall be the same as those governing general elections. Registration with the county clerk and recorder shall constitute registration for municipal elections.

(3) Where a statute specifically allows persons who have qualifications different from registered electors to vote on a particular measure, the governing body may require that each such person desiring to vote sign a written oath before voting that he meets each qualification required to vote on the measure.

Source: L. 75: Entire title R&RE, p. 1042, § 1, effective July 1. **L. 81:** (1) amended and (3) added, p. 1498, § 3, effective July 1.

Editor’s note: This section is similar to former § 31-10-203 as it existed prior to 1975.

Cross references: For general election registration requirements, see part 2 of article 2 of title 1.

31-10-204. Municipal clerk as deputy county clerk and recorder. Each clerk shall serve as a deputy county clerk and recorder for purposes of registration only in the county

in which the clerk's municipality is located. The clerk shall register any qualified elector residing in any precinct in such county who appears in person at the clerk's office at any time during which registration is permitted in the office of the county clerk and recorder. The clerk shall deliver the new registration records to the office of the county clerk and recorder either in person or by certified mail on or before the fifteenth day of each month and in person on the day following the last day for registration preceding any election for which registration is required.

Editor's note: This section is similar to former § 31-10-204 as it existed prior to 1975.

31-10-205. Registration lists. The county clerk and recorder of each county, no later than the fifth day preceding any municipal election in his or her county or upon receipt of the notice made pursuant to section 31-4-503 (3) (b), shall prepare a complete copy of the list of the registered electors of each municipal election precinct which is located within his or her county and is involved in such municipal election; but, in any municipal election precinct consisting of one or more whole general election precincts, the county registration books for such precinct may be used in lieu of a separate registration list. The registration list for each municipal election precinct shall contain, in alphabetical order, the names and addresses of all registered electors residing within the municipal election precinct whose names appeared on the county registration records at the close of business on the twenty-ninth day preceding the municipal election or, when notice is received pursuant to section 31-4-503 (3) (b), at the close of business on the date preceding receipt of such notice. The county clerk and recorder shall certify and deliver such registration lists or registration books to the respective clerks on or before the fifth day preceding the election.

Source: **L. 75:** Entire title R&RE, p. 1042, § 1, effective July 1. **L. 87:** Entire section amended, p. 328, § 84, effective July 1. **L. 91:** Entire section amended, p. 754, § 23, effective April 4. **L. 94:** Entire section amended, p. 1773, § 40, effective January 1, 1995. **L. 95:** Entire section amended, p. 857, § 101, effective July 1.

Editor's note: This section is similar to former § 31-10-205 as it existed prior to 1975.

31-10-206. Delivery and custody of registration book or list. (1) Prior to the delivery of the registration books or registration lists to the judges of election for use on election day, the clerk shall attach to each book or list his certificate stating that such book or list contains the registration records or names of all registered electors residing in the municipal election precinct and stating the total number of registration records or names contained therein.

(2) At such time as may be set by the clerk, but at least one day prior to the election, one of the judges of election from each precinct may call in person at the office of the clerk for the purpose of receiving the registration book or list and election supplies, or the clerk may deliver the same to one of said judges. The registration book or list shall be delivered to said judge in a sealed envelope or container. Said judge shall have custody of the registration book or list and shall give his receipt therefor. After the closing of the polls on the day of election, he shall seal the registration book or list and deliver it to the election judge selected to deliver the election returns, registration book or list, ballot boxes, if any, and other election papers and supplies to the office of the clerk or to such other place as the clerk may designate as the counting center.

Source: **L. 75:** Entire title R&RE, p. 1043, § 1, effective July 1. **L. 79:** (2) amended, p. 1176, § 11, effective July 1. **L. 91:** (1) amended, p. 640, § 85, effective May 1.

Editor's note: This section is similar to former § 31-10-506 as it existed prior to 1975.

31-10-207. Questions answered by elector. It is the duty of the clerk to ask each person making application for registration, and the person shall answer correctly, the matters contained in section 1-2-204, C.R.S.

Source: **L. 75:** Entire title R&RE, p. 1043, § 1, effective July 1. **L. 80:** Entire section amended, p. 414, § 22, effective January 1, 1981. **L. 95:** Entire section amended, p. 857, § 102, effective July 1.

Editor's note: This section is similar to former § 31-10-206 as it existed prior to 1975.

31-10-208. Change of address. For the twenty-nine days before and on the day of any municipal election, any registered elector, by appearing in person at the office of the county clerk and recorder, may complete a sworn affidavit for change of address within the county in which the elector is registered, stating that the elector has moved prior to the thirtieth day before the election and that the elector has lived at the new address in the new precinct within the municipality for at least thirty days. Upon the receipt of the request, the county clerk and recorder shall verify the registration of the elector and shall, upon verification, issue or authorize a certificate of registration, showing the information required in section 1-2-216, C.R.S., plus the change of address. The judges shall allow the registered elector to vote in the precinct where the new address is located. The judges of election shall use the certificate of registration as a substitute registration page, entering the date of the election and pollbook ballot number on the certificate and including it with the registration book when it is returned to the clerk following the election.

PART 3

NOMINATIONS

31-10-301. Electors eligible to hold municipal office. Every registered elector eighteen years of age or older on the date of the election may be a candidate and hold office in any municipality, unless another age is required by local charter or ordinance, if he has resided in the municipality or municipality and ward, as the case may be, from which he is to be elected for a period of at least twelve consecutive months immediately preceding the date of the election. In case of an annexation, any person who has resided within the territory annexed for the prescribed time shall be deemed to have met the residence requirements for the municipality and precinct to which the territory was annexed. No person may be a candidate for two municipal offices at the same election nor hold two elective municipal offices simultaneously; except that, in statutory cities, the offices of clerk and treasurer may be sought and held by the same person.

Source: **L. 75:** Entire title R&RE, p. 1043, § 1, effective July 1. **L. 83:** Entire section amended, p. 1259, § 14, effective July 1. **L. 89:** Entire section amended, p. 1292, § 13, effective April 6.

Editor's note: This section is similar to former § 31-10-301 as it existed prior to 1975.

ANNOTATION

Annotator's note. Since § 31-10-301 is similar to former § 31-10-301 prior to the 1975 repeal and reenactment of this title, a relevant case construing that provision has been included in the annotations to this section.

Three-year durational residency requirement unconstitutional. The three-year durational residency requirement for candidates for the office of mayor and councilman of Aspen as set forth in article III, § 3.5 of Aspen's home-rule charter is unconstitutional as a violation of the equal protection clause of the fourteenth amendment of the United States constitution. *Cowan v. City of Aspen*, 181 Colo. 343, 509 P.2d 1269 (1973).

Qualification to have reasonable relation to object sought. Any prescribed qualification for

the holding of a public office must have a reasonable relation to the object sought to be accomplished by the imposition of the qualification. *Cowan v. City of Aspen*, 181 Colo. 343, 509 P.2d 1269 (1973).

There must be a present and compelling governmental interest to justify durational residency requirement because the right to hold public office, by either appointment or election, is one of the valuable and fundamental rights of citizenship, and this right may not be infringed upon by invidious discriminatory disqualifications. *Cowan v. City of Aspen*, 181 Colo. 343, 509 P.2d 1269 (1973).

31-10-302. Nomination of municipal officers. (1) Candidates for municipal offices shall be nominated, without regard to affiliation, by petition on forms supplied by the clerk. A petition of nomination may consist of one or more sheets, but it shall contain the name and address of only one candidate and shall indicate the office to which the candidate is seeking election. The petition may designate one or more persons as a committee to fill a vacancy in the nomination.

(2) Nomination petitions may be circulated and signed beginning on the fiftieth day and ending on the thirtieth day prior to the day of election. Each petition shall be signed by registered electors in the following numbers:

(a) For a candidate in a city, at least twenty-five registered electors residing within the city;

(b) For a candidate from a ward within a city, at least twenty-five registered electors residing in the candidate's ward;

(c) For a candidate in a town, at least ten registered electors residing within the town; and

(d) For a candidate from a ward within a town, at least ten registered electors residing in the candidate's ward.

(3) Each registered elector signing a petition shall sign such registered elector's own signature and shall print or, if such elector is unable to do so, shall cause to be printed such elector's legal name, the address at which such registered elector resides, including the street name and number, the city or town, the county, and the date of the signing. The registered elector, or the person printing on behalf of the registered elector, may use any abbreviations that reasonably identify the residence of the registered elector, and the date the registered elector signed the petition. The circulator of each nomination petition shall make an affidavit that each signature thereon is the signature of the person whose name it purports to be and that each signer has stated to the circulator that the signer is a registered elector of the municipality or municipality and ward, as the case may be, for which the nomination is made. The signature of each signer of a petition shall constitute prima facie evidence of his qualifications without the requirement that each signer make an affidavit as to his qualifications.

(4) No petition is valid that does not contain the requisite number of signatures of registered electors. The clerk shall inspect timely filed petitions of nomination to ensure compliance with this section. Such inspection may consist of an examination of the information on the signature lines for patent defects, a comparison of the information on the signature lines with a list of registered electors provided by the county, or any other method of inspection reasonably expected to ensure compliance with this section. Any petition may be amended to correct or replace those signatures which the clerk finds are not in apparent conformity with the requirements of this section at any time prior to twenty-two days before the day of election.

(5) No registered elector shall sign more than one nomination petition for each separate office to be filled in his municipality or municipality and ward, as the case may be. Each office of the governing body that is to be filled by the electorate shall be considered a separate office for the purpose of nomination. In municipalities in which offices of the governing body are filled both by election from wards and election at large, an elector may sign a nomination petition for each office to be filled from his ward and also for each office to be filled by election at large. If a registered elector's signature appears on more than one nomination petition for a particular office, the clerk may utilize the date of signing indicated on the nomination petitions to determine which signature was valid when affixed to the nomination petitions. If the date of signing does not clarify which signature was valid, all signatures of such registered elector shall be rejected.

(6) Each nomination petition shall be filed with the clerk no later than the thirtieth day prior to the day of election. Every petition shall have endorsed thereon or appended thereto the written affidavit of the candidate accepting the nomination and swearing that the candidate satisfies the requirements set forth in section 31-10-301 to be a candidate and hold office in the municipality. The acceptance of nomination shall contain the place of residence of the candidate and the name of the candidate in the form that the candidate wishes it to appear on the ballot. The candidate's name may be a nickname or include a nickname but shall not contain any title or degree designating the business or profession of the candidate.

(7) The clerk shall cause all nomination petitions to be preserved for a period of two years. All such petitions shall be open to public inspection under proper regulation by the clerk with whom they are filed.

(8) Nomination petitions for candidates whose name will be on the ballot at a coordinated election pursuant to articles 1 to 13 of title 1, C.R.S., shall be circulated, signed, and filed with the municipal clerk within the period set forth in section 1-4-805, C.R.S.

Editor's note: This section is similar to former § 31-10-302 as it existed prior to 1975.

ANNOTATION

Applied in *Theobald v. Byrns*, 195 Colo. 330, 579 P.2d 609 (1978).

31-10-303. Withdrawal from nominations. (1) Any person who has been nominated and who has accepted a nomination may cause his name to be withdrawn from such nomination at any time prior to twenty-three days before election by a written affidavit withdrawing from such nomination. The affidavit stating withdrawal shall be signed by the candidate and filed with the clerk.

(2) If the nomination petition designates one or more persons as a committee to fill a vacancy, the clerk shall immediately notify such persons of their candidate's withdrawal. If there is no committee designated, the clerk shall immediately notify the three persons whose names appear at the top of the nomination petition of the withdrawal of their candidate.

Source: L. 75: Entire title R&RE, p. 1044, § 1, effective July 1. L. 79: (1) amended, p. 1176, § 12, effective July 1.

Editor's note: This section is similar to former § 31-10-303 as it existed prior to 1975.

31-10-304. Vacancies in nominations. (1) If any candidate dies or withdraws from the nomination prior to twenty-three days before the day of election, the vacancy may be filled by the vacancy committee, if any, designated on the nomination petition or, if no vacancy committee is designated, by petition in the same manner required for original nomination. If any petition of nomination is insufficient or inoperative because of failure to remedy or cure the same, the vacancy thus occasioned may be filled by petition in the same manner required for original nomination.

(2) Any certificate of nomination or petition to fill a vacancy shall be filed with the clerk not later than the twentieth day before the day of election.

Source: L. 75: Entire title R&RE, p. 1044, § 1, effective July 1. L. 79: Entire section amended, p. 1176, § 13, effective July 1.

Editor's note: This section is similar to former § 31-10-304 as it existed prior to 1975.

31-10-305. Objections to nominations. All petitions of nomination and affidavits which are in apparent conformity with the provisions of section 31-10-302, as determined by the clerk, are valid unless objection thereto is duly made in writing within three days after the filing of the same. In case objection is made, notice thereof shall be forthwith mailed to any candidate who may be affected thereby. The clerk shall decide objections within at least forty-eight hours after the same are filed, and any objections sustained may be remedied or defect cured upon the original petition, by an amendment thereto, or by filing a new petition within three days after the objection is sustained, but in no event later than the eighteenth day before the day of election. The clerk shall pass upon the validity of all objections, whether of form or substance, and the clerk's decisions upon matters of form shall be final. The clerk's decisions upon matters of substance shall be open to review if prompt application is made, as provided in section 31-10-1401, but the remedy in all cases shall be summary, and the decision of the district court shall be final and not subject to review by any other court; except that the supreme court, in the exercise of its discretion, may review any proceeding in a summary way.

Source: L. 75: Entire title R&RE, p. 1045, § 1, effective July 1. L. 77: Entire section amended, p. 286, § 59, effective June 29. L. 79: Entire section amended, p. 1176, § 14, effective July 1. L. 93: Entire section amended, p. 1708, § 5, effective July 1.

Editor's note: This section is similar to former § 31-10-305 as it existed prior to 1975.

ANNOTATION

Action not brought pursuant to section. Whatever conflict of jurisdiction appears to exist in this section in connection with rulings on "objections to nominating petitions", the action is not brought pursuant to it where from the face of the petition it appears that this is a controversy between the candidate and the "official charged with any duty or function" in the par-

ticular election and, also, that the petitioner seeks to correct errors in the publication of the names and descriptions of the candidates. *Birkenmayer v. Carter*, 165 Colo. 459, 439 P.2d 991 (1968).

Applied in *Theobald v. Byrns*, 195 Colo. 330, 579 P.2d 609 (1978).

31-10-306. Write-in candidate affidavit. The governing body of a municipality may provide by ordinance that no write-in vote for any municipal office shall be counted unless an affidavit of intent has been filed with the clerk by the person whose name is written in prior to twenty days before the day of the election indicating that such person desires the office and is qualified to assume the duties of that office if elected.

Source: L. 81: Entire section added, p. 1499, § 5, effective July 1. L. 91: Entire section amended, p. 755, § 25, effective April 4.

PART 4

JUDGES

31-10-401. Appointment of election judges. At least fifteen days before each municipal election, the governing body shall appoint the judges of election. Each judge of election shall be an elector registered to vote in Colorado and shall be at least eighteen years of age. The clerk shall make and file in his office a list of all persons so appointed, giving their names, addresses, and precincts. Such list shall be a public record and shall be subject to inspection and examination during office hours by any qualified elector of the municipality with the right to make copies thereof. The governing body may by resolution delegate to the clerk the authority and responsibility to appoint judges of election.

Source: L. 75: Entire title R&RE, p. 1045, § 1, effective July 1. L. 81: Entire section amended, p. 1499, § 6, effective July 1. L. 87: Entire section amended, p. 329, § 87, effective July 1. L. 2000: Entire section amended, p. 797, § 17, effective August 2.

Editor's note: This section is similar to former § 31-10-401 as it existed prior to 1975.

31-10-402. Number of judges. The governing body, or the clerk if authorized pursuant to section 31-10-401, shall appoint for each municipal election precinct at least three judges of election and such additional judges as deemed necessary.

Source: L. 75: Entire title R&RE, p. 1045, § 1, effective July 1. L. 79: (1) R&RE, p. 1177, § 15, effective July 1. L. 81: Entire section R&RE, p. 1500, § 7, effective July 1.

Editor's note: This section is similar to former § 31-10-402 as it existed prior to 1975.

31-10-403. Certificates of appointment. Immediately after the appointment of the judges of election, the clerk shall issue certificates under his official seal certifying such appointments in each precinct. He shall mail one certificate to each person appointed.

Source: L. 75: Entire title R&RE, p. 1045, § 1, effective July 1. L. 81: Entire section amended, p. 1500, § 8, effective July 1.

Editor's note: This section is similar to former § 31-10-403 as it existed prior to 1975.

31-10-404. Acceptances. With each certificate of appointment transmitted by the clerk to the judges of election, there shall be enclosed a form for acceptance of the appointment. Each person appointed as an election judge shall file his acceptance in the office of the clerk within seven days after the mailing by the clerk of the certificate of appointment and the acceptance form. Failure of any person appointed as a judge of election to file an acceptance within said seven days shall result in a vacancy. Such vacancy shall be filled in the same way the original appointment was made.

Source: L. 75: Entire title R&RE, p. 1045, § 1, effective July 1. L. 81: Entire section amended, p. 1500, § 9, effective July 1.

Editor's note: This section is similar to former § 31-10-404 as it existed prior to 1975.

31-10-405. Vacancies. If for any reason any person appointed as a judge of election refuses, fails, or is unable to serve, it is the duty of the person or any other judge of election to immediately notify the clerk. The clerk shall forthwith appoint another qualified person to serve in the place of the person.

Source: **L. 75:** Entire title R&RE, p. 1046, § 1, effective July 1. **L. 81:** Entire section amended, p. 1500, § 10, effective July 1. **L. 93:** Entire section amended, p. 1709, § 6, effective July 1.

Editor's note: This section is similar to former § 31-10-405 as it existed prior to 1975.

31-10-406. Removal of judges. Any judge of election who has neglected his duty, or has committed, encouraged, or connived at any fraud in connection therewith, or has violated any of the election laws, or has knowingly permitted others to do so, or has been convicted of any felony, or has violated his oath, or has committed any act which interferes or tends to interfere with a fair and honest election shall be summarily removed by the clerk.

Source: **L. 75:** Entire title R&RE, p. 1046, § 1, effective July 1. **L. 81:** Entire section amended, p. 1500, § 11, effective July 1.

Editor's note: This section is similar to former § 31-10-406 as it existed prior to 1975.

31-10-407. Oath of judges. (1) Before any votes are taken at any municipal election, the judges of election shall severally take an oath or affirmation in the following form:

"I, ..., do solemnly swear (or affirm) that I am a citizen of the United States and the state of Colorado; that I am a registered elector in Colorado; that I will perform the duties of judge according to law and the best of my ability; that I will studiously endeavor to prevent fraud, deceit, and abuse in conducting the same; that I will not try to ascertain how any elector voted, nor will I disclose how any elector voted if, in the discharge of my duties as judge, such knowledge shall come to me, unless called upon to disclose the same before some court; and that I will not disclose the result of the votes until the polls have closed."

(2) The judges of election may administer the oaths or affirmations to each other. Each judge shall record and sign any such oaths or affirmations administered by him and shall attach the record to the pollbook.

Source: **L. 75:** Entire title R&RE, p. 1046, § 1, effective July 1. **L. 81:** Entire section amended, p. 1500, § 12, effective July 1. **L. 93:** (1) amended, p. 1709, § 7, effective July 1.

Editor's note: This section is similar to former § 31-10-407 as it existed prior to 1975.

31-10-408. Compensation of judges. The judges of election at any municipal election shall receive in full compensation for their services as judges of election not less than five dollars and not more than the maximum amount allowed by statute for payment to the judges of the general election of the state of Colorado, as determined by the governing body of the municipality.

Source: **L. 75:** Entire title R&RE, p. 1046, § 1, effective July 1. **L. 81:** Entire section amended, p. 1501, § 13, effective July 1.

Editor's note: This section is similar to former § 31-10-408 as it existed prior to 1975.

31-10-409. Compensation for delivery of election returns and other election papers. The judges of election in each precinct shall select one of their number to deliver the election returns, registration book or list, ballot boxes, if any, and other election papers and supplies to the office of the clerk or to such other place as the clerk may designate as the counting center. The judge so selected shall be paid not more than four dollars for the performance of such service.

Source: **L. 75:** Entire title R&RE, p. 1046, § 1, effective July 1. **L. 79:** Entire section amended, p. 1177, § 16, effective July 1.

Editor's note: This section is similar to former § 31-10-409 as it existed prior to 1975.

PART 5

NOTICE AND PREPARATION FOR ELECTIONS

31-10-501. Clerk to give notice. (1) The clerk, at least ten days before each municipal election, shall give written or printed notice of the election stating the date of the election and the hours during which the polls will be open, designating the polling place of each precinct, stating the qualifications of persons to vote in the election, naming the officers to be elected and the questions to be voted upon, and listing the names of those candidates whose nominations have been certified to him, which listing shall be as nearly as possible in the form in which such nominations shall appear upon the official ballot with reference to wards where applicable. A copy of such notice shall be posted until after the election in a conspicuous place in the office of the clerk.

(2) In addition, the notice shall be published in at least one newspaper having general circulation in the municipality. If the clerk finds it impracticable to make the publication on the tenth day before the election day, he shall make the same on the earliest possible day before the tenth day. The publications in any weekly newspaper shall be in the next to last issue thereof before the day of election.

(3) All polling places shall be designated by a sign conspicuously posted at least ten days before each municipal election. Such sign shall be substantially in the following form: "POLLING PLACE FOR PRECINCT NO. ...". In addition, such sign shall state the date of the next election and the hours the polling place will be open.

Source: **L. 75:** Entire title R&RE, p. 1047, § 1, effective July 1. **L. 81:** Entire section amended, p. 1501, § 14, effective July 1.

Editor's note: This section is similar to former § 31-10-501 as it existed prior to 1975.

ANNOTATION

The purpose of requiring that legal notices be published in newspapers of general circulation is not to benefit the papers but to insure that the public is aware of matters of legal

importance. *Resident Participation of Denver, Inc. v. Love*, 322 F. Supp. 1100 (D. Colo. 1971) (decided under law in effect prior to the 1975 repeal and reenactment).

31-10-501.5. Ballot issue notice. (1) Any ballot issue notice, as defined in section 1-1-104 (2.5), C.R.S., relating to a municipal ballot issue, as defined in section 1-1-104 (2.3), C.R.S., shall be prepared and distributed in a manner consistent with part 9 of article 7 of title 1, C.R.S.

(2) In addition to the requirements set forth in subsection (1) of this section, a municipality submitting a ballot issue concerning the creation of any debt or other financial obligation at an election in the municipality shall post notice in accordance with the requirements of section 1-7-908, C.R.S.

Source: **L. 94:** Entire section added, p. 1192, § 93, effective July 1. **L. 2003:** Entire section amended, p. 750, § 6, effective August 6.

31-10-502. Establishing precincts and polling places. (1) (a) The governing body of each municipality shall divide the municipality into as many election precincts for municipal elections as it deems expedient for the convenience of electors of said municipality and shall designate the location and address for each precinct at which elections are to be held. Municipal election precincts shall consist of one or more whole general election

precincts wherever practicable, and clerks and governing bodies shall cooperate with the county clerk and recorder and board of county commissioners of their county to accomplish this purpose. In municipalities having wards, no precinct or part thereof shall be located within more than one ward, and each ward shall contain at least one precinct. The precincts shall be numbered consecutively beginning with the number one. The precincts and polling places established pursuant to this section shall remain until changed by the governing body.

(b) and (c) Repealed.

(2) (a) Changes in the boundaries of election precincts or wards and the creation of new election precincts shall be completed not less than ninety days prior to any municipal election, except in cases of precinct changes resulting from annexations.

(b) All changes in precinct or ward boundaries and in municipal boundaries shall be reported by the clerk to the county clerk and recorder, and a corrected map shall be transmitted to the county clerk and recorder as soon as possible after such changes have been effected.

(3) It is the duty of the governing body to change any polling place upon petition of a majority of the registered electors residing within the precinct.

Source: L. 75: Entire title R&RE, p. 1046, § 1, effective July 1. L. 79: (1)(b) and (1)(c) repealed, p. 1182, § 28, effective July 1. L. 81: (3) amended, p. 1502, § 15, effective July 1.

Editor's note: This section is similar to former § 31-10-502 as it existed prior to 1975.

ANNOTATION

Law reviews. For article, "Redistricting: A Municipal Perspective", see 31 Colo. Law. 49 (February 2002).

31-10-503. Judges may change polling places. (1) When it becomes impossible or inconvenient to hold an election at the place designated therefor, the judges of election, after notifying the clerk and after having assembled at or as near as practicable to such place and before receiving any vote, may move to the nearest convenient place for holding the election and at such newly designated place forthwith proceed with the election.

(2) Upon moving to a new polling place, the judges shall display a proclamation of the change and shall station a police officer or some other proper person at the original polling place to notify all registered electors of the new location for holding the election.

Source: L. 75: Entire title R&RE, p. 1048, § 1, effective July 1. L. 81: (1) amended, p. 1502, § 16, effective July 1.

Editor's note: This section is similar to former § 31-10-503 as it existed prior to 1975.

31-10-504. Number of voting booths or voting machines. (1) In municipalities which use paper ballots, the governing body shall provide in each polling place a sufficient number of voting booths. Each voting booth shall be situated so as to permit voters to prepare their ballots screened from observation and shall be furnished with such supplies and conveniences as will enable the voter to prepare his ballot for voting.

(2) In municipalities which use voting machines, the governing body shall supply each precinct with a sufficient number of voting machines.

(3) In municipalities which use an electronic voting system, the governing body shall provide adequate materials and equipment for the orderly conduct of voting.

Editor's note: This section is similar to former § 31-10-504 as it existed prior to 1975.

31-10-505. Arrangement of voting machines or voting booths and ballot boxes. The voting machines or the voting booths and ballot box shall be situated in the polling place so as to be in plain view of the election officials and watchers. No person other than the election officials and those admitted for the purpose of voting shall be permitted within the immediate voting area, which shall be considered as within six feet of the voting machines or the voting booths and ballot box, except by authority of the judges of election, and then only when necessary to keep order and enforce the law.

Editor's note: This section is similar to former § 31-10-505 as it existed prior to 1975.

31-10-506. Election expenses to be paid by municipality. The cost of conducting a municipal election, including the cost of printing and supplies, shall be paid by the municipality in which such election is held.

Source: L. 75: Entire title R&RE, p. 1048, § 1, effective July 1.

Editor's note: This section is similar to former § 31-10-513 as it existed prior to 1975.

31-10-507. Election may be cancelled - when. In any ordinance adopted by the governing body of the municipality requiring an affidavit of intent for write-in candidates as provided in section 31-10-306, the governing body may also provide that, if the only matter before the voters is the election of persons to office and if, at the close of business on the nineteenth day before the election, there are not more candidates than offices to be filled at such election, including candidates filing affidavits of intent, the clerk, if instructed by resolution of the governing body either before or after such date, shall cancel the election and by resolution declare the candidates elected. If so provided by ordinance, upon such declaration the candidates shall be deemed elected. Notice of such cancellation shall be published, if possible, in order to inform the electors of the municipality, and notice of such cancellation shall be posted at each polling place and in not less than one other public place.

Source: L. 81: Entire section added, p. 1502, § 17, effective July 1. **L. 91:** Entire section amended, p. 755, § 26, effective April 4.

PART 6

CONDUCT OF ELECTIONS

31-10-601. Hours of voting. At all elections held under this article, the polls shall be opened at 7 a.m. and remain open until 7 p.m. of the same day. If a full set of judges of election do not attend at the hour of 7 a.m., an alternate election judge shall be appointed as provided in section 31-10-405. The polls shall be opened if a majority of judges are present, even though the alternate judge has not arrived. Every person, otherwise qualified to vote, who is standing in line waiting to vote at 7 p.m. shall be permitted to vote.

Source: L. 75: Entire title R&RE, p. 1048, § 1, effective July 1. **L. 81:** Entire section amended, p. 1502, § 18, effective July 1.

Editor's note: This section is similar to former § 31-10-601 as it existed prior to 1975.

31-10-602. Watchers at municipal elections. Each candidate for office, or interested party in case of an issue, at a municipal election is entitled to appoint some person to act in his behalf in every precinct in which he is a candidate or in which the issue is on the ballot. Such candidate or interested party shall certify the names of the persons so appointed to the clerk on forms provided by the clerk. In case a watcher must leave the polling place,

he may designate an alternate to act in his behalf while he is absent, if such alternate is made known to the election judges by an affidavit of the person first named as a watcher.

Source: L. 75: Entire title R&RE, p. 1048, § 1, effective July 1.

Editor's note: This section is similar to former § 31-10-602 as it existed prior to 1975.

31-10-603. Employee entitled to vote. (1) Any registered elector entitled to vote at any municipal election held within this state is entitled to absent himself from any service or employment in which he is then engaged or employed on the day of such election for a period of two hours between the time of opening and time of closing the polls. Any such absence shall not be sufficient reason for the discharge of any such person from such service or employment. Such elector, because of so absenting himself, shall not be liable to any penalty, nor shall any deduction be made from his usual salary or wages on account of such absence. Registered electors who are employed and paid by the hour shall receive their regular hourly wage for the period of such absence, not to exceed two hours. Application shall be made for such leave of absence prior to the day of election. The employer may specify the hours during which such employee may absent himself, but such hours shall be at the beginning or ending of the work shift if the employee so requests.

(2) This section shall not apply to any person whose hours of employment on the day of the election are such that there are three or more hours between the time of opening and the time of closing of the polls during which he is not employed on the job.

Source: L. 75: Entire title R&RE, p. 1049, § 1, effective July 1. L. 79: (2) amended, p. 1185, § 1, effective April 25.

Editor's note: This section is similar to former § 31-10-603 as it existed prior to 1975.

31-10-604. Judges open ballot box first. In precincts which use an electronic voting system or paper ballots, it is the duty of the judges of the election, immediately before the opening of the polls, to open the ballot box in the presence of the people there assembled and turn it upside down so as to empty it of everything that may be in it and then lock it securely. It shall not be reopened until the time for counting the ballots therein.

Source: L. 75: Entire title R&RE, p. 1049, § 1, effective July 1.

Editor's note: This section is similar to former § 31-10-604 as it existed prior to 1975.

31-10-605. Judge to keep pollbook. A judge of election shall keep a pollbook, which shall contain one column headed "names of voters" and one column headed "number on ballot". The name and number on the ballot of each registered elector voting shall be entered in regular succession under the headings in the pollbook.

Source: L. 75: Entire title R&RE, p. 1049, § 1, effective July 1. L. 81: Entire section amended, p. 1502, § 19, effective July 1.

Editor's note: This section is similar to former § 31-10-605 as it existed prior to 1975.

31-10-606. Preparing to vote. (1) Any registered elector desiring to vote shall write his name and address on a form available at the polling place and shall give the form to one of the judges of election, who shall thereupon announce the same clearly and audibly. If said elector is unable to write, he may request assistance from one of the judges of election, and such judge must sign the form and witness the elector's mark. The form to be available shall be in substance: "I, ..., who reside at ..., am a registered elector of this precinct and desire to vote at this election. Date". If the name is found on the registration book or the

registration list by the election judge having charge thereof, he shall likewise repeat the name, and said elector shall be allowed to enter the immediate voting area. If the name is not found on the registration book or the registration list by the election judge, such election judge, if practicable and not unduly disruptive to the election process, shall attempt to contact the county clerk and recorder's office, by telephone or otherwise, to request oral verification of the elector's registration in that precinct; and, if such oral verification is received by such election judge from the county clerk and recorder's office, such election judge shall record such verification on a form to be provided by the clerk and shall likewise repeat the elector's name, and said elector shall be allowed to enter the immediate voting area. After it is determined that the elector is duly registered, the election official in charge of the pollbook shall write upon the pollbook the name of such elector and, in precincts using paper ballots, the number of the ballot given to such elector.

(2) Besides the election officials, not more than four voters in excess of the number of voting booths or voting machines shall be allowed within the immediate voting area at one time.

(3) The completed signature forms shall be returned with other election materials to the clerk. If no challenges have been made, the forms may be destroyed after forty-five days.

(4) If the judges are using the registration book and the registered elector's signature does not appear on his registration record, said elector shall show identification and sign his registration record before being allowed to vote. If said elector is unable to write, he may request assistance from one of the judges of election, and such judge shall sign the registration record and witness said elector's mark.

(5) In precincts using paper ballots, an election judge shall give the registered elector one, and only one, ballot, which shall be removed from the package of ballots by tearing the same along the perforated line between the stub and duplicate stub. Before delivering such ballot to said elector, the judge of election having charge of the ballots shall endorse his initials on the duplicate stub, and said judge shall enter the date and the number of said ballot on the registration book or registration list opposite the name of said elector.

Source: L. 75: Entire title R&RE, p. 1049, § 1, effective July 1. L. 79: (1) amended, p. 1177, § 17, effective July 1. L. 81: (1) and (5) amended, p. 1503, § 20, effective July 1. L. 91: (4) amended, p. 640, § 86, effective May 1.

Editor's note: This section is similar to former § 31-10-606 as it existed prior to 1975.

31-10-607. Manner of voting in precincts which use paper ballots. (1) In precincts which use paper ballots, upon receiving his ballot, the registered elector shall immediately retire alone to one of the voting booths provided and shall prepare his ballot by marking or stamping in ink or indelible pencil, in the appropriate margin or place, a cross mark (X) opposite the name of the candidate of his choice for each office to be filled; except that no cross mark (X) shall be required opposite the name of a write-in candidate. In case of a question submitted to a vote of the people, said elector shall mark or stamp, in the appropriate margin or place, a cross mark (X) opposite the answer which he desires to give. Before leaving the voting booth, said elector shall fold his ballot without displaying the marks thereon, so that the contents of the ballot are concealed and the stub can be removed without exposing any of the contents of the ballot, and he shall keep the same so folded until he has deposited his ballot in the ballot box.

(2) Each registered elector who has prepared his ballot and is ready to cast his vote shall then leave the voting booth and approach the judge of election having charge of the ballot box. He shall give his name to that judge, who shall announce the name of such elector and the number upon the duplicate stub of his ballot, which number must correspond with the stub number previously placed on the registration book or registration list. If the stub number of the ballot corresponds and is identified by the initials of the judge of election placed thereupon, the judge of election shall then remove the duplicate stub from such ballot. Such ballot shall then be returned to the registered elector, who shall thereupon, in full view of the judges of election, cast his vote by depositing the ballot in the ballot box, with the official endorsement on said ballot uppermost.

(3) Each registered elector shall mark and deposit his ballot without undue delay and shall leave the immediate voting area as soon as he has voted. No such elector shall occupy a voting booth already occupied by another, nor remain within the immediate voting area more than ten minutes, nor occupy a voting booth for more than five minutes if all such booths are in use and other voters are waiting to occupy the same. No registered elector whose name has been entered on the pollbook shall be allowed to reenter the immediate voting area during the election except a judge of election.

Source: **L. 75:** Entire title R&RE, p. 1050, § 1, effective July 1. **L. 79:** (2) amended, p. 1178, § 18, effective July 1. **L. 81:** (2) and (3) amended, p. 1503, § 21, effective July 1.

Editor's note: This section is similar to former § 31-10-607 as it existed prior to 1975.

31-10-608. Disabled voter - assistance. (1) If, at any regular or special election, any voter declares under oath to the judges of election of the precinct where he is entitled to vote that, by reason of blindness or other physical disability or inability to read or write, he is unable to prepare his ballot or operate the voting machine without assistance, he is entitled, upon his request, to receive the assistance of any one of the judges of election or, at his option, of any qualified elector of the precinct selected by the disabled voter. No person other than a judge of election in the precinct is permitted to enter the polling booth as an assistant to more than one voter.

(2) A notation shall be made in the pollbook opposite the name of each voter thus assisted stating that the voter has been assisted.

Source: **L. 75:** Entire title R&RE, p. 1051, § 1, effective July 1. **L. 81:** (1) amended, p. 1504, § 22, effective July 1.

Editor's note: This section is similar to former § 31-10-608 as it existed prior to 1975.

31-10-609. Spoiled ballots. In precincts which use an electronic voting system or paper ballots, no person shall take or remove any ballot from the polling place before the close of the polls. If any voter spoils a ballot, he may successively obtain others, one at a time, not exceeding three in all, upon returning each spoiled one. The spoiled ballots thus returned shall be immediately cancelled and shall be preserved and returned to the clerk along with other election records and supplies.

Source: **L. 75:** Entire title R&RE, p. 1051, § 1, effective July 1.

Editor's note: This section is similar to former § 31-10-609 as it existed prior to 1975.

31-10-610. Counting paper ballots. (1) In precincts which use paper ballots, as soon as the polls at any election have finally closed, the judges shall immediately open the ballot box and proceed to count the votes polled, and the counting thereof shall be continued until finished before the judges of election adjourn. They shall first count the number of ballots in the box. If the ballots are found to exceed the number of names entered on the pollbook, the judges of election shall then examine the official endorsements upon the outside of the ballots without opening the same, and if, in the unanimous opinion of the judges, any of the ballots in excess of the number on the pollbook do not bear the proper official endorsement, they shall be put into a separate pile by themselves, and a separate record and return of the votes in such ballots shall be made under the head of "excess ballots". When the ballots and the pollbook agree, the judges of election shall proceed to count the votes. Each ballot shall be read and counted separately, and every name separately marked as voted for on such ballot, where there is no conflict to obscure the intention of the voter, shall be read and marked upon the tally sheets before any other ballot is proceeded with. The entire number of ballots, excepting "excess ballots", shall be read and counted and placed upon the tally

sheets in like manner. When all of the ballots, excepting "excess ballots", have been counted, the judges of election shall estimate and publish the votes.

(2) When all the votes have been read and counted, the ballots, together with one of the tally lists, shall be returned to the ballot box, and the opening shall be carefully sealed, and each of the judges shall place his initials on said seal. The cover shall then be locked and the ballot box delivered to the clerk as provided in section 31-10-614.

(3) All persons, except judges of election and watchers, shall be excluded from the place where the counting is being carried on until the count has been completed.

Source: L. 75: Entire title R&RE, p. 1051, § 1, effective July 1. L. 81: (1) and (3) amended, p. 1504, § 23, effective July 1.

Editor's note: This section is similar to former § 31-10-610 as it existed prior to 1975.

31-10-611. Tally sheets. As the judges of election open and read the ballots, the votes each of the candidates have received shall be carefully marked down, upon tally sheets prepared by the clerk for that purpose, by any appropriate election official.

Source: L. 75: Entire title R&RE, p. 1052, § 1, effective July 1. L. 79: Entire section R&RE, p. 1178, § 19, effective July 1.

Editor's note: This section is similar to former § 31-10-611 as it existed prior to 1975.

31-10-612. Defective ballots. If a voter marks in ink or indelible pencil more names than there are persons to be elected to an office or if, for any reason, it is impossible to determine the choice of any voter for any office to be filled, his ballot shall not be counted for such office. A defective or an incomplete cross marked on any ballot in ink in a proper place shall be counted if there is no other mark or cross in ink or indelible pencil on such ballot indicating an intention to vote for some person other than those indicated by the first mentioned defective cross or mark. No ballot without the official endorsement, except as provided in section 31-10-805, shall be deposited in the ballot box, and none but ballots provided in accordance with the provisions of this article shall be counted. When the judges of election in any precinct discover in the counting of votes that the name of any candidate voted for is misspelled or the initial letters of his given name are transposed or omitted in part or altogether on the ballot, the vote for such candidate shall be counted for him if the intention of the elector to vote for him is apparent. Ballots not counted shall be marked "defective" on the back thereof and shall be preserved for such time as is provided in section 31-10-616 for ballots and destroyed as therein directed.

Source: L. 75: Entire title R&RE, p. 1052, § 1, effective July 1.

Editor's note: This section is similar to former § 31-10-612 as it existed prior to 1975.

31-10-613. Judges' certificate. (1) As soon as all the votes have been read and counted, the judges of election shall make a certificate, stating the name of each candidate, designating the office for which such person received votes, and stating the number of votes he received, the number being expressed in words at full length and in numerical figures, such entry to be made as nearly as circumstances will admit, in the following form:

"At an election held at in precinct in the municipality of and state of Colorado, on the day of, in the year, the following named persons received the number of votes annexed to their respective names for the following described offices: Total number of votes cast were, A.B. had seventy-two (72) votes for mayor; C.D. had seventy-one (71) votes for mayor; N.O. had seventy-two (72) votes for councilman or trustee; P.Q. had seventy-one (71) votes for councilman or trustee (and in the same manner for any other persons voted for).

Certified by us:

E.F.)	Judges
)	
G.H.)	of
)	
I.J.)	Election"

(2) In addition, the judges of election shall make a statement in writing showing the number of ballots voted, making a separate statement of the number of unofficial and substitute ballots voted, the number of ballots delivered to voters, the number of spoiled ballots, the number of ballots not delivered to voters, and the number of ballots returned, identifying and specifying the same. All unused ballots, spoiled ballots, and stubs of ballots voted shall be returned with such statement.

Source: L. 75: Entire title R&RE, p. 1052, § 1, effective July 1. L. 79: (1) amended, p. 1178, § 20, effective July 1. L. 81: (1) amended, p. 1504, § 24, effective July 1.

Editor's note: This section is similar to former § 31-10-613 as it existed prior to 1975.

31-10-614. Delivery of election returns, ballot boxes, and other election papers. When all the votes have been read and counted, the election officials selected in accordance with section 31-10-409 shall deliver to the clerk the certificate and statement required by section 31-10-613, the ballot boxes and all keys thereto, and the registration list, pollbooks, tally sheets, spoiled ballots, unused ballots, ballot stubs, oaths, affidavits, and other election papers and supplies. Such delivery shall be made at once and with all convenient speed, and informality in such delivery shall not invalidate the vote of any precinct when delivery has been made previous to the completion of the official abstract of the votes by the canvassers. The clerk shall give his receipt for all such papers so delivered.

Source: L. 75: Entire title R&RE, p. 1053, § 1, effective July 1.

Editor's note: This section is similar to former § 31-10-614 as it existed prior to 1975.

31-10-615. Judges to post returns. In addition to all certificates otherwise required to be made of the count of votes polled at any election, the judges of election are hereby required to make out an abstract of the count of votes, which abstract shall contain the names of the offices, names of the candidates, ballot titles and submission clauses of all initiated, referred, or other measures voted upon, and the number of votes counted for or against each candidate or measure. Said abstract shall be posted in a conspicuous place upon the outside of the polling place immediately upon completion of the count. The abstract may be removed at any time after forty-eight hours following the election. Suitable blanks for the required abstract shall be prepared, printed, and furnished to all judges of election at the same time and in the same manner as other election supplies are furnished.

Source: L. 75: Entire title R&RE, p. 1053, § 1, effective July 1.

Editor's note: This section is similar to former § 31-10-615 as it existed prior to 1975.

31-10-616. Preservation of ballots and election records. (1) The ballots, when not required to be taken from the ballot box for the purpose of election contests, shall remain in the ballot box in the custody of the clerk until six months after the election at which such ballots were cast or until the time has expired for which the ballots would be needed in any contest proceedings, at which time the ballot box shall be opened by the clerk and the ballots destroyed by fire, shredding, or burial, or by any other method approved by the executive director of the department of personnel. If the ballot boxes are needed for a

special election before the legal time for commencing any proceedings in the way of contests has elapsed or in case such clerk, at the time of holding such special election, has knowledge of the pendency of any contest in which the ballots would be needed, the clerk shall preserve the ballots in some secure manner and provide for their being kept so that no one can ascertain how any voter may have voted.

(2) The clerk shall preserve all other official election records and forms for at least six months following a regular or special election.

Source: **L. 75:** Entire title R&RE, p. 1053, § 1, effective July 1. **L. 79:** (1) amended, p. 1179, § 21, effective July 1. **L. 96:** (1) amended, p. 1543, § 135, effective June 1.

Editor's note: This section is similar to former § 31-10-616 as it existed prior to 1975.

ANNOTATION

Paper "ballots" are those paper documents that are to be printed and then possessed by the clerk at least 10 days prior to an election. Marks v. Koch, __ P.3d __ (Colo. App. 2011).

Digital copies of ballots do not meet the criteria for paper ballots. Marks v. Koch, __ P.3d __ (Colo. App. 2011).

When ballots are scanned and the resulting digital image is saved in tagged image file format (TIFF), the TIFF files are not ballots and the TIFF files are therefore open to inspection under the Colorado Open Records Act, provided that the files contain no content that could reveal the

identity of the voter. Marks v. Koch, __ P.3d __ (Colo. App. 2011).

Subsection (2) requires "other official election records" to be preserved for six months, but does not specify later destruction of such records or any other requirements beyond such six-month preservation. Marks v. Koch, __ P.3d __ (Colo. App. 2011).

Because digital copies of ballots are not ballots, releasing them for public inspection would not be contrary to this section's ballot storage and destruction provision. Marks v. Koch, __ P.3d __ (Colo. App. 2011).

31-10-617. Ranked voting methods. (1) Notwithstanding any provision of this article to the contrary, a municipality may use a ranked voting method, as defined in section 1-1-104 (34.4), C.R.S., to conduct a regular election to elect the mayor or members of the governing body of the municipality in accordance with section 1-7-1003, C.R.S., and the rules adopted by the secretary of state pursuant to section 1-7-1004 (1), C.R.S.

(2) A municipality conducting an election using a ranked voting method may adapt the requirements of this article, including requirements concerning the form of the ballot, the method of marking the ballot, the procedure for counting ballots, and the form of the election judges' certificate, as necessary for compatibility with the ranked voting method.

Source: **L. 2008:** Entire section added, p. 1252, § 4, effective August 5.

PART 7

VOTING MACHINES

31-10-701. Use of voting machines. Voting machines may be used in any municipal election if the governing body, by resolution, authorizes their use. The adoption and use of voting machines for municipal elections shall be in accordance with the provisions for the adoption and use of voting machines for general and primary elections insofar as such provisions are applicable to municipal elections.

Source: **L. 75:** Entire title R&RE, p. 1053, § 1, effective July 1.

Editor's note: This section is similar to former § 31-10-701 as it existed prior to 1975.

Cross references: For use of voting machines in general and primary elections, see part 4 of article 7 of title 1.

31-10-702. Judges to inspect machines. The judges of election of each precinct using voting machines shall meet at the polling place therein at least three-quarters of an hour before the time set for the opening of the polls at each election. Before the polls are open for an election, each judge shall carefully examine each machine used in the precinct and see that no vote has been cast and that every counter, except the protective counter, registers zero.

Source: L. 75: Entire title R&RE, p. 1054, § 1, effective July 1.

Editor's note: This section is similar to former § 31-10-702 as it existed prior to 1975.

31-10-703. Sample ballots, ballot labels, and cards of instruction. (1) Sample ballots shall be printed and in the possession of the clerk ten days before the election and shall be subject to public inspection. The sample ballots shall be arranged in the form of a diagram showing the front of the voting machine as it will appear after the official ballot labels are arranged thereon for voting on election day. Such sample ballots may be either in full or reduced size. The clerk shall provide at least two sample ballots for each election precinct, to be delivered to the judges of election and posted in the polling place on election day.

(2) The clerk shall also prepare and place on each voting machine to be used in election precincts under the clerk's supervision a set of official ballot labels arranged in the manner prescribed for the official election ballot to be used on voting machines. When there is more than one person to be elected to an office, there shall be provided two, and only two, spaces for write-in purposes for each different office. No cross mark (X) shall be required opposite the name of a write-in candidate. Candidate names shall be arranged by lot as prescribed by the municipal clerk under the designation of the office. The clerk shall deliver the required number of voting machines, equipped with the official ballot, to each election precinct no later than the day prior to the day of election.

(3) Cards of instruction for the guidance of voters in casting their ballots on voting machines shall also be supplied by the clerk as provided in section 31-10-906.

Source: L. 75: Entire title R&RE, p. 1054, § 1, effective July 1. L. 93: (2) amended, p. 1709, § 8, effective July 1.

Editor's note: This section is similar to former § 31-10-703 as it existed prior to 1975.

31-10-704. Instructions to vote. In case any voter after entering the voting machine asks for further instructions concerning the manner of voting, a judge shall give such instruction to him; but no judge or other election officer or person assisting such voter shall enter the voting machine, except as provided in section 31-10-608, or in any manner request, suggest, or seek to persuade or induce any such voter to vote for any particular ticket, or for any particular candidate, or for or against any particular amendment, question, or proposition. After receiving such instruction, such voter shall vote as in the case of an unassisted voter.

Source: L. 75: Entire title R&RE, p. 1054, § 1, effective July 1.

Editor's note: This section is similar to former § 31-10-704 as it existed prior to 1975.

31-10-705. Length of time to vote. No voter shall remain within the voting machine booth longer than three minutes. If he refuses to leave after a lapse of three minutes, he shall be removed by the judges, but the judges in their discretion may permit a voter to remain longer than three minutes.

Source: L. 75: Entire title R&RE, p. 1054, § 1, effective July 1.

Editor's note: This section is similar to former § 31-10-705 as it existed prior to 1975.

31-10-706. Judge to watch voting machines. The judges shall designate at least one of their number to be stationed beside the entrance to the voting machine during the entire period of the election to see that it is properly closed after a voter has entered to vote. At such intervals as he deems proper or necessary, the judge shall examine the face of the machine to ascertain whether it has been defaced or injured, to detect the wrongdoer, and to repair any injury.

Source: L. 75: Entire title R&RE, p. 1054, § 1, effective July 1.

Editor's note: This section is similar to former § 31-10-706 as it existed prior to 1975.

31-10-707. Clerk to supply seals for voting machines. The clerk shall supply each election precinct with a seal for each voting machine to be used in the precinct for the purpose of sealing the machine after the polls are closed and with an envelope for the return of the keys to the machine along with the election returns.

Source: L. 75: Entire title R&RE, p. 1054, § 1, effective July 1.

Editor's note: This section is similar to former § 31-10-707 as it existed prior to 1975.

31-10-708. Close of polls and count of votes. As soon as the polls are closed, the judges of election shall immediately lock and seal each voting machine against further voting, and it shall so remain for a period of thirty days unless otherwise ordered by the court. Immediately after each machine is locked and sealed, the judges of election shall open the counting compartments thereof and proceed to count the votes thereon. After the total vote for each candidate and upon each question or proposition has been ascertained, the judges of election shall make out a certificate of votes cast, in numerical figures only, and return the same to the clerk as provided in section 31-10-614.

Source: L. 75: Entire title R&RE, p. 1055, § 1, effective July 1.

Editor's note: This section is similar to former § 31-10-708 as it existed prior to 1975.

31-10-709. Election laws apply - separate absentee ballots permitted. All of the provisions of this article not inconsistent with the provisions of sections 31-10-701 to 31-10-708 shall apply to all elections held in precincts where voting machines are used. Nothing in sections 31-10-701 to 31-10-708 shall prohibit the use of a separate paper ballot by absentee voters or for charter amendments where such is required.

Source: L. 75: Entire title R&RE, p. 1055, § 1, effective July 1.

Editor's note: This section is similar to former § 31-10-709 as it existed prior to 1975.

PART 8

ELECTRONIC SYSTEM

31-10-801. Use of electronic system. An electronic voting system may be used in any municipal election if the governing body authorizes its use. The adoption and use of an electronic voting system for municipal elections shall be in accordance with the provisions for the adoption and use of such system for general and primary elections insofar as such provisions are applicable to municipal elections.

Source: L. 75: Entire title R&RE, p. 1055, § 1, effective July 1.

31-10-802. Sample ballots. Sample ballots shall be printed and in the possession of the clerk ten days before the election and shall be subject to public inspection. Such ballots shall be in the form of the official ballot but shall be printed on paper of a different color from the official ballot. The clerk shall provide that at least two sample ballots for each election precinct are delivered to the judges of election and posted in the polling place on election day.

Source: L. 75: Entire title R&RE, p. 1055, § 1, effective July 1.

31-10-803. Ballots - electronic voting. (1) Ballot pages or ballot cards placed upon voting devices shall be, so far as practicable, in the same order of arrangement as provided by section 31-10-902 for paper ballots; except that they shall be of the size and design required by the vote recorder or the electronic vote counting equipment, or both the vote recorder and the electronic vote counting equipment, and may be printed on a number of separate pages which are placed on the voting device or on one or more ballot cards.

(2) If votes are recorded on a ballot card, a separate write-in ballot may be provided, which may be in the form of a paper ballot or envelope on which the voter may write in the titles of the office and the names of persons not on the printed ballot for whom he wishes to vote.

Source: L. 75: Entire title R&RE, p. 1055, § 1, effective July 1.

31-10-804. Preparation for use - electronic voting. (1) Prior to an election in which an electronic voting system is to be used, the clerk shall have the vote recorders or punching devices, or both the vote recorders and punching devices, prepared for voting and shall inspect and determine that each such recorder or device is in proper working order and shall cause a sufficient number of such recorders or devices to be delivered to each election precinct in which the electronic voting system is to be used.

(2) The clerk shall supply each election precinct in which vote recorders or voting devices are to be used with a sufficient number of ballot cards, sample ballots, ballot boxes, write-in ballots, if required, and other supplies and forms as may be required. Each ballot card shall have a serially numbered stub attached, which shall be removed by a judge of election before the card is deposited in the ballot box.

Source: L. 75: Entire title R&RE, p. 1055, § 1, effective July 1.

31-10-805. Instructions to vote. In case any voter, after commencing to vote, asks for further instructions concerning the manner of voting, a judge shall give such instructions to him; but no judge or other election officer or person assisting such voter shall request, suggest, or seek to persuade or induce any such voter to vote for any particular ticket, or for any particular candidate, or for or against any particular amendment, question, or proposition. After receiving such instructions, such voter shall vote as in the case of an unassisted voter.

Source: L. 75: Entire title R&RE, p. 1056, § 1, effective July 1.

31-10-806. Ballots. The clerk of each municipality using an electronic voting system shall provide sufficient ballots for every municipal election. The official ballots shall be printed and in the possession of the clerk at least ten days before the election.

Source: L. 75: Entire title R&RE, p. 1056, § 1, effective July 1.

31-10-807. Distribution of ballots. In municipalities using an electronic voting system, the clerk shall distribute to the election judges in the respective precincts a sufficient number of ballots. The ballots shall be sent in one or more sealed packages for each precinct

with marks on the outside of each stating clearly the precinct and polling place for which it is intended, together with the number of ballots enclosed. Such package shall be delivered to one of the judges of election of such precinct between the close of business on the Friday preceding election day, or during any earlier day in which a judges' school of instruction is held, and 8 p.m. on the Monday before election day. A receipt for the ballots thus delivered shall be given by the election judge who received them. The receipt shall be filed with the clerk, who shall also keep a record of the time when and the manner in which each of said packages was sent and delivered.

Source: L. 75: Entire title R&RE, p. 1056, § 1, effective July 1. L. 81: Entire section amended, p. 1505, § 25, effective July 1.

31-10-808. Cards of instruction. (1) The clerk shall furnish to the judges of election of each precinct a sufficient number of instruction cards for the guidance of voters in preparing their ballots. The election judges shall post at least one card in each polling place on the day of election. Such cards shall be printed in large, clear type and shall contain full instructions to the voter as to what should be done:

- (a) To obtain a ballot for voting;
- (b) To prepare the ballot for deposit in the ballot box;
- (c) To obtain a new ballot in the place of one spoiled by accident or mistake; and
- (d) To obtain assistance in marking ballots.

Source: L. 75: Entire title R&RE, p. 1056, § 1, effective July 1.

31-10-809. Close of polls - count and seals in electronic voting. After the polls have been closed, the election judges shall secure the vote recorders or the voting devices, or both the vote recorders and the voting devices, against further use and prepare a ballot return in duplicate showing the number of voters as indicated by the pollbook who have voted in the precinct, the number of official ballot cards received, and the number of spoiled and unused ballot cards returned. The original copy of said ballot return shall be deposited in a metal or durable plastic transfer box, along with all voted and spoiled ballots. The transfer box shall then be sealed in such a way as to prevent tampering with the box or its contents. The clerk shall provide such a numbered seal. The duplicate copy of said ballot return shall be mailed at the nearest post office or post box to the clerk by a judge other than the one who delivers the transfer box to the counting center. One judge shall deliver the sealed transfer box to the counting center or other place designated by the clerk.

Source: L. 75: Entire title R&RE, p. 1056, § 1, effective July 1.

31-10-810. Electronic vote counting - test. (1) The clerk shall have the electronic ballot counting equipment tested in the manner prescribed in this section to ascertain that it will accurately count the votes cast for all offices and all measures. The electronic equipment shall be tested at least three times, once on the day before the election, again just prior to the start of the count on election day, and finally at the conclusion of the counting. The clerk may make any additional tests he deems necessary.

(2) The clerk shall vote and retain at least one hundred test ballots, and shall observe the tabulation of all test ballots by means of the electronic counting equipment, and shall compare such tabulation with the previously retained records of the test vote count. The cause of any discrepancies shall be corrected prior to the actual vote tabulation.

(3) All test materials, when not in use, shall be kept in a metal box, and the clerk shall be the custodian of the box.

(4) After the final conclusion of the counting, all programs, test materials, and ballots shall be sealed and retained as provided for paper ballots.

Source: L. 75: Entire title R&RE, p. 1057, § 1, effective July 1.

31-10-811. Electronic vote counting - procedure. (1) All proceedings at the counting center shall be under the direction of the clerk and shall be conducted under the observation of watchers, so far as practicable, in accordance with the provisions of part 6 of this article; but no persons except those authorized for the purpose shall touch any ballot or ballot card or return. All persons who are engaged in the processing and counting of the ballots shall be deputized in writing and take an oath that they will faithfully perform their assigned duties. If any ballot is damaged or defective so that it cannot properly be counted by the electronic vote counting equipment, a true duplicate copy shall be made of the damaged ballot in the presence of two witnesses. The duplicate ballot shall be substituted for the damaged ballot. All duplicate ballots shall be clearly labeled as such and shall bear a serial number which shall be recorded on the damaged ballot.

(2) The return printed by the electronic vote tabulating equipment, to which have been added write-in votes, shall constitute, when certified by the clerk, the official return of each precinct. The clerk may from time to time release unofficial returns. Upon completion of the count, the official returns shall be open to the public.

(3) Absentee ballots shall be counted at the counting center in the same manner as precinct ballots. Write-in ballots may be counted in their precincts by the precinct judges of election or at the counting center, but, before any write-in vote is counted, it shall be compared with votes cast for the same office on the ballot card to ascertain whether the write-in vote is valid. If the voter has cast more votes for the office than he is lawfully entitled to vote, the word "void" shall be written across the write-in vote, and it shall not be counted. Votes cast for a nominated candidate whose name appears on the ballot shall not be voided because of an invalid write-in vote for the same office.

(4) If for any reason it becomes impracticable to count all or a part of the ballots with electronic vote tabulating equipment, the clerk may direct that they be counted manually, following as far as practicable the provisions governing the counting of paper ballots.

(5) The receiving, opening, and preservation of the transfer boxes and their contents shall be the responsibility of the clerk, who shall provide adequate personnel and facilities to assure accurate and complete election results. Any indication of tampering with the ballots or ballot cards or other fraudulent action shall be immediately reported to the municipal attorney who shall immediately investigate such action and report in writing within ten days his findings to the clerk and shall prosecute to the full extent of the law any person responsible for such fraudulent action. The conduct of municipal elections when electronic voting systems are used shall follow, as nearly as practicable, the conduct of general and primary elections when such systems are used.

Source: L. 75: Entire title R&RE, p. 1057, § 1, effective July 1.

31-10-812. Election laws apply - separate absentee ballots permitted. All of the provisions of this article not inconsistent with the provisions of this part 8 shall apply to all elections held in precincts where an electronic voting system is used. Nothing in this part 8 shall prohibit the use of a separate paper ballot by absentee voters or for charter amendments where such is required.

Source: L. 75: Entire title R&RE, p. 1058, § 1, effective July 1.

PART 9

PAPER BALLOTS

31-10-901. Ballot boxes. The governing body of each municipality using paper ballots shall provide one ballot box for each polling place. Each ballot box shall be strongly constructed so as to prevent tampering, with a small opening at the top thereof and with a lid to be locked. The ballot boxes and keys shall be kept by the clerk and delivered to the judges of election within one day immediately preceding any municipal election, to be

returned as provided in section 31-10-614. Nothing in this section shall prevent the governing body from obtaining ballot boxes from the office of the county clerk and recorder.

Source: L. 75: Entire title R&RE, p. 1058, § 1, effective July 1. L. 81: Entire section amended, p. 1505, § 26, effective July 1.

Editor's note: This section is similar to former § 31-10-507 as it existed prior to 1975.

31-10-902. Ballots. (1) The clerk of each municipality using paper ballots shall provide printed ballots for every municipal election. The official ballots shall be printed and in the possession of the clerk at least ten days before the election. In addition, sample ballots shall be printed and in the possession of the clerk ten days before the election and shall be subject to public inspection. The sample ballots shall be printed in the form of the official ballots but upon paper of a different color from the official ballots. Sample ballots shall be delivered to the judges of election and posted with the cards of instruction provided in section 31-10-906.

(2) Every ballot shall contain the names of all duly nominated candidates for offices to be voted for at that election, except those who have died or withdrawn, and the ballot shall contain no other names. The names of the candidates for each office shall be printed upon the ballot without political party designation and without any title or degree designating the business or profession of the candidate. The names shall be arranged by lot as prescribed by the municipal clerk under the designation of the office.

(3) (a) The ballots shall be printed to give each voter a clear opportunity to designate his choice of candidates by a cross mark (X) in the square at the right of the name. On the ballot may be printed such words as will aid the voter, such as "vote for not more than one".

(b) At the end of the list of candidates for each different office shall be as many blank spaces as there are persons to be elected to such office in which the voter may write the name of any eligible person not printed on the ballot for whom he desires to vote as a candidate for such office; but no cross mark (X) shall be required at the right of the name so written in.

(c) When the approval of any question is submitted at a municipal election, such question shall be printed upon the ballot after the lists of candidates for all offices. The ballots shall be printed to give each voter a clear opportunity to designate his answer by a cross mark (X) in the appropriate square at the right of the question.

(4) The extreme top part of each ballot shall be divided by two perforated lines into two spaces, each of which shall be not less than an inch in width, the top portion being known as the stub and the next portion as the duplicate stub. Upon each of said stubs nothing shall be printed except the number of the ballot, and the same number shall be printed upon both stubs. Stubs and duplicate stubs of ballots shall both be numbered consecutively. All ballots shall be uniform and of sufficient length and width to allow for the names of candidates and the proposed questions to be printed in clear, plain type with a space of at least one-half inch between the different columns on said ballot. On the back of each ballot shall be printed the endorsement "Official ballot for...", and after the word "for" shall follow the designation of the precinct, ward, and municipality for which the ballot is prepared, the date of the election, and a facsimile of the signature of the clerk who has caused the ballot to be printed. The ballot shall contain no caption or other endorsement or number. Each clerk shall use precisely the same quality and tint of paper, the same kind of type, and the same quality and tint of plain black ink for all ballots furnished by him at one election. When candidates are to be voted for only by the registered electors of a particular ward, the names of such candidates shall not be printed on any other ballots than those provided for use in such ward. The ballots shall be of such form that when folded the whole endorsement is visible and the contents of the ballot are not exposed.

Source: L. 75: Entire title R&RE, p. 1058, § 1, effective July 1. L. 93: (2) amended, p. 1710, § 9, effective July 1.

Editor's note: This section is similar to former § 31-10-508 as it existed prior to 1975.

31-10-903. Ballots changed if candidate dies or withdraws. If any person duly nominated dies before the day fixed for the election and the fact of such death becomes known to the clerk or withdraws by filing an affidavit of withdrawal with the clerk before the date fixed for election, the name of the deceased or withdrawn candidate shall not be printed upon the ballots for the election. If the ballots are already printed, the name of the deceased candidate or withdrawn candidate shall be erased or cancelled, if possible, before the ballots are delivered to the voters.

Source: L. 75: Entire title R&RE, p. 1059, § 1, effective July 1. L. 91: Entire section amended, p. 756, § 27, effective April 4. L. 92: Entire section amended, p. 2178, § 41, effective June 2.

Editor's note: This section is similar to former § 31-10-509 as it existed prior to 1975.

31-10-904. Printing and distribution of ballots. In municipalities using paper ballots, the clerk shall cause to be printed and distributed to the election judges in the respective precincts a sufficient number of ballots. The ballots shall be sent in one or more sealed packages for each precinct with marks on the outside of each clearly stating the precinct and polling place for which it is intended, together with the number of ballots enclosed. Such packages shall be delivered to one of the judges of election of such precinct between the close of business on the Friday preceding election day or during any earlier day in which a judges' school of instruction is held, and 8 p.m. on the Monday before election day. A receipt for the ballots thus delivered shall be given by the election judge who receives them. The receipt shall be filed with the clerk, who shall also keep a record of the time when and the manner in which each of said packages was sent and delivered. The election judge receiving such package shall produce the same, with the seal unbroken, in the proper polling place at the opening of the polls on election day and, in the presence of all election judges for the precinct, shall open the package.

Source: L. 75: Entire title R&RE, p. 1060, § 1, effective July 1. L. 81: Entire section amended, p. 1506, § 27, effective July 1.

Editor's note: This section is similar to former § 31-10-510 as it existed prior to 1975.

31-10-905. Substitute ballots. If the ballots to be furnished to any election judge are not delivered by 8 p.m. on the Monday before election day or if after delivery they are destroyed or stolen, the clerk shall cause other ballots to be prepared, as nearly in the form prescribed as practicable, with the word "substitute" printed in brackets immediately under the facsimile signature of the clerk. Upon receipt of ballots thus prepared, accompanied by a written and sworn statement of the clerk that the same have been so prepared and furnished by him and that the original ballots have so failed to be received or have been destroyed or stolen, the election judges shall cause the ballots so substituted to be used at the election. If from any cause none of the official ballots or substitute ballots prepared by the clerk are ready for distribution at any polling place or if the supply of ballots is exhausted before the polls are closed, unofficial ballots, printed or written, made as nearly as possible in the form of the official ballots, may be used until substitutes prepared by the clerk are printed and delivered.

Source: L. 75: Entire title R&RE, p. 1060, § 1, effective July 1.

Editor's note: This section is similar to former § 31-10-511 as it existed prior to 1975.

31-10-906. Cards of instruction. (1) The clerk shall furnish to the judges of election of each precinct a sufficient number of instruction cards for the guidance of voters in

preparing their ballots. The election judges shall post at least one card in each polling place upon the day of the election. Such cards shall be printed in large, clear type and shall contain full instructions to the voter as to what should be done:

- (a) To obtain ballots for voting;
- (b) To prepare the ballot for deposit in the ballot box;
- (c) To obtain a new ballot in the place of one spoiled by accident or mistake; and
- (d) To obtain assistance in marking ballots.

Source: L. 75: Entire title R&RE, p. 1060, § 1, effective July 1.

Editor's note: This section is similar to former § 31-10-512 as it existed prior to 1975.

PART 10

ABSENTEE VOTING

31-10-1001. When absent electors may vote. Any registered elector of a municipality may cast a ballot at the election in the manner provided in sections 31-10-1001 to 31-10-1007.

Source: L. 75: Entire title R&RE, p. 1060, § 1, effective July 1. L. 87: Entire section amended, p. 329, § 88, effective July 1. L. 93: Entire section amended, p. 1669, § 85, effective July 1; entire section amended, p. 1710, § 10, effective July 1.

Editor's note: (1) This section is similar to former § 31-10-801 as it existed prior to 1975.

(2) This section was amended in Senate Bill 93-242. Those amendments were superseded by the amendment of the section in House Bill 93-1063.

ANNOTATION

Annotator's note. Since § 31-10-1001 is similar to former § 31-10-801 prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, a relevant case construing a prior provision has been included in the annotations to this section.

Strict construction. The general rule is that absentee voter statutes should be strictly construed, and that the voter who wishes to cast an absentee ballot must comply with all the statutory requirements. *City of Aspen v. Howell*, 170 Colo. 82, 459 P.2d 764 (1969).

Absentee ballot authorized in annexation election. Since the general assembly intended to

make the municipal election code, which expressly provides for absentee ballots, applicable generally to municipal elections, and since the municipal election code provides that the municipal election code should be construed liberally so that all legally qualified electors may be permitted to vote, we hold that the municipal election code by its terms authorized the absentee ballots in an annexation election. *City of Aspen v. Howell*, 170 Colo. 82, 459 P.2d 764 (1969).

31-10-1002. Application for absentee ballot - delivery - list. (1) Requests for an application for an absentee voter's ballot may be made orally or in writing. Applications for absent voters' ballots shall be filed in writing and shall be personally signed by the applicant or a family member related by blood or marriage to the applicant. If the applicant is unable to sign the application, the applicant shall make such applicant's mark on the application, which shall be witnessed by another person. Such application shall be filed with the clerk not earlier than ninety days before and not later than the close of business on the Friday immediately preceding such regular or special election. The application may be in the form of a letter.

(2) Upon receipt of an application for an absent voter's ballot within the proper time, the clerk receiving it shall examine the records of the county clerk and recorder to ascertain whether or not the applicant is registered and lawfully entitled to vote as requested, and, if found to be so, the clerk shall deliver, as soon as practicable, but not more than seventy-two

hours after the ballots have been received, to the applicant personally in the clerk’s office or by mail to the mailing address given in the application an official absent voter’s ballot, an identification return envelope with the affidavit thereon properly filled in as to precinct and residence address as shown by the records of the county clerk and recorder, and an instruction card.

(2.5) In addition to the requirements of subsection (2) of this section, the clerk shall also deliver, as soon as practicable after the ballots are received, to each municipal elector whose status as a permanent mail-in voter is indicated in the voter registration records of the county clerk and recorder, an official absent voter’s ballot, an identification return envelope with the affidavit thereon properly filled in as to precinct and residence address as shown by the records of the county clerk and recorder, and an instruction card.

(3) Before any absent voter’s ballot is delivered or mailed or before any registered elector is permitted to cast his vote on an absent voter’s voting machine, the clerk shall record such elector’s name, the precinct number, and the number appearing on the stub of the ballot, together with the date the ballot is delivered or mailed. This information shall be recorded on the registration record or registration list before the registration book or list is delivered to the judges of election. A separate list of the registered electors who have received absent voters’ ballots shall be delivered to the judges of election in the precinct designated for counting absentee ballots, or, if the clerk elects to deliver absent voters’ envelopes received from electors of each precinct to the judges of election of such precinct, as provided by section 31-10-1006, a separate list of the registered electors of each precinct who have received absent voters’ ballots shall be delivered to the judges of election of each such precinct.

Editor’s note: (1) This section is similar to former § 31-10-802 as it existed prior to 1975.
(2) Subsection (1) was amended in Senate Bill 93-242. Those amendments were superseded by the amendment of the section in House Bill 93-1063.

31-10-1003. Self-affirmation on return envelope. (1) The return envelope shall have printed on its face a self-affirmation substantially in the following form:

“State of Municipality of, County of

I,, affirm and say that I am a qualified and registered elector in precinct no., municipality of and state of Colorado; that my residence and post-office address is; and that I herein enclose my ballot in accordance with the provisions of the “Colorado Municipal Election Code of 1965”. I realize that if any false statements are contained herein that I shall be subject to prosecution for criminal action.

.....
Signature of voter”

Cross references: For the “Colorado Municipal Election Code of 1965”, see article 10 of this title.

31-10-1004. Manner of absentee voting by paper ballot. (1) Any registered elector applying for and receiving an absent voter's ballot, in casting the ballot, shall make and subscribe to the self-affirmation on the return identification envelope. The voter shall then mark the ballot. The voter shall fold the ballot so as to conceal the marking, deposit it in the return envelope, and seal the envelope securely. The envelope may be delivered personally or mailed by the voter to the clerk issuing the ballot. It is permissible for a voter to deliver the ballot to any person of the voter's own choice or to any duly authorized agent of the clerk for mailing or personal delivery to the clerk. All envelopes containing absent voters' ballots shall be in the hands of the clerk not later than the hour of 7 p.m. on the day of election.

(1.5) (Deleted by amendment, L. 91, p. 641, § 89, effective May 1, 1991.)

(2) Upon receipt of an absent voter's ballot, the clerk shall write or stamp upon the envelope containing the same the date and hour such envelope was received in his office and, if the ballot was delivered in person, the name and address of the person delivering the same. He shall safely keep and preserve all absent voters' ballots unopened until the time prescribed for delivery to the judges, as provided in section 31-10-1006.

Source: L. 75: Entire title R&RE, p. 1062, § 1, effective July 1. L. 79: (2) amended, p. 1180, § 23, effective July 1. L. 87: (1) amended and (1.5) added, p. 330, § 91, effective July 1. L. 91: (1) and (1.5) amended, p. 641, § 89, effective May 1. L. 93: (1) amended, p. 1711, § 12, effective July 1.

Editor's note: This section is similar to former § 31-10-804 as it existed prior to 1975.

31-10-1005. Absent voters' voting machines - electronic voting systems. (1) Any municipality using voting machines may provide one or more voting machines in the clerk's office for the use of qualified applicants for absent voters' ballots. If such machines are provided, they shall be available from twelve days prior to the election until the closing of business on the Friday immediately preceding the election. Votes on such machines shall be cast and counted in the same manner as votes would be cast and counted on a voting machine in a precinct polling place on election day. The clerk shall supervise the casting and counting of absent voters' ballots on the machines. The machines shall remain locked and the tabulation of the votes cast shall remain unknown until the day of the election.

(2) Any municipality using an electronic voting system may provide such system for the use of qualified applicants for absent voters' ballots. Such system shall be available from twelve days prior to the election until the closing day of business on the Friday immediately preceding the election. Votes cast using such system shall be cast in the same manner as votes would be cast in a precinct polling place on election day. The clerk shall supervise the casting and counting of absent voters' ballots using such system.

Source: L. 75: Entire title R&RE, p. 1062, § 1, effective July 1.

Editor's note: This section is similar to former § 31-10-805 as it existed prior to 1975.

31-10-1006. Delivery to judges. Not later than 8:30 a.m. on the day of any municipal election, the clerk shall deliver to the judges of one of the precincts of the municipality, which precinct shall be selected by the clerk, all the absent voters' envelopes received up to that time, in sealed packages, taking a receipt for the packages, together with the list of absent voters, or, in the clerk's discretion, the clerk may elect to deliver the absent voters' envelopes received from electors of each precinct and the list of absent voters for each precinct to the judges of the precinct. The clerk shall continue to deliver any envelopes which may be received thereafter during said day up to and including 7 p.m. On the sealed packages shall be printed or written, "This package contains(number) absent voters' ballots." With the envelopes the clerk shall deliver to one of the election judges written instructions, which shall be followed by the judges of election in casting and counting the ballots, and all the books, records, and supplies as are needed for tabulating, recording, and certifying said absent voters' ballots.

Source: L. 75: Entire title R&RE, p. 1062, § 1, effective July 1. L. 79: Entire section amended, p. 1180, § 24, effective July 1. L. 93: Entire section amended, p. 1711, § 13, effective July 1.

Editor's note: This section is similar to former § 31-10-806 as it existed prior to 1975.

31-10-1007. Casting and counting absentee ballots. (1) If the self-affirmation on the envelope containing the absent voter's ballot is properly sworn to, one of the judges shall open such voter's identification envelope in the presence of a majority of the judges, and, after announcing in an audible voice the name of such absent voter, he shall tear open such envelope without defacing the self-affirmation printed thereon or mutilating the enclosed ballot. Such ballot shall then be cast and counted in the same manner as if such absent voter had been present in person; except that one of the judges shall deposit the ballot in the ballot box without unfolding it. If the absent voters' ballots are delivered to the judges of one precinct selected by the clerk as provided by section 31-10-1006, the absentee vote shall be certified separately from the vote of the precinct where it is counted.

(2) (Deleted by amendment, L. 91, p. 642, § 90, effective May 1, 1991.)

Source: L. 75: Entire title R&RE, p. 1063, § 1, effective July 1. L. 79: Entire section amended, p. 1180, § 25, effective July 1. L. 87: Entire section amended, p. 331, § 92, effective July 1. L. 91: Entire section amended, p. 642, § 90, effective May 1.

Editor's note: This section is similar to former § 31-10-807 as it existed prior to 1975.

31-10-1008. Challenge of absentee ballots - rejection - record. (1) The vote of any absent voter may be challenged in the same manner as other votes are challenged, and the judges of election shall have power to determine the legality of such ballot. If the challenge is sustained or if the judges determine that the self-affirmation accompanying the absent voter's ballot is insufficient or that the voter is not a registered elector, the envelope containing the ballot of such voter shall not be opened, and the judges shall endorse on the back of the envelope the reason therefor. When it is made to appear to the judges of election by sufficient proof that any absent voter who has marked and forwarded his ballot has died, the envelope containing the ballot of such deceased voter shall not be opened, and the judges shall make proper notation on the back of such envelope. If an absent voter's envelope contains more than one marked ballot of any one kind, none of such ballots shall be counted, and the judges shall make notation on the back of the ballots the reason therefor. Judges of election shall certify in their returns the number of absent voters' ballots cast and counted and the number of such ballots rejected.

(2) All absent voters' identification envelopes, ballot stubs, and absent voters' ballots rejected by the judges of election in accordance with the provisions of this section shall be returned to the clerk. All absent voters' ballots received by the clerk after 7 p.m. the day of the election, together with those rejected and returned by the judges of election, as provided in this section, shall remain in the sealed identification envelopes and be destroyed later, as provided in section 31-10-616.

(3) If an absent voter's ballot is not returned or if it is rejected and not counted, such fact shall be noted on the record kept by the clerk. Such record shall be open to public inspection under proper regulations.

Source: L. 75: Entire title R&RE, p. 1063, § 1, effective July 1. L. 91: (1) amended, p. 642, § 91, effective May 1. L. 93: (2) amended, p. 1711, § 14, effective July 1.

Editor's note: This section is similar to former § 31-10-808 as it existed prior to 1975.

31-10-1009. Oaths for absentee ballots. (Repealed)

Source: **L. 75:** Entire title R&RE, p. 1063, § 1, effective July 1. **L. 87:** Entire section amended, p. 331, § 93, effective July 1. **L. 91:** Entire section repealed, p. 642, § 92, effective May 1.

Editor's note: Before its repeal, this section was similar to former § 31-10-809 as it existed prior to 1975.

31-10-1010. Emergency absentee voting. (1) (a) If the voter is confined in a hospital or his or her place of residence on election day because of conditions arising after the closing day for absent voters' ballot applications, the voter may request in a written statement, signed by him or her, that the clerk send him or her an absent voter's ballot with the word "EMERGENCY" stamped on the stubs thereof. The clerk shall deliver the emergency absent voter's ballot at his or her office, during the regular hours of business, to any authorized representative of the voter possessing a written statement from the voter's physician, advanced practice nurse, or practitioner that the voter will be confined in a hospital or his or her place of residence on election day. For the purposes of this paragraph (a), "authorized representative" means a person possessing a written statement from the voter containing the voter's signature, name, and address and requesting that the emergency absent voter's ballot be given to the authorized person as identified by name and address. The authorized person shall acknowledge receipt of the emergency ballot with his or her signature, name, and address.

(b) A request for an emergency absent voter's ballot under this section shall be made before, and the ballot shall be returned to the clerk's office no later than, 7 p.m. on election day.

(2) Any voter unable to go to the polls because of conditions arising after the closing day for absent voters' ballot applications which will result in his absence from the precinct on election day may apply at the office of the clerk for an emergency absent voter's ballot. Upon receipt of an affidavit signed by the voter on a form provided by the clerk and attesting to the fact that the voter will be compelled to be absent from his precinct on election day because of conditions arising after the closing day for absent voters' ballot applications, the clerk shall provide the voter with an absent voter's ballot, with the word "EMERGENCY" stamped on the stubs thereof.

(3) After marking his ballot, the voter shall place it in a return envelope provided by the clerk. He shall then fill out and sign the self-affirmation on the envelope, as provided in section 31-10-1003, on or before election day and return it to the office of the clerk. Upon receipt of the envelope, the clerk shall verify the voter's name on the return envelope with that which appears on his office precinct record and, if they compare, shall deliver the envelope to the election judges, as provided in section 31-10-1006.

Source: **L. 79:** Entire section added, p. 1181, § 26, effective July 1. **L. 81:** (1)(b) and (2) amended, p. 1506, § 28, effective July 1. **L. 91:** (3) amended, p. 643, § 93, effective May 1. **L. 93:** (1)(b) amended, p. 1712, § 15, effective July 1. **L. 2008:** (1)(a) amended, p. 135, § 28, effective January 1, 2009.

PART 11**CHALLENGE OF VOTERS**

31-10-1101. No voting unless registered. Unless otherwise permitted pursuant to section 31-10-203, no person shall be permitted to vote at any regular or special election unless his name is found on the registration list or official registration book or unless registration in that precinct is confirmed orally as provided by section 31-10-606 (1).

Source: **L. 75:** Entire title R&RE, p. 1064, § 1, effective July 1. **L. 79:** Entire section amended, p. 1181, § 27, effective July 1. **L. 81:** Entire section amended, p. 1506, § 29, effective July 1.

Editor's note: This section is similar to former § 31-10-901 as it existed prior to 1975.

31-10-1102. Right to vote may be challenged. (1) When any person whose name appears on the registration list or in the registration book makes application for a ballot, his right to vote at that poll and election may be challenged. If the person so applying is not entitled to vote, no ballot shall be delivered to him. Any person may also be challenged when he offers his ballot for deposit in the ballot box.

(2) It is the duty of any judge of election to challenge any person offering to vote who he believes is not a registered elector. In addition, challenges may be made by watchers or any registered elector of the precinct who is present.

Source: **L. 75:** Entire title R&RE, p. 1064, § 1, effective July 1. **L. 81:** (2) amended, p. 1506, § 30, effective July 1.

Editor's note: This section is similar to former § 31-10-902 as it existed prior to 1975.

31-10-1103. Challenge to be made by written oath. Each challenge shall be made by written oath, signed by the challenger under penalty of perjury, setting forth the name of the person challenged and the basis for the challenge. The judges of election shall deliver all challenges and oaths to the clerk at the time the other election papers are returned. The clerk shall forthwith deliver all challenges and oaths to the district attorney for investigation and appropriate action.

Source: **L. 75:** Entire title R&RE, p. 1064, § 1, effective July 1.

Editor's note: This section is similar to former § 31-10-903 as it existed prior to 1975.

Cross references: For penalty for perjury under this article, see § 31-10-1506.

31-10-1104. Challenge questions asked voter. (1) If a person offering to vote is challenged as unqualified, one of the judges shall tender to him the following written oath or affirmation: "You do solemnly swear or affirm that you will fully and truly answer all such questions as are put to you touching your place of residence and qualifications as a registered elector at this election."

(2) If the person is challenged as unqualified on the ground that he is not a citizen and will not exhibit his papers pertaining to his naturalization, the judges, or one of them, shall put the following questions:

- (a) "Are you a citizen of the United States?"
- (b) "Are you a native or naturalized citizen?"
- (c) and (d) Repealed.

(3) Repealed.

(4) If the person is challenged as unqualified on the ground that he or she has not resided in this state for thirty days immediately preceding the election, the judges, or one of them, shall put the following questions:

- (a) "Have you resided in this state for thirty days immediately preceding this election?"
- (b) "Have you been absent from this state within the thirty days immediately preceding this election, and during that time have you maintained a home or domicile elsewhere?"
- (c) "If so, when you left, was it for a temporary purpose with the design of returning, or did you intend to remain away?"
- (d) "Did you, while absent, look upon and regard this state as your home?"
- (e) "Did you, while absent, vote in any state or territory?"

(5) If the person is challenged on the ground that he or she has not resided in the precinct for thirty days, one of the judges shall question the person as to his or her residence in the precinct in a manner similar to the method of questioning a person as to his or her residence in this state.

(6) If the person is challenged as unqualified on the ground that he is not eighteen years of age, the judges, or one of them, shall ask the following question: "Are you eighteen years of age or over to the best of your knowledge and belief?"

(7) If the person challenged answers satisfactorily all of the questions put to him, he shall sign his name on the form of the challenge after the printed questions. The judges of election shall indicate in the proper place on the form of challenge whether the challenge was withdrawn and whether the challenged voter refused to answer the questions and left the polling place without voting.

Source: L. 75: Entire title R&RE, p. 1064, § 1, effective July 1. L. 79: (2)(c), (2)(d), and (3) repealed, p. 1640, § 50, effective July 19. L. 92: (4) and (5) amended, p. 2179, § 42, effective June 2. L. 94: IP(4), (4)(a), (4)(b), and (5) amended, p. 1774, § 42, effective January 1, 1995.

Editor's note: This section is similar to former § 31-10-904 as it existed prior to 1975.

31-10-1105. Oath of challenged voter. (1) If the challenge is not withdrawn after the person offering to vote has answered the questions put to him or her, one of the judges shall tender the following oath:

"You do solemnly swear or affirm that you are a citizen of the United States of the age of eighteen years or over; that you have been a resident of this state for thirty days next preceding this election and have not retained a home or domicile elsewhere; that you have been for the last thirty days, and now are, a resident of this precinct or have removed therefrom not more than thirty days as provided in section 31-10-201; that you are a registered elector of this precinct; and that you have not voted at this election."

(2) After the person has taken the oath or affirmation, his ballot shall be received and the word "sworn" shall be written on the pollbook after the person's name.

Source: L. 75: Entire title R&RE, p. 1065, § 1, effective July 1. L. 92: (1) amended, p. 2179, § 43, effective June 2. L. 94: (1) amended, p. 1775, § 43, effective January 1, 1995.

Editor's note: This section is similar to former § 31-10-905 as it existed prior to 1975.

31-10-1106. Refusal to answer questions or take oath. If the challenged person refuses to answer fully any question which is put to him as provided in section 31-10-1104 or refuses to take the oath or affirmation tendered as provided in section 31-10-1105, the judges shall reject his vote.

Source: L. 75: Entire title R&RE, p. 1065, § 1, effective July 1.

Editor's note: This section is similar to former § 31-10-906 as it existed prior to 1975.

PART 12

CANVASS OF VOTES

31-10-1201. Returns - canvass. The returns of all municipal elections shall be made to the clerk of the municipality. The clerk shall request the assistance of the mayor of the municipality in conducting the canvass of votes. If there is no mayor or if the mayor has been a candidate at the election, the clerk shall appoint a municipal judge, a member of the

election commission, or a person who is qualified to be an election judge and who did not serve as an election judge in the election as an assistant. No later than seven days after the election, the clerk, in the presence of the assistant, shall open the returns and make out abstracts of votes for each office.

Source: **L. 75:** Entire title R&RE, p. 1065, § 1, effective July 1. **L. 93:** Entire section amended, p. 1712, § 16, effective July 1.

Editor's note: This section is similar to former § 31-10-1001 as it existed prior to 1975.

ANNOTATION

Law reviews. For article "Election Preview: Voters and Fraud", see 27 Colo. Law. 67 (August 1998).
New Statutory Duties to Investigate Ineligible

31-10-1202. Imperfect returns. When the clerk and his assistant find that the returns from any precinct do not strictly conform to the requirements of law in making, certifying, and returning the same, the votes cast in such precinct nevertheless shall be canvassed and counted if such returns are sufficiently explicit to enable such persons authorized to canvass votes and returns to determine therefrom how many votes were cast for the several candidates.

Source: **L. 75:** Entire title R&RE, p. 1066, § 1, effective July 1.

Editor's note: This section is similar to former § 31-10-1002 as it existed prior to 1975.

31-10-1203. Corrections. If, upon proceeding to canvass the votes, it clearly appears to the clerk and his assistant that in any statement produced to them certain matters are omitted which should have been inserted or that any mistakes which are merely clerical exist, they shall cause the statement to be sent to the precinct judges from whom they were received to have the same corrected. The judges of election, when so demanded, shall make such correction as the facts of the case require but shall not change or alter any decision made before by them. The clerk and his assistant may adjourn from day to day for the purpose of obtaining and receiving such statement.

Source: **L. 75:** Entire title R&RE, p. 1066, § 1, effective July 1.

Editor's note: This section is similar to former § 31-10-1003 as it existed prior to 1975.

31-10-1204. Tie - lots - notice to candidates. If any two or more candidates receive an equal and the highest number of votes for the same office and if there are not enough offices remaining for all such candidates, the clerk and his assistant shall determine by lot the person who shall be elected. Reasonable notice shall be given to such candidates of the time when such election will be so determined.

Source: **L. 75:** Entire title R&RE, p. 1066, § 1, effective July 1.

Editor's note: This section is similar to former § 31-10-1004 as it existed prior to 1975.

31-10-1205. Statement - certificates of election. (1) The clerk shall immediately make out statements from the abstract of votes which shall show the names of the candidates and the whole number of votes given to each, distinguishing the several precincts in which they were given. The clerk and his assistant shall certify such statement to be correct and subscribe their names thereto. They shall thereupon determine which persons have been by the greatest number of votes duly elected and shall endorse and subscribe on such statements a certificate of their determination.

(1.5) In any election in a municipality that utilizes four-year overlapping terms of office for members of the governing body as provided in sections 31-4-107 (3) and 31-4-301 (5), any available four-year terms of office shall be awarded to the candidate or the candidates receiving the highest number of votes. The term of office of the candidate or candidates receiving the next highest vote total or totals shall be shortened as provided in sections 31-4-107 (3) and 31-4-301 (5).

(2) The clerk shall record in his office, in a book to be kept by him for that purpose, each such certified statement and determination and shall, without delay, make out and transmit to each of the persons thereby declared to be elected a certificate of his election, certified by him under his seal of office. The clerk shall also forthwith cause a copy of such certified statement and determination to be published in a newspaper of general circulation within the municipality or posted when no newspaper is published within the municipality. The clerk shall also file a copy in the office of the secretary of state.

Source: L. 75: Entire title R&RE, p. 1066, § 1, effective July 1. L. 93: (1.5) added, p. 1712, § 17, effective July 1. L. 96: (1.5) amended, p. 1769, § 66, effective July 1.

Editor's note: This section is similar to former § 31-10-1005 as it existed prior to 1975.

31-10-1206. Fees of municipal judge. Each municipal judge appointed to assist the clerk in opening the returns of any municipal election and making abstracts of the votes cast thereat, as required in this article, shall receive for such services the sum of ten dollars for each day in which he is actually engaged therein, to be paid by the municipality in which such service is rendered.

Source: L. 75: Entire title R&RE, p. 1066, § 1, effective July 1.

Editor's note: This section is similar to former § 31-10-1006 as it existed prior to 1975.

31-10-1207. Recount. (1) The municipal clerk shall conduct a recount of the votes cast in any election if it appears, as evidenced by the survey of returns, that the difference between the highest number of votes cast in the election and the next highest number of votes cast in the election is less than or equal to one-half of one percent of the highest number of votes cast in the election. Any recount conducted pursuant to this subsection (1) shall be completed no later than the tenth day following the election and shall be paid for by the governing body. The clerk shall give notice of the recount to all candidates and, in the case of a ballot issue or question, to any petition representatives identified pursuant to sections 31-2-221 (1), 31-4-502 (1) (a) (I), and 31-11-106 (2) that are affected by the result of the election. Such notice shall be given by certified mail, by posting such notice in three public places within the municipal limits, or by other means reasonably expected to notify the affected candidates or petition representatives. Any affected candidate or petition representative shall be allowed to be present during and observe the recount.

(2) Whenever a recount of the votes cast in an election is not required pursuant to subsection (1) of this section, any interested party, including a candidate for office or the petition representatives for a ballot issue or question, may submit to the clerk a written request for a recount at the expense of the interested party making the request. This request shall be filed with the clerk within seven days after the election. Before conducting the recount, the clerk shall give notice of the recount in accordance with the provisions of subsection (1) of this section, shall determine the cost of the recount, shall notify the interested party that requested the recount of such cost, and shall collect the cost of conducting the recount from such interested party. The interested party that requested the recount shall pay on demand the cost of the recount to the clerk. The funds paid to the clerk for the recount shall be placed in escrow for payment of all expenses incurred in the recount. If, after the recount, the result of the election is reversed in favor of the interested party that requested the recount or if the amended election count is such that a recount otherwise would have been required pursuant to subsection (1) of this section, the payment for

expenses shall be refunded to the interested party who paid them. Any recount of votes conducted pursuant to this subsection (2) shall be completed no later than the tenth day after the election.

(3) The clerk shall be responsible for conducting the recount and shall be assisted by those persons who assisted in preparing the official abstract of votes. If the person cannot participate in the recount, another person shall be appointed as provided in section 31-10-1201. The clerk may appoint additional persons qualified to be the election judges who did not serve as judges in the election as assistants in conducting the recount. Persons assisting in the conduct of the recount shall be compensated as provided in section 31-10-1206.

(4) The clerk may require the production of any documentary evidence regarding the legality of any vote cast or counted and may correct the survey of returns in accordance with the clerk's findings based on the evidence presented.

(5) In precincts using paper or electronic ballots, the recounts shall be of the ballots cast, and the votes shall be tallied on sheets other than those used at the election. In precincts using voting machines, the recount shall be of the votes tabulated on the voting machines, and separate tally sheets shall be used for each machine.

(6) After a recount conducted pursuant to this section has been completed, the clerk shall notify the governing body of the results of the recount, shall make a certificate of election for each candidate who received the highest number of votes for an office for which a recount was conducted, and shall deliver the certificate to such candidate.

Source: L. 93: Entire section added, p. 1712, § 18, effective July 1. L. 2000: (1) and (2) amended and (6) added, p. 797, § 19, effective August 2.

PART 13

CONTESTS

31-10-1301. Who may contest - causes. (1) The election of any person declared duly elected to any municipal office may be contested by any registered elector of such municipality:

(a) When the contestee is not eligible for the office to which he has been declared elected;

(b) When illegal votes have been received or legal votes rejected at the polls in sufficient numbers to change the results;

(c) For any error or mistake on the part of any of the judges of election or the clerk and his assistant in counting or declaring the result of the election if the error or mistake would be sufficient to change the result;

(d) For malconduct, fraud, or corruption on the part of the judges of election in any precinct or any clerk or his assistant if the malconduct, fraud, or corruption would be sufficient to change the result;

(e) For any other cause which shows that another was the legally elected person.

Source: L. 75: Entire title R&RE, p. 1067, § 1, effective July 1. L. 87: IP(1) amended, p. 331, § 94, effective July 1.

Editor's note: This section is similar to former § 31-10-1101 as it existed prior to 1975.

ANNOTATION

Subsection (1)(b) requires the contestor to prove for whom the illegal votes were cast, but the contestor cannot compel the testimony of the ineligible voters. *Mahaffey v. Barnhill*, 855 P.2d 847 (Colo. 1993).

Illegal votes have been received in sufficient numbers to change the results of an election when the number meets or exceeds the margin of victory. *Mahaffey v. Barnhill*, 855 P.2d 847 (Colo. 1993).

31-10-1302. District judge to preside - bond. (1) All contested election cases of municipal officers shall be tried and determined in the district court of the county in which the municipality is located. Where a municipality is located in more than one county, the district court of either county has jurisdiction. The style and form of process, the manner of service of process and papers, the fees of officers, and judgment for costs and execution thereon shall be according to the rules and practices of the district court.

(2) Before the district court is required to take jurisdiction of the contest, the contestor must file with the clerk of said court a bond, with sureties, to be approved by the district judge, running to said contestee and conditioned to pay all costs in case of failure to maintain his contest.

Source: L. 75: Entire title R&RE, p. 1067, § 1, effective July 1.

Editor's note: This section is similar to former § 31-10-1102 as it existed prior to 1975.

ANNOTATION

A cost bond need not be filed for a district court to have jurisdiction over an election contest. The language is permissive so the court

may require a cost bond before it accepts jurisdiction but it need not do so. *Mahaffey v. Barnhill*, 855 P.2d 847 (Colo. 1993).

31-10-1303. Filing statement - contents. The contestor shall file in the office of the clerk of the district court, within ten days after the expiration of the period within which a recount may be requested pursuant to section 31-10-1207 (2), or within ten days after the conclusion of a recount conducted pursuant to section 31-10-1207, whichever is later, a written statement of the contestor's intention to contest the election, setting forth the name of the contestor, that the contestor is a registered elector of the municipality, the name of the contestee, the office contested, the time of election, and the particular causes of the contest. The statement shall be verified by the affidavit of the contestor or some registered elector of the municipality that the causes set forth in such statement are true to the best of the affiant's knowledge and belief.

Editor's note: This section is similar to former § 31-10-1103 as it existed prior to 1975.

ANNOTATION

Declaratory judgment action to determine whether sales and use tax properly authorized under municipal election is an election

contest and therefore must be brought within ten days of canvassing. *Molleck v. City of Golden*, 884 P.2d 725 (Colo. 1994).

31-10-1304. Summons - answer. (1) The clerk of the district court shall thereupon issue a summons in the ordinary form, in which the contestor shall be named as plaintiff and the contestee as defendant, stating the court in which the action is brought and a brief statement of the causes of contest, as set forth in the contestor's statement. The summons shall be served upon the contestee in the same manner as other summonses are served out of the district court of this state.

(2) The contestee, within ten days after the service of such summons, shall make and file his answer to the same with the clerk of said court in which he shall either admit or specifically deny each allegation intended to be controverted by the contestee on the trial of such contest and shall set up in such answer any counterstatement which he relies upon as entitling him to the office to which he has been declared elected.

(3) When the reception of illegal votes or the rejection of legal votes is alleged as the

cause of the contest, a list of the number of persons who so voted or offered to vote shall be set forth in the statement of contestor and shall be likewise set forth in the answer of contestee if any such cause is alleged in his answer by way of counterstatement.

(4) When the answer of the contestee contains new matter constituting a counterstatement, the contestor, within ten days after the filing of such answer, shall reply to the same, admitting or specifically denying, under oath, each allegation contained in such counterstatement intended by him to be controverted on the trial, and file the same in the office of the clerk of the district court.

Source: L. 75: Entire title R&RE, p. 1067, § 1, effective July 1.

Editor's note: This section is similar to former § 31-10-1104 as it existed prior to 1975.

31-10-1305. Trial and appeals. Immediately after the joining of issue, the district court shall fix a day for the trial to commence, not more than twenty days nor less than ten days after the joining of issue. Such trial shall take precedence over all other business in said court. The testimony may be oral or by depositions taken before any officer authorized to take depositions. Any depositions taken to be used upon the trial of such contest may be taken upon four days' notice thereof. The district judge shall cause the testimony to be taken in full and filed in said cause. The trial of such causes shall be conducted according to the rules and practice of the district court in other cases. Such proceedings may be reviewed and finally adjudicated by the supreme court of this state if application to such court is made by either party and if the supreme court is willing to assume jurisdiction of the case.

Source: L. 75: Entire title R&RE, p. 1068, § 1, effective July 1.

Editor's note: This section is similar to former § 31-10-1105 as it existed prior to 1975.

ANNOTATION

Statute creates no limitation on the district court's power to hear a controversy. It does not state that jurisdiction is lacking absent the

setting of a trial within its limitations. *Mahaffey v. Barnhill*, 855 P.2d 847 (Colo. 1993).

31-10-1306. Recount. If, upon the trial of any contested election under this article, the statement or counterstatement sets forth an error in canvass sufficient to change the result, the trial judge has the power to conduct a recount of the ballots cast or the votes tabulated on the voting machines in the precinct where the alleged error was made. The court may also require the production before it of such witnesses, documents, records, and other evidence as may have or may contain information regarding the legality of any vote cast or counted for either of the contesting candidates or the correct number of votes cast for either candidate and may correct the canvass in accordance with the evidence presented and its findings thereon.

Editor's note: This section is similar to former § 31-10-1106 as it existed prior to 1975.

31-10-1307. Judgment. The court shall pronounce judgment whether the contestee or any other person was duly elected. The person so declared elected is entitled to the office upon qualification. If the judgment is against the contestee and he has received his certificate, the judgment annuls it. If the court finds that no person was duly elected, the judgment shall be that the election be set aside and that a vacancy exists.

Source: L. 75: Entire title R&RE, p. 1068, § 1, effective July 1.

Editor's note: This section is similar to former § 31-10-1107 as it existed prior to 1975.

31-10-1308. Ballot questions and ballot issues - how contested. (1) The results of an election on any ballot question may be contested in the manner provided by this part 13. The grounds for such contest shall be those grounds set forth in section 31-10-1301 (1) (b), (1) (c), and (1) (d). The contestee shall be the appropriate election official. In addition to other matters required to be set forth by this part 13, the statement of intention to contest the election shall set forth the question contested.

(2) Any contest arising out of a ballot issue or ballot question, as defined in section 1-1-104 (2.3) and (2.7), C.R.S., concerning the order on the ballot or concerning whether the form or content of any ballot title meets the requirements of section 20 of article X of the state constitution, shall be conducted as provided in section 1-11-203.5, C.R.S.

(3) The result of an election on any ballot issue, as defined in section 1-1-104 (2.3), C.R.S., approving the creation of any debt or other financial obligation may be contested in the manner provided by this part 13. The grounds for such contest shall be those grounds set forth in sections 1-11-201 (4), C.R.S., and 31-10-1301 (1) (b), (1) (c), and (1) (d). The contestee shall be the municipality for which the ballot issue was decided.

Editor's note: This section is similar to former § 31-10-1108 as it existed prior to 1975.

PART 14

OTHER JUDICIAL PROCEEDINGS

31-10-1401. Controversies. (1) When any controversy arises between any official charged with any duty or function under this article and any candidate or other person, the district court, upon the filing of a verified petition by any such official or person setting forth in concise form the nature of the controversy and the relief sought, shall issue an order commanding the respondent in such petition to appear before the court and answer under oath to such petition. It is the duty of the court to summarily hear and dispose of any such issues, with a view to obtaining a substantial compliance with the provisions of this article by the parties to such controversy, and to make and enter orders and judgments and to follow the procedures of such court to enforce all such orders and judgments.

(2) Such proceedings may be reviewed and finally adjudicated by the supreme court of this state if application to such court is made within five days after the termination thereof by the court in which the petition was filed and if the supreme court is willing to assume jurisdiction of the case.

Source: **L. 75:** Entire title R&RE, p. 1068, § 1, effective July 1.

Editor's note: This section is similar to former § 31-10-1201 as it existed prior to 1975.

ANNOTATION

Annotator's note. Since § 31-10-1401 is similar to former § 31-10-1201 prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, relevant cases construing a prior provision have been included in the annotations to this section.

There is no ambiguity in the explicit language of the statute which names the district court as the forum in which such petitions are

to filed. *Birkenmayer v. Carter*, 165 Colo. 459, 439 P.2d 991 (1968).

Jurisdiction continues past election. Because the municipal election was 20 days ago and persons elected on that date are now in office, it appears that no remedy is afforded the petitioner whose name was omitted from the ballot in connection with the election; nevertheless, the district court erred in dismissing the

action of the ground that it had no jurisdiction of the present controversy. *Birkenmayer v. Carter*, 165 Colo. 459, 439 P.2d 991 (1968).

Applied in *Theobald v. Byrns*, 195 Colo. 330, 579 P.2d 609 (1978).

31-10-1402. Correction of errors. (1) The clerk shall, on his own motion, correct without delay any error in publication or sample or official ballots which he discovers or which is brought to his attention and which can be corrected without interfering with the timely distribution of the ballots.

(2) When it appears by verified petition of a candidate or his agent to the district court that an error or omission has occurred in the publication of the names or descriptions of the candidates or in the printing of the sample or official ballots which has not been corrected by the clerk, the court shall issue an order requiring the clerk to forthwith correct such error or to forthwith show cause why such error should not be corrected. Costs, including a reasonable attorney fee, may be taxed in the discretion of such court against either party.

(3) Such proceedings may be reviewed and finally adjudicated by the supreme court of this state if application to such court is made within five days after the termination thereof by the court in which the petition was filed and if the supreme court is willing to assume jurisdiction of the case.

Editor's note: This section is similar to former § 31-10-1202 as it existed prior to 1975.

PART 15

ELECTION OFFENSES

31-10-1501. District attorney or attorney general to prosecute. (1) Any person may file with the district attorney an affidavit stating the name of any person who has violated any of the provisions of this article and stating the facts which constitute the alleged offense. Upon the filing of such affidavit, the district attorney shall forthwith investigate, and, if reasonable grounds appear therefor, he shall prosecute the same.

(2) The attorney general of the state shall have equal power with district attorneys to file informations or complaints against any person for violating any provision of this article.

Source: L. 75: Entire title R&RE, p. 1069, § 1, effective July 1.

Editor's note: This section is similar to former § 31-10-1301 as it existed prior to 1975.

31-10-1502. Sufficiency of complaint - judicial notice. Irregularities or defects in the mode of calling, giving notice of, convening, holding, or conducting any regular or special election constitutes no defense to a prosecution for a violation of this article. When an offense is committed in relation to any municipal election, an indictment, information, or complaint for such offense is sufficient if it alleges that such election was authorized by law, without stating the call or notice of the election, the names of the judges of election holding such election, or the names of the persons voted for at such election. Judicial notice shall be taken of the holding of any regular or special election.

Source: L. 75: Entire title R&RE, p. 1069, § 1, effective July 1. L. 81: Entire section amended, p. 1507, § 32, effective July 1.

Editor's note: This section is similar to former § 31-10-1302 as it existed prior to 1975.

31-10-1503. Immunity of witness from prosecution. Any person violating any provision of this article is a competent witness against any other such violator and may be compelled to attend and testify upon any trial, hearing, proceeding, or investigation in the

same manner as any other person, but the testimony so given shall not be used in any prosecution or proceeding, civil or criminal, against the person so testifying except for perjury in giving such testimony. A person so testifying shall not thereafter be liable to indictment, prosecution, or punishment for the offense with reference to which his testimony was given and may plead or prove the giving of testimony accordingly in bar of such indictment or prosecution.

Editor's note: This section is similar to former § 31-10-1303 as it existed prior to 1975.

31-10-1504. Penalties for election offenses. In all cases where an offense is denominated by this article as being a misdemeanor and no penalty is specified, the offender, upon conviction thereof, shall be punished by a fine of not more than one thousand dollars, or by imprisonment in the county jail for not more than one year, or by both such fine and imprisonment.

Source: L. 75: Entire title R&RE, p. 1070, § 1, effective July 1.

Editor's note: This section is similar to former § 31-10-1304 as it existed prior to 1975.

31-10-1505. Payment of fines. All fines collected under the provisions of this article shall be paid to the county in which the municipality concerned is located.

Source: L. 75: Entire title R&RE, p. 1070, § 1, effective July 1.

Editor's note: This section is similar to former § 31-10-1305 as it existed prior to 1975.

31-10-1506. Perjury. Any person, having taken any oath or made any affirmation required by this article, who swears or affirms willfully, corruptly, and falsely in a matter material to the issue or point in question or suborns any other person to swear or affirm willfully, corruptly, and falsely commits perjury in the second degree or subornation of perjury.

Source: L. 75: Entire title R&RE, p. 1070, § 1, effective July 1.

Editor's note: This section is similar to former § 31-10-1306 as it existed prior to 1975.

31-10-1507. Forgery. Any person who falsely makes, alters, forges, or counterfeits any ballot before or after it has been cast, or who forges any name of a person as a signer or witness to a petition or nomination paper, or who forges the name of a registered elector to an absent voter's ballot commits forgery.

Editor's note: This section is similar to former § 31-10-1307 as it existed prior to 1975.

31-10-1508. Tampering with nomination papers. Any person who, being in possession of nomination papers entitled to be filed under this article, wrongfully or willfully destroys, defaces, mutilates, suppresses, neglects, or fails to cause the same to be filed by the proper time in the clerk's office or who files any such paper knowing the same, or any part thereof, to be falsely made commits a misdemeanor and, upon conviction thereof, shall be punished as provided in section 31-10-1504.

Source: L. 75: Entire title R&RE, p. 1070, § 1, effective July 1.

Editor's note: This section is similar to former § 31-10-1308 as it existed prior to 1975.

31-10-1509. Bribery of petition signers. Any person who offers or knowingly permits any person to offer for his benefit any bribe or promise of gain to an elector to induce him to sign any nomination petition or other election paper or any person who accepts any such bribe or promise of gain of any kind in the nature of a bribe as consideration for signing the same, whether such bribe or promise of gain in the nature of a bribe is offered or accepted before or after signing, commits a misdemeanor and, upon conviction thereof, shall be punished as provided in section 31-10-1504.

Source: L. 75: Entire title R&RE, p. 1070, § 1, effective July 1.

Editor's note: This section is similar to former § 31-10-1309 as it existed prior to 1975.

31-10-1510. Statements of expenses. (Repealed)

Source: L. 75: Entire title R&RE, p. 1070, § 1, effective July 1. L. 85: Entire section repealed, p. 273, § 7, effective April 30.

Editor's note: Before its repeal, this section was similar to former § 31-10-1310 as it existed prior to 1975.

31-10-1511. Custody and delivery of ballots and other election papers. (1) Any election official having charge of official ballots, tally sheets, the registration book or list, and the pollbook who destroys, conceals, or suppresses the same, except as expressly permitted by this article, commits a misdemeanor and, upon conviction thereof, shall be punished as provided in section 31-10-1504.

(2) Any election official who has undertaken to deliver the official ballots, the tally sheets, the registration book or list, and the pollbook to the clerk and who neglects or refuses to do so within the time prescribed by law or who fails to account fully for all official ballots and other papers in his charge commits a misdemeanor and, upon conviction thereof, shall be punished as provided in section 31-10-1504.

Source: L. 75: Entire title R&RE, p. 1071, § 1, effective July 1.

Editor's note: This section is similar to former § 31-10-1311 as it existed prior to 1975.

31-10-1512. Destroying, removing, or delaying delivery of ballots and other election papers. Any person who willfully destroys or defaces any ballot or tally sheet, or who willfully delays the delivery of the ballots, tally sheets, registration book or list, or pollbook, or who conceals or removes any ballot, ballot box, or tally sheet from the polling place or from the possession of the person authorized by law to have the custody thereof, or who aids, counsels, procures, or assists any person in doing any of said acts commits a misdemeanor and, upon conviction thereof, shall be punished as provided in section 31-10-1504.

Source: L. 75: Entire title R&RE, p. 1071, § 1, effective July 1.

Editor's note: This section is similar to former § 31-10-1312 as it existed prior to 1975.

31-10-1513. Unlawfully refusing or permitting to vote. Any election judge who willfully and maliciously refuses or neglects to receive the ballot of any registered elector who has taken or offered to take the oath prescribed in section 31-10-1105 or knowingly and

willfully permits any person to vote who is not entitled to vote at any election commits a misdemeanor and, upon conviction thereof, shall be punished as provided in section 31-10-1504.

Source: L. 75: Entire title R&RE, p. 1071, § 1, effective July 1.

Editor's note: This section is similar to former § 31-10-1313 as it existed prior to 1975.

31-10-1514. Revealing how elector voted. Any election official, watcher, or person who assists a disabled person in voting who reveals how a voter has voted commits a misdemeanor and, upon conviction thereof, shall be punished as provided in section 31-10-1504.

Source: L. 75: Entire title R&RE, p. 1071, § 1, effective July 1.

Editor's note: This section is similar to former § 31-10-1314 as it existed prior to 1975.

31-10-1515. Violation of duty. Any municipal official election official or other person upon whom any duty is imposed by this article who violates, neglects, or omits to perform such duty or is guilty of corrupt conduct in the discharge of the same or any notary public or other officer authorized by law to administer oaths who administers an oath knowing it to be false or who knowingly makes a false certificate in regard to an election matter commits a misdemeanor for each offense and, upon conviction thereof, shall be punished as provided in section 31-10-1504.

Source: L. 75: Entire title R&RE, p. 1071, § 1, effective July 1.

Editor's note: This section is similar to former § 31-10-1315 as it existed prior to 1975.

31-10-1516. Unlawful receipt of money. (1) It is unlawful for any person, directly or indirectly, by himself or through any other person:

(a) To receive, agree to, or contract for, before or during any municipal election, any money, gift, loan, or other valuable consideration for himself or any other person for voting or agreeing to vote, or for going or agreeing to go to the polls, or for remaining away or agreeing to remain away from the polls, or for refraining or agreeing to refrain from voting for any particular person or measure at any municipal election; or

(b) To receive any money or other valuable thing during or after any municipal election on account of himself or any other person for voting or refraining from voting at such election, or on account of himself or any other person for voting or refraining from voting for any particular person at such election, or on account of himself or any other person for going to the polls or remaining away from the polls at such election, or on account of having induced any person to vote or refrain from voting for any particular person or measure at such election.

(2) Each offense mentioned in subsection (1) of this section is a misdemeanor, and, upon conviction thereof, the offender shall be punished as provided in section 31-10-1504.

Source: L. 75: Entire title R&RE, p. 1072, § 1, effective July 1.

Editor's note: This section is similar to former § 31-10-1316 as it existed prior to 1975.

31-10-1517. Disclosing or identifying vote. Except as provided in section 31-10-608 or 31-10-609, no voter shall show his ballot after it is prepared for voting to any person in such a way as to reveal its contents, and no person shall solicit or induce the voter to do so. No voter shall place any mark upon his ballot by means of which it can be identified as the one voted by him, and no other mark shall be placed upon the ballot to identify it after it

has been prepared for voting. Any person violating the provisions of this section commits a misdemeanor and, upon conviction thereof, shall be punished as provided in section 31-10-1504.

Source: L. 75: Entire title R&RE, p. 1072, § 1, effective July 1.

Editor's note: This section is similar to former § 31-10-1317 as it existed prior to 1975.

31-10-1518. Delivering and receiving ballots at polls. (1) No voter shall receive an official ballot from any person except one of the judges of election, and no person other than a judge of election shall deliver an official ballot to a voter.

(2) No person except a judge of election shall receive from any voter a ballot prepared for voting.

(3) Any voter who does not vote the ballot received by him shall return his ballot to the judge of election from whom he received the same before leaving the polling place.

(4) Each violation of the provisions of this section is a misdemeanor, and, upon conviction thereof, the offender shall be punished as provided in section 31-10-1504.

Source: L. 75: Entire title R&RE, p. 1072, § 1, effective July 1. L. 81: (1) to (3) amended, p. 1507, § 33, effective July 1.

Editor's note: This section is similar to former § 31-10-1318 as it existed prior to 1975.

31-10-1519. Voting twice. Any person who votes more than once or, having voted once, offers to vote again or offers to deposit in the ballot box more than one ballot, shall be punished by a fine of not more than five thousand dollars or by imprisonment in the county jail for not more than eighteen months, or by both such fine and imprisonment.

Editor's note: This section is similar to former § 31-10-1320 as it existed prior to 1975.

31-10-1521. Electioneering near polls. Any person who does any electioneering on election day within any polling place or in any public street or room or in any public manner within one hundred feet of any building in which a polling place is located commits a misdemeanor and, upon conviction thereof, shall be punished as provided in section 31-10-1504.

Source: L. 75: Entire title R&RE, p. 1073, § 1, effective July 1.

Editor's note: This section is similar to former § 31-10-1321 as it existed prior to 1975.

31-10-1521.5. Anonymous statements concerning candidates or issues - penalties. (Repealed)

Source: **L. 93:** Entire section added, p. 1713, § 19, effective July 1. **L. 97:** Entire section repealed, p. 1545, § 16, effective July 1.

31-10-1522. Employer's unlawful acts. (1) It is unlawful for any employer, whether corporation, association, company, firm, or person, or any officer or agent of such employer:

(a) To refuse any of his employees the privilege of taking time off to vote as provided in section 31-10-603; or

(b) To influence the vote of any employee by force, violence, or restraint, or by inflicting or threatening to inflict any injury, damage, harm, or loss, or by discharging from employment, or by promoting in employment; or

(c) To enclose, in paying his employees the salary or wages due them, their pay in pay envelopes upon which there are written or printed any political mottoes, devices, or arguments containing threats, expressed or implied, intended or calculated to control the political opinions, views, or actions of such employees; or

(d) To put up or otherwise exhibit, within ninety days prior to any municipal election, in his factory, workshop, mine, mill, office, or other establishment or place where his employees may be working or be present in the course of such employment any handbill, notice, or placard containing any threat, notice, or information that, in case any particular candidate is elected or issue is carried, work in his place or establishment will cease in whole or in part or the wages of his employees be reduced or containing any other threats, expressed or implied, intended or calculated to control the political opinions or actions of his employees; or

(e) To either expressly or by implication threaten, intimidate, influence, induce, or compel any employee to vote or refrain from voting for any particular person or issue in any municipal election or to refrain from voting at any municipal election.

(2) Each offense mentioned in subsection (1) of this section is a misdemeanor, and, upon conviction thereof, the offender shall be punished as provided in section 31-10-1504.

Source: **L. 75:** Entire title R&RE, p. 1073, § 1, effective July 1.

Editor's note: This section is similar to former § 31-10-1322 as it existed prior to 1975.

31-10-1523. Intimidation. It is unlawful for any person directly or indirectly, by himself or any other person in his behalf, to make use of any force, violence, restraint, abduction, duress, or forcible or fraudulent device or contrivance, or to inflict or threaten the infliction of any injury, damage, harm, or loss, or in any manner to practice intimidation upon or against any person in order to impede, prevent, or otherwise interfere with the free exercise of the elective franchise of any qualified elector, or to compel, induce, or prevail upon any qualified elector either to give or refrain from giving his vote at any municipal election or to give or refrain from giving his vote for any particular person or measure at any such election. Each such offense is a misdemeanor, and, upon conviction thereof, the offender shall be punished as provided in section 31-10-1504.

Source: **L. 75:** Entire title R&RE, p. 1073, § 1, effective July 1.

Editor's note: This section is similar to former § 31-10-1323 as it existed prior to 1975.

31-10-1524. Unlawfully giving or promising money. (1) It is unlawful for any person, directly, by himself, or through any other person:

(a) To pay, loan, or contribute or offer or promise to pay, loan, or contribute any money or other valuable consideration to or for any qualified or registered elector or to or for any other person to induce such elector to vote or refrain from voting at any municipal election, or to induce any registered elector to vote or refrain from voting at such election for any

particular person, or to induce such elector to go to the polls or remain away from the polls at such election or on account of such qualified or registered elector having voted or refrained from voting for any particular person or having gone to the polls or remained away from the polls at such election; or

(b) To advance or pay or cause to be paid any money or other valuable thing to or for the use of any other person with the intent that the same, or any part thereof, be used in bribery at any municipal election or to knowingly pay or cause to be paid any money or other valuable thing to any person in discharge or repayment of any money wholly or in part expended in bribery at any such election.

(2) Each offense mentioned in subsection (1) of this section is a misdemeanor, and, upon conviction thereof, the offender shall be punished as provided in section 31-10-1504.

Source: L. 75: Entire title R&RE, p. 1073, § 1, effective July 1.

Editor's note: This section is similar to former § 31-10-1324 as it existed prior to 1975.

31-10-1525. Corrupt means of influencing vote. If any person, by bribery, menace, or other corrupt means or device whatsoever, either directly or indirectly, attempts to influence any voter of this state in giving his vote or ballot, or deters him from giving the same, or disturbs or hinders him in the free exercise of the right of suffrage at any municipal election in this state, or fraudulently or deceitfully changes or alters a ballot, such person so offending commits a misdemeanor and, upon conviction thereof, shall be punished as provided in section 31-10-1504.

Source: L. 75: Entire title R&RE, p. 1074, § 1, effective July 1.

Editor's note: This section is similar to former § 31-10-1325 as it existed prior to 1975.

31-10-1526. Interference with voter while voting. Any person who interferes with any voter when inside the immediate voting area or when marking a ballot or operating a voting machine commits a misdemeanor and, upon conviction thereof, shall be punished as provided in section 31-10-1504.

Source: L. 75: Entire title R&RE, p. 1074, § 1, effective July 1.

Editor's note: This section is similar to former § 31-10-1326 as it existed prior to 1975.

31-10-1527. Introducing liquor into polls. It is unlawful for any person to introduce into any polling place or to use therein or offer to another for use therein at any time while any election is in progress or the results thereof are being ascertained by the counting of the ballots any intoxicating malt, spirituous, or vinous liquors. Each such offense is a misdemeanor, and, upon conviction thereof, the offender shall be punished as provided in section 31-10-1504.

Source: L. 75: Entire title R&RE, p. 1074, § 1, effective July 1.

Editor's note: This section is similar to former § 31-10-1327 as it existed prior to 1975.

31-10-1528. Inducing defective ballot. Any person who willfully causes a ballot to misstate in any way the wishes of the voter casting the same or who causes any other deceit to be practiced with intent fraudulently to induce such voter to deposit a defective ballot so as to have the ballot thrown out and not counted commits a misdemeanor and, upon conviction thereof, shall be punished as provided in section 31-10-1504.

Source: L. 75: Entire title R&RE, p. 1074, § 1, effective July 1.

Editor's note: This section is similar to former § 31-10-1328 as it existed prior to 1975.

31-10-1529. Personating elector. Any person who falsely personates any registered elector and votes under the name of such elector shall be punished by a fine of not more than five thousand dollars or by imprisonment in the county jail for not more than eighteen months, or by both such fine and imprisonment.

Source: L. 75: Entire title R&RE, p. 1074, § 1, effective July 1. L. 95: Entire section amended, p. 858, § 107, effective July 1.

Editor's note: This section is similar to former § 31-10-1329 as it existed prior to 1975.

31-10-1530. Altering posted abstract of votes. Any person who defaces, mutilates, alters, or unlawfully removes the abstract of votes posted outside of a polling place commits a misdemeanor and, upon conviction thereof, shall be punished as provided in section 31-10-1504.

Source: L. 75: Entire title R&RE, p. 1074, § 1, effective July 1.

Editor's note: This section is similar to former § 31-10-1330 as it existed prior to 1975.

31-10-1531. Wagers with electors. It is unlawful for any person, including any candidate for public office, before or during any municipal election, to make any bet or wager with a qualified elector or take a share or interest in, or in any manner become a party to, any such bet or wager or provide or agree to provide any money to be used by another in making such bet or wager upon any event or contingency whatever arising out of such election. For each such offense, the offender commits a misdemeanor and, upon conviction thereof, shall be punished as provided in section 31-10-1504.

Source: L. 75: Entire title R&RE, p. 1075, § 1, effective July 1.

Editor's note: This section is similar to former § 31-10-1331 as it existed prior to 1975.

31-10-1532. Tampering with notices or supplies. Any person who, prior to a municipal election, willfully defaces, removes, or destroys any notice of election posted in accordance with the provisions of this article, or who, during an election, willfully defaces, removes, or destroys any card of instruction or sample ballot posted for the instruction of voters, or who, during an election, willfully removes or destroys any of the supplies or conveniences furnished to enable a voter to prepare his ballot commits a misdemeanor for each offense and, upon conviction thereof, shall be punished as provided in section 31-10-1504.

Source: L. 75: Entire title R&RE, p. 1075, § 1, effective July 1.

Editor's note: This section is similar to former § 31-10-1332 as it existed prior to 1975.

31-10-1533. Tampering with registration book, registration list, or pollbook. Any person who mutilates or erases any name, figure, or word on any registration book, registration list, or pollbook, or who removes such registration book, registration list, or pollbook or any part thereof from the place where it has been deposited with an intention to destroy the same, or to procure or prevent the election of any person, or to prevent any registered elector from voting, or who destroys any registration book or pollbook or part thereof commits a misdemeanor and, upon conviction thereof, shall be punished as provided in section 31-10-1504.

Source: L. 75: Entire title R&RE, p. 1075, § 1, effective July 1.

Editor's note: This section is similar to former § 31-10-1333 as it existed prior to 1975.

31-10-1534. Tampering with voting machine. Any person who tampers with a voting machine before, during, or after any municipal election with intent to change the tabulation of votes thereon to reflect other than an accurate accounting commits a misdemeanor and, upon conviction thereof, shall be punished as provided in section 31-10-1504.

Source: L. 75: Entire title R&RE, p. 1075, § 1, effective July 1.

Editor's note: This section is similar to former § 31-10-1334 as it existed prior to 1975.

31-10-1535. Interference with election official. Any person who at any municipal election intentionally interferes with any election official in the discharge of his duty, or who induces any election official to violate or refuse to comply with his duty, or who aids, counsels, procures, advises, or assists any person to do so commits a misdemeanor for each offense and, upon conviction thereof, shall be punished as provided in section 31-10-1504.

Source: L. 75: Entire title R&RE, p. 1075, § 1, effective July 1.

Editor's note: This section is similar to former § 31-10-1335 as it existed prior to 1975.

31-10-1536. Unlawful qualification as taxpaying elector. It is unlawful to take or place title to property in the name of another, or to pay the taxes, or to take or issue a tax receipt in the name of another for the purpose of attempting to qualify such person as a "qualified taxpaying elector", or to aid or assist any person to do so. The ballot of any such person violating this section shall be void. Each person violating any of the provisions of this section commits a misdemeanor for each offense and, upon conviction thereof, shall be punished as provided in section 31-10-1504.

Source: L. 75: Entire title R&RE, p. 1075, § 1, effective July 1.

Editor's note: This section is similar to former § 31-10-1336 as it existed prior to 1975.

31-10-1537. Absentee voting. Any election official or other person who knowingly violates any of the provisions of this article relative to the casting of absent voters' ballots or who aids or abets fraud in connection with any absent vote cast or to be cast shall be punished by a fine of not more than five thousand dollars or by imprisonment in the county jail for not more than eighteen months, or by both such fine and imprisonment.

Source: L. 75: Entire title R&RE, p. 1075, § 1, effective July 1. L. 95: Entire section amended, p. 859, § 108, effective July 1.

Editor's note: This section is similar to former § 31-10-1337 as it existed prior to 1975.

31-10-1538. Article to be liberally construed. This article shall be liberally construed so that all legally registered electors may be permitted to vote and so that fraud and corruption in municipal elections may be prevented.

Source: L. 75: Entire title R&RE, p. 1076, § 1, effective July 1.

Editor's note: This section is similar to former § 31-10-1338 as it existed prior to 1975.

31-10-1539. Applicability. (1) This article shall apply to regular and special municipal elections.

(2) This article shall not apply to cities, towns, or cities and counties having home rule, but any such city, town, or city and county may adopt all or any part of this article by reference.

Source: L. 75: Entire title R&RE, p. 1076, § 1, effective July 1.

Editor’s note: This section is similar to former § 31-10-1339 as it existed prior to 1975.

ANNOTATION

Annotator’s note. Since § 31-10-1539 is similar to former § 31-10-1339 prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, a relevant case construing a prior provision has been included in the annotations to this section.

Includes annexation election. It is the legislative intent that the term “special municipal elections” as contained in the municipal election

code extends to annexation elections. *City of Aspen v. Howell*, 170 Colo. 82, 459 P.2d 764 (1969).

The municipal election code applies to elections under the annexation act to the extent that its terms are not inconsistent with the specific provisions of the annexation act. *City of Aspen v. Howell*, 170 Colo. 82, 459 P.2d 764 (1969).

31-10-1540. Political campaign signs - restrictions. (Repealed)

Source: L. 75: Entire title R&RE, p. 1076, § 1, effective July 1. L. 79: Entire section repealed, p. 293, § 1, effective June 7.

Editor’s note: Before its repeal, this section was similar to former § 31-10-1340 as it existed prior to 1975.

ARTICLE 11

Municipal Initiatives, Referenda,
and Referred Measures

ANNOTATION

Annotator’s note. For cases construing a similar provision that applied to state and municipal elections, see § 1-40-101.

31-11-102. Applicability of article. This article shall apply to municipal initiatives, referenda, and referred measures unless alternative procedures are provided by charter, ordinance, or resolution.

Source: L. 95: Entire article added, p. 422, § 1, effective May 8.

ANNOTATION

Annotator's note. For cases construing a similar provision that applied to state and municipal elections, see § 1-40-103.

31-11-103. Definitions. As used in this article, unless the context otherwise requires:

(1) "Ballot title" means the language that is printed on the ballot that is comprised of the submission clause and the title.

(2) "Final determination of petition sufficiency" means the date following passage of the period of time within which a protest must be filed pursuant to section 31-11-110 or the date on which any protest filed pursuant to section 31-11-110 results in a finding of sufficiency, whichever is later.

(3) "Petition section" means the stapled or otherwise bound package of documents described in section 31-11-106.

(4) "Submission clause" means the language that is attached to the title to form a question that can be answered by "yes" or "no".

(5) "Title" means a brief statement that fairly and accurately represents the true intent and meaning of the proposed initiative, referendum, or referred measure.

Source: L. 95: Entire article added, p. 422, § 1, effective May 8. **L. 96:** (2) amended, p. 1770, § 67, effective July 1.

ANNOTATION

Annotator's note. For cases construing a similar provision that applied to state and municipal elections, see § 1-40-102.

31-11-103.5. Computation of time. Except as otherwise provided in this article, calendar days shall be used in all computations of time made under the provisions of this article. In computing time for any act to be done before any municipal election, the first day shall be included, and the last or election day shall be excluded. Except when computing business days, Saturdays, Sundays, and legal holidays shall be included, but, if the time for any act to be done or the last day of any period is a Saturday, Sunday, or a legal holiday, the period is extended to include the next day that is not a Saturday, Sunday, or legal holiday. If the time for an act to be done under this article is referred to in business days, the time shall be computed by excluding Saturdays, Sundays, and legal holidays.

Source: L. 2000: Entire section added, p. 799, § 22, effective August 2.

31-11-104. Ordinances - initiative - conflicting measures. (1) Any proposed ordinance may be submitted to the legislative body of any municipality by filing written notice of the proposed ordinance with the clerk and, within one hundred eighty days after approval of the petition pursuant to section 31-11-106 (1), by filing a petition signed by at least five percent of the registered electors of the city or town on the date of such notice. The proposed ordinance may be adopted without alteration by the legislative body within twenty days following the final determination of petition sufficiency. If vetoed by the mayor, the proposed ordinance may be passed over the mayor's veto within ten days after the veto. If the proposed ordinance is not adopted by the legislative body, the legislative body shall

forthwith publish the proposed ordinance as other ordinances are published and shall refer the proposed ordinance, in the form petitioned for, to the registered electors of the municipality at a regular or special election held not less than sixty days and not more than one hundred fifty days after the final determination of petition sufficiency, unless otherwise required by the state constitution. The ordinance shall not take effect unless a majority of the registered electors voting on the measure at the election vote in favor of the measure.

(2) Alternative ordinances may be submitted at the same election, and, if two or more conflicting measures are approved by the people, the one that receives the greatest number of affirmative votes shall be adopted in all particulars as to which there is a conflict.

Source: **L. 95:** Entire article added, p. 423, § 1, effective May 8. **L. 96:** (1) amended, p. 1770, § 68, effective July 1. **L. 2000:** (1) amended, p. 799, § 23, effective August 2.

ANNOTATION

Annotator's note. For cases construing a municipal elections, see §§ 1-40-128 and similar provision that applied to state and municipal elections, see §§ 1-40-129.

31-11-105. Ordinances - when effective - referendum. (1) No ordinance passed by the legislative body of any municipality shall take effect before thirty days after its final passage and publication, except an ordinance calling for a special election or necessary to the immediate preservation of the public peace, health, or safety, and not then unless the ordinance states in a separate section the reasons why it is necessary and unless it receives the affirmative vote of three-fourths of all the members elected to the legislative body taken by ayes and noes.

(2) Within thirty days after final publication of the ordinance, a referendum petition protesting against the effect of the ordinance or any part thereof may be filed with the clerk. The petition must be signed during the thirty-day period by at least five percent of the registered electors of the municipality registered on the date of final publication.

(3) If a referendum petition is filed, the ordinance or part thereof protested against shall not take effect, and, upon a final determination of petition sufficiency, the legislative body shall promptly reconsider the ordinance. If the petition is declared not sufficient by the clerk or found not sufficient in a protest, the ordinance shall forthwith take effect, unless otherwise provided therein.

(4) If, upon reconsideration, the ordinance or part thereof protested is not repealed, the legislative body shall submit the measure to a vote of the registered electors at a regular or special election held not less than sixty days and not more than one hundred fifty days after the final determination of petition sufficiency, unless otherwise required by the state constitution. The ordinance or part thereof shall not take effect unless a majority of the registered electors voting on the measure at the election vote in favor of the measure.

Source: **L. 95:** Entire article added, p. 423, § 1, effective May 8.

ANNOTATION

Annotator's note. For cases construing a similar provision that applied to state and municipal elections, see § 1-40-127.

31-11-106. Form of petition sections. (1) Each petition section shall be printed in a form consistent with the requirements of this article. No petition section shall be printed or circulated unless the form and the first printer's proof of the petition section have first been approved by the clerk. The clerk shall approve or reject the form and the first printer's proof of the petition no later than five business days following the date on which the clerk received such material. The clerk shall assure that the petition section contains only those elements required by this article and contains no extraneous material. The clerk may reject

a petition or a section of a petition on the grounds that the petition or a section of the petition does not propose municipal legislation pursuant to section 1 (9) of article V of the state constitution.

(2) Each petition section shall designate by name and mailing address two persons who shall represent the proponents thereof in all matters affecting the petition and to whom all notices or information concerning the petition shall be mailed.

(3) (a) At the top of each page of every initiative or referendum petition section, the following shall be printed, in a form as prescribed by the clerk:

**WARNING:
IT IS AGAINST THE LAW:**

For anyone to sign any initiative or referendum petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to knowingly sign a petition when not a registered elector who is eligible to vote on the measure.

**DO NOT SIGN THIS PETITION UNLESS YOU ARE A
REGISTERED ELECTOR
AND ELIGIBLE TO VOTE ON THIS MEASURE.
TO BE A REGISTERED ELECTOR,
YOU MUST BE A CITIZEN OF COLORADO
AND REGISTERED TO VOTE.**

Do not sign this petition unless you have read or have had read to you the proposed initiative or referred measure or the summary in its entirety and understand its meaning.

(b) A summary of the proposed initiative or ordinance that is the subject of a referendum petition shall be printed following the warning on each page of a petition section. The summary shall be true and impartial and shall not be an argument, or likely to create prejudice, either for or against the measure. The summary shall be prepared by the clerk.

(c) The full text of the proposed initiated measure or ordinance that is the subject of a referendum petition shall be printed following the summary on the first page or pages of the petition section that precede the signature page. Notwithstanding the requirement of paragraph (a) of this subsection (3), if the text of the proposed initiated measure or ordinance requires more than one page of a petition section, the warning and summary need not appear at the top of other than the initial text page.

(d) The signature pages shall consist of the warning and the summary, followed by ruled lines numbered consecutively for registered electors' signatures. If a petition section contains multiple signature pages, all signature lines shall be numbered consecutively, from the first signature page through the last. The signature pages shall follow the page or pages on which the full text of the proposed initiated measure or ordinance that is the subject of the referendum petition is printed.

(e) (I) Following the signature pages of each petition section, there shall be attached a signed, notarized, and dated affidavit executed by the person who circulated the petition section, which shall include the following:

(A) The affiant's printed name, the address at which the affiant resides, including the street name and number, the municipality, the county, and the date the affiant signed the affidavit;

(B) That the affiant has read and understands the laws governing the circulation of petition;

(C) That the affiant was eighteen years of age or older at the time the section of the petition was circulated and signed by the listed electors;

(D) That the affiant circulated the section of the petition;

(E) That each signature thereon was affixed in the affiant's presence;

(F) That each signature thereon is the signature of the person whose name it purports to be;

(G) That, to the best of the affiant's knowledge and belief, each of the persons signing the petition section was, at the time of signing, a registered elector; and

(H) That the affiant has not paid or will not in the future pay and that the affiant believes that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix the signer's signature to the petition.

(II) The clerk shall not accept for filing any section of a petition that does not have attached thereto the notarized affidavit required by subparagraph (I) of this paragraph (e). Any disassembly of a section of the petition that has the effect of separating the affidavit from the signature page or pages shall render that section of the petition invalid and of no force and effect.

(III) Any signature added to a section of a petition after the affidavit has been executed shall be invalid.

(4) All sections of any petition shall be prenumbered serially.

(5) Any petition section that fails to conform to the requirements of this article or that is circulated in a manner other than that permitted by this article shall be invalid.

Source: L. 95: Entire article added, p. 424, § 1, effective May 8. **L. 2000:** (1) and (3)(e)(I) amended, p. 800, § 24, effective August 2.

ANNOTATION

Annotator's note. For cases construing a similar provision that applied to state and municipal elections, see § 1-40-110.

31-11-107. Circulators - requirements. The circulation of any petition section other than personally by a circulator is prohibited. No section of a petition for any initiative or referendum measure shall be circulated by any person who is not at least eighteen years of age at the time the section is circulated.

Source: L. 95: Entire article added, p. 426, § 1, effective May 8. **L. 2000:** Entire section amended, p. 801, § 25, effective August 2.

31-11-108. Signatures. Any initiative or referendum petition shall be signed only by registered electors who are eligible to vote on the measure. Each registered elector shall sign his or her own signature and shall print his or her name, the address at which he or she resides, including the street number and name, the city or town, the county, and the date of signing. Each registered elector signing a petition shall be encouraged by the circulator of the petition to sign the petition in ink. In the event a registered elector is physically disabled or is illiterate and wishes to sign the petition, the elector shall sign or make his or her mark in the space so provided. Any person, but not a circulator, may assist the disabled or illiterate elector in completing the remaining information required by this section. The person providing assistance shall sign his or her name and address and shall state that such assistance was given to the disabled or illiterate elector.

Source: L. 95: Entire article added, p. 426, § 1, effective May 8.

ANNOTATION

Annotator's note. For cases construing a similar provision that applied to state and municipal elections, see § 1-40-111.

31-11-109. Signature verification - statement of sufficiency. (1) The clerk shall inspect timely filed initiative or referendum petitions and the attached affidavits, and may do so by examining the information on signature lines for patent defects, by comparing the information on signature lines against a list of registered electors provided by the county, or by other reasonable means.

(2) After examining the petition, the clerk shall issue a statement as to whether a sufficient number of valid signatures have been submitted. A copy of the statement shall be mailed to the persons designated as representing the petition proponents pursuant to section 31-11-106 (2).

(3) The statement of sufficiency or insufficiency shall be issued no later than thirty calendar days after the petition has been filed. If the clerk fails to issue a statement within thirty calendar days, the petition shall be deemed sufficient.

Source: L. 95: Entire article added, p. 427, § 1, effective May 8.

ANNOTATION

Annotator's note. For cases construing a municipal elections, see §§ 1-40-116 and similar provision that applied to state and municipal elections, see §§ 1-40-117.

31-11-110. Protest. (1) Within forty days after an initiative or referendum petition is filed, a protest in writing under oath may be filed in the office of the clerk by any registered elector who resides in the municipality, setting forth specifically the grounds for such protest. The grounds for protest may include, but shall not be limited to, the failure of any portion of a petition or circulator affidavit to meet the requirements of this article. No signature may be challenged that is not identified in the protest by section and line number. The clerk shall forthwith mail a copy of such protest to the persons designated as representing the petition proponents pursuant to section 31-11-106 (2) and to the protester, together with a notice fixing a time for hearing such protest that is not less than five or more than ten days after such notice is mailed.

(2) The county clerk shall furnish a requesting protester with a list of the registered electors in the municipality and shall charge a fee to cover the cost of furnishing the list.

(3) Every hearing shall be held before the clerk with whom such protest is filed. The clerk shall serve as hearing officer unless some other person is designated by the legislative body as the hearing officer, and the testimony in every such hearing shall be under oath. The hearing officer shall have the power to issue subpoenas and compel the attendance of witnesses. The hearing shall be summary and not subject to delay and shall be concluded within sixty days after the petition is filed. No later than five days after the conclusion of the hearing, the hearing officer shall issue a written determination of whether the petition is sufficient or not sufficient. If the hearing officer determines that a petition is not sufficient, the officer shall identify those portions of the petition that are not sufficient and the reasons therefor. The result of the hearing shall be forthwith certified to the protester and to the persons designated as representing the petition proponents pursuant to section 31-11-106 (2). The determination as to petition sufficiency may be reviewed by the district court for the county in which such municipality or portion thereof is located upon application of the protester, the persons designated as representing the petition proponents pursuant to section 31-11-106 (2), or the municipality, but such review shall be had and determined forthwith.

Source: L. 95: Entire article added, p. 427, § 1, effective May 8. **L. 2000:** (1) amended, p. 801, § 26, effective August 2.

ANNOTATION

Annotator's note. For cases construing a municipal elections, see §§ 1-40-118 and similar provision that applied to state and municipal elections, see §§ 1-40-119.

31-11-111. Initiatives, referenda, and referred measures - ballot titles. (1) After an election has been ordered pursuant to section 31-11-104 or 31-11-105, the legislative body of the municipality or its designee shall promptly fix a ballot title for each initiative or referendum.

(2) The legislative body of any municipality may, without receipt of any petition, submit any proposed or adopted ordinance or resolution or any question to a vote of the registered electors of the municipality. The legislative body of the municipality or its designee shall fix a ballot title for the referred measure.

(3) In fixing the ballot title, the legislative body or its designee shall consider the public confusion that might be caused by misleading titles and shall, whenever practicable, avoid titles for which the general understanding of the effect of a “yes” or “no” vote would be unclear. The ballot title shall not conflict with those titles selected for any other measure that will appear on the municipal ballot in the same election. The ballot title shall correctly and fairly express the true intent and meaning of the measure.

(4) Any protest concerning a ballot title shall be conducted as provided by local charter, ordinance, or resolution.

Source: L. 95: Entire article added, p. 428, § 1, effective May 8.

ANNOTATION

Annotator’s note. For cases construing a similar provision that applied to state and municipal elections, see §§ 1-40-106 and 1-40-107.

The fixing of a ballot title occurs upon the final action of a local government legislative body to settle or decide the wording of the

ballot title. Under § 1-11-203.5, a person must, therefore, contest the form or content of a ballot title within five days of the legislative body’s final action concerning the ballot title. *Cacioppo v. Eagle County Sch. Dist.* RE-50J, 92 P.3d 453 (Colo. 2004).

31-11-112. Petitions - not election materials - no bilingual requirement. The general assembly hereby determines that initiative and referendum petitions are not election materials or information covered by the federal “Voting Rights Act of 1965”, and are therefore not required to be printed in any language other than English in order to be circulated in any municipality in Colorado.

Source: L. 95: Entire article added, p. 428, § 1, effective May 8.

Cross references: For the federal “Voting Rights Act of 1965”, see Pub.L. 89-110.

ANNOTATION

Annotator’s note. For cases construing a similar provision that applied to state and municipal elections, see § 1-40-114.

31-11-113. Receiving money to circulate petitions - filing. The proponents of the petition shall file with the clerk a report disclosing the amount paid per signature and the total amount paid to each circulator. The filing shall be made at the same time the petition is filed with the clerk. Any payment made to circulators is an expenditure under article 45 of title 1, C.R.S.

Source: L. 95: Entire article added, p. 428, § 1, effective May 8.

ANNOTATION

Annotator's note. For cases construing a similar provision that applied to state and municipal elections, see § 1-40-121.

31-11-114. Unlawful acts - penalty. (1) It is unlawful:

(a) For any person willfully and knowingly to circulate or cause to be circulated or sign or procure to be signed any petition bearing the name, device, or motto of any person, organization, association, league, or political party, or purporting in any way to be endorsed, approved, or submitted by any person, organization, association, league, or political party, without the written consent, approval, and authorization of the person, organization, association, league, or political party;

(b) For any person to sign any name other than his or her own name to any petition or knowingly to sign his or her name more than once for the same measure at one election;

(c) For any person knowingly to sign any petition relating to an initiative or referendum in a municipality who is not a registered elector of that municipality at the time of signing the petition;

(d) For any person to sign any affidavit as circulator without knowing or reasonably believing the statements made in the affidavit to be true;

(e) For any person to certify that an affidavit attached to a petition was subscribed or sworn to before him or her unless it was so subscribed and sworn to before him or her and unless the person so certifying is duly qualified under the laws of this state to administer an oath;

(f) For any officer or person to do willfully, or with another or others conspire, or agree, or confederate to do, any act that hinders, delays, or in any way interferes with the calling, holding, or conducting of any election permitted under the initiative and referendum powers reserved by the people in section 1 of article V of the state constitution or with the registering of electors therefor;

(g) For any officer to do willfully any act that shall confuse or tend to confuse the issues submitted or proposed to be submitted at any election or refuse to submit any petition in the form presented for submission at any election;

(h) For any officer or person to violate willfully any provision of this article.

(2) Any person, upon conviction of a violation of any provision of this section, shall be punished by a fine of not more than five hundred dollars, or by imprisonment for not more than one year in the county jail, or by both such fine and imprisonment.

Source: L. 95: Entire article added, p. 429, § 1, effective May 8.

31-11-115. Tampering with initiative or referendum petition. (1) Any person commits a class 2 misdemeanor who:

(a) Willfully destroys, defaces, mutilates, or suppresses any initiative or referendum petition;

(b) Willfully neglects to file or delays the delivery of the initiative or referendum petition;

(c) Conceals or removes any initiative or referendum petition from the possession of the person authorized by law to have custody of the petition;

(d) Adds, amends, alters, or in any way changes the information on the petition as provided by the elector; or

(e) Aids, counsels, procures, or assists any person in doing any of such acts.

(2) Any person convicted of committing such a misdemeanor shall be punished by a fine of not more than one thousand dollars, or by imprisonment in the county jail for not more than one year, or by both such fine and imprisonment.

(3) This section shall not preclude a circulator from striking a complete line on the petition if the circulator believes the line to be invalid.

Source: L. 95: Entire article added, p. 430, § 1, effective May 8.

31-11-116. Enforcement. (1) Any person may file with the district attorney an affidavit stating the name of any person who has violated any of the provisions of this article and stating the facts that constitute the alleged offense. Upon the filing of such affidavit, the district attorney shall forthwith investigate, and, if reasonable grounds appear therefor, the district attorney shall prosecute the same.

(2) The attorney general of the state shall have equal power with district attorneys to file information or complaints against any person for violating any provision of this article.

Source: L. 95: Entire article added, p. 430, § 1, effective May 8.

31-11-117. Retention of petitions. After a period of three years from the time of submission of the petitions to the clerk, if it is determined that the retention of the petitions is no longer necessary, the clerk may destroy the petitions.

Source: L. 95: Entire article added, p. 430, § 1, effective May 8.

31-11-118. Powers of clerk and deputy. (1) Except as otherwise provided in this article, the clerk shall render all interpretations and shall make all initial decisions as to controversies or other matters arising in the operation of this article.

(2) All powers and authority granted to the clerk by this article may be exercised by a deputy clerk in the absence of the clerk or in the event the clerk for any reason is unable to perform the duties of the clerk's office.

Source: L. 2000: Entire section added, p. 801, § 27, effective August 2.

ANNEXATION - CONSOLIDATION - DISCONNECTION

ARTICLE 12

Annexation - Consolidation - Disconnection

PART 1		of two or more municipalities.	
MUNICIPAL ANNEXATION ACT OF 1965		31-12-115.	Zoning of land while annexation is under way - zoning of newly annexed land - subdivision of land while annexation is under way - regulatory impairments affecting newly annexed land used for agricultural purposes - notice - definitions.
31-12-101.	Short title.		
31-12-102.	Legislative declaration.		
31-12-103.	Definitions.		
31-12-104.	Eligibility for annexation.		
31-12-105.	Limitations.		
31-12-106.	Annexation of enclaves, partly surrounded land, and municipally owned land.	31-12-116.	Review.
		31-12-117.	Effect of review and of voiding of annexation ordinance by court order.
31-12-107.	Petitions for annexation and for annexation elections.	31-12-118.	Priority of annexation proceedings.
31-12-108.	Setting hearing date - notice given.	31-12-118.5.	Effect of incorporation proceedings in an area of more than seventy-five thousand inhabitants - annexation ordinance - legislative declaration.
31-12-108.5.	Annexation impact report - requirements.		
31-12-109.	Hearing.		
31-12-110.	Findings.		
31-12-111.	Annexation without election.		
31-12-112.	Election - annexation pursuant to election.	31-12-119.	Disconnection of territory because of failure to serve.
31-12-113.	Effective date of annexation - required filings.	31-12-120.	Court approval required for certain annexations.
31-12-114.	Conflicting annexation claims	31-12-121.	Provision of municipal services

- to outside consumers - agree-
ment to annex.
- 31-12-122. Relation of this part 1 to other
laws.
- 31-12-123. Applicability to city and county
of Denver.

PART 2

ANNEXATION OF ADJACENT AREA
UPON REORGANIZATION

- 31-12-201. Including adjacent area upon
reorganization.

PART 3

DISSOLUTION AND ANNEXATION
(SPECIAL CHARTERS)

- 31-12-301. Annexation to charter city.
- 31-12-302. Petition - order of court.
- 31-12-303. Annexation consented to by or-
dinance - indebtedness.
- 31-12-304. School districts - annexation of
area to another school district
- applicability.
- 31-12-305. Question submitted to regis-
tered electors.
- 31-12-306. Notice of election.
- 31-12-307. Ballots.
- 31-12-308. Report - approval by court.
- 31-12-309. Termination of offices.
- 31-12-310. Rights become property of city
enlarged - utilities not cur-
tailed.
- 31-12-311. Validity not questioned after
ninety days.

PART 4

CONSOLIDATION AND ANNEXATION -
STATUTORY CITIES AND TOWNS

- 31-12-401. Consolidation of contiguous
cities or towns.
- 31-12-402. Election - notice - ballot.
- 31-12-403. Election of officers after con-
solidation.
- 31-12-404. Tenure of officers.
- 31-12-405. Consolidation complete.
- 31-12-406. First ordinances - appropria-
tion.

- 31-12-407. Licenses.
- 31-12-408. Bonded and floating indebted-
ness.
- 31-12-409. Property belongs to consoli-
dated cities or towns.
- 31-12-410. Suits - special tax.
- 31-12-411. Collection of prior taxes - dis-
position.
- 31-12-412. Annexing cities and towns.
- 31-12-413. Annexation complete - rights -
liabilities.
- 31-12-414. School districts - annexation of
area to another school district
- applicability.

PART 5

DISCONNECTION BY ORDINANCE -
STATUTORY CITIES AND TOWNS

- 31-12-501. Application - enactment - fil-
ing.
- 31-12-502. Liability for taxes.
- 31-12-503. Future levies - prepayment.

PART 6

DISCONNECTION BY COURT DECREE -
STATUTORY CITIES

- 31-12-601. Petition to disconnect territory.
- 31-12-602. Contents of petition.
- 31-12-603. Hearing - decree - proviso.
- 31-12-604. Lands subject to tax for prior
indebtedness.
- 31-12-605. Copy of decree filed.

PART 7

DISCONNECTION BY COURT DECREE -
STATUTORY TOWNS

- 31-12-701. Part 7 relates to towns only.
- 31-12-702. Petition court to disconnect
from town.
- 31-12-703. Petition - contents.
- 31-12-704. Hearing - decree - proviso.
- 31-12-705. Land not exempt from prior
taxes.
- 31-12-706. Land subject to tax for prior
indebtedness.
- 31-12-707. Decree recorded - proof.

PART 1

MUNICIPAL ANNEXATION ACT OF 1965

31-12-101. Short title. This part 1 shall be known and may be cited as the "Municipal Annexation Act of 1965".

Source: L. 75: Entire title R&RE, p. 1076, § 1, effective July 1.

Editor's note: This section is similar to former § 31-8-101 as it existed prior to 1975.

Cross references: For the annexation of school districts, see § 22-30-128.

ANNOTATION

Law reviews. For article, "Annexation in Colorado", see 37 Dicta 259 (1960). For article, "Annexation: Today's Gamble for Tomorrow's Gain — Parts I and II", see 17 Colo. Law. 603 and 809 (1988). For article, "Annexation: Municipal Discretion in Approving or Denying the Petition", see 22 Colo. Law. 1929 (1993). For article, "Growth Management: Recent Developments in Municipal Annexation and Master Plans", see 31 Colo. Law, 61 (March 2002).

Annotator's note. Since § 31-12-101 is similar to former § 31-8-101 prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, relevant cases construing those provisions have been included in the annotations to this section.

Part 1 of this article is constitutional. Bd. of County Comm'rs v. City & County of Denver, 194 Colo. 252, 571 P.2d 1094 (1977).

This article deals with the subject of annexation of territory. City of Englewood v. Daily, 158 Colo. 356, 407 P.2d 325 (1965).

Annexation is a special statutory proceeding and § 1 of art. XX, Colo. Const., requires compliance with such procedures by the city and county of Denver. People ex rel. City & County of Denver v. County Court, 137 Colo. 436, 326 P.2d 372 (1958).

Detaches territory from county. The provisions of this article make it clear that any annexation under any of the general laws of this state operates per se as a detachment of the annexed territory from the county in which it lies. People ex rel. Simon v. Anderson, 112 Colo. 558, 151 P.2d 972 (1944).

And becomes part of city. If land has been lawfully annexed it would ipso facto become a part of the city annexing for all authorized purposes. People ex rel. City & County of Denver v.

County Court, 137 Colo. 436, 326 P.2d 372 (1958).

Present annexation law applicable. After Denver was organized under the twentieth article of the constitution and became a charter city, its authority to annex territory had to be determined under the present applicable law rather than that under which it was originally organized. People ex rel. Simon v. Anderson, 112 Colo. 558, 151 P.2d 972 (1944).

Election code applicable. It is the legislative intent that the term "special municipal elections" as contained in the municipal election code, extends to annexation elections. City of Aspen v. Howell, 170 Colo. 82, 459 P.2d 764 (1969).

Part 1 is silent on power of municipality to repeal annexation ordinance. McKee v. City of Louisville, 200 Colo. 525, 616 P.2d 969 (1980).

Preannexation agreements not prohibited. There is no language in this article which prohibits a preannexation agreement which requests a certain zoning classification. Gernalnes B.V. v. City of Greenwood Vill., 583 F. Supp. 830 (D. Colo. 1984).

Annexation authority under this article does not extend to Denver. Bd. of County Comm'rs v. Denver, 714 P.2d 1352 (Colo. App. 1986).

Act contemplates annexation agreements as a routine step in the annexation process. Although annexation agreement is not required for a valid annexation, where parties had contemplated execution of an annexation agreement throughout the process, adoption of annexation resolution without having an agreement in place was an abuse of discretion. Midcities Co. v. Town of Superior, 916 P.2d 595 (Colo. App. 1995), aff'd, 933 P.2d 596 (Colo. 1997).

31-12-102. Legislative declaration. (1) The general assembly hereby declares that the policies and procedures in this part 1 are necessary and desirable for the orderly growth of urban communities in the state of Colorado, and to these ends this part 1 shall be liberally construed. The general assembly further declares that it is the purpose of this part 1:

- (a) To encourage natural and well-ordered development of municipalities of the state;
- (b) To distribute fairly and equitably the costs of municipal services among those persons who benefit therefrom;
- (c) To extend municipal government, services, and facilities to eligible areas which form a part of the whole community;
- (d) To simplify governmental structure in urban areas;
- (e) To provide an orderly system for extending municipal regulations to newly annexed areas;
- (f) To reduce friction among contiguous or neighboring municipalities; and
- (g) To increase the ability of municipalities in urban areas to provide their citizens with the services they require.

(2) The general assembly further declares that:

(a) Section 30 of article II of the state constitution was added to the state constitution as a voter-approved ballot measure in 1980;

(b) Since its adoption, section 30 of article II of the state constitution has been in lawful force and effect. As part of the state constitution, all annexations since its enactment have been or should have been undertaken subject to its terms.

(c) By enacting House Bill 10-1259, enacted in 2010, which amends various provisions of this part 1, the general assembly does not intend to change the law governing annexations in the state but rather to better harmonize the provisions of this part 1 with those of section 30 of article II of the state constitution.

Source: **L. 75:** Entire title R&RE, p. 1076, § 1, effective July 1. **L. 2010:** (2) added, (HB 10-1259), ch. 211, p. 913, § 1, effective August 11.

Editor's note: This section is similar to former § 31-8-102 as it existed prior to 1975.

ANNOTATION

Annotator's note. Since § 31-12-102 is similar to former § 31-8-102 prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, relevant cases construing those provisions have been included in the annotations to this section.

Policy. Policy of the enactment is to encourage natural and well-ordered development of municipalities, not to discourage it by providing for last minute maneuvers designed only to defeat annexation. *Pomponio v. City of Westminster*, 178 Colo. 80, 496 P.2d 999 (1972).

Organization of enclaves of municipal area into separate political units is inconsistent with objectives of section. This type of incor-

poration results in a duplication of government facilities, frustrates area-wide coordination and uniformity of regulations, complicates government structure, often circumvents legitimate zoning controls, frequently leads to an avoidance of city tax burdens, and thus causes an inequitable distribution of the costs of municipal services. In re *Incorporation of Town of Eastridge v. City of Aurora*, 198 Colo. 440, 601 P.2d 1374 (1979).

Applied in *City of Aspen v. Howell*, 170 Colo. 82, 459 P.2d 764 (1969); *City & County of Denver v. Bd. of County Comm'rs*, 191 Colo. 104, 550 P.2d 862 (1976).

31-12-103. Definitions. As used in this part 1, unless the context otherwise requires:

(1) "Adult" means any person who has attained his twenty-first birthday.

(2) "Agricultural land" means land used for the growing of crops, truck gardening, the grazing of farm animals, and other agricultural pursuits in contrast to land used for urban development.

(3) "Development standards" means the substantive portions of building codes, zoning ordinances, housing codes, fire district ordinances, subdivision regulations, and any other ordinance, code, or regulation relating to the construction or occupancy of buildings upon land or the preparation of such land for such construction.

(4) "Enclave" means an unincorporated area of land entirely contained within the outer boundaries of the annexing municipality.

(5) "Identical ownership" means a situation where each owner has exactly the same degree of interest in each separate parcel of two or more parcels of land.

(6) "Landowner" means the owner in fee of any undivided interest in a given parcel of land. If the mineral estate has been severed, the landowner is the owner in fee of an undivided interest in the surface estate and not the owner in fee of an undivided interest in the mineral estate.

(7) (Deleted by amendment, L. 2010, (HB 10-1259), ch. 211, p. 913, § 2, effective August 11, 2010.)

(8) "Period of notice for hearing" means the time between the effective date of the resolution establishing the hearing date and the date when such hearing first commences.

(9) (Deleted by amendment, L. 2010, (HB 10-1259), ch. 211, p. 913, § 2, effective August 11, 2010.)

(10) "Quasi-municipal corporation" means a corporation vested with the municipal powers for the accomplishment of a limited municipal purpose, including but not limited to

domestic water districts, metropolitan districts, sanitation districts, water and sanitation districts, fire protection districts, recreation districts, and disposal districts.

(10.5) "Registered elector" shall have the same meaning as set forth in section 1-1-104 (35), C.R.S.

(11) "Resident" means one who makes his primary dwelling place within the area proposed to be annexed.

(12) "Taxpayer" means any person who has paid or becomes liable for ad valorem taxes on real property located in the area proposed to be annexed during a specified period of time.

(13) "Urban development" means the construction on land of improvements for residential, institutional, commercial, industrial, transportation, public flood control, and recreational and similar uses, in contrast to use of the land for growing crops, truck gardening, grazing of farm animals, and other agricultural pursuits. The term also applies to vacant ground which has been or is being prepared for urban development by such steps as subdivision into lots or plots and blocks, installation of water and sewer lines, construction of access streets, and construction of railroad spur or branch tracks.

Source: L. 75: Entire title R&RE, p. 1076, § 1, effective July 1. L. 2010: (7) and (9) amended and (10.5) added, (HB 10-1259), ch. 211, p. 913, § 2, effective August 11.

Editor's note: This section is similar to former § 31-8-103 as it existed prior to 1975.

ANNOTATION

Annotator's note. Since § 31-12-103 is similar to former § 31-8-103 prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, relevant cases construing those provisions have been included in the annotations to this section.

Status prerequisites for parties. The requirements of ownership in fee and the liability for taxes are both prerequisites for participation as a proponent of the annexation, and the same requirements confront an opponent of the annexation. *City & County of Denver v. Holmes*, 156 Colo. 586, 400 P.2d 901 (1965).

Option-holder not owner in fee. Where the holder of an option was under no obligation to exercise that option and could have abandoned

the development at any time, he was not the "owner in fee" of a single lot at the time he affixed his name to the petition, and since the owners of more than 50 percent of the area proposed to be annexed had not joined in seeking the annexation, the ordinance of the city council, purporting to annex the acres included in the petition is void. *Elkins v. City & County of Denver*, 157 Colo. 252, 402 P.2d 617 (1965).

The streets and public ways in an area were not to be included in calculating the area to be annexed. *City & County of Denver v. Holmes*, 156 Colo. 586, 400 P.2d 901 (1965).

Applied in *Bd. of County Comm'rs v. City & County of Denver*, 193 Colo. 325, 566 P.2d 335 (1977).

31-12-104. Eligibility for annexation. (1) No unincorporated area may be annexed to a municipality unless one of the conditions set forth in section 30 (1) of article II of the state constitution first has been met. An area is eligible for annexation if the provisions of section 30 of article II of the state constitution have been complied with and the governing body, at a hearing as provided in section 31-12-109, finds and determines:

(a) That not less than one-sixth of the perimeter of the area proposed to be annexed is contiguous with the annexing municipality. Contiguity shall not be affected by the existence of a platted street or alley, a public or private right-of-way, a public or private transportation right-of-way or area, public lands, whether owned by the state, the United States, or an agency thereof, except county-owned open space, or a lake, reservoir, stream, or other natural or artificial waterway between the annexing municipality and the land proposed to be annexed. Subject to the requirements imposed by section 31-12-105 (1) (e), contiguity may be established by the annexation of one or more parcels in a series, which annexations may be completed simultaneously and considered together for the purposes of the public hearing required by sections 31-12-108 and 31-12-109 and the annexation impact report required by section 31-12-108.5.

(b) That a community of interest exists between the area proposed to be annexed and the annexing municipality; that said area is urban or will be urbanized in the near future; and that said area is integrated with or is capable of being integrated with the annexing municipality. The fact that the area proposed to be annexed has the contiguity with the annexing municipality required by paragraph (a) of this subsection (1) shall be a basis for a finding of compliance with these requirements unless the governing body, upon the basis of competent evidence presented at the hearing provided for in section 31-12-109, finds that at least two of the following are shown to exist:

(I) Less than fifty percent of the adult residents of the area proposed to be annexed make use of part or all of the following types of facilities of the annexing municipality: Recreational, civic, social, religious, industrial, or commercial; and less than twenty-five percent of said area's adult residents are employed in the annexing municipality. If there are no adult residents at the time of the hearing, this standard shall not apply.

(II) One-half or more of the land in the area proposed to be annexed (including streets) is agricultural, and the landowners of such agricultural land, under oath, express an intention to devote the land to such agricultural use for a period of not less than five years.

(III) It is not physically practicable to extend to the area proposed to be annexed those urban services which the annexing municipality provides in common to all of its citizens on the same terms and conditions as such services are made available to such citizens. This standard shall not apply to the extent that any portion of an area proposed to be annexed is provided or will within the reasonably near future be provided with any service by or through a quasi-municipal corporation.

(2) (a) The contiguity required by paragraph (a) of subsection (1) of this section may not be established by use of any boundary of an area which was previously annexed to the annexing municipality if the area, at the time of its annexation, was not contiguous at any point with the boundary of the annexing municipality, was not otherwise in compliance with paragraph (a) of subsection (1) of this section, and was located more than three miles from the nearest boundary of the annexing municipality, nor may such contiguity be established by use of any boundary of territory which is subsequently annexed directly to, or which is indirectly connected through subsequent annexations to, such an area.

(b) Because the creation or expansion of disconnected municipal satellites, which are sought to be prohibited by this subsection (2), violates both the purposes of this article as expressed in section 31-12-102 and the limitations of this article, any annexation which uses any boundary in violation of this subsection (2) may be declared by a court of competent jurisdiction to be void ab initio in addition to other remedies which may be provided. The provisions of section 31-12-116 (2) and (4) and section 31-12-117 shall not apply to such an annexation. Judicial review of such an annexation may be sought by any municipality having a plan in place pursuant to section 31-12-105 (1) (e) directly affected by such annexation, in addition to those described in section 31-12-116 (1). Such review may be, but need not be, instituted prior to the effective date of the annexing ordinance and may include injunctive relief. Such review shall be brought no later than sixty days after the effective date of the annexing ordinance or shall forever be barred.

(c) Contiguity is hereby declared to be a fundamental element in any annexation, and this subsection (2) shall not in any way be construed as having the effect of legitimizing in any way any noncontiguous annexation.

ANNOTATION

Annotator's note. Since § 31-12-104 is similar to former § 31-8-104 prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, relevant cases construing those provisions have been included in the annotations to this section.

The annexation statutes are more than mere formalities. *Johnston v. City Council*, 189 Colo. 345, 540 P.2d 1081 (1975).

Contiguity required. Territory is eligible for annexation if a percentage of its boundaries are contiguous with those of a city. *City of Littleton v. Wagenblast*, 139 Colo. 346, 338 P.2d 1025 (1959).

Specific findings required for proposed area for annexation. In a unilateral annexation pursuant to § 31-12-106 (2), the legislative body with annexing authority must make specific findings at a hearing that the proposed area to be annexed has had the requisite boundary contiguity for the requisite period of time before such an area is eligible for annexation by the governing body. *Cesario v. City of Colo. Springs*, 200 Colo. 459, 616 P.2d 113 (1980).

A resolution of the absolute factual existence of the one-sixth contiguity requirement is mandatory. *Johnston v. City Council*, 177 Colo. 223, 493 P.2d 651 (1972).

The size and shape of a parcel to be annexed is immaterial and is conclusively a legislative problem. *Bd. of County Comm'rs v. City & County of Denver*, 37 Colo. App. 395, 548 P.2d 922 (1976).

But courts will not read into the annexation statutes limitations relating to unusual or irregular shapes or patterns of territory annexed. *Bd. of County Comm'rs v. City & County of Denver*, 37 Colo. App. 395, 548 P.2d 922 (1976).

City's division of property into multiple one-foot strips of land to satisfy the one-sixth contiguity requirement is not prohibited. *Arapahoe County Bd. of County Comm'rs v. City of Greenwood Vill.*, 30 P.3d 846 (Colo. App. 2001).

Where the property annexed includes public streets, the court may include the perimeter of the streets in calculating whether one-sixth of the perimeter of the annexed property is contiguous to the annexing municipality. The one-sixth requirement is in no way altered by § 31-12-105 (1)(e). *Bd. of County Comm'rs v. City of Lakewood*, 813 P.2d 793 (Colo. App. 1991).

It is not permissible to include and use a county street as the "pole" in order to meet the subsection (1) contiguity requirement, but to ignore the county ownership of the street for purposes of meeting the § 31-8-106(3) sole ownership requirement in a city annexation ordinance. *Bd. of County Comm'rs v. City &*

County of Denver, 190 Colo. 8, 543 P.2d 521 (1975).

But a public way or a portion of a public way can be utilized as a noncontiguous boundary of the annexed territory, since the statute contains no such restriction. *Bd. of County Comm'rs v. City & County of Denver*, 37 Colo. App. 395, 548 P.2d 922 (1976).

Legal description held to be in substantial compliance with the requirements of this section. *Slack v. City of Colo. Springs*, 655 P.2d 376 (Colo. 1982).

Effect of ditch. The statutory requirement of contiguity is satisfied where part of the area to be annexed is bounded by a ditch, the east side of which is contiguous to the city. *Rice v. City of Englewood*, 147 Colo. 33, 362 P.2d 557 (1961).

Contiguity basis for finding of community of interest. With respect to the matters of community of interest, that the territory is urban or will be urbanized in the near future, and that the territory is integrated or capable of being integrated into the city, subsection (1)(a) provides that the fact that the territory has the contiguity with the annexing municipality required by this article shall be a basis for a finding of compliance, and where there was a requisite continuity, the court erred in its criticism of the findings of the city council. *Breternitz v. City of Arvada*, 174 Colo. 56, 482 P.2d 955 (1971).

Once the one-sixth contiguity requirement is satisfied, the community of interest requirement is also satisfied. *Arapahoe County Bd. of County Comm'rs v. City of Greenwood Vill.*, 30 P.3d 846 (Colo. App. 2001).

Contiguity requirement not met where federal land intervened between town and the proposed annexation and consent was not obtained from federal agency to divide that tract from the rest of the federal lands. *Caroselli v. Town of Vail*, 706 P.2d 1 (Colo. App. 1985).

Subsection (1)(a) is not ambiguous; therefore the court will not consider the legislative history of the section to aid in construction. *Bd. of County Comm'rs v. City of Lakewood*, 813 P.2d 793 (Colo. App. 1991).

Municipality lacked standing to contest annexation because it did not have a plan in place for the area annexed. *Town of Berthoud v. Town of Johnstown*, 983 P.2d 174 (Colo. 1999).

While the county is authorized to own, dispose of, and designate the uses of real property, it has no authority to define terms employed by the general assembly in state statutes. Rather, interpretation of subsection (1) is a question of law for the courts to decide, and judicial review is therefore de novo. Accordingly, in determining whether the roadways at issue are open space for purposes of subsection (1)(a), the county's designation is not binding.

Bd. of County Comm'rs v. City of Aurora, 62 P.3d 1049 (Colo. App. 2002).

Property at issue designated by the county has been improved through grading and surfacing and serves as public roadways. A parcel consisting entirely of roadway is not "essentially unimproved" and, therefore, is not open space within the meaning of subsection (1)(a). Be-

cause the county roads here are not open space, they do not affect contiguity under the terms of this section. Hence, the court erred in voiding the annexation of the two parcels for failure to satisfy the contiguity requirement. Bd. of County Comm'rs v. City of Aurora, 62 P.3d 1049 (Colo. App. 2002).

31-12-105. Limitations. (1) Notwithstanding any provisions of this part 1 to the contrary, the following limitations shall apply to all annexations:

(a) In establishing the boundaries of any territory to be annexed, no land held in identical ownership, whether consisting of one tract or parcel of real estate or two or more contiguous tracts or parcels of real estate, shall be divided into separate parts or parcels without the written consent of the landowners thereof unless such tracts or parcels are separated by a dedicated street, road, or other public way.

(b) In establishing the boundaries of any area proposed to be annexed, no land held in identical ownership, whether consisting of one tract or parcel of real estate or two or more contiguous tracts or parcels of real estate, comprising twenty acres or more (which, together with the buildings and improvements situated thereon has a valuation for assessment in excess of two hundred thousand dollars for ad valorem tax purposes for the year next preceding the annexation) shall be included under this part 1 without the written consent of the landowners unless such tract of land is situated entirely within the outer boundaries of the annexing municipality as they exist at the time of annexation. In the application of this paragraph (b), contiguity shall not be affected by a dedicated street, road, or other public way.

(c) No annexation pursuant to section 31-12-106 and no annexation petition or petition for an annexation election pursuant to section 31-12-107 shall be valid when annexation proceedings have been commenced for the annexation of part or all of such territory to another municipality, except in accordance with the provisions of section 31-12-114. For the purpose of this section, proceedings are commenced when the petition is filed with the clerk of the annexing municipality or when the resolution of intent is adopted by the governing body of the annexing municipality if action on the acceptance of such petition or on the resolution of intent by the setting of the hearing in accordance with section 31-12-108 is taken within ninety days after the said filings if an annexation procedure initiated by petition for annexation is then completed within the one hundred fifty days next following the effective date of the resolution accepting the petition and setting the hearing date and if an annexation procedure initiated by resolution of intent or by petition for an annexation election is prosecuted without unreasonable delay after the effective date of the resolution setting the hearing date.

(d) As to any annexation which will result in the detachment of area from any school district and the attachment of the same to another school district, no annexation pursuant to section 31-12-106 or annexation petition or petition for an annexation election pursuant to section 31-12-107 is valid unless accompanied by a resolution of the board of directors of the school district to which such area will be attached approving such annexation.

(e) (I) Except as otherwise provided in this paragraph (e), no annexation may take place that would have the effect of extending a municipal boundary more than three miles in any direction from any point of such municipal boundary in any one year. Within said three-mile area, the contiguity required by section 31-12-104 (1) (a) may be achieved by annexing a platted street or alley, a public or private right-of-way, a public or private transportation right-of-way or area, or a lake, reservoir, stream, or other natural or artificial waterway. Prior to completion of any annexation within the three-mile area, the municipality shall have in place a plan for that area that generally describes the proposed location, character, and extent of streets, subways, bridges, waterways, waterfronts, parkways, playgrounds, squares, parks, aviation fields, other public ways, grounds, open spaces, public utilities, and terminals for water, light, sanitation, transportation, and power to be provided by the municipality and the proposed land uses for the area. Such plan shall be updated at least once annually. Such three-mile limit may be exceeded if such limit would have the

effect of dividing a parcel of property held in identical ownership if at least fifty percent of the property is within the three-mile limit. In such event, the entire property held in identical ownership may be annexed in any one year without regard to such mileage limitation. Such three-mile limit may also be exceeded for the annexation of an enterprise zone.

(II) Prior to completion of an annexation in which the contiguity required by section 31-12-104 (1) (a) is achieved pursuant to subparagraph (I) of this paragraph (e), the municipality shall annex any of the following parcels that abut a platted street or alley, a public or private right-of-way, a public or private transportation right-of-way or area, or a lake, reservoir, stream, or other natural or artificial waterway, where the parcel satisfies all of the eligibility requirements pursuant to section 31-12-104 and for which an annexation petition has been received by the municipality no later than forty-five days prior to the date of the hearing set pursuant to section 31-12-108 (1):

(A) Any parcel of property that has an individual schedule number for county tax filing purposes upon the petition of the owner of such parcel;

(B) Any subdivision that consists of only one subdivision filing upon the petition of the requisite number of property owners within the subdivision as determined pursuant to section 31-12-107; and

(C) Any subdivision filing within a subdivision that consists of more than one subdivision filing upon the petition of the requisite number of property owners within the subdivision filing as determined pursuant to section 31-12-107.

(e.1) The parcels described in subparagraph (II) of paragraph (e) of this subsection (1) shall be annexed under the same or substantially similar terms and conditions and considered at the same hearing and in the same impact report as the initial annexation in which the contiguity required by section 31-12-104 (1) (a) is achieved by annexing a platted street or alley, a public or private right-of-way, a public or private transportation right-of-way or area, or a lake, reservoir, stream, or other natural or artificial waterway. Impacts of the annexation upon the parcels described in subparagraph (II) of paragraph (e) of this subsection (1) that abut such platted street or alley, public or private right-of-way, public or private transportation right-of-way or area, or lake, reservoir, stream, or other natural or artificial waterway shall be considered in the impact report required by section 31-12-108.5. As part of the same hearing, the municipality shall consider and decide upon any petition for annexation of any parcel of property having an individual schedule number for county tax filing purposes, which petition was received not later than forty-five days prior to the hearing date, where the parcel abuts any parcel described in subparagraph (II) of paragraph (e) of this subsection (1) and where the parcel otherwise satisfies all of the eligibility requirements of section 31-12-104.

(e.3) In connection with any annexation in which the contiguity required by section 31-12-104 (1) (a) is achieved by annexing a platted street or alley, a public or private right-of-way, a public or private transportation right-of-way or area, or a lake, reservoir, stream, or other natural or artificial waterway, upon the latter of ninety days prior to the date of the hearing set pursuant to section 31-12-108 or upon the filing of the annexation petition, the municipality shall provide, by regular mail to the owner of any abutting parcel as reflected in the records of the county assessor, written notice of the annexation and of the landowner's right to petition for annexation pursuant to section 31-12-107. Inadvertent failure to provide such notice shall neither create a cause of action in favor of any landowner nor invalidate any annexation proceeding.

(f) In establishing the boundaries of any area proposed to be annexed, if a portion of a platted street or alley is annexed, the entire width of said street or alley shall be included within the area annexed.

(g) Notwithstanding the provisions of paragraph (f) of this subsection (1), a municipality shall not deny reasonable access to landowners, owner of an easement, or the owner of a franchise adjoining a platted street or alley which has been annexed by the municipality but is not bounded on both sides by the municipality.

(h) The execution by any municipality of a power of attorney for real estate located within an unincorporated area shall not be construed to comply with the election provisions of this article for purposes of annexing such unincorporated area. Such annexation shall be valid only upon compliance with the procedures set forth in this article.

Editor's note: This section is similar to former § 31-8-105 as it existed prior to 1975.

ANNOTATION

- I. General Consideration.
- II. Land Not to be Divided.
- III. Land Comprising 20 Acres or More.
- IV. Annexation of School District's Land.

I. GENERAL CONSIDERATION.

Law reviews. For article, "Annexation: Today's Gamble for Tomorrow's Gain — Parts I and II", see 17 Colo. Law. 603 (1988). For article, "ADR Techniques in Municipal Annexations", see 18 Colo. Law. 901 (1989).

Annotator's note. Since § 31-12-105 is similar to former § 31-8-105 prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, relevant cases construing those provisions have been included in the annotations to this section.

A statute is presumed to be constitutional, and to be declared unconstitutional it must be shown clearly to be so. *Breternitz v. City of Arvada*, 174 Colo. 56, 482 P.2d 955 (1971).

Courts will not read into annexation statutes limitations relating to unusual or irregular shapes or patterns of territory annexed. *Bd. of County Comm'rs v. City & County of Denver*, 37 Colo. App. 395, 548 P.2d 922 (1976).

Streets, etc., annexed in order to include territory. There is no legislative intent that a municipality may annex streets, roads, or highways only when it is necessary to do so to include territory otherwise eligible for annexation but separated from the annexing municipality by a public right-of-way. *Bd. of County Comm'rs v. City & County of Denver*, 37 Colo. App. 395, 548 P.2d 922 (1976).

A public way or a portion of a public way can be utilized as a noncontiguous boundary of the annexed territory, since the statute contains no such restriction. *Bd. of County Comm'rs v. City & County of Denver*, 37 Colo. App. 395, 548 P.2d 922 (1976).

Legal description held to be in substantial compliance with the requirements of this section. *Slack v. City of Colo. Springs*, 655 P.2d 376 (Colo. 1982).

Subsection (1)(e) is not ambiguous; therefore the court will not consider the legislative history in construing the statute. *Bd. of County Comm'rs v. City of Lakewood*, 813 P.2d 793 (Colo. App. 1991).

Subsection (1)(e) in no way alters the contiguity requirements of § 31-12-104 (1)(a); it

merely provides that contact between a street or an alley and an existing boundary of the annexing municipality may be used to achieve the contiguity requirements of § 31-12-104 (1)(a). *Bd. of County Comm'rs v. City of Lakewood*, 813 P.2d 793 (Colo. App. 1991).

Deficiency in the notice required by subsection (1)(e.3) was inadvertent where defendant town provided notice 25 days before the hearing, the town mayor and clerk believed timely notice was given in compliance with the statute, and no one appeared at the annexation hearing to testify or object to lack of sufficient notice. *Town of Erie v. Town of Frederick*, 251 P.3d 500 (Colo. App. 2010).

II. LAND NOT TO BE DIVIDED.

Written consent prerequisite to annexation of divided parcel. This section makes it very clear that no territory owned by the same owner shall be divided into separate parts or parcels without the written consent of the owner thereof. *City & County of Denver v. Bd. of County Comm'rs*, 151 Colo. 230, 376 P.2d 981 (1962).

Division of tract from rest of federal land requires consent of the United States as owner. *Caroselli v. Town of Vail*, 706 P.2d 1 (Colo. App. 1985).

Annexation did not effect a separation. Where the owners of a tract own all of a half-section, a railroad track passed diagonally through the northeast corner of this half-section, it was apparent that the triangular piece of land lying north and east of the track was physically separated from the larger parcel, and this piece was not included in the area proposed to be annexed, assuming that this was a right-of-way grant to a railroad by the congress and therefore it was not a mere easement but a limited fee with right of exclusive use and possession, as a result, the triangular tract was effectively separated by the congressional grant and the annexation did not "separate" the half-section within the meaning of subsection (1)(a). *Breternitz v. City of Arvada*, 174 Colo. 56, 482 P.2d 955 (1971).

III. LAND COMPRISING 20 ACRES OR MORE.

The policy of this enactment is to encourage natural and well-ordered development of municipalities, not to discourage it by provid-

ing for last minute maneuvers designed only to defeat annexation. *Pomponio v. City of Westminster*, 178 Colo. 80, 496 P.2d 999 (1972).

Written consent required. Land held in identical ownership in excess of 20 acres which, together with improvements thereon, has an assessed value in excess of \$200,000 for the year next preceding the annexation shall not be included in a unilateral annexation without the written consent of the owner or owners. *Pomponio v. City of Westminster*, 178 Colo. 80, 496 P.2d 999 (1972).

This exemption as to 20 acres, etc., does not apply to enclaves. *Cline v. City of Boulder*, 168 Colo. 112, 450 P.2d 335 (1969).

Termination of proceedings when tract affects boundaries. Only if there is such a tract as would affect the establishment of the boundaries, i.e., the outer perimeters of the area to be annexed, does this statute cause the annexation proceedings to terminate; if the boundaries of the annexed area are not affected, the excluded tracts of 20 acres or more are not to be included in the annexed territory, but the annexation continues. *Adams v. City of Colo. Springs*, 178 Colo. 241, 496 P.2d 1005 (1972).

As no reference to tract "within area ...". If the general assembly meant to refer to such tracts "within the area or territory to be annexed" (rather than referring to "establishing the boundaries"), it would have said so as it did in other sections dealing with problems within the territory to be affected. *Adams v. City of Colo. Springs*, 178 Colo. 241, 496 P.2d 1005 (1972).

IV. ANNEXATION OF SCHOOL DISTRICT'S LAND.

Legislative intent. In enacting subsection (1)(d) of this section, the general assembly intended to empower school boards to protect themselves against having involuntarily to undertake responsibility for providing educational services in newly annexed areas. *Bd. of County Comm'rs v. City & County of Denver*, 193 Colo. 211, 565 P.2d 212 (1977).

Formal written consent required. This section explicitly requires, in annexation involving school property, "the written consent of the board of education" of the school district involved, and faced with the clear mandate of the statute, we are not at liberty to hold that, in some cases, the giving of the required consent is but a ministerial act, not requiring formal action by the board. *Gavend v. City of Thornton*, 165 Colo. 182, 437 P.2d 778 (1968).

Ordinance invalid due to lack of consent. Where on the date of final passage of the annexation ordinance here, the effective date thereof, no valid written consent of the board of education had been obtained, the ordinance was invalid when passed, and no action or resolution

purporting to ratify the superintendent's consent taken by the board of education thereafter could, in and of itself, breathe life into this dead ordinance. *Gavend v. City of Thornton*, 165 Colo. 182, 437 P.2d 778 (1968).

Later ratification invalid. The school board's resolution consenting to the annexation of its property, and ratifying the action of the superintendent in signing the annexation petition does not satisfy the express requirement that the written consent of the school board be obtained before any territory which includes school property can be annexed. *Gavend v. City of Thornton*, 165 Colo. 182, 437 P.2d 778 (1968).

Superintendent's signature insufficient. The act of the superintendent of schools in signing the annexation petition without prior formal authorization by the school board was not an act of the board, and could not satisfy the requirement that the "written consent of the board of education" be obtained. *Gavend v. City of Thornton*, 165 Colo. 182, 437 P.2d 778 (1968).

School board consented to the first stage of an annexation by having consented to the entire two-stage transaction. *Bd. of County Comm'rs v. City & County of Denver*, 193 Colo. 211, 565 P.2d 212 (1977).

A school board's resolution was not ineffective on the theory that approval was conditional upon obtaining a particular zoning classification where the resolution's "whereas" clauses, rather than expressing conditions, recited the factual circumstances as presented to the board and the "resolved" clauses contained the board's unqualified approval of the annexation. *City & County of Denver v. Bd. of County Comm'rs*, 191 Colo. 104, 550 P.2d 862 (1976).

Substantial compliance with requirements that documents accompany petition. Where, in its resolution, the city council recited that the annexation petition was accompanied by a map and school board resolution, and these documents were available on file with the Denver clerk and recorder for the city council's inspection and consideration prior to passage of the annexation ordinance, there was substantial compliance with the requirements that the documents accompany the petition. *Bd. of County Comm'rs v. City & County of Denver*, 193 Colo. 325, 566 P.2d 335 (1977).

While the resolution of a city's school board was not attached to the petition for annexation pursuant to subsection (1)(d), this defect was of no moment since the resolution was filed with the city clerk and the council could take notice of such information when it was contained within the city's files. *Bd. of County Comm'rs v. City & County of Denver*, 38 Colo. App. 171, 556 P.2d 486 (1976), *aff'd*, 194 Colo. 252, 571 P.2d 1094 (1977).

31-12-106. Annexation of enclaves, partly surrounded land, and municipally owned land. (1) **Annexation of enclaves.** When any unincorporated area is entirely contained within the boundaries of a municipality, the governing body may by ordinance annex such territory to the municipality in accordance with section 30 (1) (c) of article II of the state constitution, but without complying with section 31-12-104, 31-12-105, 31-12-108, or 31-12-109, if said area has been so surrounded for a period of not less than three years; except that notice of the proposed annexation ordinance shall be given by publication as provided by section 31-12-108 (2) for notices of annexation petitions, and resolutions initiating annexation proceedings, but no public hearing on the proposed annexation ordinance shall be required, and the first publication of notice shall be at least thirty days prior to the adoption of the ordinance.

(1.1) **Exception to annexation of enclaves.** (a) No enclave may be annexed pursuant to subsection (1) of this section if:

(I) Any part of the municipal boundary or territory surrounding such enclave consists at the time of the annexation of the enclave of public rights-of-way, including streets and alleys, that are not immediately adjacent to the municipality on the side of the right-of-way opposite to the enclave; or

(II) Any part of the territory surrounding the enclave was annexed to the municipality since December 19, 1980, without compliance with section 30 of article II of the state constitution.

(b) In the case of an enclave the population of which exceeds one hundred persons according to the most recent United States census and that contains more than fifty acres, the enclave shall not be annexed pursuant to subsection (1) of this section unless the governing body of the annexing municipality has:

(I) Created an annexation transition committee composed of nine members, five of whom shall reside, operate a business, or own real property within the enclave, two of whom shall represent the annexing municipality, and two of whom shall represent one or more counties in which the enclave is situated; and

(II) Published notice of the creation and existence of the committee, together with its regular mail, electronic mail, or telephonic contact information, in the same manner as provided by section 31-12-108 (2) for notices of annexation petitions and resolutions initiating annexation proceedings.

(c) The duties of the annexation transition committee required by paragraph (b) of this subsection (1.1) shall be to:

(I) Serve as a means of communication between or among the annexing municipality, one or more counties within which the enclave is situated, and the persons who reside, operate a business, or own real property within the enclave regarding any public meetings on the proposed annexation; and

(II) Provide a mechanism by which persons who reside, operate a business, or own real property within the enclave may communicate, whether by electronic mail, telephonic communication, regular mail, or public meetings, with the annexing municipality or any counties within which the enclave is situated regarding the proposed annexation.

(2) (Deleted by amendment, L. 97, p. 995, § 2, effective May 27, 1997.)

(3) **Annexation of unincorporated municipally owned land.** When the municipality is the sole owner of the area that it desires to annex, which area is eligible for annexation in accordance with section 30 (1) (c) of article II of the state constitution and sections 31-12-104 (1) (a) and 31-12-105, the governing body may by ordinance annex said area to the municipality without notice and hearing as provided in sections 31-12-108 and 31-12-109. The annexing ordinance shall state that the area proposed to be annexed is owned by the annexing municipality and is not solely a public street or right-of-way.

(4) **Additional terms and conditions on the annexation.** Additional terms or conditions may be imposed by the governing body in accordance with section 31-12-112.

(5) Any municipality that has entered into an intergovernmental agreement, any portion of which addresses issues pertaining to the annexation of enclaves shall, promptly upon execution of the agreement, record the agreement with the clerk and recorder of any county within which any land area addressed in the agreement is situated.

Source: **L. 75:** Entire title R&RE, p. 1079, § 1, effective July 1. **L. 81:** (1) amended and (1.1) added, p. 1510, § 1, effective July 1. **L. 97:** (1.1) and (2) amended, p. 995, § 2, effective May 27. **L. 2006:** (1.1) amended and (5) added, p. 1007, § 1, effective September 1. **L. 2010:** (1) and (3) amended, (HB 10-1259), ch. 211, p. 914, § 4, effective August 11.

Editor's note: This section is similar to former § 31-8-106 as it existed prior to 1975.

Cross references: For annexation of unincorporated areas, see § 30 of article II of the state constitution.

ANNOTATION

Law reviews. For note, "The Permissible Scope of Compulsory Requirements for Land Development in Colorado", see 54 U. Colo. L. Rev. 447 (1983). For article, "Annexation: Today's Gamble for Tomorrow's Gain — Parts I and II", see 17 Colo. Law. 603 (1988). For article, "ADR Techniques in Municipal Annexations", see 18 Colo. Law. 901 (1989).

Annotator's note. Since § 31-12-106 is similar to former § 31-8-106 prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, relevant cases construing those provisions have been included in the annotations to this section.

There is not absolute constitutional right under the due process clause to vote on a proposed annexation, and the state general assembly has the ultimate control of the method of annexing by its agency cities. The general assembly may grant the right to vote in some types of annexation and deny it in others, provided that there is some rational basis for the distinction, and the equal protection clause of the federal constitution does not preclude creation of distinct classes if such classifications are reasonably related to some legitimate state interest and all those within the class created are treated equally. Therefore, within each of the present classes based on the extent of contiguous boundaries all persons residing within the territory to be annexed are treated equally with respect to the right to exercise the franchise, and the distinction recognized by the assembly as to when the franchise may be exercised is reasonable in light of the manifest purpose for the differentiation. *Adams v. City of Colo. Springs*, 308 F. Supp. 1397 (D. Colo.), *aff'd mem.*, 399 U.S. 901, 90 S. Ct. 2197, 26 L. Ed. 2d 555 (1970).

Unilateral annexation statute is not violative of due process and equality of rights where persons within territory proposed to be annexed are not allowed to vote on the annexation. *Pomponio v. City of Westminster*, 178 Colo. 80, 496 P.2d 999 (1972).

Plain meaning of "unincorporated area" cannot logically include areas which are not being considered for annexation or areas which have already become part of the annexing municipality for the purposes of a unilateral annexation. *Cesario v. City of Colo. Springs*, 200 Colo. 459, 616 P.2d 113 (1980).

Commencement of three-year period. The intentment of this section is that the area to be annexed need only be contiguous for a three-year period, the commencement of which can be either before or after the act became effective so long as the total time is three years. *Pomponio v. City of Westminster*, 178 Colo. 80, 496 P.2d 999 (1972).

Significance of required two-thirds contiguity. Where the area to be annexed has less than two-thirds contiguity with the annexing city, the interrelationship between the annexed area and the city may not be great enough to warrant a politically undesirable unilateral merger; where, however, the territory to be annexed has over two-thirds contiguity with the annexing city, the interrelationship between the two areas is or can be so close that the city should be allowed to annex despite the unwillingness of the residents of the annexed territory. The law thus recognizes that a municipality such as Colorado Springs is severely handicapped by an annexation law which requires the approval of the property owners and qualified electors of an annexed area, it being unable to deal with groups of citizens who form small tax colonies on the borders of the core city which is the economic base of the urban area and to which the colonies owe their very existence and yet pay nothing for the advantages which the city provides, as these people would seldom consent to the annexation and their nonconsent would threaten the very existence of the core city. *Adams v. City of Colo. Springs*, 308 F. Supp. 1397 (D. Colo.), *aff'd mem.*, 399 U.S. 901, 90 S. Ct. 2197, 26 L. Ed. 2d 555 (1970).

Annexation power is legislative in nature. Since by statute the general assembly has delegated the power to annex territory to a city, that power remains legislative in character. *Bd. of County Comm'rs v. City & County of Denver*, 37 Colo. App. 395, 548 P.2d 922 (1976).

Certain preliminary findings are mandated by this section, i.e., that the subject property appears to have had the requisite contiguity for the requisite period prior to the commencement of annexation procedures. *Bd. of County Comm'rs v. City & County of Denver*, 37 Colo. App. 395, 548 P.2d 922 (1976).

In a unilateral annexation pursuant to subsection (2), the legislative body with annexing au-

thority must make specific findings at a hearing that the proposed area to be annexed has had the requisite boundary contiguity for the requisite period of time before such an area is eligible for annexation by the governing body. *Cesario v. City of Colo. Springs*, 200 Colo. 459, 616 P.2d 113 (1980).

The size and shape of a parcel to be annexed is immaterial and is conclusively a legislative problem. *Bd. of County Comm'rs v. City & County of Denver*, 37 Colo. App. 395, 548 P.2d 922 (1976).

A public way or a portion of a public way can be utilized as a noncontiguous boundary of the annexed territory, since the statute contains no such restriction. *Bd. of County Comm'rs v. City & County of Denver*, 37 Colo. App. 395, 548 P.2d 922 (1976).

Railroad rights-of-way do not constitute public rights-of-way as the term is used in subsection (1.1), and annexations in question are not void based on the public rights-of-way exception. *Sinclair Mktg. Inc. v. Commerce City*, 226 P.3d 1239 (Colo. App. 2009).

Streets not exempt from subsection (3). If the general assembly had intended that streets be excluded from the definition of sole ownership, it would have provided an exception to that effect. *Bd. of County Comm'rs v. City & County of Denver*, 190 Colo. 8, 543 P.2d 521 (1975).

Determination of sole ownership involving street as only contiguous point. Even though contiguity is not affected by the existence of a street the determination of sole ownership for purpose of annexation under § 31-12-106 (3) is affected by a street owned by an entity other than the annexing authority where that street constitutes the only contiguous land. *Bd. of County Comm'rs v. City & County of Denver*, 190 Colo. 8, 543 P.2d 521 (1975).

Measurements for determining boundary contiguity confined to area's perimeter. The measurements for determining boundary conti-

guity under subsection (2) must be confined solely to the perimeter of the area proposed to be annexed. *Cesario v. City of Colo. Springs*, 200 Colo. 459, 616 P.2d 113 (1980).

Where city owns 50-foot strip in land to be annexed. Since the city council must decide whether annexation will be approved under § 31-12-107 (1)(g) where owners of 100% of the land to be annexed had signed the petition, no purpose would be served by requiring the city, as owner of a 50-foot contiguous strip in the land to be annexed, to sign a petition addressed to itself. Likewise, to require that since the city has not signed the petition, it must first annex the 50-foot strip pursuant to subsection (3), would be to establish a procedure that does not comport with the legislative mandate that the purpose of the act is to provide for the "orderly growth of urban communities". *Bd. of County Comm'rs v. City & County of Denver*, 38 Colo. App. 171, 556 P.2d 486 (1976), *aff'd*, 194 Colo. 252, 571 P.2d 1094 (1977).

County-owned street may be used as "pole". It is not permissible to include and use a county street as the "pole" in order to meet the § 31-12-104 (1) contiguity requirement, but to ignore the county ownership of the street for purposes of meeting the subsection (3) sole ownership requirement in a city annexation ordinance. *Bd. of County Comm'rs v. City & County of Denver*, 190 Colo. 8, 543 P.2d 521 (1975).

Where plaintiffs fail to go forward to demonstrate any deficiency in boundaries to defeat the contiguity requirement, findings of ultimate fact are substantially in the language of the statute and are sufficient when based on evidence not specifically controverted by other evidence in the record. *Adams v. City of Colo. Springs*, 178 Colo. 241, 496 P.2d 1005 (1972).

Applied in *McArthur v. Zabka*, 177 Colo. 337, 494 P.2d 89 (1972); *Slack v. City of Colo. Springs*, 655 P.2d 376 (Colo. 1982).

31-12-107. Petitions for annexation and for annexation elections. (1) Petition for annexation in accordance with section 30 (1) (b) of article II of the state constitution:

(a) Persons comprising more than fifty percent of the landowners in the area and owning more than fifty percent of the area, excluding public streets and alleys and any land owned by the annexing municipality, meeting the requirements of sections 31-12-104 and 31-12-105 may petition the governing body of any municipality for the annexation of such territory.

(b) The petition shall be filed with the clerk.

(c) The petition shall contain the following:

(I) An allegation that it is desirable and necessary that such area be annexed to the municipality;

(II) An allegation that the requirements of sections 31-12-104 and 31-12-105 exist or have been met;

(III) An allegation that the signers of the petition comprise more than fifty percent of the landowners in the area and own more than fifty percent of the area proposed to be annexed, excluding public streets and alleys and any land owned by the annexing municipality;

(IV) A request that the annexing municipality approve the annexation of the area proposed to be annexed;

(V) The signatures of such landowners;

(VI) The mailing address of each such signer;

(VII) The legal description of the land owned by such signer;

(VIII) The date of signing of each signature; and

(IX) The affidavit of each circulator of such petition, whether consisting of one or more sheets, that each signature therein is the signature of the person whose name it purports to be.

(d) Accompanying the petition shall be four copies of an annexation map containing the following information:

(I) A written legal description of the boundaries of the area proposed to be annexed;

(II) A map showing the boundary of the area proposed to be annexed;

(III) Within the annexation boundary map, a showing of the location of each ownership tract in unplatted land and, if part or all of the area is platted, the boundaries and the plat numbers of plots or of lots and blocks;

(IV) Next to the boundary of the area proposed to be annexed, a drawing of the contiguous boundary of the annexing municipality and the contiguous boundary of any other municipality abutting the area proposed to be annexed.

(e) No signature on the petition is valid if it is dated more than one hundred eighty days prior to the date of filing the petition for annexation with the clerk. All petitions which substantially comply with the requirements set forth in paragraphs (b) to (d) of this subsection (1) shall be deemed sufficient. No person signing a petition for annexation shall be permitted to withdraw his signature from the petition after the petition has been filed with the clerk, except as such right of withdrawal is otherwise set forth in the petition.

(f) The clerk shall refer the petition to the governing body as a communication. The governing body, without undue delay, shall then take appropriate steps to determine if the petition so filed is substantially in compliance with this subsection (1).

(g) If the petition is found to be in substantial compliance with this subsection (1), the procedure outlined in sections 31-12-108 to 31-12-110 shall then be followed. If it is not in substantial compliance, no further action shall be taken.

(2) Petition for annexation election in accordance with section 30 (1) (a) of article II of the state constitution:

(a) The registered electors may petition the governing body of any municipality to commence proceedings for the holding of an annexation election in the area proposed to be annexed. This petition shall meet the standards described in paragraphs (c) and (d) of this subsection (2) and either:

(I) Shall be signed by at least seventy-five registered electors or ten percent of said electors, whichever is less, if such area is located in a county of more than twenty-five thousand inhabitants; or

(II) Shall be signed by at least forty registered electors or ten percent of said electors, whichever is less, if such area is located in a county of twenty-five thousand inhabitants or less.

(b) The petition shall be filed with the clerk.

(c) The petition for annexation election shall comply with the provisions of paragraph (c) of subsection (1) of this section; except that:

(I) Rather than an allegation of any certain percentage of land owned, it shall contain an allegation that the signers of the petition are qualified electors resident in and landowners of the area proposed to be annexed; and

(II) The petition shall request the annexing municipality to commence proceedings for the holding of an annexation election in accordance with section 30 (1) (a) of article II of the state constitution.

(d) The requirements and procedures provided for in paragraphs (e) and (f) of subsection (1) of this section shall be met and followed in a proceeding under this subsection (2).

(e) If the petition is found to be in substantial compliance with this subsection (2), the procedure outlined in sections 31-12-108 to 31-12-110 shall then be followed, subject thereafter to an annexation election to be held in accordance with section 31-12-112. If the petition for an annexation election is not found to be in substantial compliance, no further action shall be taken; except that the governing body shall make such determination by resolution.

(3) Procedures alternative: The procedures set forth in subsections (1) and (2) of this section are alternative to each other and to any procedure set forth in section 31-12-106; except that a petition for annexation election filed pursuant to subsection (2) of this section shall take precedence over an annexation petition involving the same territory and filed pursuant to subsection (1) of this section if such petition for annexation election is filed at least ten days prior to the hearing date set for the annexation petition filed pursuant to subsection (1) of this section.

(4) Additional terms and conditions on the annexation: Additional terms and conditions may be imposed by the governing body in accordance with section 31-12-112.

(5) If a petition is filed pursuant to subsection (1) or (2) of this section and the territory sought to be annexed meets the specifications of section 31-12-106 (1), the governing body of the municipality with which the petition is filed shall thereupon initiate annexation proceedings pursuant to the appropriate provisions of section 31-12-106 (1). In the event that any governing body fails to initiate such annexation proceedings within a period of one year from the time that such petition is filed, annexation may be effected by an action in the nature of mandamus to the district court of the county where the land to be annexed is located, and the petitioner's court costs and attorney fees incident to such action shall be borne by the municipality.

(6) No proceedings for annexation to a municipality may be initiated in any area which is the same or substantially the same area in which an election for annexation to the same municipality has been held within the preceding twelve months.

(7) For the purpose of determining the compliance with the petition requirements in this section, a signature by any landowner shall be sufficient so long as any other owner in fee of an undivided interest in the same area of land does not object in writing to the governing body of the annexing municipality within fourteen days after the filing of the petition for annexation or annexation election. The entire area of the land signed for shall be computed as petitioning for annexation if such signing landowner has become liable for taxes in the last preceding calendar year or is exempt by law from payment of taxes. One who is purchasing land under a written contract duly recorded shall be deemed the owner of the land which is subject to the contract if he has paid the taxes thereon for the next preceding tax year. The signers for an area owned by a corporation, whether profit or nonprofit, shall be the same persons as those authorized to convey land for such corporation.

(8) No power of attorney providing the consent of a landowner to be annexed by a municipality pursuant to this section shall be valid for a term of more than five years, and no such power of attorney executed before May 27, 1997, shall be valid for a term of more than five years after May 27, 1997.

Editor's note: This section is similar to former §§ 31-8-103 and 31-8-107 as they existed prior to 1975.

ANNOTATION

- I. General Consideration.
- II. Petition for Annexation.
- III. Petition for Annexation Election.

I. GENERAL CONSIDERATION.

Law reviews. For article, "One Year Review of Constitutional Law", see 40 Den. L. Ctr. J. 134 (1963). For article, "Annexation: Today's Gamble for Tomorrow's Gain — Parts I and II", see 17 Colo. Law. 603 (1988). For article, "ADR Techniques in Municipal Annexations", see 18 Colo. Law. 901 (1989).

Annotator's note. Since § 31-12-107 is similar to former § 31-8-107 prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, relevant cases construing those provisions have been included in the annotations to this section.

The 1965 annexation act provided for alternate methods of annexing land. Breternitz v. City of Arvada, 174 Colo. 56, 482 P.2d 955 (1971).

Procedures detailed. This section detailed procedures relating to petitions by those owners residing within or only owning land within the area to be annexed. Tanner v. City of Boulder, 151 Colo. 283, 377 P.2d 945 (1962).

Differentiation of petitioner qualifications. Except for differences regarding the qualifications of the petitioners, the procedures under this section are substantially the same. City of Aspen v. Howell, 170 Colo. 82, 459 P.2d 764 (1969).

The article contains no express prohibition against any person becoming the circulator of a petition. City of Englewood v. Daily, 158 Colo. 356, 407 P.2d 325 (1965).

This section requires an affidavit that each signature thereon is the signature of the person whose name it purports to be. City of Englewood v. Daily, 158 Colo. 356, 407 P.2d 325 (1965).

The streets and public ways in the area are not to be included in calculating the area to be annexed. City & County of Denver v. Holmes, 156 Colo. 586, 400 P.2d 901 (1965).

Where a court has already exercised exclusive jurisdiction over issues of ownership, the municipality may not also consider the issue in an annexation proceeding. Sensible Hous. Co. v. Town of Minturn, __ P.3d __ (Colo. App. 2010).

Applied in Bd. of County Comm'rs v. City & County of Denver, 190 Colo. 8, 543 P.2d 521 (1975); Slack v. City of Colo. Springs, 655 P.2d 376 (Colo. 1982).

II. PETITION FOR ANNEXATION.

Legislative intent in subsection (1)(g). The general assembly clearly intended to distinguish between petitions for annexation signed by 100

percent of the owners of the land proposed for annexation and petitions signed by a lesser number by enacting this section. Bd. of County Comm'rs v. City & County of Denver, 194 Colo. 252, 571 P.2d 1094 (1977).

The legislative limitation applies to the entire part, and not merely to this section. Bd. of County Comm'rs v. City & County of Denver, 194 Colo. 252, 571 P.2d 1094 (1977).

Initiation of proceedings by petition. This section provides that annexation proceedings of eligible territory shall be initiated by written petition presented to the legislative body of the city, city and county, or incorporated town to which it is proposed to annex such territory. People ex rel. City & County of Denver v. County Court, 137 Colo. 436, 326 P.2d 372 (1958); City of Englewood v. Daily, 158 Colo. 356, 407 P.2d 325 (1965).

Land ownership and tax liability proponent and opponent prerequisites. The requirements of ownership in fee and the liability for taxes were both prerequisites for participation as a proponent of the annexation, and the same requirements confronted an opponent of the annexation. City & County of Denver v. Holmes, 156 Colo. 586, 400 P.2d 901 (1965).

Owners of land in joint tenancy are entitled to sign and to be counted with the resident landowners, because each joint tenant owns an interest and is in his own right a landowner. Rice v. City of Englewood, 147 Colo. 33, 362 P.2d 557 (1961).

Petition signed by executor. The petition for annexation was signed by the "owner" of 100 percent of the territory annexed where it was signed by an executor to whom was given full power to manage and sell estate property as well as authority to do any act or carry out any agreement respecting the property even though title was not in him. Bd. of County Comm'rs v. City & County of Denver, 193 Colo. 211, 565 P.2d 212 (1977).

Where an annexation petition was signed by a tenant-in-common holding an undivided interest in the land annexed, the requirements of subsection (1)(g) were met and no notice, hearing, or election was necessary. Bd. of County Comm'rs v. City & County of Denver, 193 Colo. 325, 566 P.2d 335 (1977).

Where signers of the annexation petition owned well over 50% of the land proposed to be annexed, but at the same time five of the nine resident signers were favorable to the annexation, the fact that these resident owners represented a percentage of property less than 50% is inconsequential since much more than 50% of the area was represented by resident and non-resident owners. Rice v. City of Englewood, 147 Colo. 33, 362 P.2d 557 (1961).

Notice and hearing are not required when 100% of the landowners sign the annexation petition. Bd. of County Comm'rs v. City & County of Denver, 194 Colo. 252, 571 P.2d 1094 (1977).

Streets and roadways are excluded when considering whether all of the landowners in an area proposed to be annexed have signed an annexation petition, and, if all other owners are signatories, there are no notice, hearing, or election requirements. Bd. of County Comm'rs v. City & County of Denver, 40 Colo. App. 281, 573 P.2d 568 (1977).

Immaterial who obtains consent. With regard to petitions for annexation, so long as the requisite number of landowners freely consent to the annexation it is wholly immaterial who obtains that consent. City of Englewood v. Daily, 158 Colo. 356, 407 P.2d 325 (1965).

Such as city officials. Nowhere does this article prohibit, either expressly or by necessary implication, the annexing city's officials from participating in the circulation of annexation petitions. City of Englewood v. Daily, 158 Colo. 356, 407 P.2d 325 (1965).

The fact that city councilmen must "find" that the form of the petition meets the statutory requirements when it is presented to the annexing city's council does not disqualify the councilmen from acting as circulators of the petitions. City of Englewood v. Daily, 158 Colo. 356, 407 P.2d 325 (1965).

"Finding" is administrative conclusion. The "finding" of compliance with the section, as a preliminary step in annexation proceedings, is no more than an administrative or ministerial conclusion of fact upon which the legislative power to act is dependent, and this "finding" would necessarily be made by the legislative body whether this section required it or not. City of Englewood v. Daily, 158 Colo. 356, 407 P.2d 325 (1965).

An obvious typographical error in the signature page of an annexation petition considered in context was insubstantial and did not invalidate the petition. Bd. of County Comm'rs v. City & County of Denver, 193 Colo. 325, 566 P.2d 335 (1977).

An annexation petition was sufficient even though the signature pages failed to set out the date of each signature, where the dates on the verifications accompanying the signatures showed that signing took place prior to filing the documents, and there was no allegation that prejudice resulted or that any of the signatures were stale. Bd. of County Comm'rs v. City & County of Denver, 193 Colo. 325, 566 P.2d 335 (1977).

There is substantial compliance with the requirement of subsection (1)(d) that copies of the annexation map accompany the petition where the map is available to the city council whether or not it is physically attached to the

petition. Bd. of County Comm'rs v. City & County of Denver, 193 Colo. 325, 566 P.2d 335 (1977).

Where, in its resolution, the city council recited that the annexation petition was accompanied by a map and school board resolution, and these documents were available on file with the Denver clerk and recorder for the city council's inspection and consideration prior to passage of the annexation ordinance, there was substantial compliance with the requirements that the documents accompany the petition. Bd. of County Comm'rs v. City & County of Denver, 193 Colo. 325, 566 P.2d 335 (1977).

When no substantial compliance with subsection (1)(g). The standard of substantial compliance under subsection (1)(g) is not met where the ownership of the land to be annexed does not clearly appear. Bd. of County Comm'rs v. City & County of Denver, 193 Colo. 321, 566 P.2d 340 (1977).

The standard of substantial compliance under subsection (1)(g) is not met where the description of the area to be annexed is so confused and contradictory that the area to be annexed cannot be determined from the petition and its attachments. Bd. of County Comm'rs v. City & County of Denver, 193 Colo. 321, 566 P.2d 340 (1977).

Where city owned 50-foot strip in land to be annexed. Since the city council must decide whether annexation will be approved under subsection (1)(g) where owners of 100% of the land to be annexed had signed the petition, no purpose would be served by requiring the city, as owner of a 50-foot contiguous strip in the land to be annexed, to sign a petition addressed to itself. Bd. of County Comm'rs v. City & County of Denver, 38 Colo. App. 171, 556 P.2d 486 (1976), aff'd, 194 Colo. 252, 571 P.2d 1094 (1977).

III. PETITION FOR ANNEXATION ELECTION.

This section provides for the electorate to have a veto power over annexation when it commands that an election petition take precedence over any petition filed with city council by petitioners who own more than 50% of the land. Breternitz v. City of Arvada, 174 Colo. 56, 482 P.2d 955 (1971).

Compliance with subsection (1)(c)(III) not required. When a petition for annexation election is filed pursuant to subsection (2), the signers, if they comprise the requisite number or percentage and are qualified electors and resident landowners in the territory, need not also comply with subsection (1)(c)(II). Breternitz v. City of Arvada, 174 Colo. 56, 482 P.2d 955 (1971).

The general assembly intended that subsection (1)(c)(III) of this section requiring signa-

tures of more than 50% of the landowners be excepted, i.e., "taken out" and excluded from consideration when the requisite number of petitioners sought annexation by the election alternative. *Breternitz v. City of Arvada*, 174 Colo. 56, 482 P.2d 955 (1971).

If the provision of subsection (2) that either 75 electors or 10%, whichever is the lesser, can petition for an election in which the majority vote will control, it simply does not make sense to add the additional requirement that these same petitioners be owners of more than 50% of the land. *Breternitz v. City of Arvada*, 174 Colo. 56, 482 P.2d 955 (1971).

Corporate or nonresident owners have no voice in election. Subsection (2), if it is to be given life and meaning, was intended to provide for a voice in the annexation process to be given to people living in the area as opposed to corporate or nonresident owners of larger segments of the land. *Breternitz v. City of Arvada*, 174 Colo. 56, 482 P.2d 955 (1971).

Except corporate owner may petition. By giving full force and effect to the subsection (2) alternative, one corporate owner, or two, or half a dozen owners of more than 50% of the land cannot impose their annexation whims on other resident-electors who own the balance or less

than 50% of the territory, but the latter may nevertheless petition for an election if 75 electors or 10% wish to put the matter to a vote. *Breternitz v. City of Arvada*, 174 Colo. 56, 482 P.2d 955 (1971).

Suspension of actions on annexation petition. The provision that a petition for annexation election shall take precedence over an annexation petition does not require that, when the election petition was filed, all actions under the annexation petition should have been abandoned, and a new procedure should have been initiated under subsection (2). *City of Aspen v. Howell*, 170 Colo. 82, 459 P.2d 764 (1969).

Findings as to qualifications of signers proper. Where there was testimony that the signers of the petition were registered voters, that each signer stated under oath that he was a landowner, and that an examination of the county records disclosed them all to be landowners, and the petition recited that the signers were qualified electors, residents in and landowners of the area proposed to be annexed, and there is nothing in the record to indicate that less than 75 of the signers were not qualified to sign, the finding of the city council as to the qualifications of the signers is proper. *Breternitz v. City of Arvada*, 174 Colo. 56, 482 P.2d 955 (1971).

31-12-108. Setting hearing date - notice given. (1) As a part of the resolution initiating annexation proceedings by the municipality or of a resolution finding substantial compliance of an annexation petition or of a petition for an annexation election, the governing body of the annexing municipality shall establish a date, time, and place that the governing body will hold a hearing to determine if the proposed annexation complies with section 30 of article II of the state constitution and sections 31-12-104 and 31-12-105 or such provisions thereof as may be required to establish eligibility under the terms of this part 1. The hearing shall be held not less than thirty days nor more than sixty days after the effective date of the resolution setting the hearing. This hearing need not be held if the municipality has determined conclusively that the requirements of section 30 of article II of the state constitution and sections 31-12-104 and 31-12-105 have not been met.

(2) The clerk shall give notice as follows: A copy of the resolution or the petition as filed (exclusive of the signatures) together with a notice that, on the given date and at the given time and place set by the governing body, the governing body shall hold a hearing upon said resolution of the annexing municipality or upon the petition for the purpose of determining and finding whether the area proposed to be annexed meets the applicable requirements of section 30 of article II of the state constitution and sections 31-12-104 and 31-12-105 and is considered eligible for annexation. Said notice shall be published once a week for four successive weeks in some newspaper of general circulation in the area proposed to be annexed. The first publication of such notice shall be at least thirty days prior to the date of the hearing. The proof of publication of the notice and resolution or petition, or the summary thereof, shall be returned when the publication is completed, the certificate of the owner, editor, or manager of the newspaper in which said notice is published shall be proof thereof, and a hearing shall then be held as provided in said notice. A copy of the published notice, together with a copy of the resolution and petition as filed, shall also be sent by registered mail by the clerk to the board of county commissioners and to the county attorney of the county wherein the territory is located and to any special district or school district having territory within the area to be annexed at least twenty-five days prior to the date fixed for such hearing. The notice required to be sent to the special district or school district by this subsection (2) shall not confer any right of review in addition to those rights provided for in section 31-12-116.

(3) The governing body of the annexing municipality, from time to time, may continue the hearing to another date without additional notice if the volume of material to be received cannot be presented within the available time for any given session; except that no session of a hearing shall be so continued unless at least one hour of testimony has been heard.

Editor's note: This section is similar to former § 31-8-108 as it existed prior to 1975.

ANNOTATION

Law reviews. For article, "Annexation: Today's Gamble for Tomorrow's Gain — Parts I and II", see 17 Colo. Law. 603 and 809 (1988).

Annotator's note. Since § 31-12-108 is similar to former § 31-8-108 prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, relevant cases construing those provisions have been included in the annotations to this section.

Proceedings duly commenced before a city council may be completed regardless of changes in personnel, because a city council is a continuing body. *Breternitz v. City of Arvada*, 174 Colo. 56, 482 P.2d 955 (1971).

Legal description held to be in substantial compliance with the requirements of this section. *Slack v. City of Colo. Springs*, 655 P.2d 376 (Colo. 1982).

Immaterial variation in two legal descriptions of annexed area does not invalidate annexation. *TCD North, Inc. v. City Council of Greenwood*, 713 P.2d 1320 (Colo. App. 1985).

The regional transportation district (RTD) and the Douglas county soil conservation dis-

trict (DCSCD) are not special districts to whom notice of the annexation hearing must be given under subsection (2). Subsection (2) requires, among other things, that the annexing municipality provide notice of the annexation hearing to any special district having territory within the area to be annexed. For purposes of this subsection, a "special district" means any quasi-municipal corporation and political subdivision organized or acting pursuant to the provisions of the Special District Act, article 1 of title 32. Here, RTD and DCSCD were not created and do not act pursuant to the Special District Act. Rather, each was created and operates pursuant to its own enabling legislation. Such legislation refers to both entities as "districts" but not "special districts". Accordingly, the district court incorrectly voided the annexation because of the city's failure to give notice to these districts. *Bd. of County Comm'rs v. City of Aurora*, 62 P.3d 1049 (Colo. App. 2002).

Applied in *City of Aspen v. Howell*, 170 Colo. 82, 459 P.2d 764 (1969); *Bd. of County Comm'rs v. City & County of Denver*, 37 Colo. App. 395, 548 P.2d 922 (1976).

31-12-108.5. Annexation impact report - requirements. (1) The municipality shall prepare an impact report concerning the proposed annexation at least twenty-five days before the date of the hearing established pursuant to section 31-12-108 and shall file one copy with the board of county commissioners governing the area proposed to be annexed within five days thereafter. Such report shall not be required for annexations of ten acres or less in total area or when the municipality and the board of county commissioners governing the area proposed to be annexed agree that the report may be waived. Such report shall include, as a minimum:

(a) A map or maps of the municipality and adjacent territory to show the following information:

(I) The present and proposed boundaries of the municipality in the vicinity of the proposed annexation;

(II) The present streets, major trunk water mains, sewer interceptors and outfalls, other utility lines and ditches, and the proposed extension of such streets and utility lines in the vicinity of the proposed annexation; and

(III) The existing and proposed land use pattern in the areas to be annexed;

(b) A copy of any draft or final preannexation agreement, if available;

(c) A statement setting forth the plans of the municipality for extending to or otherwise providing for, within the area to be annexed, municipal services performed by or on behalf of the municipality at the time of annexation;

- (d) A statement setting forth the method under which the municipality plans to finance the extension of the municipal services into the area to be annexed;
- (e) A statement identifying existing districts within the area to be annexed; and
- (f) A statement on the effect of annexation upon local-public school district systems, including the estimated number of students generated and the capital construction required to educate such students.

Source: L. 87: Entire section added, p. 1220, § 5, effective May 28.

ANNOTATION

Law reviews. For article, "Annexation: Today's Gamble for Tomorrow's Gain — Parts I and II", see 17 Colo. Law. 603 and 809 (1988).

Act contemplates annexation agreements as a routine step in the annexation process. Although annexation agreement is not required for a valid annexation, where parties had contemplated execution of an annexation agreement throughout the process, adoption of annexation resolution without having an agreement in place was an abuse of discretion. *Midcities Co. v. Town of Superior*, 916 P.2d 595 (Colo. App. 1995), *aff'd*, 933 P.2d 596 (Colo. 1997).

An immaterial variation from the requirements of this section is not fatal, and annexation may not be voided when there has been substantial compliance. Here, city was in substantial compliance with impact report requirement by providing maps showing the streets and utility lines near the area to be annexed. Accordingly, district court erred in determining that city failed to comply with impact report requirement. *Bd. of County Comm'rs v. City of Aurora*, 62 P.3d 1049 (Colo. App. 2002).

31-12-109. Hearing. (1) Any person may appear at such hearing and present evidence upon any matter to be determined by the governing body.

(2) All proceedings at the hearing and any continuances thereof shall be recorded, but the recorder's notes need not be transcribed unless proceedings for judicial review are initiated as provided in section 31-12-116.

(3) The board of trustees of a town may dispense with the reporting of the hearing as provided in this section and substitute in lieu thereof minutes summarizing the presentation of each speaker and describing the proceedings of the hearing. In the event that any proceedings are commenced for judicial review of an annexation in which this subsection (3) has been followed, the provisions of section 31-12-116 (5) shall be applicable.

Source: L. 75: Entire title R&RE, p. 1083, § 1, effective July 1. **L. 87:** (1) amended, p. 1221, § 6, effective May 28.

Editor's note: This section is similar to former § 31-8-109 as it existed prior to 1975.

ANNOTATION

Annotator's note. Since § 31-12-109 is similar to former § 31-8-109 prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, relevant cases construing those provisions have been included in the annotations to this section.

A city council can take official notice of all maps, records, and other pertinent information within a city's files to insure a fair disposition of an annexation controversy. *Pomponio v. City of Westminster*, 178 Colo. 80, 496 P.2d 999 (1972).

Subsection (2) complied with. Where stenographic notes of an annexation hearing were

made by a reporter who attended the hearing and died shortly thereafter, and the notes were transcribed and certified by a different reporter even though the certification was not made by the attending reporter there was no failure of compliance with rule 80, C.R.C.P., and subsection (2). *Bd. of County Comm'rs v. City & County of Denver*, 37 Colo. App. 395, 548 P.2d 922 (1976).

When resorting to injunctive relief available. Where the statute relating to annexation of territory by a city provides a proper time and forum for hearing objections, objectors must exhaust all such remedies before resorting to the

courts for injunctive relief. *City & County of Denver v. Bd. of County Comm'rs*, 141 Colo. 102, 347 P.2d 132 (1959).

31-12-110. Findings. (1) Upon the completion of the hearing, the governing body of the annexing municipality, by resolution, shall set forth its findings of fact and its conclusion based thereon with reference to the following matters:

(a) Whether or not the requirements of the applicable provisions of section 30 of article II of the state constitution and sections 31-12-104 and 31-12-105 have been met;

(b) Whether or not an election is required under section 30 (1) (a) of article II of the state constitution and section 31-12-107 (2).

(2) The governing body shall also determine whether or not additional terms and conditions are to be imposed.

(3) A finding that the area proposed for annexation does not comply with the applicable provisions of section 30 of article II of the state constitution or sections 31-12-104 and 31-12-105 shall terminate the annexation proceeding.

Source: **L. 75:** Entire title R&RE, p. 1084, § 1, effective July 1. **L. 2010:** (1) and (3) amended, (HB 10-1259), ch. 211, p. 917, § 7, effective August 11.

Editor's note: This section is similar to former § 31-8-110 as it existed prior to 1975.

ANNOTATION

Annotator's note. Since § 31-12-110 is similar to former § 31-8-110 prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, relevant cases construing those provisions have been included in the annotations to this section.

Specific findings required for proposed area for annexation. In a unilateral annexation pursuant to § 31-12-106 (2), the legislative body with annexing authority must make specific findings at a hearing that the proposed area to be annexed has had the requisite boundary contiguity for the requisite period of time before such an area is eligible for annexation by the governing body. *Cesario v. City of Colo. Springs*, 200 Colo. 459, 616 P.2d 113 (1980).

Findings of ultimate fact are sufficient where they are based on evidence not specifically controverted by other evidence in the record made before the city council. *Pomponio v. City of Westminster*, 178 Colo. 80, 496 P.2d 999 (1972).

Capricious or arbitrary exercise of discretion can arise where an administrative board neglects to use reasonable care in procuring such evidence as it is authorized by law to

consider such applying to a city council when it is attempting to employ or administer the municipal annexation act. *Johnston v. City Council*, 177 Colo. 223, 493 P.2d 651 (1972).

A city council implicitly is authorized to consider all competent evidence with regard to the contiguity requirement by virtue of the fact that it has to make a finding thereon being under a duty to use reasonable diligence in searching for and procuring such evidence. *Johnston v. City Council*, 177 Colo. 223, 493 P.2d 651 (1972).

Findings as to school districts other than Denver. When the city and county of Denver is the only city in the state whose boundaries are coexistent with those of the school district, the trial court can take judicial notice that the only occasion upon which annexation will cause territory in Colorado to be detached from one school district and attached to another is when territory is annexed by the city and county of Denver, such being the case, there is no necessity for evidence to support the finding concerning school districts in proceedings not involving Denver. *Breternitz v. City of Arvada*, 174 Colo. 56, 482 P.2d 955 (1971).

31-12-111. Annexation without election. If the resolution of the governing body adopted pursuant to section 31-12-110 determines that the applicable provisions of section 30 of article II of the state constitution and sections 31-12-104 and 31-12-105 have been met, and further determines that an election is not required under section 31-12-107 (2), and does not determine that additional terms and conditions are to be imposed, the governing body may thereupon annex the area proposed to be annexed by ordinance.

Source: L. 75: Entire title R&RE, p. 1084, § 1, effective July 1. L. 2010: Entire section amended, (HB 10-1259), ch. 211, p. 917, § 8, effective August 11.

Editor's note: This section is similar to former § 31-8-111 as it existed prior to 1975.

ANNOTATION

Annotator's note. Since § 31-12-111 is similar to former § 31-8-111 prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, relevant cases construing those provisions have been included in the annotations to this section.

A state has broad discretion in determining the procedures for effectuating annexation. *Adams v. City of Colo. Springs*, 308 F. Supp. 1397 (D. Colo.), *aff'd mem.*, 399 U.S. 901, 90 S. Ct. 2197, 26 L. Ed. 2d 555 (1970).

Variance in description of deleted territory not fatal. A variation from requirements imposed by city charter or statutory authority is not fatal and does not render void an ordinance of annexation where variance in the descriptions deleting some territory is immaterial as to the area remaining. *Adams v. City of Colo. Springs*, 178 Colo. 241, 496 P.2d 1005 (1972).

And appellants are not deprived of due process because of the variance, for the general assembly may give to municipalities the power to annex upon any condition it chooses to impose. *Adams v. City of Colo. Springs*, 178 Colo. 241, 496 P.2d 1005 (1972).

It is clearly within the power of a city to require the payment of the annexation fees as a condition of annexation. *City of Aurora v. Andrew Land Co.*, 176 Colo. 246, 490 P.2d 67 (1971).

Municipal ordinance may require an election even if its governing body determines that the other requirements of the act have been met. *Minch v. Town of Mead*, 957 P.2d 1054 (Colo. App. 1998).

Authority for assessing certain fees. Authority for assessing fees for water development and sanitary sewer taps may be found not only in an annexation petition, but also in an annexation ordinance. *City of Aurora v. Andrew Land Co.*, 176 Colo. 246, 490 P.2d 67 (1971).

By city ordinance. The city council under its general powers can enact an ordinance which itself fixes the fees to be charged in a particular annexation proceedings. *City of Aurora v. Andrew Land Co.*, 176 Colo. 246, 490 P.2d 67 (1971).

31-12-112. Election - annexation pursuant to election. (1) If the governing body determines that an annexation election is required under the provisions of section 30 (1) (a) of article II of the state constitution and section 31-12-107 (2) or that additional terms and conditions should be imposed upon the area proposed to be annexed, an election shall be called, as provided in this section, to determine whether a majority of the landowners and the registered electors in the area proposed to be annexed approve such annexation, with such terms and conditions, if any, as may attach thereto.

(2) Any landowner owning land in the area proposed to be annexed may vote, irrespective of whether he or she is a registered elector. Any corporate landowner may by resolution designate one of its officers to cast its vote; except that nothing in this part 1 shall invalidate any memorandum of agreement or escrow arrangement voluntarily made by and between the annexing municipality and one or more landowners within the area proposed to be annexed nor require an election for the approval of any terms and conditions to be accomplished or assured in this manner.

(3) The municipality shall forthwith petition the district court of the county in which the area proposed to be annexed or a part thereof is located to hold such election.

(4) Upon receipt of such petition, the court shall appoint three commissioners, one of whom shall be nominated by the municipality, one of whom shall be a landowner of land in the area proposed to be annexed or such landowner's nominee, and the third shall be acceptable to the other two. All of the commissioners shall be residents of the state of Colorado and willing to serve as such commissioners. The appointees, within three days after the date of their appointment, shall take an oath before the court faithfully to perform their duties. In case of disability or failure of any commissioner to act, the court shall forthwith fill his place with some person competent, willing, and able to act.

(5) Such commissioners shall forthwith call an election of all the landowners and the registered electors in the area proposed to be annexed, to be held at some convenient place

within the area proposed to be annexed. The commissioners shall establish such polling places within the area proposed to be annexed, or immediately adjacent thereto if such area is vacant and unoccupied, as in their judgment are necessary to afford all of the landowners and the registered electors the opportunity to cast their votes. If more than one polling place is found to be necessary, the court may appoint three additional persons to act as judges or clerks for each additional polling place. Such additional judges and clerks shall meet the same requirements as the original appointees.

(6) Notice of such election shall be given by publication once a week for four weeks in some newspaper of general circulation in the area and published in the county in which such area is located or, if there is no such newspaper in the county, in some newspaper of general circulation published in an adjacent county. Additional notice shall be given by posting a notice at each polling place. The said posting and first newspaper publication shall be not less than four weeks preceding such election. Such notice shall specify the time and place of such election, shall contain a description of the boundaries of the area proposed to be annexed, and shall state that a map or plat thereof is on file in the office of the clerk of the district court in which such area, or a part thereof, is located. Such notice shall also set forth the conditions and requirements proposed by the governing body for annexation of the area, and it shall inform the public that an issue committee is required by law to register with the appropriate officer pursuant to section 1-45-108, C.R.S., within ten calendar days of accepting or making contributions or expenditures in excess of two hundred dollars to support or oppose the annexation question.

(7) Such commissioners and additional appointees provided for in subsection (5) of this section shall act as judges or clerks of the election, shall take the oath required by law for judges of general elections, and shall report the result of the voting in their respective polling places to the court within three days after such election. The court shall allow each judge and clerk a reasonable compensation for his services as such, not exceeding two dollars for each hour necessarily employed in the performance of his duties.

(8) The ballot used in such election shall contain the words "For Annexation" and "Against Annexation". At the time of voting, each voter shall indicate his choice by placing a cross mark (X) opposite one or the other of said groups of words. Voting machines may be used in the same manner as in municipal elections.

(9) If a majority of the votes cast at such election are against annexation or the vote is tied, the court shall order that all annexation proceedings to date are void and of no effect and that the governing body shall proceed no further with the instant annexation proceedings. If a majority of the votes cast at the election are for annexation, the court shall order, adjudge, and decree that such area may be annexed to the municipality upon the terms and conditions, if any, set forth by the governing body, and the municipality, by ordinance, may thereafter annex said area and impose the terms and conditions, if any, as approved by the landowners and the registered electors.

(10) All costs and expenses connected with such annexation election, including commissioner fees and all election expenses when incurred, shall be paid by the municipality to which the annexation is proposed.

Source: L. 75: Entire title R&RE, p. 1084, § 1, effective July 1. L. 2009: (6) amended, (HB 09-1153), ch. 174, p. 776, § 3, effective September 1. L. 2010: (1), (2), (5), and (9) amended, (HB 10-1259), ch. 211, p. 917, § 9, effective August 11; (1) amended, (HB 10-1422), ch. 419, p. 2127, § 192, effective August 11.

Editor's note: This section is similar to former § 31-8-112 as it existed prior to 1975.

Cross references: For municipal elections, see article 10 of this title.

ANNOTATION

Law reviews. For article, "Annexation: Today's Gamble for Tomorrow's Gain — Parts I and II", see 17 Colo. Law. 603 (1988).

Annotator's note. Since § 31-12-112 is similar to former § 31-8-112 prior to the 1975 repeal and reenactment of this title, and laws

antecedent thereto, a relevant case construing a prior provision has been included in the annotations to this section.

Election code applicable. It is the legislative intent that the term “special municipal elections” as contained in the municipal election code, extends to annexation elections. *City of Aspen v. Howell*, 170 Colo. 82, 459 P.2d 764 (1969).

The municipal election code applies to elections under the annexation act to the extent that its terms are not inconsistent with the specific provisions of the annexation act. *City of Aspen v. Howell*, 170 Colo. 82, 459 P.2d 764 (1969).

Nonresident landowner may vote. In view of the specific provision in subsection (2) that a landowner may vote irrespective of whether he is a qualified elector, which entails residency, and the further recognition in subsection (5) that qualified electors and landowners may be two separate groups, both entitled to vote, the supreme court concludes that the general assembly intended to permit a nonresident landowner to vote in an annexation election, because the specific provisions must be held to prevail over the general provisions, and to the extent that this construction conflicts with the residency requirements of the municipal election code, those provisions are held to be superseded by the provisions of the annexation act. *City of Aspen v. Howell*, 170 Colo. 82, 459 P.2d 764 (1969).

Absentee ballots authorized. Since the municipal election code provides that such code should be construed liberally so that all legally qualified electors may be permitted to vote, we

hold that the municipal election code by its terms authorized the absentee ballots in an annexation election. *City of Aspen v. Howell*, 170 Colo. 82, 459 P.2d 764 (1969).

No election where 100% of landowners have consented. No election is triggered where 100% of the landowners, by petitioning for annexation, have already consented to be governed by the annexing city's preexisting ordinances. *Bd. of County Comm'rs v. City & County of Denver*, 193 Colo. 325, 566 P.2d 335 (1977).

Or unless annexation ordinance itself imposes terms and conditions. Unless the annexation ordinance itself imposes terms and conditions upon the annexed area, the requirement of an election under subsection (1) is not triggered. *Bd. of County Comm'rs v. City & County of Denver*, 193 Colo. 325, 566 P.2d 335 (1977).

Preexisting ordinances do not impose additional terms and conditions on the area to be annexed, but are merely general laws which become applicable to new territory upon annexation. *Bd. of County Comm'rs v. City & County of Denver*, 193 Colo. 325, 566 P.2d 335 (1977).

The relatively standard practice under which a landowner donates land to a school district does not trigger the requirement of an election, since no term or condition is thereby imposed upon the area to be annexed. *Bd. of County Comm'rs v. City & County of Denver*, 193 Colo. 211, 565 P.2d 212 (1977).

Annexation void because town exceeded its jurisdiction when it failed to hold election to get the consent of the landowner before the annexation. *Town of Superior v. Midcities Co.*, 933 P.2d 596 (Colo. 1997).

31-12-113. Effective date of annexation - required filings. (1) If the conditions of subsection (2) of this section are met, area annexed to a municipality, as provided in this part 1, shall be annexed upon the effective date of the annexing ordinance, except as otherwise provided in sections 31-12-118 and 31-12-118.5 and for tax purposes as provided in subsection (3) of this section.

(2) (a) The annexing municipality shall:

(I) File one copy of the annexation map with the original of the annexation ordinance in the office of the clerk of the annexing municipality;

(II) (A) File for recording three certified copies of the annexation ordinance and map of the area annexed containing a legal description of such area with the county clerk and recorder of each county affected.

(B) The county clerk and recorder of each county involved shall file one certified copy of such annexation ordinance and map with the division of local government of the department of local affairs and one certified copy of such annexation ordinance and map with the department of revenue.

(a.5) Upon receiving an annexation ordinance and map pursuant to sub-subparagraph (B) of subparagraph (II) of paragraph (a) of this subsection (2), the department of revenue shall communicate with any taxing entities affected by the annexation in order to facilitate the administration and collection of taxes within the annexed areas and to identify all retailers affected by the annexation. The department of revenue shall make copies of any such ordinances and maps available to all taxing entities in the state, including any special districts that impose a sales tax.

(b) No annexation shall be effective until the requirements of sub-subparagraph (A) of subparagraph (II) of paragraph (a) of this subsection (2) are met.

(c) In any action attacking the validity of an annexation proceeding, failure of the annexing municipality to have made the filings required by this subsection (2) shall not be deemed to invalidate the annexation where good cause for such failure is shown.

(3) An annexation shall be effective for the purpose of general taxation on and after the January 1 next ensuing.

(4) In the event that an annexation which has the effect of changing county lines occurs before January 1, the assessor of the county from which such area was detached shall provide to the assessor of the county to which such area has been added, on or before the February 1 next ensuing, the following:

(a) An abstract of the total valuation for assessment of all taxable property so transferred;

(b) A certified copy of the assessment records of the individual properties in the annexed area as of the effective date of annexation containing the legal description, the name and address of the owner, and the valuation for assessment of all taxable property, together with such supporting records as are required by the regulations of the property tax administrator.

Source: L. 75: Entire title R&RE, p. 1086, § 1, effective July 1. L. 99: (1) amended, p. 1, § 1, effective February 1. L. 2000: (2)(a)(II) amended and (2)(a.5) added, p. 422, § 2, effective August 2.

Editor's note: This section is similar to former § 31-8-113 as it existed prior to 1975.

ANNOTATION

Annotator's note. Since § 31-12-113 is similar to former § 31-8-113 prior to the 1975 repeal and reenactment of this title, relevant cases construing that provision have been included in the annotations to this section.

Read with § 31-21-120. The legislative intent is clear, and § 31-12-116 and this section must be read in conjunction with § 31-12-120. *Bd. of County Comm'rs v. City & County of Denver*, 190 Colo. 347, 547 P.2d 249 (1976).

Annexation ordinance becomes effective after completion of annexation proceedings. *Green Valley Ranch Venture Co. v. District Court*, 186 Colo. 173, 526 P.2d 141 (1974).

Filing requirements of subsection (2)(a)(II)(A) and § 24-32-109 not satisfied by mere substantial compliance. There are several clear indications in these statutory provisions that substantial compliance with filing requirements is insufficient. Both statutes plainly declare that the consequence of noncompliance is that annexation shall not become effective. Unlike statutes governing annexations by petition, this section and § 24-32-109 do not expressly allow for substantial compliance. Pres-

ence of an explicit good cause exception in subsection (2)(c) suggests general assembly intended that only a showing of good cause would excuse strict compliance. *Grandote Golf & Ctry. Club v. Town of La Veta*, 252 P.3d 1196 (Colo. App. 2011).

Even assuming that substantial compliance with this section and the requirements of § 24-32-109 may render an annexation effective, there was no substantial compliance with additional requirement that a certified copy of the annexation ordinance and map be filed with division of local government. This requirement cannot be deemed a mere formality; excusing noncompliance with this requirement would not result in fulfillment of the relevant statutes' purposes. *Grandote Golf & Ctry. Club v. Town of La Veta*, 252 P.3d 1196 (Colo. App. 2011).

Because required filings of annexation ordinance did not occur, and because no good cause was shown (or even alleged for the failure), the annexation contemplated by the ordinance did not become effective. *Grandote Golf & Ctry. Club v. Town of La Veta*, 252 P.3d 1196 (Colo. App. 2011).

31-12-114. Conflicting annexation claims of two or more municipalities. (1) At any time during a period of notice given by a municipality pursuant to section 31-12-108, any other municipality may, subject to compliance with section 30 of article II of the state constitution, receive a petition for annexation or a petition for an annexation election pursuant to section 31-12-107 with the area partly or wholly overlapping the area proposed for annexation by the first municipality. If this occurs, the respective rights of the several municipalities shall be determined in accordance with an election as provided in this section.

(2) All further proceedings for the annexation of the area claimed by both municipalities shall be held in abeyance pending the holding of an election of the landowners and the registered electors within such area as described in subsection (4) of this section for the purpose of determining to which municipality such electors prefer to annex. This election shall be held pursuant to the provisions of section 31-12-112, except as provided in this section.

(3) The second municipality indicating its intent to annex shall petition the district court of the county in which the area proposed to be annexed is located for the election provided for in subsection (2) of this section. Such petition shall be filed within thirty days after the effective date of the resolution of intent or the date of the filing of the petition described in subsection (1) of this section.

(4) All of the landowners and the registered electors in the area claimed by both municipalities shall be entitled to vote at said election. Any corporate landowner may by resolution designate one of its officers to cast its vote.

(5) (a) If the disputed area has less than two-thirds boundary contiguity with either municipality, the ballot shall contain two questions:

(I) "For Annexation" and "Against Annexation"; and

(II) "For annexation to(name of municipality first starting proceedings)..." and "For annexation to(name of municipality second starting proceedings):"

(b) If more than two municipalities dispute the same area, the ballot shall list each municipality in order of the date when it started proceedings under this part 1 and in the same form as specified in this section. If the disputed area does have more than two-thirds boundary contiguity with one of the municipalities, only the question in subparagraph (II) of paragraph (a) of this subsection (5) shall appear on the ballot. If both questions are to appear on the ballot, the notice of the election shall contain a statement that all of the landowners and the registered electors may vote on the second question irrespective of their votes on the first question.

(6) If, upon a canvass of the votes, it is found that a majority of the votes cast were against annexation, or that the vote on the issue of annexation is tied, or that the vote on which municipality should annex is tied, the court shall declare all annexation proceedings of both municipalities insofar as they relate to the disputed area to be void and of no effect, and both municipalities shall be barred from continuing with the current annexation proceedings insofar as they relate to such disputed area.

(7) If the vote is in favor of annexation, the municipality to which the landowners and the registered electors indicate their intention to annex may proceed to hold a hearing as provided in this part 1 and to comply with the other provisions of this part 1 with respect to the area claimed by both municipalities; if such area is found to comply with the applicable provisions of sections 31-12-104 and 31-12-105 and if the entire area proposed to be annexed has been in dispute, the subject election shall be deemed to comply with the provisions of sections 31-12-107 and 31-12-112 relative to an election of the landowners and the registered electors for areas having less than two-thirds boundary contiguity with the annexing municipality.

(8) If more than two municipalities claim a disputed area and a majority of the votes are cast in favor of one municipality, that municipality may proceed to hold a hearing as provided in this part 1 and to comply with the other provisions of this part 1 with respect to the area claimed by the several municipalities; but the subject election shall be deemed to comply with the provisions of sections 31-12-107 and 31-12-112 relative to an election of the landowners and the registered electors for areas having less than two-thirds boundary contiguity with the annexing municipality. If no municipality receives a majority, a runoff election between the two municipalities receiving the largest pluralities shall be held no sooner than four weeks and no longer than seven weeks after the date of the initial election to determine to which municipality the landowners and the registered electors desire to annex. Notice of such second election shall be given in the manner directed by the court. This election shall have the same effect as if it were the original election between the two municipalities involved.

(9) Notwithstanding any provision in this part 1 to the contrary, if the total area proposed for annexation or the disputed part thereof has more than two-thirds boundary

contiguity with one of the municipalities, that municipality shall have the right to annex the disputed area unless three-fourths of the total votes cast at the election favor annexation to another municipality.

(10) Unless the area claimed by more than one municipality constitutes more than one-third of the area proposed for annexation, inclusive of streets, to the first annexing municipality, nothing in this part 1 shall prevent a municipality from proceeding with the annexation of that part of the area described in its resolution which is not claimed by another municipality without waiting for the holding of the election described in this section. In the hearing required by sections 31-12-108 and 31-12-109 and the findings required by section 31-12-110, the issue shall be the compliance of the undisputed portion of the area proposed for annexation with the requirements and limitations of sections 31-12-104 and 31-12-105. If the annexation was initiated by petition under section 31-12-107 and if the requirements of said sections 31-12-104 and 31-12-105 are met, the annexing municipality shall submit the issue of annexation with the changed boundaries to an election of the landowners and the registered electors to be held in accordance with section 31-12-112.

(11) The costs of the election shall be paid by the municipalities which are disputing the annexation by the first annexing municipality. If more than one municipality is disputing such annexation, the costs shall be apportioned among such disputing municipalities on a just and equitable basis by the court supervising the election.

Editor's note: (1) This section is similar to former § 31-8-114 as it existed prior to 1975.

(2) Amendments to subsection (1) by House Bill 10-1259 and House Bill 10-1422 were harmonized.

ANNOTATION

Law reviews. For article, "ADR Techniques in Municipal Annexations", see 18 Colo. Law. 901 (1989).

Annotator's note. Since § 31-12-114 is similar to former § 31-8-114 prior to the 1975 repeal and reenactment of this title, a relevant case construing that provision has been included in the annotations to this section.

Annexation is strictly statutory. City of Westminster v. City of Northglenn, 178 Colo. 334, 498 P.2d 343 (1972).

Applied in Bd. of County Comm'rs v. City & County of Denver, 40 Colo. App. 281, 573 P.2d 568 (1977).

31-12-115. Zoning of land while annexation is under way - zoning of newly annexed land - subdivision of land while annexation is under way - regulatory impairments affecting newly annexed land used for agricultural purposes - notice - definitions. (1) An annexing municipality may institute the procedure outlined in state statutes or municipal charter to make land subject to zoning at any time after a petition for annexation or a petition for an annexation election has been found to be valid in accordance with the provisions of section 31-12-107. The proposed zoning ordinance shall not be passed on final reading prior to the date when the annexation ordinance is passed on final reading. If the zoning process is commenced prior to the effective date of the annexation ordinance, the legal protest area for zoning shall be determined solely on geographic location, irrespective of whether the land in such legal protest area is within or without or partly within and partly without the annexing municipality.

(2) If the municipality has a zoning ordinance, any area annexed on or after January 1, 1966, shall be brought under such zoning ordinance and map within ninety days after the effective date of the annexation ordinance, irrespective of any legal review which may be instituted pursuant to section 31-12-116.

(3) During such ninety-day period or such portion thereof required to comply with

subsection (2) of this section, the annexing municipality may refuse to issue any building or occupancy permit for any portion or all of the newly annexed area.

(4) Any provision in a zoning ordinance automatically applying a uniform zoning classification to all land which may be annexed in the future is void and of no effect as to any annexation completed on or after January 1, 1966.

(5) Any annexing municipality may institute the procedure outlined in its subdivision regulations to subdivide land in the area proposed to be annexed at any time after a petition for annexation or a petition for an annexation election has been found to be valid in accordance with the provisions of section 31-12-107. The ordinance accepting the proposed subdivision shall not be passed on final reading prior to the date when the annexation is passed on final reading.

(6) (a) Notwithstanding any other provision of law, whenever a municipality annexes an area that contains any portion of a public transportation right-of-way, a customary or regular use of which involves the movement of any agricultural vehicles and equipment, for the period during which land use within the annexed area is devoted to agricultural use and regardless of whether the annexed area has been zoned for agricultural uses, the municipality shall not adopt or enforce any ordinance or regulation affecting the right-of-way, whether arising in connection with zoning, rezoning, the regulation of traffic, or otherwise, so as to restrict such customary or regular use of the right-of-way that is in existence as of the time of the annexation. Nothing in this subsection (6) shall be construed as in any way restricting the municipality from adopting or enforcing traffic regulations that are either consistent with the customary or regular use of the right-of-way or are necessary for the safety of vehicular and pedestrian traffic using the right-of-way.

(b) In addition to any other applicable notice requirements provided by law, not less than thirty days prior to final adoption of an ordinance or regulation affecting the right-of-way in an annexed area that is devoted to agricultural use and regardless of whether the annexed area has been zoned for agricultural uses, the municipality shall send notice of the proposed ordinance or regulation to the following persons by means of the following methods:

(I) To any person who owns property in the annexed area that is contiguous to the right-of-way, by certified mail; and

(II) To such persons as appear on a list maintained by the municipality of interested persons who are to receive such notice by first-class mail. The name of any such person shall remain on the list until such time as the person requests removal of the person's name from the list.

(c) For purposes of this subsection (6), "agricultural vehicles and equipment" means any vehicle or equipment that is designed, adapted, or used for agricultural purposes.

Source: **L. 75:** Entire title R&RE, p. 1088, § 1, effective July 1. **L. 97:** (1) and (5) amended, p. 996, § 5, effective May 27. **L. 2004:** (6) added, p. 618, § 1, effective September 1.

Editor's note: This section is similar to former § 31-8-115 as it existed prior to 1975.

ANNOTATION

Annotator's note. Since § 31-12-115 is similar to former § 31-8-115 prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, relevant cases construing a prior provision have been included in the annotations to this section.

When a city annexes land from a county, the power to zone that land shifts to the city. *Bird v. City of Colo. Springs*, 176 Colo. 32, 489 P.2d 324 (1971).

In order to accommodate lands. The city is allowed to impose zoning restrictions on an-

nexed lands, after annexation, in order that those lands may be accommodated into the orderly growth patterns of the city. *Bird v. City of Colo. Springs*, 176 Colo. 32, 489 P.2d 324 (1971).

But this statute does not allow the city to impose arbitrary or automatic uniform zoning upon lands which it annexes in the future. *Bird v. City of Colo. Springs*, 176 Colo. 32, 489 P.2d 324 (1971).

Simultaneous passage of zoning and annexation ordinances. Since the statute states only that the zoning ordinance shall not be passed

prior to the annexation ordinance, the statute does not preclude the two ordinances from being passed at the same time. *Cline v. City of Boulder*, 168 Colo. 112, 450 P.2d 335 (1969).

A county building permit obtained prior to the involuntary annexation ordinance does not preclude the rezoning made by the city, because the majority rule in the United States is

that the owner must take some steps in reliance on the permit before his rights vest thereunder and a municipality may revoke permit where zoning in enacted or changed to prohibit the use and where the permittee has not materially changed his position in reliance on the permit. *Cline v. City of Boulder*, 168 Colo. 112, 450 P.2d 335 (1969).

31-12-116. Review. (1) (a) If any landowner or any registered elector in the area proposed to be annexed, the board of county commissioners of any county governing the area proposed to be annexed, or any municipality within one mile of the area proposed to be annexed believes itself to be aggrieved by the acts of the governing body of the annexing municipality in annexing said area to said municipality, such acts or findings of the governing body may be reviewed by certiorari in accordance with the Colorado rules of civil procedure. Such review proceedings shall be instituted in any district court having jurisdiction of the county in which the annexed area is located. In no event shall such a proceeding be instituted prior to the effective date of the annexing ordinance by the annexing municipality.

(b) If the annexed area is located within two or more counties, review proceedings may be brought in any district court having jurisdiction of any one of such counties. In all such certiorari proceedings under this part 1, the district court shall be presided over by a judge appointed by the chief justice of the supreme court of the state of Colorado, which judge shall not be from the judicial district in which the area proposed to be annexed is located nor from a judicial district contiguous thereto.

(2) (a) (I) All such actions to review the findings and the decision of the governing body shall be brought within sixty days after the effective date of the ordinance, and, if such action is not brought within such time, such action shall forever be barred.

(II) All such actions to review the findings and the decision of the governing body shall be subject to the following requirement, which is a condition precedent to the right to obtain judicial review under this section: Any party bringing such action shall first have filed a motion for reconsideration within ten days of the effective date of the ordinance finalizing the challenged annexation, which motion shall state with particularity the grounds upon which judicial review is sought.

(III) The district court shall schedule such actions for expedited hearing.

(IV) In the event that the person bringing an action pursuant to this section fails to substantially prevail, the court may award the municipality its reasonable attorney fees and costs of defense.

(b) In any action brought within the sixty-day limitation of paragraph (a) of this subsection (2) to review the annexation of an enclave pursuant to section 31-12-106 (1), the court may review the findings and determinations of the governing body in annexing any territory which, in whole or in part, resulted in the creation of the enclave. If the court finds that any such prior annexation resulted in the creation of a municipal boundary that consists of public rights-of-way as set forth in section 31-12-106 (1.1) (a) (I) or occurred without compliance with section 30 of article II of the state constitution as set forth in section 31-12-106 (1.1) (a) (II), it shall declare the annexation of the enclave to be void, but no such finding or decision shall affect the validity of the prior annexation.

(3) Review proceedings instituted under this section shall not be extended further than to determine whether the governing body has exceeded its jurisdiction or abused its discretion under the provisions of this part 1.

(4) Any annexation accomplished in accordance with the provisions of this part 1 shall not be directly or collaterally questioned in any suit, action, or proceeding, except as expressly authorized in this section.

(5) If the hearing has not been stenographically reported as provided in section 31-12-109 (2) and if the court determines, after proper investigation, that the minutes of the hearing are not adequate to form the basis for a determination of the issue in the certiorari proceedings, the court may proceed to try the issue de novo.

(6) All proceedings for judicial review of any annexation proceeding under this part 1 shall be advanced as a matter of immediate public interest and concern and heard at the earliest practical moment. The courts shall be open at all times for the purposes of this part 1.

ANNOTATION

- I. General Consideration.
- II. District Court's Jurisdiction.
- III. Aggrieved Persons.
- IV. Forty-five-day Limitation.
- V. Annexation Enjoined.

I. GENERAL CONSIDERATION.

Law reviews. For article, "One Year Review of Civil Procedure and Appeals", see 40 Den. L. Ctr. J. 66 (1963). For comment on *Tanner v. City of Boulder* (151 Colo. 283, 377 P.2d 945 (1962)), see 36 U. Colo. L. Rev. 288 (1964). For article, "ADR Techniques in Municipal Annexations", see 18 Colo. Law. 901 (1989).

Annotator's note. Since § 31-12-116 is similar to former § 31-8-116 prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, relevant cases construing a prior provision have been included in the annotations to this section.

No denial of due process in review procedure. The procedures for review in the Colorado act are not so fundamentally unfair as to constitute a denial of due process under the federal constitution. *Adams v. City of Colo. Springs*, 308 F. Supp. 1397 (D. Colo.), aff'd mem., 399 U.S. 901, 90 S. Ct. 2197, 26 L. Ed. 2d 555 (1970).

This section must be construed as a whole. *Green Valley Ranch Venture Co. v. District Court*, 186 Colo. 173, 526 P.2d 141 (1974).

Annexation is a legislative function and it is within legislative competence to prescribe who may challenge annexation proceedings, and within what time limits a challenge must be made. *City & County of Denver v. District Court*, 181 Colo. 386, 509 P.2d 1246 (1973).

Since by statute the general assembly has delegated the power to annex territory to a city, that power remains legislative in character. *Bd. of County Comm'rs v. City & County of Denver*, 37 Colo. App. 395, 548 P.2d 922 (1976).

Unlimited legislative power over annexation. In the absence of express constitutional provisions to the contrary, the general assembly

has unlimited power over annexation of territory by municipalities. *Fort Collins-Loveland Water Dist. v. City of Fort Collins*, 174 Colo. 79, 482 P.2d 986 (1971).

Read in conjunction with § 31-12-120. The legislative intent is clear, and § 31-12-113 and this section must be read in conjunction with § 31-12-120. *Bd. of County Comm'rs v. City & County of Denver*, 190 Colo. 347, 547 P.2d 249 (1976).

Review procedure proper for state control. The question of what procedures should be provided for review of annexations is primarily a matter within the discretion of the general assembly, provided that the review procedures are not so arbitrary and unreasonable as to constitute a denial of due process, and since the state has provided and determined the powers, methods, and procedures for annexation of property by municipal corporations and the safeguards thought necessary to protect against abuse, such a subject is a proper one for state control. *Adams v. City of Colo. Springs*, 308 F. Supp. 1397 (D. Colo.), aff'd mem., 399 U.S. 901, 90 S. Ct. 2197, 26 L. Ed. 2d 555 (1970).

Judicial review of annexations is a special statutory proceeding. *Fort Collins-Loveland Water Dist. v. City of Fort Collins*, 174 Colo. 79, 482 P.2d 986 (1971).

And is limited. Annexation review is a special statutory proceeding and is limited to a determination of whether the city council has "exceeded its jurisdiction or abused its discretion". *Bd. of County Comm'rs v. City & County of Denver*, 37 Colo. App. 395, 548 P.2d 922 (1976); *Bd. of County Comm'rs v. City of Aurora*, 62 P.3d 1049 (Colo. App. 2002).

Judicial review of an annexation is a special statutory procedure and is limited to whether the town's board of trustees exceeded its jurisdiction or abused its discretion. *TCD North, Inc. v. City Council, Greenwood Vill.*, 713 P.2d 1320 (Colo. App. 1985); *Midcities Co. v. Town of Superior*, 916 P.2d 595 (Colo. App. 1995), aff'd, 933 P.2d 596 (Colo. 1997).

A motion for reconsideration must be filed no later than 10 days after the effective date

of the ordinance finalizing the challenged annexation under the language of subsection (2)(a)(II). Bd. of County Comm'rs v. City of Lakewood, 813 P.2d 793 (Colo. App. 1991).

On review, great latitude must be accorded the legislative discretion, and every reasonable presumption in favor of validity of the action of the city must be indulged. Bd. of County Comm'rs v. City & County of Denver, 37 Colo. App. 395, 548 P.2d 922 (1976); Bd. of County Comm'rs v. City of Aurora, 62 P.3d 1049 (Colo. App. 2002).

The court is generally limited to determining whether the act's procedural mandates have been met and must indulge every reasonable presumption favoring the validity of the annexation. Bd. of County Comm'rs v. City of Aurora, 62 P.3d 1049 (Colo. App. 2002).

The rules of civil procedure do not apply insofar as they are inconsistent with special statutory law. City of Westminster v. District Court, 167 Colo. 263, 447 P.2d 537 (1968).

Subsection (1)(a) creates a substantive legal status for review of annexation proceedings and preempts the rules of civil procedure insofar as they are inconsistent with the statute. Berry Props. v. City of Commerce City, 667 P.2d 247 (Colo. App. 1983).

Special review procedure. The general assembly, rather than arrogate unto itself the right to establish an annexation review procedure, has adopted a specific procedure from the rules promulgated by the supreme court. Fort Collins-Loveland Water Dist. v. City of Fort Collins, 174 Colo. 79, 482 P.2d 986 (1971).

Annexation ordinance on review not presumed valid. Under this section, where the question to be determined in an annexation proceeding is whether the land involved has been lawfully annexed, the presumption of the validity of an ordinance does not apply, it being a defense only which shifts the burden of proof to a challenger in the pleadings and trial. People ex rel. City & County of Denver v. County Court, 137 Colo. 436, 326 P.2d 372 (1958).

Findings of ultimate fact by city council are sufficient to support annexation on review when based on uncontradicted evidence. TCD North, Inc. v. City Council of Greenwood, 713 P.2d 1320 (Colo. App. 1985).

Applied in Colo. Land Use Comm'n v. Bd. of County Comm'rs, 199 Colo. 7, 604 P.2d 32 (1979).

II. DISTRICT COURT'S JURISDICTION.

Venue. Review proceedings may be brought in either the district court of the county in which the land was situated prior to annexation or in the district court of the county in which the land is located after annexation. Green Valley Ranch

Venture Co. v. District Court, 186 Colo. 173, 526 P.2d 141 (1974).

The district court, composed of all of the district judges, is granted jurisdiction to hear an appeal from an annexation proceeding if the county wherein the annexed territory is located is in the judicial district. Johnston v. City Council, 177 Colo. 223, 493 P.2d 651 (1972).

In this statute the use of the word "such" indicates that an "outside" judge need only be appointed when an annexation proceeding involves property in more than one county. Johnston v. City Council, 177 Colo. 223, 493 P.2d 651 (1972).

Court reviews area eligibility and compliance with procedures. The function of a county court in annexation proceedings is to provide a forum in order to insure first, that the area is eligible and, second, that the procedural requirements of the statute have been fully complied with. City of Littleton v. Wagenblast, 139 Colo. 346, 338 P.2d 1025 (1959).

Only grounds for invalidation. The district court cannot pass upon the wisdom of the annexation itself, nor can it invalidate any annexation for a reason other than a failure to comply with the provisions of the article. City of Englewood v. Daily, 158 Colo. 356, 407 P.2d 325 (1965).

Court hearing due to complexity. Since the annexation proceedings are somewhat intricate this complexity demonstrates the need for a district court hearing for the purpose of testing its sufficiency. City of Littleton v. Wagenblast, 139 Colo. 346, 338 P.2d 1025 (1959).

This section does not vest in a district court plenary powers to grant relief in accordance with the justice or equities of the individual case. City of Littleton v. Wagenblast, 139 Colo. 346, 338 P.2d 1025 (1959).

Nor does this section confer jurisdiction on a district court to hear appeals of individual property owners following annexation and to grant or deny disconnection based upon a county court's uncontrolled discretion. City of Littleton v. Wagenblast, 139 Colo. 346, 338 P.2d 1025 (1959).

There exists no inherent power in the courts to grant disconnection of property annexed to a city, such power is essentially legislative, and absent an express statutory authorization the courts possess no power to detach territory from a municipality. City of Littleton v. Wagenblast, 139 Colo. 346, 338 P.2d 1025 (1959).

Problems for legislative correction. The fact that the state statutes did not provide in more detail how to solve the problems of taxation and refunds, voting and building restrictions, where an annexation ordinance was later held to be invalid, were problems better addressed to the general assembly than to the courts. City &

County of Denver v. Bd. of County Comm'rs, 141 Colo. 102, 347 P.2d 132 (1959).

III. AGGRIEVED PERSONS.

Only "any landowners or any qualified elector in the territory proposed to be annexed" may seek review. Fort Collins-Loveland Water Dist. v. City of Fort Collins, 174 Colo. 79, 482 P.2d 986 (1971); City of Westminster v. City of Northglenn, 178 Colo. 334, 498 P.2d 343 (1972).

All landowners in an area to be annexed were not indispensable parties to an action challenging the annexation. Bd. of County Comm'rs v. City & County of Denver, 193 Colo. 321, 566 P.2d 340 (1977).

And no standing if excluded from area subject to annexation. Landowners do not have standing to challenge the validity of annexation proceedings where their properties are excluded from the area subject to the annexation, as they cannot complain of the proposed annexation of property owned by others. Richter v. City of Greenwood Vill., 40 Colo. App. 310, 577 P.2d 776 (1978).

It was held that a county had such an interest in the detachment of its territory as to be a "person aggrieved" under the statute where it was charged that the annexation was invalid. City & County of Denver v. Miller, 151 Colo. 444, 379 P.2d 169 (1963); Elkins v. City & County of Denver, 157 Colo. 252, 402 P.2d 617 (1965).

A resident of an unincorporated area, but not of the particular tract to be detached by annexation proceedings, is not a person aggrieved thereby, since such person does not suffer a detriment peculiar to himself as distinguished from detriment shared by all property owners in the governmental unit. City & County of Denver v. Miller, 151 Colo. 444, 379 P.2d 169 (1963); Smith v. City of Aurora, 153 Colo. 204, 385 P.2d 129 (1963).

Initial annexing city not "aggrieved". Where owners of a tract entered into agreements with a city to annex tract and to furnish water service to the land, but on the following day the city council of another city accepted a petition for an annexation election, the city in the position of the first city is not one of those specified in this section who may seek review of the action of city council. Breternitz v. City of Arvada, 174 Colo. 56, 482 P.2d 955 (1971).

Municipality lacked standing to contest annexation because it was not within one mile of the area that was annexed. Town of Berthoud v. Town of Johnstown, 983 P.2d 174 (Colo. 1999).

While municipality within one mile of the proposed annexations that believes itself to be aggrieved has standing to the extent it is actually aggrieved, said municipality does not

have unfettered standing to raise issues on behalf of anyone else. Town of Erie v. Town of Frederick, 251 P.3d 500 (Colo. App. 2010).

Plaintiff outside of statutory category lacks standing. This section expressly limits the right of review to certain categories of plaintiffs. Where plaintiffs are not within those categories, they do not have standing to seek review. Berry Props. v. City of Commerce City, 667 P.2d 247 (Colo. App. 1983).

Standing to challenge zoning does not give standing to challenge annexation. Nothing in the annexation act limits the right to judicial review of zoning procedures to landowners or qualified electors within territory annexed under the annexation act. But it does not follow that standing to challenge zoning gives standing to challenge annexation. Snyder v. City Council, 35 Colo. App. 32, 531 P.2d 643 (1974).

Standing to challenge zoning and standing to challenge annexation are quite different matters. City of Thornton v. Bd. of County Comm'rs, 42 Colo. App. 102, 595 P.2d 264 (1979), aff'd, 629 P.2d 605 (Colo. 1981).

IV. FORTY-FIVE-DAY LIMITATION.

The 45-day provision is jurisdictional. Snyder v. City Council, 35 Colo. App. 32, 531 P.2d 643 (1974).

If an action is not brought within the 45-day time limitation, the court has no jurisdiction to entertain the action. City and County of Denver v. District Court, 181 Colo. 386, 509 P.2d 1246 (1973).

Commencement of an action within the 45-day time period is necessary before a trial court has any jurisdiction to entertain an action which challenges a municipal annexation. Bd. of County Comm'rs v. City & County of Denver, 190 Colo. 300, 546 P.2d 497 (1976).

A complaint filed more than 45 days after the effective date of the ordinance must be dismissed. Val d'Gore, Inc. v. Town Council, 193 Colo. 311, 566 P.2d 343 (1977).

The 45-day period under subsection (2) did not begin to run until the enactment of an ordinance amending the original annexation ordinance where an erroneous property description was repeated throughout the election petitions, the election notices, and the original ordinance, thereby depriving potentially interested parties of an opportunity to contest the annexation of their property. Val d'Gore, Inc. v. Town Council, 193 Colo. 311, 566 P.2d 343 (1977).

Not a statute of limitations. The 45-day provision of subsection (2) is not a true statute of limitations, because the time limitation is jurisdictional, and unlike other statutes of limitations, as a matter of public policy, it cannot be tolled or waived. Fort Collins-Loveland Water Dist. v. City of Fort Collins, 174 Colo. 79, 482

P.2d 986 (1971); *Richter v. City of Greenwood Vill.*, 40 Colo. App. 310, 577 P.2d 776 (1978).

In effect, the 45-day provision is a condition precedent to the exercise of the right to challenge an annexation, and when it appears on the face of the complaint, or is admitted, the complaint simply does not state a claim upon which relief can be granted, the claim is barred, and the court has no jurisdiction of the subject matter, and can, for that reason, grant a motion to dismiss on this ground. *Fort Collins-Loveland Water Dist. v. City of Fort Collins*, 174 Colo. 79, 482 P.2d 986 (1971).

Favors finality. By enacting the 45-day time limitation set forth in this section the general assembly has pursued a deliberate policy of favoring the finality of an annexation even though there may have existed some ground for attacking the annexation. *Bd. of County Comm'rs v. City & County of Denver*, 190 Colo. 300, 546 P.2d 497 (1976).

Limitation recognizes that boundary lines be expeditiously and finally determined. Implicit in the 45-day time limitation imposed by this section is a recognition of the desirability that municipal boundary lines be expeditiously and finally determined in order that the responsibility for providing municipal services and the applicability of municipal ordinances and regulations may be known to those affected. *City and County of Denver v. District Court*, 181 Colo. 386, 509 P.2d 1246 (1973).

Applicable to challenge to repeal of annexation ordinance. No legislative intent appears in the municipal annexation act which would exclude from the 45-day time limitation a court challenge involving a municipality's capacity to repeal an annexation ordinance. *Bd. of County Comm'rs v. City & County of Denver*, 190 Colo. 300, 546 P.2d 497 (1976).

No time waiver. Just as no discretion is afforded the annexing municipality as to the application of ordinances, it has none with reference to the waiver of the time limitation for the challenge to the validity of the annexation ordinance. *Fort Collins-Loveland Water Dist. v. City of Fort Collins*, 174 Colo. 79, 482 P.2d 986 (1971).

V. ANNEXATION ENJOINED.

Proceedings by a city to annex territory can only be enjoined where they are in excess of the powers of a city. *City & County of Denver v. Bd. of County Comm'rs*, 141 Colo. 102, 347 P.2d 132 (1959).

Legislative function cannot be enjoined. The general rule is that a municipal corporation, in the exercise of legislative power with relation to the subjects committed to its jurisdiction, can no more be enjoined than can the general assembly of the state. *City & County of Denver v. Bd. of County Comm'rs*, 141 Colo. 102, 347 P.2d 132 (1959).

31-12-117. Effect of review and of voiding of annexation ordinance by court order.

(1) After the effective date of an annexation ordinance, the annexing municipality shall apply all pertinent ordinances to the annexed area, irrespective of any proceedings for judicial review.

(2) In the event that the district court enters a final judgment, as defined in rule 54 (a), Colorado rules of civil procedure, declaring the annexation proceedings void, no acts taken in compliance with or pursuant to the charter, ordinances, or regulations of the annexing municipality shall be voided thereby, even though such acts are not in compliance with applicable county requirements or the requirements of other municipal or quasi-municipal corporations having jurisdiction over the area affected by such judicial proceedings. Such acts shall include, among others, subdivision platting and the construction and occupancy of improvements. A judicial declaration voiding an annexation shall not invalidate the levy and collection of any taxes, license fees, or charges collected or imposed by the annexing municipality prior to such final judgment.

(3) The provisions of subsection (2) of this section shall apply with equal force and validity to judicial review of any annexation proceedings which have affected the boundaries of any county or city and county; except that, within ninety days after the effective date of such a final judgment, the county clerk and recorder of the county or city and county to which the area was attempted to be annexed shall transmit to the county clerk and recorder of the county to which the territory was returned as a result of the judicial determination of the invalidity of the annexation proceedings a copy of each approved subdivision plat, which copy shall then be recorded without charge in the records of the county to which the territory was so returned.

(4) The execution of any final judgment by the district court in any judicial review of an annexation proceeding shall automatically be stayed upon the filing of the record on appeal as provided by law and the Colorado appellate rules, and no application for supersedeas shall be necessary. Such stay shall continue in full force and effect pending final disposition of the proceedings on appeal.

Source: L. 75: Entire title R&RE, p. 1090, § 1, effective July 1.

Editor's note: This section is similar to former § 31-8-117 as it existed prior to 1975.

ANNOTATION

Annotator's note. Since § 31-12-117 is similar to § 31-8-117 prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, relevant cases construing a prior provision have been included in the annotations to this section.

Section held constitutional. *Cline v. City of Boulder*, 168 Colo. 112, 450 P.2d 335 (1969).

The general assembly was required to provide the specific guidelines that it did pending review proceedings, lest the disputed territory be left suspended in some no-man's land, with the citizenry of the territory left without clearly defined governmental services or obligations to any governmental entity. *City of Westminster v. District Court*, 167 Colo. 263, 447 P.2d 537 (1968).

Subsection (1) is a proper exercise of legislative authority to establish status of disputed annexed territory pending judicial review. *City Council v. Bd. of Dirs. of S. Sub. Metro. Recreation & Park Dist.*, 181 Colo. 334, 509 P.2d 317 (1973).

And is mandatory. No discretion is afforded the annexing municipality, because subsection (1) of this section is mandatory and therefore, absent a finding of inapplicability or unconstitutionality, the district court lacked jurisdiction to order the city to disobey the clear mandate of the statute. *City of Westminster v. District Court*, 167 Colo. 263, 447 P.2d 537 (1968).

Stay order unavailable. While the courts have power to issue stay orders in certiorari proceedings, statutes may modify or abrogate that power, and in the annexation statutes it is clear that the general assembly intended to preclude the issuance of a stay order pending appeal of the annexation proceedings. In this respect they were not legislating on procedure but declaring by substantive law a legal status. *City*

of Westminster-v. District Court, 167 Colo. 263, 447 P.2d 537 (1968).

And while legality of annexation proceedings is being challenged in court, the disputed territory remains in the city subject to city taxes and assessments and is entitled to all city services. *City Council v. Bd. of Dirs. of S. Sub. Metro. Recreation & Park Dist.*, 181 Colo. 334, 509 P.2d 317 (1973).

Until an annexation is finally determined to be void, the disputed territory remains a part of the annexing municipality. *City & County of Denver v. Bd. of Dirs.*, 38 Colo. App. 53, 554 P.2d 714 (1976).

Where the annexation is finally declared void, subsequent annexations which were passed immediately following the voided annexation and which were dependent upon the voided annexation for contiguity, are likewise void. The provisions of subsection (2) merely grant the annexing municipality governmental powers during the period of judicial review and if the annexation is finally declared void, the acts of the annexing municipality can have no further effect on the land in question. *Bd. of County Comm'rs v. City of Lakewood*, 813 P.2d 793 (Colo. App. 1991).

No recovery of taxes. Under the Colorado annexation act, even if the procedures are declared to be unconstitutional, taxes which have been levied cannot be recovered. *Adams v. City of Colo. Springs*, 308 F. Supp. 1397 (D. Colo.), *aff'd mem.*, 399 U.S. 901, 90 S. Ct. 2197, 26 L. Ed. 2d 555 (1970).

For collection and distribution of property taxes in disputed area during year in which annexation voided, see *City & County of Denver v. Bd. of County Comm'rs*, 661 P.2d 1185 (Colo. App. 1982).

Applied in *McKee v. City of Louisville*, 200 Colo. 525, 616 P.2d 969 (1980).

31-12-118. Priority of annexation proceedings. (1) The purpose of this section is to give a first priority to annexation proceedings unless certain incorporation proceedings described in this section are commenced for all or part of the area subject to such annexation proceedings.

(2) (a) Except as otherwise provided in paragraph (b) of this subsection (2), when a governing body receives a petition for annexation pursuant to section 31-12-107 (1) or a petition for an election on the question of annexation pursuant to section 31-12-107 (2), no other proceedings shall be commenced or prosecuted for the annexation or incorporation of the same area or any part thereof and no other proceedings shall be commenced or prosecuted for the creation of any quasi-municipal corporation in the same area or any part thereof until the question of annexing such area pursuant to any such petition has been finally determined. Nothing in this subsection (2) shall prevent a duly established special service district lawfully organized under part 5 or 6 of article 25 of this title, article 8 of title

29, C.R.S., part 2 of article 20 of title 30, C.R.S., or title 32 (except article 8), C.R.S., from receiving and prosecuting a petition for the inclusion of the same area or any part thereof within the boundaries of any such special service district during any pending annexation proceeding.

(b) A governing body shall hold annexation proceedings in abeyance if, on or after the date a petition for annexation pursuant to section 31-12-107 (1) or a petition for an election on the question of annexation pursuant to section 31-12-107 (2) is filed, a petition for incorporation of the same area or any part thereof is filed pursuant to part 1 of article 2 of this title and such area contains more than seventy-five thousand inhabitants.

(3) The fact that proceedings for the incorporation of an area have been commenced prior to the filing of a petition for annexation under section 31-12-107 (1) or prior to the filing of a petition for an election on the question of annexation under section 31-12-107 (2) shall in no way affect such proceedings for the annexation of all or part of the same area, and any such incorporation proceedings shall be held in abeyance until the question of annexation has been finally determined. Similarly the fact that proceedings for the creation of a quasi-municipal corporation have been commenced prior to the filing of a petition for annexation under section 31-12-107 (1) or the filing of a petition for an election on the question of annexation under section 31-12-107 (2) shall in no way affect such proceedings for the annexation of all or part of the same area, and any such proceedings for the creation of quasi-municipal corporations shall be held in abeyance until the question of annexation has been finally determined.

(4) This section shall not apply if the petition for annexation under said section 31-12-107 (1) or the petition for an election on the question of annexation under said section 31-12-107 (2) is first filed with the governing body within the ten days next preceding the date set for an election on the question of incorporation or an election on the question of the creation of a quasi-municipal corporation in part or all of the same area, nor shall this section apply to any incorporation petition involving an area which contains more than ten thousand inhabitants.

(5) In the event of any lawsuit challenging the provisions of this section or their applicability to any situation, such legal proceedings shall be advanced on the docket as a matter of immediate public interest and concern and shall be heard at the earliest practical moment.

Source: **L. 75:** Entire title R&RE, p. 1090, § 1, effective July 1. **L. 81:** (2) amended, p. 1614, § 15, effective July 1. **L. 99:** (1) and (2) amended, p. 1, § 2, effective February 1.

Editor's note: This section is similar to former § 31-8-118 as it existed prior to 1975.

ANNOTATION

Subsection (2) of this section, as amended in 1999, is not unconstitutional. The 1999 act does not violate the special legislation, retrospectivity, or impairment of contract provisions of the Colorado Constitution. *Greenwood Vill. v. Petitioners for Proposed City of Centennial*, 3 P.3d 427 (Colo. 2000).

Section gives annexation proceedings priority over incorporation procedures and thereby expresses a clear preference for consolidation over fragmentation. In re *Incorporation of Town of Eastridge v. City of Aurora*, 198 Colo. 440, 601 P.2d 1374 (1979) (decided prior to 1999 amendment).

Requirements for subsection (2) cessation of proceedings. Unless the petitions for annex-

ation are found to be in compliance with the provisions of the annexation act, they do not trigger a cessation of all other annexation proceedings pursuant to subsection (2). *Slack v. City of Colo. Springs*, 655 P.2d 376 (Colo. 1982).

Rejected petitions may not be revived by amendment. Once petitions are rejected as defective, it is not possible to revive them by subsequent amendment. *Slack v. City of Colo. Springs*, 655 P.2d 376 (Colo. 1982).

Applied in *Bd. of County Comm'rs v. City & County of Denver*, 40 Colo. App. 281, 573 P.2d 568 (1977).

31-12-118.5. Effect of incorporation proceedings in an area of more than seventy-five thousand inhabitants - annexation ordinance - legislative declaration. (1) The general assembly hereby finds and declares that:

(a) Incorporation of areas containing more than seventy-five thousand inhabitants into new municipalities furthers the goal of orderly growth of urban communities and achieves the purposes stated in section 31-12-102;

(b) Municipal incorporations of areas containing such population present viable municipal communities and are favored over municipal annexations that may fragment affected communities and reduce or eliminate the ability to provide municipal government, services, and facilities to those communities;

(c) The current municipal annexation and incorporation laws do not adequately expressly address the priority to be given municipal incorporation of areas containing such population;

(d) This section and section 31-12-118 (2) (b) are necessary to provide remedial direction regarding the jurisdiction of municipalities to subject areas containing such population to municipal annexation and, therefore, that each section shall apply on and after February 1, 1999, to all annexation proceedings that are pending or subject to judicial review or appeal commenced pursuant to sections 31-12-116 and 31-12-117 whether or not such review or appeal is sought;

(e) The enactment of this section and section 31-12-118 (2) (b) is not violative of section 11 of article II of the Colorado constitution with respect to annexation proceedings that are pending or subject to judicial review or appeal on February 1, 1999, since:

(I) Section 11 of article II of the Colorado constitution applies solely to statutes that take away or impair a vested right acquired under existing laws or that impose a new duty or create a new obligation with respect to completed transactions or considerations;

(II) No person has a vested right in any annexation proceedings that are pending or subject to judicial review or appeal on February 1, 1999, that will be impaired by this section or section 31-12-118 (2) (b); and

(III) This section and section 31-12-118 (2) (b) do not impose a new duty or create a new obligation with respect to any municipal annexation that is completed and that is final and no longer subject to judicial review or appeal.

(2) (a) If a petition for an incorporation election is filed pursuant to part 1 of article 2 of this title, then no annexation ordinance that annexes all or any part of the area included in such petition shall be deemed final. This subsection (2) shall apply only if such area proposed for incorporation contains more than seventy-five thousand inhabitants and such petition is filed:

(I) Prior to the expiration of the sixty-day limitation on review proceedings contained in section 31-12-116 (2) (a); or

(II) After a review proceeding on such annexation ordinance has been commenced pursuant to section 31-12-116 and prior to the date of a judicial declaration or final judgment, including an appellate judgment, on such review proceeding.

(b) If such incorporation election is approved by a court order entered pursuant to section 31-2-103, then such annexation ordinance shall be deemed void with respect to any area that is incorporated pursuant to such election.

Source: L. 99: Entire section added, p. 2, § 3, effective February 1.

ANNOTATION

This section is not unconstitutional and applies to all conflicting incorporation and annexation cases that were pending when it was enacted. This section does not violate the special legislation, retrospectivity, or impair-

ment of contract provisions of the Colorado Constitution. *Greenwood Vill. v. Petitioners for Proposed City of Centennial*, 3 P.3d 427 (Colo. 2000).

31-12-119. Disconnection of territory because of failure to serve. The landowners of any tract or contiguous tracts of land aggregating five acres or more located on a boundary

of the municipality at the time of the disconnection action may, three or more years after annexation, petition for disconnection from the municipality if such municipality does not, upon demand, provide the same municipal services on the same general terms and conditions as the rest of the municipality receives. The procedure for such disconnection shall be as set forth in parts 6 and 7 of this article, insofar as consistent with this section. To the extent that such parts are inconsistent with this section, the provisions of this section shall prevail when the action is based on failure of the municipality to serve an annexed area.

Source: L. 75: Entire title R&RE, p. 1091, § 1, effective July 1.

Editor's note: This section is similar to former § 31-8-119 as it existed prior to 1975.

ANNOTATION

Annexations "condition" does not relieve municipality of statutory obligations. An annexation "condition", that the municipality would not be required to supply water to the annexed subdivision, does not relieve the municipality of its statutory obligation to provide

the subdivision with "the same municipal services on the same general terms and conditions as the rest of the municipality receives". *Morgan v. Town of Palmer Lake*, 44 Colo. App. 134, 608 P.2d 852 (1980).

31-12-120. Court approval required for certain annexations. (1) Any annexation which would have the effect of detaching part of the area of an existing school district shall not become effective prior to court approval as specified in this section; except that this subsection (1) shall not apply to an enclave area which has five hundred or less inhabitants nor to any annexation the petition for which is signed by one hundred percent of the landowners in the area proposed to be annexed.

(2) In the event of an annexation as set forth in subsection (1) of this section, the annexing municipality, within ten days following the election as provided in section 31-12-107 or the adoption of the ordinance as provided in section 31-12-106, shall give written notice of intention to annex, pursuant to this part 1, to the board of education of the school district from which it is proposed that the area will be detached.

(3) Within thirty days after the notice of annexation proceedings specified in subsection (2) of this section is delivered to the board of education, the annexing municipality shall petition the district court in accordance with the jurisdictional requirements set forth for review of the governing body's actions in section 31-12-116 (1) for the granting or denial of the requisite court approval to consummate annexation. The petition shall name the board of education as party defendant.

(4) The court shall determine:

(a) On the basis of the most recent assessment, the aggregate valuation for assessment of all property in the school district and the aggregate valuation for assessment of all property in the territory proposed to be annexed; and

(b) On the basis of the most recent enrollment records of the school district, the aggregate number of pupils enrolled in the school district and the aggregate number of pupils so enrolled who live in the area proposed to be annexed.

(5) If the pupil percentage (the percentage of all enrolled pupils that is reflected by all enrolled pupils living in the area proposed to be annexed, carried to four decimal places) is less than three-fifths of the property percentage (the percentage of aggregate valuation for assessment of all property that is reflected by property lying within the area proposed to be annexed), the court shall disapprove the proposed annexation, and such annexation shall not become effective; except that the court shall not be required to disapprove a proposed annexation if it finds that ninety percent of the aggregate valuation for assessment of property in the area to be annexed consists of unimproved land. In no event shall the court

approve a proposed annexation which, together with the valuation for assessment of all other property detached from a school district in any one calendar year, exceeds five percent of the aggregate valuation for assessment of all property in the school district.

Source: L. 75: Entire title R&RE, p. 1091, § 1, effective July 1.

Editor's note: This section is similar to former § 31-8-120 as it existed prior to 1975.

ANNOTATION

Annotator's note. Since § 31-12-120 is similar to former § 31-8-120 prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, a relevant case construing a prior provision has been included in the annotations to this section.

The legislative intent is clear, and §§ 31-12-113 and 31-12-116 must be read in conjunction with this section. Bd. of County Comm'rs v. City & County of Denver, 190 Colo. 347, 547 P.2d 249 (1976).

Court approval was unnecessary where an annexation petition was signed by a tenant-in-common holding an undivided interest in the land annexed. Bd. of County Comm'rs v. City & County of Denver, 193 Colo. 325, 566 P.2d 335 (1977).

Applied in Bd. of County Comm'rs v. City & County of Denver, 193 Colo. 211, 565 P.2d 212 (1977).

31-12-121. Provision of municipal services to outside consumers - agreement to annex. Any municipality, as a condition precedent to the supplying of municipal services pursuant to contract, may require a contemporary agreement by such consumers, who are owners in fee of real property so supplied, to apply for or consent to the annexation of the area to be supplied with such municipal services to the supplying municipality at such future date as the area supplied, or any portion thereof, becomes eligible for annexation pursuant to the provisions of this part 1. The agreement to annex shall be enforceable by an action for specific performance filed in the district court of the judicial district containing all or part of the supplying municipality. A memorandum of such agreement, setting forth the names of the owners in fee of real property supplied and the legal description of such area, shall be recorded in the office of the county clerk and recorder of the county in which such area is located and shall constitute constructive notice of such agreement to all persons not parties thereto. In no event shall the board of directors of any quasi-municipal corporation organized under part 5 or 6 of article 25 of this title, article 8 of title 29, part 2 of article 20 of title 30, or title 32 (except article 8), C.R.S., or any other law of this state be permitted to obligate or require property owners within any such district to sign any such agreement in order to obtain water service from a municipality.

Development in Colorado", see 54 U. Colo. L. Rev. 447 (1983).

31-12-122. Relation of this part 1 to other laws. The powers conferred and limitations imposed by this part 1 shall be in addition and supplemental to and not in substitution for powers conferred by any other law.

Source: L. 75: Entire title R&RE, p. 1093, § 1, effective July 1.

Editor's note: This section is similar to former § 31-8-122 as it existed prior to 1975.

31-12-123. Applicability to city and county of Denver. Notwithstanding any provisions of this article to the contrary, this article shall not apply to the city and county of Denver.

Source: L. 86: Entire section added, p. 1035, § 2, effective July 1.

PART 2

ANNEXATION OF ADJACENT AREA UPON REORGANIZATION

31-12-201. Including adjacent area upon reorganization. (1) When a city or town incorporated prior to July 3, 1877, proceeds to abandon its prior organization and to reorganize under the provisions of part 3 of article 2 of this title, it may include within the boundaries of such reorganized municipality all or any part of contiguous area if:

(a) The contiguous area has been laid off or platted in accordance with the provisions of this title;

(b) The owner of such area has not constituted the same as an addition to such city or town;

(c) The area is not situate within another municipality.

(2) In such cases, the boundaries of all of such city or town, including such contiguous territory, shall be set forth in the petition described in part 3 of article 2 of this title, and all registered electors residing within those boundaries shall be entitled to vote at the election to be conducted under the provisions of said part 3 of article 2.

Source: L. 75: Entire title R&RE, p. 1093, § 1, effective July 1.

Editor's note: This section is similar to former § 31-4-107 as it existed prior to 1975.

PART 3

DISSOLUTION AND ANNEXATION (SPECIAL CHARTERS)

31-12-301. Annexation to charter city. When any city or town is contiguous to any city existing under any special charter of this state or the territory of Colorado, which charter was issued prior to July 3, 1877, and in such special charter it is provided that when any such city or town, in pursuance of any law of this state, is dissolved or becomes annexed to the city existing under a special charter and the area included within such city or town existing under general laws becomes part of the city existing under a special charter, the city or town may be annexed to and become part of the city existing under a special charter in the manner set forth in this part 3.

Source: L. 75: Entire title R&RE, p. 1093, § 1, effective July 1.

Editor's note: This section is similar to former § 31-8-201 as it existed prior to 1975.

ANNOTATION

Law reviews. For article, "Colorado Income Tax Act of 1964", see 41 Den. L. Ctr. J. 337 (1964).

Annotator's note. Since § 31-12-301 is similar to former § 31-8-201 prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, relevant cases construing those provisions have been included in the annotations to this section.

This and the following sections on annexation are not unconstitutional. Valverde v.

Shattuck, 19 Colo. 104, 34 P. 947, 41 Am. St. R. 208 (1893).

This and the following sections have a single object - the dissolution of incorporated towns and cities for the purpose of annexing their territory to another city. In a word, the object is annexation, and the dissolution is preliminary to, and inseparable from, annexation; and those provisions which prescribe the means and procedure to be pursued, are incidental or auxiliary to the same end, so, also, the remaining

provisions are dependent upon and follow the accomplishment of the single object, annexation. *Valverde v. Shattuck*, 19 Colo. 104, 34 P. 947, 41 Am. St. R. 208 (1893).

Proceedings for the annexation of a city to the city and county of Denver are governed

by § 1 of art. XX, Colo. Const., and this section, not § 3 of art. XIV, Colo. Const. *Simon v. Arapahoe County*, 80 Colo. 445, 252 P. 811 (1927).

31-12-302. Petition - order of court. A petition signed by not less than twenty percent of the qualified taxpaying electors of such city or town for the dissolution of such city or town and the annexation of the same to the city existing under a special charter may be filed in the office of the clerk of the district court for the county in which the city or town is situated. The petition, or any part thereof, shall be accompanied by an affidavit of one or more of the petitioners showing that the signers are qualified taxpaying electors of such city or town and shall be prima facie evidence of the matters therein set forth. Upon the filing of such petition and upon the consent of the special charter city being shown by published ordinance, the district court shall make an order reciting the substance of the petition and requiring the governing body of such city or town to submit the question of such dissolution and annexation at the next regular election or at a special election of such city or town, as provided in section 31-12-305, to a vote of the registered electors thereof. The order shall be served by delivering a copy thereof to any member of the governing body of such city or town and shall be filed in the office of the clerk of such city or town.

Source: L. 75: Entire title R&RE, p. 1093, § 1, effective July 1.

Editor's note: This section is similar to former § 31-8-202 as it existed prior to 1975.

ANNOTATION

Annotator's note. Since § 31-12-302 is similar to former § 31-8-202 prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, relevant cases construing those provisions have been included in the annotations to this section.

Special statutory proceeding. The proceeding which this section requires shall be instituted, carried on, and consummated, as the means of dissolving one municipality and annexing the same to another, is unquestionably a special statutory proceeding as distinguished from an ordinary action at law, or suit in equity, but it is a judicial proceeding, manifestly a proceeding in the court and by the court. *Martin v. Simpkins*, 20 Colo. 438, 38 P. 1092 (1895).

A petition conforming to this section constitutes prima facie evidence of the essential

and controlling facts. Such status continues until overthrown by evidence received in support of the challenge thereof. In re *City of Westwood*, 115 Colo. 224, 171 P.2d 770 (1946).

Validity of signatures. A showing that many of the signers of one small section of a petition were disqualified did not warrant the trial court's conclusion that the petition otherwise, signed by other petitioners and whose competence was supported by affidavits of various affiants, was insufficient. In re *City of Westwood*, 115 Colo. 224, 171 P.2d 770 (1946).

Applied in *Valverde v. Shattuck*, 19 Colo. 104, 34 P. 947, 41 Am. St. R. 208 (1893); *Perry v. City of Denver*, 27 Colo. 93, 59 P. 747 (1899).

31-12-303. Annexation consented to by ordinance - indebtedness. No order shall be made by any district court requiring the submission of the question of dissolution and annexation to any election held pursuant to this part 3 until the city existing under a special charter to which it is proposed that such annexation be made has consented to such annexation by ordinance duly passed and published. In case of the annexation of any city or town to any city existing under a special charter, as provided in section 31-12-301, neither the indebtedness of the city or town so annexed nor that of the city to which the

same shall be annexed shall become a common indebtedness. Such indebtedness shall be paid by general taxation upon all the taxable property within the city or town in and by which the indebtedness was created.

Source: L. 75: Entire title R&RE, p. 1094, § 1, effective July 1.

Editor's note: This section is similar to former § 31-8-210 as it existed prior to 1975.

31-12-304. School districts - annexation of area to another school district - applicability. (1) When the dissolution and annexation of any city or town under the provisions of this part 3 will result in the detachment of an area from any school district and the attachment of such area to another school district, no petition under section 31-12-302 is valid unless accompanied by a resolution of the board of directors of the school district to which such area will be attached approving such annexation. If there are any school facilities located within the detached area, the school district owning such facilities shall receive just compensation from the school district that acquires them. Such compensation shall be determined by mutual agreement of the school boards involved or in accordance with the applicable provisions of articles 1 to 7 of title 38, C.R.S. As used in this section, the term "facilities" is limited to school buildings and the real property on which they are situate. Any moneys received by a school district as compensation for such school facilities shall be treated as proceeds from sales of assets pursuant to section 22-45-112, C.R.S.

(2) The provisions of this section shall apply to any annexation or dissolution and annexation proceedings which have not been completed prior to May 22, 1971.

Source: L. 75: Entire title R&RE, p. 1094, § 1, effective July 1.

Editor's note: This section is similar to former § 31-8-211 as it existed prior to 1975.

31-12-305. Question submitted to registered electors. The governing body of such city or town shall, by ordinance and within a reasonable time to be fixed by the court in said order, direct that an election be held to submit the question of the dissolution and annexation to a vote of the registered electors. If the order of the district court is served more than thirty days and less than one hundred twenty days prior to the next regular election of such city or town, the question shall be submitted to a vote of the registered electors at such regular election; otherwise, the question shall be submitted at a special election to be called and held for that purpose. Such election shall be conducted in accordance with the provisions of the "Colorado Municipal Election Code of 1965".

Source: L. 75: Entire title R&RE, p. 1094, § 1, effective July 1.

Editor's note: This section is similar to former § 31-8-203 as it existed prior to 1975.

Cross references: For the "Colorado Municipal Election Code of 1965", see article 10 of this title.

31-12-306. Notice of election. Notice of the submission of the question at a regular or special election shall be given by the clerk in the manner provided in the "Colorado Municipal Election Code of 1965" and shall state the substance of the proposition as submitted by the ordinance. The clerk shall forthwith file in the office of the clerk of the district court a certificate under the seal of such city or town, containing a copy of said notice and specifying the time when and the places where such notices were posted and the newspapers in which said notices were published; and the same shall be prima facie evidence of the matters set forth therein.

Source: L. 75: Entire title R&RE, p. 1095, § 1, effective July 1.

Editor's note: This section is similar to former § 31-8-204 as it existed prior to 1975.

Cross references: For the “Colorado Municipal Election Code of 1965”, see article 10 of this title.

31-12-307. Ballots. All ballots or voting machine tabs prepared for use pursuant to this part 3 shall contain the propositions “For Annexation” and “Against Annexation”. If the question is submitted on paper ballots, such ballots shall be deposited in a separate ballot box used for that purpose only.

Source: L. 75: Entire title R&RE, p. 1095, § 1, effective July 1.

Editor’s note: This section is similar to former § 31-8-205 as it existed prior to 1975.

ANNOTATION

Annotator’s note. Since § 31-12-307 is similar to former § 31-8-205 prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, a relevant case construing a prior provision has been included in the annotations to this section.

This section prescribes the only method in which the ballots can be prepared, evidently two simple tickets, one for, the other against, annexation. *Phillips v. Corbin*, 8 Colo. App. 346, 46 P. 224 (1896).

31-12-308. Report - approval by court. (1) Following the canvass and certification of the results of the election, the clerk shall forthwith prepare a report, which shall be signed by the mayor and attested by the clerk under the seal of such city or town, containing a copy of the ordinance under which the question was submitted and of the certified statement and determination of the result of such vote, and he shall file said report in the office of the clerk of the district court.

(2) The court shall examine the report and hear any objections and evidence that may be offered concerning the regularity or irregularity of the proceedings. If the court finds the proceedings irregular, the court shall disapprove said report and order a new election in accordance with the provisions of this part 3. If the court finds that the proceedings were substantially regular, the court shall approve the report. If a majority of the votes cast are against annexation, the question shall not again be submitted at any election held within twelve months thereafter. If a majority of the votes so cast are for annexation, from the approval of such report, such city or town shall be dissolved, and the area then included within the boundaries thereof shall be annexed to and become part of the city existing under a special charter upon the filing of two certified copies of notice of the completion of such action with a legal description accompanied by a map of the area concerned by the special charter city with the county clerk and recorder of the county in which such action has taken place. The county clerk and recorder shall file the second certified copy of such notice with the division of local government of the department of local affairs, as provided by section 24-32-109, C.R.S. Appeals may be made from judgments of the district court in such proceedings as in other civil cases.

(3) When residence or the payment of taxes is required by law as a qualification to vote or to hold office in the city existing under a special charter, residence and the payment of taxes in any area so annexed shall constitute such qualifications to the same extent as if the same had been in the city existing under a special charter during the same period.

Source: L. 75: Entire title R&RE, p. 1095, § 1, effective July 1.

Editor’s note: This section is similar to former § 31-8-206 as it existed prior to 1975.

ANNOTATION

Annotator’s note. Since § 31-12-308 is similar to former § 31-8-206 prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, a relevant case construing a

prior provision has been included in the annotations to this section.

Judicial proceedings. That the section does not expressly require the court’s approval of the

report of the annexation proceedings to be in writing does not militate at all against the view that the proceedings before the court are judicial. *Martin v. Simpkins*, 20 Colo. 438, 38 P. 1092 (1895).

The effect which this section gives to the approval of the report is, in every respect, a most important judgment, because it is a judgment which dissolves a municipal corporation, deprives it of its franchises, annexes its territory to another municipality, and which may subject its inhabitants to increased taxation and other

additional municipal burdens. *Martin v. Simpkins*, 20 Colo. 438, 38 P. 1092 (1895).

Citizens' and taxpayers' standing. Resident citizens and taxpayers of a municipality who sought to be annexed to another under this section, have such an interest in the subject matter of the annexation proceedings that they are entitled to a writ of error from the supreme court to review the judgment of the district court approving such proceedings. *Martin v. Simpkins*, 20 Colo. 438, 38 P. 1092 (1895).

31-12-309. Termination of offices. If the question so submitted is submitted at a regular election of such city or town and it appears from the canvass that a majority of the votes cast at such election upon the question are "For Annexation", all votes for officers of such city or town, or upon any other question submitted at said election, and all certificates of election issued in pursuance thereof shall be of no force or effect. In such case, upon the approval of the report by the district court, the terms of office of the dissolved city or town shall cease.

Source: L. 75: Entire title R&RE, p. 1095, § 1, effective July 1.

Editor's note: This section is similar to former § 31-8-207 as it existed prior to 1975.

31-12-310. Rights become property of city enlarged - utilities not curtailed. When in pursuance of this part 3 any city or town is annexed to any city existing under a special charter, all rights, causes of action, records, uncollected revenues, and other property of the city or town so annexed shall accrue to and become the property of the annexing city. At least a proportionate share of the moneys of the annexing city available for water service, lights, and other public improvements shall be expended each year within the area formerly included within the city or town so annexed, based upon the valuation for assessment thereof. The water and light service of any city or town so annexed shall not be curtailed after such annexation.

Source: L. 75: Entire title R&RE, p. 1096, § 1, effective July 1.

Editor's note: This section is similar to former § 31-8-208 as it existed prior to 1975.

ANNOTATION

Annotator's note. Since § 31-12-310 is similar to former § 31-8-208 prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, a relevant case construing a prior provision has been included in the annotations to this section.

Assessment property of annexing city. It is conceded that the special assessment made by

the city of Highlands became, by the act of annexation, an asset of the city of Denver, and whatever power exists to enforce collection thereof was transferred to the latter municipality. *City & County of Denver v. Keeler*, 48 Colo. 54, 108 P. 998 (1910).

31-12-311. Validity not questioned after ninety days. The validity of any proceeding to dissolve and annex any city or town by virtue of this part 3 shall not be questioned in any action or proceeding commenced more than ninety days after such dissolution and annexation is effected.

Source: L. 75: Entire title R&RE, p. 1096, § 1, effective July 1.

Editor's note: This section is similar to former § 31-8-209 as it existed prior to 1975.

PART 4

CONSOLIDATION AND ANNEXATION -
STATUTORY CITIES AND TOWNS

31-12-401. Consolidation of contiguous cities or towns. (1) When two or more contiguous cities or towns desire to consolidate with each other, the governing body of each such city or town shall appoint from the officers or citizens thereof a total of three commissioners. The commissioners shall confer together and thereafter report to each governing body the terms and conditions of the proposed consolidation. Such report shall contain, in addition to any other matters which the commissioners may desire to insert therein, the following:

- (a) The name for the proposed consolidated city or town;
- (b) The number of wards into which the new city shall be divided, in the case of a proposed consolidated city, together with the boundaries of such wards.

(2) In fixing the number of wards, the commissioners shall not select a number which exceeds the entire number of wards contained in all of the cities and towns proposed to be consolidated; except that one ward may be allowed for each town proposed to be consolidated with a city.

(3) If the governing body of each such city or town approves the terms and conditions contained in the report, it shall so declare by proper ordinance which may be passed at any one regular or special meeting called for the purpose. Thereupon the governing body of each such city or town shall submit, by ordinance, the question of consolidation upon the terms and conditions so proposed to the registered electors of its respective city or town.

Source: L. 75: Entire title R&RE, p. 1096, § 1, effective July 1.

Editor's note: This section is similar to former § 31-8-301 as it existed prior to 1975.

ANNOTATION

Applied in *Donahue v. Morgan*, 24 Colo. 389, 50 P. 1038 (1897).

31-12-402. Election - notice - ballot. (1) In case the ordinance of approval is passed by the governing body less than one hundred twenty days and more than thirty days prior to the regular election in such city or town, the submission to the electors shall be at such regular election; otherwise, the governing body, in the ordinance of approval, shall order a special election, to be held not less than thirty days nor more than forty days after that date for the purpose of determining the question of such consolidation. Such election shall be conducted in accordance with the provisions of the "Colorado Municipal Election Code of 1965".

(2) The mayor or, in case there is no mayor, the presiding officer of the governing body shall cause notice of the election to be given, which notice shall be given in the manner prescribed by the "Colorado Municipal Election Code of 1965".

(3) The form of the ballots or voting machine tabs at such election shall be: "For Consolidation" and "Against Consolidation". If a majority of the votes cast at such election in each of the cities or towns proposed to be consolidated are for consolidation, the proposition shall be carried. If a majority of the votes cast at such election in any of the cities or towns proposed to be consolidated are against consolidation, the proposition shall be defeated, and such question shall not be submitted again for one year.

(4) If any one or more of the cities or towns proposed to be consolidated was a city, the consolidated corporation shall be a city.

Source: L. 75: Entire title R&RE, p. 1096, § 1, effective July 1.

Editor's note: This section is similar to former § 31-8-302 as it existed prior to 1975.

Cross references: For the “Colorado Municipal Election Code of 1965”, see article 10 of this title.

ANNOTATION

Applied in *Donahue v. Morgan*, 24 Colo. 389, 50 P. 1038 (1897).

31-12-403. Election of officers after consolidation. In case the proposition for consolidation is carried in all of said cities or towns, the mayor's or presiding officers of the governing bodies shall at once issue a joint proclamation announcing an election of officers of the consolidated city or town. Notice of the election shall be given in the manner prescribed by the “Colorado Municipal Election Code of 1965”. At said election there shall be chosen a board of trustees if the consolidated corporation is a town, and, if it is a city, there shall be chosen a mayor and two councilmen for each ward of the consolidated city. There shall be elected, in addition, such other officers as under the law are or may be elected by the electors in cities or towns. Such election shall be conducted in accordance with the provisions of the “Colorado Municipal Election Code of 1965” insofar as practicable under the direction of the clerks and governing bodies of the cities and towns which were consolidated.

Source: L. 75: Entire title R&RE, p. 1097, § 1, effective July 1.

Editor's note: This section is similar to former § 31-8-303 as it existed prior to 1975.

Cross references: For the “Colorado Municipal Election Code of 1965”, see article 10 of this title.

31-12-404. Tenure of officers. All officers chosen at such election, including councilmen, shall hold their respective offices until the next regular election. At the first regular election succeeding the consolidation and at each succeeding regular election thereafter, there shall be elected two councilmen for each ward of said city, each of whom shall hold office for a term of two years.

Source: L. 75: Entire title R&RE, p. 1097, § 1, effective July 1.

Editor's note: This section is similar to former § 31-8-304 as it existed prior to 1975.

31-12-405. Consolidation complete. The members of the governing body elected at such election, on the second Monday after the election, shall meet and organize the governing body of the consolidated city or town and shall file two certified copies of the notice of the consolidation with a legal description accompanied by a map of the area concerned by the consolidated city or town with the county clerk and recorder of the county in which such action has taken place, and from that time the consolidation shall be deemed complete. The county clerk and recorder shall file the second certified copy of such notice with the division of local government in the department of local affairs, as provided by section 24-32-109, C.R.S. The consolidated city or town shall thenceforth exist with the same powers and duties and subject to the same regulations as other cities or towns. The cities or towns so consolidated shall then be merged in the consolidated corporation, and the terms of office of all of the officers of the cities and towns so consolidated shall cease.

Source: L. 75: Entire title R&RE, p. 1097, § 1, effective July 1.

Editor's note: This section is similar to former § 31-8-306 as it existed prior to 1975.

31-12-406. First ordinances - appropriation. The governing body of the consolidated city or town may pass, at the first meeting or as soon thereafter as possible, a resolution adopting in a body the ordinances of some one of the cities or towns forming the

consolidated town or city as such ordinances existed at the date of consolidation. Upon the passage of the resolution, the whole of the ordinances of the city or town so designated as they existed at the date of consolidation shall become the ordinances of the consolidated city or town in the same manner as if they had been regularly passed and published by the governing body of the consolidated city or town and shall so remain until amended or repealed. They shall also make appropriation, by ordinance, for the expense of the then unexpired portion of the current fiscal or municipal year. ~

Source: L. 75: Entire title R&RE, p. 1098, § 1, effective July 1.

Editor's note: This section is similar to former § 31-8-307 as it existed prior to 1975.

31-12-407. Licenses. All licenses or other privileges issued or granted by any of the consolidated towns or cities prior to consolidation shall remain in full force and effect until the expiration of the same according to the terms thereof.

Source: L. 75: Entire title R&RE, p. 1098, § 1, effective July 1.

Editor's note: This section is similar to former § 31-8-308 as it existed prior to 1975.

31-12-408. Bonded and floating indebtedness. All bonded indebtedness due or owing by any city or town prior to consolidation shall remain, after consolidation, the debt of that portion of the consolidated city or town comprised within the former limits of the city or town which owed such indebtedness prior to consolidation. No tax shall be levied or collected for the payment of the principal and interest of such indebtedness, except upon and from persons or property residing or situated within the former limits of the town or city owing such indebtedness. The governing body of the consolidated city or town shall make such levies and take such other measures for the payment of the principal and interest out of the property within such limits as it would have been the duty or within the power of the governing body of the city or town owing such indebtedness to do had no such consolidation taken place. If any of the cities or towns consolidated owed any floating indebtedness at the date of consolidation, the governing body of the consolidated city or town shall ascertain the amount of such indebtedness owed by each of said cities or towns prior to consolidation and, at the next annual levy of taxes succeeding consolidation, shall make a special levy upon property situated within the former limits of the city or town owing such indebtedness sufficient for the payment of the same. The terms of consolidation may make other provisions for said bonded or floating indebtedness. Any such bonded indebtedness may be refunded by the consolidated city or town under the provisions of the laws of Colorado existing at the time of such refunding providing for the refunding of bonds of cities and towns.

Source: L. 75: Entire title R&RE, p. 1098, § 1, effective July 1.

Editor's note: This section is similar to former § 31-8-309 as it existed prior to 1975.

31-12-409. Property belongs to consolidated cities or towns. All property, real or personal, belonging to any of the cities or towns prior to consolidation, unless the agreement for consolidation otherwise provides, immediately upon the accomplishment of consolidation, shall vest in and become the property of the consolidated city or town. All indebtedness, claims, demands, or rights owing or belonging to any of said cities or towns prior to consolidation in like manner shall vest in and become due to the consolidated city or town, which shall thereafter have the right to demand, have, sue for, recover, and enforce the same in its own name.

Source: L. 75: Entire title R&RE, p. 1098, § 1, effective July 1.

Editor's note: This section is similar to former § 31-8-310 as it existed prior to 1975.

ANNOTATION

Applied in *Donahue v. Morgan*, 24 Colo. 389, 50 P. 1038 (1897).

31-12-410. Suits - special tax. If any actions, suits, or proceedings are pending against any one of the cities or towns at the time of the consolidation, the consolidated city or town shall be substituted as plaintiff or defendant in such action, suit, or proceeding. The same shall thenceforth proceed as if the claim, right, debt, or demand upon which said action, suit, or proceeding was founded had originally existed in favor of or against such consolidated town or city. In like manner, any person who, at the date of consolidation, has any claim, demand, or right of action against any one or more of the cities or towns so consolidating may bring any action, suit, or proceeding necessary for the collection or enforcement thereof after such consolidation against the consolidated city or town in the same manner as though the claim, demand, or right of action had originally existed against such consolidated city or town. In no case shall any tax be levied upon or liability incurred by any property or persons on account of such actions, suits, proceedings, debts, liabilities, or rights of action, except those persons and property which would have been liable for the same in case no consolidation had taken place. The governing body of the consolidated city or town has the power to levy a special tax upon persons and property within the former limits of the city or town against which such action, suit, proceeding, claim, demand, or right of action existed for the payment, liquidation, or settlement thereof or of any judgment founded thereon. The terms of consolidation may make other provisions for the payment of such demands, liabilities, and judgments.

Source: L. 75: Entire title R&RE, p. 1099, § 1, effective July 1.

Editor's note: This section is similar to former § 31-8-311 as it existed prior to 1975.

31-12-411. Collection of prior taxes - disposition. The county treasurer shall proceed to collect all taxes assessed against persons or property within the limits of the cities or towns consolidating prior to such consolidation in the same manner as if no such consolidation had taken place. All moneys in the hands of the county treasurer at the date of consolidation belonging to any of the consolidating cities or towns and all moneys thereafter collected by him on account of any of such consolidating cities or towns shall be turned over by him to the proper officers of the consolidated city or town. In the same manner, if there are, at the date of consolidation, any moneys in the hands of any officer of any of the consolidating cities or towns belonging to his city or town, he shall forthwith turn over such moneys, upon the accomplishment of consolidation, to the proper officers of the consolidated city or town. The moneys thus obtained shall be applied to the payment of the indebtedness of the city or town from which they were derived, and the balance, if any, shall be used for the purpose of the consolidated city or town, unless the terms of consolidation otherwise provide.

Source: L. 75: Entire title R&RE, p. 1099, § 1, effective July 1.

Editor's note: This section is similar to former § 31-8-312 as it existed prior to 1975.

31-12-412. Annexing cities and towns. (1) When any city or town desires to be annexed to another contiguous city or town, the governing body of each such city or town shall appoint a total of three commissioners to arrange and report to such governing body respectively the terms and conditions on which the proposed annexation can be made. If the governing body of each such city or town approves of the terms and conditions proposed, it shall so declare by proper ordinance. Thereupon, the governing body of each such city or

town, by ordinance passed at least thirty days prior to the regular election therein or at least thirty days prior to a special election for that specific purpose, may submit the question of such annexation upon the terms and conditions so proposed to the registered electors of its respective city or town. Such election shall be conducted in accordance with the provisions of the "Colorado Municipal Election Code of 1965".

(2) If a majority of the registered electors of each city or town vote in favor of such annexation, the governing body of each shall so declare by proper ordinance. A certified copy of the whole proceedings for annexation of the city or town to be annexed shall be filed with the clerk of the city or town to which the annexation is made, and the latter shall file two certified copies of the notice of such action with a legal description accompanied by a map of the area concerned with the county clerk and recorder of the county in which such action has taken place. The county clerk and recorder shall file the second certified copy of such notice with the division of local government in the department of local affairs, as provided by section 24-32-109, C.R.S.

ANNOTATION

Annotator's note. Since § 31-12-412 is similar to former § 31-8-313 prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, a relevant case construing a prior provision has been included in the annotations to this section.

Complies with constitutional requirement. This statutory provision complied with the constitutional requirement that the general assembly provide by general law for the organization of cities and towns. *Griffin v. City of Canon City*, 147 Colo. 15, 362 P.2d 200 (1961).

31-12-413. Annexation complete - rights - liabilities. When certified copies of the proceedings for annexation are filed as contemplated in section 31-12-412, the annexation shall be complete, and the city or town to which the annexation is made has the power to pass such ordinances, not inconsistent with law, as will carry into effect the terms of such annexation. Thereafter, the city or town annexed shall be governed as part of the city or town to which it is annexed. Such annexation shall not affect or impair any rights or liabilities then existing for or against either of such cities or towns, and they may be enforced the same as if no such annexation had taken place.

Editor's note: This section is similar to former § 31-8-314 as it existed prior to 1975.

ANNOTATION

Annotator's note. Since § 31-12-413 is similar to former § 31-8-314 prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, a relevant case construing a prior provision has been included in the annotations to this section.

Complies with constitutional requirement. This statutory provision complied with the constitutional requirement that the general assembly provide by general law for the organization of cities and towns. *Griffin v. City of Canon City*, 147 Colo. 15, 362 P.2d 200 (1961).

Collateral attack limited. Unless proceedings for the annexation of territory to a municipal corporation are wholly void for want of authority or jurisdiction, their validity is not subject to collateral attack. *Griffin v. City of Canon City*, 147 Colo. 15, 362 P.2d 200 (1961).

When the annexation has been completed and a de facto, if not a de jure, corporation is created only quo warranto would lie, thereby foreclosing a collateral attack on the validity of the annexation. *Griffin v. City of Canon City*, 147 Colo. 15, 362 P.2d 200 (1961).

31-12-414. School districts - annexation of area to another school district - applicability. (1) When any consolidation under this part 4 will result in the detachment of an area from any school district and the attachment of such area to another district, the provisions of section 31-12-304 shall apply with respect to the approval of the board of directors of the school district to which such area will be attached and with respect to the compensation required to be paid by the school district which acquires school facilities located within the detached area.

(2) The provisions of this section shall apply to any consolidation proceedings which have not been completed prior to May 22, 1971.

Source: L. 75: Entire title R&RE, p. 1100, § 1, effective July 1.

Editor's note: This section is similar to former § 31-8-315 as it existed prior to 1975.

PART 5

DISCONNECTION BY ORDINANCE - STATUTORY CITIES AND TOWNS

31-12-501. Application - enactment - filing. When the owner of a tract of land within and adjacent to the boundary of a city or town desires to have said tract disconnected from such city or town, such owner may apply to the governing body of such city or town for the enactment of an ordinance disconnecting such tract of land from such city or town. On receipt of such application, it is the duty of such governing body to give due consideration to such application, and, if such governing body is of the opinion that the best interests of the city or town will not be prejudiced by the disconnection of such tract, it shall enact an ordinance effecting such disconnection. If such an ordinance is enacted, it shall be immediately effective upon the required filing with the county clerk and recorder to accomplish the disconnection, and two certified copies thereof shall be filed by the clerk in the office of the county clerk and recorder of the county in which such tract lies. The county clerk and recorder shall file the second certified copy with the division of local government in the department of local affairs, as provided by section 24-32-109, C.R.S.

Source: L. 75: Entire title R&RE, p. 1100, § 1, effective July 1.

Editor's note: This section is similar to former § 31-8-601 as it existed prior to 1975.

31-12-502. Liability for taxes. The land so disconnected shall not thereby be exempt from the payment of any taxes lawfully assessed against it for the purpose of paying any indebtedness lawfully contracted by the governing body of such city or town while such land was within the limits thereof and which remains unpaid and for the payment of which said land could be lawfully taxed.

Source: L. 75: Entire title R&RE, p. 1101, § 1, effective July 1.

Editor's note: This section is similar to former § 31-8-602 as it existed prior to 1975.

31-12-503. Future levies - prepayment. When the governing body of such city or town levies a tax upon the property within such city or town for the purpose of paying such indebtedness or any part thereof or interest thereon, such governing body has the authority to levy a tax at the same rate and for the same purpose on the land so disconnected. The county treasurer shall pay over to such city or town all moneys collected by him on account of such tax, to be applied only to the payment of such indebtedness. In case the owner of any land so disconnected pays off and discharges a portion of such indebtedness equal in amount to the same proportion of the indebtedness which the valuation for assessment of his land bears to the entire valuation for assessment of all the property subject to taxation for the payment of such indebtedness, calculated according to the last assessment previous

to such payment, said land shall be exempted from further taxation to pay such indebtedness. Upon such payment being made, the canceled bonds or other evidences of payment of such portion of said indebtedness shall be deposited with the treasurer of such city or town, and a certificate shall be given by him stating that such payment has been made.

Source: L. 75: Entire title R&RE, p. 1101, § 1, effective July 1.

Editor's note: This section is similar to former § 31-8-603 as it existed prior to 1975.

PART 6

DISCONNECTION BY COURT DECREE - STATUTORY CITIES

31-12-601. Petition to disconnect territory. When a tract or contiguous tracts of land, aggregating twenty or more acres in area, are embraced within the municipal limits of any city, which are upon or contiguous to the border thereof, the owners of said tracts of land may petition the district court for the county in which such land, or any part thereof, is situated to have the same disconnected from said city.

Source: L. 75: Entire title R&RE, p. 1101, § 1, effective July 1.

Editor's note: This section is similar to former § 31-8-401 as it existed prior to 1975.

ANNOTATION

Annotator's note. Since § 31-12-601 is similar to former § 31-8-401 prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, relevant cases construing those provisions have been included in the annotations to this section.

Procedures specified. The provisions of this section and § 31-12-701 specify the procedure to be followed and the standards which obtain where disconnection is sought. *City of Littleton v. Wagenblast*, 139 Colo. 346, 338 P.2d 1025 (1959).

Mandatory. This section permitting the owner of lands upon the border of the town to procure the disconnection thereof from the town is mandatory. *Hendricks v. Town of Julesburg*, 55 Colo. 59, 132 P. 61 (1913).

This section being mandatory, when the facts required by this section to be established have been established by competent evidence, it becomes the duty of the court to disconnect the territory without regard to its views concerning the justice and equity of the matter. *Anaconda Mining Co. v. Town of Anaconda*, 33 Colo. 70, 80 P. 144 (1905).

The procedures for disconnection by court decree of territory from a city as provided for in this section are mandatory. *Master Kraft Bldrs. Corp. v. City of Lakewood*, 44 Colo. App. 90, 615 P.2d 47 (1980).

The words tracts or tracts apply to the pieces making the aggregate of 20 acres or more in any city and apply to the 20 acres or more as a unit for consideration under the petition. *Gypsum v. Lundgren*, 61 Colo. 332, 157 P. 195 (1916).

The "border" of the city, as used in this section, means the corporate limits of the city and not the area adjacent to that part which is in actual use for municipal purposes. *Anaconda Mining Co. v. Town of Anaconda*, 33 Colo. 70, 80 P. 144 (1905).

This section does not require that each of the separate tracts should be upon or contiguous to the border, if contiguous to each other, that one of them is upon the border brings the case within this section. *Gypsum v. Lundgren*, 61 Colo. 332, 157 P. 195 (1916).

Tract not contiguous. A tract of land of irregular shape of an average width of about 600 feet and an average length of about 1,500 feet, and which extends from the border of an incorporated town several hundred feet into the town and to the platted portion of the town, and only about 150 feet in width of the tract touches the border, is not upon or contiguous to the border of the town within the meaning of this section. *Anaconda Mining Co. v. Town of Anaconda*, 33 Colo. 70, 80 P. 144 (1905).

Court's finding as to acreage presumed legal. In absence of any direct statement as to amount of acreage involved, either in petition or evidence, the court was in position, from legal description of lands before it, to determine acreage, and presumption as to legality of finding and judgment on that point must be followed. *Sheridan v. Fox Metal Prods. Corp.*, 123 Colo. 94, 227 P.2d 1003 (1950).

No review of special statutory proceeding. Because the statute conferring jurisdiction upon the court of appeals to review the final judg-

ments of inferior courts in civil cases applied only to final judgments or decrees in actions at law or suits in equity, and did not apply to special statutory proceedings, the court of appeals had no jurisdiction to review a judgment of the county court in a proceeding under this section providing for the disconnection of outlying territory from cities and towns. *Town of Fletcher v. Smith*, 18 Colo. App. 201, 70 P. 697 (1902); *Martin v. Simpkins*, 20 Colo. 438, 38 P.

1092 (1894); *Phillips v. Corbin*, 25 Colo. 62, 49 P. 279 (1898).

This section does not apply to disconnection from home rule municipalities, because the applicable definition of "city" specifically does not include any city which has chosen to adopt a home rule charter pursuant to the provisions of article XX of the state constitution. *Allely v. City of Evans*, 124 P.3d 911 (Colo. App. 2005).

31-12-602. Contents of petition. (1) The petition shall contain the following:

- (a) A description of the land sought to be disconnected;
- (b) An allegation that the land contains in the aggregate an area of twenty or more acres and is located upon or adjacent to the border of the city;
- (c) An allegation that no part of the land has been duly platted into lots and blocks as a part of or addition to the city;
- (d) An acknowledgment that, for a period of six years after the effective date of the disconnection, the land shall not be subdivided into lots or plats of smaller area than is required during such period for lots within the city adjoining the land sought to be disconnected under the applicable ordinances or regulations of such city;
- (e) An acknowledgment that the land shall not be used during said six-year period for industrial or commercial uses if, during such period, the applicable ordinances of the city prohibit such uses upon the area within the city adjoining such land;
- (f) An allegation that all taxes or assessments lawfully due upon the land up to the time of the filing of the petition have been fully paid.

(2) Any decree of disconnection entered pursuant to this part 6 shall restrict the use of the land in the manner set forth in paragraphs (d) and (e) of subsection (1) of this section, but such restrictions shall not continue to apply to any land which, within six years after the effective date of the disconnection, is annexed back into the city.

Source: L. 75: Entire title R&RE, p. 1101, § 1, effective July 1.

Editor's note: This section is similar to former § 31-8-402 as it existed prior to 1975.

ANNOTATION

Annotator's note. Since § 31-12-602 is similar to former § 31-8-402 prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, relevant cases construing those provisions have been included in the annotations to this section.

Procedures for disconnection of territory are mandatory. The procedures for disconnection by court decree of territory from a city as provided for in this section are mandatory. *Master Kraft Bldrs. Corp. v. City of Lakewood*, 44 Colo. App. 90, 615 P.2d 47 (1980).

This section recognizes the 20 acres or more as a unit which is required to be upon or adjacent to the border of the town. *Gypsum v. Lundgren*, 61 Colo. 332, 157 P. 195 (1916).

Section does not prescribe amount of property to qualify land for disconnection. This section does not prescribe the amount or percentage of the subject property which must be located upon the border of the city to qualify a tract of land for disconnection. *Master Kraft*

Bldrs. Corp. v. City of Lakewood, 44 Colo. App. 90, 615 P.2d 47 (1980).

This section applies only to unplatted lands within the corporate limits, land laid out in blocks and lots with the streets of the city or town running through it is not the character of land contemplated by the section. *Town of Fruita v. Williams*, 33 Colo. 157, 80 P. 132 (1905).

A block in a city is a part of the city enclosed by streets, whether occupied by buildings or composed of vacant lots. *Town of Fruita v. Williams*, 33 Colo. 157, 80 P. 132 (1905).

And the ordinary meaning of the term "lot", when used with reference to town or city property, is a subdivision of a block according to the map or survey of such town or city. *Town of Fruita v. Williams*, 33 Colo. 157, 80 P. 132 (1905).

Proof of contiguity required. In a proceeding to disconnect lands from a city it is not necessary for petitioners to allege the lands to be contiguous, but under § 31-12-601 it is neces-

sary to prove that the lands are contiguous. *Sheridan v. Fox Metal Prods. Corp.*, 123 Colo. 94, 227 P.2d 1003 (1950).

Standing despite failure to pay taxes. Under this section, the owner of a parcel of lands within the description set down in the statute may maintain a petition to disconnect it from the city or town within which it is included, even though taxes levied thereon but not yet due are unpaid. *Hendricks v. Town of Julesburg*, 55 Colo. 59, 132 P. 61 (1913).

Taxes remain a lien on disconnected land. The argument that no land should be taken out of the corporate limits until all claims for taxes against it are adjusted, whether due or not, for such in effect is the contention of defendant in error, is without merit, because it is clear that, in

any event, all taxes lawfully assessed against the land, prior to its disconnection, create a lien against it, and the land would be held for the payment of such taxes, as well after disconnection as before, and the provision that all taxes due at the time of the filing of the petition must be shown to have been paid, was simply to preclude owners from making such application when actually in default, and is a very wise and proper requirement. It was in no sense intended thereby to discriminate against such owners and compel them to pay taxes before other taxpayers are required to do so. *Hendricks v. Town of Julesburg*, 55 Colo. 59, 132 P. 61 (1913).

Applied in *Anaconda Mining Co. v. Town of Anaconda*, 33 Colo. 70, 80 P. 144 (1905); *Brell v. Ovid*, 88 Colo. 198, 293 P. 961 (1930).

31-12-603. Hearing - decree - proviso. (1) Upon the filing of such petition in the district court, the judge thereof shall set a date for a hearing, not less than forty days nor more than sixty days thereafter. It is the duty of the clerk of said court to cause a copy of such petition and a notice of the date and the time set for such hearing to be served upon the mayor of the city. The same shall be served at least thirty days prior to the hearing of such petition by the court. Upon the hearing and proof of the facts set forth in said petition, it shall be determined whether said tracts of land should be disconnected from such city, and the court shall enter an order or decree accordingly. When a city has maintained streets, lights, and other public utilities for a period of three years through or adjoining said tracts of land, the owners shall not be entitled to disconnect the land under the provisions of this part 6.

(2) If an area has been annexed to a city for a period of two years and then successful action is undertaken to disconnect such area, the zoning placed on the area by the city shall remain in force and effect after disconnection unless and until changed by the county.

Source: L. 75: Entire title R&RE, p. 1102, § 1, effective July 1.

Editor's note: This section is similar to former § 31-8-403 as it existed prior to 1975.

ANNOTATION

I. General Consideration.

II. Effect of Maintenance of Streets or Public Utilities.

I. GENERAL CONSIDERATION.

Annotator's note. Since § 31-12-603 is similar to former § 31-8-403 prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, relevant cases construing those provisions have been included in the annotations to this section.

This section is unambiguous. *Master Kraft Bldrs. Corp. v. City of Lakewood*, 184 Colo. 254, 519 P.2d 1188 (1974).

Section grants unequivocal right to disconnect property any time prior to three years acceptance of services. *Master Kraft Bldrs. Corp. v. City of Lakewood*, 184 Colo. 254, 519 P.2d 1188 (1974).

No delegation of legislative power. It is settled in this state that laws which vest in courts,

political bodies or the people of the community, authority to determine and change, under the provisions of the law, the boundaries of cities and towns, is not a delegation of the power to make laws, and is therefore not violative of the maxim that the power conferred upon the general assembly cannot be delegated by the department to any other body or authority. *Town of Edgewater v. Liebhardt*, 32 Colo. 307, 76 P. 366 (1904).

Procedures for disconnection of territory are mandatory. The procedures for disconnection by court decree of territory from a city as provided for in this section are mandatory. *Master Kraft Bldrs. Corp. v. City of Lakewood*, 44 Colo. App. 90, 615 P.2d 47 (1980).

Duty of court to order disconnection is mandatory where statutory requisites are met. *Master Kraft Bldrs. Corp. v. City of Lakewood*, 184 Colo. 254, 519 P.2d 1188 (1974).

This section does not authorize the court to do as it pleases, and the section is mandatory. *Town*

of Edgewater v. Liebhardt, 32 Colo. 307, 76 P. 366 (1904).

If, upon the trial, it appears that the conditions required to be established by this section have been established, it becomes the duty of the court to enter a decree disconnecting the territory from the city or town. Town of Edgewater v. Liebhardt, 32 Colo. 307, 76 P. 366 (1904).

Where, after petition in proceeding for disconnection had been filed, petitioners transferred a portion of land, but petitioner's ownership was established by evidence and grantee appeared and was treated as a party to proceeding by trial court, supreme court upheld disconnection. Sheridan v. Fox Metal Prods. Corp., 123 Colo. 94, 227 P.2d 1003 (1950).

II. EFFECT OF MAINTENANCE OF STREETS OR PUBLIC UTILITIES.

City need not be incorporated three years.

There is no provision requiring that the city from which disconnection is sought must be incorporated three years. If a city has been incorporated less than three years, it could not have furnished the services for the requisite time and the statute applies. To require three years of incorporation by a city before the petition could be filed would lock the property in and prevent recourse to the statute. Master Kraft Bldrs. Corp. v. City of Lakewood, 184 Colo. 254, 519 P.2d 1188 (1974).

"Adjoining" connotes physical touching or bounding at some point. Master Kraft Bldrs. Corp. v. City of Lakewood, 44 Colo. App. 90, 615 P.2d 47 (1980).

Street lights and public utilities are not "adjoining". Street lights, public utilities, and streets situated only in close proximity to land sought to be disconnected are not "adjoining". Master Kraft Bldrs. Corp. v. City of Lakewood, 44 Colo. App. 90, 615 P.2d 47 (1980).

Streets. The streets contemplated by this section are those established by the municipality, or maintained primarily for municipal purposes, and the existence of which depends on the continued existence of the town. Morrison v. Town of Lafayette, 67 Colo. 220, 184 P. 301 (1919).

Public utilities. A public utility, to come within this section, must be capable of benefit to a substantial portion of the premises sought to be discontinued. Morrison v. Town of Lafayette, 67 Colo. 220, 184 P. 301 (1919).

Street lighting furnished by an independent company under contract with a city is a maintenance of such lighting by the city under the provisions of this section. Town of Englewood v. Jones, 71 Colo. 181, 204 P. 607 (1922).

It is immaterial that the lights are upon the opposite side of the street from the land, that the street was at one time a county road, and that the amount of work done upon it by the city has

been small. Town of Englewood v. Jones, 71 Colo. 181, 204 P. 607 (1922).

Combination of more than one not required. In order to prevent the disconnection of territory from a city or town under this section, it is not necessary that the city or town shall have maintained "streets, lights and other public utilities", all combined and each in the plural, upon the land sought to be disconnected, but it is sufficient to prevent such disconnection if the city or town has for a period of three years exercised supervision over the territory and has in good faith maintained thereon such public improvements or utilities as in the judgment of the town authorities the public interests require, and it is not necessary that more than one street, or more than one light or other public utilities shall have been maintained, if in the judgment of the town authorities the public interests do not require more than one. Anaconda Mining Co. v. Town of Anaconda, 33 Colo. 70, 80 P. 144 (1905).

Uncontradicted evidence of even a slight expenditure of money in improving a street is sufficient to defeat the petition of a landholder seeking to disconnect a tract of land. Adams v. Town of Gunnison, 62 Colo. 114, 160 P. 1033 (1916).

Where more than three years prior to the filing of the petition for disconnection, a portion of one of the streets upon which the land abutted, was graded, and a town ditch, extending for two blocks or more along this street, where the lands abutted, had been cleaned, twice in each of the four preceding years; and both this and another street, upon which the land abutted, had been worked, leveled, and cleaned from time to time for more than three years, it was held that under this section the petition must be denied. Town of Kersey v. Ewing, 59 Colo. 239, 140 P. 619 (1915). See Town of Englewood v. Jones, 71 Colo. 181, 204 P. 607 (1922).

Where what was relied upon as a street was a county road, existing before the incorporation of the town, and used as such ever since, and the only work done upon it by the town was the ordinary work of repair, the petitioner obtained no additional advantage from the road by the incorporation of the town, or anything done by the town authorities. The petitioner was entitled to the disconnection sought. Morrison v. Town of Lafayette, 67 Colo. 220, 184 P. 301 (1919); Sheridan v. Fox Metal Prods. Corp., 123 Colo. 94, 227 P.2d 1003 (1950).

Water pipe line insufficient. Since the purpose of this section is to permit persons owning real estate lying upon the borders to disconnect it from the town, if no part of such property has been duly platted into lots and blocks, to hold that a water pipe line running up to, or even into, such property without conferring any substantial service or advantage thereto, is such a maintenance of a public utility as to prevent detach-

ment of the land, would be to defeat the main purpose of the section in many proceedings of

this kind. *Morrison v. Town of Lafayette*, 67 Colo. 220, 184 P. 301 (1919).

31-12-604. Lands subject to tax for prior indebtedness. The land so disconnected is not exempt from the payment of any taxes lawfully assessed against it for the purpose of paying any indebtedness lawfully contracted by the governing body of such city while such land was within the limits thereof and which remains unpaid and for the payment of which said land could be lawfully taxed.

Source: L. 75: Entire title R&RE, p. 1102, § 1, effective July 1.

Editor's note: This section is similar to former § 31-8-404 as it existed prior to 1975.

ANNOTATION

Annotator's note. Since § 31-12-604 is similar to former § 31-8-404 prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, a relevant case construing a prior provision has been included in the annotations to this section.

Change in form of debt inconsequential. The plaintiff contends that this section is so worded that the change of the form of the indebtedness precludes a taxation of the disconnected land that otherwise was within the contemplation of the section. What possible bearing the change in form of the debt would have, we are unable to conceive. The section says that the disconnected lands shall not be exempt from taxes for the purposes of paying any indebtedness lawfully contracted while the lands are within the limits of the town. The indebtedness now evidenced by the refunding bonds, was

contracted while plaintiff's land was within these limits, and it makes no difference that the original form of the debt has been changed into a judgment, then into funding, and then into refunding bonds. *Town of Aurora v. Watkins*, 77 Colo. 234, 236 P. 556 (1925).

When the purchasers of the original bond issue acquired the water bonds the law was, and the bonds so stated, that all the property within the limits of the town was subject to taxation for raising a fund to pay the bonded debt, and even had the general assembly explicitly enacted a disconnecting statute that property within the town when the debt was contracted shall, after disconnection, be exempt from taxation for the purpose of paying the bonded debt, the act would be unconstitutional. *Town of Aurora v. Watkins*, 77 Colo. 234, 236 P. 556 (1925).

31-12-605. Copy of decree filed. Two copies of the order or decree of said court disconnecting any land described in said petition from any city, certified by the clerk of said court, shall be filed for record in the office of the county clerk and recorder of the county in which such disconnected land, or any part thereof, is situated. The county clerk and recorder shall file the second certified copy with the division of local government in the department of local affairs, as provided by section 24-32-109, C.R.S. Such record or a copy of such order or decree, certified by the clerk of said court, shall be proof of the disconnection of such land.

Source: L. 75: Entire title R&RE, p. 1102, § 1, effective July 1.

Editor's note: This section is similar to former § 31-8-405 as it existed prior to 1975.

PART 7

DISCONNECTION BY COURT DECREE - STATUTORY TOWNS

31-12-701. Part 7 relates to towns only. This part 7 shall relate to towns only and shall not be construed to affect the disconnection of area from cities.

Source: L. 75: Entire title R&RE, p. 1102, § 1, effective July 1.

Editor's note: This section is similar to former § 31-8-501 as it existed prior to 1975.

ANNOTATION

Applied in *Burton v. Sheridan*, 80 Colo. 361, 251 P. 725 (1926).

31-12-702. Petition court to disconnect from town. When a tract or two or more contiguous tracts of agricultural or farm land aggregating twenty or more acres in area are embraced within the corporate limits of any town, the outer boundary of which acreage is adjacent to or upon the border of said town, the owners of said tracts of land may petition the district court for the county in which such land is situated to have the same disconnected from said incorporated town. Intersecting highways or intervening railroads shall not render said tracts of land noncontiguous or nonadjacent.

Source: L. 75: Entire title R&RE, p. 1102, § 1, effective July 1.

Editor's note: This section is similar to former § 31-8-502 as it existed prior to 1975.

ANNOTATION

Annotator's note. Since § 31-12-702 is similar to former § 31-8-502 prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, relevant cases construing those provisions have been included in the annotations to this section.

This and the following section are not special or class legislation, and are not in violation of § 25 of art. V, Colo. Const. *Reichelt v. Town of Julesburg*, 90 Colo. 258, 8 P.2d 708 (1932).

Legislative intent. The clear intent of the general assembly was to permit persons owning property lying upon the border to disconnect from the town. *Town of Greenwood Vill. v. Heckendorf*, 126 Colo. 180, 247 P.2d 678 (1952).

This section, permitting a joint petition, prevents a multiplicity of suits, and the causes are not necessarily interdependent. *Reichelt v. Town of Julesburg*, 90 Colo. 258, 8 P.2d 708 (1932).

The word "owners" was intended to have the usual and customary meaning and the party in whom legal title rests is the proper party to maintain an action for disconnection. *Sheridan v. Nesbitt*, 123 Colo. 121, 227 P.2d 1000 (1950); *Town of Greenwood Vill. v. Heckendorf*, 126 Colo. 180, 247 P.2d 678 (1952).

The statute makes no distinction between legal owner and equitable owner. *Town of Greenwood Vill. v. Heckendorf*, 126 Colo. 180, 247 P.2d 678 (1952).

Where an owner of real estate, situated within the boundaries of a town, has entered into a contract for the sale thereof conditioned upon his ability to disconnect said property from the town, he is the "owner" of real estate within the meaning of the statute authorizing withdrawal of farm lands from the corporate limits. *Town of*

Greenwood Vill. v. Heckendorf, 126 Colo. 180, 247 P.2d 678 (1952).

Analogous to power to attach. The power to detach territory from the town is analogous to and in the same class with the power to attach. *Town of Greenwood Vill. v. Heckendorf*, 126 Colo. 180, 247 P.2d 678 (1952).

This section authorizes disconnection of farm land. *City of Littleton v. Wagenblast*, 139 Colo. 346, 338 P.2d 1025 (1959).

But there is no requirement that land sought to be disconnected must be in use as a farm, but only that the land is susceptible of being used for agriculture and is not in use for other purposes. *Sheridan v. Nesbitt*, 123 Colo. 121, 227 P.2d 1000 (1950).

This section does not require that each separate tract should be upon or contiguous to the border, and if contiguous to each other, the fact that one of them is upon the border brings the case with the statute. *Reichelt v. Town of Julesburg*, 90 Colo. 258, 8 P.2d 708 (1932).

On the question of contiguity, "intersecting highways or intervening railroads shall not render said tracts of land non-contiguous or non-adjacent". *Sheridan v. Fox Metal Prods. Corp.*, 123 Colo. 94, 227 P.2d 1003 (1950).

Procedures specified. The provisions of this section and § 31-12-601 specify the procedure to be followed and the standards which obtain where disconnection is sought. *City of Littleton v. Wagenblast*, 139 Colo. 346, 338 P.2d 1025 (1959).

Petitioners' rights unaffected by effect on third parties. If the petitioners are within the requirements under this section, their rights will not be defeated because of the effect which the proposed withdrawal will have upon the symmetry of the town, or by any situation with respect to the lands of third parties. *Reichelt v. Town of Julesburg*, 90 Colo. 258, 8 P. 2d 708 (1932).

The disconnection of land from a town cannot be permitted where the result thereof would be to divide the municipality into two areas wholly isolated from each other. *Town of Greenwood Vill. v. Heckendorf*, 126 Colo. 180, 247 P.2d 678 (1952).

Estoppel inapplicable. The rights created by this statute are continuing ones, and estoppel does not arise against the rights of a petitioner to disconnect his land upon the ground that he at one time consented to its inclusion within the town, if he brings himself within the provisions

of the statute which authorizes disconnection, whether the estoppel was based on contract or on a judgment which resulted from a contract (stipulation). *Town of Greenwood Vill. v. Savage*, 172 Colo. 217, 471 P.2d 606 (1970).

No res judicata as to lesser portion of tract. A dismissal or adverse ruling in a prior case is not a bar to resubmission of the question of disconnection of a lesser portion of a tract or tracts of land. *Town of Greenwood Vill. v. Savage*, 172 Colo. 217, 471 P.2d 606 (1970).

31-12-703. Petition - contents. (1) The petition shall contain the following:

(a) An allegation that such tracts of land contain in the aggregate an area of twenty or more acres of agricultural or farm land upon or adjacent to the border of said town;

(b) An allegation that the petitioners are the owners thereof;

(c) The description of the land;

(d) An allegation that no part of such area has been platted into lots or blocks as a part of or an addition to said town or, if so platted, that such plat has been vacated within a period of three years after the area was included within the boundaries of the town. The time limit provided in this paragraph (d) shall not apply to lands within towns that were incorporated prior to January 1, 1930.

(e) An allegation that all taxes or assessments lawfully due and payable upon said land up to the time of the presentation of said petition are fully paid;

(f) A representation that, for a period of six years after the effective date of disconnection, said tracts will not be subdivided into lots or plots of smaller area than is required during said period for lots within said town adjoining said tracts under the applicable ordinances or regulations of the town from which disconnection is sought and will not be used during said period for industrial or commercial use if during said period the applicable ordinances of the town from which disconnection is sought prohibits such use in the area within said town adjoining such tracts.

(2) Any decree of disconnection entered pursuant to this part 7 shall restrict the use of the land in the manner set forth in paragraph (f) of subsection (1) of this section, but such restrictions shall not continue to apply to any land which, within six years after the effective date of the disconnection, is annexed back into the town.

Source: L. 75: Entire title R&RE, p. 1103, § 1, effective July 1.

Editor's note: This section is similar to former § 31-8-503 as it existed prior to 1975.

ANNOTATION

Law reviews. For article, "One Year Review of Property Law", see 38 *Dicta* 192 (1961).

Annotator's note. Since § 31-12-703 is similar to former § 31-8-503 prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, relevant cases construing a prior provision have been included in the annotations to this section.

Only territory not platted eligible. Territory may be disconnected from a town under this section only when no part of the area sought to be disconnected has been platted into lots and blocks as a part of or addition to the town. *Weaver v. Town of Littleton*, 95 Colo. 577, 38 P.2d 774 (1934).

Land is platted into lots or blocks when said land is divided into tracts which are surrounded and intersected by streets which have been declared dedicated to the public. *Town of Cherry Hills Vill. v. Shafroth*, 141 Colo. 572, 349 P.2d 368 (1960).

Proof, not allegation, of contiguity required. Town's answer in proceeding for disconnection of agricultural lands that there was no allegation of contiguity of lands in petition was groundless since statutes do not require such an allegation but only proof of contiguity. *Sheridan v. Nesbitt*, 123 Colo. 121, 227 P.2d 1000 (1950).

31-12-704. Hearing - decree - proviso. Upon the filing of such petition in the district court, the judge shall set a date for a hearing, not less than forty days nor more than sixty days thereafter. It is the duty of the clerk of said court to cause a copy of such petition and a notice of the date and the time set for such hearing to be served upon the mayor of the town. The same shall be served at least thirty days prior to the hearing on such petition by the court. Upon the hearing and proof of the facts set forth in such petition, it shall be determined whether such tracts of land should be disconnected from said town, and the judge shall enter an order or decree accordingly. When a town has improved any of the highways passing through or adjoining said tracts of land by the construction and maintenance by said town of any special improvements along, under, or over the same for a period of more than two years prior to the presentation of the petition, the petitioners shall not be entitled to disconnect the land under the provisions of this part 7.

Source: L. 75: Entire title R&RE, p. 1103, § 1, effective July 1.

Editor's note: This section is similar to former § 31-8-504 as it existed prior to 1975.

ANNOTATION

Annotator's note. Since § 31-12-704 is similar to former § 31-8-504 prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, relevant cases construing those provisions have been included in the annotations to this section.

Rule not of symmetry but of contiguity. Although the supreme court has held that no disconnection of land can be upheld which divides a town into two areas wholly isolated from each other, where the creation of a "corridor" has the effect of making the town's boundaries somewhat irregular, but, the area concerned remains contiguous to the rest of the town with the same access to all parts of the town as existed before the disconnection, it is not wholly isolated, the rule is not one of symmetry, but of contiguity. *Town of Greenwood Vill. v. Savage*, 172 Colo. 217, 471 P.2d 606 (1970).

"Special improvements" as used in this section are limited to such improvements as are generally paid for by special assessments, or those which confer special benefit upon the property affected. *Burton v. Town of Sheridan*, 80 Colo. 361, 251 P. 725 (1926).

Limited to highways. This section limits these improvements to highways, it restricts

them to special improvements on the highway "along, under or over the same", etc. *Reichelt v. Town of Julesburg*, 90 Colo. 258, 8 P.2d 708 (1932).

Actions held not to be special improvements. Construction and maintenance of highways, electrical transmission lines, and water mains were held not to constitute "special improvements" as those words are used in this section. *Reichelt v. Town of Julesburg*, 90 Colo. 258, 8 P.2d 708 (1932); *Counce v. Town of Julesburg*, 108 Colo. 317, 116 P.2d 917 (1941).

In an action for disconnecting land from an incorporated town, improvements on a highway in the nature of culverts, a bridge and a slight alteration in the course of the street, are not "special improvements", as that phrase is used in this section. *Burton v. Town of Sheridan*, 80 Colo. 361, 251 P. 725 (1926).

This section uses the words "construction and maintenance", conjointly, as against the word "maintained" in § 31-12-603. *Reichelt v. Town of Julesburg*, 90 Colo. 258, 8 P.2d 708 (1932).

Burden of proof. In a proceeding under this section, the burden of proof, as to defensive matter, rests upon the town. *Reichelt v. Town of Julesburg*, 90 Colo. 258, 8 P.2d 708 (1932).

31-12-705. Land not exempt from prior taxes. The land so disconnected shall not be exempt from the payment of any taxes lawfully assessed against it for the purpose of paying any indebtedness lawfully contracted by the governing body of said town while said land was within the limits thereof and which remains unpaid and for the payment of which said land could be lawfully taxed.

Source: L. 75: Entire title R&RE, p. 1104, § 1, effective July 1.

Editor's note: This section is similar to former § 31-8-505 as it existed prior to 1975.

31-12-706. Land subject to tax for prior indebtedness. When the governing body of such town levies a tax upon the property within such town for the purpose of paying such

indebtedness or any part thereof and interest thereon, such governing body shall have the authority to levy a tax at the same rate and for the same purpose on the land so disconnected. The county treasurer shall pay over to such town all moneys collected by him on account of such tax, to be applied only to the payment of such indebtedness. In case the owner of any land so disconnected pays off and discharges a portion of such indebtedness equal in amount to the same proportion of the indebtedness which the valuation for assessment of his land bears to the entire valuation for assessment of all the property subject to taxation for the payment of such indebtedness, calculated according to the last assessment previous to such payment, said land shall be exempted from further taxation to pay such indebtedness. Upon such payment being made, the canceled bonds or other evidences of payment of such portion of said indebtedness shall be deposited with the treasurer of such town, and a certificate shall be given by him stating that such payment has been made.

Editor’s note: This section is similar to former § 31-8-506 as it existed prior to 1975.

31-12-707. Decree recorded - proof. Two copies of the order or decree of said district court disconnecting any land described in said petition from any town, certified by the clerk of said district court, shall be filed for record in the office of the county clerk and recorder of the county in which such disconnected land is situated. The county clerk and recorder shall file the second certified copy with the division of local government in the department of local affairs, as provided by section 24-32-109, C.R.S. Such record or a copy of such order or decree, certified by the clerk of said district court, shall be proof of the disconnection of such land.

31-15-1004.

Department of public health and environment rules.

PART 1

VESTING OF CORPORATE POWERS

31-15-101. Municipalities bodies politic - powers. (1) Municipalities:

- (a) Shall be bodies politic and corporate, under such name as they are organized;
- (b) May sue or be sued;
- (c) May enter into contracts;
- (d) May acquire, hold, lease, and dispose of property, both real and personal;
- (e) May have a common seal which they may alter at their pleasure; and
- (f) May accept the transfer of federal land for public purposes, including but not limited to municipal expansion and residential purposes.

(2) All such municipalities shall have the powers, authority, and privileges granted by this title and by any other law of this state together with such implied and incidental powers, authority, and privileges as may be reasonably necessary, proper, convenient, or useful to the exercise thereof. All such powers, authority, and privileges are subject to the restrictions and limitations provided for in this title and in any other law of this state.

(3) Each municipality may coordinate, pursuant to 43 U.S.C. sec. 1712, the "National Environmental Policy Act of 1969", 42 U.S.C. sec. 4321 et seq., 40 U.S.C. sec. 3312, 16 U.S.C. sec. 530, 16 U.S.C. sec. 1604, and 40 CFR parts 1500 to 1508, with the United States secretary of the interior and the United States secretary of agriculture to develop manage-

ment plans that address hazardous fuel removal and other forest management practices, water development and conservation measures, watershed protection, public utilities protection, private property protection, and the protection of air quality on federal lands within such municipality's jurisdiction.

Source: **L. 75:** Entire title R&RE, p. 1104, § 1, effective July 1. **L. 76:** (1)(f) added, p. 697, § 1, effective April 6. **L. 2003:** (3) added, p. 1037, § 11, effective April 17.

Editor's note: This section is similar to former §§ 31-12-201 and 31-12-202 as they existed prior to 1975.

Cross references: For the legislative declaration contained in the 2003 act enacting subsection (3), see section 1 of chapter 145, Session Laws of Colorado 2003.

ANNOTATION

Annotator's note. Since § 31-15-101 is similar to former §§ 31-12-201 and 31-12-202 prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, relevant cases construing those provisions have been included in the annotations to this section.

Express powers only. A municipal corporation can exercise only such powers as are granted to it by its charter or by the general law of the state, either in express words or by necessary or reasonable implication, or such as are incidental to the powers expressly granted, or such as are essential to the objects and purposes of the corporation. *City of Durango v. Reinsberg*, 16 Colo. 327, 26 P. 820 (1891); *Hayward v. Bd. of Trustees*, 20 Colo. 33, 36 P. 795 (1894).

May not deal in real estate. Under this section an incorporated town or city may acquire and hold such real and personal property as may be necessary to enable it to carry on its corporate business and exercise its proper municipal functions; but it cannot lawfully engage in the business of buying, selling, or dealing generally in real estate, either as principal or broker. *Hayward v. Bd. of Trustees*, 20 Colo. 33, 36 P. 795 (1894).

Primary function of municipal corporation is to provide government within its territorial limits. *Bailey v. People*, 200 Colo. 549, 617 P.2d 549 (1980).

City employees do not have a vested contractual right in the continuance of a particular rate or method of compensation. A city council, in the exercise of its legislative power, cannot enter into a contract which will bind succeeding city councils and thereby deprive them of the unrestricted exercise of their legis-

lative power. *Colo. Springs Fire Fighters v. Colo. Springs*, 784 P.2d 766 (Colo. 1989).

Plaintiffs' assertion that they detrimentally relied upon the continuation of certain employee benefits was without merit since persons dealing with the city were on constructive notice of the scope of authority possessed by the municipal officials with whom they are dealing, and such constructive notice includes the knowledge that the city council acted pursuant to the authority granted it by the city charter and subject to the limitations provided therein which prohibited the imposition of future liability upon the city, unless prior appropriation was made. *Colo. Springs Fire Fighters v. Colo. Springs*, 784 P.2d 766 (Colo. 1989).

Because municipalities, not their various subsidiary departments, exist as bodies corporate empowered to sue and be sued, naming a municipal department as a defendant is not an appropriate means of pleading a § 1983 action against a municipality. *Stump v. Gates*, 777 F. Supp. 808 (D. Colo. 1991).

Cities have such implied and incidental powers, authority, and privileges as may be reasonably necessary, proper, convenient, or useful to carry out the powers and authority granted to them. Authority of city to enter into intergovernmental agreement with county to operate a mass transit system outside of control of public utilities commission upheld. *Durango Transp., Inc. v. City of Durango*, 824 P.2d 48 (Colo. App. 1991).

The power to appropriate moneys for marketing is not implied by or incidental to the power to appropriate moneys for advertising under § 31-15-901 (1)(b). *Estes Park Chamber of Commerce v. Town of Estes Park*, 199 P.3d 11 (Colo. App. 2007).

31-15-102. Review without bond. In all actions, suits, and proceedings in any court in this state in which a municipality of this state is a party, such municipality may take an appeal, as provided by law and the Colorado appellate rules, without giving bond.

Source: **L. 75:** Entire title R&RE, p. 1105, § 1, effective July 1.

Editor's note: This section is similar to former § 31-19-101 as it existed prior to 1975.

ANNOTATION

Annotator's note. Since § 31-15-102 is similar to former § 31-19-101 prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, relevant cases construing a prior provision have been included in the annotations to this section.

This section grants municipalities the right of appeal and permits the appeal to be taken without the giving of bond, and in cases reviewable by the supreme court only on error, it grants the municipalities of the state the right to a supersedeas, whenever a supersedeas is allowed, without the giving bond. *Town of Del Norte v. Weiss*, 38 Colo. 269, 88 P. 581 (1906).

And this section is broad enough to include every cause in which a municipality is a party, in any court of the state. *Town of Del Norte v. Weiss*, 38 Colo. 269, 88 P. 581 (1906).

Thus, this section permitted an appeal from a police court by the city and without filing a bond. *Hummel v. City of Ouray*, 38 Colo. 322, 88 P. 582 (1906).

Appealing party has reasonable time to file necessary papers, since this section does not fix the time within which the transcript and papers must be filed in the county court on appeal. *Hummel v. City of Ouray*, 38 Colo. 322, 88 P. 582 (1906).

31-15-103. Making of ordinances. Municipalities shall have power to make and publish ordinances not inconsistent with the laws of this state, from time to time, for carrying into effect or discharging the powers and duties conferred by this title which are necessary and proper to provide for the safety, preserve the health, promote the prosperity, and improve the morals, order, comfort, and convenience of such municipality and the inhabitants thereof not inconsistent with the laws of this state.

Source: L. 75: Entire title R&RE, p. 1105, § 1, effective July 1.

Editor's note: This section is similar to former § 31-12-301 as it existed prior to 1975.

ANNOTATION

Law reviews. For article, "Municipal Penal Ordinances in Colorado", see 30 *Rocky Mt. L. Rev.* 267 (1958). For article, "One Year Review of Criminal Law and Procedure", see 36 *Dicta* 34 (1959).

Annotator's note. Since § 31-15-103 is similar to former § 31-12-301 prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, relevant cases construing those provisions have been included in the annotations to this section.

Ordinance of statutory city that is in conflict with state law of general application is invalid. *Lakewood Pawnbrokers, Inc. v. City of Lakewood*, 183 Colo. 370, 517 P.2d 834 (1973).

A municipal ordinance of a home-rule city that is in clear opposition to the provisions of a general state law is invalid. *Hamilton v. City & County of Denver*, 176 Colo. 6, 490 P.2d 1289 (1971).

Public necessity a state and municipal legislative determination. Whether the recital in a municipal ordinance, what it is "necessary for the immediate preservation of the public peace, health or safety", is true or not is a legislative and not a judicial question, and respecting this matter, there is no distinction between state and municipal legislation. *Shields v. City of Loveland*, 74 Colo. 27, 218 P. 913 (1923).

Standard measuring exercise of police power. If a restriction upon the use of property is to be upheld as a valid exercise of the police power it must bear "a fair relation to the public health, safety, morals, or welfare", and have "a definite tendency to promote or protect the same". In determining the validity of restraints upon freedom imposed by statute or ordinance, the determination to be made is whether the ordinance has a real and substantial relation to the accomplishment of those objectives which form the basis of police regulation. *City of Colo. Springs v. Grueskin*, 161 Colo. 281, 422 P.2d 384 (1966).

Due process, as it applies to cases involving municipal trash ordinances, requires only that a municipal ordinance enacted under the police power shall not be unreasonable, arbitrary, or capricious, and that it bear a rational relation to a proper legislative object sought to be attained. *United States Disposal Sys. v. City of Northglenn*, 193 Colo. 277, 567 P.2d 365 (1977).

A municipal regulation having a fair relation to the protection of human life and the protection of public convenience and welfare constitutes a reasonable application of the police power. *United States Disposal Sys. v. City of*

Northglenn, 193 Colo. 277, 567 P.2d 365 (1977).

The standard for determining whether there is a rational basis to uphold the constitutionality of a municipal ordinance is whether the ordinance is rationally related to a legitimate governmental goal. *City of Leadville v. Rood*, 198 Colo. 328, 600 P.2d 62 (1979).

The test of constitutionality for a municipal ordinance is whether there is a rational basis to uphold the classification created by the ordinance. *City of Leadville v. Rood*, 198 Colo. 328, 600 P.2d 62 (1979).

Cannot stifle fundamental personal liberties. Even though the governmental purpose may be legitimate and substantial, that purpose cannot be pursued by means that broadly stifle fundamental personal liberties when the end can be more narrowly achieved. *City of Lakewood v. Pillow*, 180 Colo. 20, 501 P.2d 744 (1972).

Differing treatment of people allowable where differentiation rational. The fact that an ordinance affects different people in different degrees does not invalidate the provision so long as the distinctions have a rational basis. *City of Leadville v. Rood*, 198 Colo. 328, 600 P.2d 62 (1979).

Ordinance must resemble national standards when regulating industry. Local ordinances should have some reasonable resemblance to recognized national standards established by qualified organizations, or otherwise the regulated industry would be at the mercy of every whim and caprice of the many different communities. *City of Colo. Springs v. Grueskin*, 161 Colo. 281, 422 P.2d 384 (1966).

A presumption of reasonableness attaches to ordinances promulgated for the health, safety, and welfare of the public. *United States Disposal Sys. v. City of Northglenn*, 193 Colo. 277, 567 P.2d 365 (1977); *City of Leadville v. Rood*, 198 Colo. 328, 600 P.2d 62 (1979).

Determination binding on supreme court. Unless a city council acts arbitrarily or capriciously in adopting an ordinance and in finding it necessary for the preservation of health and safety, such a determination is binding on the state supreme court. *United States Disposal Sys. v. City of Northglenn*, 193 Colo. 277, 567 P.2d 365 (1977).

Finding city standard unreasonable. It is not for the supreme court to substitute its notions as to what is fair and reasonable, but to ascertain under all existing circumstances whether the standard established by the city is in fact reasonable and bears a reasonable relation to the public health, welfare, and safety of the city and its inhabitants. And while it might be desirable to classify service stations as to the capacity of the truck which may make delivery there, or to promulgate some other reasonable regulations applying to retail services stations based on their specific location in certain fire

zones, the supreme court held that an ordinance which requires the tank vehicles to pass through the city to a bulk plant, unload at the bulk plant, and then reload vehicles and a capacity of less than 2,200 gallons for redelivery to retail filling stations throughout the city, necessarily involves a greater exposure to hazard and accident, and therefore a greater danger to the public health, welfare, and safety of the city and its populace. *City of Colo. Springs v. Grueskin*, 161 Colo. 281, 422 P.2d 384 (1966).

Liquor licensing ordinance required. The matter of issuing licenses by a municipality for the sale of liquor, in view of this section, should be governed by ordinance duly passed and published, and not left to the discretion of the city council. *Maurer v. Boggs*, 103 Colo. 72, 82 P.2d 1099 (1938).

And valid. Where an ordinance enumerating many places where men usually assemble or pass, provided that no person "shall drink" certain designated intoxicating liquors, while in any of these places "unless the person occupying the building be duly licensed by the city to sell, etc.", it was held that the manifest purpose of the ordinance is to prevent the drinking of intoxicating liquors in public view, and particularly of children and youth, and thus improve the public morals; that including all of the places of the classes designated it is therefore authorized by this section. *City of Delta v. Charlesworth*, 64 Colo. 216, 170 P. 965 (1918).

Set-back ordinances valid. Ordinances which require structures to be set back from the property line are a valid exercise of police power. *City of Leadville v. Rood*, 198 Colo. 328, 600 P.2d 62 (1979).

Regulation of signs permitted. The powers granted to a statutory city by this section and § 31-23-301 (1) are commodious enough to enable it to promote its safety and aesthetic interests by regulating the number and type of signs permitted in different zoning districts. *City of Lakewood v. Colfax Unlimited Ass'n*, 634 P.2d 52 (Colo. 1981).

City scavenger ordinance valid. Ordinance creating the office of city scavenger and defining his duties and prohibiting others from doing scavenger work without a license is not invalid because it fails to provide the special manner in which the scavenger work must be done. *City of Ouray v. Corson*, 14 Colo. App. 345, 59 P. 876 (1900).

The issuance of town bonds to fund a floating debt should conform with the provisions of this section as to procedure by ordinance. *Nat'l Bank of Commerce v. Town of Granada*, 54 F. 100 (8th Cir. 1893).

City ordinance on possession of deadly weapons held unconstitutionally overbroad. *City of Lakewood v. Pillow*, 180 Colo. 20, 501 P.2d 744 (1972).

Applied in *City of Denver v. Webber*, 15 Colo. App. 511, 63 P. 804 (1900).

31-15-104. Powers not exclusive. The enumeration of the powers set forth in this title shall not be construed to limit the exercise of any other power granted to municipalities by the provisions of any other law of this state.

PART 2

GENERAL ADMINISTRATIVE POWERS

31-15-201. Administrative powers. (1) The governing bodies in municipalities shall have the following general powers in relation to the administration of the municipality's affairs:

(a) To fill, by appointment, any vacancy occurring by death, removal, or resignation of any member of the governing body. Such appointee shall receive a majority vote of the remaining members of the governing body and shall hold his office only until the next regular election when the vacancy shall be filled by election as in other cases.

(b) To provide by ordinance for the appointment, term of office, removal, powers, duties, and compensation of all officers not otherwise provided for and of all employees;

(c) To appoint a board of health and prescribe its powers and duties;

(d) To provide for the taking of the municipal census, but no such census shall be taken by authority of the governing body more often than once between the years prescribed by law for the United States census to be taken;

(e) To provide by ordinance that all the paper, printing, stationery, blanks, fuel, and all the supplies needed for the use of the municipality shall be furnished by contract let to the lowest bidder;

(f) To organize, own, operate, control, direct, manage, contract for, or furnish ambulance service;

(g) To provide for the management and operation of any municipally owned hospital by any entity, public or private, profit or nonprofit, which the municipality determines will provide adequate and efficient administration for the operation of such hospital and to enter into contracts relating to such municipally owned hospital as authorized by part 1 of article 3 of title 25.5, C.R.S.;

(h) To authorize the use of electronic records or signatures and adopt rules, standards, policies, and procedures for use of electronic records or signatures pursuant to article 71.3 of title 24, C.R.S.;

(i) To establish an affordable housing dwelling unit advisory board for the municipality in accordance with the requirements of article 26 of title 29, C.R.S.

Source: L. 75: Entire title R&RE, p. 1105, § 1, effective July 1. **L. 77:** (1)(f) added, p. 1285, § 4, effective January 1, 1978. **L. 79:** (1)(g) added, p. 836, § 5, effective June 21. **L. 83:** (1)(g) amended, p. 1146, § 4, effective July 1. **L. 89:** (1)(g) amended, p. 1005, § 9, effective October 1. **L. 91:** (1)(g) amended, p. 588, § 12, effective October 1. **L. 99:** (1)(h) added, p. 1348, § 7, effective July 1. **L. 2001:** (1)(i) added, p. 977, § 3, effective August 8. **L. 2002:** (1)(h) amended, p. 858, § 8, effective May 30. **L. 2006:** (1)(g) amended, p. 2022, § 115, effective July 1.

Editor's note: The provisions of this section are similar to provisions of several former sections as they existed prior to 1975. For a detailed comparison, see the comparative tables located in the back of the index.

PART 3

GENERAL FINANCIAL POWERS

Cross references: For the constitutional provision that establishes limitations on spending, the imposition of taxes, and the incurring of debt, see § 20 of article X of the state constitution.

31-15-301. Definitions. As used in this part 3, unless the context otherwise requires:

(1) "Net effective interest rate" of a proposed issue of bonds means the net interest cost of said issue divided by the sum of the products derived by multiplying the principal amount of such issue maturing on each maturity date by the number of years from the date of said proposed bonds to their respective maturities.

(2) "Net interest cost" of a proposed issue of bonds means the total amount of interest to accrue on said bonds from their date of issuance to their respective maturities plus the amount of any discount below par or less the amount of any premium above par at which said bonds are being or have been sold. In all cases the net effective interest rate and net interest cost shall be computed without regard to any option of redemption prior to the designated maturity dates of the bonds.

Source: L. 75: Entire title R&RE, p. 1105, § 1, effective July 1.

Editor's note: The provisions of this section are similar to several former provisions of § 31-12-101 (7)(e)(I) and (7)(e)(II) as they existed prior to 1975. For a detailed comparison, see the comparative tables located in the back of the index.

31-15-302. Financial powers - legislative declaration. (I) The governing bodies in municipalities shall have the following general powers in relation to the finances of the municipality:

- (a) To control the finances and property of the corporation;
- (b) To appropriate money for municipal purposes only and provide for payment of debts and expenses of the municipality;
- (c) To levy and collect taxes for general and special purposes on real and personal property;
- (d) (I) To contract indebtedness on behalf of the municipality and upon the credit thereof by borrowing money or issuing the bonds of the municipality for any public purpose of the municipality, including but not limited to the following purposes: Supplying water, gas, heating and cooling, and electricity; purchasing land; and purchasing, constructing, extending, and improving public streets, buildings, facilities, and equipment; and for the purpose of supplying a temporary deficiency in the revenue for defraying the current expenses of the municipality.

(II) The total amount of indebtedness for all such purposes shall not at any time exceed three percent of the actual value, as determined by the assessor, of the taxable property in the municipality except such debt as may be incurred in supplying water. No loan for any purpose shall be made except by ordinance, which shall be irrevocable until the indebtedness provided for is fully paid or discharged, specifying the purposes to which the funds to be raised shall be applied and providing for the levying of a tax which, together with such other revenue, assets, or funds as may be pledged, is sufficient to pay the annual interest and extinguish the principal of said debt within the time limited for the debt to run, which, except such debt as may be incurred in supplying water, shall not be more than thirty years, and further providing that said tax, when collected, shall only be applied for the purposes specified in said ordinance until the indebtedness is paid and discharged. No debt shall be created, except in supplying water, unless the question of incurring the same is submitted, at a regular or special election of the municipality, to the registered electors thereof as

defined by the "Colorado Municipal Election Code of 1965" and a majority of the registered electors voting upon the question vote in favor of creating such debt.

(III) No statutory provisions of any other law limiting or fixing tax rates shall limit the provisions of this paragraph (d).

(IV) Bonds issued under this paragraph (d) may mature serially during a period of not more than thirty years from the date thereof, in which event the amounts of such annual maturities shall be fixed by the governing body; except that bonds issued to supply water may mature over a longer period. If the governing body so determines, said bonds may be redeemable prior to maturity with or without payment of a premium, not exceeding three percent of the principal thereof. In any event said bonds shall be subject to call commencing not later than fifteen years after the date thereof. The right to redeem all or part of said bonds prior to their maturity and the order of any such redemption shall be reserved in the ordinance authorizing the issuance of bonds and shall be set forth on the face of said bonds.

(V) The ordinance or resolution submitting the question of contracting an indebtedness shall contain a statement of the maximum net effective interest rate at which said indebtedness may be incurred.

(VI) (A) The governing body of any municipality, having received approval at an election to issue bonds and having determined that the limitations of the original election question are too restrictive to permit the advantageous sale of the bonds so authorized, may submit at another regular or special election the question of issuing the bonds or any portion thereof at a higher maximum net effective interest rate than the maximum interest rate or maximum net effective interest rate approved at the original election; the question of issuing the bonds or any portion thereof to mature over a longer period of time than the maximum period of maturity approved at the original election; or both such questions.

(B) An election held pursuant to this subparagraph (VI) shall be held in substantially the same manner as an election to authorize bonds initially except as may be required for the submission of the limited question permitted under this subparagraph (VI).

(C) At an election held pursuant to this subparagraph (VI), if the changes submitted are not approved, such result shall not impair the authority of the governing body at a later time to issue the bonds originally approved within the limitations established at the first election.

(e) To prescribe, by general ordinance, the manner in which the charge on the respective owners of lots or lands, and on the lots or lands, shall be assessed and determined for the purposes so authorized by law. Such charge, when assessed, shall be payable by the owners at the time of the assessment, personally, and also shall be a lien upon the respective lots or parcels of land from the time of the assessment. Such charge may be collected and such lien enforced by a proceeding at law or in equity, either in the name of such municipality or of any person to whom it has directed payment be made. In any such proceedings, where pleadings are required, it shall be sufficient to declare generally for work and labor done and materials furnished on the particular street, alley, or highway or for water rent or gas used. Proceedings may be instituted against all the owners, or any of them, to enforce the lien against all the lots or land, or each lot or parcel, or any number of them embraced in any one assessment; but the judgment or decree shall be entered separately for the amount properly chargeable to each. Any proceedings may be severed in the discretion of the court for the purpose of trial, review, or appeal.

(f) (I) For the purpose of providing and accumulating funds for the construction, acquisition, or improvement of public buildings, water facilities, sewer facilities, heating and cooling works, or other public works or to supplement bond issues for the same purpose, the governing body of each municipality is authorized to create, by resolution, a public works fund, setting forth in such resolution the description and location of the buildings, water facilities, sewer facilities, heating and cooling works, or other public works to be constructed, acquired, or improved; the estimated cost of the same; the annual tax levy required; and the number of years such a levy should be made; and the time of a public hearing. In lieu of an ad valorem levy, the governing body of the municipality may provide for other taxes or revenues authorized by law which will produce equivalent funds.

(II) If the amount needed does not require a tax levy in excess of two mills, the governing body is authorized, after a public hearing, to make such a levy without putting the proposition to a vote of the qualified electors. If a special levy in excess of two mills

for any one fiscal year is required, the governing body, by resolution, in their discretion may submit to the registered electors of such municipality the question of making such a special levy. The special election may be held on the same day as any other special or general election.

(III) In submitting the question to said electors, a ballot shall be printed giving the description and location of the public buildings, water facilities, sewer facilities, or other public works to be constructed, acquired, or improved; the estimated maximum amount to be expended for each single purpose; and the maximum mill levy, if any, required for each specified year. Each project shall be printed separately on the ballot.

(IV) The money derived from the special levy authorized shall be credited by the treasurer of the respective municipality to a special fund to be known as the public works fund. Such funds may be accumulated and held over for expenditure in subsequent years, but they shall be used only for the public works authorized. The governing body may change the purpose for which the fund may be expended after holding a public hearing. When the public works have been constructed, acquired, or improved and paid for, any unexpended balance in the public works fund shall be transferred to the general fund of the municipality.

(g) To deposit any moneys of general or special funds in any depository authorized in section 24-75-603, C.R.S. For the purpose of making such deposits, the governing body of a municipality may appoint, by written resolution, one or more persons to act as custodians of the moneys of the municipality. Such persons shall give surety bonds in such amounts and form and for such purposes as the governing body requires.

(h) To enter into installment purchase contracts or shared-savings contracts or otherwise incur indebtedness under section 29-12.5-103, C.R.S., to finance energy conservation and energy saving measures and enter into contracts for an analysis and recommendations pertaining to such measures under section 29-12.5-102, C.R.S.;

(i) (I) For a municipality that has a population of twenty thousand or fewer residents, to enter into contracts with a health care provider, who is licensed in this state, to provide health care services to such municipality. Such health care providers shall be known as "community contracted health care providers".

(II) The general assembly hereby finds, determines, and declares that access to health care services in rural areas is an increasing problem in Colorado. Some rural Coloradans do not have access to a primary care provider in their town and are forced to travel. It is the intent of the general assembly to ease the strain on rural Coloradans' health care needs by allowing a municipality with twenty thousand or fewer residents to contract with a health care provider to provide health care services to rural areas.

(III) (Deleted by amendment, L. 2008, p. 212, § 1, effective March 26, 2008.)

ANNOTATION

I. General Consideration.
II. Levying and Collecting Taxes.

III. Contracting Indebtedness.
IV. Charges on the land.

I. GENERAL CONSIDERATION.

Annotator's note. Since § 31-15-302 is similar to provisions of former § 31-12-101 prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, relevant cases construing those provisions have been included in the annotations to this section.

The governing bodies in cities and towns have the power to control the finances and property of the corporation. City of Trinidad v. Haxby, 136 Colo. 168, 315 P.2d 204 (1957).

Spending money for newsletters, annual reports and news releases may be for city purposes and is not necessarily personal or political. Gude v. City of Lakewood, 636 P.2d 691 (Colo. 1981).

No authority for expenditures relating to proposed constitutional amendment. This section does not empower a city council to make expenditures or contributions to further the defeat of a proposed constitutional amendment. Campbell v. Joint Dist. 28-J, 704 F.2d 501 (10th Cir. 1983).

City employees do not have a vested contractual right in the continuance of a particular rate or method of compensation. A city council, in the exercise of its legislative power, cannot enter into a contract which will bind succeeding city councils and thereby deprive them of the unrestricted exercise of their legislative power. Colo. Springs Fire Fighters v. Colo. Springs, 784 P.2d 766 (Colo. 1989).

Plaintiffs' assertion that they detrimentally relied upon the continuation of certain employee benefits was without merit since persons dealing with the city were on constructive notice of the scope of authority possessed by the municipal officials with whom they are dealing, and such constructive notice includes the knowledge that the city council acted pursuant to the authority granted it by the city charter and subject to the limitations provided therein which prohibited the imposition of future liability upon the city, unless prior appropriation was made. Colo. Springs Fire Fighters v. Colo. Springs, 784 P.2d 766 (Colo. 1989).

Applied in Lujan v. Colo. State Bd. of Educ., 649 P.2d 1005 (Colo. 1982).

II. LEVYING AND COLLECTING TAXES.

Among the powers possessed by cities in this state is the power of taxation. Lewis v. State Bd. of Agriculture, 138 Colo. 540, 335 P.2d 546 (1959).

Constitutional and statutory sources of tax power. The source by which a municipality may impose either a general ad valorem tax or special assessment tax upon the properties within its corporate limits is found under the provisions of § 7 of art. X, Colo. Const.; in turn, this power

is specifically amplified or implemented by the provisions of subsection (1)(c) of this section. Ochs v. Town of Hot Sulphur Springs, 158 Colo. 456, 407 P.2d 677 (1965).

When tax unconstitutional. Where taxes result in a flagrant inequality between the burden imposed and the benefit received, such is confiscatory and unconstitutional. Ochs v. Town of Hot Sulphur Springs, 158 Colo. 456, 407 P.2d 677 (1965).

Taxation and assessment are not synonymous terms; each is a separate and distinct exercise of the sovereign power to tax. Ochs v. Town of Hot Sulphur Springs, 158 Colo. 456, 407 P.2d 677 (1965).

Taxation defined. Taxation, as the word is employed in the Colorado constitution and statutes generally, is that burden or charge upon all property laid for raising revenue for general public purposes in defraying the expense of government. Ochs v. Town of Hot Sulphur Springs, 158 Colo. 456, 407 P.2d 677 (1965).

Assessments defined. Assessments are local and resorted to for making local improvements on the theory that the property affected is increased in value at least to the amount of the levy. Ochs v. Town of Hot Sulphur Springs, 158 Colo. 456, 407 P.2d 677 (1965).

An assessment in the nature of a special tax is for purposes of municipal improvement conferring a special benefit upon the property being assessed. Ochs v. Town of Hot Sulphur Springs, 158 Colo. 456, 407 P.2d 677 (1965).

If a tax is for a "general" purpose it must be an ad valorem tax. Ochs v. Town of Hot Sulphur Springs, 158 Colo. 456, 407 P.2d 677 (1965).

If "taxes" are special assessments upon the certain properties, the revenues therefrom cannot be diverted to providing for general town purposes, but will necessarily have to be used and confined to payment for the capital improvement resulting in an equivalent benefit to the properties. Ochs v. Town of Hot Sulphur Springs, 158 Colo. 456, 407 P.2d 677 (1965).

When special assessment improper. So much of an improvement as is designated and utilized for the general benefit of the inhabitants and property within the limits of a municipality is in no sense local, and special assessments to raise funds to construct, purchase, pay for, or maintain that portion of it cannot be lawfully levied. Ochs v. Town of Hot Sulphur Springs, 158 Colo. 456, 407 P.2d 677 (1965).

Special benefits which will sustain a special assessment must be immediate, and of such a character that they can be seen and traced, remote or contingent benefits enjoyed by the general public will not sustain a special assessment. Ochs v. Town of Hot Sulphur Springs, 158 Colo. 456, 407 P.2d 677 (1965).

To enforce a special assessment for a purpose which does not confer a special benefit upon the

property upon which it is levied would result in taking private property without compensation, and without due process of law. *Ochs v. Town of Hot Sulphur Springs*, 158 Colo. 456, 407 P.2d 677 (1965).

When special tax proper. Authority to levy a special frontage tax can only be upheld on the theory that the property upon which it is levied is specially benefited by the purposes to which such tax may be applied. *Ochs v. Town of Hot Sulphur Springs*, 158 Colo. 456, 407 P.2d 677 (1965).

III. CONTRACTING INDEBTEDNESS.

Ordinance required. Under subsection (1)(d), no loan can be contracted on behalf of a municipal corporation save by authority of an ordinance. *Town of Aurora v. Hayden*, 23 Colo. App. 1, 126 P. 1109 (1912).

Resolution not sufficient. The general rules are that where authority to exercise a corporate power by ordinance is granted, an attempt to exercise it by resolution is futile, and that where the constitution or this section which permits or grants the right to exercise a corporate power expressly designates the way in which it may be exercised, such designation limits the right to exercise it to the way specified, and renders its attempted exercise in any other way ineffectual. *Bosworthchanute & Co. v. Town of Brighton*, 272 F. 964 (8th Cir. 1921).

Municipal bonds are clothed with all the attributes of negotiable or commercial paper, pass by delivery or endorsement, and are not subject to equities (where the power to issue them exists) in the hands of holder for value, before due, without notice. *Hyden v. Town of Aurora*, 57 Colo. 389, 142 P. 183 (1914).

Statutory recital creates justified reliance by purchasers. Recital in municipal bonds that they were issued in accordance with the provisions of the enabling statute imports that they were sent forth in pursuant of a lawful and proper resolution or ordinance and of just and proper action by the governing board of a municipality. Such relieves the innocent purchaser of all inquiry, notice, or knowledge of the record, action, or omission of the municipal board or council or of the other officers of the municipality, and estops the municipality from denying that a lawful resolution or ordinance was passed and proper action was taken. *Hayden v. Town of Aurora*, 57 Colo. 389, 142 P. 183 (1914).

And estoppel applies. A municipality, a quasi-municipality, or a corporation and its officers, who by the apparent legality of their obligations or by recitals of their validity have induced innocent purchasers to invest in them are estopped from denying their legality on the ground that in some of the preliminary proceedings which led to their execution, or in their

execution itself, they failed to comply with some law or rule of action relative to the mere time or manner of action relative to the mere time or manner of their procedure, with which they might have lawfully complied, but which they carelessly disregarded. *Hayden v. Town of Aurora*, 57 Colo. 389, 142 P. 183 (1914).

A municipality or a quasi-municipality may not, by the recital of certificates in its bonds, estop itself from denying that it is without power to issue them when the laws are such that there can be no state of facts or of circumstances under which it would have authority to emit them. *Town of Aurora v. Gates*, 208 F. 101 (8th Cir. 1913); *Hayden v. Town of Aurora*, 57 Colo. 389, 142 P. 183 (1914).

Municipal actions to which subsection is applicable. Although a contract for the purchase of electrical machinery by a town provides that the price shall be paid from the net revenues of its lighting plant, yet, if the contract creates other obligations which the town must meet, and which cannot be paid out of plant income, or if a diversion of the plant profits will deplete the current revenue of the town, necessitating increased taxation, a debt is thereby created within the meaning of subsection (1)(d). *Reimer v. Holyoke*, 93 Colo. 571, 27 P.2d 1032 (1933).

Authority to issue bonds to purchase water rights. Subsection (1)(d) empowers towns and cities to contract an indebtedness for the purpose of purchasing or constructing waterworks for fire and domestic purposes and for the purpose of constructing or purchasing canals or some suitable system of supplying water for irrigation. When considered in connection with §§ 31-15-708 (1)(a) and (1)(b) and 31-15-707 (1)(e), relating to the condemnation of property, the power to construct and purchase reservoirs, to provide pumps, conducting pipes and ditches, to take water from the public streams, and to purchase water and water rights, it gives authority to such municipalities to issue bonds for the purchase of water rights to secure water for its inhabitants. *City of Cripple Creek v. Adams*, 36 Colo. 320, 85 P. 184 (1906).

But when constant supply involved resubmission to voters not required. Where the court ruled that the money was not for the purpose of purchasing of constructing waterworks, but that such waterworks had already been authorized and the city legislative body found the indebtedness necessary to supply the city with water, it was said that to render the waterworks effective so as to supply the city with water does not require constant submission to the voters for every improvement necessary to handle the water supply. *Hiatt v. City of Manitou*, 154 Colo. 525, 392 P.2d 282 (1964).

Municipal actions to which subsection is inapplicable. An agreement of a municipality, by ordinance, to pay a certain amount annually into a fund to be used for the payment of bonds

to be issued for the constriction of a municipal lighting plant, was held not to be the creation of a debt as that term is used in the constitution and in subsection (1)(d). *Shields v. City of Loveland*, 74 Colo. 27, 218 P. 913 (1923).

Applied In *Nat'l Bank of Commerce v. Town of Granada*, 54 F. 100 (8th Cir 1893).

IV. CHARGES ON THE LAND.

Scope of power. Subsection (1)(e) shows a deliberate intention to invest the city council with ample power over the subject of municipal improvements, not only by means of general and special taxes, but also by means of special charges or assessments, in all cases where the same are applicable and allowable by the constitution and laws of the state, and to authorize the collection thereof by suit in court, or by the county treasurer, in the same manner as other delinquent taxes are collected. *City of Pueblo v. Robinson*, 12 Colo. 593, 21 P. 899 (1889).

Authorized for purposes other than gas or water rents. The provisions of subsection (1)(e) stating that "In any such proceedings, where pleadings are required, it shall be sufficient to declare generally for work and labor done and materials furnished on the particular street, alley or highway, or for water rent or gas used" plainly shows that it was the design of this subdivision to authorize special assessments for other purposes than gas or water rents. *City of Pueblo v. Robinson*, 12 Colo. 593, 21 P. 899 (1889).

Apportionment authorized. In cases where special assessments are authorized, the city

council may prescribe the rule of apportionment, having reference to the special benefits accruing to the property by reason of the improvement, the same to be such as will secure an assessment in proportion to the benefits accruing as nearly as practicable. *City of Pueblo v. Robinson*, 12 Colo. 593, 21 P. 899 (1889).

Mode of assessment proper. When the property consists of lots of substantially equal depth abutting the local improvement, and there is nothing in the nature and circumstances of the particular case showing that an assessment in proportion to the frontage of the lots upon the improvement would work manifest injustice, such a mode of assessment should be upheld. *City of Pueblo v. Robinson*, 12 Colo. 593, 21 P. 899 (1889).

Authority for lien must be by ordinance. A municipal corporation cannot acquire a lien on town lots for unpaid water assessments unless and until the adoption of an ordinance authorizing such a lien under this subdivision. *Ordway v. Kaiser*, 90 Colo. 313, 9 P.2d 287 (1932).

Foreclosure of a trust deed cuts out all junior liens, including statutory liens, unless these be specifically excluded, hence the lien of a municipality for water assessments authorized under subsection (1)(e) is not superior to that of a trust deed on the property affected unless it attached under appropriate ordinance prior to the recording of the trust deed. *Ordway v. Kaiser*, 90 Colo. 313, 9 P.2d 287 (1932).

Sewer assessments. By subsection (1)(e) sewer assessments may be collected and the lien thereof enforced by the city council in a proceeding at law or in equity. *City of Highlands v. Johnson*, 24 Colo. 371, 51 P. 1004 (1897).

PART 4

POLICE REGULATIONS

31-15-401. General police powers. (1) In relation to the general police power, the governing bodies of municipalities have the following powers:

(a) To regulate the police of the municipality and pass and enforce all necessary police ordinances;

(b) To do all acts and make all regulations which may be necessary or expedient for the promotion of health or the suppression of disease;

(c) To declare what is a nuisance and abate the same and to impose fines upon parties who may create or continue nuisances or suffer nuisances to exist; except that a municipal ordinance may impose liability on the owner of real property for a nuisance committed on the property by a tenant in lawful possession of the property only if the municipality notifies the property owner and tenant of the nuisance before a fine or other liability is imposed;

(d) (I) To provide for and compel the removal of weeds, brush, and rubbish of all kinds from lots and tracts of land within such municipalities and from the alleys behind and from the sidewalk areas in front of such property at such time, upon such notice, and in such manner as such municipalities prescribe by ordinance, and to assess the whole cost thereof, including five percent for inspection and other incidental costs in connection therewith, upon the lots and tracts of land from which the weeds, brush, and rubbish are removed. The assessment shall be a lien against each lot or tract of land until paid and shall have priority over all other liens except general taxes and prior special assessments.

(II) In case such assessment is not paid within a reasonable time specified by ordinance, it may be certified by the clerk to the county treasurer who shall collect the assessment, together with a ten percent penalty for cost of collection, in the same manner as other taxes are collected. The laws of this state for assessment and collection of general taxes, including the laws for the sale and redemption of property for taxes, shall apply to the collection of such assessments.

(e) To prevent and suppress riots, routs, affrays, noises, disturbances, and disorderly assemblies in any public or private place;

(f) To prevent fighting, quarreling, dog fights, cock fights, and all disorderly conduct;

(g) To suppress bawdy and disorderly houses and houses of ill fame or assignation within the limits of the municipality or within three miles beyond, except where the boundaries of two municipalities adjoin the outer boundaries of the municipality; to suppress gaming and gambling houses, lotteries, and fraudulent devices and practices for the purpose of gaining or obtaining money or property; and to regulate the promotion or wholesale promotion of obscene material and obscene performances, as defined in part 1 of article 7 of title 18, C.R.S.;

(h) To restrain and punish loiterers, mendicants, and prostitutes;

(i) To prohibit and punish for cruelty to animals;

(j) To establish and erect jails, correction centers, and reform schools for the reformation and confinement of loiterers and disorderly persons and persons convicted of violating any municipal ordinance, to make rules and regulations for the government of the same, and to appoint necessary officers and assistants therefor;

(k) To use the county jail for the confinement or punishment of offenders, subject to such conditions as are imposed by law, and with the consent of the board of county commissioners;

(l) To authorize the acceptance of a bail bond when any person has been arrested for the violation of any ordinance and a continuance or postponement of trial is granted. When such bond is accepted, it shall have the same validity and effect as bail bonds provided for under the criminal statutes of this state.

(m) (I) To regulate and to prohibit the running at large and keeping of animals, including fowl, within the municipality and to otherwise provide for the regulation and control of such animals including, but not limited to, licensing, impoundment, and disposition of impounded animals.

(II) In case any municipality neglects or refuses to pass an ordinance in conformity with this paragraph (m), anyone impounding an animal running at large within the limits of said municipality shall notify the state board of stock inspection commissioners, and said animal shall be disposed of by said board as provided in article 44 of title 35, C.R.S.

(n) To regulate and license pawnbrokers as provided in section 12-56-102, C.R.S.;

(o) To enact and enforce ordinances prohibiting gambling and the use of any gambling device, as said terms are defined in section 18-10-102, C.R.S., in a park, on a public way, or on a street; except that in enacting and enforcing said ordinances, a municipality, notwithstanding any other provision of law to the contrary, may also prohibit social gambling in or on parks, public ways, or streets. Nothing in this paragraph (o) shall be construed as prohibiting pari-mutuel betting or wagering under article 60 of title 12, C.R.S.

(p) (I) To adopt reasonable regulations for the operation of establishments open to the public in which persons appear in a state of nudity for the purpose of entertaining the patrons of such establishment; except that such regulations shall not be tantamount to a complete prohibition of such operation. Such regulations may include the following:

(A) Minimum age requirements for admittance to such establishments;

(B) Limitations on the hours during which such establishments may be open for business; and

(C) Restrictions on the location of such establishments with regard to schools, churches, and residential areas.

(II) The governing body of the municipality may enact ordinances which provide that any establishment which engages in repeated or continuing violations of regulations adopted by the governing body shall constitute a public nuisance. In addition to the power provided for in paragraph (c) of this subsection (I) the governing body of the municipality

may bring an action for an injunction against the operation of such establishment in a manner which violates such regulations.

(III) Nothing in the regulations adopted by the governing body of the municipality pursuant to this paragraph (p) shall be construed to apply to the presentation, showing, or performance of any play, drama, ballet, or motion picture in any theater, concert hall, museum of fine arts, school, institution of higher education, or other similar establishment as a form of expression of opinion or communication of ideas or information, as differentiated from the promotion or exploitation of nudity for the purpose of advancing the economic welfare of a commercial or business enterprise.

(q) (I) To control and limit fires, including but not limited to the prohibition, banning, restriction, or other regulation of fires and the designation of places where fires are permitted, restricted, or prohibited.

(II) Nothing in this paragraph (q) shall be construed to preempt or supercede state, tribal, or federal law concerning the control, limitation, or other regulation of fires described in this paragraph (q).

Sess.:** (1)(q) added, p. 38, § 4, effective July 17. **L. 2005:** (1)(c) amended, p. 550, § 1, effective January 1, 2006.

Editor's note: The provisions of this section are similar to provisions of several former sections as they existed prior to 1975. For a detailed comparison, see the comparative tables located in the back of the index.

Cross references: For requirement that a municipality be made a party in any proceeding involving the validity of an ordinance or franchise and that the attorney general be served with a copy in any proceeding involving the constitutionality of an ordinance or franchise, see § 13-51-115 and C.R.C.P. 57(j); for the authority of counties to adopt regulations pursuant to their police powers, see § 30-15-401; for the penalty for livestock grazing on roads and in municipalities, see § 35-46-105.

ANNOTATION

- I. General Consideration.
- II. Regulating Municipal Police.
- III. Public Health.
- IV. Declaring and Abating Nuisances.
 - A. In General.
 - B. What Constitutes a Nuisance.
 - C. Abatement.
- V. Estrays and Impounding.

I. GENERAL CONSIDERATION.

Law reviews. For note, "Colorado Municipal Government Authority to Regulate Obscene Materials", see 51 Den. L.J. 75 (1974). For article, "Civil Enforcement of Building and Zoning Codes in Municipal Court", see 19 Colo. Law. 469 (1990).

Annotator's note. Since § 31-15-401 is similar to provisions of former §§ 31-12-101 and 31-12-701 through 31-12-706 prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, relevant cases construing those provisions have been included in the annotations to this section.

II. REGULATING MUNICIPAL POLICE.

No local regulation in areas preempted by state. No limitation is implied upon the traditional but statutory rights of municipalities to prevent disturbances of the peace and to maintain law and order by appropriate police action, but it is only when the city's acts or regulations attempt to interfere with or cover a field preempted by the state or which is of statewide concern that they must fail, and it makes no difference whether the attempted exercise of power by a city is reasonable, or is wholly prohibitory. *City of Golden v. Ford*, 141 Colo. 472, 348 P.2d 951 (1960).

No authority to pass ordinance regulating labor dispute. Express delegations of power to municipalities to pass and enforce all necessary police ordinances, to regulate streets, or to prevent and suppress riots, routs, affrays, noises, disturbances, disorderly assemblies in any public or private place are not express delegations to cities and town to adopt an ordinance regulating the conduct of parties to a labor dispute which on its face covers matters of statewide concern

already treated by state statute, the labor peace act. *City of Golden v. Ford*, 141 Colo. 472, 348 P.2d 951 (1960).

Applied in *City of Colo. Springs v. Smith*, 19 Colo. 554, 36 P. 540 (1894).

III. PUBLIC HEALTH.

Due process requirements. Due process, as it applies to cases involving municipal trash ordinances, requires only that a municipal ordinance enacted under the police power shall not be unreasonable, arbitrary, or capricious, and that it bear a rational relation to a proper legislative object sought to be attained. *United States Disposal Sys. v. City of Northglenn*, 193 Colo. 277, 567 P.2d 365 (1977).

A municipal regulation having a fair relation to the protection of human life and the protection of public convenience and welfare constitutes a reasonable application of the police power. *United States Disposal Sys. v. City of Northglenn*, 193 Colo. 277, 567 P.2d 365 (1977).

A presumption of reasonableness attaches to ordinances promulgated for the health, safety, and welfare of the public. *United States Disposal Sys. v. City of Northglenn*, 193 Colo. 277, 567 P.2d 365 (1977).

Authority for scavenger ordinance. Subsection (1)(b) gives to cities and towns ample power to pass an ordinance creating the office of city or town scavenger and providing that no other person shall do scavenger work for the citizens of the city or town without the payment of a license fee, fixed by the ordinance, and procuring a license, and fixing a penalty for the violation of the ordinance. *Ouray v. Corson*, 14 Colo. App. 345, 59 P. 876 (1900).

Authority to prevent sewer disconnections for nonpayment. Under subsection (1)(b) and §§ 31-15-702 (1)(a) and 31-15-709 (1)(a), where there is no other sewer to connect with, the necessity for the protection of the public health certainly gives to the city the right, temporarily at least, to prevent the digging up of its streets and alleys to disconnect private users who refuse to pay during the pendency of the quo warranto suit, regardless of who is right in that action. *City of Leadville v. Leadville Sewer Co.*, 47 Colo. 118, 107 P. 801 (1909).

Basis for judicial interference limited. A court of equity should not interfere with the officials of a city in efforts directed to the preservation of the public health under this section, unless the right of the applicant is free from doubt, and then only in an extreme and exceptional case. *City of Leadville v. Leadville Sewer Co.*, 47 Colo. 118, 107 P. 801 (1909).

Determination binding on supreme court. Unless a city council acts arbitrarily or capriciously in adopting an ordinance and in finding it necessary for the preservation of health and

safety, such a determination is binding on the state supreme court. *United States Disposal Sys. v. City of Northglenn*, 193 Colo. 277, 567 P.2d 365 (1977).

IV. DECLARING AND ABATING NUISANCES.

A. In General.

Constitutionality of conferring discretionary power of enforcement. The conferring of discretionary power upon administrative boards to grant or withhold permission to carry on a trade or business which is the proper subject of regulation within the police power of the state is not violative of rights secured by the fourteenth amendment of the federal constitution, and where the marshal was the agent of the city government when he issued the citation and impounded the steers, the ordinance is valid, and the execution thereof is strict compliance with its abatement provision is not within the ambit of the civil rights act. *Martin v. King*, 417 F.2d 458 (10th Cir. 1969).

Subsection (1)(c) is not self-executing. See *Wolfe v. Abbott*, 54 Colo. 531, 131 P. 386 (1912).

Ordinance pursuant to delegated police power. Where the title indicated that the ordinance defined nuisances and provided for the abatement, removal, or suppression of the same, and paragraph (c) authorizes municipalities under the police power section to declare what shall be a nuisance and to abate the same, accordingly, legislative authority existed for enacting the ordinance under the police power delegated by the state legislative body to the municipality. *Martin v. King*, 417 F.2d 458 (10th Cir. 1969).

Subsection (1)(c) requires an ordinance to make it effective. *Houston v. Walton*, 23 Colo. App. 282, 129 P. 263 (1913).

But not outside boundaries. Assuming, under subsection (1)(c), a town has power to declare it a nuisance for one to sell or keep for sale intoxicating liquor inside the corporate limits, and, by ordinance regulating the procedure, to abate the nuisance, this does not confer power to declare what shall constitute a nuisance within a mile beyond the outer boundaries, and abate it. *Wolfe v. Abbott*, 54 Colo. 531, 131 P. 386 (1913).

Denoting nuisance insufficient unless city had power to punish conduct. The fact that a municipal ordinance which prohibits the solicitation of orders for merchandise from residents without invitation denominates such practice a nuisance, which it may not be in fact, is immaterial in a consideration of the validity of the ordinance, the real question being whether the city had power to punish the prescribed conduct, not whether it had the right to name it.

McCormick v. City of Montrose, 105 Colo. 493, 99 P.2d 969 (1939).

City had authority to abate nuisance and to recoup its remediation expenses through liens if so provided in the nuisance ordinance. *Gold Vein LLC v. Cripple Creek*, 973 P.2d 1286 (Colo. App. 1999).

Municipality may not impose a priority lien for abatement expenses except as specifically authorized in subsection (1)(d) for weed, brush, and rubbish removal. *Gold Vein LLC v. Cripple Creek*, 973 P.2d 1286 (Colo. App. 1999).

Licensing ordinance repugnantly discriminatory. The attempt of a city council, by ordinance, to prevent the prosecution of lawful business avocations, not declared by any ordinance to be nuisances, within the city limits without a permit or license from the city council is not authorized by subsection (1)(c), and such an ordinance is repugnant to fundamental rights in that it is susceptible of being used to unjustly discriminate between individuals equally worthy and respectable by permitting certain individuals to pursue the avocations mentioned while denying the privilege to other persons of the same class, or by making acts done by one person penal and imposing no penalty for the same act when done under like circumstances by another. *May v. People*, 1 Colo. App. 152, 27 P. 1010 (1891).

Applied in *Brophy v. Hyatt*, 10 Colo. 223, 15 P. 399 (1887).

B. What Constitutes a Nuisance.

Animals. Under subsection (1)(c), the city council of a city or the board of trustees of a town may declare horses, cattle, sheep, swine, goats, or other like animals running at large within the corporate limits, a nuisance, and impose a fine on any person permitting it. *Haldeman v. Colo. City*, 52 Colo. 233, 120 P. 1041 (1911).

An ordinance was a valid nuisance abatement ordinance which lawfully declared maintenance of cattle within the town limits a nuisance and provided for abatement thereof unless a permit allowing such maintenance had been granted. *Martin v. King*, 417 F.2d 458 (10th Cir. 1969).

Liquor. The mere sale of, or keeping for sale, intoxicating liquors is not a nuisance per se, but the town council may by ordinance declare it a nuisance. *Wolfe v. Abbott*, 54 Colo. 531, 131 P. 386 (1913).

An ordinance prohibiting the sale of intoxicating liquors within the limits of the city, and declaring that "a place kept for such sale, and the business, and the liquor kept" is a nuisance "to be abated as any other nuisance" is conclusive in its effect, and the provision that the nuisance shall be abated "as any other nuisance" can be held to mean only as any other

nuisance may lawfully be abated. *Houston v. Walton*, 23 Colo. App. 282, 129 P. 263 (1913).

Privies. Cities may have the power to declare a privy in an established sewer district a nuisance per se, and to abate it, and fine the party suffering it to exist, but the proceeding would have to be under an ordinance based upon the power conferred by the statutes, and the ordinance must provide the manner of abatement. *Gault v. City of Ft. Collins*, 57 Colo. 324, 142 P. 171 (1914).

Nuisance per accidents. Even though zoning regulations permit an act to be done, and the act is being done with reasonable care and skill, the courts may grant relief where it is found that the acts complained of constitute a nuisance per accidents; to hold otherwise would be to state that the legislative body may license a nuisance. *Hobbs v. Smith*, 177 Colo. 299, 493 P.2d 1352 (1972).

C. Abatement.

The abatement procedure should be regulated by an ordinance, and the manner of abatement not left to the discretion of the officer executing the order. *Wolfe v. Abbott*, 54 Colo. 531, 131 P. 386 (1913).

Enjoining nuisance. Regardless of compliance with zoning ordinances or regulations, both business and residential uses may be enjoined if they constitute a nuisance to an adjoining property owner or resident. *Hobbs v. Smith*, 177 Colo. 299, 493 P.2d 1352 (1972).

Manner of arrest and destruction unwarranted. The arrest with unnecessary force of one found in possession of a stock of intoxicating liquors, the destruction of the liquors with other legitimate merchandise, all in a disorderly and tumultuous manner, in disturbance of the peace of the Sabbath day, was not justified by ordinance prohibiting the sale or keeping for sale of such liquors, and declaring that the sale or keeping for sale of such liquors was a nuisance; nor by a vote or resolution of the city council directing the city marshal to seize and bring before the police magistrate all such liquors, with the persons of those found upon the premises. *Houston v. Walton*, 23 Colo. App. 282, 129 P. 263 (1913).

As to nuisances which may at common law be summarily abated, e.g., the obstruction of the public highway, it may be that the municipal authorities may proceed without the aid or adjudication of any court, otherwise, in the absence of statute, as to other nuisances, or where the existence of the nuisance depends upon proof that the law has been violated. *Houston v. Walton*, 23 Colo. App. 282, 129 P. 263 (1913).

V. ESTRAYS AND IMPOUNDING.

Constitutional basis for power. A city organized under art. XX, Colo. Const., has the power

to impound animals running at large, within its bounds, and to charge owner a reasonable amount for discharging this duty, and such an imposition is a matter of local concern. *City of Pueblo v. Kurtz*, 66 Colo. 447, 182 P. 884 (1919).

Denver municipal ordinance prohibiting pit bulls held constitutional. Colo. Dog Fanciers v. Denver, 820 P.2d 644 (Colo. 1991).

Applied in *Brophy v. Hyatt*, 10 Colo. 223, 15 P. 399 (1887).

31-15-402. Liability for violation of nuisance ordinance. (1) If a municipality serves upon an owner and tenant of real property notice of a violation of a nuisance ordinance committed by a tenant on property that the owner rents or leases to a tenant, the owner shall have the right to deliver written notice to the tenant to abate the nuisance. If the tenant does not abate the nuisance within five days after delivery of the notice, the owner may enter the exterior area of the property and abate the nuisance.

(2) This section shall not be construed to prohibit a property owner from entering any area of the property under the terms of the lease with the tenant.

(3) If the abatement of a nuisance pursuant to this section requires the removal of a motor vehicle from the property, the property owner may abate the nuisance only by hiring a towing carrier, as defined in section 40-10.1-101, C.R.S., to take the vehicle to a lot for storage under appropriate protection.

(4) Unless the lease provides otherwise, the tenant shall be liable to the owner of the real property for the amount of the owner's direct costs in abating a nuisance pursuant to this section and for the amount of the fine imposed upon the owner on and after the date on which the tenant received notice of the nuisance from the municipality pursuant to section 31-15-401 (1) (c).

(5) Nothing in this section shall be construed to limit a tenant's legal remedies for harm caused by a property owner to the tenant's person or to the tenant's property other than the property that is the subject of an abatement pursuant to this section.

Source: L. 2005: Entire section added, p. 550, § 2, effective January 1, 2006. **L. 2011:** (3) amended, (HB 11-1198), ch. 127, p. 418, § 10, effective August 10.

31-15-403. Prohibition against the use of restraints on pregnant women in custody. A municipality that chooses to establish and operate a jail, as authorized in section 31-15-401 (1) (j), shall comply with the provisions of section 17-26-104.7, C.R.S., concerning the use of restraints on pregnant women in custody.

Source: L. 2010: Entire section added, (SB 10-193), ch. 312, p. 1468, § 5, effective January 1, 2011.

PART 5

REGULATION OF BUSINESSES

31-15-501. Powers to regulate businesses. (1) The governing bodies of municipalities have the following powers to regulate businesses:

(a) To prohibit within the limits of the municipality any offensive or unwholesome business or establishment and also to prohibit the carrying on of any business or establishment in an offensive and unwholesome manner within the limits of the municipality;

(b) To compel the owner of any grocery, cellar, soap or tallow candlery, tannery, stable, pigsty, privy, sewer, or other unwholesome or nauseous house or place to cleanse, abate, or remove the same, and to regulate the location thereof;

(c) To license, regulate, and tax, subject to any law of this state, any lawful occupation, business place, amusement, or place of amusements and to fix the amount, terms, and manner of issuing and revoking licenses issued therefor; except that, for purposes of the application of any occupational privilege tax, oil and gas wells and their associated production facilities have not been, are not, and shall not be considered an occupation or business place subject to such tax;

(d) To direct the location and regulate the management and construction of slaughterhouses, packing houses, renderies, tallow candleries, bone factories, soap factories, tanneries, and dairies within the limits of the municipality;

(e) To direct the location and regulate the use and construction of breweries, distilleries, livery stables, blacksmith shops, and foundries within the limits of the municipality;

(f) (I) To license, regulate, and control the laying of railroad tracks, to provide for and change the location, grade, and crossing of any railroad, and to control, regulate, and prohibit the use of steam engines and locomotives propelled by steam power within the corporate limits;

(II) To require railroad companies to fence their respective railroads or any portion of the same and to construct cattle guards at crossings of streets and public roads and keep the same in repair within the limits of the municipality;

(III) To require railroad companies to keep flagmen at railroad crossings of streets and to provide protection against injury to persons and property in the use of such railroads;

(IV) To compel such railroads to raise or lower their railroad tracks to conform to any grade which may at any time be established by such municipality and, when such tracks run lengthwise of any street, alley, or highway, to keep their tracks on a level with the street surface so that such tracks may be crossed at any place on such street, alley, or highway;

(V) To compel and require railroad companies to make, keep open, and keep in repair ditches, drains, sewers, and culverts along and under their railroad tracks so that filthy or stagnant pools of water cannot stand on their grounds or rights-of-way and so that the natural drainage of adjacent property shall not be impeded;

(g) To license, tax, regulate, suppress, and prohibit hucksters, peddlers, pawnbrokers, and keepers of ordinaries, theatrical and other exhibitions, shows, and amusements and to revoke such license at pleasure;

(h) To license, tax, and regulate hackmen, omnibus drivers, carters, cabmen, porters, expressmen, and all others pursuing like occupations and to prescribe the compensation;

(i) To license, regulate, tax, and restrain runners for stages, cars, public houses, or other things or persons;

(j) To license, regulate, tax, or prohibit and suppress billiard, bagatelle, pigeonhole, or any other tables or implements kept or used for a similar purpose in any place of public resort and pin alleys and ball alleys;

(k) To regulate the sale of meats, poultry, fish, butter, cheese, lard, vegetables, and all other provisions and to provide for the place and manner of selling the same. It is unlawful for any municipality to impose by ordinance or otherwise any license, assessment, or other charge upon any person bringing food products to such municipality for sale, either in bulk or by retail, from house to house if said food products were grown or raised by the person so having them for sale and are products of the state of Colorado.

(l) To regulate the sale of bread in the municipality and to prescribe the weight and quality of the bread in the loaf;

(m) To provide for and regulate the inspection of meats, poultry, fish, butter, cheese, lard, vegetables, flour, meal, and other provisions;

(n) To provide for the inspection and sealing of weights and measures;

(o) To enforce the keeping and use of proper weights and measures by vendors;

(p) To tax, license, and regulate auctioneers, lumberyards, livery stables, public scales, money changers, and brokers; except that the exercise of their powers shall not interfere with sales made by sheriffs, tax collectors, coroners, marshals, executors, guardians, any assignees of insolvent debtors, bankrupts, or debtors under the federal bankruptcy code of 1978 (title 11 of the United States Code), or any other persons required by law to sell real or personal property at auction;

(q) To tax, license, and regulate secondhand and junk stores, to forbid their purchasing or receiving from minors without the written consent of their parents or guardians any article, and to compel a record of purchases to be kept, subject at all times to the inspection by the police.

(2) (a) Subject to the exemptions found in 8 U.S.C. sec. 1621 (c) (2), to the extent that any license, permit, certificate, or other authorization to conduct business issued by a municipality constitutes a professional license or commercial license regulated by 8 U.S.C.

sec. 1621, the governing body of a municipality may issue such authorization to an individual only if the individual is lawfully present in the United States, and shall immediately deny any such authorization or renewal thereof upon determining that the individual is unlawfully present in the United States. The individual shall prove his or her identity with a secure and verifiable document, as that term is defined in section 24-72.1-102, C.R.S. A municipality shall not sell or utilize for any purpose other than those specified in law the information contained in the secure and verifiable document, and shall keep such information confidential unless disclosure is required by law; except that nothing in this paragraph (a) shall be construed to limit public access to records that are available for public inspection pursuant to article 72 of title 24, C.R.S.

(b) For purposes of this subsection (2), an individual is unlawfully present in the United States if the individual is an alien who is not:

(I) A qualified alien as defined in 8 U.S.C. sec. 1641;

(II) A nonimmigrant under the "Immigration and Nationality Act", federal Public Law 82-414, as amended; or

(III) An alien who is paroled into the United States under 8 U.S.C. sec. 1182 (d) (5) for less than one year.

(c) This subsection (2) shall be enforced without regard to race, religion, gender, ethnicity, or national origin.

Source: **L. 75:** Entire title R&RE, p. 1110, § 1, effective July 1. **L. 80:** (1)(p) amended, p. 785, § 12, effective June 5. **L. 96:** (1)(c) amended, p. 346, § 2, effective April 17. **L. 99:** (1)(a) and (1)(d) amended, p. 63, § 1, effective July 1. **L. 2006, 1st Ex. Sess.:** (2) added, p. 29, § 3, effective January 1, 2007.

Editor's note: The provisions of this section are similar to provisions of several former sections as they existed prior to 1975. For a detailed comparison, see the comparative tables located in the back of the index.

ANNOTATION

- I. General Consideration.
- II. Subsection (1)(c).
- III. Subsection (1)(g).
- IV. Subsection (1)(j).

I. GENERAL CONSIDERATION.

Law reviews. For article, "2006 Immigration Legislation in Colorado", see 35 Colo. Law. 79 (October 2006).

Annotator's note. Since § 31-15-501 is similar to former §§ 31-12-101 and 31-15-301 prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, relevant cases construing those provisions have been included in the annotations to this section.

Application of subsection (1)(a) to privies. Subsection (1)(a) gave the city sufficient authority to compel all buildings embraced within the power to connect with the sewer. It also confers ample power to prohibit the keeping of any privy within a sewer district, or within 400 feet of the sewer; but this does not mean the city has power to compel one who does not desire to make the connection to connect an outside or open privy or vault with the sewer. It can prohibit the maintenance and use of the privy, and

can fine the keeper and abate the nuisance, if it is a nuisance, and can compel owners of buildings to connect with the sewer. This would seem sufficient power to rid any sewer district of all privies and vaults, and to compel owners to connect all buildings with the sewer. *Gault v. City of Ft. Collins*, 57 Colo. 324, 142 P. 171 (1914).

Subsection (1)(b) was intended to apply to those things which are offensive to the senses, or unwholesome in the sense in which the terms are ordinarily used, and they refer to such things as dead carcasses, offensive and unwholesome slaughterhouses, privy vaults, pig sties, feeding pens, and the like. *Wolfe v. Abbott*, 54 Colo. 531, 131 P. 386 (1913).

Not as nuisances. Subsection (1)(b) does not confer upon towns and cities the power by ordinance to prohibit and abate a nuisance within a mile beyond the outer boundaries. *Wolfe v. Abbott*, 54 Colo. 531, 131 P. 386 (1913).

Enforced through fine and imprisonment. The town must prohibit the things mentioned in subsection (1)(b), and enforced the prohibition by fine and imprisonment. *Wolfe v. Abbott*, 54 Colo. 531, 131 P. 386 (1913).

Subsection (1)(b) does not apply to liquor, and if it did, there is no power given to declare

the enumerated matters a nuisance with power to abate the same. *Wolfe v. Abbott*, 54 Colo. 531, 131 P. 386 (1913).

Valid subsection (1)(h) ordinance. A city ordinance providing that hotel runners, stage and omnibus drivers, hackmen, and expressmen, plying their respective vocations at any passenger depot of any railroad in such city on the arrival and departure of trains, should occupy no part of the depot grounds or premises except that portion allotted and designated to them by the station agent of such depot is not to be construed as giving a railroad company the right to exclude from its depot grounds or premises any person lawfully engaged in serving the traveling public either with or without vehicles, nor to confer upon such company the power to grant exclusive rights and privileges to persons engaged in such occupations; but such ordinance, being authorized by subsection (1)(h), is to be upheld as a reasonable regulation to promote the convenience of the traveling public and to prevent disorder at railway stations. *City of Colo. Springs v. Smith*, 19 Colo. 554, 36 P. 540 (1894).

Municipal weights and measures divisions authorized. There is no conflict between the 1877 grant of powers to cities and towns with the weights and measures statute because the general assembly, in enacting the weights and measures statute, expressly recognized that cities and towns may have established and maintained weights and measures divisions pursuant to statutory consent of 1877. *Blackman v. County Court*, 169 Colo. 345, 455 P.2d 885 (1969).

Matter of both state and local concern. The regulation of weights and measures to prevent misrepresentations and frauds in commercial transactions between vendor and vendee is a matter of both statewide and local concern and may be regulated under the police power at the state level and concurrently at the municipal level, providing there are no conflicting regulatory provisions. *Blackman v. County Court*, 169 Colo. 345, 455 P.2d 885 (1969).

Ticket brokers subject to subsection (1)(p). The power to license ticket brokers has been conferred by subsection (1)(p). Upon the city council of cities, but that body may not relinquish the delegated power, or any essential part of it, to a private person or corporation or a purely voluntary private association, or confer upon any such association power to perform any municipal function whatever. *Munson v. City of Colo. Springs*, 35 Colo. 506, 84 P. 683 (1906).

Unreasonable city ordinance as to ticket brokers. A city ordinance regulating the licensing of railroad ticket brokers which requires an applicant for license to file with the city clerk a certificate of membership in some reputable ticket brokers' association before a license will be issued is unreasonable and invalid. *Munson*

v. City of Colo. Springs, 35 Colo. 506, 84 P. 683 (1906).

Railroad crossings may be abolished by public utilities commission. This section does not prohibit the public utilities commission from abolishing railroad crossings in the interest of public safety, pursuant to section 40-4-106. *City of Craig v. Pub. Utils. Comm'n*, 656 P.2d 1313 (Colo. 1983).

Applied in *City of Colo. Springs v. Smith*, 19 Colo. 554, 36 P. 540 (1894); *Rancho Colo., Inc. v. City of Broomfield*, 196 Colo. 444, 586 P.2d 659 (1978); *Central City Opera House Ass'n v. City of Central*, 650 P.2d 1349 (Colo. App. 1982).

II. SUBSECTION (1)(c).

A tax on income is in excess of the powers delegated to Colorado municipalities. *Bd. of Trustees v. Foster Lumber Co.*, 190 Colo. 479, 548 P.2d 1276 (1976).

Income and occupation tax differentiated. An income tax, whether net or gross, bears a direct relation to the income or receipts of a business. An occupation tax bears no such relationship. The latter is a tax upon the very privilege of doing business, and does not fluctuate from month to month depending upon the financial success or sales of the enterprise. *Bd. of Trustees v. Foster Lumber Co.*, 190 Colo. 479, 548 P.2d 1276 (1976).

An occupation tax is a tax on the privilege of doing business and does not fluctuate from month to month depending upon the financial success or sales of the enterprise. *Mountain States Tel. & Tel. Co. v. City of Colo. Springs*, 194 Colo. 404, 572 P.2d 834 (1977).

A true business or occupational tax is not an income tax nor a tax on real property, and the fact that the business necessarily involves and concerns realty does not change the nature of the tax. *City of Englewood v. Wright*, 147 Colo. 537, 364 P.2d 569 (1961).

Gross income and net income taxes are both 'income taxes' and their difference is a matter of degree. *Bd. of Trustees v. Foster Lumber Co.*, 190 Colo. 479, 548 P.2d 1276 (1976).

Admissions tax not tax on privilege of doing business. An admissions tax imposed upon persons patronizing businesses is not a tax on the privilege of doing business as authorized by this section. *City of Sheridan v. City of Englewood*, 199 Colo. 348, 609 P.2d 108 (1980).

Occupation tax authorized. The general assembly has given the power to impose an occupation privilege tax at a fixed rate regardless of the nature of the employment, to tax the privilege of all to engage in occupations within the municipality's territorial limits. *City & County of Denver v. Duffy Storage & Moving Co.*, 168 Colo. 91, 450 P.2d 339, appeal dismissed per

curiam, 369 U.S. 2, 90 S. Ct. 23, 24 L. Ed.2d 1 (1969).

Subsection (1)(c) authorized municipalities to impose occupation taxes on local businesses. *Bd. of Trustees v. Foster Lumber Co.*, 190 Colo. 479, 548 P.2d 1276 (1976).

The purpose of an occupation tax is to tax the owners of businesses for the privilege of conducting various classes of businesses within the boundaries of the city. *Bd. of Trustees v. Foster Lumber Co.*, 190 Colo. 479, 548 P.2d 1276 (1976).

As revenue measure. A home-rule city has the undoubted power to impose a business or occupational tax for the sole purpose of raising revenue. *City of Englewood v. Wright*, 147 Colo. 537, 364 P.2d 569 (1961).

Language denoting tax not indicative of true nature. The language used by the legislative body in denominating the nature of a tax assessed is not determinative of its true character. *Bd. of Trustees v. Foster Lumber Co.*, 190 Colo. 479, 548 P.2d 1276 (1976).

Business defined. Business is a very comprehensive term and embraces everything about which a person can be employed, that which occupies the time, attention, and labor of men for the purpose of livelihood or profit, and corporations organized for the purpose of doing business, and actually engaged in such activities as leasing property, collecting rents, managing office buildings, making investments of profits, or leasing ore lands and collecting royalties, managing wharves, dividing profits, and in some cases investing the surplus, are engaged in business within the meaning of this statute. *City of Englewood v. Wright*, 147 Colo. 537, 364 P.2d 569 (1961).

The renting of residential or commercial property is a "business" and as such is subject to the power to impose a business or occupational tax. *City of Englewood v. Wright*, 147 Colo. 537, 364 P.2d 569 (1961).

One who acquires realty and then improves, subdivides, and sells the land for building sites is also engaged in a business which can be subjected to an occupational tax. *City of Englewood v. Wright*, 147 Colo. 537, 364 P.2d 569 (1961).

Those who purchase land at tax sales are subject to a business or occupational tax. *City of Englewood v. Wright*, 147 Colo. 537, 364 P.2d 569 (1961).

Tax of two dollars per day for each room rented is a valid occupation tax. This roughly approximates the amount of use that the hotels, through their employees and customers, make of the town's services and facilities. Variation in the amount of tax paid during each taxing period caused by calculations based on factors other than income is not fatal to a valid occupation tax. *Town of Eagle v. Scheibe*, 10 P.3d 648 (Colo. 2000).

A city ordinance passed by a city of the second class making any sale in the furtherance of business taxable, and imposing a tax on businesses and professions graduated according to the number of employees in each business or profession, did not contravene the right to acquire property without undue interference and so did not violate § 3 of art. II, Colo. Const. *Jackson v. City of Glenwood Springs*, 122 Colo. 323, 221 P.2d 1083 (1950).

Exercise of licensing power subject to judicial review. While the general power to license is conferred by this subdivision of this section, the mode of its exercise is not prescribed, hence the reasonableness, as well as the constitutionality, of an ordinance prescribing the mode of exercise of the power is a matter of judicial cognizance. *Munson v. City of Colo. Springs*, 35 Colo. 506, 84 P. 683 (1906).

Applied in *Orman v. City of Pueblo*, 8 Colo. 292, 6 P. 931 (1885).

III. SUBSECTION (1)(g).

Subsection (1)(g) ordinances constitutional. The adoption of a municipal ordinance restricting the operations of peddlers and solicitors at private residences is an authorized and reasonable exercise of police powers of the state delegated to municipal legislative bodies; such ordinances do not deprive the parties affected of any right guaranteed by either the fourteenth amendment to the federal constitution or provisions of the state fundamental law. *McCormick v. City of Montrose*, 105 Colo. 493, 99 P.2d 969 (1939).

And not a burden on interstate commerce. A restrictive municipal ordinance concerning the operations of peddlers and solicitors is not a regulation of, or burden upon, interstate commerce within the intent and meaning of the interstate commerce clause of the federal constitution. *McCormick v. City of Montrose*, 105 Colo. 493, 99 P.2d 969 (1939).

Peddler defined. To constitute a peddler within the meaning of subsection (1)(g), the trader must be one who carries with him the goods which he intends to sell. *Kennedy v. People ex rel. La Junta*, 9 Colo. App. 490, 49 P. 373 (1897).

One who sells by sample merely, for future delivery, is not a peddler. *Kennedy v. People ex rel. La Junta*, 9 Colo. App. 490, 49 P. 373 (1897).

No exclusive power to license shows, etc. There is nothing in subsection (1)(g) which shows any intention to take away from the county its power, or to grant unto cities and towns the exclusive power to license shows and amusements within their respective limits. *Godfrey v. Bd. of Comm'rs*, 53 Colo. 196, 124 P. 190 (1912).

Statutory licensing power only. Under subsection (1)(g) and the other pertinent provisions of this subsection, the authority of municipal corporations to grant licenses for occupations carried on within their limits exists by force of the statute alone, and they cannot legally exact license fees from those engaged in business pursuits not included or covered by the statute. *Bernheimer v. City of Leadville*, 14 Colo. 518, 24 P. 332 (1890).

The general assembly did not intend to deprive the county of any of its revenue by enacting subsection (1)(g). *Godfrey v. Bd. of Comm'rs*, 53 Colo. 196, 124 P. 190 (1912).

Licensing ordinance allowing too much discretion violative of fundamental law. An ordinance passed under the authority of paragraph (g) requiring one peddling artesian water within the city limits to have a license, and giving the city council power to give or withhold such license at its discretion, is void in that it is violative of the fundamental law of the state and nation, because the right to pursue a lawful calling is a natural right, subject only to such restrictions as the legislative authority may impose upon all alike, and it is not dependent upon the will or caprice, or the pleasure or prejudice or discretion of a city council. *City of La Junta v. Heath*, 38 Colo. 372, 88 P. 459 (1906).

IV. SUBSECTION (1)(j).

No constitutional right. Section 3 of art. II, Colo. Const., does not confer upon the citizen a

constitutional right to conduct a business which may be inimical to the public morals, such as the use of pinball machines as gambling devices. *Bunzel v. City of Golden*, 150 Colo. 276, 372 P.2d 161 (1962).

Discouragement or prohibition proper. With respect to those occupations or forms of business, however, that are not useful, but are inherently harmful and dangerous to society or the public welfare, license requirements and exactions may be so imposed as to discourage and even amount to a prohibition of them. *Bunzel v. City of Golden*, 150 Colo. 276, 372 P.2d 161 (1962).

Pinball machines. The supreme court has held that pinball machines may be used as gambling devices and has refused to enjoin officers from seizing them under the terms of local ordinances. *Bunzel v. City of Golden*, 150 Colo. 276, 372 P.2d 161 (1962).

A city is specifically authorized to prohibit entirely the use of such pinball machines. *Bunzel v. City of Golden*, 150 Colo. 276, 372 P.2d 161 (1962).

License fee, etc., constitutional. An ordinance exacting a license fee of \$100 per machine from a person who owns and operates four or more machines in his own place of business, and a lesser fee for those operating fewer than four machines, does not deprive the former of equal protection of the law. *Bunzel v. City of Golden*, 150 Colo. 276, 372 P.2d 161 (1962).

PART 6

BUILDING AND FIRE REGULATIONS

31-15-601. Building and fire regulations - emission performance standards required. (1) The governing bodies of municipalities have the following powers in relation to building and fire regulations:

(a) To regulate the construction, repairs, and use of vaults, cisterns, areas, hydrants, pumps, sewers, and gutters;

(b) To regulate partition fences and party walls;

(c) To prescribe the thickness and strength of, and the manner of constructing, stone, brick, and other buildings and to prescribe the construction of fire escapes therein;

(d) To prescribe the limits within which wooden buildings shall not be erected, or moved into from outside said limits or placed in or repaired without permission, to direct that any buildings within the fire limits, when the same have been damaged by fire, decay, or otherwise to the extent of fifty percent of the value, be torn down or removed, and to prescribe the manner of ascertaining such damage;

(e) (I) To prevent the dangerous construction and condition of chimneys, fireplaces, hearths, stoves, stovepipes, ovens, and apparatus used in and about any factory and to cause the same to be removed or placed in a safe condition when considered dangerous;

(II) To regulate and prevent the carrying on of manufacturing which causes and promotes fires;

(III) To prevent the deposit of ashes in unsafe places and to cause all such buildings and enclosures as may be in a dangerous state to be put in a safe condition;

(f) To provide for the inspection of steam boilers;

(g) To compel the owners and occupants of houses and other buildings to have scuttles on the roof and stairs or ladders leading to the same and to compel the owners of all buildings over two stories in height to provide fire escapes;

(h) To regulate the size, number, and manner of the construction of the doors and stairways of theaters, tenement houses, audience rooms, and all buildings used for the gathering of a large number of people, to provide convenient, safe, and speedy exits in case of fire;

(i) To compel the owners of all lots with a building fronting on the street to provide a number on said building;

(j) To regulate or prevent the storage and transportation of gunpowder, tar, pitch, resin, coal oil, benzine, turpentine, hemp, cotton, gasoline, nitroglycerine, petroleum, or any of the products thereof, and other combustible or explosive material within the municipal limits and to prescribe the limits within which any such regulations shall apply; to regulate the use of lights in garages, shops, and other places; to regulate or prevent the storage of gunpowder and other high explosives within the municipal limits or within one mile of the outer boundaries thereof; and to regulate and restrain the use of fireworks, firecrackers, torpedoes, roman candles, skyrockets, and other pyrotechnic displays;

(j.5) To regulate fires consistent with the provisions of section 31-15-401 (1) (q);

(k) To regulate and prohibit the keeping of any lumberyard and the placing, piling, or selling of any lumber, timber, wood, or other combustible material within the fire limits of the municipality and to regulate the storage of any combustible material at any place within the limits of the municipality;

(l) To erect engine houses and provide fire engines, hose, hose carts, hooks and ladders, and other implements for the extinguishing of fires and provide for the use and management of the same by volunteer fire companies or otherwise; to determine the powers and duties of the members of the fire department in taking charge of property to the extent necessary to bring under control and extinguish any fire; to preserve and protect property not destroyed by fire; and to restrain persons from interfering with the discharge of the duties of the members of the fire department in connection with the fighting of any fire.

(2) By the date established in section 25-7-407, C.R.S., every governing body of a municipality which has enacted a building code, and thereafter every governing body which enacts a building code, shall enact a building code provision to regulate the construction and installation of fireplaces in order to minimize emission levels. Such building code provision shall contain standards which shall be the same as or stricter than the approved emission performance standards for fireplaces established by the air quality control commission in the department of public health and environment pursuant to section 25-7-407, C.R.S.

Source: **L. 75:** Entire title R&RE, p. 1111, § 1, effective July 1. **L. 84:** (2) added, p. 782, § 3, effective April 12. **L. 87:** (2) amended, p. 1144, § 9, effective June 16. **L. 94:** (2) amended, p. 2802, § 564, effective July 1. **L. 2002, 3rd Ex. Sess.:** (1)(j) amended and (1)(j.5) added, p. 38, § 5, effective July 17. **L. 2005:** (2) amended, p. 774, § 59, effective June 1.

Editor's note: The provisions of this section are similar to provisions of several former sections as they existed prior to 1975. For a detailed comparison, see the comparative tables located in the back of the index.

31-15-602. Energy-efficient building codes - legislative declaration - definitions - repeal. (1) The general assembly hereby finds and declares that there is statewide interest in requiring an effective energy efficient building code for the following reasons:

(a) Excessive energy consumption creates effects beyond the boundaries of the local government within which the energy is consumed because the production of power occurs in centralized locations.

(b) Air pollutant emissions from energy consumption affects the health of the citizens throughout Colorado.

(c) The strain on the grid from peak electric power demands is not confined to jurisdictional boundaries.

(d) There is statewide interest in the reliability of the electrical grid and an adequate supply of heating oil and natural gas.

(e) Controlling energy costs for residents and businesses furthers a statewide interest in a strong economy and reducing the cost of housing in Colorado.

(2) As used in this section, unless the context otherwise requires:

(a) "Building code" means regulations related to energy performance, electrical systems, mechanical systems, plumbing systems, or other elements of residential or commercial buildings.

(b) "Energy code" means, at a minimum, the 2003 international energy conservation code, or any successor edition, published by the international code council or any other code determined by the Colorado energy office created in section 24-38.5-101, C.R.S., to be more appropriate for local conditions.

(c) "Office" means the Colorado energy office created in section 24-38.5-101, C.R.S.

(3) Within one year of July 1, 2007, the governing body of any municipality that has enacted a building code shall adopt an energy code that shall apply to the construction of, and renovations and additions to, all commercial and residential buildings in the municipality.

(4) (a) The energy code shall apply to any commercial or residential building in the municipality for which a building permit application is received subsequent to the adoption of the energy code.

(b) (I) A municipality shall not charge permit, plan review, or other fees to install an active solar electric or solar thermal device or system that, in aggregate, exceed the lesser of the municipality's actual costs in issuing the permit or five hundred dollars for a residential application or one thousand dollars for a nonresidential application if the device or system produces fewer than two megawatts of direct current electricity or an equivalent-sized thermal energy system, or that exceed the municipality's actual costs in issuing the permit if the device or system produces at least two megawatts of direct current electricity or an equivalent-sized thermal energy system. The municipality shall clearly and individually identify all fees and taxes assessed on an application subject to this subparagraph (I) on the invoice. The general assembly hereby finds that there is a statewide need for certainty regarding the fees that can be assessed for permitting such devices or systems, and therefore declares that this paragraph (b) is a matter of statewide concern.

(II) This paragraph (b) is repealed, effective July 1, 2018.

(5) The following buildings are exempt from the provisions of subsection (4) of this section:

(a) Any building that is otherwise exempt from the provisions of the building code adopted by the governing body of the municipality in which the building is located and buildings that do not contain a conditioned space;

(b) Any building that does not use either electricity or fossil fuels for comfort heating. A building will be presumed to be heated by electricity even in the absence of equipment used for electric comfort heating if the building is provided with electrical service in excess of one hundred amps, unless the code enforcement official of the municipality determines that the electrical service is necessary for a purpose other than for providing electric comfort heating.

(c) Historic buildings that are listed on the national register of historic places or Colorado state register of historic properties and buildings that have been designated as historically significant or that have been deemed eligible for designation by a local governing body that is authorized to make such designations; and

(d) Any building that is exempt pursuant to the energy code.

(6) Notwithstanding any other provisions of this section, the governing body of any municipality that is required to adopt an energy code may make any amendments to the energy code that the governing body deems appropriate for local conditions, so long as the amendments do not decrease the effectiveness of the energy code.

(7) (a) The office shall ensure that information explaining the requirements of the energy code and describing acceptable methods of compliance is available to builders, designers, engineers, and architects.

(b) The office shall provide the governing body of any municipality with technical assistance concerning the implementation and enforcement of the energy code.

Cross references: In 2011, subsection (4)(b) was amended by the “Fair Permit Act”. For the short title, see section 1 of chapter 311, Session Laws of Colorado 2011.

PART 7

PUBLIC PROPERTY AND IMPROVEMENTS

31-15-701. Necessary buildings. The governing body of each municipality has the power to erect and care for all necessary public buildings for the use of the municipality.

Source: **L. 75:** Entire title R&RE, p. 1113, § 1, effective July 1.

Editor’s note: The provisions of this section are similar to several former provisions of § 31-12-101 (19) as they existed prior to 1975. For a detailed comparison, see the comparative tables located in the back of the index.

31-15-702. Streets and alleys. (1) The governing body of each municipality has the power:

(a) (I) To lay out, establish, open, alter, widen, extend, grade, pave, or otherwise improve streets, parks, and public grounds and vacate the same and to direct and regulate the planting of ornamental and shade trees in such streets, parks, and public grounds; to plant trees upon the same; to regulate the use of the same; to prevent and remove encroachments or obstructions upon the same; to provide for the lighting of the same; and to provide for the cleansing of the same;

(II) To regulate the openings therein for the laying-out of gas or water mains and pipes, the building and repairing of sewers, tunnels, and drains, and the erecting of utility poles. Any company organized under the general laws of this state or any association of persons organized for the purpose of manufacturing energy to supply municipalities or the inhabitants thereof with the same has the right by consent of the governing body, but not without such consent, subject to existing rights, to erect factories and lay down pipes in the streets or alleys of any municipality in the state, subject to such regulations as any such municipality by ordinance may impose.

(III) To regulate the use of sidewalks along the streets and alleys and all structures thereunder and to require the owner or occupant of any premises to keep the sidewalks, or along the same, free from snow and other obstructions;

(IV) To regulate and prevent the throwing or depositing of ashes, garbage, or any offensive matter in and to prevent any injury to any street, park, or public ground;

(V) To provide for and regulate crosswalks, curbs, and gutters;

(VI) To regulate and prevent the use of streets, parks, and public grounds for signs, signposts, awnings, awning posts, and power and communications poles, and for posting handbills and advertisements; to regulate and prohibit the exhibition or carrying of banners, placards, advertisements, or handbills in the streets or public grounds or upon the sidewalks; and to regulate and prevent the flying of flags, banners, or signs across the streets or from houses;

(VII) To regulate traffic and sales upon the streets, sidewalks, and public places and to regulate the speed of vehicles, cars, and locomotives within the limits of the municipality;

(VIII) To regulate the numbering of houses and lots and to name and change the name of any street or other public place;

(b) (I) To provide for the construction and maintenance of sidewalks, curbs, and gutters of such material and in such manner as shall be designated and to provide for paying the expenses thereof by special assessments upon the adjacent or abutting property, which assessments shall constitute a lien as provided in section 31-15-401 (1) (d) (I);

(II) To grade, grade or gravel, or otherwise surface or improve streets and alleys and to assess the costs of such improvements upon the lots or lands adjacent to or abutting upon any street or alley or portion thereof so improved, which assessments shall constitute a lien as provided in section 31-15-401 (1) (d);

(c) To grant, by ordinance and upon such terms and conditions as may be prescribed therein, to other municipalities the right-of-way through, over, across, and under streets and alleys for the purpose of laying, constructing, operating, maintaining, and repairing waterworks and all pipelines connected therewith;

(d) To authorize the construction of mills and mill races, irrigating or mining ditches, and feeders on, through, or across the streets of the municipality at such places and under such restrictions as deemed proper.

Source: L. 75: Entire title R&RE, p. 1113, § 1, effective July 1.

Editor's note: The provisions of this section are similar to provisions of several former sections as they existed prior to 1975. For a detailed comparison, see the comparative tables located in the back of the index.

ANNOTATION

Law reviews. For article, "Regulation of Cable Television", see 48 U. Colo. L. Rev. 501 (1977). For note, "The Permissible Scope of Compulsory Requirements for Land Development in Colorado", see 54 U. Colo. L. Rev. 447 (1983).

Annotator's note. Since § 31-15-702 is similar to former § 31-12-101 prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, a relevant case construing a prior provision has been included in the annotations to this section.

No constitutional limit. Under this section, municipalities have power to regulate the use of their public streets within constitutional limitations. *Trujillo v. City of Walsenburg*, 108 Colo. 427, 118 P.2d 1081 (1941).

Due process requirements regarding trash ordinances. Due process, as it applies to cases involving municipal trash ordinances, requires only that a municipal ordinance enacted under the police power shall not be unreasonable, arbitrary or capricious, and that it bear a rational relation to a proper legislative object sought to be attained. *United States Disposal Sys. v. City of Northglenn*, 193 Colo. 277, 567 P.2d 365 (1977).

A presumption of reasonableness attaches to ordinances promulgated for the health, safety, and welfare of the public. *United States Disposal Sys. v. City of Northglenn*, 193 Colo. 277, 567 P.2d 365 (1977).

Police power prevails over proprietary powers. As between the proprietary powers given to a district organized under section 32-4-101 and the police power to protect its citizens

and streets given to a city by this section, the police power prevails. *People v. Haase*, 198 Colo. 47, 596 P.2d 392 (1979).

Immune from liability. In regulating public streets, the town, as such, acts within its governmental capacity and falls within the rule of immunity against liability in connection with the enforcement of its ordinances. *Walker v. Tucker*, 131 Colo. 198, 280 P.2d 649 (1955).

Under this section, the city is authorized to establish and improve streets and sidewalks and prevent and remove obstructions therefrom and the execution of this power may be required as public duty. *People ex rel. Stonebraker v. Wood*, 90 Colo. 506, 10 P.2d 331 (1932).

A municipality has broad power to vacate streets or roadways within its boundaries. *City of Colo. Springs v. Crumb*, 148 Colo. 32, 364 P.2d 1053 (1961).

The broad power of a municipality to vacate streets or roadways within its boundaries is subject only to the limitations of the constitution and the authority delegated by statute, and a court of equity will not review its action in the absence of fraud or a plain abuse of power. *City of Colo. Springs v. Crumb*, 148 Colo. 32, 364 P.2d 1053 (1961).

Scope of powers under paragraph (a). Paragraph (a), giving to municipal authorities power to vacate parks and public grounds, does not empower such authorities to alienate a plat of ground dedicated to the use of the people of a city for a public park, or to appropriate it, or any part of it, for a use inconsistent with the purpose of the dedication. *McIntyre v. Bd. of Comm'rs*, 15 Colo. App. 78, 61 P. 237 (1900).

Street cut permit may be required by municipality. A municipality, acting reasonably, has the right to require a water and sanitation district, or those acting in its behalf, to obtain a permit to effect a street cut to repair the district's water lines located below the surface of a street. *People v. Haase*, 198 Colo. 47, 596 P.2d 392 (1979).

Theory upon which owner of property abutting street may be required to pay costs of public improvements, such as streets, street paving, curbs, gutters and sidewalks, is that the property is especially benefited by the improvements over and above the general benefit to the public at large. *Bethlehem Evangelical Lutheran Church v. City of Lakewood*, 626 P.2d 668 (Colo. 1981).

Refuse and litter control is clearly within the framework of legitimate municipal concern. *Mosgrove v. Town of Federal Heights*, 190 Colo. 1, 543 P.2d 715 (1975).

A city has the power to regulate traffic by municipal ordinance within its boundaries only. *Svaldi v. City of Lakewood*, 36 Colo. App. 155, 536 P.2d 331 (1975).

A town was empowered by the Colorado constitution to adopt an ordinance that restricted truck traffic on two major streets in the town. *Carl Ainsworth, Inc. v. Town of Morrison*, 189 Colo. 223, 539 P.2d 1267 (1975).

The enforcement of a town ordinance prohibiting truck traffic on two major streets in the town did not operate as an unreasonable, arbitrary, and discriminatory exercise of police power in violation of amendment 14, U.S. Const. and § 25 of art. II, Colo. Const. *Carl Ainsworth, Inc. v. Town of Morrison*, 189 Colo. 223, 539 P.2d 1267 (1975).

A town has the right to regulate curb cuts under its police power. *Heckendorf v. Town of Littleton*, 132 Colo. 108, 286 P.2d 615 (1955).

Unconstitutional fee on use of curb cut. A town ordinance requiring a license and an annual fee to be paid by an abutting property owner using a curb cut as a means of ingress and egress to his property, where regulation under such ordinance amounted to nothing more than a billing of the property owner, such fee is a tax on the right of ingress and egress and not a regulatory fee, and as such is unconstitutional. *Heckendorf v. Town of Littleton*, 132 Colo. 108, 286 P.2d 615 (1955).

The privilege of a citizen to use the streets of a municipality may be regulated in the

interest of all, however, such privilege is not absolute, and must be exercised in subordination to the general comfort and convenience, and in consonance with peace and good order, but it must not, under the guise of regulation, be abridged or denied. *Trujillo v. City of Walsenburg*, 108 Colo. 427, 118 P.2d 1081 (1941).

But not in violation of fourteenth amendment. A municipal ordinance which leaves to the uncontrolled official discretion of a chief of police the right to say who shall, and who shall not, use its streets for parades or assemblages is authorization of the exercise of arbitrary power by a governmental agency, is in violation of the fourteenth amendment of the federal constitution, and void on its face. *Trujillo v. City of Walsenburg*, 108 Colo. 427, 118 P.2d 1081 (1941).

Delegation of ministerial duties. A city cannot delegate the authority given by this section to establish the grade of a sidewalk, however it may delegate mere ministerial power, e.g., surveying, investigation, computation, and may take the advice of professional people, but the final determination must be made by the council. *City of Leadville v. McDonald*, 67 Colo. 131, 186 P. 715 (1919).

Ordinance preventing removal of buildings not within authority of section. An ordinance imposing on the moving of buildings outside the corporate limits of the town a license tax so high as to be prohibitive, which ordinance was plainly passed to prevent the removal of buildings from the town, is not a regulation of the use of the streets authorized by this section but is a pure prohibition, and it is on its face unjust, unreasonable, discriminative, oppressive, and resorted to for an illegal purpose; hence it is unconstitutional and void. *Town of Eckley v. Meyers*, 116 Colo. 536, 181 P.2d 1014 (1947).

Ordinance prohibiting utilities from requiring municipalities to pay for the relocation of a utility facility is valid as a reasonable exercise of police power and the power to regulate streets and utility poles. *U S West Commc'ns v. City of Longmont*, 948 P.2d 509 (Colo. 1997).

Applied In *Lewis v. Denver Waterworks Co.*, 19 Colo. 236, 34 P. 993 (1893); *Mitchell v. Titus*, 33 Colo. 385, 80 P. 1042 (1905); *City of Colo. Springs v. Colo. & S. Ry.*, 38 Colo. 107, 89 P. 820 (1906); *Bittle v. Brunetti*, 750 P.2d 49 (Colo. 1988).

31-15-703. Improvements - petition - construction. (1) When the owners of sixty percent of the frontage of the lots or lands adjacent to or abutting upon any street or alley or designated portion thereof petition the governing body in writing to construct a sewer, including a storm sewer, in said street or alley or require sidewalks to be constructed along said street or alley or designated portion thereof, it is the duty of the governing body to order said improvement to be made, to assess the cost of said improvement against the lots or lands adjacent to or abutting upon said sidewalk, street, or alley so improved, and to collect

the assessment as provided in sections 31-15-401 (1) (d) and 31-15-704.

(2) When the governing body deems it necessary that any sewer, including a storm sewer, should be constructed, it shall construct the same, assess the cost thereof against the adjacent property, and collect the assessment as provided in sections 31-15-401 (1) (d) and 31-15-704. When the governing body deems it necessary that any portion of a sidewalk, curb, and gutter be constructed or repaired, it may, on its own motion, order the same to be done, and if not constructed or repaired by the owner upon notice, the municipality may construct or repair the same, assess the costs thereof against the adjacent property owner, and collect the assessment as provided in sections 31-15-401 (1) (d) and 31-15-704.

Source: L. 75: Entire title R&RE, p. 1114, § 1, effective July 1.

Editor's note: This section is similar to former § 31-15-302 as it existed prior to 1975.

31-15-704. Collection of assessments. When the cost of any improvement provided for in sections 31-15-702 (1) (b) and 31-15-703 is assessed against the owners of adjacent or abutting property and the assessment is not paid within thirty days, the clerk shall certify said assessment to the treasurer of the county who shall extend said assessment upon his tax roll and collect it in the same manner as other taxes assessed upon said property.

Source: L. 75: Entire title R&RE, p. 1114, § 1, effective July 1.

Editor's note: This section is similar to former § 31-15-303 as it existed prior to 1975.

31-15-705. Construction of highway - petition - notice - election - tax. Any municipality may aid in the construction and repair of any highway leading thereto by appropriating a portion of the highway tax belonging to said municipality, not exceeding fifty percent thereof annually, as provided in this section. When a petition signed by twenty of the registered electors of said municipality asking that the question of aiding in the construction or repair of any highway leading thereto be submitted to the registered electors thereof is presented to the governing body, the governing body immediately shall give notice of a special election. Said notice shall specify the date of such election, the particular highway proposed to be aided, and the proportion of the highway tax then levied and not expended or next thereafter to be levied to be appropriated. The election shall be conducted in accordance with the provisions of the "Colorado Municipal Election Code of 1965". The question on the ballot or voting machine tabs shall be "Appropriation" or "No appropriation". If a majority of the votes polled are for appropriation, the governing body may aid in the construction and repair of said highway to the extent of the appropriation in the same manner as they otherwise would if said highway were within the municipal limits of said municipality. No part of such highway tax shall be expended more than two miles from the limits of such municipality.

Editor's note: This section is similar to former § 31-12-103 as it existed prior to 1975.

Cross references: For the "Colorado Municipal Election Code of 1965", see article 10 of this title.

31-15-706. Railroad track. (1) The governing body of each municipality has the power to grant the use of, or the right to lay down, any railroad track in any street of the municipality to any steam or street railroad company operating its cars, by any kind of mechanical motive power, only upon the written consent of the owners of the land representing more than one-half of the frontage of the street or so much thereof as is sought to be used for railroad purposes. No franchise shall be granted on that part of any street upon which any other company is operating cars without the written consent of a majority of the frontage owners in every block abutting the track already down upon said street.

(2) The governing body of each municipality has the power to extend, by condemnation or otherwise, any street, alley, or highway over or across or to construct any sewer under or through any railroad track, right-of-way, or land of any railroad company within the corporate limits, but where no compensation is made to such railroad company, the municipality shall restore such railroad track, right-of-way, or land to its former state or in a sufficient manner not to have impaired its usefulness.

Source: L. 75: Entire title R&RE, p. 1115, § 1, effective July 1.

Editor's note: This section is similar to former § 31-12-101 (75) and (76) as it existed prior to 1975.

ANNOTATION

Abolition of railroad crossings by public utilities commission. This section does not prohibit the public utilities commission from abolishing railroad crossings in the interest of public

safety, pursuant to § 40-4-106. *City of Craig v. Pub. Utils. Comm'n*, 656 P.2d 1313 (Colo. 1983).

31-15-707. Municipal utilities. (1) The governing body of each municipality has the power:

(a) (I) To acquire waterworks, gasworks, and gas distribution systems for the distribution of gas of any kind or electric light and power works and distribution systems, or heating and cooling works and distribution systems for the distribution of heat and cooling obtained from geothermal resources, solar or wind energy, hydroelectric or renewable biomass resources, including waste and cogenerated heat, and all appurtenances necessary to any of said works or systems or to authorize the erection, ownership, operation, and maintenance of such works and systems by others. No such works or systems, except waterworks, shall be acquired or erected by a municipality until the question of acquiring or erecting the same is submitted at a regular or special election and approved in the manner provided for authorization of bonded indebtedness by section 31-15-302 (1) (d) and in accordance with the requirements of law, including requirements of law relating to the acquisition and financing of public utilities by municipalities. The question of acquiring or erecting a waterworks need not be so submitted and approved at an election.

(II) All such works or systems authorized by any municipality to be erected by others or the franchise of which is extended or renewed shall be authorized, extended, or renewed upon the express condition that such municipality has the right and power to purchase or condemn any such works or systems at their fair market value at the time of purchasing or condemning such works or systems, excluding all value of the franchise or right-of-way through the streets and also excluding any value by virtue of any contract for hydrant or private rental or otherwise entered into with the municipality in excess of the fair market value of the works or systems. If, after an election conducted in the manner prescribed in section 31-15-302 (1) (d), the municipality is authorized to acquire any of said works or systems after granting a franchise therefor to any person, the municipality shall purchase or condemn such works or systems within the municipal limits then utilized in serving the inhabitants of such municipality at their fair market value. Nothing in this subparagraph (II) shall require such municipality to purchase or condemn all or any part of such works or systems which is obsolete or which has outworn its usefulness.

(III) If the municipality elects to purchase such works or systems and if the parties in interest cannot agree on the purchase price, they shall enter into a written agreement to arbitrate the matter and to abide by the award of the arbitrators, in which event each party shall choose an arbitrator to determine their fair market value. If the two arbitrators cannot agree on the fair market value, they shall choose a third disinterested arbitrator, and the award of any two arbitrators shall be final and binding upon the parties.

(IV) Nothing in this paragraph (a) shall authorize the condemnation or purchase of any such works or systems within twenty years after the granting of any franchise therefor,

except at periods of ten or fifteen years thereafter, without the consent of the owner of the franchise.

(b) To construct or authorize the construction of such waterworks without their limits and, for the purpose of maintaining and protecting the same from injury and the water from pollution, their jurisdiction shall extend over the territory occupied by such works and all reservoirs, streams, trenches, pipes, and drains used in and necessary for the construction, maintenance, and operation of the same and over the stream or source from which the water is taken for five miles above the point from which it is taken and to enact all ordinances and regulations necessary to carry the power conferred in this paragraph (b) into effect;

(c) To make such grant to inure for a term of not more than twenty-five years when the right to build and operate such water, gas, heating and cooling, or electric light works is granted to a person by said municipality and to authorize such person to charge and collect from each person supplied by them with water, gas, heat, cooling, or electric light such water, gas, heat, cooling, or electric light rent as may be agreed upon between the person building said works and said municipality; and to enter into a contract with the person constructing said works to supply said municipality with water for fire purposes and for such other purposes as may be necessary for the health and safety thereof and also with gas, heat, cooling, and electric light and to pay therefor such sums as may be agreed upon between said contracting parties;

(d) To assess from time to time, when constructing such water, gas, heating and cooling, or electric light works and in such manner as it deems equitable, upon each tenement or other place supplied with water, gas, heat, cooling, or electric light, such water, gas, heat, cooling, or electric light rent as may be agreed upon by the governing body. Gas, heat, cooling, and electric light shall be charged for according to use. At the regular time for levying taxes in each year, said municipality is empowered to levy and cause to be collected, in addition to the other taxes authorized to be levied, a special tax on taxable property in said municipality. Such tax, with the water, gas, heat, cooling, or electric light rents hereby authorized, shall be sufficient to pay the expenses of running, repairing, and operating such works. If the right to build, maintain, and operate such works is granted to a person by a municipality and the municipality contracts with said person for the supplying of water, gas, heat, cooling, or electric light for any purpose, such municipality shall levy each year and cause to be collected a special tax, as provided for in this paragraph (d), sufficient to pay off such water, gas, heat, cooling, or electric light rents so agreed to be paid to said person constructing said works. The tax shall not exceed the sum of three mills on the dollar for any one year.

(e) To condemn and appropriate so much private property as is necessary for the construction and operation of water, gas, heating and cooling, or electric light works in such manner as may be prescribed by law; and to condemn and appropriate any water, gas, heating and cooling, or electric light works not owned by such municipality in such manner as may be prescribed by law for the condemnation of real estate.

Source: **L. 75:** Entire title R&RE, p. 1115, § 1, effective July 1. **L. 77:** (1)(a)(I) amended, p. 1462, § 1, effective May 16. **L. 81:** (1)(a)(I) and (1)(c) to (1)(e) amended, p. 1455, § 3, effective May 27.

Editor's note: This section is similar to former § 31-12-101 as it existed prior to 1975.

ANNOTATION

- I. General Consideration.
- II. Water, Gas, and Electric Works.
- III. Franchises and Assessments.
- IV. Condemnation for Utilities.

I. GENERAL CONSIDERATION.

Law reviews. For article, "May Regulated Utilities Monopolize the Sun", see 56 U. Den-

ver L.J. 31 (1979). For article, "Utility Use of Renewable Resources: Legal and Economic Implications", see 59 U. Den. L.J. 663 (1982). For article, "Quality Versus Quantity: The Continued Right to Appropriate — Part I", see 15 Colo. Law. 1035 (1986).

Annotator's note. Since § 31-15-707 is similar to former § 31-12-101 prior to the 1975 repeal and reenactment of this title, and laws

antecedent thereto, relevant cases construing those provisions have been included in the annotations to this section.

Under subsection (1)(b), municipalities may either construct their own system of water works, or may grant a franchise therefor to a private company. *Donahue v. Morgan*, 24 Colo. 389, 50 P. 1038 (1897).

Applied in *Greene v. City of Loveland*, 51 Colo. 593, 119 P. 622 (1911); *City of Colo. Springs v. Pikes Peak Hydro-Electric Co.*, 57 Colo. 169, 140 P. 921 (1914); *City of Thornton v. Pub. Utils. Comm'n*, 157 Colo. 188, 402 P.2d 194 (1965).

II. WATER, GAS, AND ELECTRIC WORKS.

Primary object of subsection (1)(a) is to permit the inhabitants of towns and cities to secure an adequate supply of pure water, a paramount necessity more important than all other public utilities and absolutely necessary for the sustenance of life, the preservation of health, and the protection of property. The general assembly desired to invest the people, who were themselves to bear the burdens of the expense, with every power necessary to supply this imperative want, but the general assembly itself could not determine and fix upon some one invariable mode or manner by which this supply was to be obtained, for the obvious reasons that too many conditions were to be considered; that what would be proper, necessary, and entirely satisfactory at one town would be entirely impracticable in another, and the inhabitants of one municipality might feel perfectly able to supply their own wants, while those of another might feel wholly unable to assume this burden. *Thomas v. City of Grand Junction*, 13 Colo. App. 80, 56 P. 665 (1899).

Scope of city council's powers. From subsections (1)(a) and (1)(b) and § 31-15-708 (1)(a), it will be seen that the city council has had plenary authority to manage and control the water system and all the property of the city, and to distribute and apply its water not only to ordinary municipal uses, but to "irrigation and other purposes". *Pikes Peak Power Co. v. City of Colo. Springs*, 105 F. 1 (8th Cir. 1900).

Discretionary power. Subsection (1)(a) was intended to vest, and does vest in the authorities of cities and towns, entire discretion as to the use of any and all of the means specified in the statute to supply the city or town with water, and the fact that a city or town has granted to a private party or corporation a franchise to construct waterworks to supply the city or town does not preclude the city or town from afterwards constructing waterworks of its own. *Thomas v. City of Grand Junction*, 13 Colo. App. 80, 56 P. 665 (1899).

Antitrust statute not violated. City ordinance requiring permit to construct or operate a natural gas pipeline within city was a foreseeable consequence of the power granted municipalities by this section to acquire gas distribution systems and was shielded from antitrust liability under the state action exemption. *Sterling Beef Co. v. Ft. Morgan*, 810 F.2d 961 (10th Cir. 1987).

The operation of an electric plant by a town is the performance of a municipal function specifically authorized by subsection (1)(a). *Holyoke v. Smith*, 75 Colo. 286, 226 P. 158 (1924); *Pub. Serv. Co. v. City of Loveland*, 79 Colo. 216, 245 P. 493 (1926); *Cook v. City of Delta*, 100 Colo. 7, 64 P.2d 1257 (1937).

Subsection (1)(a) expressly reserves the right of the city or town to condemn. *Pub. Serv. Co. v. City of Loveland*, 79 Colo. 216, 245 P. 493 (1926).

Although an ordinance granting the right to a private corporation to operate a lighting plant in the city by its terms fails to reserve the right to the city to purchase or condemn the plant, nevertheless, the provision of subsection (1)(a) to that effect will be read into and made a part of the ordinance. *Pub. Serv. Co. v. City of Loveland*, 79 Colo. 216, 245 P. 493 (1926).

Inapplicable to private plants. Subsection (1)(a) has no application to electric light plants erected by private parties for their own business purposes; it applies only to waterworks, gas works, and electric light works purchased or erected by cities, or build for cities, under contracts with them, by other parties. *Pikes Peak Power Co. v. City of Colo. Springs*, 105 F. 1 (8th Cir. 1910).

It was not the intention of the general assembly to require the approving vote of the majority of the taxpayers of a city every time its council issued a license to a corporation, partnership, or person to erect or install a gas plant or an electric light plant upon its premises for domestic or business uses. *Pikes Peak Power Co. v. City of Colo. Springs*, 105 F. 1 (8th Cir. 1910).

III. FRANCHISES AND ASSESSMENTS.

The words "as may be agreed upon" used in subsection (1)(d) refer to the authority contained in subsection (1)(c), which leaves the amounts to the unrestricted agreement of the parties, and the intention is to provide a method by which the city might discharge its obligation. *Grand Junction Water Co. v. City of Grand Junction*, 14 Colo. App. 424, 60 P. 196 (1900).

The power of a municipality to levy assessments depends on express provision of charter or statute and the extent to which the power may be exercised is to be determined by the proper construction of such provision. *City of Delta v. Lamb*, 55 Colo. 483, 136 P. 77 (1913).

Reasonable exercise of power to limit compensation required. The general power of the legislative department to regulate the compensation of a corporation for performing public services, in the absence of a contract regulating it, is subject to the limitation that it must be reasonably exercised, and the reasonableness of the regulation is a proper subject of judicial inquiry; but where the corporation rendering the services and the municipality have mutually agreed upon a method for determining such compensation, and the latter has complied therewith, the former may not insist upon its constitutional rights and disregard the contract without showing the unreasonableness or nonenforceability thereof. *Leadville Water Co. v. City of Leadville*, 22 Colo. 297, 45 P. 362 (1896).

Contract for higher fee valid. Under subsection (1)(c), authorizing cities and towns to contract with individuals or companies constructing waterworks, to supply said cities or towns with water and to pay therefor such sum as may be agreed upon between the contracting parties, and subsection (1)(d), providing that if such contract is made, such city or town shall levy each year and cause to be collected a special tax sufficient to pay off the amount agreed to be paid for such water supply, not to exceed three mills on the dollar for any one year, the amount that the city or town may contract to pay is not limited by the limit placed on the amount of special tax that may be levied and collected, and a city or town may contract to pay more than the three-mill levy will cover and pay the deficiency from its general revenue. The failure of a city or town to collect for any one or more years a sufficient sum to discharge its obligation for water rents could not extinguish its liability on the contract. *Grand Junction Water Co. v. City of Grand Junction*, 14 Colo. App. 424, 60 P. 196 (1900).

Amount of levy to pay back rents. Under subsection (1)(d), where a city is indebted to a water company for back rents and no levy has been made for several years to meet such rents, the city may levy a tax to pay such rents in excess of 3 mills provided the levy is not in excess of 3 mills for each year for which no levy was made. *Bowen v. West*, 10 Colo. App. 322, 50 P. 1085 (1897).

Statute of limitations. If an ordinance of a city whereby a water company was permitted to lay water mains on condition that the citizens of the city be permitted to make connections with the mains for domestic supply of water at the prevailing scheduled rates in another city created a perpetual term and was a municipal franchise agreement, the city was foreclosed by

virtue of subsection (1)(c) from asserting its rights, more than 25 years after the passage of the ordinance, against the other city, successor to the properties of the water company. *City of Englewood v. City & County of Denver*, 123 Colo. 290, 229 P.2d 667 (1951).

IV. CONDEMNATION FOR UTILITIES.

Subsection (1)(e) is not unconstitutional by reason of the title of the act being defective, and it applies to plants acquired before, as well as after, its passage. *Pub. Serv. Co. v. City of Loveland*, 79 Colo. 216, 245 P. 493 (1926).

It is the province of the town authorities to determine what property shall be taken and condemned upon which to construct a plant to operate a waterworks system belonging to the town. *Lavelle v. Town of Julesburg*, 49 Colo. 290, 112 P. 774 (1910); *Pub. Serv. Co. v. City of Loveland*, 79 Colo. 216, 245 P. 493 (1926).

Discretionary power conclusive. Under subsection (1)(e) the exercise of discretionary power and judgment of municipal officers, when acting within the scope of their authority, is conclusive unless it clearly appears their action was fraudulent or unreasonable. *Lavelle v. Town of Julesburg*, 49 Colo. 290, 112 P. 774 (1910); *Pub. Serv. Co. v. City of Loveland*, 79 Colo. 216, 245 P. 493 (1926).

A municipality may condemn for public use private property which lies outside of the city limits. *Pub. Serv. Co. v. City of Loveland*, 79 Colo. 216, 245 P. 493 (1926); *Colo. Cent. Power Co. v. City of Englewood*, 89 F.2d 233 (10th Cir. 1937).

Applicable to private property. There is no authority extended to the city, in either subsection (1)(d) or § 38-1-102, to condemn property dedicated to public use. Both statutes relate to private property, and the authority given under subsection (1)(d) to cities and towns for condemnation for private property is regulated by the laws prescribed for the condemnation for real estate, which is clearly and unmistakably set out in § 38-1-102. *Beth Medrosh Hagodol v. City of Aurora*, 126 Colo. 267, 248 P.2d 732 (1952).

Take only necessities and reimburse. Where a city, for public purposes, condemns a lighting plant of a private corporation, it has to take only such portions of the system as its necessities required, reimbursing the corporation for damages to the residue. *Pub. Serv. Co. v. City of Loveland*, 79 Colo. 216, 245 P. 493 (1926).

The compensation for land taken under subsection (1)(e) is to be paid by the town. *Lavelle v. Town of Julesburg*, 49 Colo. 290, 112 P. 774 (1910).

31-15-708. Water and water systems. (1) The governing body of each municipality has the power:

(a) To construct public wells, cisterns, and reservoirs in the streets and other public and

private places within the municipality or beyond the limits thereof for the purpose of supplying the same with water, to provide proper pumps and conducting pipes or ditches, to regulate the distribution of water for irrigating and other purposes, and to levy an equitable and just tax upon all consumers of water for the purpose of defraying the expense of such improvements;

(b) (I) To take water in sufficient quantity, for the purpose provided in paragraph (a) of this subsection (1), from any stream, creek, gulch, or spring in this state. If the taking of such water in such quantity materially interferes with or impairs the vested right of any person residing upon such creek, gulch, or stream or doing any milling or manufacturing business thereon, the governing body shall first obtain the consent of such person or acquire the right of domain by condemnation as prescribed by law and make full compensation or satisfaction for all the damages thereby occasioned to such person.

(II) When it is deemed necessary by any municipality to enter upon or take private property for any of the uses set forth in this section, the property shall be examined and appraised and the damages thereon assessed. The proceedings shall be in all respects the same as provided by articles 1 to 7 of title 38, C.R.S., for the taking of private property for public or private use.

(c) To regulate the water supply used in said municipality for domestic or household purposes and to prohibit and condemn the use of any and all surface wells and the waters thereof for domestic or household purposes when the same are found injurious to the health of said municipality or of the inhabitants thereof;

(d) To supply water from its water system to consumers outside the municipal limits of the municipality and to collect such charges upon such conditions and limitations as said municipality may impose by ordinance.

Editor's note: The provisions of this section are similar to provisions of several former sections as they existed prior to 1975. For a detailed comparison, see the comparative tables located in the back of the index.

ANNOTATION

Law reviews. For comment, "Water: State-wide or Local Concern? City of Thornton v. Farmers Reservoir & Irrigation Co.", see 56 Den. L.J. 625 (1979).

Annotator's note. Since § 31-15-708 is similar to former § 31-12-101 (39) prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, relevant cases construing those provisions have been included in the annotations to this section.

Denver authorized to provide water to users outside boundaries. Subsection (1)(d) necessarily provides that Denver has the power to appropriate water for such purposes. City and County of Denver v. Colo. River Water Conservation Dist., 696 P.2d 730 (Colo. 1985).

Operation and maintenance of water facilities power. The general assembly has empowered municipalities to operate and maintain water facilities for the benefit of users within and without their territorial boundaries. Colo. Open Space Council, Inc. v. City & County of Denver, 190 Colo. 122, 543 P.2d 1258 (1975).

The right of a city to divert water for the use of its inhabitants is not superior to the

right of an individual, or a farming community, to divert water for domestic or other purposes, in the sense that the city may take water for that purpose from those who have previously appropriated it for the same, or some other, beneficial use, without compensating the senior appropriators. Sterling v. Pawnee Ditch Extension Co., 42 Colo. 421, 94 P. 339 (1908).

And a city or town cannot take water for domestic purposes which have been previously appropriated for some other beneficial purpose by virtue of this section without fully compensating the owner. Sterling v. Pawnee Ditch Extension Co., 42 Colo. 421, 94 P. 339 (1908).

Sale of water. The general assembly has specifically defined selling water by a municipality both within and without its territorial boundaries to be a proper exercise of its powers. Colo. Open Space Council, Inc. v. City & County of Denver, 190 Colo. 122, 543 P.2d 1258 (1975).

Subsection (1)(d) and the 1913 public utility act are not inconsistent, for the act did not expressly or impliedly repeal this section. City of Englewood v. City & County of Denver, 123 Colo. 290, 229 P.2d 667 (1951).

Applied in *Strickler v. City of Colo. Springs*, 16 Colo. 61, 26 P. 313 (1891); *City of Thornton*

v. Farmers Reservoir & Irrigation Co., 194 Colo. 526, 575 P.2d 382 (1978).

31-15-709. Sewers and sewer systems. (1) The governing body of each municipality has the power:

(a) To construct and keep in repair culverts, drains, sewers, water mains, and cesspools and to regulate their use; and to assess, either in whole or in part, the cost of the construction of sewers, water mains, and drains upon the lots or lands adjacent to and opposite the improvements in proportion to the frontage of such lots or lands abutting upon the street in which such sewer, water main, or drain is to be laid. The cost of such sewer, water main, or drain at street intersections or crossings shall be wholly paid for by the municipality. The benefit to the public generally, if any, shall be determined by ordinance and shall be assessed against such municipality, and the balance shall be assessed against the lots or lands and the owners thereof according to the frontage.

(b) To establish a system of sewerage and for that purpose to divide the municipality into districts; to impose a special assessment or tax to defray the expense of constructing such sewers upon private property within such district or upon the lots or lands adjacent to or abutting upon the street where said sewer is laid; to compel the owners of any buildings located in said district and on blocks abutting on any established sewer to connect with such sewer; to prohibit the keeping or maintaining of any vault, closet, privy, or cesspool within said district or within four hundred feet of any established sewer; and to regulate the construction, maintenance, and use of all vaults, closets, privies, and cesspools within the municipal limits and not within said prohibited districts or in proximity to an established sewer.

Source: L. 75: Entire title R&RE, p. 1118, § 1, effective July 1.

Editor's note: This section is similar to former §§ 31-12-101 (22) and 31-15-301 (1)(f) as they existed prior to 1975.

ANNOTATION

Annotator's note. Since § 31-15-709 is similar to former §§ 31-12-101 (22) and 31-15-301 prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, relevant cases construing those provisions have been included in the annotations to this section.

Exercise of legislative police power. A city council, in establishing a sewer district, exercises a legislative power for police purposes, having its origin in the taxing power. *Wolff v. City of Denver*, 20 Colo. App. 135, 77 P. 364 (1904).

Subsection (1)(a) limits the powers of municipal corporations in relation to sewers to those expressed in said paragraph and an ordinance purporting to grant to a private person an exclusive right and privilege to construct and operate a system of sewers within the limits of a municipal corporation and to collect from all persons using the same a reasonable annual compensation for connecting therewith is absolutely void, and one constructing a sewer system under such ordinance cannot maintain an action against an inhabitant of the city for the use of the same. *Weaver v. Canon Sewer Co.*, 18 Colo. App. 242, 70 P. 953 (1902).

Ownership and control of sewers, except in the municipality, would be inconsistent with

the terms of subsection (1)(a). *Weaver v. Canon Sewer Co.*, 18 Colo. App. 242, 70 P. 953 (1902).

Judgment of city council conclusive. The judgment of the city council as to the extent of a sewer district and the properties to be included therein, when acting within the scope of the authority conferred by subsection (1)(a), is conclusive, unless it clearly appears that their action was fraudulent or unreasonable, and whoever assails the action of the city council has the burden of proof. *Hildreth v. City of Longmont*, 47 Colo. 79, 105 P. 107 (1909).

Power to subject outside lands to eminent domain not implied. Under subsection (1)(a), the giving of the right to construct sewers does not also grant authority to subject outside lands to the operation of eminent domain, because such power is not implied because there is nothing in our statutes to even indicate, much less imply, such purpose. *Mack v. Town of Craig*, 68 Colo. 337, 191 P. 101 (1920).

Subsection (1)(b) delegates to the city four general powers: First, to establish a sewer system and divide the city into sewer districts; second, to compel owners of buildings in a sewer district, or within 400 feet of a sewer, to connect with the sewer; third, to prohibit privies

within a sewer district; and fourth, to regulate, within the city limits, privies not within a sewer district. *Gault v. City of Ft. Collins*, 57 Colo. 324, 142 P. 171 (1914).

Subsection (1)(b) confers power to compel owners of buildings to connect them with the sewer. *Gault v. City of Ft. Collins*, 57 Colo. 324, 142 P. 171 (1914).

But no power is given in subsection (1)(b) to compel parties to connect outside vaults or privies with the sewer. *Gault v. City of Ft. Collins*, 57 Colo. 324, 142 P. 171 (1914).

The power regarding privies is to prohibit them, within the sewer district, or within 400 feet of a sewer, not to compel them to connect, if not within the prohibited district, the power then is to regulate the construction, maintenance,

and use of privies. *Gault v. City of Ft. Collins*, 57 Colo. 324, 142 P. 171 (1914).

Liability for ministerial acts. Whenever the duty as respects drains and sewers ceases to be legislative or judicial or quasi-judicial, and becomes ministerial, then, although there be no statute giving the action, a municipal corporation is liable to the same extent and on the same principle as a private person or corporation would be under like circumstances for the negligent discharge or the negligent omission to discharge such duty, resulting in an injury to others. *McCord v. City of Pueblo*, 5 Colo. App. 48, 36 P. 1109 (1894).

Applied in *City of Pueblo v. Robinson*, 12 Colo. 593, 21 P. 899 (1889).

31-15-710. Water pollution control. (1) The governing body of each municipality has the power:

(a) To provide for the cleansing and purification of water, watercourses, and canals and the draining or filling of ponds on private property when necessary to prevent or abate nuisances; and for the purpose of aiding in the prevention and abatement of water pollution all municipalities are authorized:

(I) To apply for and to accept grants or loans or any other aid from the United States or any agency or instrumentality thereof under any federal law in force;

(II) To construct, reconstruct, lease, improve, better, and extend sewerage facilities and sewage treatment works wholly within or wholly without the municipality or partially within and partially without the municipality;

(III) To issue its general obligation bonds or other general obligations for said purpose pursuant to and within the limitations prescribed by section 31-15-302 (1) (d) and to issue its revenue bonds or obligations for such purpose pursuant to law;

(IV) To provide that such bonds or obligations or any part thereof may be sold to the state of Colorado, the United States, or any agency or instrumentality of either at private sale and without advertisement;

(V) To cooperate with other local public bodies and with state agencies and institutions by contract for the joint construction and financing of sewerage facilities and sewage treatment works and the maintenance and operation thereof;

(VI) To enter into joint operating agreements with industrial enterprises and to accept gifts or contributions from such industrial enterprises for the construction, reconstruction, improvement, betterment, and extension of sewerage facilities and sewage treatment works. When determined by its governing body to be in the public interest and necessary for the protection of public health, any municipality is authorized to enter into and perform contracts, whether long-term or short-term, with any industrial establishment for the provision and operation by the municipality of sewerage facilities to abate or reduce the pollution of waters caused by discharges of industrial wastes by the industrial establishment and the payment periodically by the industrial establishment to the municipality of amounts at least sufficient, in the determination of such governing body, to compensate the municipality for the cost of providing, including payment of principal and interest charges, if any, and of operating and maintaining the sewerage facilities serving such industrial establishment. The powers set forth in this subparagraph (VI) may only be exercised after approval of the state board of health.

Source: L. 75: Entire title R&RE, p. 1118, § 1, effective July 1.

Editor's note: This section is similar to former § 31-12-101 (24) as it existed prior to 1975.

31-15-711. Other public improvements. (1) The governing body of each municipality has the power:

(a) To deepen, widen, dock, cover, wall, alter, or change the channel of watercourses;

(b) To establish markets and market houses and provide for the regulation and use thereof. No charge or assessments of any kind shall be levied on any truck or other vehicle, or on the owner thereof, bringing produce or provisions to any of the markets in the municipality, for standing in or occupying a place in any of the marketplaces of the municipality or in the streets contiguous thereto on market days and evenings previous thereto. The governing body has full power to prevent forestalling, to prohibit or regulate huckstering in the markets, and to prescribe the kind and description of articles which may be sold and the stands and places to be occupied by the vendors. The governing body may authorize the immediate seizure, arrest, or removal from the markets of any person violating its regulations as established by ordinance, together with any article of produce in his possession, and additionally may authorize the immediate seizure and destruction of tainted or unsound meat or other provisions.

(c) To establish and operate at public expense municipal slaughterhouses and cold storage plants where animals may be slaughtered at the cost of labor and other necessary expense, held in cold storage, and delivered to the owners or sold. Any municipality establishing and operating such slaughterhouse shall charge a reasonable fee for the slaughter of animals and the storage of meat, and said fees shall be used to pay the necessary expenses of conducting the business.

(d) To provide for and regulate public scales and to require the vendors of coal, hay, and like articles of merchandise, when requested to do so by the purchaser of such articles, to weigh the same upon the public scales before delivering the same to their customer or vendees;

(e) To erect, establish, and maintain public hospitals, medical dispensaries, and other suitable places of relief. No such hospitals, medical dispensaries, or other suitable places of relief shall be established, acquired, or erected by a municipality unless the question is submitted at a regular or special election and approved in the manner provided for authorization of bonded indebtedness by section 31-15-302 (1) (d) and unless such municipality does not have a general licensed medical and surgical hospital in operation within its municipal limits within the twelve months immediately preceding said election.

(f) To provide by ordinance for the construction, maintenance, and operation of public parking facilities, buildings, stations, or lots and to pay for their cost by general tax levy or otherwise or by the issuance of bonds of such municipality, which bonds may be retired by revenues assessed and collected as rentals, fees, or charges from the operation of such facilities or from parking meter rentals or charges;

(g) To develop, maintain, and operate mass transportation systems, either individually or jointly with any government, county, or other political subdivision, pursuant to the provisions of part 2 of article 1 of title 29, C.R.S.;

(h) To construct and keep in repair bridges, viaducts, and tunnels and regulate their use and to establish within the municipal limits all toll bridges and ferries, license and regulate the same, and, from time to time, fix tolls thereon;

(i) To construct, maintain, and operate safety measures that are necessary to allow the municipality to restrict the sounding of locomotive horns at highway-rail grade crossings in compliance with 49 U.S.C. sec. 20153, as amended, and the applicable rules of the federal railroad administration. The governing body of the municipality shall construct, maintain, and operate the safety measures in accordance with the provisions of section 40-4-106, C.R.S., and the standards of safety prescribed by the public utilities commission pursuant to section 40-29-110, C.R.S.

(j) To provide in the municipal budget for programs that support education and outreach on environmental sustainability and for financing capital improvements for energy efficiency retrofits and the installation of renewable energy fixtures, as defined in section 30-11-107.3, C.R.S., for private residences and commercial property within the municipality but that do not exempt the municipality from the requirements of any other statute;

(k) To encourage homeowners to participate in utility demand-side management programs where applicable.

Source: **L. 75:** Entire title R&RE, p. 1119, § 1, effective July 1. **L. 2006:** (1)(i) added, p. 348, § 3, effective August 7. **L. 2008:** (1)(j) and (1)(k) added, p. 1299, § 20, effective May 27.

Editor's note: The provisions of this section are similar to provisions of several former sections as they existed prior to 1975. For a detailed comparison, see the comparative tables located in the back of the index.

ANNOTATION

Annotator's note. Since § 31-15-711 (1)(a) is similar to former § 31-12-101 (23) prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, relevant cases construing those provisions have been included in the annotations to this section.

Discretionary power in subsection (1)(a). The privilege, the right, the power given under subsection (1)(a) is given to be exercised or not, at the discretion of the city, and there is nothing obligatory; no compulsory legislation. *McCord v. City of Pueblo*, 5 Colo. App. 48, 36 P. 1109 (1894).

Contractual work ministerial. When a corporation has adopted a plan and enters upon the

construction of a public work, the work is then ministerial, and the plan must be followed in detail, and any departure or negligence causing damage to an individual furnishes a cause of action. *McCord v. City of Pueblo*, 5 Colo. App. 48, 36 P. 1109 (1894).

A municipal corporation is liable for injuries caused by negligence in the construction of improvements under subsection (1)(a) to the same extent a private person or corporation would be, under like circumstances, for the negligent omission to discharge such duty resulting in an injury to others. *McCord v. City of Pueblo*, 5 Colo. App. 48, 36 P. 1109 (1894).

31-15-711.5. Municipal jails - sanitary standards. Any municipality that chooses to establish and operate a jail, as authorized in section 31-15-401 (1) (j), that begins operations on or after August 30, 1999, may establish sanitary standards for such jail relating to space requirements, furnishing requirements, required special use areas or special management housing, and environmental condition requirements, including but not limited to standards pertaining to light, ventilation, temperature, and noise level. If a municipality does not adopt standards pursuant to this section, the jail operated by or under contract with the municipality shall be subject to the standards adopted by the department of public health and environment pursuant to section 25-1.5-101 (1) (i), C.R.S. In establishing such standards, the municipality is strongly encouraged to consult with national associations that specialize in policies relating to correctional institutions.

Source: **L. 2000:** Entire section added, p. 803, § 3, effective May 24. **L. 2003:** Entire section amended, p. 715, § 57, effective July 1.

31-15-712. Public improvements by contract - cities. All work done by the city in the construction of works of public improvement of five thousand dollars or more shall be done by contract to the lowest responsible bidder on open bids after ample advertisement. It shall be unlawful for any person to divide a works of public improvement construction into two or more separate projects for the sole purpose of evading or attempting to evade the requirement that works of public improvement construction costing five thousand dollars or more be submitted to open bidding, unless the total cost of any such project would be less if divided into two or more projects than if submitted to open bidding as one project. If no bids are received or if, in the opinion of the city council, all bids received are too high, the city may enter into negotiations concerning the contract. No negotiated price shall exceed the lowest responsible bid previously received. The city is not required to advertise for and receive bids for such technical, professional, or incidental assistance as it may deem wise to employ in guarding the interest of the city against the neglect of contractors in the performance of such work.

Source: **L. 75:** Entire title R&RE, p. 1120, § 1, effective July 1. **L. 79:** Entire section amended, p. 1186, § 1, effective May 18.

Editor's note: This section is similar to former § 31-15-103 as it existed prior to 1975.

ANNOTATION

Annotator's note. Since § 31-15-712 is similar to former § 31-15-103 prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, relevant cases construing those provisions have been included in the annotations to this section.

And is not unconstitutional because not germane to the title of the act. *Dalby v. City of Longmont*, 81 Colo. 271, 256 P. 310 (1927).

Public policy. The general assembly has by this mandatory section declared as public policy of this state that all work in the construction of public improvements, without reference to its character shall be by express contract, upon open bids, and that the superintending of the construction of a public building is not an exception. *City of Colo. Springs v. Coray*, 25 Colo. App. 460, 139 P. 1031 (1914).

Intent of the general assembly was to require competitive bidding for only the construction work done in public improvement contracts. *Gude v. City of Lakewood*, 636 P.2d 691 (Colo. 1981).

This section refers to all cities. *Dalby v. City of Longmont*, 81 Colo. 271, 256 P. 310 (1927).

This section provides for a contract to be let to the lowest responsible bidder on open bids after advertisement. *Deti v. City of Durango*, 136 Colo. 272, 316 P.2d 579 (1957).

And a public improvement to be paid out of revenues derived from taxes must be constructed and the contract let to the lowest responsible bidder. *Deti v. City of Durango*, 136 Colo. 272, 316 P.2d 579 (1957).

For protection of public. This section was not made for the benefit of the city council, nor of contractors, but for the protection of the public against both. *City of Colo. Springs v. Coray*, 25 Colo. App. 460, 139 P. 1031 (1914).

Secures competition. It cannot be doubted that the true intent of the act is to secure to the city the benefit and advantage of fair and just competition between bidders, and at the same time close, as far as possible, every avenue to favoritism and fraud in its varied forms. *City of Colo. Springs v. Coray*, 25 Colo. App. 460, 139 P. 1031 (1914).

Mandatory. A provision in a charter, statute, or ordinance requiring a contract to be let by competitive bidding is mandatory. *City of Colo. Springs v. Coray*, 25 Colo. App. 460, 139 P. 1031 (1914).

A broad discretion in the selection among bidders is included within a reasonable construction of this section as to "responsible" bidders, because the word "responsible" is not limited to the meaning of pecuniary liability or responsibility, but includes as well skill, experi-

ence, and integrity; and if the character of the work be such that only one person can be found competent to perform the services, there is no reason to believe that the courts will interfere with the exercise in good faith by a city council of its selection upon the bids submitted. *City of Colo. Springs v. Coray*, 25 Colo. App. 460, 139 P. 1031 (1914).

Unless this section is complied with, the contract is void. *City of Colo. Springs v. Coray*, 25 Colo. App. 460, 139 P. 1031 (1914).

Where there is no opportunity afforded for submitting competitive bids on a common standard of comparison, both as to quantities and qualities of the many and varied types of materials called for, there is a violation of this section. *Colo. Cent. Power Co. v. Municipal Power Dev. Co.*, 1 F. Supp. 961 (D. Colo. 1932).

Nontechnical employment contract void for lack of bidding. Under this section a contract of a city to employ a person for nontechnical work is invalid where no bids are asked for. *Dalby v. City of Longmont*, 81 Colo. 271, 256 P. 310 (1927).

Lack of formalities cuts off action against municipality. Services rendered in the construction of a public improvement under a contract entered into without the formalities required by this section afford no action against the municipality, no matter how valuable such services may be, and through the corporation retains the results thereof. *City of Colo. Springs v. Coray*, 25 Colo. App. 460, 139 P. 1031 (1914).

There is no apparent necessity for exempting superintendents of construction from the statutory rule, because it is a matter of common knowledge among people who deal in such matters that architects and engineers of unquestioned ability and high reputation frequently, if not usually, offer their services as superintendents of construction — upon a percentage of the contract price, or upon some other basis. *Johnson-Olmsted Realty Co. v. City & County of Denver*, 89 Colo. 250, 1 P.2d 928 (1931).

This section has no application to such work as is performed by salaried officers under a statute or charter which provides that such officers as the city engineer or his assistants and deputies shall supervise and superintend, because the statute and charters are coexistent and not conflicting. *City of Colo. Springs v. Coray*, 25 Colo. App. 460, 139 P. 1031 (1914).

Nor to certain technical, etc., jobs. The general assembly did not intend, by the enactment of this section, that a municipality should advertise for and receive bids for such technical, professional, or incidental assistance as it may deem wise to employ in guarding the interest of

the city against the neglect of contractors in the performance of their undertakings. *City of Colo. Springs v. Coray*, 25 Colo. App. 460, 139 P. 1031 (1914)(concurring opinion).

By this section the general assembly did not contemplate as coming within its provisions as to competitive bidding after advertisement, any person employed by the city to render services calling for special skill, knowledge, or experience. *City of Colo. Springs v. Coray*, 25 Colo. App. 460, 139 P. 1031 (1914)(concurring opinion).

Contracts with legal counsel, financial advisors, and banks are not subject to the competitive bidding requirement. *Gude v. City of Lakewood*, 636 P.2d 691 (Colo. 1981).

Procurement violative of section. Where a city adopted without question the very sketchy and incomplete specifications submitted by a development company and the development company was in reality the only bidder and obtained the contract, such procedure not only violates this section requiring the work to be given to the "lowest responsible bidder" after "ample advertisement", but is contrary to the plainest dictates of public business practice. *Colo. Cent. Power Co. v. Municipal Power Dev. Co.*, 1 F. Supp. 961 (D. Colo. 1932).

Effect of Denver charter provisions. Under pertinent Denver charter provisions, contracts for architectural services in connection with the erection of public buildings must be awarded under competitive bidding, otherwise they are void, and the contractor cannot recover for services rendered either under his contract or on quantum meruit. *City & County of Denver v. Moorman*, 95 Colo. 111, 33 P.2d 749 (1934).

Award of contract when a mistake in the formation of the contract exists. This section does not by its terms require a municipality to award a construction contract to the lowest bidder when such bidder inadvertently makes a substantial computational error. *Powder Horn Constructors v. City of Florence*, 754 P.2d 356 (Colo. 1988).

No private cause of action for the recovery of damages by a disappointed bidder exists where such bidder failed to show that it was within the class of persons for whose benefit the statute was created and where there is no indication in the statutory language that the general assembly intended to create a private cause of action. *L & M Enterprises v. City of Golden*, 852 P.2d 1337 (Colo. App. 1993).

Applied in *Corn Constr. Co. v. Aetna Cas. & Sur. Co.*, 295 F.2d 685 (10th Cir. 1961).

31-15-713. Power to sell public works - real property. (1) The governing body of each municipality has the power:

(a) To sell and dispose of waterworks, ditches, gasworks, geothermal systems, solar systems, electric light works, or other public utilities, public buildings, real property used or held for park purposes, or any other real property used or held for any governmental purpose. Before any such sale is made, the question of said sale and the terms and consideration thereof shall be submitted at a regular or special election and approved in the manner provided for authorization of bonded indebtedness by section 31-15-302 (1) (d).

(b) To sell and dispose of, by ordinance, any other real estate, including land acquired from the federal government, owned by the municipality upon such terms and conditions as the governing body may determine at a regular or special meeting. With respect to such land acquired from the federal government, which land is located within or contiguous to the municipality, such terms and conditions shall be designed to prevent speculation and assure that benefits accrue to the municipality when the sale or disposition of said land is for municipal expansion or residential purposes. Nothing in this paragraph (b) or in section 31-15-101 (1) shall be construed to invalidate the acceptance of federal land by a municipality or the sale and disposal by a municipality of land acquired from the federal government, where such acceptance or disposal was consummated prior to April 1, 1976, and municipal authority for any such acceptance or disposal is hereby confirmed.

(c) To lease any real estate, together with any facilities thereon, owned by the municipality when deemed by the governing body to be in the best interest of the municipality. Any lease for a period of more than one year shall be by ordinance. Any lease for one year or less than one year shall be by resolution or ordinance.

(2) All leases and deeds of conveyance executed and acknowledged by the proper officers of such municipalities and purporting to have been made pursuant to the provisions of this section shall be deemed prima facie evidence of due compliance with all the requirements of this section.

(3) Any town holding title to any land settled and occupied as the site of such town pursuant to and by virtue of the act of congress entitled "An Act for the relief of the inhabitants of cities and towns upon the public lands.", approved March 2, 1867, 43 U.S.C.

sections 718-723, and an act of congress entitled "An Act respecting the limits of reservations for town sites upon the public domain."; 43 U.S.C. sections 725-727, and any amendments thereto may dispose of and convey the title to such land in the manner provided in this section.

Source: **L. 75:** Entire title R&RE, p. 1120, § 1, effective July 1. **L. 76:** (1)(b) amended, p. 697, § 2, effective April 6.

Editor's note: (1) The provisions of this section are similar to provisions of several former sections as they existed prior to 1975. For a detailed comparison, see the comparative tables located in the back of the index.

(2) 43 U.S.C. secs. 718-723 and 725-727, referenced in subsection (3), were repealed, effective October 21, 1976. A savings provisions was contained in the act repealing said sections, stating "repeal by Pub. L. 94-579 not to be construed as terminating any valid lease, permit, patent . . . existing on Oct. 21, 1976", and said references have been left in this section for historical reference.

ANNOTATION

Annotator's note. Since § 31-15-713 is similar to former § 31-12-102 prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, relevant cases construing those provisions have been included in the annotations to this section.

The only power formerly possessed by a town over property was the power "to sell and dispose of" it and nothing short of a deed of conveyance was a compliance with the statute because the term "sell and dispose of" as used in this statute meant to get rid of, to finish with, to fully relinquish all interest in the property, to transfer and convey the same. *Centennial Props., Inc. v. City of Littleton*, 154 Colo. 191, 390 P.2d 471 (1964); *City of Idaho Springs v. Golden Sav. & Loan Ass'n*, 29 Colo. App. 119, 480 P.2d 847 (1970).

But a city could properly convey real property, yet retain a possibility of reverter to it, because possibility of reverter is merely the possibility that the land will come back to the grantor, and the holder of a bare possibility of reverter did not have a present "vested" interest or "estate" in the land. *City of Idaho Springs v. Golden Sav. & Loan Ass'n*, 29 Colo. App. 119, 480 P.2d 847 (1970).

Subsections (1)(a) and (1)(b) demonstrate a legislative intent to distinguish between property held or used for any governmental purpose, the sale of which must be approved by election, and any other real estate, which may be sold by ordinance. Although town held subject property for several years, it did not use or hold it for any governmental purpose. Although town entered into lease and option agreement in

the context of relocating town hall to the subject property, the contingencies for construction failed to materialize. Therefore, the applicable statutory provision was subsection (1)(b), which applies to "any other real estate", and not subsection (1)(a), which applies to property held for "any governmental purpose". Because town did not use or hold subject property for any governmental purpose, no election was required for the approval of its sale. *New Stanley Assocs., LLLP v. Town of Estes Park*, 200 P.3d 1118 (Colo. App. 2008).

Consideration of potential uses for subject property, without any dedication to a particular use, is not a governmental purpose within the meaning of subsection (1)(a). Moreover, town's retention of subject property for the purpose of using its sale proceeds for construction of infrastructure for a performing arts center site is not a governmental purpose. The relevant statutory provisions address the use or purpose for which real estate is held and not the use or purpose of the proceeds from its sale. Further, appropriation of public funds for the acquisition of subject property does not mean the property is held for a governmental purpose. The general assembly has recognized two types of property in subsection (1), and the distinction is not based on the method of appropriation of funds for the property. Equating the acquisition of property by means of appropriated municipal funds pursuant to § 31-15-302 with "any governmental purpose" under subsection (1)(a) would render meaningless the distinction between subsections (1)(a) and (1)(b). *New Stanley Assocs., LLLP v. Town of Estes Park*, 200 P.3d 1118 (Colo. App. 2008).

31-15-714. Oil and gas leases - unit agreements. (1) The governing body of each municipality has the power:

(a) To lease any real estate or any interest therein owned by the municipality for oil and gas exploration, development, and production purposes, upon such terms and conditions as may be prescribed and contracted by the governing body in the exercise of its best judgment

and as such governing body deems to be in the best interests of the municipality. Any such lease of oil and gas rights shall be for a term not to exceed ten years and as long thereafter as oil or gas is produced and shall provide for a royalty of not less than twelve and one-half percent of all oil or gas produced, saved, and marketed or the equivalent market value thereof, which royalty may be reduced proportionately under appropriate provision in such lease if the interest of the municipality is less than a full interest in the land or oil and gas rights in the land described in such lease. When, in the opinion of the governing body and because of the size, shape, or current use of any tract of real estate owned by said municipality, the best interest of the municipality so requires, any such lease of such tract may provide that no drilling shall be conducted on the land covered thereby, in which case such lease shall be for a term not to exceed ten years and so long thereafter as the municipality may share in royalties payable on account of production of oil or gas from lands adjacent to such tract so leased.

(b) To enter into, on behalf of the municipality, when deemed by the governing body to be in the best interest of the municipality, any agreement providing for the pooling, unitization, or consolidation of acreage covered by any oil and gas lease executed by such municipality with other acreage for oil and gas exploration, development, and production purposes and providing for the apportionment or allocation of royalties among the separate tracts of land included in such unit or pooling agreement on an acreage or other equitable basis and, by such agreement, with the consent of the lessee under such lease, to change any of the provisions of any such lease issued by such municipality, including the term of years for which such lease was originally granted and any drilling requirements contained therein, in order to conform such lease to the terms and provisions of such unit or pooling agreement and to facilitate the efficient and economic production of oil and gas from the unit lands.

(2) All leases of oil and gas or rights therein and all unit agreements relating to or dealing with oil and gas and containing provisions similar to those set forth in this section affecting municipal lands made or entered into by any municipality prior to April 16, 1953, acting by its governing body, are hereby confirmed, validated, and declared to be legal and valid in all respects.

Source: L. 75: Entire title R&RE, p. 1121, § 1, effective July 1.

Editor's note: This section is similar to former § 31-12-104 as it existed prior to 1975.

31-15-715. Legislative declaration concerning landfill gas. The general assembly hereby declares that landfill gas constitutes a hazard to the health, welfare, and safety of the people of this state, whether such gas has accumulated as a result of a public or private landfill operation, and that the extraction of landfill gas will ameliorate this dangerous condition, and further declares that the development of landfill gas will provide a valuable, alternate energy resource to the citizens of this state. In order to diminish this hazard and utilize this energy resource, the powers of municipalities are hereby expanded to authorize landfill gas exploration, development, and production; the financing thereof; the marketing and sale of landfill gas to any public or private person or entity; and the municipal use thereof for any purpose.

Source: L. 80: Entire section added, p. 653, § 5, effective July 1.

31-15-716. Municipal authority relating to landfill gas. (1) To accomplish the purposes specified in section 31-15-715, municipalities are granted the following powers:

(a) To acquire, hold, use, transfer and convey any real property or any interest therein, in fee or a leasehold interest, for purposes of landfill gas exploration, production, and development;

(b) To engage in any and all activities respecting the exploration, development, production, distribution, marketing, and sale of landfill gas to any person or public or private entity, or for municipal uses;

(c) (I) To acquire by gift, purchase, or condemnation necessary easements and rights-of-way, for ingress and egress and for the installation of facilities related to collection and distribution of landfill gas; except that the power of condemnation granted in this paragraph (c) shall not extend to acquisition of landfill gas in place nor shall such power be available to a municipality until the municipality has entered into a contract with the owner of such landfill gas for the development, extraction, and purchase of such landfill gas, and except that such condemnation shall not interfere with the normal use of any real property, or other property appurtenant thereto, which is devoted or dedicated to a public utility use or upon which landfill gas abatement or recovery facilities have been placed in operation and shall be limited to the maximum reasonable width or area necessary to install, operate, and maintain such rights-of-way, ingress and egress, and collection and distribution facilities.

(II) Any interest in real property acquired by condemnation pursuant to this paragraph (c) shall terminate upon the completion of use of such real property, or any interest therein, for landfill gas operations, and any such condemnation shall be in the manner provided in part 1 of article 6 of title 38, C.R.S.

(d) To enter into contracts, including intergovernmental contracts, and to perform all acts necessary to produce, distribute, and market landfill gas;

(e) To issue general obligation bonds, after approval of the qualified electors of the municipality, for purposes of financing the exploration, development, production, distribution, and marketing of landfill gas;

(f) To issue revenue bonds authorized by action of the city council or comparable legislative body, without the approval of the qualified electors of the municipality, for purposes of financing the exploration, development, production, distribution, and marketing of landfill gas. Such revenue bonds shall be issued in the manner provided in part 4 of article 35 of this title for the issuance of revenue bonds by municipalities; except that such revenue bonds may be sold in one or more series at par, or below or above par, at public or private sale, in such manner and for such price as the municipality, in its discretion, shall determine. Such revenue bonds and interest coupons, if any, appurtenant thereto shall never constitute the debt or indebtedness of the municipality within the meaning of any provision or limitation of the state constitution, statutes, or home rule charter, and shall not constitute nor give rise to a pecuniary liability of the municipality or a charge against its general credit or taxing powers, and such revenue bonds and the income therefrom are exempt from taxation, except inheritance, estate, and transfer taxes.

(2) For the purposes of this section, "landfill-generated methane gas" means those gases resulting from the biological decomposition of landfilled solid wastes, including methane, carbon dioxide, hydrogen, and traces of other gases, and shall be referred to in this part 7 as "landfill gas".

Source: L. 80: Entire section added, p. 653, § 5, effective July 1.

Cross references: For county provisions concerning landfill gas, see §§ 30-11-306 and 30-11-307.

PART 8

LONG-TERM RENTALS AND LEASEHOLDS

31-15-801. Agreements - ordinance - financing. In order to provide necessary land, buildings, equipment, and other property for governmental or proprietary purposes, any municipality is authorized to enter into long-term rental or leasehold agreements, but in no event shall this be construed as authorizing the use by any municipality of leasehold agreements to finance residential housing. Such agreements may include an option to purchase and acquire title to such leased or rented property within a period not exceeding the useful life of such property and in no case exceeding thirty years. Each such agreement and the terms thereof shall be concluded by an ordinance duly enacted by the municipality. No such ordinance shall take effect before thirty days after its passage and publication. The governing body of any municipality is authorized to provide for the payment of said rentals from a general levy imposed upon both personal and real property included within the

boundaries of the municipality; by imposing rates, tolls, and service charges for the use of such property or any part thereof by others; from any other available municipal income; or from any one or more of the said sources. The obligation to pay such rentals shall not constitute an indebtedness of said municipality within the meaning of the constitutional limitations on contracting of indebtedness by municipalities.

Source: L. 75: Entire title R&RE, p. 1122, § 1, effective July 1.

Editor's note: This section is similar to former § 31-12-501 as it existed prior to 1975.

ANNOTATION

Annotator's note. Since § 31-15-801 is similar to former § 31-12-501 prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, a relevant case construing a prior provision has been included in the annotations to this section.

Section 22-30-124 and this section make it clear that the school board had the power "to

enter into long term rental or leasehold agreements" which should not exceed 30 years in duration. Bd. of Dirs. of Summit Sch. Dist. No. RE-1 v. Jeffrey, 149 Colo. 579, 370 P.2d 447 (1962).

Applied in Gude v. City of Lakewood, 636 P.2d 691 (Colo. 1981).

31-15-802. Tax exemption. Property acquired or occupied pursuant to this part 8 shall be exempt from taxation so long as used for authorized governmental or proprietary functions of municipalities.

Source: L. 75: Entire title R&RE, p. 1122, § 1, effective July 1.

Editor's note: This section is similar to former § 31-12-502 as it existed prior to 1975.

31-15-803. Enforceability. Purchase or leasehold agreements entered into by any municipality pursuant to this part 8 shall be enforceable in any court of competent jurisdiction.

Source: L. 75: Entire title R&RE, p. 1122, § 1, effective July 1.

Editor's note: This section is similar to former § 31-12-503 as it existed prior to 1975.

PART 9

MISCELLANEOUS POWERS

31-15-901. Miscellaneous powers. (1) The governing body of each municipality has the power:

(a) To appropriate money in an amount not exceeding six-tenths of one mill on the valuation for assessment for the purpose of giving public concerts and entertainments by such municipality;

(b) To appropriate moneys for the purpose of advertising or marketing the business, social, and educational advantages, the natural resources, and the scenic attractions of such municipality;

(c) To aid and foster, by all lawful measures, associated charity organizations by appropriations and to grant the use of suitable rooms in the municipal buildings. No portion of any money so appropriated shall be given or loaned to any society, corporation, association, or institution that may be wholly or in part under sectarian or denominational control.

(d) Repealed.

Source: **L. 75:** Entire title R&RE, p. 1122, § 1, effective July 1. **L. 93:** (1)(d) added, p. 347, § 5, effective April 12. **L. 98:** (1)(c) amended, p. 334, § 1, effective April 17; (1)(d) repealed, p. 826, § 42, effective August 5. **L. 2008:** (1)(b) amended, p. 5, § 2, effective July 1.

Editor's note: This section is similar to former §§ 31-12-101 and 31-15-201 as they existed prior to 1975.

ANNOTATION

The power to appropriate moneys for the purpose of advertising under subsection (1)(b) does not include the power to appropriate money for marketing. Marketing is a broader

term than advertising. *Estes Park Chamber of Commerce v. Town of Estes Park*, 199 P.3d 11 (Colo. App. 2007).

31-15-902. Deferred compensation plans. (1) Notwithstanding any other provision of law, a municipality and its employees may participate in the deferred compensation plan of the international city management association retirement corporation, a nonprofit corporation approved by the United States internal revenue service for establishing a retirement plan. No statute restricting the deposit or investment of municipal money shall be applicable to moneys in such plan.

(2) In addition to the authority granted in subsection (1) of this section, any municipality may otherwise provide a deferred compensation plan for its employees and may, by contract, agree with an employee to defer all or a part of the employee's salary or wages. Funds of such plan may be used to purchase fixed or variable annuities from any life insurance company duly authorized to do an insurance and annuity business in this state or may otherwise be deposited and invested in accordance with any statute applicable to the deposit or investment of municipal money.

(3) If a municipality participates in or establishes a deferred compensation plan for its employees pursuant to this section and if such plan is in addition to any other pension or retirement plan provided by the municipality, the amount of an employee's deferred compensation shall continue to be counted as part of his total salary or wages for the purpose of computing any other pension or retirement contributions or benefits which are based on total salary or wages.

Source: **L. 77:** Entire section added, p. 1464, § 1, effective May 24.

31-15-903. Legislative declaration - municipalities - new business facilities - expansion of existing business facilities - incentives - limitations - authority to exceed revenue-raising limitation. (1) (a) The general assembly hereby finds and declares that the health, safety, and welfare of the people of this state are dependent upon the attraction of new private enterprise as well as the retention and expansion of existing private enterprise; that incentives are often necessary in order to attract private enterprise; and that providing such incentives stimulates economic development in the state and results in the creation and maintenance of new jobs.

(b) Notwithstanding any law to the contrary, any municipality may negotiate for an incentive payment or credit with any taxpayer who establishes a new business facility, as defined in section 39-30-105 (7) (e), C.R.S., in the municipality. In no instance shall any negotiation result in an annual incentive payment or credit that is greater than the amount of taxes levied by the municipality upon the taxable personal property located at or within the new business facility and used in connection with the operation of the new business facility for the current property tax year. The term of any agreement made pursuant to the provisions of this section shall not exceed four years; except that the term of any agreement made or renewed on or after June 3, 2002, may extend to as many as ten years, including the term of any original agreement being renewed.

(2) Notwithstanding any law to the contrary, any municipality may negotiate for an incentive payment or credit with any taxpayer who expands a facility, as defined in section

39-30-105 (7) (c), C.R.S., the expansion of which constitutes a new business facility, as defined in section 39-30-105 (7) (e), C.R.S., and that is located in the municipality. In no instance shall any negotiation result in an annual incentive payment or credit that is greater than the amount of the taxes levied by the municipality upon the taxable personal property directly attributable to the expansion, located at or within the expanded facility, and used in connection with the operation of the expanded facility for the current property tax year. The term of any agreement made pursuant to the provisions of this section shall not exceed four years; except that the terms of any agreement made or renewed on or after June 3, 2002, may extend to as many as ten years, including the term of any original agreement being renewed.

(3) (Deleted by amendment, L. 94, p. 2834, § 4, effective January 1, 1995.)

(4) Any municipality which negotiates any agreement pursuant to the provisions of this section shall inform any county and any school district in which a new business facility would be located or an expanded business facility is located, whichever is applicable, of such negotiations.

(5) Any municipality may adjust the amount of its tax levy authorized pursuant to the provisions of section 29-1-301, C.R.S., or pursuant to a municipal home rule charter, whichever is applicable, by an additional amount which does not exceed the total amount of annual incentive payments or credits made by such municipality in accordance with any agreements negotiated pursuant to the provisions of this section or section 39-30-107.5, C.R.S.

(2) In 2012, subsections (1)(b) and (2) were amended by the “Save Colorado Jobs Act”. For the short title and the legislative declaration, see sections 1 and 2 of chapter 61, Session Laws of Colorado 2012.

PART 10

SOLID WASTE-TO-ENERGY INCINERATION SYSTEMS

Cross references: For the calculation by the public utilities commission of avoided cost information prior to construction of a solid waste-to-energy incineration system, see § 40-3-112; for authority for counties to develop solid waste-to-energy systems, see part 9 of article 20 of title 30.

Law reviews: For article, “The Legal Structure and Financing of Waste-to-Energy Projects - Part 1”, see 14 Colo. Law. 574 (1985).

31-15-1001. Legislative declaration. The general assembly hereby finds and declares that methods for the efficient and economical production of usable energy should be achieved whenever possible and that the use of flammable waste material for the conversion of heat into steam, electrical power, or any other form of energy could provide energy in an efficient and economical manner. For such purposes, the provisions of this part 10 are enacted to authorize municipalities to develop this type of energy for their own use and the use of the public.

Source: **L. 83:** Entire part added, p. 1243, § 3, effective May 31.

31-15-1002. Definitions. As used in this part 10, unless the context otherwise requires:

(1) “Solid waste-to-energy incineration system” means the use of flammable waste material as a primary or supplemental fuel for the conversion of heat into steam, electrical power, or any other form of energy.

Source: L. 83: Entire part added, p. 1243, § 3, effective May 31.

31-15-1003. Municipal authority relating to solid waste-to-energy incineration systems. (1) The governing body of any municipality has the power to:

(a) Acquire, hold, use, transfer, and convey any real or personal property for the purpose of developing and operating a solid waste-to-energy incineration system;

(b) Engage in any activities relating to the siting, development, and operation of a solid waste-to-energy incineration system and to the production, distribution, and sale of energy from such system;

(c) Issue revenue bonds authorized by action of the city council or comparable legislative body, without the approval of the qualified electors of the municipality, for purposes of financing the siting and development of a solid waste-to-energy incineration system and the production, distribution, and marketing of energy from such systems. Such revenue bonds shall be issued in the manner provided in part 4 of article 35 of this title for the issuance of revenue bonds by municipalities; except that such revenue bonds may be sold in one or more series at par, or below or above par, at public or private sale, in such manner and for such price as the municipality, in its discretion, shall determine. Such revenue bonds and interest coupons, if any, appurtenant thereto shall never constitute the debt or indebtedness of the municipality within the meaning of any provision or limitation of the state constitution, statutes, or home rule charter and shall not constitute nor give rise to a pecuniary liability of the municipality or a charge against its general credit or taxing powers. Such revenue bonds and the income therefrom are exempt from taxation, except inheritance, estate, and transfer taxes.

(d) Enter into contracts, including intergovernmental contracts pursuant to section 29-1-203, C.R.S., relating to the acts authorized by this part 10;

(e) Establish such terms and conditions by contract, ordinance, or any other method for the siting, development, and operation of a solid waste-to-energy incineration system and the production, distribution, and sale of energy from such system;

(f) Set, maintain, and revise charges for the disposal of solid waste at a solid waste-to-energy incineration system facility and for the distribution and sale of energy from such system for the purpose of financing the property, facilities, and operation of the system;

(g) Exercise any other powers which are essential in performing the acts authorized by this part 10;

(h) Perform any nonlegislative acts authorized by this part 10 by means of an agent or by contract with any person, firm, or corporation.

Source: L. 83: Entire part added, p. 1243, § 3, effective May 31.

31-15-1004. Department of public health and environment rules. The department of public health and environment may promulgate rules for the engineering design and operation of solid waste-to-energy incineration systems, and any such system shall comply with such rules before beginning operations.

Source: L. 83: Entire part added, p. 1244, § 3, effective May 24. **L. 94:** Entire section amended, p. 2802, § 565, effective July 1.

PART 1

PROCEDURE FOR ADOPTION

31-16-101. Ordinance powers - penalty. (1) The governing body of each municipality has power to provide for enforcement of ordinances adopted by it by a fine of not more than one thousand dollars, or by imprisonment for not more than one year, or by both such fine and imprisonment.

(2) Notwithstanding subsection (1) of this section, the governing body of each municipality which implements an industrial wastewater pretreatment program pursuant to the federal act, as defined in section 25-8-103 (8), C.R.S., may seek such relief and impose such penalties as are required by such federal act and its implementing regulations for such programs.

Source: **L. 75:** Entire title R&RE, p. 1123, § 1, effective July 1. **L. 90:** Entire section amended, p. 1345, § 7, effective July 1. **L. 91:** (1) amended, p. 756, § 28, effective April 4.

Editor's note: This section is similar to former §§ 31-12-101 (79) and 31-12-301 as they existed prior to 1975.

ANNOTATION

When interpreting an ordinance, a court may review its other provisions in order to construe the disputed section in context. *Humana, Inc. v. Bd. of Adjustment*, 537 P.2d 741 (Colo. 1975); *Abbott v. Bd. of County Comm'rs of Weld County*, 895 P.2d 1165 (Colo. App. 1995).

The construction of an ordinance by administrative officials charged with its enforce-

ment should be given deference by the courts and if there is a reasonable basis for the administrative agency's application of the law, the decision may not be set aside on review. *Abbott v. Bd. of County Comm'rs of Weld County*, 895 P.2d 1165 (Colo. App. 1995).

31-16-102. Style of ordinances. The style of the ordinances in cities and towns shall be: "Be it ordained by the city council or board of trustees of"

Source: L. 75: Entire title R&RE, p. 1123, § 1, effective July 1.

Editor's note: This section is similar to former § 31-12-302 as it existed prior to 1975.

ANNOTATION

Annotator's note. Since § 31-16-102 is similar to former § 31-12-302 prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, relevant cases construing those provisions have been included in the annotations to this section.

Directory. The requirements of this section are directory, and not imperative, and a substantial compliance herewith fulfills the law's demand. People ex rel. Town of Sterling v. Chipman, 31 Colo. 90, 71 P. 1108 (1903).

The words "town council" and the words "board of trustees", when used in relation to municipal corporations of this state, have practically the same meaning, and in view of this section it is immaterial which form is used as the "style" of the enacting clause of an ordinance. People ex rel. Town of Sterling v. Chipman, 31 Colo. 90, 71 P. 1108 (1903).

Applied in Reimer v. Town of Holyoke, 93 Colo. 571, 27 P.2d 1032 (1933).

31-16-103. Majority must vote for appropriations - proving ordinances. Ordinances, resolutions, and orders for the appropriation of money shall require for their passage or adoption the concurrence of a majority of the governing body of any city or town. Unless otherwise specifically provided by statute or ordinance, all other actions of the governing body upon which a vote is taken shall require for adoption the concurrence of a majority of those present if a quorum exists. All ordinances may be proven by the seal of the city or town, and, when printed in book or pamphlet form and purporting to be printed and published by authority of the city or town, the same shall be received in evidence in all courts and places without further proof.

Source: L. 75: Entire title R&RE, p. 1123, § 1, effective July 1. L. 89: Entire section amended, p. 1292, § 14, effective April 6. L. 91: Entire section amended, p. 756, § 29, effective April 4.

Editor's note: This section is similar to former § 31-12-303 as it existed prior to 1975.

ANNOTATION

Applied in Rhodes v. People ex rel. Town of Haxtun, 67 Colo. 4, 185 P. 264 (1919).

31-16-104. Ordinances approved by mayor. Only if an ordinance adopted pursuant to section 31-4-102 (3) or 31-4-302 so provides, any ordinance adopted and all resolutions authorizing the expenditure of money or the entering into of a contract require the approval and signature of the mayor before they become valid, except as otherwise provided in this section. Such ordinance or resolution shall be presented to the mayor within forty-eight hours after the action of the governing body for his signature approving the same. If he disapproves, he shall return such ordinance or resolution to the governing body at its next regular meeting with his objections in writing. The governing body shall cause such objections to be entered at large upon the record and shall proceed at the same or next subsequent meeting to consider the question: "Shall the ordinance or resolution, notwithstanding the mayor's objections, be passed?" If two-thirds of the members of the governing body vote in the affirmative, such resolution shall be valid, and such ordinance shall become a law the same as if it had been approved by the mayor. If the mayor fails to return to the

next subsequent meeting of the governing body any resolution or ordinance presented to him for his approval, the same shall become a valid ordinance or resolution, as the case may be, in like manner as if it had been approved by him.

Source: **L. 75:** Entire title R&RE, p. 1123, § 1, effective July 1. **L. 81:** Entire section amended, p. 1495, § 9, effective May 28. **L. 89:** Entire section amended, p. 1293, § 15, effective April 6.

Editor's note: This section is similar to former § 31-12-304 as it existed prior to 1975.

ANNOTATION

Annotator's note. Since 31-16-104 is similar to former § 31-12-304 prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, a relevant case construing a prior provision has been included in the annotations to this section.

The duty of the mayor with respect to validating or attesting the ordinances of the town is directory and ministerial, and under this section an ordinance adopted by a majority of all the members elected to the council, and

presented to the mayor for his approval, but not returned by him at the next meeting of the council, is, if regularly recorded and published, a valid ordinance, without the mayor's signature. *Rhodes v. People ex rel. Town of Haxtun*, 67 Colo. 4, 185 P. 264 (1919).

The clerk of a town has no authority to subscribe the mayor's name to an ordinance, and an ordinance so subscribed is not subscribed at all. *Rhodes v. People ex rel. Town of Haxtun*, 67 Colo. 4, 185 P. 264 (1919).

31-16-105. Record and publication of ordinances. All ordinances, as soon as may be after their adoption, shall be recorded in a book kept for that purpose and shall be authenticated by the signature of the presiding officer of the governing body and the clerk. All ordinances of a general or permanent nature and those imposing any fine, penalty, or forfeiture, following adoption and, if required by ordinance adopted pursuant to section 31-4-102 (3) or 31-4-302, compliance with the provisions of section 31-16-104, shall be published in some newspaper published within the limits of the city or town or, if there are none, in some newspaper of general circulation in the city or town. It is a sufficient defense to any suit or prosecution for such fine, penalty, or forfeiture to show that no publication was made. If there is no newspaper published or having a general circulation within the limits of the city or town, then, upon a resolution being passed by the governing body to that effect, ordinances may be published by posting copies thereof in three public places within the limits of the city or town, to be designated by the governing body. Except for ordinances calling for special elections or necessary to the immediate preservation of the public health or safety and containing the reasons making the same necessary in a separate section, such ordinances shall not take effect and be in force before thirty days after they have been so published. The excepted ordinances shall take effect upon adoption and, if required by ordinance adopted pursuant to section 31-4-102 (3) or 31-4-302, compliance with the provisions of section 31-16-104 if they are adopted by an affirmative vote of three-fourths of the members of the governing body of the city or town. The book of ordinances provided for in this section shall be taken and considered in all courts of this state as prima facie evidence that such ordinances have been published as provided by law. Any municipality may determine at a regular or special election to meet the requirements of this section and section 31-16-106 by publishing ordinances by title only rather than by publishing the ordinance in full. No municipality shall call a special election for the sole purpose of determining the issue of whether the municipality should publish new ordinances in full or by title only.

Source: **L. 75:** Entire title R&RE, p. 1123, § 1, effective July 1. **L. 81:** Entire section amended, p. 1496, § 10, effective May 28. **L. 92:** Entire section amended, p. 1053, § 3, effective January 1, 1993.

Editor's note: This section is similar to former § 31-12-305 as it existed prior to 1975.

ANNOTATION

Law reviews. For article, "Adoption by Reference in Municipal Ordinances", see 22 Rocky Mt. L. Rev. 69 (1949). For article, "Publication of Legal Notices by Colorado Municipalities", see 22 Colo. Law. 59 (1993).

Annotator's note. Since 31-16-105 is similar to former § 31-12-305 prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, relevant cases construing those provisions have been included in the annotations to this section.

If a party litigant raised the objection that the ordinance has been changed, the burden is upon him to prove it, and such proof requires more than merely casting a doubt or suspicion upon the validity of the ordinance. *Handler v. City & County of Denver*, 102 Colo. 53, 77 P.2d 132 (1938).

This section was intended to provide a convenient method of proving the fact that an ordinance had been published as required by law, and not for the purpose of making the book of ordinances the only and exclusive evidence of such fact. *LaFitte v. City of Ft. Collins*, 42 Colo. 293, 93 P. 1098 (1908).

This section does not require the signature of the mayor, or the attestation of the clerk, to give effect to the ordinance, but only requires that the ordinance, as soon as may be after its passage, shall be recorded in a book, etc., and be authenticated by the signature of the presiding officer, etc., thus clearly implying that the signature is not essential to the passing of the ordinance, but is merely for the purpose of evidencing its authentication, because apparently the signing is after the recording, and the recording is only to occur as soon as may be after the passage. *Nat'l Bank of Commerce v. Town of Granada*, 41 F. 87 (8th Cir. 1891).

All bylaws of a general or permanent nature had to be published as required by this

section. *Nat'l Bank of Commerce v. Town of Granada*, 48 F. 278 (8th Cir. 1891).

This section is mandatory and an ordinance without the requisite publication is a nullity, and consequently of no force or validity. *Nat'l Bank of Commerce v. Town of Granada*, 48 F. 278 (8th Cir. 1891).

Publication or posting of ordinances is an essential condition precedent to their validity. *People ex rel. Town of Wray v. Grant*, 48 Colo. 156, 111 P. 69 (1910).

Conviction based on unpublished ordinance. Where an ordinance declared the keeping for sale of any intoxicating liquors a nuisance, and that the same "may be abated as any other nuisance", but the provision quoted was never published, it was held that such provision never became of force, and a judgment convicting the accused party of maintaining a nuisance, and directing the abatement of such nuisance, is no justification for acts done pursuant thereto. *Wolfe v. Abbott*, 54 Colo. 531, 131 P. 386 (1913).

This section is not mandatory as to the manner of proving the publication of an ordinance. *LaFitte v. City of Ft. Collins*, 42 Colo. 293, 93 P. 1098 (1908).

The recital in and certificate to bonds, stating full compliance with all preliminary requirements, estops the issuer of the bonds from subsequently denying that the ordinance authorizing the bond purchase was duly published. *Hayden v. Town of Aurora*, 57 Colo. 389 (1914).

Prima facie evidence of legal publication. This section makes the record of an ordinance in the "book of ordinances" to be kept for that purpose prima facie evidence of its lawful publication and in view of this fact, courts ought not to permit this salutary presumption of regularity to be overcome by anything less than substantial proof of irregularity. *Town of Fletcher v. Hickman*, 165 F. 403 (8th Cir. 1908).

31-16-106. Reading before city council - publication. No ordinance shall be adopted by any city council of any city unless the same has been previously introduced and read at a preceding regular or special meeting of such city council and published in full in the manner provided in section 31-16-105 at least ten days before its adoption. The previous introduction of the ordinance at such preceding meeting of the city council and the fact of its publication shall appear in the certificate and the attestation of the clerk on the ordinance after its adoption. The provisions of section 31-16-105 shall apply to any ordinance adopted by a city council; except that, if publication after introduction was in a newspaper, publication after adoption may be in the same newspaper by title only and shall contain the date of the initial publication and shall reprint in full any section, subsection, or paragraph of the ordinance which was amended following the initial publication. Publication following adoption may be in full at the discretion of the city council.

Source: L. 75: Entire title R&RE, p. 1124, § 1, effective July 1. L. 77: Entire section amended, p. 1466, § 1, effective May 20.

Editor's note: This section is similar to former § 31-15-104 as it existed prior to 1975.

ANNOTATION

Annotator's note. Since 31-16-106 is similar to former § 31-15-104 prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, relevant cases construing those provisions have been included in the annotations to this section.

This section, by its terms, applies only to ordinances of a city and not to a town. People ex rel. Town of Wray v. Grant, 48 Colo. 156, 111 P. 69 (1910).

The term "unless the same has been previously ... published in full" imports but one

occurrence in the running of time. Jackson v. City of Glenwood Springs, 122 Colo. 323, 221 P.2d 1083 (1950).

Compliance found. Where a proposed city ordinance was published only once in a newspaper but at least 10 days before its passage, it was held that this complied with the requirements of this section. Jackson v. City of Glenwood Springs, 122 Colo. 323, 221 P.2d 1083 (1950).

31-16-107. Reading - adoption of code. Whenever the reading of an ordinance or of a code which is to be adopted by reference is required by statute, any such requirement shall be deemed to be satisfied if the title of the proposed ordinance is read and the entire text of the proposed ordinance or of any code which is to be adopted by reference is submitted in writing to the governing body before adoption.

Source: L. 75: Entire title R&RE, p. 1124, § 1, effective July 1.

31-16-108. Majority of all members required - record. On the adoption of an ordinance, resolution, or order for the appropriation of money or the entering into of a contract by the governing body of any city or town, the yeas and nays shall be called and recorded, and the concurrence of a majority of the governing body shall be required.

Source: L. 75: Entire title R&RE, p. 1124, § 1, effective July 1. **L. 89:** Entire section amended, p. 1293, § 16, effective April 6. **L. 91:** Entire section amended, p. 756, § 30, effective April 4.

Editor's note: This section is similar to former § 31-12-306 as it existed prior to 1975.

ANNOTATION

Annotator's note. Since § 31-16-108 is similar to former § 31-12-306 prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, relevant cases construing those provisions have been included in the annotations to this section.

The provisions of this section are mandatory in cases where they apply. People ex rel. Sanders v. Hendrick, 93 Colo. 512, 27 P.2d 493 (1933); City of Greeley v. Hamman, 17 Colo. 30, 28 P. 460 (1891); Kinzie v. Incorporated Town of Haxtun, 99 Colo. 588, 63 P.2d 511 (1937).

And this section cannot be effectually waived; every contract must be expressed. City of Colo. Springs v. Coray, 25 Colo. App. 460, 139 P. 1031 (1914).

The power conferred is limited and can only be exercised in the manner prescribed. Tracey v. People, 6 Colo. 151 (1882).

The object of this section is to fix the individual responsibility for municipal legislation, of each member voting, by a permanent record. Any mode by which the vote of each

member is clearly and definitely ascertained for the purposes of the record is sufficient, and a call of the roll is not regarded as essential. Brophy v. Hyatt, 10 Colo. 223, 15 P. 399 (1887).

Thus, it contemplates that the vote must be taken in a certain way and a record thereof made and that the record shall be the only evidence. City of Denver v. Spencer, 34 Colo. 270, 82 P. 590 (1905).

This is the only section which contains general provisions prescribing the vote necessary to pass ordinances, and the manner of taking and recording the votes. Tracey v. People, 6 Colo. 151 (1882).

A member of the board of trustees of an incorporated town while presiding over the sessions of the board as mayor pro tem is entitled to vote upon all questions whether or not there is a tie. Harris v. People ex rel. Squires, 18 Colo. App. 160, 70 P. 699 (1902).

This section specifies no cases wherein contracts are required to be entered into. Town of Durango v. Pennington, 8 Colo. 257, 7 P. 14 (1885).

Minutes as evidence of contract execution. On the issue of whether or not a contract has been executed by a town, recorded minutes of the council meeting relating thereto constitute the only permissible evidence. *Kinzie v. Incorporated Town of Haxtun*, 99 Colo. 588, 63 P.2d 511 (1937).

Compliance shown. Where it appeared from the record of meeting of the town board with

reasonable certainty that all the members were present and voted for the ordinance upon its passage and that it was passed unanimously, it was held, that it showed a compliance with the provision of this section. *People v. Raims*, 20 Colo. 489, 39 P. 341 (1895).

Applied in *Cordilla v. City of Pueblo*, 34 Colo. 293, 82 P. 594 (1905); *La Fitte v. City of Ft. Collins*, 42 Colo. 293, 93 P. 1098 (1908).

31-16-109. Disposition of fines and forfeitures. All fines and forfeitures for the violation of ordinances and all moneys collected for licenses or otherwise shall be paid into the treasury of the city or town at such times and in such manner as may be prescribed by ordinance, or, if there is no ordinance referring to the case, it shall be paid to the treasurer at once.

Source: L. 75: Entire title R&RE, p. 1124, § 1, effective July 1.

Editor's note: This section is similar to former § 31-12-307 as it existed prior to 1975.

Cross references: For disposition of fines and forfeitures involving the operation of motor vehicles, see § 42-1-217.

ANNOTATION

Applied in *Orman v. City of Pueblo*, 8 Colo. 292, 6 P. 931 (1885).

31-16-110. County officers may serve process. Any sheriff of any county or city and county of this state may serve, within such sheriff's county, any process issued from any court or may make any arrest within such sheriff's county, authorized by law to be made by any municipal officers; but the only process or warrant for the arrest of any person charged with a violation of a municipal ordinance which shall be valid and executed outside the municipality where said violation occurred is that for the violation of an ordinance of any municipality in this state which is a criminal or quasi-criminal offense. For the purposes of this section, traffic offenses shall not be considered to be criminal or quasi-criminal offenses unless penalty points may be assessed under section 42-2-127 (5) (a) to (5) (r), (5) (w), and (5) (x), C.R.S.

Source: L. 75: Entire title R&RE, p. 1124, § 1, effective July 1. L. 77: Entire section amended, p. 795, § 9, effective June 3. L. 94: Entire section amended, p. 2565, § 78, effective January 1, 1995.

Editor's note: This section is similar to former § 31-12-308 as it existed prior to 1975.

31-16-111. One-year limitation of suits. All suits for the recovery of any fine and prosecutions for the commission of any offense made punishable under any ordinance of any municipality shall be barred one year after the commission of the offense for which the fine is sought to be recovered.

Source: L. 75: Entire title R&RE, p. 1125, § 1, effective July 1.

Editor's note: This section is similar to former § 31-12-309 as it existed prior to 1975.

PART 2

ORDINANCE CODES ADOPTED BY REFERENCE

31-16-201. Definitions. As used in this part 2, unless the context otherwise requires:

(1) "Adopting municipality" means any municipality which has adopted or is in the process of adopting an ordinance pursuant to the provisions of this part 2.

(2) "Code" means any published compilation of statutes, ordinances, rules, regulations, or standards adopted by the federal government or the state of Colorado, by an agency of either of them, or by any municipality or other political subdivision in this state. The term includes any codification or compilation of existing ordinances of the adopting municipality. The term "code" also means published compilations of any nongovernmental organization or institution which may embrace any of the following subjects: The construction, alteration, repair, removal, demolition, equipment, use, occupancy, location, maintenance, or other matters related to buildings or other erected structures including, but not limited to, building codes, fire or fire prevention codes, plumbing codes, housing codes, mechanical codes, and electrical codes.

(3) "Municipality" means any city or any town operating under general or special laws of the state of Colorado or any home rule city or town, the charter or ordinances of which contain no provisions inconsistent with provisions of this part 2.

(4) "Primary code" means any code which is directly adopted by reference in whole or in part by any ordinance passed pursuant to this part 2.

(5) "Published" means issued in printed, lithographed, multigraphed, mimeographed, or similar form.

(6) "Secondary code" means any code which is incorporated by reference, directly or indirectly, in whole or in part in any primary code or in any secondary code.

Source: L. 75: Entire title R&RE, p. 1125, § 1, effective July 1.

Editor's note: This section is similar to former § 31-12-401 as it existed prior to 1975.

ANNOTATION

Law reviews. For article, "Adoption by Reference in Municipal Ordinances", see 22 Rocky Mt. L. Rev. 69 (1949).

31-16-202. Adoption by reference - title. If all the procedures and requirements of this part 2 are complied with, any municipality may enact any ordinance which adopts any code by reference in whole or in part, and such primary code thus adopted may in turn adopt by reference, in whole or in part, any secondary codes duly described therein. However, every primary code which is incorporated in any such adopting ordinance shall be specified in the title of the ordinance. Notwithstanding the procedures and requirements of this part 2, a municipality may enact any ordinance which adopts by reference any statute, rule, regulation, or standard adopted by the federal government or the state of Colorado, or by any agency of either of them, solely by referring to such statute, rule, regulation, or standard in the text of such ordinance.

Source: L. 75: Entire title R&RE, p. 1125, § 1, effective July 1. **L. 88:** Entire section amended, p. 1125, § 7, effective April 4.

Editor's note: This section is similar to former § 31-12-402 as it existed prior to 1975.

31-16-203. Notice - hearing. After the introduction of the adopting ordinance, the governing body of any municipality shall schedule a public hearing thereon. Notice of the hearing shall be published twice in a newspaper of general circulation in the adopting municipality, once at least fifteen days preceding the hearing, and once at least eight days preceding it. If there is no such newspaper, the notice shall be posted in the same manner as provided for the posting of a proposed ordinance. The notice shall state the time and place of the hearing. It shall also state that copies of the primary code and copies of the secondary codes, if any, being considered for adoption are on file with the clerk and are

open to public inspection. The notice shall also contain a description which the governing body deems sufficient to give notice to interested persons of the purpose of the primary code, the subject matter of the code, the name and address of the agency by which it has been promulgated or, if a municipality, the corporate name of such municipality which has enacted such code, and the date of publication of such code, and, in the case of a code of any municipality, the notice shall contain a specific reference to the code of a given municipality as it existed and was effective at a given date. The requirements as to the reading of the adopting ordinance are as provided in section 31-16-107.

Source: L. 75: Entire title R&RE, p. 1125, § 1, effective July 1.

Editor's note: This section is similar to former § 31-12-403 as it existed prior to 1975.

31-16-204. Adopting ordinance - adoption of penalty clauses by reference prohibited. After the hearing, the governing body may amend, adopt, or reject the adopting ordinance in the same manner in which it is empowered to act in the case of other ordinances; but nothing in this part 2 shall permit the adoption by reference of any penalty clauses which may appear in any code which is adopted by reference. Any such penalty clauses may be enacted only if set forth in full and published in the adopting ordinance. All changes or additions to any code made by the governing body shall be published in the manner which is required for ordinances; except that changes or additions which are not substantive in nature made in connection with any codification or compilation of existing ordinances of the adopting municipality may be posted at the municipal offices in lieu of publication of such changes or additions.

Source: L. 75: Entire title R&RE, p. 1126, § 1, effective July 1. L. 88: Entire section amended, p. 1126, § 8, effective April 4.

Editor's note: This section is similar to former § 31-12-404 as it existed prior to 1975.

31-16-205. Publication of ordinance. Nothing in this part 2 shall relieve any municipality from the requirement of publishing in full the ordinance which adopts any such code, and all provisions applicable to such publication shall be fully carried out. The adopting ordinance shall contain the same description of the primary adopted code as required in the notice of hearing in section 31-16-203.

Source: L. 75: Entire title R&RE, p. 1126, § 1, effective July 1.

Editor's note: This section is similar to former § 31-12-405 as it existed prior to 1975.

31-16-206. Filing of public record - sale of copies. Not less than one copy of each primary code adopted by reference and of each secondary code pertaining thereto, all certified to be true copies by the mayor and the clerk, shall be filed in the office of the clerk at least fifteen days preceding the hearing and shall be kept there for public inspection while the ordinance is in force. After the adoption of the code by reference, a copy of the primary code and of each secondary code may be kept in the office of the chief enforcement officer instead of in the office of the clerk. Following the adoption of any code, the clerk shall at all times maintain a reasonable supply of copies of the primary code available for purchase by the public at a moderate price.

Source: L. 75: Entire title R&RE, p. 1126, § 1, effective July 1. L. 88: Entire section amended, p. 1126, § 9, effective April 4.

Editor's note: This section is similar to former § 31-12-406 as it existed prior to 1975.

31-16-207. Amendments. If at any time any code which any municipality has previously adopted by reference is amended by the agency or municipality which originally promulgated, adopted, or enacted it, the governing body may adopt such amendment by reference through the same procedure as required for the adoption of the original code, or an ordinance may be enacted in the regular manner setting forth the entire text of such amendment.

Source: L. 75: Entire title R&RE, p. 1126, § 1, effective July 1.

Editor's note: This section is similar to former § 31-12-407 as it existed prior to 1975.

31-16-208. Use as evidence. Copies of such codes in published form, duly certified by the clerk and mayor of the municipality, shall be received without further proof as prima facie evidence of the provisions of such codes or public records in all courts and administrative tribunals of this state.

Source: L. 75: Entire title R&RE, p. 1127, § 1, effective July 1.

Editor's note: This section is similar to former § 31-12-408 as it existed prior to 1975.

ANNOTATION

Annotator's note. Since § 31-16-208 is similar to former § 31-12-408 prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, a relevant case construing a prior provision has been included in the annotations to this section.

Municipal courts may take judicial notice of the municipal ordinances that fall within their jurisdiction. City of Pueblo v. Murphy, 189 Colo. 559, 542 P.2d 1288 (1975).

And a county court may take judicial notice of municipal ordinances when an appeal is taken from the municipal court to the county court for a trial de novo. City of Pueblo v. Murphy, 189 Colo. 559, 542 P.2d 1288 (1975).

However, courts of general jurisdiction may not take judicial notice of the ordinances of municipal corporations in civil or criminal cases. City of Pueblo v. Murphy, 189 Colo. 559, 542 P.2d 1288 (1975).

- 31-20-406. Redemption of warrants.
- 31-20-407. Neglect in keeping register or paying - penalty.

PART 1

TAXATION AND ASSESSMENT COLLECTION

31-20-101. Power to levy taxes - on what property. The governing body of any municipality has the power to levy taxes, the same kinds and classes, upon taxable property, real, personal, and mixed, within the municipal limits as are subject to taxation for state or county purposes in accordance with the laws of this state.

Source: L. 75: Entire title R&RE, p. 1127, § 1, effective July 1.

Editor's note: This section is similar to former § 31-20-101 as it existed prior to 1975.

Cross references: For the procedure to increase a tax levy beyond statutory limits, see § 29-1-302.

ANNOTATION

Law reviews. For note, "The Constitutional-ity of a Colorado Municipal Income Tax", see 25 Rocky Mt. L. Rev. 343 (1953).

The specific taxing power is governed by this section. Ochs v. Town of Hot Sulphur Springs, 158 Colo. 456, 407 P.2d 677 (1965).

When unconstitutional. Where taxes result in a flagrant inequality between the burden imposed and the benefit received, such is confiscatory and unconstitutional. Ochs v. Town of Hot Sulphur Springs, 158 Colo. 456, 407 P.2d 677 (1965).

To enforce a special assessment for a purpose which does not confer a special benefit upon the property upon which it is levied would result in taking private property without compensation, and without due process of law. Ochs v. Town of Hot Sulphur Springs, 158 Colo. 456, 407 P.2d 677 (1965).

Scope of power. City councils and boards of trustees of cities and towns incorporated under the general statutes are authorized to levy taxes for city or town purposes upon the property in the city or town subject to taxation, and the time within which such annual levy shall be made is not limited, except that it must be done before

the county clerk extends the taxes on the tax list and delivers it to the treasurer for collection. Boston & Colo. Smelting Co. v. Elder, 20 Colo. App. 96, 77 P. 258 (1904).

Taxation defined. Taxation, as the word is employed in the Colorado constitution and statutes generally, is that burden or charge upon all property laid for raising revenue for general public purposes in defraying the expense of government. Ochs v. Town of Hot Sulphur Springs, 158 Colo. 456, 407 P.2d 677 (1965).

Taxation and assessment are not synonymous terms, each is a separate and distinct exercise of the sovereign power to tax. Ochs v. Town of Hot Sulphur Springs, 158 Colo. 456, 407 P.2d 677 (1965).

If the tax is for a "general" purpose it must be an ad valorem tax. Ochs v. Town of Hot Sulphur Springs, 158 Colo. 456, 407 P.2d 677 (1965).

Assessments are local and resorted to for making local improvements on the theory that the property affected is increased in value at least to the amount of the levy. Ochs v. Town of Hot Sulphur Springs, 158 Colo. 456, 407 P.2d 677 (1965).

An assessment in the nature of a special tax is for purposes of municipal improvement conferring a special benefit upon the property being assessed. *Ochs v. Town of Hot Sulphur Springs*, 158 Colo. 456, 407 P.2d 677 (1965).

Special benefits which will sustain a special assessment must be immediate, and of such a character that they can be seen and traced; remote or contingent benefits enjoyed by the general public will not sustain a special assessment. *Ochs v. Town of Hot Sulphur Springs*, 158 Colo. 456, 407 P.2d 677 (1965).

Portion of assessment for general benefit invalid. So much of an improvement as is designated and utilized for the general benefit of the inhabitants and property within the limits of a municipality is in no sense local, and special assessments to raise funds to construct, purchase, pay for, or maintain that portion of it, cannot be lawfully levied. *Ochs v. Town of Hot Sulphur Springs*, 158 Colo. 456, 407 P.2d 677 (1965).

The revenues derived from frontage taxes are designated for general purposes of a town, i.e., in maintenance of the town's water system, roads and road equipment, and the manner of imposition of taxes upon properties by a municipality is governed by § 3 of art. X, Colo.

Const., prescribing that the same shall be uniform ad valorem taxes. *Ochs v. Town of Hot Sulphur Springs*, 158 Colo. 456, 407 P.2d 677 (1965).

Authority to levy a special frontage tax can only be upheld on the theory that the property upon which it is levied is specially benefitted by the purposes to which such tax may be applied. *Ochs v. Town of Hot Sulphur Springs*, 158 Colo. 456, 407 P.2d 677 (1965).

Spending of special assessments. If the "taxes" are special assessments upon the properties, the revenues therefrom could not be diverted to providing for general town purposes, but would necessarily have to be used and confined to payment for the capital improvement resulting in an equivalent benefit to plaintiff's properties. *Ochs v. Town of Hot Sulphur Springs*, 158 Colo. 456, 407 P.2d 677 (1965).

Showing needed to invalidate tax. A grant of power to impose municipal taxes involves a decision by the general assembly that benefits proportionate to the burden will be conferred, and the burden of proof is upon him who assails the legislative action, and to warrant judicial interference, he must show a clear case of violation of the principle exempting private property from condemnation to public use. *Brown v. Denver*, 3 Colo. 169 (1877).

31-20-101.3. Incentives for installation of renewable energy fixtures - definitions.

(1) Notwithstanding any law to the contrary, a governing body of any municipality may offer an incentive, in the form of a municipal property tax or sales tax credit or rebate, to a residential or commercial property owner who installs a renewable energy fixture on his or her residential or commercial property.

(2) For purposes of this section, unless the context otherwise requires, "renewable energy fixture" means any fixture, product, system, device, or interacting group of devices that produces energy, including but not limited to alternating current electricity, from renewable resources, including, but not limited to, photovoltaic systems, solar thermal systems, small wind systems, biomass systems, or geothermal systems.

Source: **L. 2007:** Entire section added, p. 489, § 3, effective August 3. **L. 2009:** (2) amended, (HB 09-1126), ch. 254, p. 1147, § 2, effective May 15.

Cross references: For the short title contained in the 2007 act enacting this section, see section 1 of chapter 130, Session Laws of Colorado 2007.

31-20-102. Assessor to designate property. It is the duty of the county assessor each year, in making his return, to designate the property situated within the limits of any municipality in such county.

Source: **L. 75:** Entire title R&RE, p. 1127, § 1, effective July 1.

Editor's note: This section is similar to former § 31-20-102 as it existed prior to 1975.

ANNOTATION

Mandatory duty presumed discharged. The county assessor each year has the mandatory

duty to designate the property situate in the towns of the county, and it is presumed, as the

supreme court has many times held, that public officials properly discharge their duties. *Town of Frisco v. Brower*, 171 Colo. 441, 467 P.2d 801 (1970).

Applied in *Boston & Colo. Smelting Co. v. Elder*, 20 Colo. App. 96, 77 P. 258 (1904).

31-20-103. Committee to appear before board of equalization. Any governing body of any municipality has the authority to appoint a committee from its members to appear before the board of county commissioners, sitting as a board of equalization, and to recommend to said board such amendments and additions to or changes in the assessment made by the county assessor of the property or any portion thereof within the limits of such municipality as such committee may deem just.

Source: L. 75: Entire title R&RE, p. 1127, § 1, effective July 1.

Editor's note: This section is similar to former § 31-20-103 as it existed prior to 1975.

31-20-104. Assessor to extend taxes - warrant. It is the duty of the county assessor, when the assessment roll is prepared each year for the extension of the taxes, to extend the municipal tax upon the tax list in the same manner as other taxes are extended, carrying said municipal tax into the general total of all taxes for the year, and to include said municipal taxes in his general warrant to the county treasurer for collection.

Source: L. 75: Entire title R&RE, p. 1127, § 1, effective July 1.

Editor's note: This section is similar to former § 31-20-104 as it existed prior to 1975.

ANNOTATION

Applied in *Elder v. Fox*, 18 Colo. App. 263, 71 P. 398 (1903); *Boston & Colo. Smelting Co. v. Elder*, 20 Colo. App. 96, 77 P. 258 (1904).

31-20-105. Municipality may certify delinquent charges. Any municipality, in addition to the means provided by law, if by ordinance it so elects, may cause any or all delinquent charges, assessments, or taxes made or levied to be certified to the treasurer of the county and be collected and paid over by the treasurer of the county in the same manner as taxes are authorized to be by this title.

Source: L. 75: Entire title R&RE, p. 1127, § 1, effective July 1.

Editor's note: This section is similar to former § 31-20-105 as it existed prior to 1975.

ANNOTATION

Authority to collect. When the municipality by ordinance so provides, this section and said ordinance together constitute the authority, and the only authority, which the treasurer has for collecting said delinquent municipal assessments, in the same manner as he collects state, county, and municipal taxes; and when the municipality furnishes to the treasurer, with proof of the passage of an appropriate ordinance, the treasurer, without any other warrant, has the authority to collect the delinquent municipal

assessment in the same manner as he collects other taxes. *City of Highlands v. Johnson*, 24 Colo. 371, 51 P. 1004 (1897).

Priority. A municipality may not impose a "superpriority lien" for nuisance abatement expenses except as specifically authorized by statute. *Gold Vein LLC v. Cripple Creek*, 973 P.2d 1286 (Colo. App. 1999).

Applied in *Elder v. Fox*, 18 Colo. App. 263, 71 P. 398 (1903).

31-20-106. County treasurer to collect municipal taxes - liens - publication.

(1) (a) It is the duty of the treasurer of said county and he is authorized to collect the municipal taxes in the same manner and at the same time as other taxes upon the same tax list are collected. The expense of construction and repair of sidewalks, streets, paving of streets, curb and gutter, drainage facilities, or other improvements, which are placed upon municipal streets, other than pursuant to part 5 of article 25 of this title, shall be assessed in the manner prescribed by the ordinance of any such municipality upon the property fronting upon the same. Except for the construction and repair of sidewalks, no such assessments for other construction shall be made by the municipality unless approved by petition signed by not less than sixty percent of the owners of property fronting upon the same and owning at least sixty percent of the property fronting thereon. Such assessment shall be a lien upon said property until it is paid. In case of failure to pay such assessment in a reasonable time, to be specified by ordinance, the assessment, at any time after such failure, may be certified by the clerk of such municipality to the officer having the custody of the tax list at the time such certification is made to be placed by him upon such tax list for the current year and collected in the same manner as other taxes are collected, with ten percent penalty thereon to defray the cost of collection. All the laws of the state for the assessment and collection of general taxes, including the laws for the sale of property for taxes and their redemption of the same, shall apply and have as full effect for the collection of all such municipal taxes as for such general taxes, except as modified by this title.

(b) Nothing in paragraph (a) of this subsection (1) shall be construed to repeal existing statutes concerning the power to levy taxes, charges, and assessments and the procedures for the assessments and collection thereof.

(2) The county treasurer, at the close of every month and more often if the governing body of said municipality requires, shall pay over to the municipal treasurer all moneys collected by him upon the presentation to him of an order signed by the mayor and clerk of such municipality. Any such county treasurer shall be liable on his official bond for the faithful discharge of all the duties and obligations imposed upon him.

(3) In case of sale of any lot or tract of ground for delinquent sidewalk tax, the same shall be advertised and sold for such tax, and the certificate of sale and deed therefor shall be made separate from the sale certificate and deed for other taxes. The amount of sidewalk tax so assessed shall not be certified to the county clerk and recorder until notice of such assessment has been published for ten days in some newspaper published in such municipality as provided by the ordinance of such municipality, giving the lot owner an opportunity to be heard before the governing body, at the time and place designated, as to the justness and correctness of the amount so assessed. The provisions of this title relating to collecting the expense of construction and repairs of sidewalks shall be construed to be for the purpose of carrying into effect the police powers of municipalities as to such construction and repairs of sidewalks and shall not be construed as imposing a special tax under the taxing power. The ordinance of such municipality shall provide for a reasonable time after the order of such municipality for the construction or repairs of such sidewalks for the owners of such lots to construct or repair such sidewalks. In case any such owners fail to so construct or repair such sidewalk in the time and manner prescribed by said ordinances, such municipality may proceed to construct or repair such sidewalk and charge such owners as prescribed by ordinance and in the manner described in this section.

Source: L. 75: Entire title R&RE, p. 1127, § 1, effective July 1.

Editor's note: This section is similar to former § 31-20-106 as it existed prior to 1975.

ANNOTATION

Inapplicable to sales made in pursuance of a special assessment. It is sufficient to say that no language to be found in this section will warrant the court in holding it was the intention of the general assembly to make this section

applicable to sales made in pursuance of a special assessment for a sidewalk. *Richardson v. City of Denver*, 17 Colo. 398, 30 P. 333 (1892).

The rule of caveat emptor applies to a purchaser at an invalid tax sale of a city lot for

delinquent sewer taxes and neither the purchaser nor his assignee of the tax sale certificate is entitled to recover from the city the amount due upon such certificate. *Elder v. Fox*, 18 Colo. App. 263, 71 P. 398 (1903).

Estopped from enforcing unrecorded tax lien. Where a special sewer tax was assessed against a city lot but no record thereof was made either in the office of the county treasurer or county clerk, and 12 years after such assessment was made the city attempted to enforce its lien by causing said lot to be sold for said tax, the

city was estopped to assert its tax lien as against a purchaser of the lot who purchased without notice of such tax and after an examination of the records for tax liens, and who received no notice of the tax or the tax sale until the purchaser at the tax sale applied for a deed upon his tax sale certificate, the holder of the tax sale certificate was not entitled to a deed and the tax lien and certificate should be annulled. *Elder v. Fox*, 18 Colo. App. 263, 71 P. 398 (1903).

Applied in Boston & Colo. Smelting Co. v. Elder, 20 Colo. App. 96, 77 P. 258 (1904).

31-20-107. Municipality to pay share of county expenses. The governing body of said municipality shall make in each year such allowance to be paid out of the general fund to the county as shall be a reasonable and just compensation for the extra labor imposed by this part 1 and shall also make an allowance, to be paid out of the general fund to the county in which said municipality is located, for the municipality's proportion of the expense of advertising the sale of lands for delinquent taxes in each year, the amount to be certified to the governing body by the county clerk and recorder of the proper county.

Source: L. 75: Entire title R&RE, p. 1128, § 1, effective July 1.

Editor's note: This section is similar to former § 31-20-107 as it existed prior to 1975.

ANNOTATION

By virtue of this section the council or board of trustees was undoubtedly constituted a quasi-judicial body, to which was intrusted, and on which was imposed the duty to determine the allowance which the assessor should receive for doing the work prescribed by

the revenue act, and which was essential to facilitate the collection of city taxes and enable the municipality to determine the property which was liable to taxation and the amounts collectible by the city. *Walpole v. City of Pueblo*, 12 Colo. App. 151, 54 P. 910 (1898).

PART 2

FINANCE - GENERAL

31-20-201. Fiscal procedures - budgeting - appropriations. The provisions of part 1 of article 1 of title 29, C.R.S., shall govern fiscal procedures, budgeting, and appropriations of towns and cities organized under this title.

Source: L. 75: Entire title R&RE, p. 1129, § 1, effective July 1.

Editor's note: This section is similar to former § 31-20-201 as it existed prior to 1975.

ANNOTATION

Bonds issued by a municipality for the purchase of water rights, for the purpose of supplying water to its inhabitants, were not within the provisions of this section and former CSA, C. 163, § 201. *City of Cripple Creek v. Adams*, 36 Colo. 320, 85 P. 184 (1906).

The defense that there was no compliance with this and repealed CSA, C. 163, § 200,

was an affirmative defense. *Morrison v. Burke*, 103 Colo. 167, 84 P.2d 461 (1938).

Applied in *Sullivan v. City of Leadville*, 11 Colo. 483, 18 P. 736 (1888); *Rizer v. People*, 18 Colo. App. 40, 69 P. 315 (1902); *Bd. of Trustees v. Endner*, 18 Colo. App. 65, 70 P. 152 (1902).

31-20-202. Publication - penalty. (1) It is the duty of the governing body of each city and town, except cities over ten thousand population, those operating under special charters, and those which have determined by election pursuant to subsection (1.5) of this section not to publish, to publish such of their proceedings as relate to the payment of bills, stating for what the same are allowed, the name of the person to whom allowed, and to whom paid. They shall also publish a statement concerning all contracts awarded and rebates allowed.

(1.5) Any city or town subject to this section may determine at a regular or special election not to publish their proceedings relating to payment of bills and statements concerning their contracts. However, no city or town shall call a special election for the sole purpose of determining whether the city or town shall publish their proceedings relating to payment of bills and statements concerning their contracts. Any city or town whose citizens elect not to publish may provide an alternative for distribution of the information.

(2) Such publication shall be made within twenty days after the adjournment of each regular or special meeting in a newspaper of general circulation published in the city or town where such meeting is held. If there is no reliable newspaper published within said city or town, said publication shall be made in some newspaper of general circulation nearest to said city or town within the county and the clerk shall furnish copy of such proceedings for publication.

(3) Any mayor, member of the governing body, or clerk who fails or refuses to make such publication shall be subject to a fine of not less than twenty-five dollars nor more than three hundred dollars and the costs of the suit for each offense; except that these penalties do not apply to the officials of any city or town which has elected pursuant to subsection (1.5) of this section not to make such publication.

Source: L. 75: Entire title R&RE, p. 1129, § 1, effective July 1. L. 94: (1) and (3) amended and (1.5) added, p. 1054, § 4, effective January 1, 1993.

Editor's note: This section is similar to former §§ 31-20-202 to 31-20-204 as they existed prior to 1975.

Cross references: For duty of towns and cities to have an annual audit, see part 6 of article 1 of title 29.

PART 3

FINANCE - TREASURER

31-20-301. Bond of treasurer - waiver - duties. (1) The treasurer shall give a bond to the city or town in its corporate name with good and sufficient sureties, to be approved by vote of the governing body in such sum as it requires, conditioned on the faithful performance of his duties as treasurer of such city or town so long as he shall serve as such treasurer and requiring that, when he vacates such office, he will turn over and deliver to his successor all moneys, books, papers, property, or things belonging to such city or town and remaining in his charge as such treasurer. The governing body of the city or town may waive the requirement of a bond.

(2) The treasurer shall:

(a) Receive all moneys belonging to the city or town and shall keep his books and accounts in such manner as may be prescribed by ordinance. Such books and accounts shall always be subject to the inspection of any member of the governing body.

(b) Keep a separate account of each fund or appropriation and the debits and credits belonging thereto;

(c) Give every person paying money into the treasury a receipt therefor specifying the date of payment and upon what account paid, and he shall also file statements of such receipts with the city or town clerk on the date of his monthly report;

(d) Render an account to the governing body or such officer as may be designated by ordinance, at the end of each month and more often if required, showing the state of the treasury at the date of such account and the balance of money in the treasury. He shall also accompany such accounts with a statement of all moneys received into the treasury and on

what account during the preceding month, together with all warrants redeemed and paid by him. Said warrants, with any vouchers held by the treasurer, shall be delivered to the clerk and filed with his account in the clerk's office upon every day of such statement. He shall return all warrants paid by him stamped or marked "paid". He shall keep a register of all warrants redeemed and paid, which shall describe such warrants and show the date, amount, number, the fund from which paid, and the name of the person to whom and when paid.

Source: L. 75: Entire title R&RE, p. 1129, § 1, effective July 1. L. 89: (1) amended, p. 1293, § 17, effective April 6.

Editor's note: This section is similar to former §§ 31-20-301 to 31-20-305 as they existed prior to 1975.

ANNOTATION

Applied in *Manitou v. First Nat'l Bank*, 37 Colo. 344, 86 P. 75 (1906); *Pub. Serv. Co. v. City of Loveland*, 79 Colo. 216, 245 P. 493 (1926).

31-20-302. Penalty for using municipal funds. The treasurer is expressly prohibited from using, either directly or indirectly, the municipal money or warrants in his custody and keeping them for his own use or benefit or that of any other person. Any violation of this provision shall subject him to immediate removal from office by the governing body which is authorized to declare said office vacant, in which case his successor shall be appointed and shall hold office for the remainder of the unexpired term of such officer so removed.

Source: L. 75: Entire title R&RE, p. 1130, § 1, effective July 1.

Editor's note: This section is similar to former § 31-20-306 as it existed prior to 1975.

ANNOTATION

A city treasurer who deposits the money of the city in a bank is liable therefor if lost by the failure of the bank. *Babcock v. City of Rocky Ford*, 25 Colo. App. 312, 137 P. 899 (1914).

Except when bank specified by ordinance. Where an ordinance of a Colorado city of the second class expressly made it the duty of and ordered the city treasurer to remit certain mon-

ey to a bank named in the ordinance for the purpose of paying interest on bonds issued by the city, and moneys so remitted by the city treasurer in compliance with the ordinance were lost due to the failure of the bank, such city treasurer, together with the surety upon his official bond was not liable to the city on account of such loss. *McBride v. People ex rel. City of Trinidad*, 111 Colo. 577, 144 P.2d 777 (1943).

31-20-303. Deposits - investments - interest - no liability. (1) (a) As used in this subsection (1), the term "resolution" means a written resolution duly adopted by a majority vote of the governing body, which vote is entered in its minutes.

(b) Subject to the requirements of part 6 of article 75 of title 24, C.R.S., in all cities and towns in this state, the treasurer shall deposit all the funds and moneys that come into his possession by virtue of his office, in his name as treasurer or in the name of such other custodian as has been appointed by resolution, in one or more state banks, national banks having their principal office in this state, or, in compliance with the provisions of article 47 of title 11, C.R.S., savings and loan associations having their principal offices in this state which have been approved and designated by resolution. The governing body by resolution may authorize the investment of all or any part of such funds and moneys in any type of security or form of investment authorized by part 6 of article 75 of title 24, C.R.S., or by any other law of this state. All securities so purchased shall be duly registered in the name of the treasurer or other custodian appointed by resolution and, if issued in a form so permitting, shall be deposited and safely kept by him in the custody of some state or national bank located in this state. The governing body, by resolution, shall establish

requirements for the sale or other disposal of securities and for the deposit or reinvestment of any proceeds, subject to the restrictions set forth in this section. For the purposes of investment of funds of the city or town, the governing body of the city or town, by resolution, may appoint one or more custodians of the funds and moneys, and such persons shall give surety bonds in such amount and form and for such purposes as the governing body may require.

(2) Such funds and moneys may be deposited in said banks and savings and loan associations in demand accounts, in interest-bearing savings accounts, or in certificates of deposit for fixed periods of time at such rates of interest as may be negotiated from time to time. All interest credited or received on such deposits shall become a part of the general fund of the city or town or of such other fund as the governing body designates.

(3) No city or town treasurer or member of the governing body who acts in good faith in approving and designating such depository shall be liable for loss of public funds deposited by such treasurer or his deputies by reason of default or insolvency of such depository; nor shall any such treasurer who invests any such funds as provided in this section or any member of the governing body who in good faith authorizes such investment be liable for any loss on account of such investment.

(4) Subject to the requirements of part 7 of article 75 of title 24, C.R.S., funds of the city or town may be pooled for investment with the funds of other local government entities.

Source: **L. 75:** Entire title R&RE, p. 1130, § 1, effective July 1; (1) and (2) amended and (3) and (4) repealed, pp. 407, 392, §§ 5, 5, 6, effective January 1, 1976. **L. 77:** (1) amended, p. 577, § 9, effective June 10. **L. 83:** (4) added, p. 1010, § 3, effective March 29; (1) and (2) amended, p. 1260. § 1, effective April 14. **L. 89:** (1)(b) amended, p. 1114, § 25, effective July 1.

Editor's note: (1) This section is similar to former § 31-20-307 as it existed prior to 1975.

(2) The subsections were renumbered on revision in the 1977 replacement volume for ease of location.

31-20-304. Reports - annual account - publication. The treasurer shall report to the governing body, as often as required, a full and detailed account of all receipts and expenditures of the city or town as shown by his books up to the time of said report. Annually, by March 1 after the close of the fiscal year, he shall make out and file with the clerk a full and detailed account of all such receipts and expenditures and of all his transactions as such treasurer during the preceding fiscal year and shall show in such account the state of the treasury at the close of the fiscal year, which account the clerk shall immediately cause to be published in a newspaper printed in such city or town if there is one and, if not, by posting the same in a public place in the clerk's office.

Source: **L. 75:** Entire title R&RE, p. 1131, § 1, effective July 1.

Editor's note: This section is similar to former § 31-20-308 as it existed prior to 1975.

31-20-305. Collector to keep warrants - books - pay over weekly - receipt. It is the duty of the collector, if anyone except the treasurer is specially appointed, or the person acting in that capacity to preserve all warrants returned into his hands, and he shall keep such books and his accounts in such manner as the governing body prescribes. Such warrants, books, and all papers pertaining to his office at all times shall be open to the inspection of and subject to the examination of the mayor, any member of the governing body, or any committee thereof. He shall pay over to the treasurer weekly, and more often if required by the governing body, all moneys collected by him, taking such treasurer's receipt therefor, which receipt he shall immediately file with the clerk. The clerk, at the time of filing or on demand, shall give such collector a copy of any such receipt so filed.

Source: **L. 75:** Entire title R&RE, p. 1131, § 1, effective July 1.

Editor's note: This section is similar to former § 31-20-309 as it existed prior to 1975.

ANNOTATION

Collector appointment optional. This section, with the two sections immediately following, refer to the office of city collector and prescribe the duties of such officer; but it is optional with the council whether a collector, as such shall be appointed, because they may leave the duties of the collector with the treasurer; they may specially appoint a collector; or they may authorize different officers to receive mon-

neys, the payment of which arises from or in connection with a performance of the duties of their respective offices, and if no one be specially appointed collector, and if no other officer be authorized to receive funds in a particular instance, under the law the treasurer is the person to whom corporation moneys must be paid. *Orman v. City of Pueblo*, 8 Colo. 292, 6 P. 931 (1885).

31-20-306. Collector to report - annual statement - publication. The collector shall make a written report to the governing body, or any officer designated by it, of all moneys collected by him, the account whereon collected, or of any other matter connected with his office when required by the governing body or by any ordinance of the town or city. He shall also annually, by March 1 after the close of the fiscal year, file with the clerk a statement of all moneys collected by him during the year, the particular warrant, special assessment, or account on which collected, the balance of moneys uncollected on all warrants in his hands, and the balance remaining uncollected at the time of the return on all warrants which he returned during the preceding fiscal year to the clerk. The clerk shall publish or post the same as required to be done by section 31-20-304 in regard to the annual report of the treasurer.

Source: L. 75: Entire title R&RE, p. 1132, § 1, effective July 1.

Editor's note: This section is similar to former § 31-20-310 as it existed prior to 1975.

31-20-307. Keeping moneys - inspection of books - paying over. The collector is expressly prohibited from keeping the moneys of the city or town in his hands or in the hands of any person for his use beyond the time prescribed for the payment of the same to the treasurer. Any violation of this provision will subject him to immediate removal from office. All the city or town collector's papers, books, warrants, and vouchers may be examined at any time by the mayor, clerk, or any member of the governing body. The collector shall pay over every two weeks, or more often if the governing body so directs, all money collected by him from any persons or associations to the treasurer taking his receipt therefor in duplicate, one of which receipts he shall at once file in the office of the clerk.

Editor's note: This section is similar to former § 31-20-311 as it existed prior to 1975.

PART 4

FINANCE - WARRANTS

31-20-401. Warrants signed - countersigned - fund. All warrants drawn upon the treasurer shall be signed by the mayor and countersigned by the clerk and shall state the particular fund or appropriation to which the same is chargeable and the person to whom payable. No money shall be drawn except as provided in this part 4; except that the governing body of a municipality may provide for the disbursement of money by check in lieu of by warrant.

Source: L. 75: Entire title R&RE, p. 1132, § 1, effective July 1. L. 79: Entire section amended, p. 1187, § 1, effective May 18.

Editor's note: This section is similar to former § 31-20-401 as it existed prior to 1975.

31-20-402. Funds - how used. All moneys received on any special assessment shall be held by the treasurer as a special fund to be applied to the payment of the improvement for which the assessment was made. Said money shall be used for no purpose whatever other than to reimburse the city or town for money expended for such improvement. All moneys received for account of the general fund shall be held by the treasurer in the general fund and shall be used for no purpose other than that for which they were appropriated, collected, or received except to reimburse any special fund to which the general fund may be indebted.

Source: L. 75: Entire title R&RE, p. 1132, § 1, effective July 1.

Editor's note: This section is similar to former § 31-20-402 as it existed prior to 1975.

31-20-403. Warrant endorsed when no funds - new warrant. When a city or town warrant is received by the treasurer or collector and there is no money in the treasury to pay the same, he is directed to endorse on it the amount for which it was received and the date thereof, and from that date the warrant is to be regarded as canceled and cannot be reissued; but when the warrant amounts to more than is to be paid by the person presenting it, the treasurer or collector shall give him a certificate of the balance due him, which certificate, on presentation to the board authorized to audit claims for the city or town, entitles the holder to receive a new warrant for the amount specified therein.

Source: L. 75: Entire title R&RE, p. 1133, § 1, effective July 1.

Editor's note: This section is similar to former § 31-20-403 as it existed prior to 1975.

31-20-404. Registry of orders - contents - inspection. Every treasurer of any city or town shall keep in his office a book, to be called the registry of city or town orders, in which shall be entered, at the date of the presentation thereof and without any interval or blank line between any such entry and the one preceding it, every city or town order, warrant, or other certificate of such town or city indebtedness presented to such town or city treasurer at any time for payment, whether the same is paid at the time of presentation or not, the number and date of such order, warrant, or certificate, the amount, the date of presentation, the name of the person presenting the same, and the particular fund, if any, upon which the order is drawn. Every such registry of city or town orders shall be open at all reasonable hours to the inspection and examination of any person desiring to inspect or examine the same.

Source: L. 75: Entire title R&RE, p. 1133, § 1, effective July 1.

Editor's note: This section is similar to former § 31-20-404 as it existed prior to 1975.

ANNOTATION

Applicable to Denver. This and the following section providing for the registration and order of payment of city and town warrants were applicable to the city of Denver, although it was

operating under a special charter. First Nat'l Bank v. Arthur, 10 Colo. App. 283, 50 P. 738 (1897).

31-20-405. Order warrants paid. Every fund in the hands of any treasurer of any such city or town of this state for disbursement shall be paid out in the order in which the orders drawn thereon, payable out of the same, are presented for payment.

Source: L. 75: Entire title R&RE, p. 1133, § 1, effective July 1.

Editor's note: This section is similar to former § 31-20-405 as it existed prior to 1975.

31-20-406. Redemption of warrants. When the treasurer of any city or town has any city or town funds on hand in cash to the amount of five hundred dollars or over, it is his

duty to immediately apply all such funds to the redemption of an equal amount of such outstanding city or town warrants, certificates, or orders, with the interest due thereon, as may be entitled to a preference as to payment according to the order of time in which they were previously presented to the treasurer of such city or town, as evidenced by the registry of the orders of such city or town kept in his office as provided by law. For this purpose, he shall cause to be advertised for thirty days in some newspaper published in or nearest such city or town a notice that he will redeem such certain city or town orders, certificates, or warrants with interest due thereon, stating their number and amounts on presentation at the treasury of such city or town, and that, at the expiration of thirty days from the date of such notice, such orders, certificates, or warrants shall cease to bear interest.

Source: L. 75: Entire title R&RE, p. 1133, § 1, effective July 1.

Editor’s note: This section is similar to former § 31-20-406 as it existed prior to 1975.

31-20-407. Neglect in keeping register or paying - penalty. Any city or town treasurer, or his deputy, who fails or neglects to keep such registry or who fails or neglects to register any warrant or certificate of indebtedness of such city or town as is entitled to registry or neglects or refuses to pay such warrants or certificates in order of payments, there being then money in the treasury applicable to the payment thereof or from which the same ought to be paid, commits a misdemeanor and, upon conviction thereof, shall be punished by a fine of not less than one hundred dollars nor more than five hundred dollars.

Source: L. 75: Entire title R&RE, p. 1133, § 1, effective July 1.

Editor’s note: This section is similar to former § 31-20-407 as it existed prior to 1975.

PART 4

PAYMENT BY TAX LEVY
ON PETITION OF ELECTORS

31-21-401. Power to levy - manner paid.

PART 1

FUNDING - FLOATING DEBT

31-21-101. Definitions. As used in this part 1, unless the context otherwise requires:
(1) "Floating indebtedness" means all obligations of the municipality to pay money, of whatever kind or character, except indebtedness evidenced by outstanding negotiable interest-bearing bonds of the municipality.

Source: L. 75: Entire title R&RE, p. 1134, § 1, effective July 1.

Editor's note: This section is similar to former § 31-21-101 as it existed prior to 1975.

ANNOTATION

By the term "floating debt" is meant that mass of lawful and valid claims against the corporation, for the payment of which there is no money in the corporate treasury specifically designed, nor any taxation or other means of providing money to pay, particularly provided. Thomas S. Hayden Realty Co. v. Town of Aurora, 62 Colo. 563, 163 P. 843 (1917) (decided prior to L. 17, p. 520, § 2, the earliest source of former section).

31-21-102. Funding bonds - determination of indebtedness. The governing body of any municipality may issue negotiable coupon bonds, to be denominated funding bonds, for the purpose of funding any of the legal floating indebtedness of such municipality existing at any time. The specific indebtedness to be funded and the amount of such funding bonds to be issued under the provisions of this part 1 shall first be determined by such governing body and a certificate of such determination shall be made and entered in the records of the municipality prior to the issuance of said funding bonds. Nothing in this part 1 shall be construed to repeal or amend any law limiting the indebtedness of municipalities.

Source: L. 75: Entire title R&RE, p. 1134, § 1, effective July 1.

Editor's note: This section is similar to former § 31-21-102 as it existed prior to 1975.

31-21-103. Bond election - judgments. (1) Whenever such governing body deems it expedient to issue funding bonds under the provisions of this part 1, it shall direct, by ordinance, that the question be submitted at a regular election in the manner provided for authorization of other bonded indebtedness in section 31-15-302 (1) (d). At any election held under the provisions of this part 1, the question of authorizing the funding of all or any part of the floating indebtedness of the city or town may be submitted as one question for determination, irrespective of the form or date of such indebtedness. The election shall be

conducted as nearly as possible in conformity with the provisions of the "Colorado Municipal Election Code of 1965". The election notice shall specify, in addition to the time and places for holding said election, the qualifications for persons to vote on such question, the amount of the indebtedness to be funded, and the amount of funding bonds proposed to be issued and the rate of interest they shall bear. At such election the ballots or voting machine tabs shall contain the words "For the Funding Bonds" and "Against the Funding Bonds".

(2) No election shall be necessary to authorize the governing body to issue bonds for the purpose of funding indebtedness in the form of a valid subsisting judgment against the municipality.

Source: L. 75: Entire title R&RE, p. 1134, § 1, effective July 1.

Editor's note: This section is similar to former § 31-21-103 as it existed prior to 1975.

Cross references: For "Colorado Municipal Election Code of 1965", see article 10 of this title.

ANNOTATION

For invalidity of bonds issued under improper ordinance, see Nat'l Bank of Commerce v. Town of Granada, 54 F. 100 (8th Cir. 1893) (decided prior to L. 17, p. 521, § 3, the earliest source of former section).

The use of an admission tax rather than an ad valorem tax to repay improvement bonds issued pursuant to this section is permissible. Friends of Cham. Music v. City and County of Denver, 696 P.2d 309 (Colo. 1985).

31-21-104. Ordinance - form and maturity of bonds. (1) If the governing body determines to issue funding bonds for the purpose of paying and discharging any valid and subsisting judgment against the municipality or if, upon canvassing the vote cast at any election held under the provisions of this part 1, it is determined by the governing body that a majority of the votes cast upon the question submitted are for funding, the governing body shall make such determination a part of the official records of the municipality, and the governing body shall immediately thereafter adopt and make a law of the municipality an ordinance which shall not be subject to the referendum provisions of any law providing for the issue of said funding bonds in accordance with the provisions of this part 1. Such ordinance shall fix the date of said funding bonds, shall designate the denominations thereof, the rate of interest, the maturity date which shall not be more than twenty-five years from the date of said funding bonds, the place of payment, within or without the state of Colorado, of both principal and interest, and shall prescribe the form of said funding bonds.

(2) Such funding bonds shall be negotiable in form, shall recite the title of the act under which they are issued, and shall be executed in the name of the municipality, signed by the mayor, countersigned by the treasurer, with the seal of the municipality affixed thereto, and attested by the clerk. The interest accruing on such funding bonds shall be evidenced by interest coupons attached bearing the engraved facsimile signature of the treasurer of the municipality. When so executed, such coupons shall be the binding obligations of the municipality according to their import. In the adoption of said ordinance providing for the issue of such funding bonds, the governing body shall make the principal of the debt payable in substantially equal annual installments during the period, not exceeding twenty-five years, within which the debt is to be discharged. The date of the maturity of the first installment of the debt shall not be more than five years from the date of said funding bonds.

Source: L. 75: Entire title R&RE, p. 1134, § 1, effective July 1.

Editor's note: This section is similar to former § 31-21-104 as it existed prior to 1975.

31-21-105. Disposition of bonds. All such funding bonds may be exchanged, dollar for dollar, in satisfaction of the indebtedness to be funded, or they may be sold at not less than their par value, as directed by the governing body, and the proceeds thereof shall be applied only to the purpose for which such funding bonds were issued.

Source: L. 75: Entire title R&RE, p. 1135, § 1, effective July 1.

Editor's note: This section is similar to former § 31-21-105 as it existed prior to 1975.

31-21-106. Taxes for interest and redemption. The interest accruing on such funding bonds issued pursuant to the provisions of this part 1 prior to the time when tax levies are available therefor shall be paid out of the general revenues of the municipality. For the purpose of reimbursing such general revenues and for the payment of subsequently accruing interest, the governing body issuing such funding bonds or the proper tax assessing and collecting officers upon whom shall devolve the duty of levying and collecting municipal taxes shall levy annually a sufficient tax upon all of the taxable property in the municipality fully to discharge such interest. For the ultimate redemption of such funding bonds, there shall be levied annually such a tax upon all the taxable property in such municipality as will create a fund sufficient to discharge each annual installment of such funding bonds at the maturity thereof, which fund shall be called the redemption fund. All taxes for interest on and for the redemption of such bonds shall be paid in cash only and shall be kept by the municipal treasurer as a special fund to be used only in payment of the interest upon and for the redemption of such bonds. Such tax shall be levied and collected as other municipal taxes are levied and collected. The tax provisions for the ultimate redemption of such bonds shall be set forth in the ordinance authorizing their issue and shall set forth the years in which such taxes shall be levied for the creation of said redemption fund.

Source: L. 75: Entire title R&RE, p. 1135, § 1, effective July 1.

Editor's note: This section is similar to former § 31-21-106 as it existed prior to 1975.

ANNOTATION

A court has some discretion in the granting or refusing of a writ of mandamus to compel a tax levy for the payment of municipal bond

interest coupons. City of Victor v. Halstead, 84 Colo. 450, 271 P. 185 (1928).

31-21-107. Ordinance irrepealable. Any ordinance authorizing an issue of funding bonds under the provisions of this part 1 and providing for the levy of taxes for the payment of the interest upon the principal of such funding bonds shall not be altered or repealed until the indebtedness thereby authorized has been fully paid.

Source: L. 75: Entire title R&RE, p. 1135, § 1, effective July 1.

Editor's note: This section is similar to former § 31-21-107 as it existed prior to 1975.

PART 2

REFUNDING BONDED INDEBTEDNESS

31-21-201. Definitions. As used in this part 2, unless the context otherwise requires:

(1) "Net effective interest rate" of a proposed issue of refunding bonds means the net interest cost of said refunding issue divided by the sum of the products derived by multiplying the principal amount of such refunding issue maturing on each maturity date by the number of years from the date of said proposed refunding bonds to their respective maturities. The "net effective interest rate" of an outstanding issue of bonds to be refunded means the net interest cost of said issue to be refunded divided by the sum of the products derived by multiplying the principal amounts of such issue to be refunded maturing on each maturity date by the number of years from the date of the proposed refunding bonds to the respective maturities of the bonds to be refunded. In all cases the net effective interest rate shall be computed without regard to any option of redemption prior to the designated maturity dates of the bonds.

(2) "Net interest cost" of a proposed issue of refunding bonds means the total amount of interest to accrue on said refunding bonds from their date to their respective maturities less the amount of any premium above par at which said refunding bonds are being or have been sold. "Net interest cost" of an outstanding issue of bonds to be refunded means the total amount of interest which would accrue on said outstanding bonds from the date of the proposed refunding bonds to the respective maturity dates of said outstanding bonds to be refunded. In all cases the net interest cost shall be computed without regard to any option of redemption prior to the designated maturity dates of the bonds.

(3) Repealed.

Source: L. 75: Entire title R&RE, p. 1136, § 1, effective July 1; (3) added, p. 1274, § 1, effective April 9. L. 89: (3) repealed, p. 1135, § 85, effective July 1.

Editor's note: This section is similar to former § 31-21-201 as it existed prior to 1975.

31-21-202. Refunding bonds - amount. The governing body of any municipality may issue negotiable coupon bonds, to be denominated refunding bonds, for the purpose of refunding any of the bonded indebtedness of such municipality, whether due or not or which is payable at the option of such municipality, by consent of the bondholders, or by any lawful means. The amount of the refunding bonds to be issued under the provisions of this part 2 shall first be determined by the governing body, and a certificate of such determination shall be made and entered in and upon the records of the municipality prior to the issuance of said refunding bonds.

Source: L. 75: Entire title R&RE, p. 1136, § 1, effective July 1.

Editor's note: This section is similar to former § 31-21-202 as it existed prior to 1975.

31-21-203. Vote of electors not required. Whenever such governing body deems it expedient to issue refunding bonds under the provisions of this part 2 and the net interest cost and the net effective interest rate of the proposed issue of refunding bonds does not exceed the net interest cost and net effective interest rate of the issue of bonds to be refunded, such refunding bonds may be issued without the submission of the question of issuing such refunding bonds to a vote of the registered electors of such municipality. The issuance of bonds under this part 2 for the purpose of refunding bonds which were originally issued to supply water to such municipality shall not require approval of such electors.

Source: L. 75: Entire title R&RE, p. 1136, § 1, effective July 1.

Editor's note: This section is similar to former § 31-21-203 as it existed prior to 1975.

31-21-204. Vote of electors required - procedures. (1) When such governing body deems it expedient to issue refunding bonds under the provisions of this part 2 and either the net interest cost or the net effective interest rate of the proposed issue of refunding bonds exceeds the net interest cost or the net effective interest rate, respectively, of the issue of bonds to be refunded, the governing body, by ordinance or resolution, shall submit the question of issuing said refunding bonds at a special election called and held for that purpose or at a regular election of the officers of such municipality; but bonds issued under this part 2 for the purpose of refunding bonds which were originally issued to supply water to such municipality shall not require such approval of the registered electors. An election held under this section shall be held in the manner provided for the authorization of an original bonded indebtedness in section 31-15-302 (1) (d).

(2) At any election held under the provisions of this part 2, the question of authorizing the refunding of all or any part of the then outstanding bonded indebtedness of the

municipality may be submitted as one question for determination whether such bonds are of the same or of different issues.

(3) The election shall be conducted as nearly as possible in conformity with the provisions of the "Colorado Municipal Election Code of 1965".

(4) The election notice shall specify, in addition to the time and places for holding said election, the qualifications for persons to vote on such question, the amount and date of the bonds to be refunded, the amount of refunding bonds proposed to be issued, and the maximum net effective interest rate at which they may be issued.

(5) At such election the ballots or voting machine tabs shall contain the words "For the Refunding Bonds" and "Against the Refunding Bonds".

Source: L. 75: Entire title R&RE, p. 1136, § 1, effective July 1.

Editor's note: This section is similar to former § 31-21-204 as it existed prior to 1975.

Cross references: For "Colorado Municipal Election Code of 1965", see article 10 of this title.

ANNOTATION

Applied in *Weedin v. United States*, 509 F. Supp. 1052 (D. Colo. 1981).

31-21-205. Ordinance for bond issue - bonds. (1) If the governing body determines to issue refunding bonds without an election by meeting the requirements set forth in sections 31-21-202 to 31-21-204 or if, upon canvassing the vote cast at any election held under the provisions of this part 2, it is determined by the governing body that a majority of the votes cast upon the question submitted are in favor of refunding, the governing body shall make such determination a part of the official records of the municipality and shall immediately thereafter adopt and make a law of the municipality, an ordinance providing for the issuance of said refunding bonds in accordance with the provisions of this part 2.

(2) Such ordinance shall fix the date of said refunding bonds, shall designate the denominations thereof, shall designate the maximum net effective interest rate, the rate of interest of individual bonds, the maturity dates, and the place or alternate places of payment, within or without the state of Colorado, of both principal and interest, and shall prescribe the form of said refunding bonds.

(3) Such refunding bonds shall be negotiable in form, shall recite the title of the act under which they are issued, and shall be executed in the name of the municipality and signed by the mayor, countersigned by the treasurer, with the seal of the municipality affixed thereto, and attested by the clerk. The interest accruing on such refunding bonds shall be evidenced by interest coupons thereto attached bearing the engraved facsimile signature of the treasurer of the municipality. When so executed, such coupons shall be the binding obligations of the municipality, according to their import.

(4) In the adoption of said ordinance providing for the issuance of said refunding bonds, the governing body shall make the principal of the debt payable in annual or semiannual installments commencing not later than five years after the date of such bonds and maturing during a period not exceeding thirty-five years from the date thereof. The amounts of such maturities shall be fixed by the governing body. The right to redeem all or any part of said issue of bonds prior to the respective maturities thereof and the order of any such redemption may be reserved in said ordinance, and, if so reserved, shall be set forth on the face of said bonds.

(5) Outstanding bonds which are secured by a pledge of specific special funds or revenues of the municipality in addition to the general ad valorem tax revenues of said municipality may be refunded under the provisions of this part 2, and substantial compliance with the provisions of this part 2 is deemed and taken to be sufficient to legally authorize such refunding and the issuance of refunding bonds for such purpose without further actions being taken by the municipality. Such a pledge of specific special funds or

revenues need not be made to additionally secure the refunding bonds so issued, but such funds or revenues may be so pledged if it is deemed advisable by the governing body of the municipality.

Source: L. 75: Entire title R&RE, p. 1137, § 1, effective July 1.

Editor's note: This section is similar to former § 31-21-205 as it existed prior to 1975.

31-21-206. Exchange - sale - proceeds - amounts. Such refunding bonds may be exchanged dollar for dollar for the bonds to be refunded, or they may be sold at, above, or below their par value at a price such that the net effective interest rate of the issue of refunding bonds does not exceed the maximum net effective interest rate authorized. Such refunding bonds shall be in a principal amount not exceeding the principal amount of the bonds to be refunded, as directed by the governing body, and the proceeds thereof shall be applied only to the purpose for which such refunding bonds were issued. The principal amount of said refunding bonds may be the same or less than the principal amount of the bonds to be refunded if due, adequate, and sufficient provision has been made for the payment, or redemption, and retirement of said bonds to be refunded and the payment of the interest accrued thereon in accordance with this part 2.

Source: L. 75: Entire title R&RE, p. 1138, § 1, effective July 1.

Editor's note: This section is similar to former § 31-21-206 as it existed prior to 1975.

31-21-207. Tax for payment of refunding bonds. The interest accruing on such refunding bonds issued pursuant to the provisions of this part 2 prior to the time when the proceeds of tax levies are available therefor shall be paid out of the general revenues or any other revenues of the municipality available therefor. For the purpose of reimbursing such general revenues or other revenues and for the payment of subsequently accruing interest, the governing body issuing such refunding bonds shall certify and the board of county commissioners of the county in which the city or town is located shall levy, annually, a sufficient tax upon all the taxable property in the municipality fully to discharge such interest. For the ultimate payment or redemption of such refunding bonds, there shall be certified and levied annually such a tax upon all the taxable property in such municipality as will create a fund sufficient to pay or redeem and discharge such refunding bonds at or prior to their respective maturities. In the event the bonds to be redeemed and the interest thereon accruing would have been paid from taxes levied upon only part of the taxable property in the municipality, the taxes levied for payment or redemption of the refunding bonds and the interest accruing thereon shall be levied in the same manner and upon only the same taxable property as would have been levied for payment of the bonds to be refunded if no refunding of said bonds had been made and accomplished. As collected, all taxes levied for payment of interest on and for the payment or redemption of the principal of such bonds shall be kept by the treasurer of the municipality in a special fund to be used only in the payment of the interest upon and for the payment or redemption of the principal of such bonds. Such tax shall be levied and collected in the same manner as other municipal taxes are levied and collected. The ordinance authorizing the issuance of said bonds shall set forth the years in which such taxes shall be levied for the creation of said fund.

Source: L. 75: Entire title R&RE, p. 1138, § 1, effective July 1.

Editor's note: This section is similar to former § 31-21-207 as it existed prior to 1975.

31-21-208. Ordinance not to be altered. Any ordinance authorizing an issue of refunding bonds under the provisions of this part 2 and providing for the levy of taxes for the payment of the interest upon and the principal of such refunding bonds shall not be altered or repealed until the indebtedness thereby authorized has been fully paid.

Source: L. 75: Entire title R&RE, p. 1139, § 1, effective July 1.

Editor's note: This section is similar to former § 31-21-208 as it existed prior to 1975.

31-21-209. Consolidated city or town - refunding indebtedness of constituent portions - bonds. When any city or town consolidates with another city or town under the laws of the state of Colorado and has incurred a bonded indebtedness prior to such consolidation, such bonded indebtedness may be refunded by the consolidated city or town under the provisions of this part 2, as is provided for the refunding of other bonds in the same manner as it would have been the duty or within the power of the city council or board of trustees of the city or town which contracted such indebtedness to do had no such consolidation taken place. All the provisions of this part 2, including elections authorizing issuance of such refunding bonds, shall apply only within the former limits of the city or town which contracted such indebtedness. All refunding bonds so issued shall state in substance that they, together with interest thereon, are payable only by levies upon property situated within such limits as the same existed prior to such consolidation, unless the terms of consolidation shall provide that such refunding shall apply within the entire limits of the consolidated city or town.

Source: L. 75: Entire title R&RE, p. 1139, § 1, effective July 1.

Editor's note: This section is similar to former § 31-21-209 as it existed prior to 1975.

31-21-210. Combined issues - procedures. Any refunding bonds may be issued to refund one or more issues of outstanding bonds of a municipality, but no two or more issues of outstanding bonds may be refunded by a single issue of refunding bonds unless the taxable property upon which tax levies are being made for payment of each such outstanding issue of bonds is identical to the taxable property on which such levies are being made for the payment of all other outstanding bonds proposed to be refunded by such single issue of refunding bonds. In the event that two or more issues of outstanding bonds of a municipality are to be refunded by the issuance of a single issue of refunding bonds as provided in this section, the net interest cost and net effective interest rate on the bonds to be refunded shall be computed as if all of said bonds had originally been combined as a single issue aggregating the total of the smaller issues, and the results of this computation shall be compared with the net interest cost and net effective interest rate on the whole of the single refunding issue for purposes of determining the necessity of submitting the question of issuing such refunding bonds to a vote of the registered electors of the municipality.

Source: L. 75: Entire title R&RE, p. 1139, § 1, effective July 1.

Editor's note: This section is similar to former § 31-21-210 as it existed prior to 1975.

31-21-211. Application of refunding bond proceeds - procedures - limitations.
(1) The proceeds derived from the issuance of any refunding bonds under the provisions of this part 2 shall either be immediately applied to the payment, or redemption, and retirement of the bonds to be refunded and the cost and expense incident to such procedures or shall immediately be placed in escrow to be applied to the payment of said bonds upon their presentation therefor and the costs and expenses incident to such proceedings and for no other purpose whatsoever until the bonds being refunded have been paid in full and discharged and all accrued interest thereon has also been paid in full, upon which occurrences the escrow shall terminate, and any funds remaining therein shall be returned to the municipality and may be used to pay other bonds of the municipality.

(2) The costs and expenses incident to the refunding of outstanding bonded indebtedness, the issuance of refunding bonds, and the establishment and maintenance of escrow accounts, pursuant to the provisions of this part 2, may be paid from any moneys or funds

of the municipality which are legally available therefor. Any moneys or funds of the municipality legally available therefor may be placed in any escrow account established under the provisions of this part 2 and may be used and expended for the purposes specified in the escrow agreement if such procedure is deemed by the governing body to be in the best interests of the municipality.

(3) Any escrowed funds, pending such use, may be invested or, if necessary, reinvested in securities meeting the investment requirements established in part 6 of article 75 of title 24, C.R.S., maturing at such times as to insure the prompt payment of the bonds refunded under the provisions of this part 2 and the interest accruing thereon.

(4) Escrowed funds and investments, together with any interest to be derived from such investments, shall be in an amount which at all times shall be sufficient to pay the bonds refunded as they become due at their respective maturities or as they are called for redemption and payment on prior redemption dates as to principal, interest, any prior redemption premium due, and any charges of the escrow agent payable therefrom, and the computations made in determining such sufficiency shall be verified by a certified public accountant.

(5) For the purpose of implementing the provisions of this part 2, the governing body of any municipality has the power to enter into escrow agreements and to establish escrow accounts with any commercial bank having full trust powers located within the state of Colorado, which is a member of the federal deposit insurance corporation, under protective covenants and agreements whereby such accounts shall be fully secured by, or shall be invested in, securities meeting the investment requirements established in part 6 of article 75 of title 24, C.R.S., in such amounts as will be sufficient and maturing at such times as to insure the prompt payment of the bonds refunded and the interest accruing thereon under the provisions of this part 2.

(6) In no event shall the aggregate amount of bonded indebtedness of any municipality exceed the maximum allowable amount as determined pursuant to the state constitution, statutes, and charter applicable to such municipality. In determining and computing such aggregate amount of bonded indebtedness of any municipality, bonds which have been refunded as provided in this part 2, either by immediate payment, or redemption, and retirement or by the placement of the proceeds of refunding bonds in escrow shall not be deemed outstanding indebtedness from and after the date on which sufficient moneys are placed with the paying agent of such outstanding bonds for the purpose of immediately paying, or redeeming, and retiring such bonds or from and after the date on which the proceeds of said refunding bonds are placed in such an escrow.

(7) The issuance of refunding bonds by any municipality for the purposes and in the manner authorized by this part 2 or under the provisions of any other law enabling such an issuance shall never be interpreted or taken to be the creation of an indebtedness such that the same would require the approval of the registered electors of the municipality, and no such approval shall be required for the issuance of such refunding bonds except as is specifically required by this part 2 or such other law under which said refunding bonds are sought to be issued or have been issued.

(8) No bonds may be refunded under the provisions of this part 2 unless the holders thereof voluntarily surrender said bonds for immediate exchange or immediate payment or unless said bonds either mature or are callable for redemption prior to their maturity under their terms within ten years from the date of issuance of the refunding bonds, and provisions shall be made for paying, or redeeming, and discharging all of the bonds refunded within said period of time.

Source: L. 75: Entire title R&RE, p. 1139, § 1, effective July 1; (3) and (5) amended, p. 1274, § 2, effective April 9. L. 89: (3) and (5) amended, p. 1115, § 26, effective July 1.

Editor's note: This section is similar to former § 31-21-211 as it existed prior to 1975.

31-21-212. Registration of refunding bonds. Whenever any municipality issues refunding bonds under the provisions of this part 2, the governing body shall direct that the

clerk of said municipality, as a part of said clerk's duties, register said bonds in a book to be kept by him for that purpose, and, when so registered, the legality thereof shall not be open to contest by such municipality, or by any other person or corporation in behalf of such municipality for any reason whatever. It is the duty of the clerk to register said bonds, noting the principal amount, the date of issuance and maturity, and the rate of interest of said bonds.

Source: L. 75: Entire title R&RE, p. 1141, § 1, effective July 1.

Editor's note: This section is similar to former § 31-21-212 as it existed prior to 1975.

31-21-213. Redemption of refunding bonds prior to maturity - procedures. (1) If any bonds of a municipality, either bonds issued for refunding purposes or bonds issued for other purposes as set forth in section 31-15-302 (1) (d), are made redeemable prior to their respective maturities and the governing body determines that any part of such bonds should be called for redemption according to their terms, it is the duty of the clerk of such municipality, as soon as the governing body has authorized the redemption, to cause notice to be given of such action.

(2) Such notice shall be given by publication at least once in a newspaper customarily used by said municipality for legal notices at least thirty days prior to the date on which said bonds are to be redeemed and paid. Such notice shall contain the date and place on which said bonds shall be redeemed and paid, shall describe the bonds by their legal designation, date, number, and amount, and shall state that after the date so fixed for redemption and payment the interest on said bonds shall cease.

(3) After the date so fixed for redemption and payment, the bonds so called for redemption and payment shall cease to draw interest.

Editor's note: This section is similar to former § 31-21-213 as it existed prior to 1975.

PART 3

PAYMENTS OF MATURED SPECIAL ASSESSMENT

31-21-301. Power to issue bonds - purpose. Subject to the provisions of this part 3, any municipality has the power to issue its negotiable coupon bonds for the purpose of paying any special assessment bonds or obligations which it may issue, together with interest thereon, when it appears that there is not or will not be sufficient money for the payment of the same at maturity in the particular fund out of which payment should be made.

Source: L. 75: Entire title R&RE, p. 1141, § 1, effective July 1.

Editor's note: This section is similar to former § 31-21-301 as it existed prior to 1975.

31-21-302. Ordinance - taxes - interest - disposition. The issuance of any bonds in accordance with this part 3 shall be authorized by an ordinance, subject to and otherwise in accordance with the provisions of section 31-15-302 (1) (d). Such bonds shall bear interest at a rate and shall be exchanged or sold at a price such that the net effective interest rate of the issue of bonds does not exceed the maximum net effective interest rate authorized. Interest shall be paid semiannually at such place, in such denominations, and by such officers as may be prescribed in such ordinance. Such bonds may be exchanged for outstanding matured and overdue special assessment bonds or obligations and interest thereon, or they may be sold and the proceeds thereof used for the purpose specified in this part 3.

Source: L. 75: Entire title R&RE, p. 1142, § 1, effective July 1.

Editor's note: This section is similar to former § 31-21-303 as it existed prior to 1975.

31-21-303. Construction - disposition of delinquent assessment. Nothing in this part 3 shall release or discharge any special assessment which is a lien on or against any property. Any municipality issuing bonds under this part 3 shall be subrogated to the rights of the holders or owners of the outstanding special assessment bonds or obligations paid. If, after the issuance of bonds authorized by this part 3, the delinquent or defaulted special assessments, or any part thereof, are collected and the special assessment bonds or obligations payable out of the particular special assessment fund have been redeemed by means of bonds issued under this part 3, the amounts so collected shall be used to pay the principal of and the interest on the bonds authorized and the tax levies therefor shall be reduced in a like manner.

Editor's note: This section is similar to former § 31-21-304 as it existed prior to 1975.

PART 4

PAYMENT BY TAX LEVY ON PETITION OF ELECTORS

31-21-401. Power to levy - manner paid. On the petition of a majority of the registered electors of any city or town having an outstanding bonded indebtedness amounting to one-fourth or more of its valuation for assessment, the governing body of such city or town is authorized to levy or cause to be levied at one time a tax on all the taxable property subject to taxes for payment of such bonds sufficient to discharge the entire principal of and the accrued interest on such indebtedness plus fifteen percent for delinquencies, which tax may be paid by the property owners at one time or in installments, as provided in this part 4. In determining the amount of outstanding bonded indebtedness, any sum in the sinking fund may be deducted.

Source: L. 75: Entire title R&RE, p. 1142, § 1, effective July 1. **L. 87:** Entire section amended, p. 332, § 96, effective July 1.

Editor's note: This section is similar to former § 31-21-401 as it existed prior to 1975.

31-21-402. Discharge of lien by property owner. Any property owner may discharge the lien of said bond tax on his property by paying the tax in full, in bonds or matured coupons of the issue for which the levy is made at their face value. Thereafter the same property shall not be liable for the payment of such tax as between the city or town and the property owner.

Source: L. 75: Entire title R&RE, p. 1142, § 1, effective July 1.

Editor's note: This section is similar to former § 31-21-402 as it existed prior to 1975.

31-21-403. Payment in installments. Any property owner not paying the tax in full at one time has the privilege of paying the same in cash installments, the number of which installments shall be determined by the governing body and which shall equal the number of years from the time the next tax is payable to the last maturity of the bonds, with interest on the unpaid installments at the same rate which the outstanding bonds bear. After any property owner has paid one or more cash installments, he may pay the balance of said tax with bonds or matured coupons as provided in section 31-21-402.

Source: L. 75: Entire title R&RE, p. 1142, § 1, effective July 1.

Editor's note: This section is similar to former § 31-21-403 as it existed prior to 1975.

31-21-404. Payment in bonds - warrant for excess. (1) The tax-collecting officers are authorized to accept full payment of such taxes in said bonds or coupons and to cancel said bonds and coupons on such payment. Said tax-collecting officers are authorized to deliver to the person paying such tax a certificate, in duplicate, showing such payment and a description of the property on which the tax was paid, which certificate may be filed or recorded in the office of the county clerk and recorder of the county wherein the property is situated.

(2) In the event that any bonds or coupons presented as payment exceed the amount due, the tax-collecting officers shall deliver to the property owner a certificate to that effect, whereupon the property owner shall be entitled to receive from the city or town a warrant on its treasury, payable out of the bond and interest fund, in the amount of such excess, which warrant until paid shall bear the same rate of interest as the bonds for the payment of which the tax was levied.

Source: L. 75: Entire title R&RE, p. 1143, § 1, effective July 1.

Editor's note: This section is similar to former § 31-21-404 as it existed prior to 1975.

31-21-405. Assessment and collection. Said taxes shall be certified, levied, assessed, and collected in the same manner and shall be subject to the same penalties as general taxes.

Source: L. 75: Entire title R&RE, p. 1143, § 1, effective July 1.

Editor's note: This section is similar to former § 31-21-405 as it existed prior to 1975.

31-21-406. Suit by bondholder - city or town to protect. In the event that any action, suit, or proceeding is brought by any bondholder, creditor, or other person, wherein it is sought to compel the levy of any further bond tax on property which has been discharged from said tax by payment in full, the city or town shall take all necessary steps to protect said property on which the tax has been paid in full by purchasing property sold for the nonpayment of such tax in the event that there are no other purchasers and by making ample provisions for the payment of delinquent bond taxes or the installments thereof out of the general fund or any other available fund, the intention being that, as between the city or town and the taxpayer, any particular property may be fully discharged and relieved from the lien of such tax or the levy of any further tax for the same purpose by payment in full of its proportionate share thereof at the time of payment.

Editor's note: This section is similar to former § 31-21-406 as it existed prior to 1975.

31-21-407. Other laws unaffected. Nothing in this part 4 shall prevent the issuance of any bonds or the levy of taxes for the payment thereof in the manner as is authorized by law nor shall anything in this part 4 prevent the issuance of bonds for the purpose of refunding any outstanding bonded indebtedness of any city or town in accordance with the provisions of law applying thereto.

Source: L. 75: Entire title R&RE, p. 1143, § 1, effective July 1.

Editor's note: This section is similar to former § 31-21-407 as it existed prior to 1975.

PART 1**PLATS OF CITIES AND TOWNS****Cross references:** For vacation of streets and alleys, see part 3 of article 2 of title 43.

31-23-101. Plats of cities and towns organized prior to 1885. In all cases in which a city or town was organized prior to March 31, 1885, in which lands embraced within the boundaries thereof have been conveyed or known by lots, blocks, streets, highways, parks, squares, or other divisions of land or in which any such lots, blocks, streets, highways, parks, squares, or other divisions of land have been known as such by reference to some previous plat or map, whether prepared or submitted in accordance with law or not, the owners of such lands, in order to determine the location and boundaries thereof, may cause a plat of the same to be filed in accordance with the provisions of this part 1.

Source: L. 75: Entire title R&RE, p. 1143, § 1, effective July 1.

Editor's note: This section is similar to former § 31-1-401 as it existed prior to 1975.

31-23-102. Application to other cities or towns. The provisions of this part 1 are applicable to lands within the boundaries of cities and towns organized on or after March 31, 1885, to the extent that any owners of lands therein desire to make any change in the plat of any such city or town from the plat as originally made.

Source: L. 75: Entire title R&RE, p. 1144, § 1, effective July 1.

Editor's note: This section is similar to former § 31-1-405 as it existed prior to 1975.

31-23-103. Plats of whole municipal area. (1) When any such plat embraces in its description the whole municipal area of any such city or town, it shall set forth, as near as may be:

- (a) All streets and highways and the width thereof;
- (b) All parks, squares, and other grounds reserved for public uses with the boundaries and dimensions thereof;
- (c) All lots and blocks and other divisions of land, with their boundaries, designating such lots and blocks by numbers and giving the dimensions of such lots and other divisions of land.

(2) Reference shall be made in said plat to one or more permanent monuments. The scale of said plat shall be indicated therein, and any other matters necessary or proper to clarify the descriptions of lands indicated on any such plat may be entered thereon.

Source: L. 75: Entire title R&RE, p. 1144, § 1, effective July 1.

Editor's note: This section is similar to former § 31-1-402 as it existed prior to 1975.

31-23-104. Acknowledgment of plat. Any such plat shall be acknowledged in the manner of a deed by the owners and proprietors of the lands designated upon any such plat before some officer authorized to take the acknowledgment of deeds. A copy thereof so acknowledged shall be filed in the office of the county clerk and recorder of the county where such lands are situated and also in the office of the clerk of any such city or town. When any such plat embraces in its description any street, highway, park, square, or other lands owned or held by the city or town for any public use or otherwise, said plat shall be acknowledged in behalf of the city or town by the mayor of the city or town when authorized by the resolution or ordinance of the governing body. Any such acknowledgment of any owner or proprietor may be made for such owner or proprietor by any attorney-in-fact duly authorized by deed.

Source: L. 75: Entire title R&RE, p. 1144, § 1, effective July 1.

Editor's note: This section is similar to former § 31-1-403 as it existed prior to 1975.

31-23-105. Plats of portion of municipal area. A plat of any portion of such municipal area may be filed, and any number of such plats may be filed. When any plat is filed containing a description of any less than all of the municipal area, the same matters shall be indicated upon such plat, to the extent of lands described in such plat, as are required to be indicated in a plat of the whole municipal area, as near as may be. Every plat shall be acknowledged by such owner and proprietor whose lands are embraced within the description of such plat.

Source: L. 75: Entire title R&RE, p. 1144, § 1, effective July 1.

Editor's note: This section is similar to former § 31-1-404 as it existed prior to 1975.

31-23-106. How parcels designated. In case of filing any such plat under this part 1, the designation by which any lot, block, or other parcel of land has previously been known shall be retained in said plat. With the consent of the city or town, any such lot, block, or other parcel of land specified in said plat may be designated by other numbers or names than those by which said lots, blocks, or other parcels of land have been previously known. Such consent of any such city or town, through its governing body, shall be evidenced by the acknowledgment of the mayor. In case of tracts or parcels of land within any such city or town which have not been known or platted by lots, blocks, or other parcels of land of a designated number or name, the same may be platted as provided in section 31-23-105 upon the consent of the city or town as provided in this section.

Source: L. 75: Entire title R&RE, p. 1144, § 1, effective July 1.

Editor's note: This section is similar to former § 31-1-406 as it existed prior to 1975.

31-23-107. Public property dedicated. All streets, parks, and other places designated or described as for public use on the map or plat of any city or town or of any addition made to such city or town are public property and the fee title thereto vested in such city or town.

Source: L. 75: Entire title R&RE, p. 1145, § 1, effective July 1.

Editor's note: This section is similar to former § 31-1-108 as it existed prior to 1975.

ANNOTATION

Law reviews. For article, "Mineral Ownership Under Highways, Streets, Alleys and Ditches", see 17 Colo. Law, 43 (1988).

Annotator's notes. (1) Since § 31-23-107 is similar to former § 31-1-108 prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, relevant cases construing those provisions have been included in the annotations to this section.

(2) For additional annotations concerning the dedication of public property, see § 31-2-106.

This section requires no magic words. Buell v. Sears, Roebuck & Co., 205 F. Supp. 865 (D. Colo. 1962), modified, 321 F.2d 468 (10th Cir. 1963).

The only requirement of this section is that the streets be described as for public use. Buell v. Sears, Roebuck & Co., 205 F. Supp. 865 (D. Colo. 1962), modified, 321 F.2d 468 (10th Cir. 1963).

Legal consequences of dedication. The section declares that all streets, etc., described as for public use on the map or plat of any city, or any additions, shall be deemed to be public property and the fee thereof vested in such city or town. In thus providing, this section declares that the legal consequence of a dedication is that the streets, etc., are deemed to be public property and the fee is vested in the city. Buell v. Sears, Roebuck & Co., 205 F. Supp. 865 (D. Colo. 1962), modified, 321 F.2d 468 (10th Cir. 1963).

By dedication the original owner divests himself of the power of disposition of the

property and vests the city with this legal power. Buell v. Sears, Roebuck & Co., 205 F. Supp. 865 (D. Colo. 1962), modified, 321 F.2d 468 (10th Cir. 1963).

Absent failure to comply or nonacceptance statutory dedication presumed. Where it does not appear that there was any failure to comply with the statute or that there was nonacceptance, it must be concluded that it was a statutory dedication, and the terms of a statutory dedication are governed by this section. Buell v. Sears, Roebuck & Co., 205 F. Supp. 865 (D. Colo. 1962), modified, 321 F.2d 468 (10th Cir. 1963).

Statutory provisions as to dedication may materially affect the common-law rule. Buell v. Sears, Roebuck & Co., 205 F. Supp. 865 (D. Colo. 1962), modified, 321 F.2d 468 (10th Cir. 1963).

Statutory dedication and common-law dedication distinguished. A statutory dedication operates by way of grant and ordinarily conveys the full fee title to the subject property, whereas a common-law dedication operates by way of "estoppel in pais" and ordinarily conveys only an easement. City of Greenwood Vill. v. Boyd, 624 P.2d 362 (Colo. App. 1981); State Dept. of Highways v. Town of Silverthorne, 707 P.2d 1017 (Colo. App. 1985), cert. dismissed, 736 P.2d 411 (1987).

In Colorado a dedication of land to public use may be made either according to the common law or pursuant to statute. City & County of Denver v. Publix Cab Co., 135 Colo. 132, 308 P.2d 1016 (1957).

Dedication of land to a county may be accomplished only through common law dedication because procedures under this section apply only to cities and towns. *Turnbaugh v. Chapman*, 68 P.3d 570 (Colo. App. 2003).

A dedication by acts and conduct of a city is a common-law dedication through an estoppel in pais and not a statutory dedication requiring a grant. *City & County of Denver v. Publix Cab Co.*, 135 Colo. 132, 308 P.2d 1016 (1957).

Unless prohibited by statute, an offer, constructive or actual, to dedicate a street can be made by a municipal corporation as well as by private owner. *City & County of Denver v. Publix Cab Co.*, 135 Colo. 132, 308 P.2d 1016 (1957).

Whether there has been a common-law dedication is a question of fact, and the general rule that the decision of the trial court based on substantial though conflicting evidence is binding on appeal applies. *City & County of Denver v. Publix Cab Co.*, 135 Colo. 132, 308 P.2d 1016 (1957); *State Dept. of Highways v. Town of Silverthorne*, 707 P.2d 1017 (Colo. App. 1985).

The fee title, to the surface at least, of the dedicated street passes to the city or the municipality. *Buell v. Sears, Roebuck & Co.*, 205 F. Supp. 865 (D. Colo. 1962), modified, 321 F.2d 468 (10th Cir. 1963).

Language of dedication created conveyance to public use of area for limited purposes. Language of dedication in developer's plats and planned unit development plan, i.e., "dedicate to the public all roadways and easements for purposes shown hereon", buttressed by the other evidence, was sufficient only to convey to the public the use of the area dedicated for the limited purposes specified plus concurrent use of the area for utility and drainage easement purposes. *City of Greenwood Vill. v. Boyd*, 624 P.2d 362 (Colo. App. 1981).

City not limited to mere easement. It cannot be said that merely because the grantor has granted the entire highway and continues to own the land which abuts the highway on one side, that he has a right to the whole or any part of the

highway when it is vacated, as there is nothing in this section which suggests that the interest granted to the city is limited to an easement. *Buell v. Sears, Roebuck & Co.*, 205 F. Supp. 865 (D. Colo. 1962), modified, 321 F.2d 468 (10th Cir. 1963).

The fee granted is a limited one, in trust for the abutting owners and the users of the street, but the city nevertheless has a title to the property sufficient to allow disposition of it in accordance with § 43-2-302. *Buell v. Sears, Roebuck & Co.*, 205 F. Supp. 865 (D. Colo. 1962), modified, 321 F.2d 468 (10th Cir. 1963).

Rights of abutting owner retained. When a dedication satisfied this section and vested a fee in the city to the surface and so much thereof as was reasonably necessary for street and highway purposes, it operated to divest the dedicator of the property in it except to the extent of his rights as an abutting owner — rights extending only to the center of the street as dedicated. *Buell v. Sears, Roebuck & Co.*, 205 F. Supp. 865 (D. Colo. 1962), modified, 321 F.2d 468 (10th Cir. 1963).

Title of vacated portions vests in adjoining owner. A dedicator, even though not immediately divested of subsurface rights, is on notice at the time of dedication that if a portion of the dedicated street should be vacated by the city and county unconditional title would vest in the adjoining owner. *Buell v. Sears, Roebuck & Co.*, 321 F.2d 468 (10th Cir. 1963).

One dedicating highways to the public by filing plats showing highways located thereon is not unconstitutionally deprived of its property by § 43-2-302 which provides that upon vacation of the highway the title shall vest in the abutting owner. *Buell v. Sears, Roebuck & Co.*, 205 F. Supp. 865 (D. Colo. 1962), modified, 321 F.2d 468 (10th Cir. 1963).

For the requirement that a political subdivision accept a dedication, see *Bd. of County Comm'rs v. Warneke*, 85 Colo. 388, 276 P. 671 (1929); *Hand v. Rhodes*, 125 Colo. 508, 245 P.2d 292 (1952); *Litvak v. Sunderland*, 143 Colo. 347, 353 P.2d 381 (1960); *Thornton v. City of Colo. Springs*, 173 Colo. 357, 478 P.2d 665 (1970).

31-23-108. Record and preservation. The county clerk and recorder shall record all such plats of lands within his county together with the description, acknowledgment, or other writing thereon in a book to be kept by him for that purpose and, when necessary, may reduce the scale of any such plat. Upon each record in the book he shall endorse his certificate that the same is truly recorded from the original plat filed in his office. Every such original plat shall be preserved by the county clerk and recorder. Such county clerk and recorder shall keep an index to such book of plats, which index shall contain the names of the parties acknowledging such plats and the name of the city or town, as the case may be. Said county clerk and recorder shall likewise make entries of all such plats in the index in his office in which deeds are required to be entered.

Editor's note: This section is similar to former § 31-1-407 as it existed prior to 1975.

31-23-109. Plats shall be evidence. All such original plats, the record thereof, or copies therefrom, certified by the county clerk and recorder of such county, shall be evidence in all courts and places.

Source: L. 75: Entire title R&RE, p. 1145, § 1, effective July 1.

Editor's note: This section is similar to former § 31-1-408 as it existed prior to 1975.

31-23-110. Boundaries settled by plat. Upon the filing of any such plat in the office of the county clerk and recorder, the boundaries of contiguous divisions of land, as described in section 31-23-103, upon any such plat shall be determined and settled as indicated in the plat. All the other matters indicated upon said plat are binding upon the parties acknowledging such plat. For the purpose of description in any instrument affecting title to any land described in any such plat, the designation given upon such plat shall be sufficient.

Source: L. 75: Entire title R&RE, p. 1145, § 1, effective July 1.

Editor's note: This section is similar to former § 31-1-409 as it existed prior to 1975.

31-23-111. Owner construed. For the purposes of this part 1, any person having a legal or equitable interest in any lands shall be deemed an owner and proprietor. Nothing in this part 1 shall affect the rights of anyone other than those acknowledging any such plat.

Source: L. 75: Entire title R&RE, p. 1145, § 1, effective July 1.

Editor's note: This section is similar to former § 31-1-410 as it existed prior to 1975.

31-23-112. Fees of recorder. The county clerk and recorder shall receive the same fees for filing and recording the plats provided for by this part 1 as are allowed for filing and recording original maps or plats of cities or towns.

PART 2

PLANNING COMMISSION

Law reviews: For article, "Land Use Decisionmaking: Legislative or Quasi-judicial Action", see 18 Colo. Law. 241 (1989).

31-23-201. Definitions. As used in this part 2, unless the context otherwise requires:

(1) "Mayor" means the chief executive of the municipality, whether the official designation of his office is mayor, city manager, or otherwise; except that with respect to municipalities operating under the statutory city manager form of government, the term means the city manager.

(2) "Subdivision" means any parcel of land which is to be used for condominiums, apartments, or any other multiple-dwellings units, unless such land was previously subdivided and the filing accompanying such subdivision complied with municipal regulations applicable to subdivisions of substantially the same density, or the division of a lot, tract, or parcel of land into two or more lots, plats, sites, or other divisions of land for the purpose,

whether immediate or future, of sale or of building development. It includes resubdivision and, when appropriate to the context, relates to the process of subdividing or to the land or territory subdivided.

Editor's note: This section is similar to former § 31-23-101 (3) and (6) as it existed prior to 1975.

ANNOTATION

Law reviews. For article, "Cumulative Impact Assessment of Western Energy Development: Will it Happen?", see 51 U. Colo. L. Rev. 551 (1980).

Applied in *Wood Bros. Homes v. City of Colo. Springs*, 42 Colo. App. 15, 592 P.2d 1336 (1978).

31-23-202. Grant of power to municipality. Any municipality is authorized to make, adopt, amend, extend, add to, or carry out a plan as provided in this part 2 and to create by ordinance or resolution a planning commission with the powers and duties set forth in this part 2.

Source: **L. 75:** Entire title R&RE, p. 1146, § 1, effective July 1.

Editor's note: This section is similar to former § 31-23-102 as it existed prior to 1975.

31-23-203. Personnel of the commission. (1) The municipal planning commission, referred to in this part 2 as the "commission", shall consist of not less than five nor more than seven members; except that a home rule city or town shall not be limited in the size of its commission. Unless otherwise provided by ordinance, the membership and terms of members shall be as follows:

(a) When the commission is limited to five members, the membership shall consist of the mayor and a member of the governing body as ex officio members and three persons appointed by the mayor, if the mayor is an elective officer; otherwise by such office as the governing body may designate as the appointing power in the ordinance creating the commission.

(b) When the commission consists of seven or more members, there shall be four ex officio members consisting of the mayor, one of the administrative officials selected by the mayor, a member of the governing body selected by the mayor, and a member of the governing body selected by the governing body; the balance of the membership shall be appointed as provided in paragraph (a) of this subsection (1).

(2) All members of such commission shall be bona fide residents of the municipality and, if any member ceases to reside in such municipality, his membership on the commission shall automatically terminate.

(3) All members of the commission shall serve without compensation and the appointed members shall hold no other municipal office; except that one such appointed member may be a member of the zoning board of adjustment or appeals. The terms of ex officio members shall correspond to their respective official tenures; except that the term of the administrative official selected by the mayor shall terminate with the expiration of the term of the mayor who selected him. The term of each appointed member shall be six years or until his successor takes office; except that the respective terms of one-third of the members first appointed shall be two years, one-third shall be four years, and one-third shall be six years. Members other than the member representing the governing body may be removed, after public hearings, by the mayor for inefficiency, neglect of duty, or malfeasance in office, and the governing body may remove the member representing it for the same reasons. The mayor or the governing body, as the case may be, shall file a written statement of reasons for such removal. Vacancies occurring otherwise than through the

expiration of term shall be filled for the remainder of the unexpired term by the mayor in the case of members selected or appointed by him, by the governing body in the case of the member appointed by it, and by the appointing power designated by the governing body in municipalities in which the mayor is not an elective officer.

(4) Notwithstanding any provisions of subsections (1) and (3) of this section to the contrary, the governing body of each municipality may provide by ordinance for the size, membership, designation of alternate membership, terms of members, removal of members pursuant to subsection (3) of this section, and filling of vacancies of the commission.

Editor's note: This section is similar to former § 31-23-103 as it existed prior to 1975.

31-23-204. Organization and rules. The commission shall elect its chairman from among the non ex officio members and shall create and fill such other of its offices as it may determine. The term of the chairman shall be one year, with eligibility for reelection. The commission shall hold at least one regular meeting in each month. It shall adopt rules for transaction of business and shall keep a record of its resolutions, transactions, findings, and determinations, which record shall be a public record.

Source: L. 75: Entire title R&RE, p. 1147, § 1, effective July 1.

Editor's note: This section is similar to former § 31-23-104 as it existed prior to 1975.

31-23-205. Staff and finances. The commission may appoint such employees as it deems necessary for its work; except that the appointment, promotion, demotion, and removal of such employees shall be subject to the same provisions of law as govern other corresponding civil employees of the municipality. The commission may also contract, with the approval of the governing body, with municipal planners, engineers, and architects and other consultants for such services as it requires. The expenditures of the commission, exclusive of gifts, shall be within the amounts appropriated for the purpose by the governing body, which shall provide the funds, equipment, and accommodations necessary for the commission's work.

Source: L. 75: Entire title R&RE, p. 1147, § 1, effective July 1.

Editor's note: This section is similar to former § 31-23-105 as it existed prior to 1975.

31-23-206. Master plan. (1) It is the duty of the commission to make and adopt a master plan for the physical development of the municipality, including any areas outside its boundaries, subject to the approval of the governmental body having jurisdiction thereof, which in the commission's judgment bear relation to the planning of such municipality. The master plan of a municipality shall be an advisory document to guide land development decisions; however, the plan or any part thereof may be made binding by inclusion in the municipality's adopted subdivision, zoning, platting, planned unit development, or other similar land development regulations after satisfying notice, due process, and hearing requirements for legislative or quasi-judicial processes as appropriate. When a commission decides to adopt a master plan, the commission shall conduct public hearings, after notice of such public hearings has been published in a newspaper of general circulation in the municipality in a manner sufficient to notify the public of the time, place, and nature of the public hearing, prior to final adoption of a master plan in order to encourage public participation in and awareness of the development of such plan and shall accept and consider oral and written public comments throughout the process of developing the plan. Such plan, with the accompanying maps, plats, charts, and descriptive matter, shall, after consideration of each of the following, where applicable or appropriate, show the commis-

sion's recommendations for the development of said municipality and outlying areas, including:

(a) The general location, character, and extent of existing, proposed, or projected streets, roads, rights-of-way, bridges, waterways, waterfronts, parkways, highways, mass transit routes and corridors, and any transportation plan prepared by any metropolitan planning organization that covers all or a portion of the municipality and that the municipality has received notification of or, if the municipality is not located in an area covered by a metropolitan planning organization, any transportation plan prepared by the department of transportation that the municipality has received notification of and that covers all or a portion of the municipality;

(b) The general location of public places or facilities, including public schools, culturally, historically, or archaeologically significant buildings, sites, and objects, playgrounds, squares, parks, airports, aviation fields, military installations, and other public ways, grounds, open spaces, trails, and designated federal, state, and local wildlife areas. For purposes of this section, "military installation" shall have the same meaning as specified in section 29-20-105.6 (2) (b), C.R.S.

(c) The general location and extent of public utilities terminals, capital facilities, and transfer facilities, whether publicly or privately owned or operated, for water, light, sanitation, transportation, communication, power, and other purposes, and any proposed or projected needs for capital facilities and utilities, including the priorities, anticipated costs, and funding proposals for such facilities and utilities;

(d) The general location and extent of an adequate and suitable supply of water. If the master plan includes a water supply element, the planning commission shall consult with the entities that supply water for use within the municipality to ensure coordination on water supply and facility planning, and the water supply element shall identify water supplies and facilities sufficient to meet the needs of the public and private infrastructure reasonably anticipated or identified in the planning process. Nothing in this paragraph (d) shall be construed to supersede, abrogate, or otherwise impair the allocation of water pursuant to the state constitution or laws, the right to beneficially use water pursuant to decrees, contracts, or other water use agreements, or the operation, maintenance, repair, replacement, or use of any water facility.

(e) The acceptance, removal, relocation, widening, narrowing, vacating, abandonment, modification, change of use, or extension of any of the public ways, rights-of-way, including the coordination of such rights-of-way with the rights-of-way of other municipalities, counties, or regions, grounds, open spaces, buildings, property, utility, or terminals, referred to in paragraphs (a) to (d) of this subsection (1);

(f) A zoning plan for the control of the height, area, bulk, location, and use of buildings and premises. Such a zoning plan may protect and assure access to appropriate conditions for solar, wind, or other alternative energy sources; however, regulations and restrictions of the height, number of stories, size of buildings and other structures, and the height and location of trees and other vegetation shall not apply to existing buildings, structures, trees, or vegetation except for new growth on such vegetation.

(g) The general character, location, and extent of community centers, housing developments, whether public or private, the existing, proposed, or projected location of residential neighborhoods and sufficient land for future housing development for the existing and projected economic and other needs of all current and anticipated residents of the municipality, and redevelopment areas. If a municipality has entered into a regional planning agreement, such agreement may be incorporated by reference into the master plan.

(h) A master plan for the extraction of commercial mineral deposits pursuant to section 34-1-304, C.R.S.;

(i) A plan for the location and placement of public utilities that facilitates the provision of such utilities to all existing, proposed, or projected developments in the municipality;

(j) Projections of population growth and housing needs to accommodate the projected population for specified increments of time. The municipality may base these projections upon data from the department of local affairs and upon the municipality's local objectives.

(k) The areas containing steep slopes, geological hazards, endangered or threatened species, wetlands, floodplains, floodways, and flood risk zones, highly erodible land or

unstable soils, and wildfire hazards. For purposes of determining the location of such areas, the planning commission should consider the following sources for guidance:

- (I) The Colorado geological survey for defining and mapping geological hazards;
- (II) The United States fish and wildlife service of the United States department of the interior and the parks and wildlife commission created in section 33-9-101, C.R.S., for locating areas inhabited by endangered or threatened species;
- (III) The United States Army corps of engineers and the United States fish and wildlife service national wetlands inventory for defining and mapping wetlands;
- (IV) The federal emergency management agency for defining and mapping floodplains, floodways, and flood risk zones;
- (V) The natural resources conservation service of the United States department of agriculture for defining and mapping unstable soils and highly erodible land; and
- (VI) The Colorado state forest service for locating wildfire hazard areas.

(2) As the work of making the whole master plan progresses, the commission may from time to time adopt and publish a part thereof. Any such part shall cover one or more major sections or divisions of the municipality or one or more of the foregoing or other functional matters to be included in the plan. The commission may amend, extend, or add to the plan from time to time.

(3) (Deleted by amendment, L. 2007, p. 613, § 2, effective August 3, 2007.)

(4) (a) Each municipality that has a population of two thousand persons or more and that is wholly or partially located in a county that is subject to the requirements of section 30-28-106 (4), C.R.S., shall adopt a master plan within two years after January 8, 2002.

(b) The department of local affairs shall annually determine, based on the population statistics maintained by said department, whether a municipality is subject to the requirements of this subsection (4), and shall notify any municipality that is newly identified as being subject to said requirements. Any such municipality shall have two years following receipt of notification from the department to adopt a master plan.

(c) Once a municipality is identified as being subject to the requirements of this subsection (4), the municipality shall at all times thereafter remain subject to the requirements of this subsection (4), regardless of whether it continues to meet the criteria specified in paragraph (a) of this subsection (4).

(5) A master plan adopted in accordance with the requirements of subsection (4) of this section shall contain a recreational and tourism uses element pursuant to which the municipality shall indicate how it intends to provide for the recreational and tourism needs of residents of the municipality and visitors to the municipality through delineated areas dedicated to, without limitation, hiking, mountain biking, rock climbing, skiing, cross country skiing, rafting, fishing, boating, hunting, and shooting, or any other form of sports or other recreational activity, as applicable, and commercial facilities supporting such uses.

(6) The master plan of any municipality adopted or amended in accordance with the requirements of this section on and after August 8, 2005, shall satisfy the requirements of section 29-20-105.6, C.R.S., as applicable.

(7) Notwithstanding any other provision of this section, no master plan originally adopted or amended in accordance with the requirements of this section shall conflict with a master plan for the extraction of commercial mineral deposits adopted by the municipality pursuant to section 34-1-304, C.R.S.

ANNOTATION

Law reviews. For comment, "Regionalism or Parochialism: The Land Use Planner's Dilemma", see 48 U. Colo. L. Rev. 575 (1977). For note, "The Permissible Scope of Compulsory Requirements for Land Development in Colorado", see 54 U. Colo. L. Rev. 447 (1983). For article, "Growth Management: Recent Developments in Municipal Annexation and Master Plans", see 31 Colo. Law. 61 (March 2002).

City in advisory role. There is nothing in this section and § 31-23-209 which indicates a legislative intent to broaden a city's authority. They place ultimate governmental authority in matters pertaining to land use in unincorporated areas in the county. In effect, a city is given only an

advisory role. *Robinson v. City of Boulder*, 190 Colo. 357, 547 P.2d 228 (1976).

Standing of owner of property outside territory of authority to challenge rezoning. An owner of property adjacent to property being rezoned but not within the territory of the zoning authority has standing to challenge the rezoning. *Bd. of County Comm'rs v. City of Thornton*, 629 P.2d 605 (Colo. 1981).

Sections 31-23-206 through 31-23-208 do not apply to rezoning or to a zoning change to a particular area. *Coates v. City of Cripple Creek*, 865 P.2d 924 (Colo. App. 1993).

Applied in *Margolis v. District Court*, 638 P.2d 297 (Colo. 1981).

31-23-207. Purposes in view. In the preparation of such plan, the commission shall make careful and comprehensive surveys and studies of present conditions and future growth of the municipality, with due regard to its relation to neighboring territory. The plan shall be made with the general purpose of guiding and accomplishing a coordinated, adjusted, and harmonious development of the municipality and its environs which will, in accordance with present and future needs, best promote health, safety, order, convenience, prosperity, and general welfare, as well as efficiency and economy in the process of development, including, among other things, adequate provision for traffic, the promotion of safety from fire, flood waters, and other dangers, adequate provision for light and air, distribution of population, affordable housing, the promotion of good civic design and arrangement, efficient expenditure of public funds, the promotion of energy conservation, and the adequate provision of public utilities and other public requirements.

Editor's note: This section is similar to former § 31-23-107 as it existed prior to 1975.

ANNOTATION

Law reviews. For comment, "Regionalism or Parochialism: The Land Use Planner's Dilemma", see 48 U. Colo. L. Rev. 575 (1977). For note, "The Permissible Scope of Compulsory Requirements for Land Development in Colorado", see 54 U. Colo. L. Rev. 447 (1983).

Sections 31-23-206 through 31-23-208 do not apply to rezoning or to a zoning change to a particular area. *Coates v. City of Cripple Creek*, 865 P.2d 924 (Colo. App. 1993).

Applied in *Margolis v. District Court*, 638 P.2d 297 (Colo. 1981).

31-23-208. Procedure of commission. The commission may adopt the plan as a whole by a single resolution or may by successive resolutions adopt successive parts of the plan (said parts corresponding with major geographical sections or divisions of the municipality or with functional subdivisions of the subject matter of the plan) and may adopt any amendment or extension thereof or addition thereto. Before the adoption of the plan or any such part, amendment, extension, or addition, the commission shall hold at least one public hearing thereon, notice of the time and place of which shall be given by one publication in a newspaper of general circulation in the municipality and in the official newspaper of the county affected. The adoption of the plan, any part, amendment, extension, or addition shall be by resolution of the commission carried by the affirmative votes of not less than two-thirds of the entire membership of the commission. The resolution shall refer expressly to the maps and descriptive and other matter intended by the commission to form the whole

or part of the plan, and the action taken shall be recorded on the map and plan and descriptive matter by the identifying signature of the chairman or secretary of the commission. An attested copy of the plan or part thereof shall be certified to each governmental body of the territory affected and, after the approval by each body, shall be filed with the county clerk and recorder of each county wherein the territory is located.

Source: L. 75: Entire title R&RE, p. 1148, § 1, effective July 1.

Editor's note: This section is similar to former § 31-23-108 as it existed prior to 1975.

ANNOTATION

Sections 31-23-206 through 31-23-208 do not apply to rezoning or to a zoning change to a particular area. Coates v. City of Cripple Creek, 865 P.2d 924 (Colo. App. 1993).

31-23-209. Legal status of official plan. When the commission has adopted the master plan of the municipality or of one or more major sections or districts thereof, no street, square, park or other public way, ground or open space, public building or structure, or publicly or privately owned public utility shall be constructed or authorized in the municipality or in such planned section and district until the location, character, and extent thereof has been submitted for approval by the commission. In case of disapproval, the commission shall communicate its reasons to the municipality's governing body, which has the power to overrule such disapproval by a recorded vote of not less than two-thirds of its entire membership. If the public way, ground space, building, structure, or utility is one the authorization or financing of which does not, under the law or charter provisions governing the same, fall within the province of the municipal governing body, the submission to the commission shall be by the governmental body having jurisdiction, and the planning commission's disapproval may be overruled by said governmental body by a vote of not less than two-thirds of its membership. The failure of the commission to act within sixty days from and after the date of official submission to it shall be deemed approval.

Editor's note: This section is similar to former § 31-23-109 as it existed prior to 1975.

ANNOTATION

City in advisory role. There is nothing in § 31-23-206 and this section which indicates a legislative intent to broaden a city's authority. They place ultimate governmental authority in matters pertaining to land use in unincorporated areas in the county. In effect, a city is given only an advisory role. Robinson v. City of Boulder, 190 Colo. 357, 547 P.2d 228 (1976).

Amendment to plan not subject to referendum powers. Being advisory only, an amendment to a municipal master plan is not legislation which is subject to the referendum powers reserved to the people. Margolis v. District Court, 638 P.2d 297 (Colo. 1981).

31-23-210. Publicity - travel - information - entry. The commission has power to promote public interest in and understanding of the plan and to that end may publish and distribute copies of the plan or any report and may employ such other means of publicity and education as it may determine. Members of the commission may attend city planning conferences, meetings of city planning institutes, or hearings upon pending municipal planning legislation, and the commission may pay, by resolution, the reasonable traveling expenses incident to such attendance. The commission shall recommend, from time to time, to the appropriate public officials' programs for public structures and improvements and for the financing thereof. It shall be part of its duties to consult and advise with public officials and agencies, public utility companies, civic, educational, professional, and other organizations, and with citizens in relation to protecting and carrying out the plan. The commis-

sion has the right to accept and use gifts for the exercise of its functions. All public officials shall furnish to the commission, upon request, within a reasonable length of time, such available information as the commission may require for its work. The commission and its members, officers, and employees, in the performance of their functions, may enter upon any land and make examinations and surveys and place and maintain necessary marks and monuments thereon. In general, the commission has such powers as are necessary to enable it to fulfill its functions, to promote municipal planning, or to carry out the purposes of this part 2.

Editor's note: This section is similar to former § 31-23-110 as it existed prior to 1975.

31-23-211. Zoning. Where a commission is established in accordance with the provisions of this part 2, it has and shall exercise all of the powers and rights granted to the zoning commission by part 3 of this article. When there is a zoning commission in existence at the time that a commission is created, the zoning commission shall deliver to the commission all of its records and shall thereafter cease to exercise the powers and prerogatives previously exercised by it; except that, if the existing zoning commission is nearing completion of a zoning plan, the governing body of the municipality may postpone, by resolution, the transfer of the zoning commission's powers until completion of the zoning plan; but in no event shall the period of such postponement exceed six months from the date of the creation of the commission. Nothing in this section shall invalidate or otherwise affect any zoning law or regulation or any action of the zoning commission adopted or taken prior to the creation of a commission.

Editor's note: This section is similar to former § 31-23-111 as it existed prior to 1975.

31-23-212. Jurisdiction. The territorial jurisdiction of any commission over the subdivision of land includes all land located within the legal boundaries of the municipality and, limited only to control with reference to a major street plan and not otherwise, also includes all land lying within three miles of the boundaries of the municipality not located in any other municipality; except that in the case of any such land lying within five miles of more than one municipality, the jurisdiction of each commission shall terminate at a boundary line equidistant from the respective municipal limits of such municipalities. The jurisdiction over the subdivision of lands outside the boundary of a municipality shall apply equally to any municipality.

Editor's note: This section is similar to former § 31-23-112 as it existed prior to 1975.

31-23-213. Scope of control. When a commission has adopted a major street plan for the territory within its subdivision control, or any part thereof, as provided in section 31-23-208, and has filed a certified copy of such plan in the office of the county clerk and recorder of the county in which such territory or such part is located, no plat of a subdivision of land within such territory or such part shall be filed or recorded until it has been approved by such commission and such approval entered in writing on the plat by the chairman or secretary of the commission.

Editor's note: This section is similar to former § 31-23-113 as it existed prior to 1975.

ANNOTATION

Law reviews. For article, "The Lawyer's Role in Developing an Area", see 28 Rocky Mt. L. Rev. 453 (1956).

31-23-214. Subdivision regulations. (1) Before any commission exercises the powers set forth in section 31-23-213, it shall adopt regulations governing the subdivision of land within its jurisdiction and shall publish the same in pamphlet form, which shall be available for public distribution, or, at the election of the commission, the regulations may be published once each week for three consecutive weeks in the official paper of the municipality or county in which such subdivisions, or any part thereof, are located. Such regulations may provide for the proper arrangement of streets in relation to other existing or planned streets and to the master plan, for adequate and convenient open spaces for traffic, utilities, access of fire fighting apparatus, recreation, light, and air, and for the avoidance of congestion of population, including minimum area and width of lots. The regulations may also provide for waivers from subdivision requirements and may establish different requirements applicable to subdivisions of different sizes, densities, or types of dwelling units. In the territory subject to subdivision jurisdiction beyond the municipal limits, the regulations shall provide only for conformance with the major street plan.

(1.5) Subdivision regulations adopted under provisions of this section may protect and assure access to sunlight for solar energy devices by considering in subdivision development plans the use of restrictive covenants or solar easements, height restrictions, side yard and setback requirements, street orientation and width requirements, or other permissible forms of land use controls.

(2) Before the adoption of the regulations referred to in this section, a public hearing shall be held thereon in the municipality. A copy of such regulations shall be certified by the commission to the county clerk and recorders of the counties in which the municipality and territory are located.

(3) Subdivision regulations adopted under provisions of this section shall require that a subdivider, as defined in section 30-28-101 (9), C.R.S., submit to the commission evidence that provision has been made for facility sites, easements, and rights of access for electrical and natural gas utility service sufficient to ensure reliable and adequate electric or, if applicable, natural gas service for any proposed subdivision. Submission of a letter of agreement between the subdivider and utility serving the site shall be deemed sufficient to establish that adequate provision for electric or, if applicable, natural gas service to a proposed subdivision has been made.

ANNOTATION

Law reviews. For article, "Subdivision Regulations and Compulsory Dedications", see 39 Dicta 299 (1962). For article, "Subdivision

Improvement Requirements and Guarantees in Colorado", see 14 Colo. Law. 554 (1985).

31-23-214.1. Subdivision plan or plat - access to public highways. No person may submit an application for subdivision approval to a local authority unless the subdivision

plan or plat provides, pursuant to section 43-2-147, C.R.S., that all lots and parcels created by the subdivision will have access to the state highway system in conformance with the state highway access code.

Source: **L. 80:** Entire section added, p. 796, § 59, effective June 5. **L. 82:** Entire section amended, p. 627, § 35, effective April 2.

31-23-215. Procedure - legal effect. (1) The commission shall approve or disapprove a plat within thirty days after said plat has been submitted to it; otherwise such plat shall be deemed approved and a certificate to that effect shall be issued by the commission on demand unless the applicant for the commission's approval waives this requirement and consents to an extension of such period. The ground of disapproval of any plat shall be stated upon the records of the commission. No plat shall be acted on by the commission without affording a hearing thereon. Notice of the time and place of such hearing shall be sent to mineral estate owners in accordance with article 65.5 of title 24, C.R.S.

(2) Every plat approved by the commission, by virtue of such approval, shall be deemed to be an amendment or an addition to or a detail of the municipal plan and a part thereof. Approval of a plat shall not constitute or effect an acceptance by the public of any street or other open space shown upon the plat. From time to time, the commission may recommend to the governing body amendments of the zoning ordinance or map or additions thereto to conform to the commission's recommendations for the zoning regulations of the territory comprised within approved subdivisions. The commission has the power to impose use, height, area, or bulk requirements or restrictions governing buildings and premises within the subdivision if such requirements or restrictions do not authorize the violation of the then effective zoning ordinance of the municipality. Such requirements or restrictions shall be stated upon the plat prior to the approval and recording thereof, shall have the force of law, and shall be enforceable in the same manner and with the same sanctions and penalties and subject to the same powers of amendment or repeal as though set out as a part of the zoning ordinance or map of the municipality. No action taken under this section shall be binding for any purpose until such action has been approved by the governmental body of the territory affected or any part thereof.

Editor's note: This section is similar to former § 31-23-115 as it existed prior to 1975.

31-23-216. Penalties for sales in unapproved subdivisions. Whoever, being the owner or agent of the owner of any land located within a subdivision, transfers or sells, agrees to sell, or negotiates to sell any land by reference to or exhibition of or by use of a plat of a subdivision before such plat has been approved by the commission and recorded or filed in the office of the appropriate county clerk and recorder shall pay a penalty of one hundred dollars to the municipality for each lot or parcel so transferred, or sold, or agreed or negotiated to be sold. The description of such lot or parcel by metes and bounds in the instrument of transfer or other document used in the process of selling or transferring shall not exempt the transaction from such penalties or from the remedies provided in this section. The municipality may enjoin such transfer or sale or agreement by action for injunction brought in any court of competent jurisdiction and may recover the penalty by civil action in any court of competent jurisdiction.

Source: **L. 75:** Entire title R&RE, p. 1151, § 1, effective July 1.

Editor's note: This section is similar to former § 31-23-116 as it existed prior to 1975.

Cross references: For the requirements of monumentation of external boundaries of all subdivisions prior to recording of a plat, see § 38-51-105.

31-23-216.5. Additional enforcement - fine or imprisonment - abatement or removal. (1) In addition to any other remedies, the governing body of any municipality may provide by ordinance that it is unlawful to erect, construct, reconstruct, use, or alter any building or structure or to use any land in violation of any municipal subdivision regulation, and the governing body may enforce obedience to such ordinance by fine or imprisonment as provided in section 31-16-101.

(2) In case any building or structure is or is proposed to be erected, constructed, reconstructed, altered, or used or any land is or is proposed to be used in violation of any municipal subdivision regulation, the municipality, in addition to other remedies provided by law, may institute an appropriate action to prevent, enjoin, abate, or remove the violation to prevent the occupancy of the building, structure, or land or to prevent any illegal act or use in or on such premises.

Source: L. 81: Entire section added, p. 1513, § 3, effective June 4.

31-23-217. Acceptance and improvement of streets. (1) The municipality shall not accept, lay out, open, improve, grade, pave, curb, or light any street or lay or authorize water mains or sewers or connections to be laid in any street within any portion of a territory for which the commission has adopted a major street plan unless such street:

(a) Has been accepted or opened as or otherwise has received the legal status of a public street prior to the adoption of such plan; or

(b) Corresponds with a street shown on the official master plan or with a street on a subdivision plat approved by the planning commission or with a street on a street plat made by and adopted by the commission. However, the governing body may accept any street not shown on or not corresponding with a street on the official master plan or on any approved subdivision plat or an approved street plat if the ordinance or other measure accepting such street is first submitted to the commission for its approval and, if approved by the commission, is enacted or passed by not less than a majority of the entire membership of the governing body or, if disapproved by the commission, is enacted or passed by not less than two-thirds of the entire membership of the governing body.

(2) A street approved by the commission upon submission by the governing body or a street accepted by a two-thirds vote after disapproval by the commission shall have the status of an approved street as though it had been originally shown on the official master plan or on a subdivision plat approved by the commission or had been originally platted by the commission.

Source: L. 75: Entire title R&RE, p. 1151, § 1, effective July 1.

Editor's note: This section is similar to former § 31-23-117 as it existed prior to 1975.

31-23-218. Erection of buildings. (1) After the time when a commission has adopted a major street plan of the territory within the municipal limits of said municipality, no building shall be erected on any lot within such territory or part nor shall a building permit be issued therefor unless the street giving access to the lot upon which such building is proposed to be placed:

(a) Has been accepted or opened as or otherwise has received the legal status of a public street prior to that time; or

(b) Corresponds with a street shown on the official master plan, with a street or subdivision plat approved by the planning commission, with a street on a street plat made by and adopted by the commission, or with a street accepted by the governing body in accordance with the provisions of section 31-23-217. Any building erected in violation of this section is an unlawful structure, and the building inspector or other appropriate official may cause it to be vacated or have it removed.

Source: L. 75: Entire title R&RE, p. 1151, § 1, effective July 1.

Editor's note: This section is similar to former § 31-23-118 as it existed prior to 1975.

31-23-219. Status of existing statutes. After the time when a municipal planning commission has control over subdivisions as provided in section 31-23-213, the jurisdiction of the planning commission over plats shall be exclusive within the territory under its jurisdiction, and all statutory control over plats or subdivisions of land granted by other statutes, insofar as in harmony with the provisions of this part 2, shall be deemed transferred to the planning commission of such municipality.

Source: L. 75: Entire title R&RE, p. 1152, § 1, effective July 1.

Editor's note: This section is similar to former § 31-23-119 as it existed prior to 1975.

31-23-220. Reservation for future acquisition. (1) (a) Any commission is empowered, from time to time, after it has adopted a major street plan of the territory within its subdivision jurisdiction or of any major section or district thereof, to make or cause to be made surveys for the exact location of the lines of a street in any portion of such territory and to make a plat of the area or district thus surveyed showing the land which it recommends be reserved for future acquisition for public streets. The commission, before adopting any such plat, shall hold a public hearing thereon, notice of the time and place of which, with a general description of the district or area covered by the plat, shall be given not less than ten days previous to the time fixed therefor by one publication in a newspaper of general circulation in the municipality if the district or area is within the municipality or of general circulation in the county if the district or area is outside the municipality. After such a hearing the commission may transmit the plat, as originally made or modified, as may be determined by the commission, to the governing body together with the commission's estimate of the time within which the lands shown on the plat as street locations should be acquired by the municipality.

(b) The governing body, by resolution, may approve and adopt or reject such plat or may modify it with the approval of the planning commission or, in the event of the commission's disapproval, the governing body, by a favorable vote of not less than two-thirds of its entire membership, may modify such plat and adopt the modified plat. In the resolution of adoption of a plat, the governing body shall fix the period of time for which the street locations shown upon the plat shall be reserved for future taking or acquisition for public use. Upon such adoption the clerk shall transmit one attested copy of the plat to the county clerk and recorder of each county in which the platted land is located and retain one copy for the purpose of public examination and hearings of claims for compensation.

(2) (a) Such approval and adoption of a plat shall not, however, be deemed the opening or establishment of any street, nor the taking of any land for street purposes, nor for public use, nor as a public improvement but solely as a reservation of the street location shown therein for the period specified in the resolution for future taking or acquisition for public use. The commission at any time may negotiate for and secure from the owners of any such lands releases of claims for damages or compensation for such reservations or agreements indemnifying the municipality from such claims by others, which releases or agreements shall be binding upon the owners executing the same and their successors in title.

(b) At any time after the filing of a plat with the county clerk and recorder and during the period specified for the reservation, the commission and the owner of any land containing a reserved street location may agree upon modification of the location of the lines of the proposed street. Such agreement shall include a release by said owner of any claim for compensation or damages by reason of such modification. Thereupon the commission may make a plat corresponding to the said modification and transmit the same to the governing body. If such modified plat is approved by the governing body, the clerk shall transmit an attested copy thereof to the county clerk and recorder and the modified plat shall take the place of the original plat. At any time the governing body, by resolution, may abandon any reservation and shall certify any such abandonment to the county clerk and recorder.

Source: L. 75: Entire title R&RE, p. 1152, § 1, effective July 1.

Editor's note: This section is similar to former § 31-23-120 as it existed prior to 1975.

31-23-221. Compensation for reservations. (1) In the resolution of adoption of a plat, the governing body shall appoint a board of three appraisers and shall fix the time and place of meetings for hearings by said board upon the amounts of compensation to be paid for such reservations. Thereupon the clerk shall publish in at least two newspapers of general circulation in the municipality once a week for four consecutive weeks a notice which shall contain a general description of the land thus reserved as shown on the plat, the provisions of the resolution of the governing body, including the period of time for which such reservations are made, the time within which claims for compensation may be filed, which shall be not less than three nor more than six months from the date of notice, and the time and place of hearings by the board of appraisers. The first hearing shall not be set earlier than thirty days after the date of the first of such publications. Such notice shall also be posted in at least three public places in the neighborhood of or along the line of the location of the reservation.

(2) The board of appraisers shall fix the amounts of compensation to be paid, respectively, to the owners of lands reserved for the period of time as shown on the plat and in the resolution adopted by the governing body. When the clerk receives, within the period fixed for the same, any claim for such compensation, he shall transmit it to the board of appraisers. At the time and place fixed for such hearings, the board of appraisers shall hear and consider all claims presented to it in writing or in person, including all evidence which may be presented by the claimants or other persons. The board of appraisers has the right on its own initiative to investigate and ascertain data or evidence relevant to the question of such compensation. In case of the abandonment of a reservation prior to the time fixed for payment of compensation, the municipality shall be liable to the owner of the land included within the abandoned reservation for the expenses, if any, incurred by such owner by reason of such reservation.

Source: L. 75: Entire title R&RE, p. 1152, § 1, effective July 1.

Editor's note: This section is similar to former § 31-23-121 as it existed prior to 1975.

31-23-222. Report of appraisers - action by the governing body. (1) The board of appraisers, within ninety days after the time fixed for the filing of claims, shall file its tentative report with the clerk setting forth its findings as to the amounts of compensation to be paid the respective owners of the lands included within the lines of such reservations as located on the approved plat. Thereupon the clerk shall publish once a week for two consecutive weeks in at least two newspapers of general circulation in the municipality the fact of the filing of the report of the appraisers and specify a period of thirty days after the date of the first such publication within which objections to the report may be filed with the clerk. If objections are filed within said period, the clerk shall cause the board of appraisers to hold a meeting at which said objections shall be transmitted to the board, and the board may modify its report. The report in its original form or, if modified, in its modified form shall be transmitted to the governing body by the clerk.

(2) Before passing on the report, the governing body may return it to the board of appraisers for reconsideration, and the board, upon further consideration, may transmit its former or modified report to the governing body. The governing body may approve or disapprove the report. If the report is approved by the governing body, it shall provide for the payment of the amounts of compensation set forth in the report within ninety days after the filing of the report with the governing body. In the case of those property owners who file claims, payment shall be made through the clerk who shall notify the claimants at the addresses given upon the claims filed with him. Payments to all other persons shall be made through the clerk of the district court of the county in which the reserved location is situated by the payment to said clerk of the amounts awarded to such persons. Notice of distribution to such persons shall be given and made as may be provided by a rule or order of said court. Payments made to the clerk or clerk of the district court within said ninety days shall be deemed compliance with the above requirement for payment within ninety days.

(3) If the governing body disapproves the report or fails to provide for such payment within ninety days, such disapproval or failure shall be deemed a dismissal of the

proceedings, a cancellation of the plat, and an abandonment of the reservations of the street locations as shown on the plat, with the same liability of the municipality for expenses as provided in the case of abandonment by resolution. Thereafter the clerk shall transmit to the county clerk and recorder an attested statement of such abandonment.

Editor's note: This section is similar to former § 31-23-122 as it existed prior to 1975.

31-23-223. Appeal from awards. Within twenty days after the approval of any such report by the governing body, any person dissatisfied with the award of compensation may file with the clerk notice of appeal to the district court of the county in which the appellant's land is located. Within ten days of such notice, the clerk shall file with the clerk of the district court the report of the board of appraisers approved by the governing body, together with certified copies of the resolution thereof and of the notice of appeal. Thereafter the procedure shall be in accordance with the procedure specified by law.

Editor's note: This section is similar to former § 31-23-123 as it existed prior to 1975.

31-23-224. No compensation for buildings. The reservation of a street location, as provided in section 31-23-220, shall not prohibit or impair in any respect the use of the reserved land by the owner or occupant thereof for any lawful purpose, including the erection of buildings thereon. No compensations, other than the compensation awarded in the final report of said board of appraisers as approved by the governing body, as provided in section 31-23-222 or, in the case of an appeal, as awarded on such appeal as provided in section 31-23-223, shall at any time be paid by the municipality or public to or recovered from the municipality or public by any person for the taking of or injury to any building or structure built or erected within the period fixed in the resolution of the governing body upon any such reserved location. No compensation or damages for any such reservation shall be paid or recovered except as provided in sections 31-23-221 to 31-23-223.

Editor's note: This section is similar to former § 31-23-125 as it existed prior to 1975.

Cross references: For duties of the state geologist upon receipt of a notice, see § 34-1-103 (4).

31-23-226. Applicability. This part 2 applies to municipalities, including home rule cities and towns, insofar as constitutionally permissible and except as limits are placed upon its application within the boundaries of home rule cities and towns by the charter or ordinance adopted pursuant thereto of said cities or towns.

Source: L. 75: Entire title R&RE, p. 1156, § 1, effective July 1.

Editor's note: This section is similar to former § 31-23-101 (4) as it existed prior to 1975.

31-23-227. Allocation of powers or duties. (1) The governing body of a municipality may, by ordinance, assume and exercise any power granted to or duty placed upon the municipal planning commission by this part 2 and may, by ordinance, delegate to the municipal planning commission or other appropriate municipal body any power granted to or duty placed upon the municipal governing body by this part 2, providing that the right to appeal to the municipal governing body is retained in any such delegation; except that the power to impose fines and penalties may not be delegated.

(2) The governing body of a municipality may, by ordinance, enter into an intergovernmental agreement with the county or counties in which it is located for the purposes of joint participation in land use planning, subdivision procedures, and zoning for a specific area designated in the intergovernmental agreement. However, any action taken pursuant to the intergovernmental agreement that pertains to any land within the municipality is subject to final approval by the governing body of the municipality.

PART 3

ZONING

Cross references: For county planning and building codes, see article 28 of title 30.

Law reviews: For comment, "The King Can Do Wrong: Local Government Immunity from Zoning", see 57 U. Colo. L. Rev. 639 (1986); for article, "Pronouncements of the U.S. Supreme Court Relating to the Criminal Law Field: 1985-1986", which discusses a case relating to municipal zoning, see 15 Colo. Law. 1560 (1986); for article, "Land Use Decisionmaking: Legislative or Quasi-judicial Action", see 18 Colo. Law. 241 (1989); for article, "Substantive Due Process and Zoning Decisions", see 25 Colo. Law. 71 (March 1996).

31-23-301. Grant of power. (1) Except as otherwise provided in section 34-1-305, C.R.S., for the purpose of promoting health, safety, morals, or the general welfare of the community, including energy conservation and the promotion of solar energy utilization, the governing body of each municipality is empowered to regulate and restrict the height, number of stories, and size of buildings and other structures, the percentage of lot that may be occupied, the size of yards, courts, and other open spaces, the density of population, the height and location of trees and other vegetation, and the location and use of buildings, structures, and land for trade, industry, residence, or other purposes. Regulations and restrictions of the height, number of stories, and the height and location of trees and other vegetation shall not apply to existing buildings, structures, trees, or vegetation except for new growth on such vegetation. Such regulations shall provide that a board of adjustment may determine and vary their application in harmony with their general purpose and intent and in accordance with general or specific rules contained in such regulations. Subject to the provisions of subsection (2) of this section and to the end that adequate safety may be secured, said governing body also has power to establish, regulate, restrict, and limit such uses on or along any storm or floodwater runoff channel or basin, as such storm or floodwater runoff channel or basin has been designated and approved by the Colorado water conservation board, in order to lessen or avoid the hazards to persons and damage to property resulting from the accumulation of storm or floodwaters. Any ordinance enacted under authority of this part 3 shall exempt from the operation thereof any building or structure as to which satisfactory proof is presented to the board of adjustment that the present or proposed situation of such building or structure is reasonably necessary for the convenience or welfare of the public.

(2) The power conferred by subsection (1) of this section for flood prevention and control shall not be exercised to deprive the owner of any existing property of its future use or maintenance for the purpose to which it was lawfully devoted on February 25, 1966, but provisions may be made for the gradual elimination of uses, buildings, and structures, including provisions for the elimination of such uses when the existing uses to which they are devoted are discontinued, and for the elimination of such buildings and structures when they are destroyed or damaged in major part.

(3) The governing body of any municipality or the board of adjustment thereof, in the exercise of powers pursuant to this section, may condition any zoning regulation, any amendment to such regulation, or any variance of the application thereof or the exemption of any building or structure therefrom upon the preservation, improvement, or construction of any storm or floodwater runoff channel designated and approved by the Colorado water conservation board.

(4) A statutory or home rule city or town or city and county shall not enact an ordinance prohibiting the use of a state-licensed group home for either persons with developmental disabilities or mental illness that serves not more than eight persons with developmental disabilities or eight persons with mental illness and appropriate staff as a residential use of property for zoning purposes. As used in this subsection (4), the phrase "residential use of property for zoning purposes" includes all forms of residential zoning and specifically, although not exclusively, single-family residential zoning.

(5) (a) As used in this subsection (5), unless the context otherwise requires:

(I) "Manufactured home" means a single family dwelling which:

(A) Is partially or entirely manufactured in a factory;

(B) Is not less than twenty-four feet in width and thirty-six feet in length;

(C) Is installed on an engineered permanent foundation;

(D) Has brick, wood, or cosmetically equivalent exterior siding and a pitched roof; and

(E) Is certified pursuant to the "National Manufactured Housing Construction and Safety Standards Act of 1974", 42 U.S.C. 5401 et seq., as amended.

(II) "Equivalent performance engineering basis" means that by using engineering calculations or testing, following commonly accepted engineering practices, all components and subsystems will perform to meet health, safety, and functional requirements to the same extent as required for other single family housing units.

(b) (I) No municipality shall have or enact zoning regulations, subdivision regulations, or any other regulation affecting development which exclude or have the effect of excluding manufactured homes from the municipality if such homes meet or exceed, on an equivalent performance engineering basis, standards established by the municipal building code.

(II) Nothing in this subsection (5) shall prevent a municipality from enacting any zoning, developmental, use, aesthetic, or historical standard, including, but not limited to, requirements relating to permanent foundations, minimum floor space, unit size or sectional requirements, and improvement location, side yard, and setback standards to the extent that such standards or requirements are applicable to existing or new housing within the specific use district of the municipality.

(III) Nothing in this subsection (5) shall preclude any municipality from enacting municipal building code provisions for unique public safety requirements such as snow load roof, wind shear, and energy conservation factors.

(IV) Nothing in this subsection (5) shall be deemed to supersede any valid covenants running with the land.

Annotator's note. Since § 31-23-301 is similar to former § 31-23-201 prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, relevant cases construing those provisions have been included in the annotations to this section.

General assembly has power to legislate zoning regulations applicable to statutory cities, as distinguished from home rule cities. *Glennon Heights, Inc. v. Central Bank & Trust*, 658 P.2d 872 (Colo. 1983).

Subsection (4) constitutes a legitimate limitation on the legislative powers delegated to statutory cities. *Glennon Heights, Inc. v. Central Bank & Trust*, 658 P.2d 872 (Colo. 1983).

State has authority to enact legislation for the welfare of developmentally disabled citizens under its police powers. *Glennon Heights, Inc. v. Central Bank & Trust*, 658 P.2d 872 (Colo. 1983).

Exemption of municipal activities from zoning ordinances. Exemption from zoning ordinance must be pursuant to statutory procedure, and the governmental/proprietary distinction is rejected as a means for determining when a

municipality must obey its zoning ordinances. *Clark v. Town of Estes Park*, 686 P.2d 777 (Colo. 1984).

Zoning is a matter of local and municipal concern. *Serv. Oil Co. v. Rhodus*, 179 Colo. 335, 500 P.2d 807 (1972); *Nopro Co. v. Town of Cherry Hills Vill.*, 180 Colo. 217, 504 P.2d 344 (1972); *City of Greeley v. Ells*, 186 Colo. 352, 527 P.2d 538 (1974).

Zoning laws is an area which is best left to local government, and decisions which relate to the decided course of community development should be upheld, even though a reviewing court may disagree with the wisdom of the municipality's choice. *Rademan v. City & County of Denver*, 186 Colo. 250, 526 P.2d 1325 (1974).

City council did not abuse its discretion or exceed its jurisdiction in denying application to rezone property from residential to limited residential-commercial when there was competent evidence of a factual basis in support of the zoning decision. *Christiansen v. Golden City Council*, 757 P.2d 1121 (Colo. App. 1988).

Section does not make counties immune or exempt from municipal zoning requirements. *La Plata County Comm'rs v. Bd. of Adjustment*, 768 P.2d 1250 (Colo. App. 1988).

Board of county commissioners did not exceed its jurisdiction or abuse its discretion when it concluded that a pre-parole facility proposed use conformed to the PUD zone district since it was representative of the class "hospitals, nursing homes, and mental or physical rehabilitation center" allowed by ordinance in the district. *Abbott v. Bd. of County Comm'rs of Weld County*, 895 P.2d 1165 (Colo. App. 1995).

Zoning is a proper exercise of the state's police power. *Rademan v. City & County of Denver*, 186 Colo. 250, 526 P.2d 1325 (1974).

The power and force of the police power attends in the regulations provided in zoning ordinances, and the rule is that the doctrine of estoppel does not apply. *Flinn v. Treadwell*, 120 Colo. 117, 207 P.2d 967 (1949); *Witkin Homes, Inc. v. City & County of Denver*, 31 Colo. App. 410, 504 P.2d 1121 (1972).

Certain rights yield to zoning regulations. Even though the right of freedom of association and of privacy are cherished rights, they must yield to valid zoning regulations. *Rademan v. City & County of Denver*, 186 Colo. 250, 526 P.2d 1325 (1974).

If necessary to protect compelling and substantial government interest. If a zoning ordinance impinges on fundamental rights, the ordinance may be sustained only upon a showing that the burden imposed is necessary to protect a compelling and substantial government interest. *Rademan v. City & County of Denver*, 186 Colo. 250, 526 P.2d 1325 (1974).

Such as to provide for the health, safety, and welfare of its citizens and the general public, a city has the power to classify land within its boundaries for specified uses. *Bird v. City of Colo. Springs*, 176 Colo. 32, 489 P.2d 324 (1971).

A zoning ordinance is presumed to be valid and one assailing it bears the burden of overcoming that presumption as the courts indulge in every intendment in favor of the validity of the ordinance. *City & County of Denver v. Chuck Ruwart Chevrolet, Inc.*, 32 Colo. App. 191, 508 P.2d 789 (1973).

Once the power to classify land to specified uses is exercised by a city, it is entitled to a presumption of validity and one assailing it bears the burden of overcoming that presumption, and courts indulge every intendment in favor of its validity. *Bird v. City of Colo. Springs*, 176 Colo. 32, 489 P.2d 324 (1971).

Zoning ordinances, like other legislative enactments, are presumed valid. *Ford Leasing Dev. Co. v. Bd. of County Comm'rs*, 186 Colo. 418, 528 P.2d 237 (1974).

A home-rule city zoning code is a legislative enactment which is presumed to be valid. *City of Greeley v. Ells*, 186 Colo. 352, 527 P.2d 538 (1974).

And one challenging a zoning ordinance has the burden of proving beyond a reasonable doubt that it is invalid. *Ford Leasing Dev. Co. v. Bd. of County Comm'rs*, 186 Colo. 418, 528 P.2d 237 (1974).

To overcome the presumption that a city has validly exercised its zoning powers, the one claiming invalidity must establish such invalidity beyond a reasonable doubt. *Bird v. City of Colo. Springs*, 176 Colo. 32, 489 P.2d 324 (1971).

In challenging the validity of a zoning ordinance, it is incumbent upon the aggrieved party to establish that as applied to this property, the ordinance is confiscatory and deprives him of the use of his land without due process of law. *City & County of Denver v. Chuck Ruwart Chevrolet, Inc.*, 32 Colo. App. 191, 508 P.2d 789 (1973).

The presumption of validity which a zoning ordinance possesses imposes upon the litigant challenging the ordinance's validity the burden of proving that the ordinance is unconstitutional by "clear and convincing" evidence. *City of Greeley v. Ells*, 186 Colo. 352, 527 P.2d 538 (1974).

Substantial compliance with statutory provisions is required for lawful enactment of a zoning change and failure to comply with essential mandates of the statutes invalidates the proceeding. *Wainwright v. City of Wheat Ridge*, 38 Colo. App. 485, 558 P.2d 1005 (1976).

Factors to be considered in construing ordinance. Because zoning laws should be given a fair and reasonable construction in light of the

setting in which employed, the factors surrounding adoption of an ordinance should be considered. *Wainwright v. City of Wheat Ridge*, 38 Colo. App. 485, 558 P.2d 1005 (1976).

Zoning, since it restricts an owner's right to use his property, constitutes a partial taking, but it is constitutionally permissible, however, so long as it is reasonable. *Serv. Oil Co. v. Rhodus*, 179 Colo. 335, 500 P.2d 807 (1972).

And a landowner need not be permitted to make the most profitable use of his land. The due process and just compensation clauses do not require that zoning ordinances permit a landowner to make the most profitable use of his property. *Bird v. City of Colo. Springs*, 176 Colo. 32, 489 P.2d 324 (1971); *Baum v. City & County of Denver*, 147 Colo. 104, 363 P.2d 688 (1961); *Nopro Co. v. Town of Cherry Hills Vill.*, 180 Colo. 217, 504 P.2d 344 (1972).

There is simply no constitutionally protected right under the federal or state constitutions to gain the maximum profit from the use of property. *Nopro Co. v. Town of Cherry Hills Vill.*, 180 Colo. 217, 504 P.2d 344 (1972).

Right to gain maximum profit from use of property not constitutionally protected. There is simply no constitutionally protected right under the federal or state constitutions to gain the maximum profit from the use of property. *City & County of Denver v. Chuck Ruwart Chevrolet, Inc.*, 32 Colo. App. 191, 508 P.2d 789 (1973).

The validity of zoning ordinances has never been determined by the highest and best use concept or in terms of profitability. *City & County of Denver v. Chuck Ruwart Chevrolet, Inc.*, 32 Colo. App. 191, 508 P.2d 789 (1973).

The mere fact that the regulation deprives the property owner of the most profitable use of his property is not necessarily enough to establish the owner's right to compensation. *Art Neon Co. v. City & County of Denver*, 488 F.2d 118 (10th Cir. 1973), cert. denied, 417 U.S. 932, 94 S. Ct. 2644, 41 L. Ed.2d 236 (1974).

If the land in question is susceptible to any reasonable or lawful use under the classification imposed by a city, the ordinance will be allowed to stand. *Bird v. City of Colo. Springs*, 176 Colo. 32, 489 P.2d 324 (1971); *Trans-Robles Corp. v. City of Cherry Hills Vill.*, 30 Colo. App. 511, 497 P.2d 335 (1972), aff'd, 181 Colo. 356, 509 P.2d 797 (1973).

Zoning ordinance is unconstitutional if it deprives property owner of any reasonable use to which his land may be put. *City of Cherry Hills Vill. v. Trans-Robles Corp.*, 181 Colo. 356, 509 P.2d 797 (1973).

A zoning ordinance is unconstitutional if it can be shown that the zoning ordinance precludes the use of property for any reasonable purpose. *Ford Leasing Dev. Co. v. Bd. of County Comm'rs*, 186 Colo. 418, 528 P.2d 237 (1974).

In order for the courts to hold a zoning ordinance to be violative of the due process rights of a property owner or to interfere with the discretion of the zoning authorities in drawing zoning boundaries, the person challenging the zoning ordinance must establish beyond any reasonable doubt that the property cannot be devoted to any reasonable lawful use under the challenged ordinance. *City & County of Denver v. Chuck Ruwart Chevrolet, Inc.*, 32 Colo. App. 191, 508 P.2d 789 (1973).

Or if not substantially related to public health, safety, or welfare. A zoning ordinance is unconstitutional if it can be shown that it is not substantially related to the public health, safety, or welfare. *Ford Leasing Dev. Co. v. Bd. of County Comm'rs*, 186 Colo. 418, 528 P.2d 237 (1974).

In a challenge to a general zoning ordinance, the outcome turns on the exercise of the police power as bearing a reasonable relation to the public health, safety, morals, or welfare. *Snyder v. City of Lakewood*, 189 Colo. 421, 542 P.2d 371 (1975).

Whether zoning provisions are reasonable and for promotion of public health, safety, and welfare, is to be determined by the court from facts, circumstances, and locality in the particular case. *Bird v. City of Colo. Springs*, 176 Colo. 32, 489 P.2d 324 (1971).

Group homes permitted in residential neighborhoods as matter of statewide concern. Group homes for developmentally disabled persons are permitted in residential neighborhoods as a matter of statewide concern. *Roundup Found., Inc. v. Bd. of Adjustment*, 626 P.2d 1154 (Colo. App. 1980).

The general assembly intended that group homes for the developmentally disabled be considered a residential use of property and that they be permitted in all residential zones, specifically including those zoned for single family dwellings. It is inconsistent with this intent for a city council to base its denial of a special use permit on the adverse effects of the group home on the single family characteristics of the neighborhood or on the peace and quiet of the neighborhood, in addition to the attitude of general hostility in the neighborhood towards this proposed facility. *Adams County Ass'n for Retarded Citizens, Inc. v. City of Westminster*, 196 Colo. 79, 580 P.2d 1246 (1978).

Although municipalities may regulate certain aspects of construction and location. The general assembly has expressly reserved to municipalities the right to regulate several aspects of the construction and location of group homes in order to avoid adverse impacts on the neighborhood, as long as such regulation is not tantamount to prohibition of such homes within any residential district. *Glennon Heights, Inc. v. Central Bank & Trust*, 658 P.2d 872 (Colo. 1983).

Zoning not disturbed unless legislative body exceeds powers. Zoning determination cannot be disturbed by the courts unless it appears that the legislative body has exceeded its powers or has acted arbitrarily or unreasonably. *City of Greeley v. Ells*, 186 Colo. 352, 527 P.2d 538 (1974).

Proof that it is not possible to use land for any of the uses permitted in the intervening zones between the zone sought and the existing zone is a prerequisite to showing that the property has been unconstitutionally confiscated under existing zoning. *Ford Leasing Dev. Co. v. Bd. of County Comm'rs*, 186 Colo. 418, 528 P.2d 237 (1974).

When a city annexes land from a county, the power to zone that land shifts to the city. *Bird v. City of Colo. Springs*, 176 Colo. 32, 489 P.2d 324 (1971).

For issuance of writ of mandamus to compel issuance of building permit where zoning ordinance is unconstitutional, see *Hedgcock v. People ex rel. Arden Realty & Inv. Co.*, 98 Colo. 522, 57 P.2d 891 (1936).

Property owners have the right to rely on existing zoning regulations where there has been no material change in the character of the neighborhood which may require rezoning in the public interest. *Roosevelt v. Beau Monde Co.*, 152 Colo. 567, 384 P.2d 96 (1963).

Applicability of estoppel. To invoke the doctrine of equitable estoppel in relation to a zoning ordinance, the plaintiff must show substantial reliance upon the zoning ordinance and mere procurement of a building permit is insufficient. *Witkin Homes, Inc. v. City & County of Denver*, 31 Colo. App. 410, 504 P.2d 1121 (1972).

Party seeking application of doctrine of equitable estoppel to government action must show reasonable reliance. *Bentley v. Valco, Inc.*, 741 P.2d 1246 (Colo. App. 1987).

In order to invoke the doctrine of equitable estoppel against a city in relation to a zoning ordinance, the plaintiff must show as a factual predicate that there was a communication or action by the city by which he was unmistakably misled. *LaFollette v. Bd. of Adj. of Lakewood*, 741 P.2d 1262 (Colo. App. 1987).

A party cannot state a claim for relief under a theory of estoppel against a state or local government entity on the basis of an unauthorized action or promise. *Lehman v. City of Louisville*, 967 F.2d 1474 (10th Cir. 1992).

Zoning changes should be placed on map as soon as possible. As soon as reasonably possible after adoption by the board of county commissioners of changes in zoning, they should be placed upon an authorized copy of an original map or maps with the date of the action shown along with the type of change. *Wainwright v. City of Wheat Ridge*, 38 Colo. App. 485, 558 P.2d 1005 (1976).

A zoning map merely reflects the effect of exercises of the zoning power. *Wainwright v. City of Wheat Ridge*, 38 Colo. App. 485, 558 P.2d 1005 (1976).

And changes made thereon do not of themselves constitute an exercise of that power. *Wainwright v. City of Wheat Ridge*, 38 Colo. App. 485, 558 P.2d 1005 (1976).

Since there was no resolution by the board of county commissioners amending a zoning map, the inadvertent or erroneous change in the zoning map was without effect. *Wainwright v. City of Wheat Ridge*, 38 Colo. App. 485, 558 P.2d 1005 (1976).

Status of county zoning at time map incorporated governs. Inasmuch as zoning maps derive their effectiveness from the ordinance or resolution that adopts them, it is the status of the county zoning, at the time the city incorporated the map into its zoning ordinance, that governs. *Wainwright v. City of Wheat Ridge*, 38 Colo. App. 485, 558 P.2d 1005 (1976).

A zoning resolution may legally restrict the right of a landowner to extend or enlarge a nonconforming use. *Bird v. City of Colo. Springs*, 176 Colo. 32, 489 P.2d 324 (1971).

A city council, in the exercise of its police power, must afford procedural due process as it has been delineated in its zoning code. *McArthur v. Zabka*, 177 Colo. 337, 494 P.2d 89 (1972).

Zoning proceedings are informal in nature and do not require application of the rules of evidence used in judicial proceedings. The primary requirement is that the principles of fundamental fairness be observed in such proceedings. *Nat'l Heritage, Inc. v. Pritzka*, 728 P.2d 737 (Colo. App. 1986).

Regulation of signs permitted. The powers granted to a statutory city by this section and § 31-15-103 are commodious enough to enable it to promote its safety and aesthetic interests by regulating the number and type of signs permitted in different zoning districts. *City of Lakewood v. Colfax Unlimited Ass'n*, 634 P.2d 52 (Colo. 1981).

Federal highway beautification act and Colorado highway sign act have not preempted cities in regulation of signs nor do they

bind the cities by example or standard. *Art Neon Co. v. City & County of Denver*, 488 F.2d 118 (10th Cir. 1973), cert. denied, 417 U.S. 932, 94 S. Ct. 2644, 41 L. Ed.2d 236 (1974).

Requirements for sustaining denial of special exception to floodplain ordinance. Where a city council is acting in an adjudicative capacity with respect to an application for a special exception to a floodplain ordinance, the following would be required to sustain a denial of the application: If there is a lack of evidence to show that certain of the required factors existed, or if the evidence is in dispute as to one or more of these factors, and the city council determines the application should be denied, then it would have to make specific findings of fact as to what factors were or were not established. *Bauer v. City of Wheat Ridge*, 182 Colo. 324, 513 P.2d 203 (1973).

And only factors which apply to all applicants may be considered. Where city enacted a floodplain ordinance, and the ordinance establishes the criteria upon which a "special exception" will be granted, if the city council believes that other reasons should be used in denying an application for the exception, then the appropriate procedure is to amend the floodplain ordinance, for once an applicant applies under the ordinance, only those factors which apply generally to all applicants may be considered. *Bauer v. City of Wheat Ridge*, 182 Colo. 324, 513 P.2d 203 (1973).

Construction of ambiguous ordinance. The testimony of the zoning administrator, who dealt with a zoning ordinance on a day-to-day basis, is significant in construing ambiguous language in the ordinance. *Humana, Inc. v. Bd. of Adjustment*, 189 Colo. 79, 537 P.2d 741 (1975).

Meaning of "structure". A parking lot is a "structure" within the meaning of this section. *Clark v. Town of Estes Park*, 686 P.2d 777 (Colo. 1984).

Time limit for judicial review. Since the municipal zoning statutes do not specify a time limit for judicial review, the 30-day time frame in C.R.C.P. 106(b) is applicable. *Norby v. City of Boulder*, 195 Colo. 231, 577 P.2d 277 (1978).

Applied in *Wood Bros. Homes v. City of Colo. Springs*, 42 Colo. App. 15, 592 P.2d 1336 (1978).

31-23-302. Districts. For any of the purposes enumerated in section 31-23-301, the governing body may divide the municipality into districts of such number, shape, and area as may be deemed best suited to carry out the purposes of this part 3, and within such districts it may regulate and restrict the erection, construction, reconstruction, alteration, repair, or use of buildings, structures, or land. All such regulations shall be uniform for each class or kind of buildings throughout each district, but the regulations in one district may differ from those in other districts.

Source: L. 75: Entire title R&RE, p. 1156, § 1, effective July 1.

Editor's note: This section is similar to former § 31-23-202 as it existed prior to 1975.

ANNOTATION

Law reviews. For article, "The Antitrust Challenge to Local Government Protection of the Central Business District", see 55 U. Colo. L. Rev. 21 (1983).

Annotator's note. Since § 31-23-302 is similar to former § 31-23-202 prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, relevant cases construing those provisions have been included in the annotations to this section.

Establishment of zoning district boundary lines in a legislative function. Zoning necessarily requires the establishment of boundary lines between different districts and the selection of the boundary line is a legislative function with which courts should not interfere, and only where the determination of the zoning authority is so unreasonable, arbitrary, capricious, and

unjustifiable as to amount to a violation of constitutional rights are the courts permitted to interfere. *Nopro Co. v. Town of Cherry Hills Vill.*, 180 Colo. 217, 504 P.2d 344 (1972).

And having different classifications in different district does not deny equal protection. The fact that, under zoning laws, adjoining properties in other districts may be put to different and possibly more advantageous uses does not afford a basis for concluding there is a denial of equal protection of the laws. *Nopro Co. v. Town of Cherry Hills Vill.*, 180 Colo. 217, 504 P.2d 344 (1972); *City & County of Denver v. Chuck Ruwart Chevrolet, Inc.*, 32 Colo. App. 191, 508 P.2d 789 (1973).

Applied in *Wood Bros. Homes v. City of Colo. Springs*, 42 Colo. App. 15, 592 P.2d 1336 (1978).

31-23-303. Legislative declaration. (1) Such regulations shall be made in accordance with a comprehensive plan and designed to lessen congestion in the streets; to secure safety from fire, panic, floodwaters, and other dangers; to promote health and general welfare; to provide adequate light and air; to prevent the overcrowding of land; to avoid undue concentration of population; to promote energy conservation; and to facilitate the adequate provision of transportation, water, sewerage, schools, parks, and other public requirements. Such regulations shall be made with reasonable consideration, among other things, as to the character of the district and its peculiar suitability for particular uses and with a view to conserving the value of buildings and encouraging the most appropriate use of land throughout such municipality.

(2) (a) The general assembly declares that the establishment of state-licensed group homes for the exclusive use of developmentally disabled persons, which are known as community residential homes as defined in section 27-10.5-102 (4), C.R.S., is a matter of statewide concern and that a state-licensed group home for eight developmentally disabled persons is a residential use of property for zoning purposes. As used in this subsection (2), the phrase "residential use of property for zoning purposes" includes all forms of residential zoning and specifically, although not exclusively, single-family residential zoning. "Developmentally disabled" in this section means a person with a developmental disability as defined in section 27-10.5-102, C.R.S.

(b) (I) (Deleted by amendment, L. 2001, p. 104, § 2, effective March 21, 2001.)

(II) The general assembly declares that the establishment of group homes for the aged for the exclusive use of not more than eight persons sixty years of age or older per home is a matter of statewide concern. The general assembly further finds and declares that it is the policy of this state to enable and assist persons sixty years of age or older who do not need nursing facilities, and who so elect, to live in normal residential surroundings, including single-family residential units. Group homes for the aged shall be distinguished from nursing facilities, as defined in section 25.5-4-103 (14), C.R.S., and institutions providing life care, as defined in section 12-13-101 (5), C.R.S. Every municipality having adopted or which shall adopt a zoning ordinance shall provide for the location of group homes for the aged. A group home for the aged established under this paragraph (b) shall not be located within seven hundred fifty feet of another such group home, unless otherwise provided for by the municipality. Nothing in this paragraph (b) shall be construed to exempt such group homes from compliance with any state, county, or municipal health, safety, and fire codes. On April 29, 1976, every person sixty years of age or older who resides in a skilled or intermediate health care facility and who may be transferred or discharged therefrom to a group home for the aged shall not be so discharged or transferred unless he or she has received ninety days' advance written notice thereof or has agreed in writing to the proposed transfer or discharge.

(b.5) The general assembly declares that the establishment of state-licensed group homes for the exclusive use of persons with mental illness as that term is defined in section 27-65-102, C.R.S., is a matter of statewide concern and that a state-licensed group home for eight persons with mental illness is a residential use of property for zoning purposes, as defined in section 31-23-301 (4). A group home for persons with mental illness established under this paragraph (b.5) shall not be located within seven hundred fifty feet of another such group home, unless otherwise provided for by the municipality. A person shall not be placed in a group home without being screened by either a professional person, as defined in section 27-65-102 (17), C.R.S., or any other such mental health professional designated by the director of a facility, which facility is approved by the executive director of the department of human services pursuant to section 27-90-102, C.R.S. Persons determined to be not guilty by reason of insanity to a violent offense shall not be placed in such group homes, and any person who has been convicted of a felony involving a violent offense shall not be eligible for placement in such group homes. The provisions of this paragraph (b.5) shall be implemented, where appropriate, by the rules of the department of public health and environment concerning residential treatment facilities for persons with mental illness. Nothing in this paragraph (b.5) shall be construed to exempt such group homes from compliance with any state, county, or municipal health, safety, and fire codes.

(c) Nothing in this subsection (2) shall be construed to supersede the authority of municipalities and counties to regulate such homes appropriately through local zoning ordinances or resolutions, except insofar as such regulation would be tantamount to prohibition of such homes from any residential district. This section is specifically not to be construed to permit violation of the provisions of any zoning ordinance or resolution with respect to height, setbacks, area, lot coverage or external signage or to permit architectural designs substantially inconsistent with the character of the surrounding neighborhood. This section is also not to be construed to permit conducting of the ministerial activities of any private or public organization or agency or to permit types of treatment activities or the rendering of services in a manner substantially inconsistent with the activities otherwise permitted in the particular zoning district. If reasonably related to the requirements of a particular home, a local zoning or other development regulations may, without violating the provisions of this section, also attach specific location requirements to the approval of the group home, including the availability of such services and facilities as convenience stores, commercial services, transportation, and public recreation facilities.

(3) The general assembly declares that the availability and affordability of housing for residents of this state is a matter of statewide concern. It is the purpose of section 31-23-301 (5) to promote the public health, safety, and welfare by allowing residents of this state an additional opportunity to be able to live in decent, safe, and affordable housing on a permanent basis by prohibiting the exclusion of manufactured homes on single site lots from municipalities where the manufactured homes meet or exceed on an equivalent performance engineering basis the standards established by the municipal building code.

For article, "Group Home Regulations Under State and Federal Law", see 35 Colo. Law. 37 (February 2006).

Annotator's note. Since § 31-23-303 is similar to former § 31-23-203 prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, relevant cases construing those provisions have been included in the annotations to this section.

Implicit in this authorization of zoning power is a broad legislative discretion of how to achieve the declared objectives, and as long as the zoning provisions are within the authorized purposes and conform to statutory guidelines, mere disagreement with zoning classifications and district regulations will not suffice as a reason to set them aside. *Nopro Co. v. Town of Cherry Hills Vill.*, 180 Colo. 217, 504 P.2d 344 (1972).

Parking regulations are permissible under this section. *Town of Grand Lake v. Lanzi*, 937 P.2d 785 (Colo. App. 1996).

Requirements of this section are met where city council weighed elements enumerated in this section in light of facts presented at public meeting. *Coates v. City of Cripple Creek*, 865 P.2d 924 (Colo. App. 1993).

Group homes permitted in residential neighborhoods as matter of statewide concern. Group homes for developmentally disabled persons are permitted in residential neighborhoods as a matter of statewide concern. *Roundup Found., Inc. v. Bd. of Adjustment*, 626 P.2d 1154 (Colo. App. 1980).

The general assembly, by enacting this section and § 31-23-301 intended that group homes for the developmentally disabled be con-

sidered a residential use of property and that they be permitted in all residential zones, specifically including those zoned for single family dwellings. It is inconsistent with this intent for a city council to base its denial of a special use permit on the adverse effects of the group home on the single family characteristics of the neighborhood or on the peace and quiet of the neighborhood, in addition to the attitude of general hostility in the neighborhood towards this proposed facility. *Adams County Ass'n for Retarded Citizens, Inc. v. City of Westminster*, 196 Colo. 79, 580 P.2d 1246 (1978).

Adoption of section permitting developmentally disabled persons to live in group homes reflects legislative intent to assist such persons to live in normal residential surroundings. *Double D Manor v. Evergreen Meadows*, 773 P.2d 1046 (Colo. 1989).

Reasonable means must be used to terminate nonconforming uses. Comprehensive zoning contemplates the existence of nonconforming uses and, to ultimately and effectively accomplish the end sought to be accomplished, it is inherent that reasonable means must be afforded to terminate nonconforming uses. *Serv. Oil Co. v. Rhodus*, 179 Colo. 335, 500 P.2d 807 (1972).

Reduction of nonconforming uses to conformity is favored. *LaFollette v. Bd. of Adj. of Lakewood*, 741 P.2d 1262 (Colo. App. 1987).

Specific authority necessary for city agency to expand nonconforming use. A nonconforming use cannot be expanded by the issuance of a license or permit or by an order from any city agency unless the agency is given specific authority to countermand or override the terms of the zoning ordinance by the charter or within the provisions of the zoning ordinance. *City of Greeley v. Ells*, 186 Colo. 352, 527 P.2d 538 (1974).

Applied in Wood Bros. Homes v. City of Colo. Springs, 42 Colo. App. 15, 592 P.2d 1336 (1978); *Glennon Heights, Inc. v. Central Bank & Trust*, 658 P.2d 872 (Colo. 1983).

31-23-304. Method of procedure. The governing body of such municipality shall provide for the manner in which such regulations and restrictions and the boundaries of such districts are determined, established, enforced, and, from time to time, amended, supplemented, or changed. However, no such regulation, restriction, or boundary shall become effective until after a public hearing thereon at which parties in interest and citizens shall have an opportunity to be heard. At least fifteen days' notice of the time and place of such hearing shall be published in an official paper or a paper of general circulation in such municipality.

Source: L. 75: Entire title R&RE, p. 1156, § 1, effective July 1.

Editor's note: This section is similar to former § 31-23-204 as it existed prior to 1975.

ANNOTATION

Quasi-judicial function subject to certiorari review. Enactment of a rezoning ordinance by the legislative body of a city, governed by both state zoning statutes as well as the municipal code, pursuant to statutory criteria, after notice and a public hearing, constitutes a quasi-judicial function subject to certiorari review. *Snyder v. City of Lakewood*, 189 Colo. 421, 542 P.2d 371 (1975).

This section expressly applies only to amendments made by municipalities of their own ordinances, and not to enactments of the

general assembly. *Glennon Heights, Inc. v. Central Bank & Trust*, 658 P.2d 872 (Colo. 1983).

Statutory city may not provide for automatic rezoning when plat not approved. While a statutory city may provide that property being rezoned may not be used until the plat of the rezoned property is approved, it may not provide for automatic rezoning to the prior classification if the plat is not approved. *Spiker v. City of Lakewood*, 198 Colo. 528, 603 P.2d 130 (1979).

31-23-305. Changes. Such regulations, restrictions, and boundaries may from time to time be amended, supplemented, changed, modified, or repealed. In case, however, of a protest against changes in regulations or restrictions, or changes in the zone district applicable to particular land, which protest is filed with the municipal clerk at least twenty-four hours prior to the governing body's vote on the change and is signed by the owners of twenty percent or more of the area of land which is subject to the proposed change or twenty percent or more of the area of land extending a radius of one hundred feet from the land which is subject to the proposed change, disregarding intervening public streets and alleys, such changes shall not become effective except by the favorable vote of two-thirds of all the members of the governing body of the municipality. The provisions of section 31-23-304 relative to public hearings and official notice shall apply equally to all changes or amendments.

Source: L. 75: Entire title R&RE, p. 1156, § 1, effective July 1. L. 81: Entire section amended, p. 1513, § 4, effective June 4.

Editor's note: This section is similar to former § 31-23-205 as it existed prior to 1975.

ANNOTATION

Annotator's note. Since § 31-23-305 is similar to former § 31-23-205 prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, relevant cases construing those provisions have been included in the annotations to this section.

Due process provisions of notice and hearing are proper and must be followed when amending the zoning map by council action. *City of Fort Collins v. Dooney*, 178 Colo. 25, 496 P.2d 316 (1972).

Due process may be satisfied by referendum. That due process requirements may be met in one manner when the change is by council action does not preclude other procedures from meeting due process requirements under a referendum. *City of Fort Collins v. Dooney*, 178 Colo. 25, 496 P.2d 316 (1972).

Prime considerations in denying application. The maintenance of stability in zoning and resulting conservation of property values based upon existing zoning regulations are prime considerations in denying applications for zoning changes. *Nopro Co. v. Town of Cherry Hills Vill.*, 180 Colo. 217, 504 P.2d 344 (1972).

Quasi-judicial function subject to certiorari review. Enactment of a rezoning ordinance by the legislative body of a city, governed by both state zoning statutes as well as the municipal code, pursuant to statutory criteria, after notice and a public hearing, constitutes a quasi-judicial function subject to certiorari review. *Snyder v. City of Lakewood*, 189 Colo. 421, 542 P.2d 371 (1975).

The real issues involved in a rezoning case focus on the reasonableness of a city council's application of the statutory criteria to the evidence presented. *Snyder v. City of Lakewood*, 189 Colo. 421, 542 P.2d 371 (1975).

Review for abuse of discretion and exceeding jurisdictional bounds. The determination of whether a council reasonably applied statutory criteria in exercising its statutory power to rezone involves a consideration of whether the council abused its discretion or exceeded the bounds of its jurisdiction and is properly resolved in a certiorari proceeding under rule 106(a)(4), C.R.C.P. *Snyder v. City of Lakewood*, 189 Colo. 421, 542 P.2d 371 (1975).

Statutory requirements do not apply to home-rule cities. The provisions of this statute which require a three-fourths majority vote of the council to pass a zoning request over a legal protest does not apply to home-rule cities. *City of Fort Collins v. Dooney*, 178 Colo. 25, 496 P.2d 316 (1972).

This section expressly applies only to amendments made by municipalities of their own ordinances, and not to enactments of the general assembly. *Glennon Heights, Inc. v. Central Bank & Trust*, 658 P.2d 872 (Colo. 1983).

31-23-306. Zoning commission. In order to avail itself of the powers conferred by this part 3, the governing body shall appoint a commission, known as the zoning commission, to recommend the boundaries of the various original districts and appropriate regulations to be enforced therein. Such commission shall make a preliminary report and hold public hearings thereon before submitting its final report. The governing body shall not hold its public hearings or take action until it has received the final report of such commission. Where a municipal planning commission already exists, it shall be appointed as the zoning commission.

Editor's note: This section is similar to former § 31-23-206 as it existed prior to 1975.

ANNOTATION

Law reviews. For article, "Winning the Rezoning", see 11 Colo. Law. 634 (1982).

31-23-307. Board of adjustment. (1) The governing body shall provide for the appointment of a board of adjustment consisting of five members, each to be appointed for three years, unless the governing body by ordinance establishes a different number of members or term of office. The governing body may provide by ordinance for filling vacancies on the board, for designation of alternate members, and for removal of members for inefficiency, neglect of duty, or malfeasance in office. The board of adjustment shall hear and decide appeals from and review any order, requirement, decision, or determination made by any administrative official charged with the enforcement of any ordinance adopted pursuant to this part 3. It shall also hear and decide all matters referred to it or upon which it is required to pass under such ordinance. Unless otherwise provided by ordinance, the concurring vote of four members of the board shall be necessary to reverse any order, requirement, decision, or determination of any such administrative official, or to decide in favor of the applicant any matter upon which it is required to pass under any such ordinance, or to effect any variation in such ordinance. Every decision of such board shall be subject, however, to review by certiorari by the district court of the county within which the municipality or any part thereof is located. Such appeal shall be filed not later than thirty days from the final action taken by the board of adjustment. Such appeal may be taken by any person aggrieved or by an officer, department, board, or bureau of the municipality.

(2) An appeal to the board of adjustment shall be taken within such time as prescribed by the board of adjustment by general rule by filing with the officer from whom the appeal is taken with the board of adjustment a notice of appeal, specifying the grounds thereof. The officer from whom the appeal is taken shall at once transmit to the board of adjustment all the papers constituting the record upon which the action appealed from was taken.

(3) An appeal stays all proceedings in furtherance of the action appealed from unless the officer from whom the appeal is taken certifies to the board of adjustment after the notice of appeal has been filed with him that by reason of facts stated in the certificate a stay would, in his opinion, cause imminent peril to life or property, in which case proceedings shall not be stayed otherwise than by a restraining order which may be granted by the board of adjustment or by the district court on application, on notice to the officer from whom the appeal is taken, and on due cause shown.

(4) The board of adjustment shall fix a reasonable time for the hearing of the appeal, give due notice thereof to the parties, and decide the same within a reasonable time. Upon

hearing, any party may appear in person or by agent or attorney. The board of adjustment may reverse or affirm, wholly or partly, or may modify the order, requirement, decision, or determination appealed from and shall make such order, requirement, decision, or determination as in its opinion ought to be made in the premises and to that end has all the powers of the officer from whom the appeal is taken. Where there are practical difficulties or unnecessary hardships in the way of carrying out the strict letter of such ordinance, the board of adjustment has the power, in passing upon appeals, to vary or modify the application of the regulations or provisions of such ordinance relating to the use, construction, or alteration of buildings or structures, or the use of land, so that the spirit of the ordinance is observed, public safety and welfare secured, and substantial justice done. The governing body by ordinance may eliminate the board of adjustment's authority to grant use variances or use modifications, or may transfer that authority to some other board, agency, or commission, or to the governing body of the municipality. Where feasible, the board of adjustment may vary or modify the application of the regulations for the purpose of considering access to sunlight for solar energy devices.

(5) The governing body of a municipality that has entered into an intergovernmental agreement with the county or counties within which it is located for the purposes of joint participation in land use planning, subdivision procedures, and zoning pursuant to the authority granted in section 31-23-227 (2) may, by ordinance, enter into an intergovernmental agreement with the county or counties within which it is located for the purpose of joint participation in the establishment of a joint zoning board of adjustment for a specific area designated in the intergovernmental agreement.

Editor's note: This section is similar to former § 31-23-207 as it existed prior to 1975.

ANNOTATION

Law reviews. For note, "Zoning Variances — The Colorado Position", see 34 Rocky Mt. L. Rev. 382 (1962). For article, "Boards of Adjustment in the 1990s", see 20 Colo. Law. 487 (1991).

A board of adjustment has broad discretion in issuing an order pertaining to an appeal from an order, requirement, decision, or determination made by an administrative official charged with the enforcement of a zoning ordi-

nance. *Bd. of County Comm'rs of La Plata County v. Moga*, 947 P.2d 1385 (Colo. 1997).

Authority to rehear variance application. A zoning board of adjustment has authority to rehear an application for variance based upon the allegation that it has granted a variance which it is not empowered to grant under a city code. *Moschetti v. Bd. of Zoning Adjustment*, 40 Colo. App. 156, 574 P.2d 874 (1977).

31-23-308. Remedies. In case any building or structure is erected, constructed, reconstructed, altered, repaired, converted, or maintained or any building, structure, or land is used in violation of this part 3 or of any ordinance or other regulation made under authority conferred by this part 3, the proper local authorities of the municipality, in addition to other remedies, may institute any appropriate action or proceedings to prevent such unlawful erection, construction, reconstruction, alteration, repair, conversion, maintenance, or use to restrain, correct, or abate such violation, to prevent the occupancy of said building, structure, or land, or to prevent any illegal act, conduct, business, or use in or about such premises.

Source: **L. 75:** Entire title R&RE, p. 1157, § 1, effective July 1.

Editor's note: This section is similar to former § 31-23-208 as it existed prior to 1975.

ANNOTATION

Annotator's note. Since § 31-23-308 is similar to former § 31-23-208 prior to the 1975 repeal and reenactment of this title, and laws antecedent thereto, relevant cases construing a prior provision has been included in the annotations to this section.

Injunctive relief appropriate. Where city established that property was being used in violation of a zoning ordinance, and that lessee of property failed to present evidence constituting a defense, injunctive relief was appropriate. City

& County of Denver v. Chuck Ruwart Chevrolet, Inc., 32 Colo. App. 191, 508 P.2d 789 (1973).

Uses not in compliance with zoning may be enjoined. City of Englewood v. Kingsley, 178 Colo. 338, 497 P.2d 1004 (1972).

But even when permitted by zoning regulations, uses may be enjoined if they constitute a nuisance. City of Englewood v. Kingsley, 178 Colo. 338, 497 P.2d 1004 (1972).

31-23-309. Conflict with other laws. When the regulations made under authority of this part 3 require a greater width or size of yards or courts, or require a lower height of building or a less number of stories, or require a greater percentage of lot to be left unoccupied, or impose higher standards than are required in any other statute or local ordinance or regulation, the provisions of the regulations made under authority of this part 3 shall govern. Wherever the provisions of any other statute, local ordinance, or regulation require a greater width or size of yards or courts, or require a lower height of building or a less number of stories, or require a greater percentage of lot to be left unoccupied, or impose higher standards than are required by the regulations made under authority of this part 3, the provisions of such statute or local ordinance or regulation shall govern.

Editor's note: This section is similar to former § 31-23-211 as it existed prior to 1975.

31-23-312. Safety glazing materials. The governing body of each municipality in this state shall adopt standards governing the use of safety glazing materials for hazardous locations within its jurisdiction. No building permit shall be issued for the construction, reconstruction, or alteration of any structure in such municipality unless such construction, reconstruction, or alteration conforms to the standards adopted pursuant to this section. The

building inspection authority in such municipality shall inspect all places to determine whether such places are in compliance with the standards for the use of safety glazing materials.

- 31-25-206. Park commissioners - vacancies.
- 31-25-207. Members serve without compensation - no interest in contracts.
- 31-25-208. Meetings - quorum.
- 31-25-209. Secretary - salary - duties.
- 31-25-210. Office of commission - supplies.
- 31-25-211. Superintendent of parks - assistants - salaries.
- 31-25-212. Expenditures for park purposes.
- 31-25-213. Fiscal year - annual report.
- 31-25-214. Park fund - certified vouchers.
- 31-25-215. Maximum tax levy - moneys credited.
- 31-25-216. Cities control park grounds outside limits.
- 31-25-217. Management - licenses - franchises.
- 31-25-218. Conservation trust fund authorized.

PART 3

PARKS - TOWNS

- 31-25-301. Town may establish parks - recreation facilities - conservation easements.
- 31-25-302. Questions submitted to registered electors.
- 31-25-303. Town may improve parks.
- 31-25-304. Conservation trust fund authorized.

PART 4

PUBLIC MALL ACT OF 1970

- 31-25-401. Short title.
- 31-25-402. Legislative declaration - powers.
- 31-25-403. Definitions.
- 31-25-404. Resolution of intention.
- 31-25-405. Notice and hearing.
- 31-25-406. Claims for damages or compensation.
- 31-25-407. Establishment of the mall.
- 31-25-408. Improvement of the pedestrian mall.
- 31-25-409. Special ad valorem assessments.

PART 5

SPECIAL IMPROVEMENT DISTRICTS IN MUNICIPALITIES

- 31-25-500.2. Legislative declaration - energy efficiency and renewable energy production projects.
- 31-25-501. Definitions.
- 31-25-502. Powers to make local improvements.
- 31-25-503. What improvements may be made - conditions.
- 31-25-504. Municipality may establish sewer systems.
- 31-25-505. District sanitary sewers - contracts - contiguous towns.
- 31-25-506. Private sewers - connection.
- 31-25-507. Determination of special benefits - factors considered.
- 31-25-508. Storm drainage sewers - districts.
- 31-25-509. Subdistricts in sewer districts.
- 31-25-510. Improvements may be constructed under other laws.
- 31-25-511. Property of irregular form - assessment.
- 31-25-512. Cost assessed in proportion to area.
- 31-25-513. Cost assessed in accordance with benefits.
- 31-25-514. Streets - railway companies subject to tax.
- 31-25-515. Utility connections may be ordered before paving - costs - default.
- 31-25-516. Contracts for construction - bond - default.
- 31-25-517. Sidewalks - water mains - sewers.
- 31-25-518. Provisions to be inserted.
- 31-25-519. Statement of expenses - apportionment.
- 31-25-520. Notice of hearing on assessments.
- 31-25-521. Hearing on objections.
- 31-25-522. Assessment of lien - filing with county clerk and recorder - corrections.
- 31-25-523. Assessment roll.
- 31-25-524. Payment - assessment roll returned.
- 31-25-525. Owner of interest may pay share.
- 31-25-526. Collection of assessment payments - by municipal treasurer - by county treasurer.
- 31-25-527. When assessments payable - installments.
- 31-25-528. How installments paid - interest.
- 31-25-529. Effect of payment in installments.

- 31-25-530. Penalty for default - payment of balance.
- 31-25-531. Sale of property for nonpayment.
- 31-25-532. Municipality may purchase property on default.
- 31-25-533. Power of governing body to contract debt - question submitted to registered electors.
- 31-25-534. Issuing bonds - property specially benefited.
- 31-25-534.5. Issuing refunding bonds.
- 31-25-535. Bonds negotiable - interest.
- 31-25-536. Manner of redemption. (Repealed)
- 31-25-537. When mandamus will issue.
- 31-25-538. No action maintainable - exception - grounds - limitations.
- 31-25-539. Effect of court order.
- 31-25-540. Figures instead of words - when general description used.
- 31-25-541. Interim warrants.
- 31-25-542. County treasurer - policies and procedures.

PART 6

IMPROVEMENT DISTRICTS
IN MUNICIPALITIES (1949 ACT)

- 31-25-601. Legislative declaration.
- 31-25-602. Definitions.
- 31-25-603. Authority of governing body.
- 31-25-604. Organization petition - contents.
- 31-25-605. Bond of petitioners.
- 31-25-606. Notice of hearing.
- 31-25-607. Hearing - dismissal - findings - declaration - when action barred.
- 31-25-608. Recording of ordinance.
- 31-25-609. Governing body constitutes board - duties.
- 31-25-610. Meetings.
- 31-25-611. General powers of district.
- 31-25-611.5. Special improvement districts - authority to establish.
- 31-25-612. Power to levy taxes.
- 31-25-613. Determining and fixing rate of levy.
- 31-25-614. Levies to cover deficiencies.
- 31-25-615. County officers to levy and collect taxes - lien.
- 31-25-616. Property sold for taxes.
- 31-25-617. Reserve fund.
- 31-25-618. Inclusion or exclusion - petition - notice - hearing - order.
- 31-25-619. Liability of property.
- 31-25-620. Board can issue bonds - form.
- 31-25-621. Submission of debt question - ordinance. (Repealed)

- 31-25-622. Notice of election. (Repealed)
- 31-25-623. Conduct of election - canvass. (Repealed)
- 31-25-624. Effect - subsequent elections. (Repealed)
- 31-25-625. Procedure.
- 31-25-626. Correction of faulty notices.
- 31-25-627. Early hearings.
- 31-25-628. Construction.
- 31-25-629. Municipal jurisdiction unimpaired.
- 31-25-630. Method not exclusive.
- 31-25-631. Confirmation of board actions and powers.
- 31-25-632. Exemption from taxation - securities laws.
- 31-25-633. Limitation of actions.

PART 7

CEMETERIES

- 31-25-701. Definitions.
- 31-25-702. Power to establish cemeteries.
- 31-25-703. Foreclosure proceedings.
- 31-25-704. Hearing and decree.
- 31-25-705. Fees and costs.
- 31-25-706. Used burial space proviso.
- 31-25-707. Joint proceedings.
- 31-25-708. Abandoned burial sites - right to reclaim.

PART 8

DOWNTOWN DEVELOPMENT
AUTHORITIES

- 31-25-801. Legislative declaration.
- 31-25-802. Definitions.
- 31-25-803. Powers of governing body.
- 31-25-804. Organizational procedure - election.
- 31-25-805. Board - membership - term of office.
- 31-25-806. Board membership - qualifications - nominations - rules - removal.
- 31-25-807. Powers - duties.
- 31-25-808. Additional and supplemental powers.
- 31-25-809. Authorization of bonds.
- 31-25-810. Bond provisions.
- 31-25-811. Refunding bonds.
- 31-25-812. Tax exemption.
- 31-25-813. No municipal liability on bonds.
- 31-25-813.5. Limitation of actions.
- 31-25-814. Remedies of bondholders.
- 31-25-815. Employees - duties - compensation.
- 31-25-816. Funding - budget.
- 31-25-817. Ad valorem tax.
- 31-25-818. Assessments.
- 31-25-819. Conflict of interest.

- 31-25-820. Construction.
- 31-25-821. Property subject to debt.
- 31-25-822. Inclusion of additional property.

PART 9

ESTABLISHMENT OF PUBLIC AUTHORITIES BY MUNICIPALITIES - ENERGY RESOURCES

- 31-25-901. Legislative declaration.
- 31-25-902. Duties of authority - development and financing of unconventional gas supplies.
- 31-25-903. Formation of authority by municipality.
- 31-25-904. Board - membership - term of office.
- 31-25-905. Board membership - qualifications - nominations - rules - removal.
- 31-25-906. Powers - duties of board.
- 31-25-907. Powers of authority to effect purposes specified.
- 31-25-908. Provisions relating to revenue bonds.
- 31-25-909. Contracts with federal government.
- 31-25-910. Colorado energy research institute - report. (Repealed)

PART 10

FUNDING DEFICIENCIES

- 31-25-1001 to
- 31-25-1004. (Repealed)

PART 11

FORECLOSURE PROCEEDINGS

- 31-25-1101. Legislative declaration.
- 31-25-1102. Definitions.
- 31-25-1103. Property in default.
- 31-25-1104. Action in rem - lien against property.
- 31-25-1105. Form of notice of hearing to authorize sale.
- 31-25-1106. Publication of notice - copy mailed.
- 31-25-1107. Objections.
- 31-25-1108. Procedure in court.
- 31-25-1109. Court to direct sale of property.
- 31-25-1110. Notice of sale.
- 31-25-1111. Liens may be paid prior to sale.
- 31-25-1112. Sale - certificate of purchase - filing.
- 31-25-1113. Bonds applied to purchase price.
- 31-25-1114. Treasurer may reject bids.

- 31-25-1115. Property redeemable within three years - certificate.
- 31-25-1116. Treasurer may issue deed - form.
- 31-25-1117. Effect of deed.
- 31-25-1118. Procedure not mandatory.
- 31-25-1119. Fifteen-year limitation.

PART 12

BUSINESS IMPROVEMENT DISTRICTS

- 31-25-1201. Short title.
- 31-25-1202. Legislative declaration.
- 31-25-1203. Definitions.
- 31-25-1204. Authority of governing body.
- 31-25-1205. Organizational procedure.
- 31-25-1206. Notice of hearing.
- 31-25-1207. Hearing - findings - when action barred.
- 31-25-1208. Boundaries - exclusion proviso.
- 31-25-1209. Board of directors - duties.
- 31-25-1210. Meetings.
- 31-25-1211. Approval of actions by municipality.
- 31-25-1212. General powers of district.
- 31-25-1212.5. Improvements - railroad quiet zones.
- 31-25-1213. Power to levy taxes.
- 31-25-1214. Determining and fixing rate of levy.
- 31-25-1215. Levies to cover deficiencies.
- 31-25-1216. County officers to levy and collect taxes - lien.
- 31-25-1217. Property sold for taxes.
- 31-25-1218. Reserve fund.
- 31-25-1219. Special assessments.
- 31-25-1220. Inclusion or exclusion - petition - notice - hearing.
- 31-25-1221. Board can issue bonds - form.
- 31-25-1222. Submission of debt question.
- 31-25-1223. Effect - subsequent elections.
- 31-25-1224. Confirmation of contract proceedings.
- 31-25-1225. Dissolution procedure.
- 31-25-1226. Correction of faulty notices.
- 31-25-1227. Department of transportation and municipal jurisdiction unimpaired.
- 31-25-1228. Method not exclusive.

PART 13

PUBLIC IMPROVEMENT - MUNICIPAL
CONTRACTS

- 31-25-1301. Short title.
- 31-25-1302. Legislative declaration.
- 31-25-1303. Definitions.
- 31-25-1304. Integrated project delivery contracts - authorization - effect of other laws.

31-25-1305.	Integrated project delivery contracting process - prequalification of participating entities - apprentice training.	31-25-1306.	Requests for proposals - evaluation and award of integrated project delivery contracts.
		31-25-1307.	Supplemental provisions.

PART 1

URBAN RENEWAL

Cross references: For slum clearance and municipal housing authorities, see part 7 of article 32, article 55, and article 56 of title 24 and article 4 of title 29.

Law reviews: For article, "A Brief Overview of Recent Changes in Colorado's Urban Renewal Law", see 33 Colo. Law. 99 (September 2004).

31-25-101. Short title. This part 1 shall be known and may be cited as the "Urban Renewal Law".

Source: L. 75: Entire title R&RE, p. 1158, § 1, effective July 1.

Editor's note: This section is similar to former § 31-25-101 as it existed prior to 1975.

ANNOTATION

Law reviews. For article, "Constitutional Law: The Validity of Urban Renewal in Colorado", see 39 Dicta 149 (1962). For article, "Legal Classification of Special District Corporate Forms in Colorado", see 45 Den. L.J. 347 (1968). For article, "Governmental Issues Related to Real Estate Development", see 11 Colo. Law. 2527 (1982).

This part is general law uniform in its operation and applies to all similarly situated, and therefore is not local or special legislation. Denver Urban Renewal Auth. v. Byrne, 618 P.2d 1374 (Colo. 1980).

Urban renewal is valid exercise of state's police power. James v. Bd. of Comm'rs, 42

Colo. App. 27, 595 P.2d 262 (1978), aff'd, 200 Colo. 28, 611 P.2d 976 (1980).

Urban blight is matter of both statewide and local concern. Denver Urban Renewal Auth. v. Byrne, 618 P.2d 1374 (Colo. 1980).

And both general assembly and local government can act to alleviate problem or urban blight provided the state and the local law do not conflict. Denver Urban Renewal Auth. v. Byrne, 618 P.2d 1374 (Colo. 1980).

Applied in Vigoda v. Denver Urban Renewal Auth., 646 P.2d 900 (Colo. 1982).

31-25-102. Legislative declaration. (1) The general assembly finds and declares that there exist in municipalities of this state slum and blighted areas which constitute a serious and growing menace, injurious to the public health, safety, morals, and welfare of the residents of the state in general and of the municipalities thereof; that the existence of such areas contributes substantially to the spread of disease and crime, constitutes an economic and social liability, substantially impairs or arrests the sound growth of municipalities, retards the provision of housing accommodations, aggravates traffic problems and impairs or arrests the elimination of traffic hazards and the improvement of traffic facilities; and that the prevention and elimination of slums and blight is a matter of public policy and statewide concern in order that the state and its municipalities shall not continue to be endangered by areas which are focal centers of disease, promote juvenile delinquency, and consume an excessive proportion of its revenues because of the extra services required for police, fire, accident, hospitalization, and other forms of public protection, services, and facilities.

(2) The general assembly further finds and declares that certain slum or blighted areas, or portions thereof, may require acquisition, clearance, and disposition subject to use restrictions, as provided in this part 1, since the prevailing conditions therein may make impracticable the reclamation of the area by conservation or rehabilitation; that other slum or blighted areas, or portions thereof, through the means provided in this part 1, may be susceptible of conservation or rehabilitation in such a manner that the conditions and evils

enumerated in this section may be eliminated, remedied, or prevented; and that salvable slum and blighted areas can be conserved and rehabilitated through appropriate public action, as authorized or contemplated in this part 1, and the cooperation and voluntary action of the owners and tenants of property in such areas.

(3) The general assembly further finds and declares that the powers conferred by this part 1 are for public uses and purposes for which public money may be expended and the police power exercised and that the necessity in the public interest for the provisions enacted in this part 1 is declared as a matter of legislative determination.

(4) The general assembly further finds and declares that:

(a) Urban renewal areas created for the purposes described in subsections (1) and (2) of this section shall not include agricultural land except in connection with the limited circumstances described in this part 1; and

(b) The inclusion of agricultural land within urban renewal areas is a matter of statewide concern.

Source: **L. 75:** Entire title R&RE, p. 1158, § 1, effective July 1. **L. 2010:** (4) added, (HB 10-1107), ch. 89, p. 298, § 1, effective June 1.

Editor's note: This section is similar to former § 31-25-102 as it existed prior to 1975.

ANNOTATION

Law reviews. For article, "Current Trends in Business Real Estate Transactions", see 35 U. Colo. L. Rev. 131 (1962). For comment on *Rabinoff v. District Court* (145 Colo. 225, 360 P.2d 114 (1961)), see 35 U. Colo. L. Rev. 269 (1963). For article, "Governmental Issues Related to Real Estate Development", see 11 Colo. Law. 2527 (1982).

For there to be an unconstitutional "taking" under the U.S. constitution, it must be shown that no public purpose exists for the proposed urban renewal project. *Oberndorf v. City & County of Denver*, 696 F. Supp. 552 (D. Colo. 1988), *aff'd*, 900 F.2d 1434 (10th Cir. 1990), *cert. denied*, 498 U.S. 845, 111 S. Ct. 129, 112 L. Ed.2d 97 (1990).

Public purpose. The acquisition of properties and the elimination of their slum or blighted character constitutes a public purpose; that what is involved is an urban reclamation project; and the fact that when the redevelopment is achieved the properties are sold to private individuals for the purpose of development does not rob the taking of its public purpose. *Rabinoff v. District Court*, 145 Colo. 225, 360 P.2d 114 (1961).

Private ownership does not defeat public purpose. Although the general assembly's method is to be accomplished not by public ownership of the land but rather through private endeavor and ownership under the direction of authorized officials. The acquisition and transfer to private parties is a mere incident of the chief purpose of the act which is rehabilitation of the area. The fact that the property would not continue to be owned by the city does not mean that the use was not a public one. *Rabinoff v. District Court*, 145 Colo. 225, 360 P.2d 114 (1961).

The power of eminent domain may be exercised. The sale or leasing of property for redevelopment with restrictions to prevent blight are for public uses and purposes for which the power of eminent domain may properly be exercised. *Rabinoff v. District Court*, 145 Colo. 225, 360 P.2d 114 (1961).

Urban renewal is a substantial state interest that can justify taking property dedicated to religious uses. *Pillar of Fire v. Denver Urban Renewal Auth.*, 181 Colo. 411, 509 P.2d 1250 (1973).

Applied in *People v. Bailey*, 41 Colo. App. 504, 595 P.2d 252 (1978).

31-25-103. Definitions. As used in this part 1, unless the context otherwise requires:

(1) "Agricultural land" means any one parcel of land or any two or more contiguous parcels of land that, regardless of the uses for which the land has been zoned, has been classified by the county assessor as agricultural land for purposes of the levying and collection of property tax pursuant to sections 39-1-102 (1.6) (a) and 39-1-103 (5) (a), C.R.S., at any time during the five-year period prior to the date of adoption of an urban renewal plan or any modification of such a plan.

(2) "Blighted area" means an area that, in its present condition and use and, by reason of the presence of at least four of the following factors, substantially impairs or arrests the sound growth of the municipality, retards the provision of housing accommodations, or

constitutes an economic or social liability, and is a menace to the public health, safety, morals, or welfare:

- (a) Slum, deteriorated, or deteriorating structures;
- (b) Predominance of defective or inadequate street layout;
- (c) Faulty lot layout in relation to size, adequacy, accessibility, or usefulness;
- (d) Unsanitary or unsafe conditions;
- (e) Deterioration of site or other improvements;
- (f) Unusual topography or inadequate public improvements or utilities;
- (g) Defective or unusual conditions of title rendering the title nonmarketable;
- (h) The existence of conditions that endanger life or property by fire or other causes;
- (i) Buildings that are unsafe or unhealthy for persons to live or work in because of building code violations, dilapidation, deterioration, defective design, physical construction, or faulty or inadequate facilities;
- (j) Environmental contamination of buildings or property;
- (k) (Deleted by amendment, L. 2004, p. 1745, § 3, effective June 4, 2004.)
- (k.5) The existence of health, safety, or welfare factors requiring high levels of municipal services or substantial physical underutilization or vacancy of sites, buildings, or other improvements; or

(l) If there is no objection by the property owner or owners and the tenant or tenants of such owner or owners, if any, to the inclusion of such property in an urban renewal area, “blighted area” also means an area that, in its present condition and use and, by reason of the presence of any one of the factors specified in paragraphs (a) to (k.5) of this subsection (2), substantially impairs or arrests the sound growth of the municipality, retards the provision of housing accommodations, or constitutes an economic or social liability, and is a menace to the public health, safety, morals, or welfare. For purposes of this paragraph (l), the fact that an owner of an interest in such property does not object to the inclusion of such property in the urban renewal area does not mean that the owner has waived any rights of such owner in connection with laws governing condemnation.

(3) “Bonds” means any bonds (including refunding bonds), notes, interim certificates or receipts, temporary bonds, certificates of indebtedness, debentures, or other obligations.

(3.1) “Brownfield site” means real property, the development, expansion, redevelopment, or reuse of which will be complicated by the presence of a substantial amount of one or more hazardous substances, pollutants, or contaminants, as designated by the United States environmental protection agency.

(3.3) “Business concern” has the same meaning as “business” as set forth in section 24-56-102 (1), C.R.S.

(3.5) “Displaced person” has the same meaning as set forth in section 24-56-102 (2), C.R.S., and for purposes of this part 1 shall also include any individual, family, or business concern displaced by the acquisition by eminent domain of real property by an authority.

(3.7) “Governing body” means the governing body of the municipality within which an authority has been established in accordance with the requirements of this part 1.

(4) “Obligee” means any bondholder, agent, or trustee for any bondholder, or any lessor demising to an authority property used in connection with an urban renewal project of the authority, or any assignee of such lessor’s interest or any part thereof, and the federal government when it is a party to any contract or agreement with the authority.

(5) “Public body” means the state of Colorado or any municipality, quasi-municipal corporation, board, commission, authority, or other political subdivision or public corporate body of the state.

(6) “Real property” means lands, lands under water, structures, and any and all easements, franchises, incorporeal hereditaments, and every estate and right therein, legal and equitable, including terms for years and liens by way of judgment, mortgage, or otherwise.

(7) “Slum area” means an area in which there is a predominance of buildings or improvements, whether residential or nonresidential, and which, by reason of dilapidation, deterioration, age or obsolescence, inadequate provision for ventilation, light, air, sanitation, or open spaces, high density of population and overcrowding, or the existence of conditions which endanger life or property by fire or other causes, or any combination of such factors,

is conducive to ill health, transmission of disease, infant mortality, juvenile delinquency, or crime and is detrimental to the public health, safety, morals, or welfare.

(7.5) “Urban-level development” means an area in which there is a predominance of either permanent structures or above-ground or at-grade infrastructure.

(8) “Urban renewal area” means a slum area, or a blighted area, or a combination thereof which the local governing body designates as appropriate for an urban renewal project.

(8.5) “Urban renewal authority” or “authority” means a corporate body organized pursuant to the provisions of this part 1 for the purposes, with the powers, and subject to the restrictions set forth in this part 1.

(9) “Urban renewal plan” means a plan, as it exists from time to time, for an urban renewal project, which plan conforms to a general or master plan for the physical development of the municipality as a whole and which is sufficiently complete to indicate such land acquisition, demolition and removal of structures, redevelopment, improvements, and rehabilitation as may be proposed to be carried out in the urban renewal area, zoning and planning changes, if any, land uses, maximum densities, building requirements, and the plan’s relationship to definite local objectives respecting appropriate land uses, improved traffic, public transportation, public utilities, recreational and community facilities, and other public improvements.

(10) “Urban renewal project” means undertakings and activities for the elimination and for the prevention of the development or spread of slums and blight and may involve slum clearance and redevelopment, or rehabilitation, or conservation, or any combination or part thereof, in accordance with an urban renewal plan. Such undertakings and activities may include:

- (a) Acquisition of a slum area or a blighted area or portion thereof;
- (b) Demolition and removal of buildings and improvements;
- (c) Installation, construction, or reconstruction of streets, utilities, parks, playgrounds, and other improvements necessary for carrying out the objectives of this part 1 in accordance with the urban renewal plan;
- (d) Disposition of any property acquired or held by the authority as a part of its undertaking of the urban renewal project for the urban renewal areas (including sale, initial leasing, or temporary retention by the authority itself) at the fair value of such property for uses in accordance with the urban renewal plan;
- (e) Carrying out plans for a program through voluntary action and the regulatory process for the repair, alteration, and rehabilitation of buildings or other improvements in accordance with the urban renewal plan; and
- (f) Acquisition of any other property where necessary to eliminate unhealthful, unsanitary, or unsafe conditions, lessen density, eliminate obsolete or other uses detrimental to the public welfare, or otherwise remove or prevent the spread of blight or deterioration or to provide land for needed public facilities.

ANNOTATION

Law reviews. For comment on *Rabinoff v. District Court*, appearing below, see 35 U. Colo. L. Rev. 269 (1963).

Basis for finding area blighted. The fact that there were not widespread violations of building and health ordinances does not of itself establish

arbitrariness on the part of the responsible authorities in the finding that the area was slum and blighted. *Rabinoff v. District Court*, 145 Colo. 225, 360 P.2d 114 (1961).

One well-kept building does not in itself defeat the determination of a blighted area. If

the building owned by plaintiff, be, as claimed, a magnificent victorian type edifice such would not in itself defeat the determination that the area, taken as a whole, is a slum and blighted area. *Interstate Trust Bldg. Co. v. Denver Urban Renewal Auth.*, 172 Colo. 427, 473 P.2d 978 (1970).

“Blighted area” construed. The definition of “blighted area” contained in subsection (2) is broad and not only encompasses those areas containing properties so dilapidated as to justify condemnation as nuisances, but also envisions the prevention of deterioration. The absence of widespread violations of building and health ordinances does not of itself establish arbitrariness on the part of a city council in finding blight. *Tracy v. City of Boulder*, 635 P.2d 907 (Colo. App. 1981).

Determination of “blighted area” by council is legislative question. A city council’s determination as to whether an area is blighted, when such determination relates to the need for an ordinance, is a legislative question and scope of review by the judiciary is restricted. *Tracy v. City of Boulder*, 635 P.2d 907 (Colo. App. 1981).

If actual purpose behind a particular urban renewal plan is not the elimination or prevention of blight or slums, the urban renewal authority does not have the power to condemn land in furtherance of that plan because the determination of necessity is not supported by the record. *City & County of Denver v. Block 173*, 814 P.2d 824 (Colo. 1991).

Proper purpose for which a condemnation action may be instituted in the context of urban renewal is limited to plans adopted to remedy identified slum or blight conditions, and fact that such conditions were found to exist is not dispositive if the purpose in designating a large study area and in targeting block 173 as part of that area was to acquire block 173 for private purposes. *City & County of Denver v. Block 173*, 814 P.2d 824 (Colo. 1991).

Quarry lake property is no longer subject to municipality’s 1981 blight determination, because the statutory procedures for removing blight were followed. The urban renewal authority disposed of the quarry lake property according to the terms of state’s urban renewal law and certified the uses to which the lake was devoted comported with the urban renewal plan. After duly disposing of the lake property, certifying that the property was being used in accordance with the urban renewal plan, and having notice at all relevant times of the developer’s efforts to incorporate the lake into its office park, the urban renewal authority cannot now claim that the lake has never been developed in accordance with the urban renewal plan. On the contrary, the quarry lake has been developed in accordance with the procedures laid out in the state’s urban renewal law and, thus, can no longer be considered “blighted” under the municipality’s 1981 blight determination. *Arvada Urban Renewal Auth. v. Columbine Prof'l Plaza Ass'n.*, 85 P.3d 1066 (Colo. 2004).

Applied in *Bailey v. People*, 200 Colo. 549, 617 P.2d 549 (1980).

31-25-104. Urban renewal authority. (1) (a) Any twenty-five registered electors of the municipality may file a petition with the clerk, setting forth that there is a need for an authority to function in the municipality. Upon the filing of such a petition, the clerk shall give notice of the time, place, and purpose of a public hearing, at which the local governing body will determine the need for such an authority in the municipality. Such notice shall be given at the expense of the municipality by publishing a notice, at least ten days preceding the day on which the hearing is to be held, in a newspaper having a general circulation in the municipality or, if there is no such newspaper, by posting such a notice in at least three public places within the municipality at least ten days preceding the day on which the hearing is to be held.

(b) Upon the date fixed for said hearing held upon notice as provided in this section, a full opportunity to be heard shall be granted to all residents and taxpayers of the municipality and to all other interested persons. After such a hearing, if the governing body finds that one or more slum or blighted areas exist in the municipality, and finds that the acquisition, clearance, rehabilitation, conservation, development, or redevelopment, or a combination thereof of such area is necessary in the interest of the public health, safety, morals, or welfare of the residents of the municipality, and declares it to be in the public interest that the urban renewal authority for such municipality created by this part 1 exercise the powers provided in this part 1 to be exercised by such authority, the governing body shall adopt a resolution so finding and declaring and shall cause notice of such resolution to be given to the mayor, who shall thereupon appoint, as provided in paragraph (a) of subsection (2) of this section, commissioners to act as an authority. A certificate signed by such commissioners shall then be filed with the division of local government in the department of local affairs and there remain of record, setting forth that the governing body made the findings and declaration provided in this paragraph (b) after such hearing and that

the mayor has appointed them as commissioners. Upon the filing of such certificate, the commissioners and their successors are constituted an urban renewal authority, which shall be a body corporate and politic. The boundaries of such authority shall be coterminous with those of the municipality.

(c) If the governing body, after a hearing, determines that the findings and declaration enumerated in paragraph (b) of this subsection (1) cannot be made, it shall adopt a resolution denying the petition. After six months have expired from the date of the denial of such petition, subsequent petitions may be filed and new hearings and determinations made thereon; except that there shall be at least six months between the time of filing of any subsequent petition and the denial of the last preceding petition.

(d) In any suit, action, or proceeding involving the validity or enforcement of any bond, contract, mortgage, trust indenture, or other agreement of the authority, the authority shall be conclusively deemed to have been established in accordance with the provisions of this part 1 upon proof of the filing of said certificate. A copy of such certificate, duly certified by the director of the division of local government, shall be admissible in evidence in any such suit, action, or proceeding.

(2) (a) An authority shall consist of any odd number of commissioners which shall be not less than five nor more than eleven, each of whom shall be appointed by the mayor, who shall designate the chairman for the first year. Such appointments and designation shall be subject to approval by the governing body. Not more than one of the commissioners may be an official of the municipality. In the event that an official of the municipality is appointed as commissioner of an authority, acceptance or retention of such appointment shall not be deemed a forfeiture of his office, or incompatible therewith, or affect his tenure or compensation in any way. The term of office of a commissioner of an authority who is a municipal official shall not be affected or curtailed by the expiration of the term of his municipal office.

(b) The commissioners who are first appointed shall be designated by the mayor to serve for staggered terms so that the term of at least one commissioner will expire each year. Thereafter, the term of office shall be five years. A commissioner shall hold office until his successor has been appointed and has qualified. Vacancies other than by reason of expiration of terms shall be filled by the mayor for the unexpired term. A majority of the commissioners shall constitute a quorum. The mayor shall file with the clerk a certificate of the appointment or reappointment of any commissioner, and such certificate shall be conclusive evidence of the due and proper appointment of such commissioner. A commissioner shall receive no compensation for his services, but he shall be entitled to the necessary expenses, including traveling expenses, incurred in the discharge of his duties.

(c) When the office of the first chairman of the authority becomes vacant and annually thereafter, the authority shall select a chairman from among its members. An authority shall select from among its members a vice-chairman, and it may employ a secretary, who shall be executive director, technical experts, and such other officers, agents, and employees, permanent and temporary, as it may require, and it shall determine their qualifications, duties, and compensation. An authority may call upon the municipal council or chief legal officer of the municipality for such legal services as it may require, or it may employ its own counsel and legal staff. An authority may delegate to one or more of its agents or employees such duties as it deems proper.

(3) No commissioner, other officer, or employee of an authority nor any immediate member of the family of any such commissioner, officer, or employee shall acquire any interest, direct or indirect, in any project or in any property included or planned to be included in any project, nor shall he have any interest, direct or indirect, in any contract or proposed contract for materials or services to be furnished or used in connection with any project. If any commissioner, other officer, or employee of an authority owns or controls an interest, direct or indirect, in any property included or planned to be included in any project, he shall immediately disclose the same in writing to the authority, and such disclosure shall be entered upon the minutes of the authority. Upon such disclosure, such commissioner, officer, or other employee shall not participate in any action by the authority affecting the carrying out of the project planning or the undertaking of the project unless the authority determines that, in the light of such personal interest, the participation of such member in

any such act would not be contrary to the public interest. Acquisition or retention of any such interest without such determination by the authority that it is not contrary to the public interest or willful failure to disclose any such interest constitutes misconduct in office.

(4) The mayor, with the consent of the governing body, may remove a commissioner for inefficiency or neglect of duty or misconduct in office but only after the commissioner has been given a copy of the charges made by the mayor against him and has had an opportunity to be heard in person or by counsel before the governing body. In the event of the removal of any commissioner, the mayor shall file in the office of the clerk a record of the proceedings, together with the charges made against the commissioner and findings thereon.

Editor's note: This section is similar to former § 31-25-104 as it existed prior to 1975.

ANNOTATION

Standard on review. The reviewing court's task is to exercise an independent determination to insure that a city council's decisions are based on evidence presented at council hearings, that any ordinance is supported by fact findings, and

that the council applied the legislative standards set out in this part. *Tracy v. City of Boulder*, 635 P.2d 907 (Colo. App. 1981).

Applied in *James v. Bd. of Comm'rs*, 42 Colo. App. 27, 595 P.2d 262 (1978).

31-25-105. Powers of an authority. (1) Every authority has all the powers necessary or convenient to carry out and effectuate the purposes and provisions of this part 1, including, but not limited to, the following powers in addition to others granted in this part 1:

(a) To sue and to be sued; to adopt and have a seal and to alter the same at pleasure; to have perpetual succession; to make, and from time to time amend and repeal, bylaws, orders, rules, and regulations to effectuate the provisions of this part 1;

(b) To undertake urban renewal projects and to make and execute any and all contracts and other instruments which it may deem necessary or convenient to the exercise of its powers under this part 1, including, but not limited to, contracts for advances, loans, grants, and contributions from the federal government or any other source;

(c) To arrange for the furnishing or repair by any person or public body of services, privileges, works, streets, roads, public utilities, or educational or other facilities for or in connection with a project of the authority; to dedicate property acquired or held by it for public works, improvements, facilities, utilities, and purposes; and to agree, in connection with any of its contracts, to any conditions that it deems reasonable and appropriate under this part 1, including, but not limited to, conditions attached to federal financial assistance, and to include in any contract made or let in connection with any project of the authority provisions to fulfill such of said conditions as it may deem reasonable and appropriate;

(d) To arrange with the municipality or other public body to plan, replan, zone, or rezone any part of the area of the municipality or of such other public body, as the case may be, in connection with any project proposed or being undertaken by the authority under this part 1;

(e) To enter, with the consent of the owner, upon any building or property in order to make surveys or appraisals and to obtain an order for this purpose from a court of competent jurisdiction in the event entry is denied or resisted; to acquire any property by purchase, lease, option, gift, grant, bequest, devise, or otherwise to acquire any interest in property by condemnation, including a fee simple absolute title thereto, in the manner provided by the laws of this state for the exercise of the power of eminent domain by any other public body (and property already devoted to a public use may be acquired in a like manner except that no property belonging to the federal government or to a public body may be acquired without its consent); except that any acquisition of any interest in property by condemnation by an authority must be approved as part of an urban renewal plan or substantial

modification thereof, as provided in section 31-25-107, by a majority vote of the governing body of the municipality in which such property is located, and the acquisition of property by condemnation by an authority shall also satisfy the requirements of section 31-25-105.5; to hold, improve, clear, or prepare for redevelopment any such property; to mortgage, pledge, hypothecate, or otherwise encumber or dispose of its property; and to insure or provide for the insurance of any property or operations of the authority against any risks or hazards; except that no provision of any other law with respect to the planning or undertaking of projects or the acquisition, clearance, or disposition of property by public bodies shall restrict an authority exercising powers under this part 1 in the exercise of such functions with respect to a project of such authority unless the general assembly specifically so states;

(f) (I) To invest any of its funds not required for immediate disbursement in property or in securities in which public bodies may legally invest funds subject to their control pursuant to part 6 of article 75 of title 24, C.R.S., and to redeem such bonds as it has issued at the redemption price established therein or to purchase such bonds at less than redemption price, all such bonds so redeemed or purchased to be cancelled;

(II) To deposit any funds not required for immediate disbursement in any depository authorized in section 24-75-603, C.R.S. For the purpose of making such deposits, the authority may appoint, by written resolution, one or more persons to act as custodians of the funds of the authority. Such persons shall give surety bonds in such amounts and form and for such purposes as the authority requires.

(g) To borrow money and to apply for and accept advances, loans, grants, and contributions from the federal government or other source for any of the purposes of this part 1 and to give such security as may be required;

(h) To make such appropriations and expenditures of its funds and to set up, establish, and maintain such general, separate, or special funds and bank accounts or other accounts as it deems necessary to carry out the purposes of this part 1;

(i) To make or have made and to submit or resubmit to the governing body for appropriate action the authority's proposed plans and modifications thereof necessary to the carrying out of the purposes of this part 1, such plan shall include, but not be limited to:

(I) Plans to assist the municipality in the latter's preparation of a workable program for utilizing appropriate private and public resources to eliminate and prevent the development or spread of slum and blighted areas, to encourage needed urban rehabilitation, to provide for the redevelopment of slum and blighted areas, or to undertake such activities or other feasible municipal activities as may be suitably employed to achieve the objectives of such workable program, which program may include, without limitation, provision for: The prevention of the spread of blight into areas of the municipality which are free from blight through diligent enforcement of housing, zoning, and occupancy controls and standards; the rehabilitation or conservation of slum and blighted areas or portions thereof by replanning, removing congestion, providing public improvements, and encouraging rehabilitation and repair of deteriorated or deteriorating structures; and the clearance and redevelopment of slum and blighted areas or portions thereof;

(II) Urban renewal plans;

(III) Preliminary plans outlining proposed urban renewal activities for neighborhoods of the municipality to embrace two or more urban renewal areas;

(IV) Plans for the relocation of those individuals, families, and business concerns situated in the urban renewal area which will be displaced by the urban renewal project, which relocation plans, without limitation, may include appropriate data setting forth a feasible method for the temporary relocation of such individuals and families and showing that there will be provided, in the urban renewal area or in other areas not generally less desirable in regard to public utilities and public and commercial facilities and at rents or prices within the financial means of the individuals and families so displaced, decent, safe, and sanitary dwellings equal in number to the number of and available to such individuals and families and reasonably accessible to their places of employment;

(V) Plans for undertaking a program of voluntary repair and rehabilitation of buildings and improvements and for the enforcement of state and local laws, codes, and regulations

relating to the use of land and the use and occupancy of buildings and improvements and to the repair, rehabilitation, demolition, or removal of buildings and improvements;

(VI) Financing plans, maps, plats, appraisals, title searches, surveys, studies, and other preliminary plans and work necessary or pertinent to any proposed plans or modifications;

(j) To make reasonable relocation payments to or with respect to individuals, families, and business concerns situated in an urban renewal area that will be displaced as provided in subparagraph (IV) of paragraph (i) of this subsection (1) for moving expenses and actual direct losses of property including, for business concerns, goodwill and lost profits that are reasonably related to relocation of the business, resulting from their displacement for which reimbursement or compensation is not otherwise made, including the making of such payments financed by the federal government;

(k) To develop, test, and report methods and techniques and to carry out demonstrations and other activities for the prevention and the elimination of slum and blighted areas within the municipality;

(l) To rent or to provide by any other means suitable quarters for the use of the authority or to accept the use of such quarters as may be furnished by the municipality or any other public body, and to equip such quarters with such furniture, furnishings, equipment, records, and supplies as the authority may deem necessary to enable it to exercise its powers under this part 1.

Editor's note: This section is similar to former § 31-25-105 as it existed prior to 1975.

ANNOTATION

Law reviews. For comment discussing church condemnation, see 46 U. Colo. L. Rev. 43 (1974). For article, "Economic Development Incentives for Colorado Municipalities", see 19 Colo. Law. 239 (1990).

No constitutional right to relocation benefits. Persons displaced by redevelopment project have no constitutional right to relocation benefits or assistance. *Auraria Businessmen Against Confiscation, Inc. v. Denver Urban Renewal Auth.*, 183 Colo. 441, 517 P.2d 845 (1974).

Federal statutes not determinative of right to recovery. In a condemnation action under the statutes and constitution of Colorado, a landowner's right to compensation and the extent thereof must be determined by the applicable law of Colorado, so the right to recovery is not dependent upon nor limited by federal statutes. *Denver Urban Renewal Auth. v. Steiner Am. Corp.*, 31 Colo. App. 125, 500 P.2d 983 (1972).

No clear indication in subsection (1)(e) of an urban renewal authority's powers to place the decision to condemn in the hands of a private party. The Urban Renewal Law mentions many conventional matters that urban renewal authorities could effectuate only through contracts with private parties. No provision, however, suggests that urban renewal authorities may, through contract, delegate to private parties the prerogative of taking property by emi-

nent domain. Subsection (1)(e) speaks of exercising the power of eminent domain "in the manner provided by the laws of this state", none of which authorizes the delegation of that power by contract to private entities. Grants of power to exercise the sovereign right of eminent domain, in derogation of the common private rights of individuals, are generally strictly construed. *Cornerstone Group XXII v. Wheat Ridge Urban Renewal Auth.*, 151 P.3d 601 (Colo. App. 2006), rev'd on other grounds, 176 P.3d 737 (Colo. 2007).

Because district court lacked authority to order the specific performance of a contractual obligation to exercise the core governmental power of eminent domain and urban renewal authority could not be estopped from abandoning its condemnation petitions, judgment of the court of appeals is reversed. However, because authority's agreement to acquire specific properties by condemnation, if necessary, does not render the contract void under reserved powers doctrine, case is remanded and district court directed to consider respondent's remaining claims, including breach of contract. *Wheat Ridge Urban Renewal Auth. v. Cornerstone Group XXII*, 176 P.3d 737 (Colo. 2007).

Purpose of subsection (1)(j) is to provide supplemental assistance for particular losses incurred by reason of dislocation, in an effort to reduce the burden falling on the property owner

whose property is condemned. *Auraria Businessmen Against Confiscation, Inc. v. Denver Urban Renewal Auth.*, 183 Colo. 441, 517 P.2d 845 (1974).

Subsection (1)(j) does not create additional elements compensable under eminent domain laws. *Auraria Businessmen Against Confiscation, Inc. v. Denver Urban Renewal Auth.*, 183 Colo. 441, 517 P.2d 845 (1974).

Small businessmen not denied equal protection. Subsection (1)(j) of this section and §§ 24-56-103, 24-56-104, and 24-56-105 do not create discriminatory and unjustified classifications which deny small businessmen equal protection of the law. *Auraria Businessmen Against Confiscation, Inc. v. Denver Urban Renewal Auth.*, 183 Colo. 441, 517 P.2d 845 (1974).

Omission of supplemental payments for loss of goodwill and profit in subsection (1)(j) does not render it unconstitutional. *Auraria Businessmen Against Confiscation, Inc. v. Denver Urban Renewal Auth.*, 183 Colo. 441, 517 P.2d 845 (1974).

Owner entitled to value of land and improvements. When land occupied for business purposes is taken, the owner is entitled to compensation only for the value of the land and improvements. *Denver Urban Renewal Auth. v. Cook*, 186 Colo. 182, 526 P.2d 652 (1974).

But owner is not entitled to value of any business conducted on land that is taken. *Denver Urban Renewal Auth. v. Cook*, 186 Colo. 182, 526 P.2d 652 (1974).

And evidence of business profits inadmissible. On the theory that profits derived from a business are more a function of the entrepreneurial skills of management than the value of the land, evidence of business profits is not admissible as a determinant of the fair market value of the condemned property. *Denver Urban Renewal Auth. v. Cook*, 186 Colo. 182, 526 P.2d 652 (1974).

The business profit rule, long followed in Colorado, requires the exclusion of business profits generated by an enterprise on the property. *Denver Urban Renewal Auth. v. Berglund-Cherne Co.*, 193 Colo. 562, 568 P.2d 478 (1977).

Except to show use of property. Under the business profits rule, evidence of the character and volume of business conducted on condemned property is admissible only for the limited purpose of showing a use for which the property may be utilized. *Denver Urban Renewal Auth. v. Cook*, 186 Colo. 182, 526 P.2d 652 (1974); *Denver Urban Renewal Auth. v. Berglund-Cherne Co.*, 193 Colo. 562, 568 P.2d 478 (1977).

And evidence of gross sales falls within purview of the business profits rule and, therefore, is inadmissible as a determinant of a reasonable rental value. *Denver Urban Renewal*

Auth. v. Cook, 186 Colo. 182, 526 P.2d 652 (1974).

Because gross sales, like profits, are more inextricably tied to management and administration of a business than to the value of the property upon which the business is situated, and thus, the same reasons that cause the amount of profits to be an inappropriate measure of the value of the land are applicable to the use of gross sales figures, albeit to a lesser degree. *Denver Urban Renewal Auth. v. Cook*, 186 Colo. 182, 526 P.2d 652 (1974).

Fixtures are a part of the realty for which compensation must be paid to the owner by the condemning authority. *Denver Urban Renewal Auth. v. Steiner Am. Corp.*, 31 Colo. App. 125, 500 P.2d 983 (1972).

The foundation for the business profits rule is that (1) the business itself is not being condemned and can be relocated, and (2) business profits are more a function of the entrepreneurial skills of management than of the value of the land. *Denver Urban Renewal Auth. v. Berglund-Cherne Co.*, 193 Colo. 562, 568 P.2d 478 (1977).

A crucial distinction must be made between "profits derived from a business conducted on the premises" and "profits derived from the land itself". *Denver Urban Renewal Auth. v. Berglund-Cherne Co.*, 193 Colo. 562, 568 P.2d 478 (1977).

Only the first is inadmissible under the business profits rule. *Denver Urban Renewal Auth. v. Berglund-Cherne Co.*, 193 Colo. 562, 568 P.2d 478 (1977).

Evidence of farm and rental income is admissible as "profit derived from the land itself". *Denver Urban Renewal Auth. v. Berglund-Cherne Co.*, 193 Colo. 562, 568 P.2d 478 (1977).

The fair economic rental value of commercial property is also evidence of "profit derived from the land itself" and is therefore admissible as a determinant of value in conjunction with the income approach. *Denver Urban Renewal Auth. v. Berglund-Cherne Co.*, 193 Colo. 562, 568 P.2d 478 (1977).

The capitalization of income approach may be used to determine the value of owner-occupied property. *Denver Urban Renewal Auth. v. Berglund-Cherne Co.*, 193 Colo. 562, 568 P.2d 478 (1977).

No purpose is served by limiting testimony to one approach or to the most appropriate method of attaining an opinion as to value. Recognition should be given to all relevant factors which tend to provide a means for arriving at a fair evaluation, and therefore, the better rule is to permit the use of capitalization of income method even if other methods are available. *Denver Urban Renewal Auth. v. Berglund-Cherne Co.*, 193 Colo. 562, 568 P.2d 478 (1977).

Payment of relocation benefits to persons displaced by urban renewal project does not constitute unconstitutional expenditure of public funds in the aid of private persons. Denver Urban Renewal Auth. v. Byrne, 618 P.2d 1374 (Colo. 1980).

Applied in Interstate Trust Bldg. Co. v. Denver Urban Renewal Auth., 172 Colo. 427, 473 P.2d 978 (1970).

31-25-105.5. Acquisition of private property by eminent domain by authority for subsequent transfer to private party - restrictions - exceptions - right of civil action - damages - definitions. (1) Except as provided in this subsection (1) or subsection (2) of this section, no private property acquired by eminent domain by an authority pursuant to section 31-25-105 (1) (e) after June 4, 2004, shall be subsequently transferred to a private party unless:

(a) The owner of the property consents in writing to acquisition of the property by eminent domain by the authority;

(b) The governing body of the authority determines that the property is no longer necessary for the purpose for which it was originally acquired, and the authority first offers to sell the property to the owner from whom it was acquired, if the owner can be located, at a price not more than that paid by the authority and the owner of the property declines to exercise such right of first refusal;

(c) The property acquired by the authority has been abandoned; or

(d) The owner of the property requests or pleads in an eminent domain action that the authority acquiring the property also acquire property that is not essential to the purpose of the acquisition on the basis that acquiring less property would leave the owner of the property holding an uneconomic remnant.

(2) (a) Where a proposed transfer of private property acquired by an authority by eminent domain does not satisfy one of the requirements specified in subsection (1) of this section, such property acquired by eminent domain by an authority after June 4, 2004, may be subsequently transferred to a private party only upon satisfaction of each of the following conditions:

(I) The governing body has made a determination that the property is located in a blighted area or the property itself is blighted, and the urban renewal project for which the property is being acquired shall be commenced no later than seven years from the date the blight determination is made. For purposes of this section, the determination of whether a particular area or property is blighted shall be based upon reasonably current information obtained at the time the blight determination is made.

(II) Not later than the commencement of the negotiation of an agreement for redevelopment or rehabilitation of property acquired or to be acquired by eminent domain, the authority provides notice and invites proposals for redevelopment or rehabilitation from all property owners, residents, and owners of business concerns located on the property acquired or to be acquired by eminent domain in the urban renewal area by mailing notice to their last known address of record. The authority may also at the same time invite proposals for redevelopment or rehabilitation from other interested persons who may not be property owners, owners of business concerns, or residents within the urban renewal area, and may provide public notice thereof by publication in a newspaper having a general circulation within the municipality in which the authority has been established.

(III) In the case of a set of parcels to be acquired by the authority in connection with an urban renewal project, at least one of which is owned by an owner refusing or rejecting an agreement for the acquisition of the entire set of parcels, the authority makes a determination that the redevelopment or rehabilitation of the remaining parcels is not viable under the urban renewal plan without the parcel at issue.

(b) Any owner of property located within the urban renewal area may challenge the determination of blight made by the governing body pursuant to subparagraph (I) of paragraph (a) of this subsection (2) by filing, not later than thirty days after the date the determination of blight is made, a civil action in district court for the county in which the property is located pursuant to C.R.C.P. 106 (a) (4) for judicial review of the exercise of discretion on the part of the governing body in making the determination of blight. Any such

action shall be governed in accordance with the procedures and other requirements specified in the rule; except that the governing body shall have the burden of proving that, in making its determination of blight, it has neither exceeded its jurisdiction nor abused its discretion.

(c) Notwithstanding any other provision of law, any determination made by the governing body pursuant to paragraph (a) of this subsection (2) shall be deemed a legislative determination and shall not be deemed a quasi-judicial determination.

(d) Notwithstanding any other provision of this section, no transfer that satisfies the requirements of subsection (1) of this section shall be subject to the provisions of this subsection (2), subsection (3) or (4), or paragraph (a) of subsection (5) of this section.

(3) Any authority seeking to acquire property by eminent domain in accordance with the requirements of subsection (2) of this section shall reimburse the owner of the property for reasonable attorney fees incurred by the owner in connection with the acquisition where the owner is the prevailing party on a challenge brought under paragraph (b) of subsection (2) of this section.

(4) (a) Any authority that exercises the power of eminent domain to transfer acquired property to another private party as authorized in accordance with the requirements of this section shall adopt relocation assistance and land acquisition policies to benefit displaced persons that are consistent with those set forth in article 56 of title 24, C.R.S., to the extent applicable to the facts of each specific property, and, at the time of the relocation of the owner or the occupant, shall provide compensation or other forms of assistance to any displaced person in accordance with such policies. In addition, in the case of a business concern displaced by the acquisition of property by eminent domain, the authority shall make a business interruption payment to the business concern not to exceed the lesser of ten thousand dollars or one-fourth of the average annual taxable income shown on the three most recent federal income tax returns of the business concern.

(b) In any case where the acquisition of property by eminent domain by an authority displaces individuals, families, or business concerns, the authority shall make reasonable efforts to relocate such individuals, families, or business concerns within the urban renewal area, where such relocation is consistent with the uses provided in the urban renewal plan, or in areas within reasonable proximity of, or comparable to, the original location of such individuals, families, or business concerns.

(5) For purposes of this section, unless the context otherwise requires:

(a) "Blighted area" shall have the same meaning as set forth in section 31-25-103 (2); except that, for purposes of this section only, "blighted area" means an area that, in its present condition and use and, by reason of the presence of at least five of the factors specified in section 31-25-103 (2) (a) to (2) (l), substantially impairs or arrests the sound growth of the municipality, retards the provision of housing accommodations, or constitutes an economic or social liability, and is a menace to the public health, safety, morals, or welfare.

(b) "Private property" or "property" means, as applied to real property, only a fee ownership interest.

ANNOTATION

No clear indication in section of an urban renewal authority's powers to place the decision to condemn in the hands of a private party. The Urban Renewal Law mentions many conventional matters that urban renewal authorities could effectuate only through contracts with private parties. No provision, however, suggests that urban renewal authorities may, through contract, delegate to private parties the prerogative of taking property by eminent domain. Purpose of this section is to restrict eminent domain when used to acquire private property for trans-

fer to another private party. Grants of power to exercise the sovereign right of eminent domain, in derogation of the common private rights of individuals, are generally strictly construed. *Cornerstone Group XXII v. Wheat Ridge Urban Renewal Auth.*, 151 P.3d 601 (Colo. App. 2006), rev'd on other grounds, 176 P.3d 737 (Colo. 2007).

Because district court lacked authority to order the specific performance of a contractual obligation to exercise the core governmental power of eminent domain and urban

renewal authority could not be estopped from abandoning its condemnation petitions, judgment of the court of appeals is reversed. However, because authority's agreement to acquire specific properties by condemnation, if necessary, does not render the contract void under

reserved powers doctrine, case is remanded and district court directed to consider respondent's remaining claims, including breach of contract. *Wheat Ridge Urban Renewal Auth. v. Cornerstone Group XXII*, 176 P.3d 737 (Colo. 2007).

31-25-105.7. Condemnation actions by authorities - effect of other provisions. Notwithstanding any other provision of law, any condemnation action commenced by an authority on or after June 6, 2006, shall satisfy the requirements specified in section 38-1-101, C.R.S. To the extent there is any conflict between the provisions of this part 1 and the provisions of section 38-1-101, C.R.S., the provisions of section 38-1-101, C.R.S., shall control.

Source: L. 2006: Entire section added, p. 1750, § 2, effective June 6.

31-25-106. Disposal of property in urban renewal area. (1) An authority may sell, lease, or otherwise transfer real property or any interest therein acquired by it as a part of an urban renewal project for residential, recreational, commercial, industrial, or other uses or for public use in accordance with the urban renewal plan, subject to such covenants, conditions, and restrictions, including covenants running with the land (and including the incorporation by reference therein of the provisions of an urban renewal plan or any part thereof), as it deems to be in the public interest or necessary to carry out the purposes of this part 1. The purchasers, lessees, transferees, and their successors and assigns are obligated to devote such real property only to the land uses, designs, building requirements, timing, or procedure specified in the urban renewal plan and may be obligated to comply with such other requirements as the authority may determine to be in the public interest, including the obligation to begin within a reasonable time any improvements on such real property required by the urban renewal plan. Such real property or interest shall be sold, leased, or otherwise transferred at not less than its fair value (as determined by the authority) for uses in accordance with the urban renewal plan. In determining the fair value of real property for uses in accordance with the urban renewal plan, an authority shall take into account and give consideration to the uses provided in such plan; the restrictions upon and the covenants, conditions, and obligations assumed by the purchaser or lessee; and the objectives of such plan for the prevention of the recurrence of slum or blighted areas. Real property acquired by an authority which, in accordance with the provisions of the urban renewal plan, is to be transferred shall be transferred as rapidly as feasible in the public interest consistent with the carrying out of the provisions of the urban renewal plan. Any contract for such transfer and the urban renewal plan (or such part of such contract or plan as the authority may determine) may be recorded in the land records of the county in such manner as to afford actual or constructive notice thereof.

(2) An authority may dispose of real property in an urban renewal area to private persons only under such reasonable competitive bidding procedures as it shall prescribe or as provided in this subsection (2). An authority, by public notice by publication once each week for two consecutive weeks in a newspaper having a general circulation in the municipality, prior to the execution of any contract to sell, lease, or otherwise transfer real property and prior to the delivery of any instrument of conveyance with respect thereto under the provisions of this section, may invite proposals from and make available all pertinent information to any person interested in undertaking to redevelop or rehabilitate an urban renewal area or any part thereof. Such notice shall identify the area, or portion thereof, and shall state that such further information as is available may be obtained at the office designated in the notice. The authority shall consider all such redevelopment or rehabilitation proposals and the financial and legal ability of the persons making such proposals to carry them out and may negotiate with any persons for proposals for the purchase, lease, or other transfer of any real property acquired by the authority in the urban renewal area. The authority may accept such proposal as it deems to be in the public interest and in furtherance of the purposes of this part 1; except that a notification of intention to

accept such proposal shall be filed with the governing body not less than fifteen days prior to any such acceptance. Thereafter, the authority may execute such contract in accordance with the provisions of subsection (1) of this section and deliver deeds, leases, and other instruments and take all steps necessary to effectuate such contract.

(3) An authority may temporarily operate and maintain real property acquired in an urban renewal area pending the disposition of the property for redevelopment without regard to the provisions of subsection (1) of this section for such uses and purposes as may be deemed desirable even though not in conformity with the urban renewal plan.

(4) Anything in subsection (1) of this section to the contrary notwithstanding, project real property may be set aside, dedicated, and devoted by the authority to public uses which are in accordance with the urban renewal plan or set aside, dedicated, and transferred by the authority to the municipality or to any other appropriate public body for public uses which are in accordance with such urban renewal plan, with or without compensation for such property and with or without regard to the fair value thereof as determined in subsection (1) of this section, upon or subject to such terms, conditions, covenants, restrictions, or limitations as the authority deems to be in the public interest and as are not inconsistent with the purposes and objectives and the other applicable provisions of this part 1.

Editor's note: This section is similar to former § 31-25-106 as it existed prior to 1975.

ANNOTATION

Trial court correctly held that plaintiff lacked standing to pursue claims alleging a violation of state Urban Renewal Law. A plaintiff has standing if he or she (1) incurred an injury in fact (2) to a legally protected interest, as contemplated by statutory or constitutional provisions. To satisfy the injury-in-fact prong of the controlling test for standing, the injury must be direct and palpable. A claimed injury that, as here, is presently speculative and that cannot be determined until a remote time in the future is not sufficiently direct and palpable to support a finding of injury in fact. To determine whether plaintiff has a legal interest that entitles her to judicial redress, court must consider whether Urban Renewal Law reflects a legislative purpose to confer such an interest. Court finds that general assembly did not intend to create a right in taxpayers to enforce the statute. Implying such a right in taxpayers is also inconsistent with the statutory scheme. *Olson v. City of Golden*, 53 P.3d 747 (Colo. App. 2002).

Urban renewal authority lacks statutory authority to condemn subject parcel of real

property that is no longer subject to blight determination. Neither lake parcel nor Arvada marketplace parcel is subject to municipality's 1981 blight finding. Once the purpose of eliminating or preventing the spread of blight has been achieved, the urban renewal authority may no longer rely on a municipality's initial blight determination to condemn property because it can no longer exercise its condemnation powers in furtherance of a valid public purpose. Thus, the statutory basis for the urban renewal authority's power to condemn, the elimination of blight, is no longer present. Accordingly, where blight has been eliminated from a parcel that lies within an urban renewal area, an urban renewal authority no longer has any statutory basis to exercise its condemnation power over or for the benefit of that parcel. *Arvada Urban Renewal Auth. v. Columbine Prof'l Plaza Ass'n.*, 85 P.3d 1066 (Colo. 2004).

Applied in *Denver Urban Renewal Auth. v. Byrne*, 618 P.2d 1374 (Colo. 1980); *Thornton Development Authority v. Upah*, 640 F. Supp. 1071 (D. Colo. 1986).

31-25-107. Approval of urban renewal plans by local governing body. (1) (a) An authority shall not actually undertake an urban renewal project for an urban renewal area unless based on evidence presented at a public hearing the governing body, by resolution, has determined such area to be a slum, blighted area, or a combination thereof and designated such area as appropriate for an urban renewal project.

(b) Notwithstanding any other provision of this part 1, and in addition to any other notice required by law, within thirty days of the commissioning of a study to determine whether an area is a slum, blighted area, or a combination thereof in accordance with the requirements of paragraph (a) of this subsection (1), the authority shall provide notice to any owner of private property located in the area that is the subject of the study by mailing

notice to the owner by regular mail at the last-known address of record. The notice shall state that the authority is commencing a study necessary for making a determination as to whether the area in which the owner owns property is a slum or a blighted area. Where the authority makes a determination that the area is not a slum, blighted area, or a combination thereof, within thirty days of making such determination, the authority shall also send notice of such determination to any owner of private property located in the area that is the subject of the study by mailing notice to the owner by regular mail at the last-known address of record. For purposes of this paragraph (b), "private property" means, as applied to real property, only a fee ownership interest.

(c) (I) Except for urban renewal plans subject to section 31-25-103 (2) (I), the boundaries of an area that the governing body determines to be a blighted area shall be drawn as narrowly as the governing body determines feasible to accomplish the planning and development objectives of the proposed urban renewal area. The governing body shall not approve an urban renewal plan until a general plan for the municipality has been prepared. An authority shall not acquire real property for an urban renewal project unless the local governing body has approved the urban renewal plan in accordance with subsection (4) of this section. In making the determination as to whether a particular area is blighted pursuant to the provisions of this part 1, any particular condition found to be present may satisfy as many of the factors referenced in section 31-25-103 (2) as are applicable to such condition.

(II) Notwithstanding any other provision of this part 1, no area that has been designated as an urban renewal area shall contain any agricultural land unless:

(A) The agricultural land is a brownfield site;

(B) Not less than one-half of the urban renewal area as a whole consists of parcels of land containing urban-level development that, at the time of the designation of such area, are determined to constitute a slum or blighted area, or a combination thereof, in accordance with the requirements of paragraph (a) of subsection (1) of this section and not less than two-thirds of the perimeter of the urban renewal area as a whole is contiguous with urban-level development as determined at the time of the designation of such area;

(C) The agricultural land is an enclave within the territorial boundaries of a municipality and the entire perimeter of the enclave has been contiguous with urban-level development for a period of not less than three years as determined at the time of the designation of the area;

(D) Each public body that levies an ad valorem property tax on the agricultural land agrees in writing to the inclusion of the agricultural land within the urban renewal area; or

(E) The agricultural land was included in an approved urban renewal plan prior to June 1, 2010.

(III) Notwithstanding any other provision of this part 1, for a period commencing on June 1, 2010, and concluding ten years from June 1, 2010, and in addition to the provisions of subparagraph (II) of this paragraph (c), no area that has been designated as an urban renewal area shall contain any agricultural land unless:

(A) The agricultural land is contiguous with an urban renewal area in existence as of June 1, 2010;

(B) The person who is the fee simple owner of the agricultural land as of June 1, 2010, is also the fee simple owner of land within the urban renewal area as of June 1, 2010, that is contiguous with the agricultural land; and

(C) Both the agricultural land and the land within the urban renewal area that is described in sub-subparagraph (B) of this subparagraph (III) will be developed solely for the purpose of creating primary manufacturing jobs, and any ancillary jobs necessary to support such manufacturing operations, for the duration of the period during which property tax revenues in excess of a base amount are paid into a special fund pursuant to subparagraph (II) of paragraph (a) of subsection (9) of this section for the purpose of financing an urban renewal project. For purposes of this subparagraph (III), "primary manufacturing jobs" means manufacturing jobs that produce products that are in excess of those that will be consumed within the boundaries of the state and that are exported to other states and foreign countries in exchange for value.

(d) In the case of an urban renewal plan approved or substantially modified on or after June 1, 2010, the plan shall include a legal description of the urban renewal area, including the legal description of any agricultural land proposed for inclusion within the urban renewal area pursuant to the conditions specified in subparagraph (II) or (III) of paragraph (c) of this subsection (1).

(2) Prior to its approval of an urban renewal plan, the governing body shall submit such plan to the planning commission of the municipality, if any, for review and recommendations as to its conformity with the general plan for the development of the municipality as a whole. The planning commission shall submit its written recommendations with respect to the proposed urban renewal plan to the governing body within thirty days after receipt of the plan for review. Upon receipt of the recommendations of the planning commission or, if no recommendations are received within said thirty days, without such recommendations, the governing body may proceed with the hearing on the proposed urban renewal plan prescribed by subsection (3) of this section.

(3) (a) The governing body shall hold a public hearing on an urban renewal plan or substantial modification of an approved urban renewal plan no less than thirty days after public notice thereof by publication in a newspaper having a general circulation in the municipality. The notice shall describe the time, date, place, and purpose of the hearing, shall generally identify the urban renewal area covered by the plan, and shall outline the general scope of the urban renewal project under consideration.

(b) Where an authority intends to acquire private property by eminent domain within the urban renewal area to be subsequently transferred to a private party in accordance with the requirements of section 31-25-105.5 (2), the governing body, prior to the commencement of the acquisition of such property, shall first hold a public hearing on the use of eminent domain as a means to acquire such property after written notice of the time, date, place, and purpose of the hearing has been provided to each owner of property within the meaning of section 31-25-105.5 that is within the urban renewal area at least thirty days prior to the date of the hearing. In order to authorize the use of eminent domain as a means to acquire property, a governing body shall base its decision on such authorization on a finding of blighted or slum conditions without regard to the economic performance of the property to be acquired.

(3.5) (a) At least thirty days prior to the hearing on an urban renewal plan or a substantial modification to such plan, regardless of when the urban renewal plan was first approved, the governing body or the authority shall submit such plan or modification to the board of county commissioners, and, if property taxes collected as a result of the county levy will be utilized, the governing body or the authority shall also submit an urban renewal impact report, which shall include, at a minimum, the following information concerning the impact of such plan:

(I) The estimated duration of time to complete the urban renewal project;

(II) The estimated annual property tax increment to be generated by the urban renewal project and the portion of such property tax increment to be allocated during this period to fund the urban renewal project;

(III) An estimate of the impact of the urban renewal project on county revenues and on the cost and extent of additional county infrastructure and services required to serve development within the proposed urban renewal area, and the benefit of improvements within the urban renewal area to existing county infrastructure;

(IV) A statement setting forth the method under which the authority or the municipality will finance, or that agreements are in place to finance, any additional county infrastructure and services required to serve development in the urban renewal area for the period in which all or any portion of the property taxes described in subparagraph (II) of paragraph (a) of subsection (9) of this section and levied by a county are paid to the authority; and

(V) Any other estimated impacts of the urban renewal project on county services or revenues.

(b) The inadvertent failure of a governing body or an authority to submit an urban renewal plan, substantial modification to the plan, or an urban renewal impact report, as applicable, to a board of county commissioners in accordance with the requirements of

paragraph (a) of this subsection (3.5) shall neither create a cause of action in favor of any party nor invalidate any urban renewal plan or modification to the plan.

(c) Notwithstanding any other provision of this section, a city and county shall not be required to submit an urban renewal impact report satisfying the requirements of paragraph (a) of this subsection (3.5).

(3.7) Upon request of the governing body or the authority, each county that is entitled to receive a copy of the plan shall provide available county data and projections to assist the governing body or the authority in preparing the urban renewal impact report required pursuant to subsection (3.5) of this section.

(4) Following such hearing, the governing body may approve an urban renewal plan if it finds that:

(a) A feasible method exists for the relocation of individuals and families who will be displaced by the urban renewal project in decent, safe, and sanitary dwelling accommodations within their means and without undue hardship to such individuals and families;

(b) A feasible method exists for the relocation of business concerns that will be displaced by the urban renewal project in the urban renewal area or in other areas that are not generally less desirable with respect to public utilities and public and commercial facilities;

(c) The governing body has taken reasonable efforts to provide written notice of the public hearing prescribed by subsection (3) of this section to all property owners, residents, and owners of business concerns in the proposed urban renewal area at their last known address of record at least thirty days prior to such hearing. Such notice shall contain the same information as is required for the notice described in subsection (3) of this section.

(d) No more than one hundred twenty days have passed since the commencement of the first public hearing of the urban renewal plan pursuant to subsection (3) of this section;

(e) Except for urban renewal plans subject to section 31-25-103 (2) (l), if the urban renewal plan contains property that was included in a previously submitted urban renewal plan that the governing body failed to approve pursuant to this section, at least twenty-four months shall have passed since the commencement of the prior public hearing concerning such property pursuant to subsection (3) of this section unless substantial changes have occurred since the commencement of such hearing that result in such property constituting a blighted area pursuant to section 31-25-103;

(f) The urban renewal plan conforms to the general plan of the municipality as a whole;

(g) The urban renewal plan will afford maximum opportunity, consistent with the sound needs of the municipality as a whole, for the rehabilitation or redevelopment of the urban renewal area by private enterprise; and

(h) The authority or the municipality will adequately finance, or that agreements are in place to finance, any additional county infrastructure and services required to serve development within the urban renewal area for the period in which all or any portion of the property taxes described in subparagraph (II) of paragraph (a) of subsection (9) of this section and levied by a county are paid to the authority.

(4.5) In addition to the findings otherwise required to be made by the governing body pursuant to subsection (4) of this section, where an urban renewal plan seeks to acquire private property by eminent domain for subsequent transfer to a private party pursuant to section 31-25-105.5 (2), the governing body may approve the urban renewal plan where it finds, in connection with a hearing satisfying the requirements of subsection (3) of this section, that the urban renewal plan has met the requirements of section 31-25-105.5 (2) and that the principal public purpose for adoption of the urban renewal plan is to facilitate redevelopment in order to eliminate or prevent the spread of physically blighted or slum areas.

(5) In case the urban renewal area consists of an area of open land which, under the urban renewal plan, is to be developed for residential uses, the governing body shall comply with the applicable provisions of this section and shall also determine that a shortage of housing of sound standards and design which is decent, safe, and sanitary exists in the municipality; that the need for housing accommodations has been or will be increased as a result of the clearance of slums in other areas (including other portions of the urban renewal area); that the conditions of blight in the urban renewal area and the shortage of decent, safe,

and sanitary housing cause or contribute to an increase in and spread of disease and crime and constitute a menace to the public health, safety, morals, or welfare; and that the acquisition of the area for residential uses is an integral part of and essential to the program of the municipality.

(6) In case the urban renewal area consists of an area of open land which, under the urban renewal plan, is to be developed for nonresidential uses, the local governing body shall comply with the applicable provisions of this section and shall also determine that such nonresidential uses are necessary and appropriate to facilitate the proper growth and development of the community in accordance with sound planning standards and local community objectives and that the contemplated acquisition of the area may require the exercise of governmental action, as provided in this part 1, because of being in a blighted area.

(7) An urban renewal plan may be modified at any time; but, if modified after the lease or sale by the authority of real property in the urban renewal project area, such modification shall be subject to such rights at law or in equity as a lessee or purchaser or his successor in interest may be entitled to assert. Any proposed modification shall be submitted to the governing body for a resolution as to whether or not such modification will substantially change the urban renewal plan in land area, land use, design, building requirements, timing, or procedure, as previously approved, and, if it finds that there will be a substantial change, its approval of such modification shall be subject to the requirements of this section.

(8) Upon the approval by the governing body of an urban renewal plan or a substantial modification thereof, the provisions of said plan with respect to the land area, land use, design, building requirements, timing, or procedure applicable to the property covered by said plan shall be controlling with respect thereto.

(9) (a) Notwithstanding any law to the contrary, any urban renewal plan, as originally approved or as later modified pursuant to this part 1, may contain a provision that taxes, if any, levied after the effective date of the approval of such urban renewal plan upon taxable property in an urban renewal area each year or that municipal sales taxes collected within said area, or both such taxes, by or for the benefit of any public body shall be divided for a period not to exceed twenty-five years after the effective date of adoption of such a provision, as follows:

(I) That portion of the taxes which are produced by the levy at the rate fixed each year by or for each such public body upon the valuation for assessment of taxable property in the urban renewal area last certified prior to the effective date of approval of the urban renewal plan or, as to an area later added to the urban renewal area, the effective date of the modification of the plan, or that portion of municipal sales taxes collected within the boundaries of said urban renewal area in the twelve-month period ending on the last day of the month prior to the effective date of approval of said plan, or both such portions, shall be paid into the funds of each such public body as are all other taxes collected by or for said public body.

(II) That portion of said property taxes or all or any portion of said sales taxes, or both, in excess of the amount of property taxes or sales taxes paid into the funds of each such public body in accordance with the requirements of subparagraph (I) of this paragraph (a) shall be allocated to and, when collected, paid into a special fund of the authority to pay the principal of, the interest on, and any premiums due in connection with the bonds of, loans or advances to, or indebtedness incurred by, whether funded, refunded, assumed, or otherwise, the authority for financing or refinancing, in whole or in part, an urban renewal project, or to make payments under an agreement executed pursuant to subsection (11) of this section. Any excess municipal sales tax collections not allocated pursuant to this subparagraph (II) shall be paid into the funds of the municipality. Unless and until the total valuation for assessment of the taxable property in an urban renewal area exceeds the base valuation for assessment of the taxable property in such urban renewal area, as provided in subparagraph (I) of this paragraph (a), all of the taxes levied upon the taxable property in such urban renewal area shall be paid into the funds of the respective public bodies. Unless and until the total municipal sales tax collections in an urban renewal area exceed the base year municipal sales tax collections in such urban renewal area, as provided in subparagraph (I) of this paragraph (a), all such sales tax collections shall be paid into the funds of the

municipality. When such bonds, loans, advances, and indebtedness, if any, including interest thereon and any premiums due in connection therewith, have been paid, all taxes upon the taxable property or the total municipal sales tax collections, or both, in such urban renewal area shall be paid into the funds of the respective public bodies.

(III) In calculating and making payments as described in subparagraph (II) of this paragraph (a), the county treasurer may offset the authority's pro rata portion of any property taxes that are paid to the authority under the terms of subparagraph (II) of this paragraph (a) and that are subsequently refunded to the taxpayer against any subsequent payments due to the authority for the urban renewal project. The authority shall make adequate provision for the return of overpayments in the event that there are not sufficient property taxes due to the authority to offset the authority's pro rata portion of the refunds. The authority may establish a reserve fund for this purpose or enter into an intergovernmental agreement with the municipal governing body in which the municipality assumes responsibility for the return of the overpayments. The provisions of this subparagraph (III) shall not apply to a city and county.

(b) The portion of taxes described in subparagraph (II) of paragraph (a) of this subsection (9) may be irrevocably pledged by the authority for the payment of the principal of, the interest on, and any premiums due in connection with such bonds, loans, advances, and indebtedness. This irrevocable pledge shall not extend to any taxes that are placed in a reserve fund to be returned to the county for refunds of overpayments by taxpayers; except that this limitation on the extension of the irrevocable pledge shall not apply to a city and county.

(c) As used in this subsection (9), the word "taxes" shall include, without limitation, all levies authorized to be made on an ad valorem basis upon real and personal property or municipal sales taxes; but nothing in this subsection (9) shall be construed to require any public body to levy taxes.

(d) In the case of urban renewal areas, including single- and multiple-family residences, school districts which include all or any part of such urban renewal area shall be permitted to participate in an advisory capacity with respect to the inclusion in an urban renewal plan of the provision provided for by this subsection (9).
